Dear Mr. Berlin and Comptroller Rehwinkel:

Commissioner Rhee and several staff of the Department of Aviation received six (6) daffodils for planting on or around March 28, 2024, as a gift from Colleen Kelly, the host of travel shows *Family Travel with Colleen Kelly* and *Round Trip with Colleen Kelly*. The estimated cost of this gift was \$47.00. The flowers have been accepted on behalf of the City and planted around the Administration Building at O'Hare International Airport for all to enjoy.

If you need anything further to comply with the city ethics ordinance please let me know. Thank you!

Sincerely,

**Mario W. Hollemans**
