DEPOSITORY AGREEMENT

We hereby offer to pay interest on the deposits of the City of Chicago and the Chicago Board of Education in Fiscal Year 2022 in accordance with the following schedules:

INTEREST-BEARING DEPOSITS

We hereby offer to pay interest on deposit accounts of the City of Chicago and Chicago Board of Education at the following minimum rate(s):

Type of Account	Rate	Minimum Deposit Requirement (if any)

N/A- Accounts were setup as Non-Interest Bearing with Earnings Credit Rate. ECR rate is subject to change based upon market conditions.

TIME DEPOSITS OR CERTIFICATES OF DEPOSIT

We hereby offer to pay interest on single maturity time deposits or certificates of deposit of $100,000 or more at the then current market rate being paid by our institution on similar principal amounts and for similar maturity terms; or at the following other rates:

(Please describe in detail your proposed rate schedule if your institution is offering to pay other than the current market rate. Attach sheets if necessary.)

N/A

The City shall reject the Proposal of any institution that does not offer rates on certificates of deposit or time deposits as prescribed above.

We understand that:

$ Interest on all certificates of deposit shall be computed on a 360-day basis rounded to 3 decimals.

$ Interest shall be paid to the City on the date of maturity.

Furthermore, we understand that any costs incurred in administering the City's account, including any costs incurred in collateralizing and safekeeping the City's investments, will be borne by our institution.

We understand the City's objective to invest its monies with financial institutions that demonstrate a commitment to benefit Chicago's communities and, in accordance with Chapter 2-32-440 of the Municipal Code of Chicago, have provided supplemental information to demonstrate our commitment. It is further understood that all information included in, attached to, or required by this Depository Agreement and related documents responding to the City's Request for Proposal shall become public record upon delivery to the City.

We certify that we have read the terms and conditions of this Request for Proposal and fully understand its intent. We also certify that we have adequate personnel, equipment and facilities to fulfill all requirements and to qualify as a municipal depository. Upon execution by the City below, it is our understanding that the Depository Agreement, along with all the requirements, provisions and stipulations as contained in the Request for Proposal, which is incorporated herein by reference, constitute the agreement between our institution and the City.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT

SECTION I -- GENERAL INFORMATION

A. Legal name of the Disclosing Party submitting this EDS. Include d/b/a/ if applicable:

Bank of America, National Association

Check ONE of the following three boxes:

Indicate whether the Disclosing Party submitting this EDS is:

1. [x] the Applicant

OR

2. [ ] a legal entity currently holding, or anticipated to hold within six months after City action on the contract, transaction or other undertaking to which this EDS pertains (referred to below as the "Matter"), a direct or indirect interest in excess of 7.5% in the Applicant. State the Applicant's legal name: ____________________

OR

3. [ ] a legal entity with a direct or indirect right of control of the Applicant (see Section II(B)(1)) State the legal name of the entity in which the Disclosing Party holds a right of control:

____

B. Business address of the Disclosing Party: 100 North Tryon Street
Charlotte, NC 28255

C. Telephone: 312-904-8357 Fax: 312-453-4568 Email: julie.conenna@bofa.com

D. Name of contact person: Julie Conenna

E. Federal Employer Identification No. (if you have one): 94-1687665

F. Brief description of the Matter to which this EDS pertains. (Include project number and location of property, if applicable):

Municipal Depository for City of Chicago and Chicago Board of Education Funds

G. Which City agency or department is requesting this EDS? Department of Finance

If the Matter is a contract being handled by the City's Department of Procurement Services, please complete the following:

Specification # 1231948 and Contract # ____________________

SECTION II -- DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

[ ] Person	[ ] Limited liability company
[ ] Publicly registered business corporation	[ ] Limited liability partnership
[ ] Privately held business corporation	[ ] Joint venture
[ ] Sole proprietorship	[ ] Not-for-profit corporation
[ ] General partnership	(Is the not-for-profit corporation also a 501(c)(3))?
[ ] Limited partnership	[ ] Yes [ ] No
[ ] Trust	[X] Other (please specify) National Banking Association

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

National Banking Association organized under the laws of the United States of America

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

[ ] Yes [X] No [ ] Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) **for not-for-profit corporations**, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) **for trusts, estates or other similar entities**, the trustee, executor, administrator, or similarly situated party; (iv) **for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures**, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name Title

See Exhibit E

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
BAC North America Holding Company	100 N. Tryon St, Charlotte NC 28255	100% owner of Bank of America, National Association
NB Holdings Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of BAC North America Holding Company
Bank of America Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of NB Holdings Corporation
Berkshire Hathaway	3555 Farnam St, Omaha NE 68131	12% owner of Bank of America Corporation

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? [ ] Yes [x] No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? [ ] Yes [x] No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

____

____

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?
[ ] Yes [x] No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

____

____

SECTION IV -- DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Name (indicate whether retained or anticipated to be retained)	Business Address	Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)	Fees (indicate whether paid or estimated.) **NOTE:** "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

[x] Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities.

SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

[ ] Yes [x] No [ ] No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

[ ] Yes [ ] No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any “Contractor” (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, “Disclosure of Subcontractors and Other Retained Parties”);
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;

b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or

d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

See attached Addendum A for additional information related to certifications

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

None

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than $25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

None

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

[x] is [ ] is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Makes the above pledge.

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

[ ] Yes [x] No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

[ ] Yes [x] No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

_x__1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

____2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

____

____

____

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: **If the Matter is federally funded**, complete this Section VI. **If the Matter is not federally funded**, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

____

____

____

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?
[ ] Yes [ ] No

If “Yes,” answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)
[ ] Yes [ ] No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?
[ ] Yes [ ] No [ ] Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?
[ ] Yes [ ] No

If you checked “No” to question (1) or (2) above, please provide an explanation:

____

____

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City’s Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. **NOTE:** With respect to Matters subject to MCC Chapter 1-23, Article I (imposing **PERMANENT INELIGIBILITY** for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT
APPENDIX A

FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND DEPARTMENT HEADS

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

[ ] Yes [x] No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

APPENDIX B

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No [ ] The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

APPENDIX C

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

[x] Yes

[ ] No

[ ] N/A – I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385.

This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1).

If you checked "no" to the above, please explain.

BANK OF AMERICA

Addendum A –

INTRODUCTION

Bank of America, N.A. ("BANA") is a wholly owned subsidiary of BAC North America Holding Company ("BACNA"). BACNAH is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings Corporation is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock.

BANA is an indirect, wholly-owned subsidiary of Corporation, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. The Corporation makes all disclosures required by its regulators, including all required disclosures in its Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (collectively, the "Reports"), all of which are filed with the U.S. Securities and Exchange Commission. These Reports include disclosures of investigations and other matters as required by federal law and are publicly available. These Reports can also be accessed at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-irhome. These Reports may contain further information responsive to this certification.

As noted in Section II (Disclosure of Ownership Interest) Subsection B.2 of the Statement, Berkshire Hathaway Inc. ("BRK") currently has an ownership interest in Bank of America Corporation greater than 7.5%. Evidence of their BAC share ownership can be accessed through their SEC 13F public filings at the following links: https://sec.report/CIK/0001067983 and https://sec.report/CIK/0001004244. For reference, New England Asset Management is part of the BRK group but files separately as an asset manager. The information in the links is provided in lieu of a separate submission by BRK of an Economic Disclosure Statement. Note that this Statement is filed on behalf of the Bank of America entities described herein and should not be construed as a filing on behalf of BRK or a certification of any information on BRK's behalf.

To the best knowledge of the individual signatory signing this questionnaire, upon reasonable inquiry, BANA further clarifies its response to this statement, as follows:

B. FURTHER CERTIFICATIONS

Section V, B3 (b-d), 6,8

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission (collectively, the "Reports"). These Reports include all disclosures as required by federal law including

those pertaining to material business matters such as litigation, debarment, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. These Reports are publicly available at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://apps.occ.gov/EnforcementActions/. In addition, BANA's registered broker dealer and investment adviser subsidiaries make all required disclosures on their Form BDs as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are also publicly available. Outside of such Reports and the publicly available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://www.occ.treas.gov/EnforcementActions/

Section V B2

BANA is currently under audit for sales/tax by the City of Chicago for the period of 07/01/2016-06/30/2020. As the result if in the beginning stages, we do not know if there will be any assessed liability.

To the best of my knowledge upon reasonable inquiry to BANA tax associates, BANA is not delinquent in the City of Chicago for any outstanding sales and use tax obligations and is not delinquent on any income or franchise taxes to the City of Chicago.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT

SECTION I -- GENERAL INFORMATION

A. Legal name of the Disclosing Party submitting this EDS. Include d/b/a/ if applicable:

Bank of America Corporation

Check ONE of the following three boxes:

Indicate whether the Disclosing Party submitting this EDS is:
1. [ ] the Applicant
OR
2. [x] a legal entity currently holding, or anticipated to hold within six months after City action on the contract, transaction or other undertaking to which this EDS pertains (referred to below as the "Matter"), a direct or indirect interest in excess of 7.5% in the Applicant. State the Applicant's legal name: Bank of America, National Association
OR
3. [ ] a legal entity with a direct or indirect right of control of the Applicant (see Section II(B)(1)) State the legal name of the entity in which the Disclosing Party holds a right of control:

____

B. Business address of the Disclosing Party: 100 North Tryon Street
Charlotte, NC 28255

C. Telephone: 312-904-8357 Fax: 312-453-4568 Email: julie.conenna@bofa.com

D. Name of contact person: Julie Conenna

E. Federal Employer Identification No. (if you have one): 56-0906609

F. Brief description of the Matter to which this EDS pertains. (Include project number and location of property, if applicable):

Municipal Depository for City of Chicago and Chicago Board of Education Funds

G. Which City agency or department is requesting this EDS? Department of Finance

If the Matter is a contract being handled by the City's Department of Procurement Services, please complete the following:

Specification # 1231948 and Contract # ______________

SECTION II -- DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

[ ] Person
[x] Publicly registered business corporation
[ ] Privately held business corporation
[ ] Sole proprietorship
[ ] General partnership
[ ] Limited partnership
[ ] Trust
[ ] Limited liability company
[ ] Limited liability partnership
[ ] Joint venture
[ ] Not-for-profit corporation
(Is the not-for-profit corporation also a 501(c)(3))?
[ ] Yes [ ] No
[ ] Other (please specify)

____

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

Delaware

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

[ ] Yes [x] No [ ] Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) **for not-for-profit corporations**, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) **for trusts, estates or other similar entities**, the trustee, executor, administrator, or similarly situated party; (iv) **for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures**, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name	Title
See Exhibit E	

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
BAC North America Holding Company	100 N. Tryon St, Charlotte NC 28255	100% owner of Bank of America, National Association
NB Holdings Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of BAC North America Holding Company
Bank of America Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of NB Holdings Corporation
Berkshire Hathaway	3555 Farnam St, Omaha NE 68131	12% owner of Bank of America Corporation

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? [ ] Yes [x] No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? [ ] Yes [x] No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

___

___

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?
[ ] Yes [x] No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

___

___

SECTION IV -- DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Name (indicate whether retained or anticipated to be retained)	Business Address	Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)	Fees (indicate whether paid or estimated.) **NOTE:** "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

[x] Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities.

SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

[ ] Yes [x] No [ ] No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

[ ] Yes [ ] No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any “Contractor” (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, “Disclosure of Subcontractors and Other Retained Parties”);
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;

b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or

d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

See attached Addendum A for additional information related to certifications

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

None

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than $25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

None

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)
[x] is [ ] is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Makes the above pledge.

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

[ ] Yes [x] No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

[ ] Yes [x] No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

_x__1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

____2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

____

____

____

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: **If the Matter is federally funded**, complete this Section VI. **If the Matter is not federally funded**, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

____

____

____

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?
[ ] Yes [ ] No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)
[ ] Yes [ ] No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?
[ ] Yes [ ] No [ ] Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?
[ ] Yes [ ] No

If you checked "No" to question (1) or (2) above, please provide an explanation:

___

___

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. **NOTE:** With respect to Matters subject to MCC Chapter 1-23, Article I (imposing **PERMANENT INELIGIBILITY** for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

BANK OF AMERICA CORPORATION

LIMITED POWER OF ATTORNEY

BANK OF AMERICA CORPORATION, a Delaware corporation (the "Corporation"), hereby appoints **Julie Conenna** as Attorney-in-Fact for the Corporation acting for the Corporation and in the Corporation's name, place and stead, for the limited purpose of authorizing, preparing, revising or signing City of Chicago's Economic Disclosure Statement form (the "Form") related to Bank of America, N.A. ("BANA") participation in the City of Chicago's qualified firms for Municipal Depositories in connection with the **Request for Proposal for Designation as a 2022 Municipal Depository for City of Chicago and Chicago Board of Education Funds.**

Any execution by the Attorney-in-Fact of the Form shall fully bind and commit the Corporation and the City of Chicago may rely upon the execution thereof by the Attorney-in-Fact as if executed by the Corporation and as the true and lawful act of the Corporation.

This Limited Power of Attorney shall automatically terminate as to the authority of the named Attorney-in-Fact upon such Attorney-in-Fact's resignation or termination from BANA or her realignment to a role outside of the Public Sector division of BANA however; such termination or realignment shall have no impact on the Form executed by the above named attorney-in-fact for the Corporation prior to such termination or realignment.

IN WITNESS WHEREOF, this Limited Power of Attorney has been executed and delivered by the Corporation to the Attorney-in-Fact on this _8__ day of November, 2021.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT
APPENDIX A

FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND DEPARTMENT HEADS

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

[ ] Yes [x] No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No [ ] The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

APPENDIX C

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

[x] Yes

[ ] No

[ ] N/A – I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385.

This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1).

If you checked "no" to the above, please explain.

BANK OF AMERICA

Addendum A –

INTRODUCTION

Bank of America, N.A. ("BANA") is a wholly owned subsidiary of BAC North America Holding Company ("BACNA"). BACNAH is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings Corporation is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock.

BANA is an indirect, wholly-owned subsidiary of Corporation, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. The Corporation makes all disclosures required by its regulators, including all required disclosures in its Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (collectively, the "Reports"), all of which are filed with the U.S. Securities and Exchange Commission. These Reports include disclosures of investigations and other matters as required by federal law and are publicly available. These Reports can also be accessed at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-irhome. These Reports may contain further information responsive to this certification.

As noted in Section II (Disclosure of Ownership Interest) Subsection B.2 of the Statement, Berkshire Hathaway Inc. ("BRK") currently has an ownership interest in Bank of America Corporation greater than 7.5%. Evidence of their BAC share ownership can be accessed through their SEC 13F public filings at the following links: https://sec.report/CIK/0001067983 and https://sec.report/CIK/0001004244. For reference, New England Asset Management is part of the BRK group but files separately as an asset manager. The information in the links is provided in lieu of a separate submission by BRK of an Economic Disclosure Statement. Note that this Statement is filed on behalf of the Bank of America entities described herein and should not be construed as a filing on behalf of BRK or a certification of any information on BRK's behalf.

To the best knowledge of the individual signatory signing this questionnaire, upon reasonable inquiry, BANA further clarifies its response to this statement, as follows:

B. FURTHER CERTIFICATIONS

Section V, B3 (b-d), 6,8

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission (collectively, the "Reports"). These Reports include all disclosures as required by federal law including

those pertaining to material business matters such as litigation, debarment, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. These Reports are publicly available at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://apps.occ.gov/EnforcementActions/. In addition, BANA's registered broker dealer and investment adviser subsidiaries make all required disclosures on their Form BDs as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are also publicly available. Outside of such Reports and the publicly available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://www.occ.treas.gov/EnforcementActions/

Section V B2

BANA is currently under audit for sales/tax by the City of Chicago for the period of 07/01/2016-06/30/2020. As the result if in the beginning stages, we do not know if there will be any assessed liability.

To the best of my knowledge upon reasonable inquiry to BANA tax associates, BANA is not delinquent in the City of Chicago for any outstanding sales and use tax obligations and is not delinquent on any income or franchise taxes to the City of Chicago.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT

SECTION I -- GENERAL INFORMATION

A. Legal name of the Disclosing Party submitting this EDS. Include d/b/a/ if applicable:

NB Holdings Corporation

Check ONE of the following three boxes:

Indicate whether the Disclosing Party submitting this EDS is:

1. [ ] the Applicant

OR

2. [x] a legal entity currently holding, or anticipated to hold within six months after City action on the contract, transaction or other undertaking to which this EDS pertains (referred to below as the "Matter"), a direct or indirect interest in excess of 7.5% in the Applicant. State the Applicant's legal name: Bank of America, National Association

OR

3. [ ] a legal entity with a direct or indirect right of control of the Applicant (see Section II(B)(1)) State the legal name of the entity in which the Disclosing Party holds a right of control:

____

B. Business address of the Disclosing Party: 100 North Tryon Street
Charlotte, NC 28255

C. Telephone: 312-904-8357 Fax: 312-453-4568 Email: julie.conenna@bofa.com

D. Name of contact person: Julie Conenna

E. Federal Employer Identification No. (if you have one): 56-1857749

F. Brief description of the Matter to which this EDS pertains. (Include project number and location of property, if applicable):

Municipal Depository for City of Chicago and Chicago Board of Education Funds

G. Which City agency or department is requesting this EDS? Department of Finance

If the Matter is a contract being handled by the City's Department of Procurement Services, please complete the following:

Specification # 1231948 and Contract # ______________

SECTION II -- DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

[ ] Person
[ ] Publicly registered business corporation
[x] Privately held business corporation
[ ] Sole proprietorship
[ ] General partnership
[ ] Limited partnership
[ ] Trust
[ ] Limited liability company
[ ] Limited liability partnership
[ ] Joint venture
[ ] Not-for-profit corporation
(Is the not-for-profit corporation also a 501(c)(3))?
[ ] Yes [ ] No
[ ] Other (please specify)

____

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

Delaware

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

[ ] Yes [x] No [ ] Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) **for not-for-profit corporations**, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) **for trusts, estates or other similar entities**, the trustee, executor, administrator, or similarly situated party; (iv) **for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures**, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name	Title
See Exhibit E	

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
BAC North America Holding Company	100 N. Tryon St, Charlotte NC 28255	100% owner of Bank of America, National Association
NB Holdings Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of BAC North America Holding Company
Bank of America Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of NB Holdings Corporation
Berkshire Hathaway	3555 Farnam St, Omaha NE 68131	12% owner of Bank of America Corporation

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? [ ] Yes [x] No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? [ ] Yes [x] No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

____

____

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?
[ ] Yes [x] No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

____

____

SECTION IV -- DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Name (indicate whether retained or anticipated to be retained)	Business Address	Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)	Fees (indicate whether paid or estimated.) **NOTE:** "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

[x] Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities.

SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

[ ] Yes [x] No [ ] No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

[ ] Yes [ ] No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any “Contractor” (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, “Disclosure of Subcontractors and Other Retained Parties”);
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;

b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or

d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any “controlling person” [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any “sister agency”; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article’s permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management (“SAM”).

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

See attached Addendum A for additional information related to certifications

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

None

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than $25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

None

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)
[x] is [ ] is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Makes the above pledge.

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

[ ] Yes [x] No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

[ ] Yes [x] No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

_x__1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

____2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

____

____

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: **If the Matter is federally funded**, complete this Section VI. **If the Matter is not federally funded**, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

____

____

____

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?
[ ] Yes [ ] No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)
[ ] Yes [ ] No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?
[ ] Yes [ ] No [ ] Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?
[ ] Yes [ ] No

If you checked "No" to question (1) or (2) above, please provide an explanation:

____

____

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City’s Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. **NOTE:** With respect to Matters subject to MCC Chapter 1-23, Article I (imposing **PERMANENT INELIGIBILITY** for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

NB HOLDINGS CORPORATION

LIMITED POWER OF ATTORNEY

NB HOLDINGS CORPORATION, a Delaware corporation (the "Corporation"), does hereby make, constitute, and appoint **Julie Conenna** as Attorney-in-Fact for the Corporation acting for the Corporation and in the Corporation's name, place and stead, for the limited purpose of authorizing, preparing, revising or signing City of Chicago's Economic Disclosure Statement form (the "Form") related to Bank of America, N.A. ("BANA's") participation in the City of Chicago's qualified firms for Banking Services in connection with the **Request for Proposal for Designation as a 2022 Municipal Depository for City of Chicago and Chicago Board of Education Funds.**

Any execution by the Attorney-in-Fact of the Form shall fully bind and commit the Corporation and the City of Chicago may rely upon the execution thereof by the Attorney-in-Fact as if executed by the Corporation and as the true and lawful act of the Corporation.

This Limited Power of Attorney shall automatically terminate as to the authority of the named Attorney-in-Fact upon such Attorney-in-Fact's resignation or termination from BANA or her realignment to a role outside of the Public Sector division of BANA however; such termination or realignment shall have no impact on the Form executed by the above named attorney-in-fact for the Corporation prior to such termination or realignment.

IN WITNESS WHEREOF, this Power of Attorney has been executed and delivered by the Corporation to each Attorney-in-Fact on this ___8__ day of November, 2021.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT
APPENDIX A

FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND DEPARTMENT HEADS

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

[ ] Yes [x] No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No [ ] The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT
APPENDIX C

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

[x] Yes

[ ] No

[ ] N/A – I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385.

This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1).

If you checked "no" to the above, please explain.

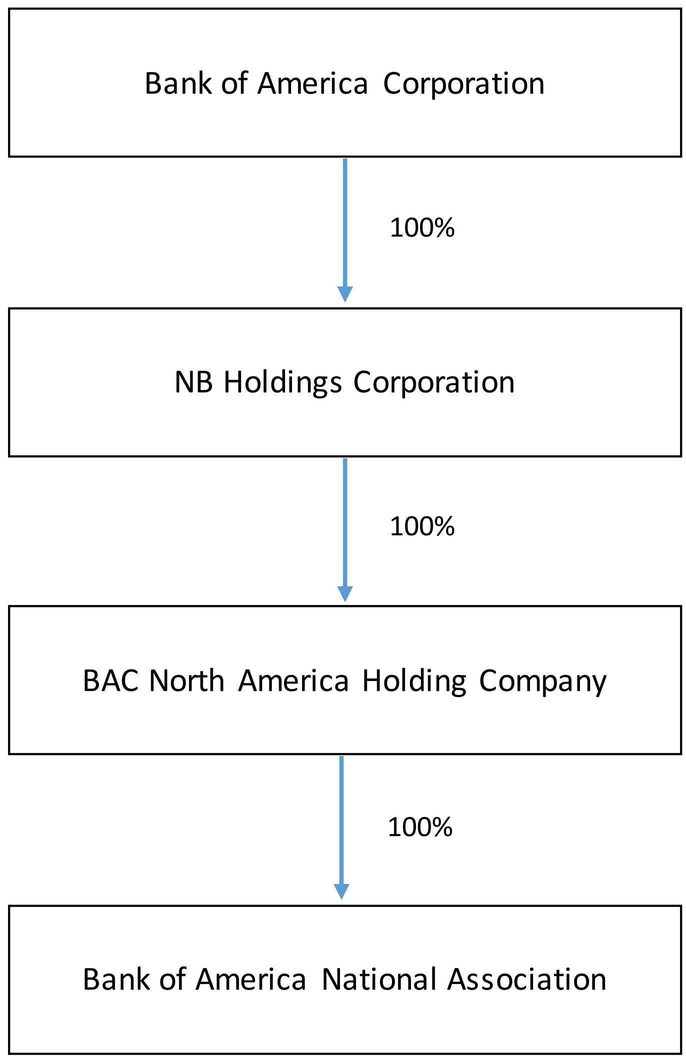
BANK OF AMERICA

Exhibit E
Bank of America Corporation Organization Chart



BANK OF AMERICA

Addendum A –

INTRODUCTION

Bank of America, N.A. (“BANA”) is a wholly owned subsidiary of BAC North America Holding Company (“BACNA”). BACNAH is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings”). NB Holdings Corporation is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the “Corporation”) is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation’s outstanding common stock.

BANA is an indirect, wholly-owned subsidiary of Corporation, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. The Corporation makes all disclosures required by its regulators, including all required disclosures in its Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (collectively, the “Reports”), all of which are filed with the U.S. Securities and Exchange Commission. These Reports include disclosures of investigations and other matters as required by federal law and are publicly available. These Reports can also be accessed at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-irhome. These Reports may contain further information responsive to this certification.

