Subject: Commissioner Cox Travel

Good morning Steve,

Commissioner Cox took a trip July 11-July 17 and his cost has been covered by World Business Chicago. I was notified about this travel late and I am currently taking the necessary steps to enter the travel request and need a response from your office. Can you please review the following documents and reply back with your response.

Thank you,

Tija Walters
Executive Administrative Assistant I
City of Chicago, Department of Housing
