Subject: Ethics travel notification - St Louis

Hi Steve,

I attended the International Code Council ("ICC") conference in St. Louis, MO from October 7-11, 2023, in my official capacity. My conference registration fee, travel, and a portion of my lodging was paid for by ICC as I am a member of ICC's Major Jurisdictions Steering Committee. Several meals were included as part of the conference. The city funded the remainder of my cost of attendance.

Thanks,
Grant