As noted in Section II (Disclosure of Ownership Interest) Subsection B.2 of the Statement, Berkshire Hathaway Inc. (“BRK”) currently has an ownership interest in Bank of America Corporation greater than 7.5%. Evidence of their BAC share ownership can be accessed through their SEC 13F public filings at the following links: https://sec.report/CIK/0001067983 and https://sec.report/CIK/0001004244. For reference, New England Asset Management is part of the BRK group but files separately as an asset manager. The information in the links is provided in lieu of a separate submission by BRK of an Economic Disclosure Statement. Note that this Statement is filed on behalf of the Bank of America entities described herein and should not be construed as a filing on behalf of BRK or a certification of any information on BRK’s behalf.

To the best knowledge of the individual signatory signing this questionnaire, upon reasonable inquiry, BANA further clarifies its response to this statement, as follows:

B. FURTHER CERTIFICATIONS

Section V, B3 (b-d), 6,8

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission (collectively, the “Reports”). These Reports include all disclosures as required by federal law including

those pertaining to material business matters such as litigation, debarment, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. These Reports are publicly available at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://apps.occ.gov/EnforcementActions/. In addition, BANA's registered broker dealer and investment adviser subsidiaries make all required disclosures on their Form BDs as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are also publicly available. Outside of such Reports and the publicly available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://www.occ.treas.gov/EnforcementActions/

Section V B2

BANA is currently under audit for sales/tax by the City of Chicago for the period of 07/01/2016-06/30/2020. As the result if in the beginning stages, we do not know if there will be any assessed liability.

To the best of my knowledge upon reasonable inquiry to BANA tax associates, BANA is not delinquent in the City of Chicago for any outstanding sales and use tax obligations and is not delinquent on any income or franchise taxes to the City of Chicago.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT

SECTION I -- GENERAL INFORMATION

A. Legal name of the Disclosing Party submitting this EDS. Include d/b/a/ if applicable:

BAC North America Holding Company

Check ONE of the following three boxes:

Indicate whether the Disclosing Party submitting this EDS is:

1. [ ] the Applicant

OR

2. [x] a legal entity currently holding, or anticipated to hold within six months after City action on the contract, transaction or other undertaking to which this EDS pertains (referred to below as the "Matter"), a direct or indirect interest in excess of 7.5% in the Applicant. State the Applicant's legal name: Bank of America, National Association

OR

3. [ ] a legal entity with a direct or indirect right of control of the Applicant (see Section II(B)(1)) State the legal name of the entity in which the Disclosing Party holds a right of control:

____

B. Business address of the Disclosing Party: 100 North Tryon Street
Charlotte, NC 28255

C. Telephone: 312-904-8357 Fax: 312-453-4568 Email: julie.conenna@bofa.com

D. Name of contact person: Julie Conenna

E. Federal Employer Identification No. (if you have one): 36-3737560

F. Brief description of the Matter to which this EDS pertains. (Include project number and location of property, if applicable):

Municipal Depository for City of Chicago and Chicago Board of Education Funds

G. Which City agency or department is requesting this EDS? Department of Finance

If the Matter is a contract being handled by the City's Department of Procurement Services, please complete the following:

Specification # 1231948 and Contract # ______________________

SECTION II -- DISCLOSURE OF OWNERSHIP INTERESTS

A. NATURE OF THE DISCLOSING PARTY

1. Indicate the nature of the Disclosing Party:

[ ] Person
[ ] Publicly registered business corporation
[x] Privately held business corporation
[ ] Sole proprietorship
[ ] General partnership
[ ] Limited partnership
[ ] Trust
[ ] Limited liability company
[ ] Limited liability partnership
[ ] Joint venture
[ ] Not-for-profit corporation
(Is the not-for-profit corporation also a 501(c)(3))?
[ ] Yes [ ] No
[ ] Other (please specify)

____

2. For legal entities, the state (or foreign country) of incorporation or organization, if applicable:

Delaware

3. For legal entities not organized in the State of Illinois: Has the organization registered to do business in the State of Illinois as a foreign entity?

[ ] Yes [x] No [ ] Organized in Illinois

B. IF THE DISCLOSING PARTY IS A LEGAL ENTITY:

1. List below the full names and titles, if applicable, of: (i) all executive officers and all directors of the entity; (ii) **for not-for-profit corporations**, all members, if any, which are legal entities (if there are no such members, write "no members which are legal entities"); (iii) **for trusts, estates or other similar entities**, the trustee, executor, administrator, or similarly situated party; (iv) **for general or limited partnerships, limited liability companies, limited liability partnerships or joint ventures**, each general partner, managing member, manager or any other person or legal entity that directly or indirectly controls the day-to-day management of the Applicant.

NOTE: Each legal entity listed below must submit an EDS on its own behalf.

Name	Title
See Exhibit E	

2. Please provide the following information concerning each person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after City action) beneficial interest (including ownership) in excess of 7.5% of the Applicant. Examples of such an interest include shares in a corporation, partnership interest in a partnership or joint venture, interest of a member or manager in a

limited liability company, or interest of a beneficiary of a trust, estate or other similar entity. If none, state "None."

NOTE: Each legal entity listed below may be required to submit an EDS on its own behalf.

Name	Business Address	Percentage Interest in the Applicant
BAC North America Holding Company	100 N. Tryon St, Charlotte NC 28255	100% owner of Bank of America, National Association
NB Holdings Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of BAC North America Holding Company
Bank of America Corporation	100 N. Tryon St, Charlotte NC 28255	100% owner of NB Holdings Corporation
Berkshire Hathaway	3555 Farnam St, Omaha NE 68131	12% owner of Bank of America Corporation

SECTION III -- INCOME OR COMPENSATION TO, OR OWNERSHIP BY, CITY ELECTED OFFICIALS

Has the Disclosing Party provided any income or compensation to any City elected official during the 12-month period preceding the date of this EDS? [ ] Yes [x] No

Does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS? [ ] Yes [x] No

If "yes" to either of the above, please identify below the name(s) of such City elected official(s) and describe such income or compensation:

____

____

Does any City elected official or, to the best of the Disclosing Party's knowledge after reasonable inquiry, any City elected official's spouse or domestic partner, have a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago ("MCC")) in the Disclosing Party?
[ ] Yes [x] No

If "yes," please identify below the name(s) of such City elected official(s) and/or spouse(s)/domestic partner(s) and describe the financial interest(s).

____

____

SECTION IV -- DISCLOSURE OF SUBCONTRACTORS AND OTHER RETAINED PARTIES

The Disclosing Party must disclose the name and business address of each subcontractor, attorney, lobbyist (as defined in MCC Chapter 2-156), accountant, consultant and any other person or entity whom the Disclosing Party has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Disclosing Party is not required to disclose employees who are paid solely through the Disclosing Party's regular payroll. If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

Name (indicate whether retained or anticipated to be retained)	Business Address	Relationship to Disclosing Party (subcontractor, attorney, lobbyist, etc.)	Fees (indicate whether paid or estimated.) **NOTE:** "hourly rate" or "t.b.d." is not an acceptable response.

(Add sheets if necessary)

[x] Check here if the Disclosing Party has not retained, nor expects to retain, any such persons or entities.

SECTION V -- CERTIFICATIONS

A. COURT-ORDERED CHILD SUPPORT COMPLIANCE

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

[ ] Yes [x] No [ ] No person directly or indirectly owns 10% or more of the Disclosing Party.

If "Yes," has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

[ ] Yes [ ] No

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;

b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;

c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;

d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and

e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any “Contractor” (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, “Disclosure of Subcontractors and Other Retained Parties”);
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;

b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or

d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any "controlling person" [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any "sister agency"; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

See attached Addendum A for additional information related to certifications

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

12. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

None

13. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than $25 per recipient, or (iii) a political contribution otherwise duly reported as required by law (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

None

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

[x] is [ ] is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Makes the above pledge.

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

[ ] Yes [x] No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

[ ] Yes [x] No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

_X__1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

____2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: **If the Matter is federally funded**, complete this Section VI. **If the Matter is not federally funded**, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

____

____

____

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?
[ ] Yes [ ] No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)
[ ] Yes [ ] No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?
[ ] Yes [ ] No [ ] Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?
[ ] Yes [ ] No

If you checked "No" to question (1) or (2) above, please provide an explanation:

____

____

SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. **NOTE:** With respect to Matters subject to MCC Chapter 1-23, Article I (imposing **PERMANENT INELIGIBILITY** for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

CERTIFICATION

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

BAC NORTH AMERICA HOLDING COMPANY

LIMITED POWER OF ATTORNEY

BAC NORTH AMERICA HOLDING COMPANY, a Delaware corporation (the "Corporation"), does hereby make, constitute, and appoint **Julie Conenna** as Attorney-in-Fact for the Corporation acting for the Corporation and in the Corporation's name, place and stead, for the limited purpose of authorizing, preparing, revising or signing a City of Chicago's Economic Disclosure Statement form ("the Form") related to Bank of America, N.A.("BANA's") participation in the City of Chicago's qualified firms for Municipal Depositories in connection with the **Request for Proposal for Designation as a 2022 Municipal Depository for City of Chicago and Chicago Board of Education Funds.**

Any execution by the Attorney-in-Fact of the Form shall fully bind and commit the Corporation and the City of Chicago may rely upon the execution thereof by the Attorney-in-Fact as if executed by the Corporation and as the true and lawful act of the Corporation.

This Limited Power of Attorney shall automatically terminate as to the authority of the named Attorney-in-Fact upon such Attorney-in-Fact's resignation or termination from BANA or her realignment to a role outside of the Public Sector division of BANA; however; such termination or realignment shall have no impact on the Form executed by the above named attorney-in-fact for the Corporation prior to such termination or realignment.

IN WITNESS WHEREOF, this Power of Attorney has been executed and delivered by the Corporation to each Attorney-in-Fact on this __8___ day of November, 2021.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT
APPENDIX A

FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND DEPARTMENT HEADS

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5%. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under MCC Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all executive officers of the Disclosing Party listed in Section II.B.1.a., if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5% ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

[ ] Yes [x] No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

BUILDING CODE SCOFFLAW/PROBLEM LANDLORD CERTIFICATION

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5% (an "Owner"). It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

1. Pursuant to MCC Section 2-154-010, is the Applicant or any Owner identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No

2. If the Applicant is a legal entity publicly traded on any exchange, is any officer or director of the Applicant identified as a building code scofflaw or problem landlord pursuant to MCC Section 2-92-416?

[ ] Yes [x] No [ ] The Applicant is not publicly traded on any exchange.

3. If yes to (1) or (2) above, please identify below the name of each person or legal entity identified as a building code scofflaw or problem landlord and the address of each building or buildings to which the pertinent code violations apply.

CITY OF CHICAGO
ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT
APPENDIX C

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a "contractor" as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants' wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

[x] Yes

[ ] No

[ ] N/A – I am not an Applicant that is a "contractor" as defined in MCC Section 2-92-385.

This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1).

If you checked "no" to the above, please explain.

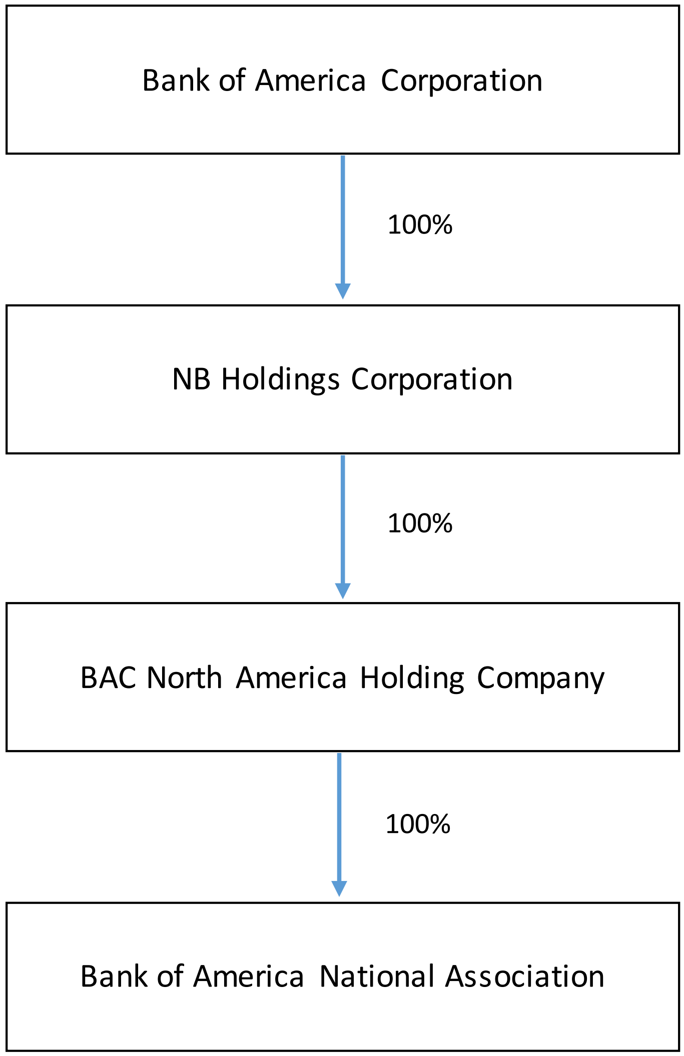
Bank of America Corporation Organization Chart



BANK OF AMERICA

Addendum A –

INTRODUCTION

Bank of America, N.A. (“BANA”) is a wholly owned subsidiary of BAC North America Holding Company (“BACNA”). BACNAH is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings”). NB Holdings Corporation is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the “Corporation”) is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation’s outstanding common stock.

BANA is an indirect, wholly-owned subsidiary of Corporation, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. The Corporation makes all disclosures required by its regulators, including all required disclosures in its Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K (collectively, the “Reports”), all of which are filed with the U.S. Securities and Exchange Commission. These Reports include disclosures of investigations and other matters as required by federal law and are publicly available. These Reports can also be accessed at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-irhome. These Reports may contain further information responsive to this certification.

As noted in Section II (Disclosure of Ownership Interest) Subsection B.2 of the Statement, Berkshire Hathaway Inc. (“BRK”) currently has an ownership interest in Bank of America Corporation greater than 7.5%. Evidence of their BAC share ownership can be accessed through their SEC 13F public filings at the following links: https://sec.report/CIK/0001067983 and https://sec.report/CIK/0001004244. For reference, New England Asset Management is part of the BRK group but files separately as an asset manager. The information in the links is provided in lieu of a separate submission by BRK of an Economic Disclosure Statement. Note that this Statement is filed on behalf of the Bank of America entities described herein and should not be construed as a filing on behalf of BRK or a certification of any information on BRK’s behalf.

To the best knowledge of the individual signatory signing this questionnaire, upon reasonable inquiry, BANA further clarifies its response to this statement, as follows:

B. FURTHER CERTIFICATIONS

Section V, B3 (b-d), 6,8

The Corporation, for itself and its affiliates and subsidiaries including BANA, makes all disclosures required by its regulators in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission (collectively, the “Reports”). These Reports include all disclosures as required by federal law including

those pertaining to material business matters such as litigation, debarment, criminal convictions, and other legal actions, and may contain information which is further responsive to items addressed in the FIES FORM and this Addendum. These Reports are publicly available at the following website: http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-sec. Further, BANA has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"), and information which can be publicly disclosed regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://apps.occ.gov/EnforcementActions/. In addition, BANA's registered broker dealer and investment adviser subsidiaries make all required disclosures on their Form BDs as filed with FINRA (formerly the NASD) and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are also publicly available. Outside of such Reports and the publicly available filings as noted above, BANA and the Corporation cannot otherwise disclose such information of material non-public nature except where required by applicable law or legal process.

Bank of America, National Association has been the subject of certain formal enforcement actions by the Office of the Comptroller of the Currency (the "OCC"). Information regarding these formal enforcement actions may be found on the Legal and Regulatory: Enforcement Actions page on the OCC's website at: http://www.occ.treas.gov/EnforcementActions/

Section V B2

BANA is currently under audit for sales/tax by the City of Chicago for the period of 07/01/2016-06/30/2020. As the result if in the beginning stages, we do not know if there will be any assessed liability.

To the best of my knowledge upon reasonable inquiry to BANA tax associates, BANA is not delinquent in the City of Chicago for any outstanding sales and use tax obligations and is not delinquent on any income or franchise taxes to the City of Chicago.

Anti-Predatory Lending Pledge*
for Municipal Depositories

We pledge that we are not and will not become a predatory lender as defined in Chapter 2-32 of the Municipal Code of Chicago. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code of Chicago. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of our designation as a municipal depository.

*The definitions of certain terms set forth in Chapter 2-32 of the Municipal Code of Chicago and used in the Anti-Predatory Lending Pledge are reproduced on the attached pages.

Loan Policy Pledge for Municipal Depositories

We pledge not to arbitrarily reject mortgage loans for residential properties within a specific geographic area in Chicago because of the location and/or age of the property, or in the case of proposed borrower to arbitrarily vary the terms of those loans or the application procedures for those loans on the basis of race, color, religion, national origin, age, sex, marital status, ancestry, sexual orientation, parental status, source of income, disability or military discharge status. In addition, we pledge to make loans available to low- and moderate-income residential property in the neighborhoods of the City of Chicago within the limits of our legal restriction and prudent financial practices.

We understand that arbitrarily rejecting or varying the terms and/or application procedures of mortgage loans on the basis of the factors listed above may result in the lost of our designation as a municipal depository.

Compliance with Vacant Buildings Code Pledge
For Municipal Depositories

We are in compliance with the reporting requirements in regard to vacant property as defined in Section 13-12-125 of the Municipal Code of Chicago. We further pledge we will maintain vacant properties in compliance with the Chicago Building Code as defined in Section 13-12-135 of the Municipal Code of Chicago. We understand that failing to adhere to these requirements or becoming an affiliate of an offender of these requirements may result in the loss of our designation as a municipal depository.

Interest Checking, Non-Interest Checking

AFFIDAVIT OF COMMITMENT TO COMMUNITY REINVESTMENT, RESPONSIBILITY AND TRANSPARENCY CITY OF CHICAGO OFFICE OF THE COMPTROLLER

I, **Julie Conenna**, a duly authorized representative of **Bank of America, N.A.** represent and say as follows:

That for the purpose of becoming an eligible depository for active deposits of the City of Chicago, the undersigned Affiant states that it will use reasonable efforts to provide lending, financing, and banking opportunities as a commitment of community reinvestment to Chicago's low and moderate income (LMI) communities; Affiant states that such reasonable efforts shall include, but are not limited to:

A. Assignment of identifiable personnel to answer and respond to questions, concerns and inquiries by the citizens of Chicago, City Treasurer, City Comptroller, and the City Council regarding financial services, investment and lending products, services and related issues, including the Community Reinvestment Act (CRA) of 1977;

B. Cooperate with and support non-profit neighborhood development/redevelopment organizations in the implementation of "neighborhood economic development" strategies that focus on revitalization of communities that are more locally focused where an institution has a branch or market presence;

C. Commit to affirmatively market and make available banking services throughout Chicago's low and moderate income communities, by not meeting this commitment only through the installation of ATM distribution centers, but also by opening and/or maintaining branch locations within those communities;

D. Prepare an annual report of CRA activities, presented to the Comptroller, the Treasurer, and the City Council, that is made publicly available, demonstrating investment in all Chicago Communities, as well as reinvestment in LMI communities of Chicago, by community area that includes the number of loans and amount of loans in the following (6) categories:

   1. Home Purchase within LMI communities;
   2. Refinancing within LMI communities;
   3. Home Improvement;
   4. Small Business Loans (to companies with revenues under $1 Million);
   5. Community Development Loans including multi-family lending; and
   6. Community Development Investments to eligible Community Development Financial Institutions (CDFI) and other community intermediaries to further the goals of an institution to meet its obligations to the Community Reinvestment Act of 1977 and this Affidavit.

   Such a Municipal Depository annual CRA report will include, by community area, the number of mortgage loans originated and other strategies to minimize the impact of foreclosure and neighborhood instability.

E. An institution acknowledges that failure to comply with this Affidavit may result in discontinued status as a municipal depository.

Signed: Julie Conenna

Reshma Soni
City Comptroller
City of Chicago
Department of Finance
121 N. LaSalle Street 7th floor
Chicago IL 60602

Dear Reshma:

Bank of America N.A. (the "Bank") appreciates this opportunity to participate in the current Request for Proposal for Designation as a 2022 Municipal Depository for City of Chicago and Chicago Board of Education Funds. We have collected the requested information and we will gladly make ourselves available to answer any questions you might have about the Bank or the data provided.

Please note that the information herein and the enclosed materials are being submitted solely for use by the City of Chicago Department of Finance in connection with the 2022 RFP. Much of the requested information is proprietary customer information and is not available to the general public. We request that this letter and the enclosed documents be treated as proprietary and confidential by the Chicago Department of Finance.

Sincerely,

Julie Conenna

Federal Financial Institutions Examination Council

Consolidated Reports of Condition and Income for A Bank With Domestic and Foreign Offices - FFIEC 031

Report at the close of business June 30, 2021

(20210630)
(RCON 9999)

This report is required by law: 12 U.S.C. §324 (State member banks); 12 U.S.C. §1817 (State non member banks); 12 U.S.C. §161 (National banks); and 12 U.S.C. §1464 (Savings associations).

Unless the context indicates otherwise, the term "bank" in this report form refers to both banks and savings associations.

This report form is to be filed by (1) banks with branches and consolidated subsidiaries in U.S. territories and possessions, Edge or Agreement subsidiaries, foreign branches, consolidated foreign subsidiaries, or International Banking Facilities, (2) banks with domestic offices only and total consolidated assets of $100 billion or more, and (3) banks that are advanced approaches institutions for regulatory capital purposes.

NOTE: Each bank's board of directors and senior management are responsible for establishing and maintaining an effective system of internal control, including controls over the Reports of Condition and Income. The Reports of Condition and Income are to be prepared in accordance with federal regulatory authority instructions. The Reports of Condition and Income must be signed by the Chief Financial Officer (CFO) of the reporting bank (or by the individual performing an equivalent function) and attested to by not less than two directors (trustees) for state non member banks and three directors for state member banks, national banks, and savings associations.

I, the undersigned CFO (or equivalent) of the named bank, attest that the Reports of Condition and Income (including the supporting schedules) for this report date have been prepared in conformance with the instructions issued by the appropriate Federal regulatory authority and are true and correct to the best of my knowledge and belief.

We, the undersigned directors (trustees), attest to the correctness of the Reports of Condition and Income (including the supporting schedules) for this report date and declare that the Reports of Condition and Income have been examined by us and to the best of our knowledge and belief have been prepared in conformance with the instructions issued by the appropriate Federal regulatory authority and are true and correct.

Submission of Reports

Each bank must file its Reports of Condition and Income (Call Report) data by either:

(a) Using computer software to prepare its Call Report and then submitting the report data directly to the FFIEC's Central Data Repository (CDR), an Internet-based system for datacollection (https://cdr.ffiec.gov/cdr/), or

(b) Completing its Call Report in paper form and arranging with a software vendor or another party to convert the data in to the electronic format that can be processed by the CDR. The software vendor or other party then must electronically submit the bank's data file to the CDR.

For technical assistance with submissions to the CDR, please contact the CDR Help Desk by telephone at (888) CDR-3111, by fax at (703) 774-3946, or by e-mail at CDR.Help@cdr.ffiec.gov.

FDIC Certificate Number **25178** (RSSD 9050)

To fulfill the signature and attestation requirement for the Reports of Condition and Income for this report date, attach your bank's completed signature page (or a photocopy or a computer generated version of this page) to the hard-copy record of the data file submitted to the CDR that your bank must place in its files.

The appearance of your bank's hard-copy record of the submitted data file need not match exactly the appearance of the FFIEC's sample report forms, but should show at least the caption of each Call Report item and the reported amount.

Table of Contents

For information or assistance, national banks, state nonmember banks, and savings associations should contact the FDIC’s Data Collection and Analysis Section, 550 17th Street, NW, Washington, DC 20429, toll free on (800) 688-FDIC(3342), Monday through Friday between 8:00 a.m. and 5:00 p.m., Eastern Time. State member banks should contact their Federal Reserve District Bank.

For information or assistance, national banks, state nonmember banks, and savings associations should contact the FDIC's Data Collection and Analysis Section, 550 17th Street, NW, Washington, DC 20429, toll free on (800) 688-FDIC(3342), Monday through Friday between 8:00 a.m. and 5:00 p.m., Eastern Time. State member banks should contact their Federal Reserve District Bank.

