Subject: IGA event attendance

Good afternoon, Steve. Just wanted to notify you that I attended two events this week, at the invitation of the firm Cozen O'Connor, the host of both events. The first was a fundraising luncheon for Senate President Don Harmon on 6/12, and the second was a fundraising luncheon for Illinois House Speaker Chris Welch on 6/13. Also in attendance was IGA Legislative Counsel Cashmere Cozart. We were not lobbied at the event.

Please let me know if you need additional details. Thanks.
