Subject: Donation to 43rd Ward Office

[Warning: External email]

Hello Steve,

Lawrence Ho of 423 W Armitage, Chicago, IL, 60614 has given our office a bag of Godiva chocolates that retail for \$15.99. We received them on behalf of the city and put them out for consumption by the community at our front desk.

As our Chief of Staff has moved on to a new position, we will start a new document for future donations. Would you like us to submit those reports quarterly or annually?

Thank you,

Sheila Pacione, Director of Infrastructure and Constituent Services