Contact Information for the Reports of Condition and Income

To facilitate communication between the Agencies and the bank concerning the Reports of Condition and Income, please provide contact information for (1) the Chief Financial Officer (or equivalent) of the bank signing the reports for this quarter, and (2) the person at the bank—other than the Chief Financial Officer (or equivalent)—to whom questions about the reports should be directed. If the Chief Financial Officer (or equivalent) is the primary contact for questions about the reports, please provide contact information for another person at the bank who will serve as a secondary contact for communications between the Agencies and the bank concerning the Reports of Condition and Income. Enter "none" for the contact's e-mail address or fax number if not available. Contact information for the Reports of Condition and Income is for the confidential use of the Agencies and will not be released to the public.

USA PATRIOT Act Section 314(a) Anti-Money Laundering

Contact Information

This information is being requested to identify points-of-contact who are in charge of your bank's USA PATRIOT Act Section 314(a) information requests. Bank personnel listed could be contacted by law enforcement officers or the Financial Crimes Enforcement Network (FinCEN) for additional information related to specific Section 314(a) search requests or other anti-terrorist financing and anti- money laundering matters. Communications sent by FinCEN to the bank for purposes other than Section 314(a) notifications will state the intended purpose and should be directed to the appropriate bank personnel for review. Any disclosure of customer records to law enforcement officers or FinCEN must be done in compliance with applicable law, including the Right to Financial Privacy Act (12 U.S.C. 3401 et seq.).

Please provide information for a primary and secondary contact. Information for a third and fourth contact may be provided at the bank's option. Enter "none" for the contact's e-mail address if not available. This contact information is for the confidential use of the Agencies, FinCEN, and law enforcement officers and will not be released to the public.

i. Net gains (losses) on sales of loans and leases	RIAD5416	0	5.i.
j. Net gains (losses) on sales of other real estate owned	RIAD5415	1,000	5.j.
k. Net gains (losses) on sales of other assets[4]	RIADB496	0	5.k.
l. Other noninterest income*	RIADB497	0	5.l.
m. Total noninterest income (sum of items 5.a through 5.l)	RIAD4079	1,000	5.m.
6. Not available			6.
a. Realized gains (losses) on held-to-maturity securities	RIAD3521	0	6.a.
b. Realized gains (losses) on available-for-sale debt securities	RIAD3196	0	6.b.
7. Noninterest expense:			7.
a. Salaries and employee benefits	RIAD4135	0	7.a.
b. Expenses of premises and fixed assets (net of rental income) (excluding salaries and employee benefits and mortgage interest)	RIAD4217	0	7.b.
c. Not available			7.c.
1. Goodwill impairment losses	RIADC216	0	7.c.1.
2. Amortization expense and impairment losses for other intangible assets	RIADC232	0	7.c.2.
d. Other noninterest expense*	RIAD4092	39,000	7.d.
e. Total noninterest expense (sum of items 7.a through 7.d)	RIAD4093	39,000	7.e.
8. Not available			8.
a. Income (loss) before change in net unrealized holding gains (losses) on equity securities not held for trading, applicable income taxes, and discontinued operations (item 3 plus or minus items 4, 5.m, 6.a, 6.b, and 7.e)	RIADHT69	84,000	8.a.
b. Change in net unrealized holding gains (losses) on equity securities not held for trading[5]	RIADHT70	0	8.b.
c. Income (loss) before applicable income taxes and discontinued operations (sum of items 8.a and 8.b)	RIAD4301	84,000	8.c.
9. Applicable income taxes (on item 8.c)	RIAD4302	21,000	9.
10. Income (loss) before discontinued operations (item 8.c minus item 9)	RIAD4300	63,000	10.
11. Discontinued operations, net of applicable income taxes (Describe on Schedule RI-E - Explanations)*	RIADFT28	0	11.
12. Net income (loss) attributable to bank and noncontrolling (minority) interests (sum of items 10 and 11)	RIADG104	63,000	12.
13. LESS: Net income (loss) attributable to noncontrolling (minority) interests (if net income, report as a positive value; if net loss, report as a negative value)	RIADG103	0	13.
14. Net income (loss) attributable to bank (item 12 minus item 13)	RIAD4340	63,000	14.
1. Interest expense incurred to carry tax-exempt securities, loans, and leases acquired after August 7, 1986, that is not deductible for federal income tax purposes	RIAD4513	0	M.1.
Memorandum item 2 is to be completed by banks with $1 billion or more in total assets 2. Income from the sale and servicing of mutual funds and annuities in domestic offices (included in Schedule RI, item 8)	RIAD8431	0	M.2.
3. Income on tax-exempt loans and leases to states and political subdivisions in the U.S. (included in Schedule RI, items 1.a and 1.b)	RIAD4313	0	M.3.
4. Income on tax-exempt securities issued by states and political subdivisions in the U.S. (included in Schedule RI, item 1.d.(3))	RIAD4507	0	M.4.
5. Number of full-time equivalent employees at end of current period (round to nearest whole number)	RIAD4150	0	M.5.
6. Not applicable			M.6.

3. For banks required to complete Schedule RI, Memorandum item 8, trading revenue reported in Schedule RI, item 5.c, must equal the sum of Memorandum items 8.a through 8.e.
4. Exclude net gains (losses) on sales of trading assets and held-to-maturity and available-for-sale debt securities.
*. Describe on Schedule RI-E—Explanations.
5. Item 8.b is to be completed by all institutions. See the instructions this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.

Dollar amounts in thousands			
7. If the reporting institution has applied pushdown accounting this calendar year, report the date of the institution's acquisition (see instructions)[2]	RIAD9106	0	M.7.
8. Trading revenue (from cash instruments and derivative instruments) (sum of Memorandum items 8.a through 8.e must equal Schedule RI, item 5.c):			M.8.
Memorandum items 8.a through 8.e are to be completed by banks that reported average trading assets (Schedule RC-K, item 7) of $2 million or more for any quarter of the preceding calendar year. a. Interest rate exposures	RIAD8757	NR	M.8.a.
b. Foreign exchange exposures	RIAD8758	NR	M.8.b.
c. Equity security and index exposures	RIAD8759	NR	M.8.c.
d. Commodity and other exposures	RIAD8760	NR	M.8.d.
e. Credit exposures	RIADF186	NR	M.8.e.
Memorandum items 8.f through 8.h are to be completed by banks with $100 billion or more in total assets that are required to complete Schedule RI, Memorandum items 8.a through 8.e, above. f. Impact on trading revenue of changes in the creditworthiness of the bank's derivatives counterparties on the bank's derivative assets (year-to-date changes) (included in Memorandum items 8.a through 8.e above):			M.8.f.
1. Gross credit valuation adjustment (CVA)	RIADFT36	NR	M.8.f.1.
2. CVA hedge	RIADFT37	NR	M.8.f.2.
g. Impact on trading revenue of changes in the creditworthiness of the bank on the bank's derivative liabilities (year-to-date changes) (included in Memorandum items 8.a through 8.e above):			M.8.g.
1. Gross debit valuation adjustment (DVA)	RIADFT38	NR	M.8.g.1.
2. DVA hedge	RIADFT39	NR	M.8.g.2.
h. Gross trading revenue, before including positive or negative net CVA and net DVA	RIADFT40	NR	M.8.h.
9. Net gains (losses) recognized in earnings on credit derivatives that economically hedge credit exposures held outside the trading account:			M.9.
a. Net gains (losses) on credit derivatives held for trading	RIADC889	0	M.9.a.
b. Net gains (losses) on credit derivatives held for purposes other than trading	RIADC890	0	M.9.b.
10. Credit losses on derivatives (see instructions)	RIADA251	0	M.10.
11. Does the reporting bank have a Subchapter S election in effect for federal income tax purposes for the current tax year?	RIADA530	No	M.11.
Memorandum item 12 is to be completed by banks that are required to complete Schedule RC-C, Part I, Memorandum items 8.b and 8.c and is to be completed semiannually in the June and December reports only. 12. Noncash income from negative amortization on closed-end loans secured by 1-4 family residential properties (included in Schedule RI, item 1.a.(1)(a)(1))	RIADF228	NR	M.12.
Memorandum item 13 is to be completed by banks that have elected to account for assets and liabilities under a fair value option. 13. Net gains (losses) recognized in earnings on assets and liabilities that are reported at fair value under a fair value option:			M.13.
a. Net gains (losses) on assets	RIADF551	NR	M.13.a.
1. Estimated net gains (losses) on loans attributable to changes in instrument-specific credit risk	RIADF552	NR	M.13.a.1.
b. Net gains (losses) on liabilities	RIADF553	NR	M.13.b.
1. Estimated net gains (losses) on liabilities attributable to changes in instrument-specific credit risk	RIADF554	NR	M.13.b.1.
14. Other-than-temporary impairment losses on held-to-maturity and available-for-sale debt securities[2]	RIADJ321	NR	M.14.
Memorandum item 15 is to be completed by institutions with $1 billion or more in total assets that answered "Yes" to Schedule RC-E, Part I, Memorandum item 5. 15. Components of service charges on deposit accounts in domestic offices (sum of Memorandum items 15.a through 15.d must equal Schedule RI, item 5.b):			M.15.
a. Consumer overdraft-related service charges levied on those transaction account and nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use	RIADH032	0	M.15.a.
b. Consumer account periodic maintenance charges levied on those transaction account and nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use	RIADH033	0	M.15.b.
c. Consumer customer automated teller machine (ATM) fees levied on those transaction account and nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use	RIADH034	0	M.15.c.
d. All other service charges on deposit accounts	RIADH035	0	M.15.d.

2. Report the date in YYYYMMDD format. For example, a bank acquired on March 1, 2019, would report 20190301.
2. Memorandum item 14 is to be completed only by institutions that have not adopted ASU 2016-13.

Schedule RI-A - Changes in Bank Equity Capital(Form Type - 031)

Dollar amounts in thousands			
1. Total bank equity capital most recently reported for the December 31, 2020, Reports of Condition and Income (i.e., after adjustments from amended Reports of Income)	RIAD3217	2,121,000	1.
2. Cumulative effect of changes in accounting principles and corrections of material accounting errors*	RIADB507	0	2.
3. Balance end of previous calendar year as restated (sum of items 1 and 2)	RIADB508	2,121,000	3.
4. Net income (loss) attributable to bank (must equal Schedule RI, item 14)	RIAD4340	63,000	4.
5. Sale, conversion, acquisition, or retirement of capital stock, net (excluding treasury stock transactions)	RIADB509	0	5.
6. Treasury stock transactions, net	RIADB510	0	6.
7. Changes incident to business combinations, net	RIAD4356	0	7.
8. LESS: Cash dividends declared on preferred stock	RIAD4470	0	8.
9. LESS: Cash dividends declared on common stock	RIAD4460	0	9.
10. Other comprehensive income[1]	RIADB511	0	10.
11. Other transactions with stockholders (including a parent holding company) (not included in items 5, 6, 8, or 9 above)*	RIAD4415	0	11.
12. Total bank equity capital end of current period (sum of items 3 through 11) (must equal Schedule RC, item 27.a)	RIAD3210	2,184,000	12.

*. Describe on Schedule RI-E—Explanations

1. Includes, but is not limited to, changes in net unrealized holding gains (losses) on available-for-sale debt securities, changes in accumulated net gains (losses) on cash flow hedges, foreign currency translation adjustments, and pension and other postretirement plan-related changes other than net periodic benefit cost.

Schedule RI-B Part I - Charge-offs and Recoveries on Loans and Leases(Form Type - 031)

Part I includes charge-offs and recoveries through the allocated transfer risk reserve.

Dollar amounts in thousands	(Column A) Charge-offs Calendar year-to-date		(Column B) Recoveries Calendar year-to-date		
1. Loans secured by real estate:					1.
a. Construction, land development, and other land loans in domestic offices:					1.a.
1. 1-4 family residential construction loans	RIADC891	0	RIADC892	0	1.a.1.
2. Other construction loans and all land development and other land loans	RIADC893	0	RIADC894	0	1.a.2.
b. Secured by farmland in domestic offices	RIAD3584	0	RIAD3585	0	1.b.
c. Secured by 1-4 family residential properties in domestic offices:					1.c.
1. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RIAD5411	0	RIAD5412	0	1.c.1.
2. Closed-end loans secured by 1-4 family residential properties:					1.c.2.
a. Secured by first liens	RIADC234	0	RIADC217	1,000	1.c.2.a.
b. Secured by junior liens	RIADC235	0	RIADC218	0	1.c.2.b.
d. Secured by multifamily (5 or more) residential properties in domestic offices	RIAD3588	0	RIAD3589	0	1.d.
e. Secured by nonfarm nonresidential properties in domestic offices:					1.e.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RIADC895	0	RIADC896	0	1.e.1.
2. Loans secured by other nonfarm nonresidential properties	RIADC897	0	RIADC898	0	1.e.2.
f. In foreign offices	RIADB512	NR	RIADB513	NR	1.f.
2. Not applicable					2.
3. Loans to finance agricultural production and other loans to farmers	RIAD4655	0	RIAD4665	0	3.
4. Commercial and industrial loans:					4.
a. To U.S. addressees (domicile)	RIAD4645	0	RIAD4617	0	4.a.
b. To non-U.S. addressees (domicile)	RIAD4646	0	RIAD4618	0	4.b.
5. Loans to individuals for household, family, and other personal expenditures:					5.
a. Credit cards	RIADB514	0	RIADB515	0	5.a.
b. Automobile loans	RIADK129	0	RIADK133	0	5.b.
c. Other (includes revolving credit plans other than credit cards and other consumer loans)	RIADK205	0	RIADK206	0	5.c.
6. Loans to foreign governments and official institutions	RIAD4643	0	RIAD4627	0	6.
7. All other loans	RIAD4644	0	RIAD4628	0	7.
8. Lease financing receivables:					8.
a. Leases to individuals for household, family, and other personal expenditures	RIADF185	0	RIADF187	0	8.a.
b. All other leases	RIADC880	0	RIADF188	0	8.b.
9. Total (sum of items 1 through 8)	RIAD4635	0	RIAD4605	1,000	9.
1. Loans to finance commercial real estate, construction, and land development activities (not secured by real estate) included in Schedule RI-B, part I, items 4 and 7, above	RIAD5409	0	RIAD5410	0	M.1.
2. Loans secured by real estate to non-U.S. addressees (domicile) (included in Schedule RI-B, part I, item 1, above)	RIAD4652	0	RIAD4662	0	M.2.
3. Not applicable					M.3.

Dollar amounts in thousands			
Memorandum item 4 is to be completed by banks that (1) together with affiliated institutions, have outstanding credit card receivables (as defined in the instructions) that exceed $500 million as of the report date, or (2) are credit card specialty banks as defined for Uniform Bank Performance Report purposes. 4. Uncollectible retail credit card fees and finance charges reversed against income (i.e., not included in charge-offs against the allowance for loan and lease losses)[2]	RIADC388	NR	M.4.

2. Institutions that have adopted ASU 2016-13 should report in Memorandum item 4 uncollectible retail credit card fees and finance charges reversed against income (i.e. not included in charge-offs against the allowance for credit losses on loans and leases).

Schedule RI-B Part II - Changes in Allowances for Credit Losses(Form Type - 031)

Dollar amounts in thousands	(Column A) Loans and Leases Held for Investment		(Column B) Held-to-maturity Debt Securities		(Column C) Available-for-sale Debt Securities		
1. Balance most recently reported for the December 31, 2020, Reports of Condition and Income (i.e., after adjustments from amended Reports of Income)......	RIADB522	13,000	RIADJH88	0	RIADJH94	0	1.
2. Recoveries (column A must equal Part I, item 9, column B, above)......	RIAD4605	1,000	RIADJH89	0	RIADJH95	0	2.
3. LESS: Charge-offs (column A must equal Part I, item 9, column A, above less Schedule RI-B, Part II, item 4, column A)......	RIADC079	0	RIADJH92	0	RIADJH98	0	3.
4. LESS: Write-downs arising from transfers of financial assets[3]......	RIAD5523	0	RIADJJ00	0	RIADJJ01	0	4.
5. Provisions for credit losses[4]......	RIAD4230	-4,000	RIADJH90	0	RIADJH96	0	5.
6. Adjustments* (see instructions for this schedule)[*]......	RIADC233	0	RIADJH91	0	RIADJH97	0	6.
7. Balance end of current period (sum of items 1, 2, 5, and 6, less items 3 and 4) (column A must equal Schedule RC, item 4.c)......	RIAD3123	10,000	RIADJH93	0	RIADJH99	0	7.

Dollar amounts in thousands			
1. Allocated transfer risk reserve included in Schedule RI-B, Part II, item 7, column A, above......	RIADC435	0	M.1.
Memorandum items 2 and 3 are to be completed by banks that (1) together with affiliated institutions, have outstanding credit card receivables (as defined in the instructions) that exceed $500 million as of the report date, or (2) are credit card specialty banks as defined for Uniform Bank Performance Report purposes. 2. Separate valuation allowance for uncollectible retail credit card fees and finance charges......	RIADC389	NR	M.2.
3. Amount of allowance for loan and lease losses attributable to retail credit card fees and finance charges[1]......	RIADC390	NR	M.3.
4. Amount of allowance for post-acquisition credit losses on purchased credit-impaired loans accounted for in accordance with FASB ASC 310-30 (former AICPA Statement of Position 03-3) (included in Schedule RI-B, Part II, item 7, column A, above)[2]......	RIADC781	NR	M.4.
5. Provisions for credit losses on other financial assets measured at amortized cost (not included in item 5, above)[3]...	RIADJJ02	0	M.5.
6. Allowance for credit losses on other financial assets measured at amortized cost (not included in item 7, above)[3]...	RCFDJJ03	0	M.6.
7. Provisions for credit losses on off-balance-sheet credit exposures[3]......	RIADMG93	0	M.7.
8. Estimated amount of expected recoveries of amounts previously written off included within the allowance for credit losses on loans and leases held for investment (included in item 7, column A, "Balance end of current period," above)[3]......	RIADMG94	30,000	M.8.

3. Institutions that have not yet adopted ASU 2016-13 should report write-downs arising from transfers of loans to a held-for-sale account in item 4, column A.
4. Institutions that have not yet adopted ASU 2016-13 should report the provision for loan and lease losses in item 5, column A and the amount reported must equal Schedule RI, item 4.
*. Describe on Schedule RI-E - Explanations.
1. Institutions that have adopted ASU 2016-13 should report in Memorandum item 3 the amount of allowance for credit losses on loans and leases attributable to retail credit card fees and finance charges.
2. Memorandum item 4 is to be completed only by institutions that have not yet adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.

Schedule RI-C Part I - Disaggregated Data on the Allowance for Loan and Lease Losses(Form Type - 031)

Schedule RI-C is to be completed by institutions with $1 billion or more in total assets.

Dollar amounts in thousands	(Column A) Recorded Investment: Individually Evaluated for Impairment and Determined to be Impaired (ASC 310-10-35)	(Column B) Allowance Balance: Individually Evaluated for Impairment and Determined to be Impaired (ASC 310-10-35)	(Column C) Recorded Investment: Collectively Evaluated for Impairment (ASC 450-20)	(Column D) Allowance Balance: Collectively Evaluated for Impairment (ASC 450-20)	(Column E) Recorded Investment: Purchased Credit-Impaired Loans (ASC 310-30)	(Column F) Allowance Balance: Purchased Credit-Impaired Loans (ASC 310-30)	
1. Real estate loans:							1.
a. Construction loans	RCFDM708 NR	RCFDM709 NR	RCFDM710 NR	RCFDM711 NR	RCFDM712 NR	RCFDM713 NR	1.a.
b. Commercial real estate loans	RCFDM714 NR	RCFDM715 NR	RCFDM716 NR	RCFDM717 NR	RCFDM719 NR	RCFDM720 NR	1.b.
c. Residential real estate loans	RCFDM721 NR	RCFDM722 NR	RCFDM723 NR	RCFDM724 NR	RCFDM725 NR	RCFDM726 NR	1.c.
2. Commercial loans[3]	RCFDM727 NR	RCFDM728 NR	RCFDM729 NR	RCFDM730 NR	RCFDM731 NR	RCFDM732 NR	2.
3. Credit cards	RCFDM733 NR	RCFDM734 NR	RCFDM735 NR	RCFDM736 NR	RCFDM737 NR	RCFDM738 NR	3.
4. Other consumer loans	RCFDM739 NR	RCFDM740 NR	RCFDM741 NR	RCFDM742 NR	RCFDM743 NR	RCFDM744 NR	4.
5. Unallocated, if any				RCFDM745 NR			5.
6. Total (for each column, sum of items 1.a through 5)[4]	RCFDM746 NR	RCFDM747 NR	RCFDM748 NR	RCFDM749 NR	RCFDM750 NR	RCFDM751 NR	6.

3. Include all loans and leases not reported as real estate loans, credit cards, or other consumer loans in items 1, 3, or 4 of Schedule RI-C.
4. The sum of item 6, columns B, D, and F, must equal Schedule RC, item 4.c. Item 6, column E, must equal Schedule RC-C, Part I, Memorandum item 7.b. Item 6, column F, must equal Schedule RI-B, Part II, Memorandum item 4.

Schedule RI-C Part II - Disaggregated Data on the Allowances for Credit Losses(Form Type - 031)

Dollar amounts in thousands	(Column A) Amortized Cost		(Column B) Allowance Balance		
1. Real estate loans:					1.
a. Construction loans	RCFDJJ04	0	RCFDJJ12	0	1.a.
b. Commercial real estate loans	RCFDJJ05	0	RCFDJJ13	0	1.b.
c. Residential real estate loans	RCFDJJ06	9,974,000	RCFDJJ14	10,000	1.c.
2. Commercial loans[3]	RCFDJJ07	0	RCFDJJ15	0	2.
3. Credit cards	RCFDJJ08	0	RCFDJJ16	0	3.
4. Other consumer loans	RCFDJJ09	0	RCFDJJ17	0	4.
5. Unallocated, if any			RCFDJJ18	0	5.
6. Total (sum of items 1.a. through 5)[4]	RCFDJJ11	9,974,000	RCFDJJ19	10,000	6.

Dollar amounts in thousands			
7. Securities issued by states and political subdivisions in the U.S.	RCFDJJ20	0	7.
8. Mortgage-backed securities (MBS) (including CMOs, REMICs, and stripped MBS)	RCFDJJ21	0	8.
9. Asset-backed securities and structured financial products	RCFDJJ23	0	9.
10. Other debt securities	RCFDJJ24	0	10.
11. Total (sum of items 7 through 10)[5]	RCFDJJ25	0	11.

Schedule RI-D - Income from Foreign Offices(Form Type - 031)

For all banks with foreign offices (including Edge or Agreement subsidiaries and IBFs) and total foreign office assets of $10 billion or more where foreign office revenues, assets, or net income exceed 10 percent of consolidated total revenues, total assets, or net income.

Dollar amounts in thousands			
1. Total interest income in foreign offices	RIADC899	NR	1.
2. Total interest expense in foreign offices	RIADC900	NR	2.
3. Provision for loan and lease losses in foreign offices[1]	RIADKW02	NR	3.
4. Noninterest income in foreign offices:			4.
a. Trading revenue	RIADC902	NR	4.a.
b. Investment banking, advisory, brokerage, and underwriting fees and commissions	RIADC903	NR	4.b.
c. Net securitization income	RIADC904	NR	4.c.
d. Other noninterest income	RIADC905	NR	4.d.
5. Realized gains (losses) on held-to-maturity and available-for-sale debt securities and change in net unrealized holding gains (losses) on equity securities not held for trading in foreign offices	RIADJA28	NR	5.
6. Total noninterest expense in foreign offices	RIADC907	NR	6.
7. Adjustments to pretax income in foreign offices for internal allocations to foreign offices to reflect the effects of equity capital on overall bank funding costs	RIADC908	NR	7.
8. Applicable income taxes (on items 1 through 7)	RIADC909	NR	8.
9. Discontinued operations, net of applicable income taxes, in foreign offices	RIADGW64	NR	9.
10. Net income attributable to foreign offices before internal allocations of income and expense (item 1 plus or minus items 2 through 9)	RIADC911	NR	10.
11. Not applicable			11.
12. Eliminations arising from the consolidation of foreign offices with domestic offices	RIADC913	NR	12.
13. Consolidated net income attributable to foreign offices (sum of items 10 and 12)	RIADC914	NR	13.

