Subject: RE: Travel Question

Hello Richard -

I am writing to report back to you on my travel to the PAETC Faculty Development Conference, which I attended October 20-23, 2013 in Pacific Grove, California. As approved, my conference-associated air and ground travel, food, and lodging were paid for by the Midwest AIDS Education and Training Center (MATEC), and I accepted no additional gifts nor honoraria during the trip.

It was a very enriching experience, and my experience significantly improved my skills in educating clinicians in HIV care.

Please let me know if you need any additional information.

Sincerely,
Corinne