3. Include all loans and leases not reported as real estate loans, credit cards, or other consumer loans in item 1, 3, or 4 of Schedule RI-C, Part II.
4. Item 6, column B must equal schedule RC, item 4.c.
5. Item 11 must equal Schedule RI-B, Part II, item 7, column B.
1. Institutions that have adopted ASU 2016-13 should report the provisions for credit losses in foreign offices for all financial assets and off-balance-sheet credit exposures that fall within the scope of the standard in item 3.

Schedule RI-E - Explanations (Form Type - 031)

Schedule RI-E is to be completed each quarter on a calendar year-to-date basis.

Detail all adjustments in Schedule RI-A and RI-B, all extraordinary items and other adjustments in Schedule RI, and all significant items of other noninterest income and other noninterest expense in Schedule RI. (See instructions for details.)

Dollar amounts in thousands			
1. Other noninterest income (from Schedule RI, item 5.l) Itemize and describe amounts greater than $100,000 that exceed 7 percent of Schedule RI, item 5.l:			1.
a. Income and fees from the printing and sale of checks	RIADC013	0	1.a.
b. Earnings on/increase in value of cash surrender value of life insurance	RIADC014	0	1.b.
c. Income and fees from automated teller machines (ATMs)	RIADC016	0	1.c.
d. Rent and other income from other real estate owned	RIAD4042	0	1.d.
e. Safe deposit box rent	RIADC015	0	1.e.

(TEXT4464) Legal Entity Shared Services-Expense

(TEXT4467) Commission Expense

(TEXT4521) Write-off of PCI Loans

(TEXT4522) Other adjustments

1. Only institutions that have adopted ASU 2016-13 should report amounts in items 4.a, 6.a and 6.b, if applicable.
3. Institutions that have not adopted ASU 2016-13 should report the allowance for loan and lease losses in item 6, where applicable.
1. Only institutions that have adopted ASU 2016-13 should report amounts in items 4.a, 6.a and 6.b, if applicable.
1. Only institutions that have adopted ASU 2016-13 should report amounts in items 4.a, 6.a and 6.b, if applicable.

Schedule RC - Balance Sheet(Form Type - 031)

All schedules are to be reported in thousands of dollars. Unless otherwise indicated, report the amount outstanding as of the last business day of the quarter.

Dollar amounts in thousands			
1. Cash and balances due from depository institutions (from Schedule RC-A):			1.
a. Noninterest-bearing balances and currency and coin[1]	RCFD0081	37,000	1.a.
b. Interest-bearing balances[2]	RCFD0071	15,597,000	1.b.
2. Securities:			2.
a. Held-to-maturity securities (from Schedule RC-B, column A)[3]	RCFDJJ34	0	2.a.
b. Available-for-sale debt securities (from Schedule RC-B, column D)	RCFD1773	0	2.b.
c. Equity securities with readily determinable fair values not held for trading[4]	RCFDJA22	0	2.c.
3. Federal funds sold and securities purchased under agreements to resell:			3.
a. Federal funds sold in domestic offices	RCONB987	0	3.a.
b. Securities purchased under agreements to resell[5]	RCFDB989	0	3.b.
4. Loans and lease financing receivables (from Schedule RC-C):			4.
a. Loans and leases held for sale	RCFD5369	0	4.a.
b. Loans and leases held for investment	RCFDB528	9,974,000	4.b.
c. LESS: Allowance for loan and lease losses[7]	RCFD3123	10,000	4.c.
d. Loans and leases held for investment, net of allowance (item 4.b minus 4.c)	RCFDB529	9,964,000	4.d.
5. Trading assets (from Schedule RC-D)	RCFD3545	0	5.
6. Premises and fixed assets (including capitalized leases)	RCFD2145	0	6.
7. Other real estate owned (from Schedule RC-M)	RCFD2150	0	7.
8. Investments in unconsolidated subsidiaries and associated companies	RCFD2130	0	8.
9. Direct and indirect investments in real estate ventures	RCFD3656	0	9.
10. Intangible assets (from Schedule RC-M)	RCFD2143	0	10.
11. Other assets (from Schedule RC-F)[6]	RCFD2160	99,000	11.
12. Total assets (sum of items 1 through 11)	RCFD2170	25,697,000	12.
13. Deposits:			13.
a. In domestic offices (sum of totals of columns A and C from Schedule RC-E, part I)	RCON2200	23,237,000	13.a.
1. Noninterest-bearing[8]	RCON6631	0	13.a.1.
2. Interest-bearing	RCON6636	23,237,000	13.a.2.
b. In foreign offices, Edge and Agreement subsidiaries, and IBFs (from Schedule RC-E, part II)	RCFN2200	NR	13.b.
1. Noninterest-bearing	RCFN6631	NR	13.b.1.
2. Interest-bearing	RCFN6636	NR	13.b.2.
14. Federal funds purchased and securities sold under agreements to repurchase:			14.
a. Federal funds purchased in domestic offices[9]	RCONB993	0	14.a.
b. Securities sold under agreements to repurchase[10]	RCFDB995	0	14.b.
15. Trading liabilities (from Schedule RC-D)	RCFD3548	0	15.
16. Other borrowed money (includes mortgage indebtedness and obligations under capitalized leases) (from Schedule RC-M)	RCFD3190	250,000	16.
17. Not applicable			17.
18. Not applicable			18.
19. Subordinated notes and debentures[1]	RCFD3200	0	19.

1. Includes cash items in process of collection and unposted debits.
2. Includes time certificates of deposit not held for trading.
3. Institutions that have adopted ASU 2016-13 should report in item 2.a, amounts net of any applicable allowance for credit losses, and should equal to Schedule RC-B, item 8, column A less Schedule RI-B, Part II, item 7, column B.
4. Item 2.c is to be completed by all institutions. See the instructions for this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.
5. Includes all securities resale agreements, regardless of maturity.
7. Institutions that have adopted ASU 2016-13 should report in item 4.c the allowance for credit losses on loans and leases.
6. Institutions that have adopted ASU 2016-13 should report in items 3.b and 11 amounts net of any applicable allowance for credit losses.
8. Includes noninterest-bearing demand, time, and savings deposits.
9. Report overnight Federal Home Loan Bank advances in Schedule RC, item 16, "Other borrowed money."
10. Includes all securities repurchase agreements, regardless of maturity.
1. Includes limited-life preferred stock and related surplus.

Dollar amounts in thousands			
20. Other liabilities (from Schedule RC-G)	RCFD2930	26,000	20.
21. Total liabilities (sum of items 13 through 20)	RCFD2948	23,513,000	21.
22. Not applicable			22.
23. Perpetual preferred stock and related surplus	RCFD3838	0	23.
24. Common stock	RCFD3230	22,000	24.
25. Surplus (exclude all surplus related to preferred stock)	RCFD3839	4,000	25.
26. Not available			26.
a. Retained earnings	RCFD3632	2,158,000	26.a.
b. Accumulated other comprehensive income[2]	RCFDB530	0	26.b.
c. Other equity capital components[3]	RCFDA130	0	26.c.
27. Not available			27.
a. Total bank equity capital (sum of items 23 through 26.c)	RCFD3210	2,184,000	27.a.
b. Noncontrolling (minority) interests in consolidated subsidiaries	RCFD3000	0	27.b.
28. Total equity capital (sum of items 27.a and 27.b)	RCFDG105	2,184,000	28.
29. Total liabilities and equity capital (sum of items 21 and 28)	RCFD3300	25,697,000	29.
1. Indicate in the box at the right the number of the statement below that best describes the most comprehensive level of auditing work performed for the bank by independent external auditors as of any date during 2020	RCFD6724	NR	M.1.
2. Bank's fiscal year-end date (report the date in MMDD format)	RCON8678	NR	M.2.

Schedule RC-A - Cash and Balances Due From Depository Institutions(Form Type - 031)

Exclude assets held for trading.

Dollar amounts in thousands	(Column A) Consolidated Bank		(Column B) Domestic Offices		
1. Cash items in process of collection, unposted debits, and currency and coin	RCFD0022	0			1.
a. Cash items in process of collection and unposted debits			RCON0020	0	1.a.
b. Currency and coin			RCON0080	0	1.b.
2. Balances due from depository institutions in the U.S.	RCFD0082	37,000	RCON0082	37,000	2.
3. Balances due from banks in foreign countries and foreign central banks	RCFD0070	0	RCON0070	0	3.
4. Balances due from Federal Reserve Banks	RCFD0090	15,597,000	RCON0090	15,597,000	4.
5. Total	RCFD0010	15,634,000	RCON0010	15,634,000	5.

2. Includes, but is not limited to, net unrealized holding gains (losses) on available-for-sale securities, accumulated net gains (losses) on cash flow hedges, cumulative foreign currency translation adjustments, and accumulated defined benefit pension and other postretirement plan adjustments.

3. Includes treasury stock and unearned Employee Stock Ownership Plan shares.

1. Includes held-to-maturity securities at amortized cost, available-for-sale debt securities at fair value, and equity securities with readily determinable fair values not held for trading (reported in Schedule RC, item 2.c) at fair value.
1. Includes held-to-maturity securities at amortized cost, available-for-sale debt securities at fair value, and equity securities with readily determinable fair values not held for trading (reported in Schedule RC, item 2.c) at fair value.
2. Report fixed-rate debt securities by remaining maturity and floating-rate debt securities by next repricing date.
2. Report fixed-rate debt securities by remaining maturity and floating-rate debt securities by next repricing date.
5. Sum of Memorandum items 2.c.(1) and 2.c.(2) plus any nonaccrual “Other mortgage-backed securities” included in Schedule RC-N, item 10, column C, must equal Schedule RC-B, sum of items 4.b and 4.c.(2), columns A and D.
1. The $10 billion asset size test is based on the total assets reported on the June 30, 2018, Report of Condition.

Schedule RC-C Part I - Loans and Leases(Form Type - 031)

Do not deduct the allowance for loan and lease losses or the allocated transfer risk reserve from amounts reported in this schedule. Report (1) loans and leases held for sale at the lower of cost or fair value, (2) loans and leases held for investment, net of unearned income, and (3) loans and leases accounted for at fair value under a fair value option. Exclude assets held for trading and commercial paper.

Dollar amounts in thousands	(Column A) Consolidated Bank		(Column B) Domestic Offices		
1. Loans secured by real estate[2]	RCFD1410	NR			1.
a. Construction, land development, and other land loans:					1.a.
1. 1-4 family residential construction loans	RCFDF158	0	RCONF158	0	1.a.1.
2. Other construction loans and all land development and other land loans	RCFDF159	0	RCONF159	0	1.a.2.
b. Secured by farmland (including farm residential and other improvements)	RCFD1420	0	RCON1420	0	1.b.
c. Secured by 1-4 family residential properties:					1.c.
1. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCFD1797	0	RCON1797	0	1.c.1.
2. Closed-end loans secured by 1-4 family residential properties:					1.c.2.
a. Secured by first liens	RCFD5367	9,974,000	RCON5367	9,974,000	1.c.2.a.
b. Secured by junior liens	RCFD5368	0	RCON5368	0	1.c.2.b.
d. Secured by multifamily (5 or more) residential properties	RCFD1460	0	RCON1460	0	1.d.
e. Secured by nonfarm nonresidential properties:					1.e.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RCFDF160	0	RCONF160	0	1.e.1.
2. Loans secured by other nonfarm nonresidential properties	RCFDF161	0	RCONF161	0	1.e.2.
2. Loans to depository institutions and acceptances of other banks:					2.
a. To commercial banks in the U.S.			RCONB531	0	2.a.
1. To U.S. branches and agencies of foreign banks	RCFDB532	0			2.a.1.
2. To other commercial banks in the U.S.	RCFDB533	0			2.a.2.
b. To other depository institutions in the U.S.	RCFDB534	0	RCONB534	0	2.b.
c. To banks in foreign countries			RCONB535	0	2.c.
1. To foreign branches of other U.S. banks	RCFDB536	0			2.c.1.
2. To other banks in foreign countries	RCFDB537	0			2.c.2.
3. Loans to finance agricultural production and other loans to farmers	RCFD1590	0	RCON1590	0	3.
4. Commercial and industrial loans:					4.
a. To U.S. addressees (domicile)	RCFD1763	0	RCON1763	0	4.a.
b. To non-U.S. addressees (domicile)	RCFD1764	0	RCON1764	0	4.b.
5. Not applicable					5.
6. Loans to individuals for household, family, and other personal expenditures (i.e., consumer loans) (includes purchased paper):					6.
a. Credit cards	RCFDB538	0	RCONB538	0	6.a.
b. Other revolving credit plans	RCFDB539	0	RCONB539	0	6.b.
c. Automobile loans	RCFDK137	0	RCONK137	0	6.c.
d. Other consumer loans (includes single payment and installment loans other than automobile loans, and all student loans)	RCFDK207	0	RCONK207	0	6.d.
7. Loans to foreign governments and official institutions (including foreign central banks)	RCFD2081	0	RCON2081	0	7.
8. Obligations (other than securities and leases) of states and political subdivisions in the U.S.	RCFD2107	0	RCON2107	0	8.
9. Loans to nondepository financial institutions and other loans	RCFD1563	0			9.
a. Loans to nondepository financial institutions			RCONJ454	0	9.a.
b. Other loans:					9.b.
1. Loans for purchasing or carrying securities (secured and unsecured)			RCON1545	0	9.b.1.
2. All other loans (exclude consumer loans)			RCONJ451	0	9.b.2.
10. Lease financing receivables (net of unearned income)			RCON2165	0	10.
a. Leases to individuals for household, family, and other personal expenditures (i.e., consumer leases)	RCFDF162	0			10.a.
b. All other leases	RCFDF163	0			10.b.
11. LESS: Any unearned income on loans reflected in items 1-9 above	RCFD2123	0	RCON2123	0	11.
12. Total loans and leases held for investment and held for sale (item 12, column A must equal Schedule RC, sum of items 4.a and 4.b)	RCFD2122	9,974,000	RCON2122	9,974,000	12.

2. When reporting "Loans secured by real estate," "large institutions" and "highly complex institutions," as defined for deposit insurance assessment purposes in FDIC regulations, should complete items 1.a.(1) through 1.e.(2) in columns A and B (but not item 1 in column A); all other institutions should complete item 1 in column A and items 1.a.(1) through 1.e.(2) in column B (but not items 1.a.(1) through 1.e.(2) in column A).

Dollar amounts in thousands			
1. Loans restructured in troubled debt restructurings that are in compliance with their modified terms (included in Schedule RC-C, part 1, and not reported as past due or nonaccrual in Schedule RC-N, Memorandum item 1):			M.1.
a. Construction, land development, and other land loans in domestic offices:			M.1.a.
1. 1-4 family residential construction loans	RCONK158	0	M.1.a.1.
2. Other construction loans and all land development and other land loans	RCONK159	0	M.1.a.2.
b. Loans secured by 1-4 family residential properties in domestic offices	RCONF576	145,000	M.1.b.
c. Secured by multifamily (5 or more) residential properties in domestic offices	RCONK160	0	M.1.c.
d. Secured by nonfarm nonresidential properties in domestic offices:			M.1.d.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RCONK161	0	M.1.d.1.
2. Loans secured by other nonfarm nonresidential properties	RCONK162	0	M.1.d.2.
e. Commercial and industrial loans:			M.1.e.
1. To U.S. addressees (domicile)	RCFDK163	0	M.1.e.1.
2. To non-U.S. addressees (domicile)	RCFDK164	0	M.1.e.2.
f. All other loans (include loans to individuals for household, family, and other personal expenditures)	RCFDK165	0	M.1.f.
Itemize loan categories included in Memorandum item 1.f, above that exceed 10 percent of total loans restructured in troubled debt restructurings that are in compliance with their modified terms (sum of Memorandum items 1.a through 1.f): 1. Loans secured by farmland in domestic offices	RCONK166	0	M.1.f.1.
2. Not applicable			M.1.f.2.
3. Loans to finance agricultural production and other loans to farmers	RCFDK168	0	M.1.f.3.
4. Loans to individuals for household, family, and other personal expenditures:			M.1.f.4.
a. Credit cards	RCFDK098	0	M.1.f.4.a.
b. Automobile loans	RCFDK203	0	M.1.f.4.b.
c. Other (includes revolving credit plans other than credit cards and other consumer loans)	RCFDK204	0	M.1.f.4.c.
g. Total loans restructured in troubled debt restructurings that are in compliance with their modified terms (sum of Memorandum items 1.a.(1) through 1.f)	RCFDHK25	145,000	M.1.g.
2. Maturity and repricing data for loans and leases (excluding those in nonaccrual status):			M.2.
a. Closed-end loans secured by first liens on 1-4 family residential properties in domestic offices (reported in Schedule RC-C, part I, item 1.c.(2)(a), column B) with a remaining maturity or next repricing date of:			M.2.a.
1. Three months or less	RCONA564	135,000	M.2.a.1.
2. Over three months through 12 months	RCONA565	568,000	M.2.a.2.
3. Over one year through three years	RCONA566	724,000	M.2.a.3.
4. Over three years through five years	RCONA567	470,000	M.2.a.4.
5. Over five years through 15 years	RCONA568	2,173,000	M.2.a.5.
6. Over 15 years	RCONA569	5,767,000	M.2.a.6.
b. All loans and leases (reported in Schedule RC-C, part I, items 1 through 10, column A) EXCLUDING closed-end loans secured by first liens on 1-4 family residential properties in domestic offices (reported in Schedule RC-C, part I, item 1.c.(2)(a), column B) with a remaining maturity or next repricing date of:			M.2.b.
1. Three months or less	RCFDA570	0	M.2.b.1.
2. Over three months through 12 months	RCFDA571	0	M.2.b.2.
3. Over one year through three years	RCFDA572	0	M.2.b.3.
4. Over three years through five years	RCFDA573	0	M.2.b.4.
5. Over five years through 15 years	RCFDA574	0	M.2.b.5.
6. Over 15 years	RCFDA575	0	M.2.b.6.
c. Loans and leases (reported in Schedule RC-C, part I, items 1 through 10, column A) with a REMAINING MATURITY of one year or less (excluding those in nonaccrual status)	RCFDA247	1,000	M.2.c.
3. Loans to finance commercial real estate, construction, and land development activities (not secured by real estate) included in Schedule RC-C, part I, items 4 and 9, column A[4]	RCFD2746	0	M.3.
4. Adjustable rate closed-end loans secured by first liens on 1-4 family residential properties in domestic offices (included in Schedule RC-C, part I, item 1.c.(2)(a), column B)	RCON5370	3,026,000	M.4.
5. Loans secured by real estate to non-U.S. addressees (domicile) (included in Schedule RC-C, Part I, item 1, column A, or Schedule RC-C, Part I, items 1.a.(1) through 1.e.(2), column A, as appropriate)	RCFDB837	53,000	M.5.
Memorandum item 6 is to be completed by banks that (1) together with affiliated institutions, have outstanding credit card receivables (as defined in the instructions) that exceed $500 million as of the report date, or (2) are credit card specialty banks as defined for Uniform Bank Performance Report purposes. 6. Outstanding credit card fees and finance charges included in Schedule RC-C, part I, item 6.a, column A	RCFDC391	NR	M.6.

4. Exclude loans secured by real estate that are included in Schedule RC-C, Part I, item 1, column A.

Dollar amounts in thousands			
Memorandum items 7.a and 7.b are to be completed by all banks semiannually in the June and December reports only. 7. Purchased credit-impaired loans held for investment accounted for in accordance with FASB ASC 310-30 (former AICPA Statement of Position 03-3) (exclude loans held for sale):[5]			M.7.
a. Outstanding balance	RCFDC779	NR	M.7.a.
b. Amount included in Schedule RC-C, part I, items 1 through 9	RCFDC780	NR	M.7.b.
Memorandum items 8.a, 8.b, and 8.c are to be completed semiannually in the June and December reports only. 8. Closed-end loans with negative amortization features secured by 1-4 family residential properties in domestic offices:			M.8.
a. Total amount of closed-end loans with negative amortization features secured by 1-4 family residential properties (included in Schedule RC-C, part I, items 1.c.(2)(a) and 1.c.(2)(b))	RCONF230	1,000	M.8.a.
Memorandum items 8.b and 8.c are to be completed semiannually in the June and December reports only by banks that had closed-end loans with negative amortization features secured by 1–4 family residential properties (as reported in Schedule RC-C, Part I, Memorandum item 8.a) as of December 31, 2019, that exceeded the lesser of $100 million or 5 percent of total loans and leases held for investment and held for sale in domestic offices (as reported in Schedule RC-C, Part I, item 12, column B). b. Total maximum remaining amount of negative amortization contractually permitted on closed-end loans secured by 1-4 family residential properties	RCONF231	NR	M.8.b.
c. Total amount of negative amortization on closed-end loans secured by 1-4 family residential properties included in the amount reported in Memorandum item 8.a above	RCONF232	NR	M.8.c.

5. Memorandum item 7 is to be completed only by institutions that have not yet adopted ASU 2016-13.

Dollar amounts in thousands			
9. Loans secured by 1-4 family residential properties in domestic offices in process of foreclosure (included in Schedule RC-C, part I, items 1.c.(1), 1.c.(2)(a), and 1.c.(2)(b))	RCONF577	28,000	M.9.

Dollar amounts in thousands			
10. Not applicable			M.10.
11. Not applicable			M.11.

Dollar amounts in thousands	(Column A) Fair value of acquired loans and leases at acquisition date		(Column B) Gross contractual amounts receivable at acquisition date		(Column C) Best estimate at acquisition date of contractual cash flows not expected to be collected		
Memorandum items 12.a, 12.b, 12.c, and 12.d are to be completed semiannually in the June and December reports only. 12. Loans (not subject to the requirements of FASB ASC 310-30 (former AICPA Statement of Position 03-3)) and leases held for investment that were acquired in business combinations with acquisition dates in the current calendar year:[1]							M.12.
a. Loans secured by real estate	RCFDG091	0	RCFDG092	0	RCFDG093	0	M.12.a.
b. Commercial and industrial loans	RCFDG094	0	RCFDG095	0	RCFDG096	0	M.12.b.
c. Loans to individuals for household, family, and other personal expenditures	RCFDG097	0	RCFDG098	0	RCFDG099	0	M.12.c.
d. All other loans and all leases	RCFDG100	0	RCFDG101	0	RCFDG102	0	M.12.d.

Dollar amounts in thousands			
Memoranda item 13 is to be completed by banks that had construction, land development, and other land loans in domestic offices (as reported in Schedule RC-C, Part I, item 1.a., column B) that exceeded 100 percent of the sum of tier 1 capital (as reported in Schedule RC-R, Part I, item 26) plus the allowance for loan and lease losses or the allowance for credit losses on loans and leases, as applicable (as reported in Schedule RC, item 4.c) as of December 31, 2020. 13. Construction, land development, and other land loans in domestic offices with interest reserves:			M.13.
a. Amount of loans that provide for the use of interest reserves (included in Schedule RC-C, part I, item 1.a, column B)	RCONG376	0	M.13.a.
b. Amount of interest capitalized from interest reserves on construction, land development, and other land loans that is included in interest and fee income on loans during the quarter (included in Schedule RI, item 1.a.(1)(a)(2))	RIADG377	0	M.13.b.
Memorandum item 14 is to be completed by all banks. 14. Pledged loans and leases	RCFDG378	2,051,000	M.14.
Memorandum item 15 is to be completed for the December report only. 15. Reverse mortgages in domestic offices:			M.15.
a. Reverse mortgages outstanding that are held for investment (included in Schedule RC-C, item 1.c, above):			M.15.a.
1. Home Equity Conversion Mortgage (HECM) reverse mortgages	RCONJ466	NR	M.15.a.1.
2. Proprietary reverse mortgages	RCONJ467	NR	M.15.a.2.
b. Estimated number of reverse mortgage loan referrals to other lenders during the year from whom compensation has been received for services performed in connection with the origination of the reverse mortgages:			M.15.b.
1. Home Equity Conversion Mortgage (HECM) reverse mortgages	RCONJ468	NR	M.15.b.1.
2. Proprietary reverse mortgages	RCONJ469	NR	M.15.b.2.
c. Principal amount of reverse mortgage originations that have been sold during the year:			M.15.c.
1. Home Equity Conversion Mortgage (HECM) reverse mortgages	RCONJ470	NR	M.15.c.1.
2. Proprietary reverse mortgages	RCONJ471	NR	M.15.c.2.
Memorandum item 16 is to be completed by all banks. 16. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit in domestic offices that have converted to non-revolving closed-end status (included in item 1.c.(1) above)	RCONLE75	0	M.16.
Amounts reported in Memorandum items 17.a and 17.b will not be made available to the public on an individual institution basis. 17. Eligible loan modifications under Section 4013, Temporary Relief from Troubled Debt Restructurings, of the 2020 Coronavirus Aid, Relief, and Economic Security Act:			M.17.
a. Number of Section 4013 loans outstanding	RCONLG24	CONF	M.17.a.
b. Outstanding balance of Section 4013 loans	RCONLG25	CONF	M.17.b.

1. Institutions that have adopted ASU 2016-13 should report only loans held for investment not considered purchased credit-deteriorated in Memorandum item 12.

Schedule RC-C Part II - Loans to Small Businesses and Small Farms(Form Type - 031)

Report the number and amount currently outstanding as of the report date of business loans with "original amounts" of $1,000,000 or less and farm loans with "original amounts" of $500,000 or less. The following guidelines should be used to determine the "original amount" of a loan:
(1) For loans drawn down under lines of credit or loan commitments, the "original amount" of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was most recently approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the "original amount" is the amount currently outstanding on the report date. (2) For loan participations and syndications, the "original amount" of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the "original amount" is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.

7. Not appliable			7.
8. Not applicable			8.
9. Other trading assets	RCFD3541	0	9.
10. Not applicable			10.
11. Derivatives with a positive fair value	RCFD3543	0	11.
12. Total trading assets (sum of items 1 through 11) (total of column A must equal Schedule RC, item 5)	RCFD3545	0	12.
13. Not available			13.
a. Liability for short positions	RCFD3546	0	13.a.
b. Other trading liabilities	RCFDF624	0	13.b.
14. Derivatives with a negative fair value	RCFD3547	0	14.
15. Total trading liabilities (sum of items 13.a through 14) (total of column A must equal Schedule RC, item 15)	RCFD3548	0	15.
1. Unpaid principal balance of loans measured at fair value (reported in Schedule RC-D, items 6.a through 6.d):			M.1.
a. Loans secured by real estate			M.1.a.
1. Loans secured by 1-4 family residential properties	RCFDHT66	0	M.1.a.1.
2. All other loans secured by real estate	RCFDHT67	0	M.1.a.2.
b. Commercial and industrial loans	RCFDF632	0	M.1.b.
c. Loans to individuals for household, family, and other personal expenditures (i.e., consumer loans) (includes purchased paper)	RCFDHT68	0	M.1.c.
d. Other loans	RCFDF636	0	M.1.d.
Memorandum items 2 through 10 are to be completed by banks with $10 billion or more in total trading assets. 2. Loans measured at fair value that are past due 90 days or more:[1]			M.2.
a. Fair value	RCFDF639	NR	M.2.a.
b. Unpaid principal balance	RCFDF640	NR	M.2.b.

1. U.S. Government agencies include, but are not limited to, such agencies as the Government National Mortgage Association (GNMA), the Federal Deposit Insurance Corporation (FDIC), and the National Credit Union Administration (NCUA). U.S. Government-sponsored agencies include, but are not limited to, such agencies as the Federal Home Loan Mortgage Corporation (FHLMC) and the Federal National Mortgage Association (FNMA).
1. The $10 billion trading asset-size test is based on total trading assets reported on the June 30, 2018, Report of Condition.

Dollar amounts in thousands	Consolidated Bank		
Memorandum items 3 through 10 are to be completed by banks with $10 billion or more in total trading assets. 3. Structured financial products by underlying collateral or reference assets (for each column, sum of Memorandum items 3.a through 3.g must equal Schedule RC-D, sum of items 5.a.(1) through (3)):			M.3.
a. Trust preferred securities issued by financial institutions	RCFDG299	NR	M.3.a.
b. Trust preferred securities issued by real estate investment trusts	RCFDG332	NR	M.3.b.
c. Corporate and similar loans	RCFDG333	NR	M.3.c.
d. 1-4 family residential MBS issued or guaranteed by U.S. government-sponsored enterprises (GSEs)	RCFDG334	NR	M.3.d.
e. 1-4 family residential MBS not issued or guaranteed by GSEs	RCFDG335	NR	M.3.e.
f. Diversified (mixed) pools of structured financial products	RCFDG651	NR	M.3.f.
g. Other collateral or reference assets	RCFDG652	NR	M.3.g.
4. Pledged trading assets:			M.4.
a. Pledged securities	RCFDG387	NR	M.4.a.
b. Pledged loans	RCFDG388	NR	M.4.b.

Dollar amounts in thousands			
5. Asset-backed securities:			M.5.
a. Credit card receivables	RCFDF643	NR	M.5.a.
b. Home equity lines	RCFDF644	NR	M.5.b.
c. Automobile loans	RCFDF645	NR	M.5.c.
d. Other consumer loans	RCFDF646	NR	M.5.d.
e. Commercial and industrial loans	RCFDF647	NR	M.5.e.
f. Other	RCFDF648	NR	M.5.f.
6. Retained beneficial interests in securitizations (first-loss or equity tranches)			M.6.
7. Equity securities (included in Schedule RC-D, item 9, above):			M.7.
a. Readily determinable fair values	RCFDF652	NR	M.7.a.
b. Other	RCFDF653	NR	M.7.b.
8. Loans pending securitization	RCFDF654	NR	M.8.
9. Other trading assets (itemize and describe amounts included in Schedule RC-D, item 9, that are greater than $1,000,000 and exceed 25% of the item):[1]			M.9.
a. Disclose component and the dollar amount of that component:			M.9.a.
1. Describe component	TEXTF655	NR	M.9.a.1.
2. Amount of component	RCFDF655	0	M.9.a.2.
b. Disclose component and the dollar amount of that component:			M.9.b.
(TEXTF656) NR	RCFDF656	0	M.9.b.1.
c. Disclose component and the dollar amount of that component:			M.9.c.
(TEXTF657) NR	RCFDF657	0	M.9.c.1.
10. Other trading liabilities (itemize and describe amounts included in Schedule RC-D, item 13.b, that are greater than $1,000,000 and exceed 25% of the item):			M.10.
a. Disclose component and the dollar amount of that component:			M.10.a.
1. Describe component	TEXTF658	NR	M.10.a.1.
2. Amount of component	RCFDF658	0	M.10.a.2.
b. Disclose component and the dollar amount of that component:			M.10.b.
(TEXTF659) NR	RCFDF659	0	M.10.b.1.
c. Disclose component and the dollar amount of that component:			M.10.c.
(TEXTF660) NR	RCFDF660	0	M.10.c.1.

1. Exclude equity securities.

Schedule RC-E Part I - Deposits in Domestic Offices(Form Type - 031)

Dollar amounts in thousands	(Column A) Transaction Accounts Total Transaction accounts (including total demand deposits)		(Column B) Transaction Accounts Memo: Total demand deposits (included in column A)		(Column C) Nontransaction Accounts Total nontransaction accounts (including MMDAs)		
Deposits of:							
1. Individuals, partnerships, and corporations (include all certified and official checks)	RCONB549	0			RCONB550	23,237,000	1.
2. U.S. Government	RCON2202	0			RCON2520	0	2.
3. States and political subdivisions in the U.S.	RCON2203	0			RCON2530	0	3.
4. Commercial banks and other depository institutions in the U.S.	RCONB551	0			RCONB552	0	4.
5. Banks in foreign countries	RCON2213	0			RCON2236	0	5.
6. Foreign governments and official institutions (including foreign central banks)	RCON2216	0			RCON2377	0	6.
7. Total (sum of items 1 through 6) (sum of columns A and C must equal Schedule RC, item 13.a)	RCON2215	0	RCON2210	0	RCON2385	23,237,000	7.

Dollar amounts in thousands			
1. Selected components of total deposits (i.e., sum of item 7, columns A and C):			M.1.
a. Total Individual Retirement Accounts (IRAs) and Keogh Plan accounts	RCON6835	4,186,000	M.1.a.
b. Total brokered deposits	RCON2365	0	M.1.b.
c. Brokered deposits of $250,000 or less (fully insured brokered deposits)[2]	RCONHK05	0	M.1.c.
d. Maturity data for brokered deposits:			M.1.d.
1. Brokered deposits of $250,000 or less with a remaining maturity of one year or less (included in Memorandum item 1.c above)	RCONHK06	0	M.1.d.1.
2. Not applicable			M.1.d.2.
3. Brokered deposits of more than $250,000 with a remaining maturity of one year or less (included in Memorandum item 1.b above)	RCONK220	0	M.1.d.3.
e. Preferred deposits (uninsured deposits of states and political subdivisions in the U.S. reported in item 3 above which are secured or collateralized as required under state law) (to be completed for the December report only)	RCON5590	NR	M.1.e.
f. Estimated amount of deposits obtained through the use of deposit listing services that are not brokered deposits	RCONK223	0	M.1.f.
g. Total reciprocal deposits (as of the report date)	RCONJH83	0	M.1.g.
2. Components of total nontransaction accounts (sum of Memorandum items 2.a through 2.d must equal item 7, column C above):			M.2.
a. Savings deposits:			M.2.a.
1. Money market deposit accounts (MMDAs)	RCON6810	0	M.2.a.1.
2. Other savings deposits (excludes MMDAs)	RCON0352	23,237,000	M.2.a.2.
b. Total time deposits of less than $100,000	RCON6648	0	M.2.b.
c. Total time deposits of $100,000 through $250,000	RCONJ473	0	M.2.c.
d. Total time deposits of more than $250,000	RCONJ474	0	M.2.d.
e. Individual Retirement Accounts (IRAs) and Keogh Plan accounts of $100,000 or more included in Memorandum items 2.c and 2.d above	RCONF233	0	M.2.e.
3. Maturity and repricing data for time deposits of $250,000 or less:			M.3.
a. Time deposits of $250,000 or less with a remaining maturity or next repricing date of:			M.3.a.
1. Three months or less	RCONHK07	0	M.3.a.1.
2. Over three months through 12 months	RCONHK08	0	M.3.a.2.
3. Over one year through three years	RCONHK09	0	M.3.a.3.
4. Over three years	RCONHK10	0	M.3.a.4.
b. Time deposits of $250,000 or less with a REMAINING MATURITY of one year or less (included in Memorandum items 3.a.(1) and 3.a.(2) above)[3]	RCONHK11	0	M.3.b.
4. Maturity and repricing data for time deposits of more than $250,000:			M.4.
a. Time deposits of more than $250,000 with a remaining maturity or next repricing date of:			M.4.a.
1. Three months or less	RCONHK12	0	M.4.a.1.
2. Over three months through 12 months	RCONHK13	0	M.4.a.2.
3. Over one year through three years	RCONHK14	0	M.4.a.3.
4. Over three years	RCONHK15	0	M.4.a.4.
b. Time deposits of more than $250,000 with a REMAINING MATURITY of one year or less (included in Memorandum items 4.a.(1) and 4.a.(2) above)[3]	RCONK222	0	M.4.b.
5. Does your institution offer one or more consumer deposit account products, i.e., transaction account or nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use?	RCONP752	Yes	M.5.
Memorandum items 6 and 7 are to be completed by institutions with $1 billion or more in total assets that answered “Yes” to Memorandum item 5 above. 6. Components of total transaction account deposits of individuals, partnerships, and corporations (sum of Memorandum items 6.a and 6.b must be less than or equal to item 1, column A, above):[5]			M.6.
a. Total deposits in those noninterest-bearing transaction account deposit products intended primarily for individuals for personal, household, or family use	RCONP753	0	M.6.a.
b. Total deposits in those interest-bearing transaction account deposit products intended primarily for individuals for personal, household, or family use	RCONP754	0	M.6.b.
7. Components of total nontransaction account deposits of individuals, partnerships, and corporations (sum of Memorandum items 7.a.(1), 7.a.(2), 7.b.(1), and 7.b.(2) plus all time deposits of individuals, partnerships, and corporations must equal item 1, column C, above):			M.7.

2. The dollar amount used as the basis for reporting in Memorandum item 1.c reflects the deposit insurance limit in effect on the report date.
3. Report both fixed- and floating-rate time deposits by remaining maturity. Exclude floating rate time deposits with a next repricing date of one year or less that have a remaining maturity of over one year.
5. The $1 billion asset size test is based on the total assets reported on the June 30, 2018, Report of Condition.

Dollar amounts in thousands			
a. Money market deposit accounts (MMDAs) of individuals, partnerships, and corporations (sum of Memorandum items 7.a.(1) and 7.a.(2) must be less than or equal to Memorandum item 2.a.(1) above):			M.7.a.
1. Total deposits in those MMDA deposit products intended primarily for individuals for personal, household, or family use	RCONP756	0	M.7.a.1.
2. Deposits in all other MMDAs of individuals, partnerships, and corporations	RCONP757	0	M.7.a.2.
b. Other savings deposit accounts of individuals, partnerships, and corporations (sum of Memorandum items 7.b.(1) and 7.b.(2) must be less than or equal to Memorandum item 2.a.(2) above):			M.7.b.
1. Total deposits in those other savings deposit account deposit products intended primarily for individuals for personal, household, or family use	RCONP758	22,781,000	M.7.b.1.
2. Deposits in all other savings deposit accounts of individuals, partnerships, and corporations	RCONP759	456,000	M.7.b.2.

Schedule RC-E Part II - Deposits in Foreign Offices including Edge and Agreement subsidiaries and IBFs(Form Type - 031)

Dollar amounts in thousands			
Deposits of:			
1. Individuals, partnerships, and corporations (include all certified and official checks)	RCFNB553	0	1.
2. U.S. banks (including IBFs and foreign branches of U.S. banks) and other U.S. depository institutions	RCFNB554	0	2.
3. Foreign banks (including U.S. branches and agencies of foreign banks, including their IBFs)	RCFN2625	0	3.
4. Foreign governments and official institutions (including foreign central banks)	RCFN2650	0	4.
5. U.S. Government and states and political subdivisions in the U.S.	RCFNB555	0	5.
6. Total	RCFN2200	NR	6.
1. Time deposits with a remaining maturity of one year or less (included in Schedule RC, item 13.b)	RCFNA245	NR	M.1.

Schedule RC-F - Other Assets(Form Type - 031)

Dollar amounts in thousands			
1. Accrued interest receivable[2]	RCFDB556	41,000	1.
2. Net deferred tax assets[3]	RCFD2148	2,000	2.
3. Interest-only strips receivable (not in the form of a security)[4]	RCFDHT80	0	3.
4. Equity investments without readily determinable fair values[5]	RCFD1752	18,000	4.
5. Life insurance assets:			5.
a. General account life insurance assets	RCFDK201	0	5.a.
b. Separate account life insurance assets	RCFDK202	0	5.b.
c. Hybrid account life insurance assets	RCFDK270	0	5.c.
6. All other assets (itemize and describe amounts greater than $100,000 that exceed 25% of this item)	RCFD2168	38,000	6.
a. Prepaid expenses	RCFD2166	0	6.a.
b. Repossessed personal property (including vehicles)	RCFD1578	0	6.b.
c. Derivatives with a positive fair value held for purposes other than trading	RCFDC010	0	6.c.
d. FDIC loss-sharing indemnification assets	RCFDJ448	0	6.d.
e. Computer software	RCFDFT33	0	6.e.
f. Accounts receivable	RCFDFT34	15,000	6.f.
g. Receivables from foreclosed government-guaranteed mortgage loans	RCFDFT35	0	6.g.
h. Disclose component and the dollar amount of that component:			6.h.
1. Describe component	TEXT3549	Click here for value	6.h.1.
2. Amount of component	RCFD3549	23,000	6.h.2.
i. Disclose component and the dollar amount of that component:			6.i.
1. Describe component	TEXT3550	NR	6.i.1.
2. Amount of component	RCFD3550	0	6.i.2.
j. Disclose component and the dollar amount of that component:			6.j.
1. Describe component	TEXT3551	NR	6.j.1.
2. Amount of component	RCFD3551	0	6.j.2.
7. Total (sum of items 1 through 6) (must equal Schedule RC, item 11)	RCFD2160	99,000	7.

(TEXT3549) Miscellaneous Assets

2. Include accrued interest receivable on loans, leases, debt securities, and other interest-bearing assets. Exclude accrued interest receivables on financial assets that are reported elsewhere on the balance sheet.
3. See discussion of deferred income taxes in Glossary entry on "income taxes."
4. Report interest-only strips receivable in the form of a security as available-for-sale securities in Schedule RC, item 2.b, or as trading assets in Schedule RC, item 5, as appropriate.
5. Include Federal Reserve stock, Federal Home Loan Bank stock, and bankers' bank stock.

Schedule RC-G - Other Liabilities(Form Type - 031)

Dollar amounts in thousands			
1. Not available			1.
a. Interest accrued and unpaid on deposits in domestic offices[6]	RCON3645	0	1.a.
b. Other expenses accrued and unpaid (includes accrued income taxes payable)	RCFD3646	0	1.b.
2. Net deferred tax liabilities[2]	RCFD3049	0	2.
3. Allowance for credit losses on off-balance sheet credit exposures[7]	RCFDB557	0	3.
4. All other liabilities (itemize and describe amounts greater than $100,000 that exceed 25 percent of this item)	RCFD2938	26,000	4.
a. Accounts payable	RCFD3066	7,000	4.a.
b. Deferred compensation liabilities	RCFDC011	0	4.b.
c. Dividends declared but not yet payable	RCFD2932	0	4.c.
d. Derivatives with a negative fair value held for purposes other than trading	RCFDC012	0	4.d.
e. Operating lease liabilities	RCFDLB56	0	4.e.
f. Disclose component and the dollar amount of that component:			4.f.
1. Describe component	TEXT3552	Click here for value	4.f.1.
2. Amount of component	RCFD3552	8,000	4.f.2.
g. Disclose component and the dollar amount of that component:			4.g.
1. Describe component	TEXT3553	Click here for value	4.g.1.
2. Amount of component	RCFD3553	8,000	4.g.2.
h. Disclose component and the dollar amount of that component:			4.h.
1. Describe component	TEXT3554	NR	4.h.1.
2. Amount of component	RCFD3554	0	4.h.2.
5. Total	RCFD2930	26,000	5.

(TEXT3552) Interest Advances on loans serviced by others

(TEXT3553) Principal Advances on loans serviced by others

6. For savings banks, include "dividends" accrued and unpaid on deposits.
2. See discussion of deferred income taxes in Glossary entry on "income taxes."
7. Institutions that have adopted ASU 2016-13 should report in Schedule RC-G, item 3 the allowance for credit losses on those off-balance sheet credit exposures that are not unconditionally cancelable.

Schedule RC-H - Selected Balance Sheet Items for Domestic Offices(Form Type - 031)

To be completed only by banks with foreign offices.

Dollar amounts in thousands			
1. Not applicable			1.
2. Not applicable			2.
3. Securities purchased under agreements to resell	RCONB989	NR	3.
4. Securities sold under agreements to repurchase	RCONB995	NR	4.
5. Other borrowed money	RCON3190	NR	5.
EITHER 6. Net due from own foreign offices, Edge and Agreement subsidiaries, and IBFs	RCON2163	NR	6.
OR 7. Net due to own foreign offices, Edge and Agreement subsidiaries, and IBFs	RCON2941	NR	7.
8. Total assets (excludes net due from foreign offices, Edge and Agreement subsidiaries, and IBFs)	RCON2192	NR	8.
9. Total liabilities (excludes net due to foreign offices, Edge and Agreement subsidiaries, and IBFs)	RCON3129	NR	9.

Dollar amounts in thousands	(Column A) Amortized Cost of Held-to-Maturity Securities		(Column B) Fair Value of Available-for-Sale Securities		
10. U.S. Treasury securities	RCON0211	NR	RCON1287	NR	10.
11. U.S. Government agency obligations (exclude mortgage-backed securities)	RCON8492	NR	RCON8495	NR	11.
12. Securities issued by states and political subdivisions in the U.S.	RCON8496	NR	RCON8499	NR	12.
13. Mortgage-backed securities (MBS):					13.
a. Mortgage pass-through securities:					13.a.
1. Issued or guaranteed by FNMA, FHLMC, or GNMA	RCONG389	NR	RCONG390	NR	13.a.1.
2. Other mortgage pass-through securities	RCON1709	NR	RCON1713	NR	13.a.2.
b. Other mortgage-backed securities (include CMOs, REMICs, and stripped MBS):					13.b.
1. Issued or guaranteed by U.S. Government agencies or sponsored agencies[1]	RCONG393	NR	RCONG394	NR	13.b.1.
2. All other mortgage-backed securities	RCON1733	NR	RCON1736	NR	13.b.2.
14. Other domestic debt securities (include domestic structured financial products and domestic asset-backed securities)	RCONG397	NR	RCONG398	NR	14.
15. Other foreign debt securities (include foreign structured financial products and foreign asset-backed securities)	RCONG399	NR	RCONG400	NR	15.
16. Not applicable.					16.
17. Total held-to-maturity and available-for-sale debt securities (sum of items 10 through 15)	RCON1754	NR	RCON1773	NR	17.

Dollar amounts in thousands			
18. Equity investments not held for trading:			18.
a. Equity securities with readily determinable fair values[4]	RCONJA22	NR	18.a.
b. Equity investments without readily determinable fair values	RCON1752	NR	18.b.
Items 19, 20 and 21 are to be completed by banks that reported total trading assets of $10 million or more in any of the four preceding calendar quarters and all banks meeting the FDIC's definition of a large or highly complex institution for deposit insurance assessment purposes. 19. Total trading assets	RCON3545	NR	19.
20. Total trading liabilities	RCON3548	NR	20.
21. Total loans held for trading	RCONHT71	NR	21.
tem 22 is to be completed by banks that: (1) have elected to report financial instruments or servicing assets and liabilities at fair value under a fair value option with changes in fair value recognized in earnings, or (2) are required to complete Schedule RC-D, Trading Assets and Liabilities. 22. Total amount of fair value option loans held for investment and held for sale	RCONJF75	NR	22.

1. U.S. Government agencies include, but are not limited to, such agencies as the Government National Mortgage Association (GNMA), the Federal Deposit Insurance Corporation (FDIC), and the National Credit Union Administration (NCUA). U.S. Government-sponsored agencies include, but are not limited to, such agencies as the Federal Home Loan Mortgage Corporation (FHLMC) and the Federal National Mortgage Association (FNMA).
4. Item 18.a is to be completed by all institutions. See the instructions for this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.

Schedule RC-I - Assets and Liabilities of IBFs(Form Type - 031)

To be completed only by banks with IBFs and other "foreign" offices.

Dollar amounts in thousands			
1. Total IBF assets of the consolidated bank (component of Schedule RC, item 12)	RCFN2133	NR	1.
2. Total IBF liabilities (component of Schedule RC, item 21)	RCFN2898	NR	2.

Schedule RC-K - Quarterly Averages(Form Type - 031)

Dollar amounts in thousands			
1. Interest-bearing balances due from depository institutions	RCFD3381	14,823,000	1.
2. U.S. Treasury securities and U.S. Government agency obligations (excluding mortgage-backed securities)[2]	RCFDB558	0	2.
3. Mortgage-backed securities[2]	RCFDB559	0	3.
4. All other debt securities and equity securities with readily determinable fair values not held for trading[2]	RCFDB560	0	4.
5. Federal funds sold and securities purchased under agreements to resell	RCFD3365	0	5.
6. Loans:			6.
a. Loans in domestic offices:			6.a.
1. Total loans	RCON3360	10,679,000	6.a.1.
2. Loans secured by real estate:			6.a.2.
a. Loans secured by 1-4 family residential properties	RCON3465	10,677,000	6.a.2.a.
b. All other loans secured by real estate	RCON3466	0	6.a.2.b.
3. Loans to finance agricultural production and other loans to farmers	RCON3386	0	6.a.3.
4. Commercial and industrial loans	RCON3387	0	6.a.4.
5. Loans to individuals for household, family, and other personal expenditures:			6.a.5.
a. Credit cards	RCONB561	0	6.a.5.a.
b. Other (includes revolving credit plans other than credit cards, automobile loans, and other consumer loans)	RCONB562	0	6.a.5.b.
b. Total loans in foreign offices, Edge and Agreement subsidiaries, and IBFs	RCFN3360	NR	6.b.
Item 7 is to be completed by banks with total trading assets of $10 million or more in any of the four preceding calendar quarters and all banks meeting the FDIC's definition of a large or highly complex institution for deposit insurance assessment purposes. 7. Trading assets	RCFD3401	0	7.
8. Lease financing receivables (net of unearned income)	RCFD3484	0	8.
9. Total assets[4]	RCFD3368	25,605,000	9.
10. Interest-bearing transaction accounts in domestic offices (interest-bearing demand deposits, NOW accounts, ATS accounts, and telephone and preauthorized transfer accounts)	RCON3485	381,000	10.
11. Nontransaction accounts in domestic offices:			11.
a. Savings deposits (includes MMDAs)	RCONB563	22,827,000	11.a.
b. Time deposits of $250,000 or less	RCONHK16	0	11.b.
c. Time deposits of more than $250,000	RCONHK17	0	11.c.
12. Interest-bearing deposits in foreign offices, EDGE and Agreement subsidiaries, and IBFs	RCFN3404	NR	12.
13. Federal funds purchased and securities sold under agreements to repurchase	RCFD3353	0	13.
14. Other borrowed money (includes mortgage indebtedness and obligations under capitalized leases)	RCFD3355	192,000	14.

2. Quarterly averages for all debt securities should be based on amortized cost.
2. Quarterly averages for all debt securities should be based on amortized cost.
4. The quarterly average for total assets should reflect securities not held for trading as follows: a) Debt securities at amortized cost, b) Equity securities with readily determinable fair values at fair value, c) Equity investments without readily determinable fair values, their balance sheet carrying values (i.e., fair value or, if elected, cost minus impairment, if any, plus or minus changes resulting from observable price changes).

Schedule RC-L - Derivatives and Off-Balance Sheet Items(Form Type - 031)

Please read carefully the instructions for the preparation of Schedule RC-L. Some of the amounts reported in Schedule RC-L are regarded as volume indicators and not necessarily as measures of risk.

Dollar amounts in thousands			
1. Unused commitments:			1.
a. Revolving, open-end lines secured by 1-4 family residential properties, i.e., home equity lines	RCFD3814	0	1.a.
Item 1.a.(1) is to be completed for the December report only. 1. Unused commitments for reverse mortgages outstanding that are held for investment in domestic offices	RCONHT72	NR	1.a.1.
b. Credit card lines (Sum of items 1.b.(1) and 1.b.(2) must equal item 1.b)	RCFD3815	0	1.b.
Items 1.b.(1) and 1.b.(2) are to be completed by banks with either $300 million or more in total assets or $300 million or more in credit card lines. (Sum of items 1.b.(1) and 1.b.(2) must equal item 1.b) Items 1.b.(1) and 1.b.(2) are to be completed semiannually in the June and December reports only. 1. Unused consumer credit card lines	RCFDJ455	0	1.b.1.
2. Other unused credit card lines	RCFDJ456	0	1.b.2.
c. Commitments to fund commercial real estate, construction, and land development loans:			1.c.
1. Secured by real estate:			1.c.1.
a. 1-4 family residential construction loan commitments	RCFDF164	0	1.c.1.a.
b. Commercial real estate, other construction loan, and land development loan commitments	RCFDF165	0	1.c.1.b.
2. Not secured by real estate	RCFD6550	0	1.c.2.
d. Securities underwriting	RCFD3817	0	1.d.
e. Other unused commitments:			1.e.
1. Commercial and industrial loans	RCFDJ457	0	1.e.1.
2. Loans to financial institutions	RCFDJ458	0	1.e.2.
3. All other unused commitments	RCFDJ459	0	1.e.3.
2. Financial standby letters of credit and foreign office guarantees	RCFD3819	0	2.
Item 2.a is to be completed by banks with $1 billion or more in total assets. a. Amount of financial standby letters of credit conveyed to others[1]	RCFD3820	0	2.a.
3. Performance standby letters of credit and foreign office guarantees	RCFD3821	0	3.
Item 3.a is to be completed by banks with $1 billion or more in total assets. a. Amount of performance standby letters of credit conveyed to others[1]	RCFD3822	0	3.a.
4. Commercial and similar letters of credit	RCFD3411	0	4.
5. Not applicable			5.
6. Securities lent and borrowed:			6.
a. Securities lent (including customers' securities lent where the customer is indemnified against loss by the reporting bank)	RCFD3433	0	6.a.
b. Securities borrowed	RCFD3432	0	6.b.

Dollar amounts in thousands	(Column A) Sold Protection		(Column B) Purchased Protection		
7. Credit derivatives:					7.
a. Notional amounts:					7.a.
1. Credit default swaps	RCFDC968	0	RCFDC969	0	7.a.1.
2. Total return swaps	RCFDC970	0	RCFDC971	0	7.a.2.
3. Credit options	RCFDC972	0	RCFDC973	0	7.a.3.
4. Other credit derivatives	RCFDC974	0	RCFDC975	0	7.a.4.
b. Gross fair values:					7.b.
1. Gross positive fair value	RCFDC219	0	RCFDC221	0	7.b.1.
2. Gross negative fair value	RCFDC220	0	RCFDC222	0	7.b.2.

1. The $10 billion asset-size test is based on the total assets reported on the June 30, 2018, Report of Condition.

Schedule RC-M - Memoranda(Form Type - 031)

Dollar amounts in thousands			
1. Extensions of credit by the reporting bank to its executive officers, directors, principal shareholders, and their related interests as of the report date:			1.
a. Aggregate amount of all extensions of credit to all executive officers, directors, principal shareholders, and their related interests	RCFD6164	0	1.a.
b. Number of executive officers, directors, and principal shareholders to whom the amount of all extensions of credit by the reporting bank (including extensions of credit to related interests) equals or exceeds the lesser of $500,000 or 5 percent of total capital as defined for this purpose in agency regulations	RCFD6165	0	1.b.
2. Intangible assets:			2.
a. Mortgage servicing assets	RCFD3164	0	2.a.
1. Estimated fair value of mortgage servicing assets	RCFDA590	0	2.a.1.
b. Goodwill	RCFD3163	0	2.b.
c. All other intangible assets	RCFDJF76	0	2.c.
d. Total (sum of items 2.a, 2.b, and 2.c) (must equal Schedule RC, item 10)	RCFD2143	0	2.d.
3. Other real estate owned:			3.
a. Construction, land development, and other land in domestic offices	RCON5508	0	3.a.
b. Farmland in domestic offices	RCON5509	0	3.b.
c. 1-4 family residential properties in domestic offices	RCON5510	0	3.c.
d. Multifamily (5 or more) residential properties in domestic offices	RCON5511	0	3.d.
e. Nonfarm nonresidential properties in domestic offices	RCON5512	0	3.e.
f. In foreign offices	RCFN5513	NR	3.f.
g. Total (sum of items 3.a through 3.g) (must equal Schedule RC, item 7)	RCFD2150	0	3.g.
4. Cost of equity securities with readily determinable fair values not held for trading (the fair value of which is reported in Schedule RC, item 2.c)[1]	RCFDJA29	0	4.
5. Other borrowed money:			5.
a. Federal Home Loan Bank advances:			5.a.
1. Advances with a remaining maturity or next repricing date of:[1]			5.a.1.
a. One year or less	RCFDF055	250,000	5.a.1.a.
b. Over one year through three years	RCFDF056	0	5.a.1.b.
c. Over three years through five years	RCFDF057	0	5.a.1.c.
d. Over five years	RCFDF058	0	5.a.1.d.
2. Advances with a remaining maturity of one year or less (included in item 5.a.(1)(a) above)[2]	RCFD2651	250,000	5.a.2.
3. Structured advances (included in items 5.a.(1)(a) - (d) above)	RCFDF059	0	5.a.3.
b. Other borrowings:			5.b.
1. Other borrowings with a remaining maturity or next repricing date of:[3]			5.b.1.
a. One year or less	RCFDF060	0	5.b.1.a.
b. Over one year through three years	RCFDF061	0	5.b.1.b.
c. Over three years through five years	RCFDF062	0	5.b.1.c.
d. Over five years	RCFDF063	0	5.b.1.d.
2. Other borrowings with a remaining maturity of one year or less (included in item 5.b.(1)(a) above)[4]	RCFDB571	0	5.b.2.
c. Total (sum of items 5.a.(1)(a)-(d) and items 5.b.(1)(a)-(d)) (must equal Schedule RC, item 16)	RCFD3190	250,000	5.c.
6. Does the reporting bank sell private label or third party mutual funds and annuities?	RCFDB569	No	6.
7. Assets under the reporting bank's management in proprietary mutual funds and annuities	RCFDB570	0	7.
8. Internet Web site addresses and physical office trade names:			8.
a. Uniform Resource Locator (URL) of the reporting institution's primary Internet Web site (home page), if any (Example: www.examplebank.com):	TEXT4087	Click here for value	8.a.

1. Item 4 is to be completed only by insured state banks that have been approved by the FDIC to hold grandfathered equity investments. See instructions for this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.
1. Report fixed-rate advances by remaining maturity and floating-rate advances by next repricing date.
2. Report both fixed- and floating-rate advances by remaining maturity. Exclude floating-rate advances with a next repricing date of one year or less that have a remaining maturity of over one year.
3. Report fixed-rate other borrowings by remaining maturity and floating-rate other borrowings by next repricing date.
4. Report both fixed- and floating-rate other borrowings by remaining maturity. Exclude floating rate other borrowings with a next repricing date of one year or less that have a remaining maturity of over one year.

5. Trade name 5	TE05N529	**Merrill**	8.c.5.
6. Trade name 6	TE06N529	**Click here for value**	8.c.6.
Item 9 is to be completed annually in the December report only. 9. Do any of the bank's Internet Web sites have transactional capability, i.e., allow the bank's customers to execute transactions on their accounts through the Web site?	RCFD4088	**NR**	9.
10. Secured liabilities:			10.
a. Amount of "Federal funds purchased in domestic offices" that are secured (included in Schedule RC, item 14.a)	RCONF064	**0**	10.a.
b. Amount of "Other borrowings" that are secured (included in Schedule RC-M, items 5.b.(1)(a) - (d))	RCFDF065	**0**	10.b.
11. Does the bank act as trustee or custodian for Individual Retirement Accounts, Health Savings Accounts, and other similar accounts?	RCONG463	**No**	11.
12. Does the bank provide custody, safekeeping, or other services involving the acceptance of orders for the sale or purchase of securities?	RCONG464	**No**	12.
13. Assets covered by loss-sharing agreements with the FDIC:			13.
a. Loans and leases (included in Schedule RC, items 4.a and 4.b):			13.a.
1. Loans secured by real estate in domestic offices:			13.a.1.
a. Construction, land development, and other land loans:			13.a.1.a.
1. 1-4 family residential construction loans	RCONK169	**0**	13.a.1.a.1.
2. Other construction loans and all land development and other land loans	RCONK170	**0**	13.a.1.a.2.
b. Secured by farmland	RCONK171	**0**	13.a.1.b.
c. Secured by 1-4 family residential properties:			13.a.1.c.
1. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCONK172	**0**	13.a.1.c.1.
2. Closed-end loans secured by 1-4 family residential properties:			13.a.1.c.2.
a. Secured by first liens	RCONK173	**0**	13a1c2a.
b. Secured by junior liens	RCONK174	**0**	13a1c2b.
d. Secured by multifamily (5 or more) residential properties	RCONK175	**0**	13.a.1.d.
e. Secured by nonfarm nonresidential properties:			13.a.1.e.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RCONK176	**0**	13.a.1.e.1.
2. Loans secured by other nonfarm nonresidential properties	RCONK177	**0**	13.a.1.e.2.
2. Not applicable			13.a.2.
3. Not applicable			13.a.3.
4. Not applicable			13.a.4.
5. All other loans and all leases	RCFDK183	**0**	13.a.5.

1. Report only highest level URLs (for example, report www.examplebank.biz, but do not also report www.examplebank.biz/checking). Report each top level domain name used (for example, report both www.examplebank.biz and www.examplebank.net).

Dollar amounts in thousands			
b. Other real estate owned (included in Schedule RC, item 7):			13.b.
1. Construction, land development, and other land in domestic offices	RCONK187	0	13.b.1.
2. Farmland in domestic offices	RCONK188	0	13.b.2.
3. 1-4 family residential properties in domestic offices	RCONK189	0	13.b.3.
4. Multifamily (5 or more) residential properties in domestic offices	RCONK190	0	13.b.4.
5. Nonfarm nonresidential properties in domestic offices	RCONK191	0	13.b.5.
6. In foreign offices	RCFNK260	NR	13.b.6.
7. Portion of covered other real estate owned included in items 13.b.(1) through (6) above that is protected by FDIC loss-sharing agreements	RCFDK192	0	13.b.7.
c. Debt securities (included in Schedule RC, items 2.a and 2.b)	RCFDJ461	0	13.c.
d. Other assets (exclude FDIC loss-sharing indemnification assets)	RCFDJ462	0	13.d.
Items 14.a and 14.b are to be completed annually in the December report only. 14. Captive insurance and reinsurance subsidiaries:			14.
a. Total assets of captive insurance subsidiaries[2]	RCFDK193	NR	14.a.
b. Total assets of captive reinsurance subsidiaries[2]	RCFDK194	NR	14.b.
Item 15 is to be completed by institutions that are required or have elected to be treated as a Qualified Thrift Lender. 15. Qualified Thrift Lender (QTL) test:			15.
a. Does the institution use the Home Owners' Loan Act (HOLA) QTL test or the Internal Revenue Service Domestic Building and Loan Association (IRS DBLA) test to determine its QTL compliance? (for the HOLA QTL test, enter 1; for the IRS DBLA test, enter 2)	RCONL133	NR	15.a.
b. Has the institution been in compliance with the HOLA QTL test as of each month end during the quarter or the IRS DBLA test for its most recent taxable year, as applicable?	RCONL135	NR	15.b.
Item 16.a and, if appropriate, items 16.b.(1) through 16.b.(3) are to be completed annually in the December report only. 16. International remittance transfers offered to consumers:[1]			16.
a. Estimated number of international remittance transfers provided by your institution during the calendar year ending on the report date	RCONN523	NR	16.a.
Items 16.b.(1) through 16.b.(3) are to be completed by institutions that reported 501 or more international remittance transfers in item 16.a in either or both of the current report or the most recent prior report in which item 16.a was required to be completed. b. Estimated dollar value of remittance transfers provided by your institution and usage of regulatory exceptions during the calendar year ending on the report date:			16.b.
1. Estimated dollar value of international remittance transfers	RCONN524	NR	16.b.1.
2. Estimated number of international remittance transfers for which your institution applied the permanent exchange rate exception	RCONMM07	NR	16.b.2.
3. Estimated number of international remittance transfers for which your institution applied the permanent covered third-party fee exception	RCONMQ52	NR	16.b.3.
17. U.S. Small Business Administration Paycheck Protection Program (PPP) loans and the Federal Reserve PPP Liquidity Facility (PPPLF):[3]			17.
a. Number of PPP loans outstanding	RCONLG26	0	17.a.
b. Outstanding balance of PPP loans	RCONLG27	0	17.b.
c. Outstanding balance of PPP loans pledged to the PPPLF	RCONLG28	0	17.c.
d. Outstanding balance of borrowings from Federal Reserve Banks under the PPPLF with a remaining maturity of:			17.d.
1. One year or less	RCONLL59	0	17.d.1.
2. More than one year	RCONLL60	0	17.d.2.
e. Quarterly average amount of PPP loans pledged to the PPPLF and excluded from "Total assets for the leverage ratio" reported in Schedule RC-R, Part I, item 30	RCONLL57	0	17.e.
18. Money Market Mutual Fund Liquidity Facility (MMLF):			18.
a. Outstanding balance of assets purchased under the MMLF	RCONLL61	0	18.a.
b. Quarterly average amount of assets purchased under the MMLF and excluded from "Total assets for the leverage ratio" reported in Schedule RC-R, Part I, item 30	RCONLL58	0	18.b.

(TE01N529) Bank of America

2. Report total assets before eliminating intercompany transactions between the consolidated insurance or reinsurance subsidiary and other offices or consolidated subsidiaries of the reporting bank.

1. Report information about international electronic transfers of funds offered to consumers in the United States that: (a) are "remittance transfers" as defined by subpart B of Regulation E (12 CFR § 1005.30(e)), or (b) would qualify as "remittance transfers" under subpart B of Regulation E (12 CFR § 1005.30(e)) but are excluded from that definition only because the provider is not providing those transfers in the normal course of its business. See 12 CFR § 1005.30(f). For purposes of this item 16, such trans

3. Paycheck Protection Program (PPP) covered loans as defined in sections 7(a)(36) and 7(a)(37) of the Small Business Act (15 U.S.C. 636(a)(36) and (37)). The PPP was established by Section 1102 of the 2020 Coronavirus Aid, Relief, and Economic Security Act.

Schedule RC-N - Past Due and Nonaccrual Loans Leases and Other Assets(Form Type - 031)

Dollar amounts in thousands	(Column A) Past due 30 through 89 days and still accruing		(Column B) Past due 90 days or more and still accruing		(Column C) Nonaccrual		
1. Loans secured by real estate:							1.
a. Construction, land development, and other land loans in domestic offices:							1.a.
1. 1-4 family residential construction loans	RCONF172	0	RCONF174	0	RCONF176	0	1.a.1.
2. Other construction loans and all land development and other land loans	RCONF173	0	RCONF175	0	RCONF177	0	1.a.2.
b. Secured by farmland in domestic offices	RCON3493	0	RCON3494	0	RCON3495	0	1.b.
c. Secured by 1-4 family residential properties in domestic offices:							1.c.
1. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCON5398	0	RCON5399	0	RCON5400	0	1.c.1.
2. Closed-end loans secured by 1-4 family residential properties:							1.c.2.
a. Secured by first liens	RCONC236	56,000	RCONC237	1,000	RCONC229	137,000	1.c.2.a.
b. Secured by junior liens	RCONC238	0	RCONC239	0	RCONC230	0	1.c.2.b.
d. Secured by multifamily (5 or more) residential properties in domestic offices	RCON3499	0	RCON3500	0	RCON3501	0	1.d.
e. Secured by nonfarm nonresidential properties in domestic offices:							1.e.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RCONF178	0	RCONF180	0	RCONF182	0	1.e.1.
2. Loans secured by other nonfarm nonresidential properties	RCONF179	0	RCONF181	0	RCONF183	0	1.e.2.
f. In foreign offices	RCFNB572	NR	RCFNB573	NR	RCFNB574	NR	1.f.
2. Loans to depository institutions and acceptances of other banks:							2.
a. To U.S. banks and other U.S. depository institutions	RCFD5377	0	RCFD5378	0	RCFD5379	0	2.a.
b. To foreign banks	RCFD5380	0	RCFD5381	0	RCFD5382	0	2.b.
3. Loans to finance agricultural production and other loans to farmers	RCFD1594	0	RCFD1597	0	RCFD1583	0	3.
4. Commercial and industrial loans:							4.
a. To U.S. addressees (domicile)	RCFD1251	0	RCFD1252	0	RCFD1253	0	4.a.
b. To non-U.S. addressees (domicile)	RCFD1254	0	RCFD1255	0	RCFD1256	0	4.b.
5. Loans to individuals for household, family, and other personal expenditures:							5.
a. Credit cards	RCFDB575	0	RCFDB576	0	RCFDB577	0	5.a.
b. Automobile loans	RCFDK213	0	RCFDK214	0	RCFDK215	0	5.b.
c. Other (includes revolving credit plans other than credit cards and other consumer loans)	RCFDK216	0	RCFDK217	0	RCFDK218	0	5.c.
6. Loans to foreign governments and official institutions	RCFD5389	0	RCFD5390	0	RCFD5391	0	6.
7. All other loans	RCFD5459	0	RCFD5460	0	RCFD5461	0	7.
8. Lease financing receivables:							8.
a. Leases to individuals for household, family, and other personal expenditures	RCFDF166	0	RCFDF167	0	RCFDF168	0	8.a.
b. All other leases	RCFDF169	0	RCFDF170	0	RCFDF171	0	8.b.
9. Total loans and leases (sum of items 1 through 8.b)	RCFD1406	56,000	RCFD1407	1,000	RCFD1403	137,000	9.
10. Debt securities and other assets (exclude other real estate owned and other repossessed assets)	RCFD3505	0	RCFD3506	0	RCFD3507	0	10.
11. Loans and leases reported in items 1 through 8 above that are wholly or partially guaranteed by the U.S. Government, excluding loans and leases covered by loss-sharing agreements with the FDIC:	RCFDK036	0	RCFDK037	1,000	RCFDK038	0	11.
a. Guaranteed portion of loans and leases included in item 11 above, excluding rebooked "GNMA loans"	RCFDK039	0	RCFDK040	1,000	RCFDK041	0	11.a.
b. Rebooked "GNMA loans" that have been repurchased or are eligible for repurchase included in item 11 above	RCFDK042	0	RCFDK043	0	RCFDK044	0	11.b.
12. Loans and leases reported in items 1 through 8 above that are covered by loss-sharing agreements with the FDIC:							12.
a. Loans secured by real estate in domestic offices:							12.a.
1. Construction, land development, and other land loans:							12.a.1.
a. 1-4 family residential construction loans	RCONK045	0	RCONK046	0	RCONK047	0	12.a.1.a.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days and still accruing		(Column B) Past due 90 days or more and still accruing		(Column C) Nonaccrual		
b. Other construction loans and all land development and other land loans	RCONK048	0	RCONK049	0	RCONK050	0	12a1b
2. Secured by farmland	RCONK051	0	RCONK052	0	RCONK053	0	12.a.2.
3. Secured by 1-4 family residential properties:							12.a.3.
a. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCONK054	0	RCONK055	0	RCONK056	0	12a3a
b. Closed-end loans secured by 1-4 family residential properties:							12a3b
1. Secured by first liens	RCONK057	0	RCONK058	0	RCONK059	0	12a3b1
2. Secured by junior liens	RCONK060	0	RCONK061	0	RCONK062	0	12a3b2
4. Secured by multifamily (5 or more) residential properties	RCONK063	0	RCONK064	0	RCONK065	0	12.a.4.
5. Secured by nonfarm nonresidential properties:							12.a.5.
a. Loans secured by owner-occupied nonfarm nonresidential properties	RCONK066	0	RCONK067	0	RCONK068	0	12a5a
b. Loans secured by other nonfarm nonresidential properties	RCONK069	0	RCONK070	0	RCONK071	0	12a5b
b. Not applicable							12.b.
c. Not applicable							12.c.
d. Not applicable							12.d.
e. All other loans and all leases	RCFDK087	0	RCFDK088	0	RCFDK089	0	12.e.
f. Portion of covered loans and leases included in items 12.a through 12.e above that is protected by FDIC loss-sharing agreements	RCFDK102	0	RCFDK103	0	RCFDK104	0	12.f.
1. Loans restructured in troubled debt restructurings included in Schedule RC-N, items 1 through 7, above (and not reported in Schedule RC-C, Part 1, Memorandum item 1):							M.1.
a. Construction, land development, and other land loans in domestic offices:							M.1.a.
1. 1-4 family residential construction loans	RCONK105	0	RCONK106	0	RCONK107	0	M1a1
2. Other construction loans and all land development and other land loans	RCONK108	0	RCONK109	0	RCONK110	0	M1a2
b. Loans secured by 1-4 family residential properties in domestic offices	RCONF661	3,000	RCONF662	0	RCONF663	82,000	M.1.b.
c. Secured by multifamily (5 or more) residential properties in domestic offices	RCONK111	0	RCONK112	0	RCONK113	0	M.1.c.
d. Secured by nonfarm nonresidential properties in domestic offices:							M.1.d.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RCONK114	0	RCONK115	0	RCONK116	0	M1d1
2. Loans secured by other nonfarm nonresidential properties	RCONK117	0	RCONK118	0	RCONK119	0	M1d2
e. Commercial and industrial loans:							M.1.e.
1. To U.S. addressees (domicile)	RCFDK120	0	RCFDK121	0	RCFDK122	0	M1e1
2. To non-U.S. addressees (domicile)	RCFDK123	0	RCFDK124	0	RCFDK125	0	M1e2
f. All other loans (include loans to individuals for household, family, and other personal expenditures)	RCFDK126	0	RCFDK127	0	RCFDK128	0	M.1.f.
Itemize loan categories included in Memorandum item 1.f, above that exceed 10 percent of total loans restructured in troubled debt restructurings that are past due 30 days or more or in nonaccrual status (sum of Memorandum items 1.a through 1.f, columns A through C): 1. Loans secured by farmland in domestic offices	RCONK130	0	RCONK131	0	RCONK132	0	M1f1
2. Not applicable							M1f2
3. Loans to finance agricultural production and other loans to farmers	RCFDK138	0	RCFDK139	0	RCFDK140	0	M1f3
4. Loans to individuals for household, family, and other personal expenditures:							M1f4
a. Credit cards	RCFDK274	0	RCFDK275	0	RCFDK276	0	M1f4a
b. Automobile loans	RCFDK277	0	RCFDK278	0	RCFDK279	0	M1f4b
c. Other (includes revolving credit plans other than credit cards and other consumer loans)	RCFDK280	0	RCFDK281	0	RCFDK282	0	M1f4c
g. Total loans restructured in troubled debt restructurings included in Schedule RC-N, items 1 through 7, above and not reported in Schedule RC-C, Part I, Memorandum item 1 (sum of items Memorandum item 1.a.(1) through Memorandum item 1.f)[1]	RCFDHK26	3,000	RCFDHK27	0	RCFDHK28	82,000	M.1.g.

1. Exclude amounts reported in Memorandum items 1.f.(1) through 1.f.(4) when calculating the total in Memorandum item 1.g.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days and still accruing		(Column B) Past due 90 days or more and still accruing		(Column C) Nonaccrual		
2. Loans to finance commercial real estate, construction, and land development activities (not secured by real estate) included in Schedule RC-N, items 4 and 7, above	RCFD6558	0	RCFD6559	0	RCFD6560	0	M.2.
3. Loans secured by real estate to non-U.S. addressees (domicile) (included in Schedule RC-N, item 1, above)	RCFD1248	0	RCFD1249	0	RCFD1250	0	M.3.
4. Not applicable							M.4.
5. Loans and leases held for sale (included in Schedule RC-N, items 1 through 8, above)	RCFDC240	0	RCFDC241	0	RCFDC226	0	M.5.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days		(Column B) Past due 90 days or more		
6. Derivative contracts: Fair value of amounts carried as assets	RCFD3529	0	RCFD3530	0	M.6.

Dollar amounts in thousands			
Memorandum items 7, 8, 9.a, and 9.b are to be completed semiannually in the June and December reports only. 7. Additions to nonaccrual assets during the previous six months	RCFDC410	44,000	M.7.
8. Nonaccrual assets sold during the previous six months	RCFDC411	0	M.8.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days and still accruing		(Column B) Past due 90 days or more and still accruing		(Column C) Nonaccrual		
9. Purchased credit-impaired loans accounted for in accordance with FASB ASC 310-30 (former AICPA Stament of Position 03-3):[2]							M.9.
a. Outstanding balance	RCFDL183	NR	RCFDL184	NR	RCFDL185	NR	M.9.a.
b. Amount included in Schedule RC-N, items 1 through 7, above	RCFDL186	NR	RCFDL187	NR	RCFDL188	NR	M.9.b.

2. Memorandum items 9.a and 9.b should be completed only by institutions that have not yet adopted ASU 2016-13.

Schedule RC-O - Other Data for Deposit Insurance and FICO Assessments(Form Type - 031)

All FDIC-insured depository institutions must complete items 1 through 9, 10, and 11, Memorandum item 1, and, if applicable, item 9.a, Memorandum items 2, 3, and 6 through 18 each quarter. Unless otherwise indicated, complete items 1 through 11 and Memorandum items 1 through 3 on an "unconsolidated single FDIC certificate number basis" (see instructions) and complete Memorandum items 6 through 18 on a fully consolidated basis.

Dollar amounts in thousands			
1. Total deposit liabilities before exclusions (gross) as defined in Section 3(l) of the Federal Deposit Insurance Act and FDIC regulations	RCFDF236	23,237,000	1.
2. Total allowable exclusions, including interest accrued and unpaid on allowable exclusions (including foreign deposits)	RCFDF237	0	2.
3. Total foreign deposits, including interest accrued and unpaid thereon (included in item 2 above)	RCFNF234	0	3.
4. Average consolidated total assets for the calendar quarter	RCFDK652	25,605,000	4.
a. Averaging method used (for daily averaging, enter 1; for weekly averaging, enter 2)	RCFDK653	1	4.a.
5. Average tangible equity for the calendar quarter[1]	RCFDK654	2,169,000	5.
6. Holdings of long-term unsecured debt issued by other FDIC-insured depository institutions	RCFDK655	0	6.
7. Unsecured "Other borrowings" with a remaining maturity of (sum of items 7.a through 7.d must be less than or equal to Schedule RC-M, items 5.b.(1)(a)-(d) minus item 10.b):			7.
a. One year or less	RCFDG465	0	7.a.
b. Over one year through three years	RCFDG466	0	7.b.
c. Over three years through five years	RCFDG467	0	7.c.
d. Over five years	RCFDG468	0	7.d.
8. Subordinated notes and debentures with a remaining maturity of (sum of items 8.a through 8.d must equal Schedule RC, item 19):			8.
a. One year or less	RCFDG469	0	8.a.
b. Over one year through three years	RCFDG470	0	8.b.
c. Over three years through five years	RCFDG471	0	8.c.
d. Over five years	RCFDG472	0	8.d.
9. Brokered reciprocal deposits (included in Schedule RC-E, Part I, Memorandum item 1.b)	RCONG803	0	9.
Item 9.a is to be completed on a fully consolidated basis by all institutions that own another insured depository institution. a. Fully consolidated brokered reciprocal deposits	RCONL190	NR	9.a.
10. Banker's bank certification: Does the reporting institution meet both the statutory definition of a banker's bank and the business conduct test set forth in FDIC regulations? If the answer to item 10 is "YES," complete items 10.a and 10.b.	RCFDK656	No	10.
If the answer to item 10 is "YES," complete items 10.a and 10.b. a. Banker's bank deduction	RCFDK657	NR	10.a.
b. Banker's bank deduction limit	RCFDK658	NR	10.b.
11. Custodial bank certification: Does the reporting institution meet the definition of a custodial bank set forth in FDIC regulations? If the answer to item 11 is "YES," complete items 11.a and 11.b.	RCFDK659	No	11.
If the answer to item 11 is "YES," complete items 11.a and 11.b. a. Custodial bank deduction	RCFDK660	NR	11.a.
b. Custodial bank deduction limit	RCFDK661	NR	11.b.
1. Total deposit liabilities of the bank (including related interest accrued and unpaid) less allowable exclusions (including related interest accrued and unpaid) (sum of Memorandum items 1.a.(1), 1.b.(1), 1.c.(1), and 1.d.(1) must equal Schedule RC-O, item 1 less item 2):			M.1.
a. Deposit accounts (excluding retirement accounts) of $250,000 or less:[1]			M.1.a.
1. Amount of deposit accounts (excluding retirement accounts) of $250,000 or less	RCONF049	10,118,000	M.1.a.1.
2. Number of deposit accounts (excluding retirement accounts) of $250,000 or less	RCONF050	694886	M.1.a.2.
b. Deposit accounts (excluding retirement accounts) of more than $250,000:[1]			M.1.b.
1. Amount of deposit accounts (excluding retirement accounts) of more than $250,000	RCONF051	8,933,000	M.1.b.1.
2. Number of deposit accounts (excluding retirement accounts) of more than $250,000	RCONF052	20151	M.1.b.2.
c. Retirement deposit accounts of $250,000 or less:[1]			M.1.c.
1. Amount of retirement deposit accounts of $250,000 or less	RCONF045	4,186,000	M.1.c.1.
2. Number of retirement deposit accounts of $250,000 or less	RCONF046	94630	M.1.c.2.
d. Retirement deposit accounts of more than $250,000:[1]			M.1.d.

1. See instructions for averaging methods. For deposit insurance assessment purposes, tangible equity is defined as Tier 1 capital as set forth in the banking agencies' regulatory capital standards and reported in Schedule RC-R, Part I, item 26, except as described in the instructions.
1. The dollar amounts used as the basis for reporting in Memorandum items 1.a through 1.d reflect the deposit insurance limits in effect on the report date.

Dollar amounts in thousands			
1. Amount of retirement deposit accounts of more than $250,000	RCONF047	0	M.1.d.1.
2. Number of retirement deposit accounts of more than $250,000	RCONF048	0	M.1.d.2.
Memorandum item 2 is to be completed by banks with $1 billion or more in total assets. 2. Estimated amount of uninsured deposits in domestic offices of the bank and in insured branches in Puerto Rico and U.S. territories and possessions, including related interest accrued and unpaid (see instructions)[3]	RCON5597	677,000	M.2.
3. Has the reporting institution been consolidated with a parent bank or savings association in that parent bank's or parent savings association's Call Report? If so, report the legal title and FDIC Certificate Number of the parent bank or parent savings association:			M.3.
a. Legal title	TEXTA545	NR	M.3.a.
b. FDIC Certificate Number	RCONA545	0	M.3.b.
4. Dually payable deposits in the reporting institution's foreign branches	RCFNGW43	NR	M.4.
Memorandum items 5 through 12 are to be completed by "large institutions" and "highly complex institutions" as defined in FDIC regulations. 5. Applicable portion of the CECL transitional amount or modified CECL transitional amount that has been added to retained earnings for regulatory capital purposes as of the current report date and is attributable to loans and leases held for investment	RCFDMW53	0	M.5.
6. Criticized and classified items:			M.6.
a. Special mention	RCFDK663	CONF	M.6.a.
b. Substandard	RCFDK664	CONF	M.6.b.
c. Doubtful	RCFDK665	CONF	M.6.c.
d. Loss	RCFDK666	CONF	M.6.d.
7. "Nontraditional 1-4 family residential mortgage loans" as defined for assessment purposes only in FDIC regulations:			M.7.
a. Nontraditional 1-4 family residential mortgage loans	RCFDN025	CONF	M.7.a.
b. Securitizations of nontraditional 1-4 family residential mortgage loans	RCFDN026	CONF	M.7.b.
8. "Higher-risk consumer loans" as defined for assessment purposes only in FDIC regulations:			M.8.
a. Higher-risk consumer loans	RCFDN027	CONF	M.8.a.
b. Securitizations of higher-risk consumer loans	RCFDN028	CONF	M.8.b.
9. "Higher-risk commercial and industrial loans and securities" as defined for assessment purposes only in FDIC regulations:			M.9.
a. Higher-risk commercial and industrial loans and securities	RCFDN029	CONF	M.9.a.
b. Securitizations of higher-risk commercial and industrial loans and securities	RCFDN030	CONF	M.9.b.
10. Commitments to fund construction, land development, and other land loans secured by real estate for the consolidated bank:			M.10.
a. Total unfunded commitments	RCFDK676	0	M.10.a.
b. Portion of unfunded commitments guaranteed or insured by the U.S. government (including the FDIC)	RCFDK677	0	M.10.b.
11. Amount of other real estate owned recoverable from the U.S. government under guarantee or insurance provisions (excluding FDIC loss-sharing agreements)	RCFDK669	0	M.11.
12. Nonbrokered time deposits of more than $250,000 in domestic offices (included in Schedule RC-E, Memorandum item 2.d)	RCONK678	0	M.12.
Memorandum item 13.a is to be completed by "large institutions" and "highly complex institutions" as defined in FDIC regulations. Memorandum items 13.b through 13.h are to be completed by "large institutions" only. 13. Portion of funded loans and securities in domestic and foreign offices guaranteed or insured by the U.S. government (including FDIC loss-sharing agreements):			M.13.
a. Construction, land development, and other land loans secured by real estate	RCFDN177	0	M.13.a.
b. Loans secured by multifamily residential and nonfarm nonresidential properties	RCFDN178	0	M.13.b.
c. Closed-end loans secured by first liens on 1-4 family residential properties	RCFDN179	7,000	M.13.c.
d. Closed-end loans secured by junior liens on 1-4 family residential properties and revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCFDN180	0	M.13.d.
e. Commercial and industrial loans	RCFDN181	0	M.13.e.
f. Credit card loans to individuals for household, family, and other personal expenditures	RCFDN182	0	M.13.f.
g. All other loans to individuals for household, family, and other personal expenditures	RCFDN183	0	M.13.g.
h. Non-agency residential mortgage-backed securities	RCFDM963	0	M.13.h.
Memorandum items 14 and 15 are to be completed by "highly complex institutions" as defined in FDIC regulations. 14. Amount of the institution's largest counterparty exposure	RCFDK673	CONF	M.14.
15. Total amount of the institution's 20 largest counterparty exposures	RCFDK674	CONF	M.15.

3. Uninsured deposits should be estimated based on the deposit insurance limits set forth in Memorandum items 1.a through 1.d.

Dollar amounts in thousands			
Memorandum item 16 is to be completed by "large institutions" and "highly complex institutions" as defined in FDIC regulations. 16. Portion of loans restructured in troubled debt restructurings that are in compliance with their modified terms and are guaranteed or insured by the U.S. government (including the FDIC) (included in Schedule RC-C, part I, Memorandum item 1)	RCFDL189	**3,000**	M.16.
Memorandum item 17 is to be completed on a fully consolidated basis by those "large institutions" and "highly complex institutions" as defined in FDIC regulations that own another insured depository institution. 17. Selected fully consolidated data for deposit insurance assessment purposes:			M.17.
a. Total deposit liabilities before exclusions (gross) as defined in Section 3(l) of the Federal Deposit Insurance Act and FDIC regulations	RCFDL194	**NR**	M.17.a.
b. Total allowable exclusions, including interest accrued and unpaid on allowable exclusions (including foreign deposits)	RCFDL195	**NR**	M.17.b.
c. Unsecured "Other borrowings" with a remaining maturity of one year or less	RCFDL196	**NR**	M.17.c.
d. Estimated amount of uninsured deposits in domestic offices of the institution and in insured branches in Puerto Rico and U.S. territories and possessions, including related interest accrued and unpaid	RCONL197	**NR**	M.17.d.

Schedule RC-P - 1-4 Family Residential Mortgage Banking Activities in Domestic Offices(Form Type - 031)

Schedule RC-P is to be completed by banks at which either 1-4 family residential mortgage loan originations and purchases for resale from all sources, loan sales, or quarter-end loans held for sale or trading in domestic offices exceed $10 million for two consecutive quarters.

Dollar amounts in thousands			
1. Retail originations during the quarter of 1-4 family residential mortgage loans for sale[1]	RCONHT81	0	1.
2. Wholesale originations and purchases during the quarter of 1-4 family residential mortgage loans for sale[2]	RCONHT82	0	2.
3. 1-4 family residential mortgage loans sold during the quarter	RCONFT04	0	3.
4. 1-4 family residential mortgage loans held for sale or trading at quarter-end (included in Schedule RC, items 4.a and 5)	RCONFT05	0	4.
5. Noninterest income for the quarter from the sale, securitization, and servicing of 1-4 family residential mortgage loans (included in Schedule RI, items 5.c, 5.f, 5.g, and 5.i)	RIADHT85	0	5.
6. Repurchases and indemnifications of 1-4 family residential mortgage loans during the quarter	RCONHT86	0	6.
7. Representation and warranty reserves for 1-4 family residential mortgage loans sold:			7.
a. For representations and warranties made to U.S. government agencies and government-sponsored agencies	RCONL191	CONF	7.a.
b. For representations and warranties made to other parties	RCONL192	CONF	7.b.
c. Total representation and warranty reserves (sum of items 7.a and 7.b)	RCONM288	0	7.c.

Schedule RC-Q - Assets and Liabilities Measured at Fair Value on a Recurring Basis(Form Type - 031)

Schedule RC-Q is to be completed by banks that:

(1) Have elected to report financial instruments or servicing assets and liabilities at fair value under a fair value option with changes in fair value recognized in earnings, or (2) Are required to complete Schedule RC-D, Trading Assets and Liabilities.

Dollar amounts in thousands	(Column A) Total Fair Value Reported on Schedule RC	(Column B) LESS: Amounts Netted in the Determination of Total Fair Value	(Column C) Level 1 Fair Value Measurements	(Column D) Level 2 Fair Value Measurements	(Column E) Level 3 Fair Value Measurements	
1. Available-for-sale debt securities and equity securities with readily determinable fair values not held for trading[1]	RCFDJA36 0	RCFDG474 0	RCFDG475 0	RCFDG476 0	RCFDG477 0	1.
2. Federal funds sold and securities purchased under agreements to resell	RCFDG478 0	RCFDG479 0	RCFDG480 0	RCFDG481 0	RCFDG482 0	2.
3. Loans and leases held for sale	RCFDG483 0	RCFDG484 0	RCFDG485 0	RCFDG486 0	RCFDG487 0	3.
4. Loans and leases held for investment	RCFDG488 0	RCFDG489 0	RCFDG490 0	RCFDG491 0	RCFDG492 0	4.
5. Trading assets:						5.
a. Derivative assets	RCFD3543 0	RCFDG493 0	RCFDG494 0	RCFDG495 0	RCFDG496 0	5.a.
b. Other trading assets	RCFDG497 0	RCFDG498 0	RCFDG499 0	RCFDG500 0	RCFDG501 0	5.b.
1. Nontrading securities at fair value with changes in fair value reported in current earnings (included in Schedule RC-Q, item 5.b, above)	RCFDF240 0	RCFDF684 0	RCFDF692 0	RCFDF241 0	RCFDF242 0	5.b.1.

Schedule RC-R Part I - Regulatory Capital Components and Ratios(Form Type - 031)

Part I is to be completed on a consolidated basis.

Dollar amounts in thousands			
1. Common stock plus related surplus, net of treasury stock and unearned employee stock ownership plan (ESOP) shares	RCFAP742	26,000	1.
2. Retained earnings[1]	RCFAKW00	2,158,000	2.
To be completed only by institutions that have adopted ASU 2016-13: a. Does your institution have a CECL transition election in effect as of the quarter-end report date? (enter "0" for No; enter "1" for Yes with a 3-year CECL transition election; enter "2" for Yes with a 5-year 2020 CECL transition election.)	RCOAJJ29	0	2.a.
3. Accumulated other comprehensive income (AOCI)	RCFAB530	0	3.
a. AOCI opt-out election (enter "1" for Yes; enter "0" for No.) (Advanced approaches institutions must enter "0" for No.)	RCOAP838	0	3.a.
4. Common equity tier 1 minority interest includable in common equity tier 1 capital	RCFAP839	0	4.
5. Common equity tier 1 capital before adjustments and deductions (sum of items 1 through 4)	RCFAP840	2,184,000	5.
6. LESS: Goodwill net of associated deferred tax liabilities (DTLs)	RCFAP841	0	6.
7. LESS: Intangible assets (other than goodwill and mortgage servicing assets (MSAs)), net of associated DTLs	RCFAP842	0	7.
8. LESS: Deferred tax assets (DTAs) that arise from net operating loss and tax credit carryforwards, net of any related valuation allowances and net of DTLs	RCFAP843	0	8.
9. AOCI-related adjustments (items 9.a through 9.e are effective January 1, 2015) (if entered "1" for Yes in item 3.a, complete only items 9.a through 9.e; if entered "0" for No in item 3.a, complete only item 9.f):			9.
a. LESS: Net unrealized gains (losses) on available-for-sale debt securities (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP844	NR	9.a.
b. Not applicable.			9.b.
c. LESS: Accumulated net gains (losses) on cash flow hedges (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP846	NR	9.c.
d. LESS: Amounts recorded in AOCI attributed to defined benefit postretirement plans resulting from the initial and subsequent application of the relevant GAAP standards that pertain to such plans (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP847	NR	9.d.
e. LESS: Net unrealized gains (losses) on held-to-maturity securities that are included in AOCI (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP848	NR	9.e.
f. LESS: Accumulated net gain (loss) on cash flow hedges included in AOCI, net of applicable income taxes, that relate to the hedging of items that are not recognized at fair value on the balance sheet (if a gain, report as a positive value; if a loss, report as a negative value) (To be completed only by institutions that entered "0" for No in item 3.a)	RCFAP849	0	9.f.
10. Other deductions from (additions to) common equity tier 1 capital before threshold-based deductions:			10.
a. LESS: Unrealized net gain (loss) related to changes in the fair value of liabilities that are due to changes in own credit risk (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAQ258	0	10.a.
b. LESS: All other deductions from (additions to) common equity tier 1 capital before threshold-based deductions.	RCFAP850	5,000	10.b.

Dollar amounts in thousands	(Column A) Non-advanced Approaches Institutions		(Column B) Advanced Approaches Institutions		
11. LESS: Non-significant investments in the capital of unconsolidated financial institutions in the form of common stock that exceed the 10 percent threshold for non-significant investments			RCFWP851	0	11.
12. Subtotal (for column A, item 5 minus items 6 through 10.b; for column B, item 5 minus items 6 through 11)	RCFAP852	NR	RCFWP852	2,179,000	12.
13. Not available					13.
a. LESS: Investments in the capital of unconsolidated financial institutions, net of associated DTLs, that exceed 25 percent of item 12	RCFALB58	NR			13.a.
b. LESS: Significant investments in the capital of unconsolidated financial institutions in the form of common stock, net of associated DTLs, that exceed the 10 percent common equity tier 1 capital deduction threshold			RCFWP853	0	13.b.
14. Not available					14.
a. LESS: MSAs, net of associated DTLs, that exceed 25 percent of item 12	RCFALB59	NR			14.a.
b. LESS: MSAs, net of associated DTLs, that exceed the 10 percent common equity tier 1 capital deduction threshold			RCFWP854	0	14.b.
15. Not available					15.
a. LESS: DTAs arising from temporary differences that could not be realized through net operating loss carrybacks, net of related valuation allowances and net of DTLs, that exceed 25 percent of item 12	RCFALB60	NR			15.a.
b. LESS: DTAs arising from temporary differences that could not be realized through net operating loss carrybacks, net of related valuation allowances and net of DTLs, that exceed the 10 percent common equity tier 1 capital deduction threshold			RCFWP855	0	15.b.
16. LESS: Amount of significant investments in the capital of unconsolidated financial institutions in the form of common stock, net of associated DTLs; MSAs, net of associated DTLs; and DTAs arising from temporary differences that could not be realized through net operating loss carrybacks, net of related valuation allowances and net of DTLs; that exceeds the 15 percent common equity tier 1 capital deduction threshold			RCFWP856	0	16.
17. LESS: Deductions applied to common equity tier 1 capital due to insufficient amounts of additional tier 1 capital and tier 2 capital to cover deductions	RCFAP857	NR	RCFWP857	0	17.
18. Total adjustments and deductions for common equity tier 1 capital[3]	RCFAP858	NR	RCFWP858	0	18.
19. Common equity tier 1 capital (item 12 minus item 18)	RCFAP859	NR	RCFWP859	2,179,000	19.

Dollar amounts in thousands			
20. Additional tier 1 capital instruments plus related surplus	RCFAP860	0	20.
21. Non-qualifying capital instruments subject to phase out from additional tier 1 capital	RCFAP861	0	21.
22. Tier 1 minority interest not included in common equity tier 1 capital	RCFAP862	0	22.
23. Additional tier 1 capital before deductions (sum of items 20, 21, and 22)	RCFAP863	0	23.
24. LESS: Additional tier 1 capital deductions	RCFAP864	0	24.
25. Additional tier 1 capital (greater of item 23 minus item 24, or zero)	RCFAP865	0	25.
26. Tier 1 capital[1]	RCFA8274	2,179,000	26.
27. Average total consolidated assets[2]	RCFAKW03	25,605,000	27.
28. LESS: Deductions from common equity tier 1 capital and additional tier 1 capital (sum of items 6, 7, 8, 10.b, 13 through 15, 17, and certain elements of item 24 - see instructions)[3]	RCFAP875	5,000	28.
29. LESS: Other deductions from (additions to) assets for leverage ratio purposes	RCFAB596	0	29.
30. Total assets for the leverage ratio (item 27 minus items 28 and 29)	RCFAA224	25,600,000	30.
31. Leverage ratio (item 26 divided by 30)	RCFA7204	8.5117%	31.
a. Does your institution have a community bank leverage ratio (CBLR) framework election in effect as of the quarter-end report date? (enter "1" for Yes; enter "0" for No)	RCOALE74	0	31.a.

1. Institutions that have adopted ASU 2016-13 and have elected to apply the 3-year or the 5-year 2020 CECL transition provision should include the applicable portion of the CECL transitional amount or the modified CECL transitional amount, respectively, in this item.

Dollar amounts in thousands	(Column A) Amount		(Column B) Percentage		
32. Total assets*	RCFA2170	NR			32.
33. Trading assets and trading liabilities (Schedule RC, sum of items 5 and 15). Report as a dollar amount in Column A and as a percentage of total assets (5% limit) in Column B	RCFAKX77	NR	RCFAKX78	NR	33.
34. Off-balance sheet exposures:					34.
a. Unused portion of conditionally cancellable commitments	RCFAKX79	NR			34.a.
b. Securities lent and borrowed (Schedule RC-L, sum of items 6.a and 6.b)	RCFAKX80	NR			34.b.
c. Other off-balance sheet exposures	RCFAKX81	NR			34.c.
d. Total off-balance sheet exposures (sum of items 34.a through 34.c). Report as a dollar amount in Column A and as a percentage of total assets (25% limit) in Column B	RCFAKX82	NR	RCFAKX83	NR	34.d.

Dollar amounts in thousands			
35. Unconditionally cancellable commitments	RCFAS540	NR	35.
36. Investments in the tier 2 capital of unconsolidated financial institutions	RCFALB61	NR	36.
37. Allocated transfer risk reserve	RCFA3128	NR	37.
38. Amount of allowances for credit losses on purchased credit-deteriorated assets:			38.
a. Loans and leases held for investment	RCFAJJ30	NR	38.a.
b. Held-to-maturity debt securities	RCFAJJ31	NR	38.b.
c. Other financial assets measured at amortized cost	RCFAJJ32	NR	38.c.
39. Tier 2 capital instruments plus related surplus	RCFAP866	0	39.
40. Non-qualifying capital instruments subject to phase-out from tier 2 capital	RCFAP867	0	40.
41. Total capital minority interest that is not included in tier 1 capital	RCFAP868	0	41.
42. Allowance for loan and lease losses and eligible credit reserves includable in tier 2 capital			42.
a. Allowance for loan and lease losses includable in tier 2 capital[1]	RCFA5310	10,000	42.a.
b. (Advanced approaches institutions that exit parallel run only): Eligible credit reserves includable in tier 2 capital.	RCFW5310	0	42.b.
43. Not applicable.			43.
44. Tier 2 capital before deductions			44.
a. Tier 2 capital before deductions (sum of items 39 through 42)	RCFAP870	10,000	44.a.
b. (Advanced approaches institutions that exit parallel run only): Tier 2 capital before deductions (sum of items 39 through 41, plus item 42.b)	RCFWP870	0	44.b.
45. LESS: Tier 2 capital deductions	RCFAP872	0	45.
46. Tier 2 capital			46.
a. Tier 2 capital (greater of item 44.a minus item 45, or zero)	RCFA5311	10,000	46.a.
b. (Advanced approaches institutions that exit parallel run only): Tier 2 capital (greater of item 44.b minus item 45, or zero)	RCFW5311	0	46.b.
47. Total capital			47.
a. Total capital (sum of items 26 and 46.a)	RCFA3792	2,189,000	47.a.
b. (Advanced approaches institutions that exit parallel run only): Total capital (sum of items 26 and 46.b)	RCFW3792	2,179,000	47.b.
48. Total risk-weighted assets			48.
a. Total risk-weighted assets (from Schedule RC-R, Part II, item 31)	RCFAA223	5,657,000	48.a.
b. (Advanced approaches institutions that exit parallel run only): Total risk-weighted assets using advanced approaches rule (from FFIEC 101 Schedule A, item 60)	RCFWA223	3,686,000	48.b.

3. Beginning with the June 30, 2020, report date, all non-advanced approaches institutions should report in item 18, column A, the sum of items 13.a, 14.a, 15.a, and 17, column A; all advanced approaches institutions should report in item 18, column B, the sum of items 13.b, 14.b, 15.b, 16, and 17, column B.

1. Beginning with the June 30, 2020, report date, all non-advanced approaches institutions should report the sum of item 19, column A, and item 25 in item 26; all advanced approaches institutions should report the sum of item 19, column B, and item 25 in item 26.

2. Institutions that have adopted ASU 2016-13 and have elected to apply the 3-year or the 5-year 2020 CECL transition provision should include the applicable portion of the CECL transitional amount or the modified CECL transitional amount, respectively, in item 27.

3. Beginning with the June 30, 2020, report date, all non-advanced approaches institutions should report in item 28 the sum of items 6, 7, 8, 10.b, 13.a, 14.a, 15.a, 17 (column A), and certain elements of item 24 - see instructions; all advanced approaches institutions should report in item 28, the sum of items 6, 7, 8, 10.b, 11, 13.b, 14.b, 15.b, 16, 17 (column B), and certain elements of item 24 - see instructions.

Dollar amounts in thousands	(Column A) Percentage		(Column B) Percentage		
49. Common equity tier 1 capital ratio (Column A: item 19, column A or B, as applicable, divided by item 48.a) (Advanced approaches institutions that exit parallel run only: Column B: item 19, column B, divided by item 48.b)	RCFAP793	**38.5186%**	RCFWP793	**59.1156%**	49.
50. Tier 1 capital ratio (Column A: item 26 divided by item 48.a) (Advanced approaches institutions that exit parallel run only: Column B: item 26 divided by item 48.b)	RCFA7206	**38.5186%**	RCFW7206	**59.1156%**	50.
51. Total capital ratio (Column A: item 47.a divided by item 48.a) (Advanced approaches institutions that exit parallel run only: Column B: item 47.b divided by item 48.b)	RCFA7205	**38.6954%**	RCFW7205	**59.1156%**	51.

Dollar amounts in thousands			
52. Institution-specific capital buffer necessary to avoid limitations on distributions and discretionary bonus payments:			52.
a. Capital conservation buffer	RCFAH311	**30.6954%**	52.a.
b. Advanced approaches institutions and institutions subject to Category III capital standards only: Total applicable capital buffer	RCFWH312	**2.5000%**	52.b.
53. Eligible retained income[1]	RCFAH313	**NR**	53.
54. Distributions and discretionary bonus payments during the quarter[2]	RCFAH314	**NR**	54.
55. Advanced approaches institutions and institutions subject to Category III capital standards only: Supplementary leverage ratio information:			55.
a. Total leverage exposure[3]	RCFAH015	**25,600,000**	55.a.
b. Supplementary leverage ratio	RCFAH036	**8.5117%**	55.b.

*. For report dates through December 31, 2021, report the lesser of total assets reported in Schedule RC, item 12, as of December 31, 2019, or the current report date, which must be less than $10 billion.

1. Institutions that have adopted ASU 2016-13 should report the adjusted allowances for credit losses (AACL), as defined in the regulatory capital rule, in item 30.a.

1. Institutions must complete item 53 only if the amount reported in item 52.a above is less than or equal to 2.5000 percent (plus any other applicable buffer if the institution is an advanced approaches institution or a Category III institution).

2. Institutions must complete item 54 only if the amount reported in Schedule RC-R, Part I, item 46.a, in the Call Report for the December 31, 2019, report date was less than or equal to 2.5000 percent (plus any other applicable buffer if the institution is an advanced approaches institution or a Category III institution).

3. Institutions that have adopted ASU 2016-13 and have elected to apply the 3-year or the 5-year 2020 CECL transition provision should include the applicable portion of the CECL transitional amount or the modified CECL transitional amount, respectively, in item 55.a.

Schedule RC-R Part II - Risk-Weighted Assets(Form Type - 031)

Institutions are required to assign a 100 percent risk weight to all assets not specifically assigned a risk weight under Subpart D of the federal banking agencies' regulatory capital rules and not deducted from tier 1 or tier 2 capital.

Federal Financial Institutions Examination Council

Consolidated Reports of Condition and Income for A Bank With Domestic and Foreign Offices - FFIEC 031

Report at the close of business September 30, 2021

(20210930)
(RCON 9999)

This report is required by law: 12 U.S.C. §324 (State member banks); 12 U.S.C. §1817 (State non member banks); 12 U.S.C. §161 (National banks); and 12 U.S.C. §1464 (Savings associations).

Unless the context indicates otherwise, the term "bank" in this report form refers to both banks and savings associations.

NOTE: Each bank's board of directors and senior management are responsible for establishing and maintaining an effective system of internal control, including controls over the Reports of Condition and Income. The Reports of Condition and Income are to be prepared in accordance with federal regulatory authority instructions. The Reports of Condition and Income must be signed by the Chief Financial Officer (CFO) of the reporting bank (or by the individual performing an equivalent function) and attested to by not less than two directors (trustees) for state non member banks and three directors for state member banks, national banks, and savings associations.

I, the undersigned CFO (or equivalent) of the named bank, attest that the Reports of Condition and Income (including the supporting schedules) for this report date have been prepared in conformance with the instructions issued by the appropriate Federal regulatory authority and are true and correct to the best of my knowledge and belief.

We, the undersigned directors (trustees), attest to the correctness of the Reports of Condition and Income (including the supporting schedules) for this report date and declare that the Reports of Condition and Income have been examined by us and to the best of our knowledge and belief have been prepared in conformance with the instructions issued by the appropriate Federal regulatory authority and are true and correct.

Signature of Chief Financial Officer (or Equivalent)

Date of Signature

Director (Trustee)

Director (Trustee)

Director (Trustee)

Submission of Reports

Each bank must file its Reports of Condition and Income (Call Report) data by either:

(a) Using computer software to prepare its Call Report and then submitting the report data directly to the FFIEC's Central Data Repository (CDR), an Internet-based system for datacollection (https://cdr.ffiec.gov/cdr/), or

(b) Completing its Call Report in paper form and arranging with a software vendor or another party to convert the data in to the electronic format that can be processed by the CDR. The software vendor or other party then must electronically submit the bank's data file to the CDR.

For technical assistance with submissions to the CDR, please contact the CDR Help Desk by telephone at (888) CDR-3111, by fax at (703) 774-3946, or by e-mail at CDR.Help@cdr.ffiec.gov.

FDIC Certificate Number **25178** (RSSD 9050)

To fulfill the signature and attestation requirement for the Reports of Condition and Income for this report date, attach your bank's completed signature page (or a photocopy or a computer generated version of this page) to the hard-copy record of the data file submitted to the CDR that your bank must place in its files.

The appearance of your bank's hard-copy record of the submitted data file need not match exactly the appearance of the FFIEC's sample report forms, but should show at least the caption of each Call Report item and the reported amount.

The estimated average burden associated with this information collection is 50.4 hours per respondent and is estimated to vary from 20 to 775 hours per response, depending on individual circumstances. Burden estimates include the time for reviewing instructions, gathering and maintaining data in the required form, and completing the information collection, but exclude the time for compiling and maintaining business records in the normal course of a respondent's activities. A Federal agency may not conduct or sponsor, and an organization (or a person) is not required to respond to a collection of information, unless it displays a currently valid OMB control number. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503, and to one of the following: Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, NW, Washington, DC 20551; Legislative and Regulatory Analysis Division, Office of the Comptroller of the Currency, Washington, DC 20219; Assistant Executive Secretary, Federal Deposit Insurance Corporation, Washington, DC 20429.

Consolidated Reports of Condition and Income for A Bank With Domestic and Foreign Offices - FFIEC 031

Table of Contents

For information or assistance, national banks, state nonmember banks, and savings associations should contact the FDIC's Data Collection and Analysis Section, 550 17th Street, NW, Washington, DC 20429, toll free on (800) 688-FDIC(3342), Monday through Friday between 8:00 a.m. and 5:00 p.m., Eastern Time. State member banks should contact their Federal Reserve District Bank.

For information or assistance, national banks, state nonmember banks, and savings associations should contact the FDIC's Data Collection and Analysis Section, 550 17th Street, NW, Washington, DC 20429, toll free on (800) 688-FDIC(3342), Monday through Friday between 8:00 a.m. and 5:00 p.m., Eastern Time. State member banks should contact their Federal Reserve District Bank.

Contact Information for the Reports of Condition and Income

To facilitate communication between the Agencies and the bank concerning the Reports of Condition and Income, please provide contact information for (1) the Chief Financial Officer (or equivalent) of the bank signing the reports for this quarter, and (2) the person at the bank—other than the Chief Financial Officer (or equivalent)—to whom questions about the reports should be directed. If the Chief Financial Officer (or equivalent) is the primary contact for questions about the reports, please provide contact information for another person at the bank who will serve as a secondary contact for communications between the Agencies and the bank concerning the Reports of Condition and Income. Enter "none" for the contact's e-mail address or fax number if not available. Contact information for the Reports of Condition and Income is for the confidential use of the Agencies and will not be released to the public.

USA PATRIOT Act Section 314(a) Anti-Money Laundering

Contact Information

This information is being requested to identify points-of-contact who are in charge of your bank's USA PATRIOT Act Section 314(a) information requests. Bank personnel listed could be contacted by law enforcement officers or the Financial Crimes Enforcement Network (FinCEN) for additional information related to specific Section 314(a) search requests or other anti-terrorist financing and anti- money laundering matters. Communications sent by FinCEN to the bank for purposes other than Section 314(a) notifications will state the intended purpose and should be directed to the appropriate bank personnel for review. Any disclosure of customer records to law enforcement officers or FinCEN must be done in compliance with applicable law, including the Right to Financial Privacy Act (12 U.S.C. 3401 et seq.).

Please provide information for a primary and secondary contact. Information for a third and fourth contact may be provided at the bank's option. Enter "none" for the contact's e-mail address if not available. This contact information is for the confidential use of the Agencies, FinCEN, and law enforcement officers and will not be released to the public.

10. Income (loss) before discontinued operations (item 8.c minus item 9)	RIAD4300	100,000	10.
11. Discontinued operations, net of applicable income taxes (Describe on Schedule RI-E - Explanations)*	RIADFT28	0	11.
12. Net income (loss) attributable to bank and noncontrolling (minority) interests (sum of items 10 and 11)	RIADG104	100,000	12.
13. LESS: Net income (loss) attributable to noncontrolling (minority) interests (if net income, report as a positive value; if net loss, report as a negative value)	RIADG103	0	13.
14. Net income (loss) attributable to bank (item 12 minus item 13)	RIAD4340	100,000	14.
1. Interest expense incurred to carry tax-exempt securities, loans, and leases acquired after August 7, 1986, that is not deductible for federal income tax purposes	RIAD4513	0	M.1.
Memorandum item 2 is to be completed by banks with $1 billion or more in total assets 2. Income from the sale and servicing of mutual funds and annuities in domestic offices (included in Schedule RI, item 8)	RIAD8431	0	M.2.
3. Income on tax-exempt loans and leases to states and political subdivisions in the U.S. (included in Schedule RI, items 1.a and 1.b)	RIAD4313	0	M.3.
4. Income on tax-exempt securities issued by states and political subdivisions in the U.S. (included in Schedule RI, item 1.d.(3))	RIAD4507	0	M.4.
5. Number of full-time equivalent employees at end of current period (round to nearest whole number)	RIAD4150	0	M.5.
6. Not applicable			M.6.

3. For banks required to complete Schedule RI, Memorandum item 8, trading revenue reported in Schedule RI, item 5.c, must equal the sum of Memorandum items 8.a through 8.e.
4. Exclude net gains (losses) on sales of trading assets and held-to-maturity and available-for-sale debt securities.
*. Describe on Schedule RI-E—Explanations.
5. Item 8.b is to be completed by all institutions. See the instructions this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.

Dollar amounts in thousands			
7. If the reporting institution has applied pushdown accounting this calendar year, report the date of the institution's acquisition (see instructions)[2]	RIAD9106	0	M.7.
8. Trading revenue (from cash instruments and derivative instruments) (sum of Memorandum items 8.a through 8.e must equal Schedule RI, item 5.c):			M.8.
Memorandum items 8.a through 8.e are to be completed by banks that reported average trading assets (Schedule RC-K, item 7) of $2 million or more for any quarter of the preceding calendar year. a. Interest rate exposures	RIAD8757	NR	M.8.a.
b. Foreign exchange exposures	RIAD8758	NR	M.8.b.
c. Equity security and index exposures	RIAD8759	NR	M.8.c.
d. Commodity and other exposures	RIAD8760	NR	M.8.d.
e. Credit exposures	RIADF186	NR	M.8.e.
Memorandum items 8.f through 8.h are to be completed by banks with $100 billion or more in total assets that are required to complete Schedule RI, Memorandum items 8.a through 8.e, above. f. Impact on trading revenue of changes in the creditworthiness of the bank's derivatives counterparties on the bank's derivative assets (year-to-date changes) (included in Memorandum items 8.a through 8.e above):			M.8.f.
1. Gross credit valuation adjustment (CVA)	RIADFT36	NR	M.8.f.1.
2. CVA hedge	RIADFT37	NR	M.8.f.2.
g. Impact on trading revenue of changes in the creditworthiness of the bank on the bank's derivative liabilities (year-to-date changes) (included in Memorandum items 8.a through 8.e above):			M.8.g.
1. Gross debit valuation adjustment (DVA)	RIADFT38	NR	M.8.g.1.
2. DVA hedge	RIADFT39	NR	M.8.g.2.
h. Gross trading revenue, before including positive or negative net CVA and net DVA	RIADFT40	NR	M.8.h.
9. Net gains (losses) recognized in earnings on credit derivatives that economically hedge credit exposures held outside the trading account:			M.9.
a. Net gains (losses) on credit derivatives held for trading	RIADC889	0	M.9.a.
b. Net gains (losses) on credit derivatives held for purposes other than trading	RIADC890	0	M.9.b.
10. Credit losses on derivatives (see instructions)	RIADA251	0	M.10.
11. Does the reporting bank have a Subchapter S election in effect for federal income tax purposes for the current tax year?	RIADA530	No	M.11.
Memorandum item 12 is to be completed by banks that are required to complete Schedule RC-C, Part I, Memorandum items 8.b and 8.c and is to be completed semiannually in the June and December reports only. 12. Noncash income from negative amortization on closed-end loans secured by 1-4 family residential properties (included in Schedule RI, item 1.a.(1)(a)(1))	RIADF228	NR	M.12.
Memorandum item 13 is to be completed by banks that have elected to account for assets and liabilities under a fair value option. 13. Net gains (losses) recognized in earnings on assets and liabilities that are reported at fair value under a fair value option:			M.13.
a. Net gains (losses) on assets	RIADF551	NR	M.13.a.
1. Estimated net gains (losses) on loans attributable to changes in instrument-specific credit risk	RIADF552	NR	M.13.a.1.
b. Net gains (losses) on liabilities	RIADF553	NR	M.13.b.
1. Estimated net gains (losses) on liabilities attributable to changes in instrument-specific credit risk	RIADF554	NR	M.13.b.1.
14. Other-than-temporary impairment losses on held-to-maturity and available-for-sale debt securities[2]	RIADJ321	NR	M.14.
Memorandum item 15 is to be completed by institutions with $1 billion or more in total assets that answered "Yes" to Schedule RC-E, Part I, Memorandum item 5. 15. Components of service charges on deposit accounts in domestic offices (sum of Memorandum items 15.a through 15.d must equal Schedule RI, item 5.b):			M.15.
a. Consumer overdraft-related service charges levied on those transaction account and nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use	RIADH032	0	M.15.a.
b. Consumer account periodic maintenance charges levied on those transaction account and nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use	RIADH033	0	M.15.b.
c. Consumer customer automated teller machine (ATM) fees levied on those transaction account and nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use	RIADH034	0	M.15.c.
d. All other service charges on deposit accounts	RIADH035	0	M.15.d.

2. Report the date in YYYYMMDD format. For example, a bank acquired on March 1, 2019, would report 20190301.
2. Memorandum item 14 is to be completed only by institutions that have not adopted ASU 2016-13.

Schedule RI-A - Changes in Bank Equity Capital(Form Type - 031)

Dollar amounts in thousands			
1. Total bank equity capital most recently reported for the December 31, 2020, Reports of Condition and Income (i.e., after adjustments from amended Reports of Income)	RIAD3217	2,121,000	1.
2. Cumulative effect of changes in accounting principles and corrections of material accounting errors*	RIADB507	0	2.
3. Balance end of previous calendar year as restated (sum of items 1 and 2)	RIADB508	2,121,000	3.
4. Net income (loss) attributable to bank (must equal Schedule RI, item 14)	RIAD4340	100,000	4.
5. Sale, conversion, acquisition, or retirement of capital stock, net (excluding treasury stock transactions)	RIADB509	0	5.
6. Treasury stock transactions, net	RIADB510	0	6.
7. Changes incident to business combinations, net	RIAD4356	0	7.
8. LESS: Cash dividends declared on preferred stock	RIAD4470	0	8.
9. LESS: Cash dividends declared on common stock	RIAD4460	29,000	9.
10. Other comprehensive income[1]	RIADB511	0	10.
11. Other transactions with stockholders (including a parent holding company) (not included in items 5, 6, 8, or 9 above)*	RIAD4415	0	11.
12. Total bank equity capital end of current period (sum of items 3 through 11) (must equal Schedule RC, item 27.a)	RIAD3210	2,192,000	12.

*. Describe on Schedule RI-E—Explanations

1. Includes, but is not limited to, changes in net unrealized holding gains (losses) on available-for-sale debt securities, changes in accumulated net gains (losses) on cash flow hedges, foreign currency translation adjustments, and pension and other postretirement plan-related changes other than net periodic benefit cost.

Schedule RI-B Part I - Charge-offs and Recoveries on Loans and Leases(Form Type - 031)

Part I includes charge-offs and recoveries through the allocated transfer risk reserve.

Dollar amounts in thousands	(Column A) Charge-offs Calendar year-to-date		(Column B) Recoveries Calendar year-to-date		
1. Loans secured by real estate:					1.
a. Construction, land development, and other land loans in domestic offices:					1.a.
1. 1-4 family residential construction loans	RIADC891	0	RIADC892	0	1.a.1.
2. Other construction loans and all land development and other land loans	RIADC893	0	RIADC894	0	1.a.2.
b. Secured by farmland in domestic offices	RIAD3584	0	RIAD3585	0	1.b.
c. Secured by 1-4 family residential properties in domestic offices:					1.c.
1. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RIAD5411	0	RIAD5412	0	1.c.1.
2. Closed-end loans secured by 1-4 family residential properties:					1.c.2.
a. Secured by first liens	RIADC234	1,000	RIADC217	2,000	1.c.2.a.
b. Secured by junior liens	RIADC235	0	RIADC218	0	1.c.2.b.
d. Secured by multifamily (5 or more) residential properties in domestic offices	RIAD3588	0	RIAD3589	0	1.d.
e. Secured by nonfarm nonresidential properties in domestic offices:					1.e.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RIADC895	0	RIADC896	0	1.e.1.
2. Loans secured by other nonfarm nonresidential properties	RIADC897	0	RIADC898	0	1.e.2.
f. In foreign offices	RIADB512	NR	RIADB513	NR	1.f.
2. Not applicable					2.
3. Loans to finance agricultural production and other loans to farmers	RIAD4655	0	RIAD4665	0	3.
4. Commercial and industrial loans:					4.
a. To U.S. addressees (domicile)	RIAD4645	0	RIAD4617	0	4.a.
b. To non-U.S. addressees (domicile)	RIAD4646	0	RIAD4618	0	4.b.
5. Loans to individuals for household, family, and other personal expenditures:					5.
a. Credit cards	RIADB514	0	RIADB515	0	5.a.
b. Automobile loans	RIADK129	0	RIADK133	0	5.b.
c. Other (includes revolving credit plans other than credit cards and other consumer loans)	RIADK205	0	RIADK206	0	5.c.
6. Loans to foreign governments and official institutions	RIAD4643	0	RIAD4627	0	6.
7. All other loans	RIAD4644	0	RIAD4628	0	7.
8. Lease financing receivables:					8.
a. Leases to individuals for household, family, and other personal expenditures	RIADF185	0	RIADF187	0	8.a.
b. All other leases	RIADC880	0	RIADF188	0	8.b.
9. Total (sum of items 1 through 8)	RIAD4635	1,000	RIAD4605	2,000	9.
1. Loans to finance commercial real estate, construction, and land development activities (not secured by real estate) included in Schedule RI-B, part I, items 4 and 7, above	RIAD5409	0	RIAD5410	0	M.1.
2. Loans secured by real estate to non-U.S. addressees (domicile) (included in Schedule RI-B, part I, item 1, above)	RIAD4652	0	RIAD4662	0	M.2.
3. Not applicable					M.3.

Dollar amounts in thousands			
Memorandum item 4 is to be completed by banks that (1) together with affiliated institutions, have outstanding credit card receivables (as defined in the instructions) that exceed $500 million as of the report date, or (2) are credit card specialty banks as defined for Uniform Bank Performance Report purposes. 4. Uncollectible retail credit card fees and finance charges reversed against income (i.e., not included in charge-offs against the allowance for loan and lease losses)[2]	RIADC388	NR	M.4.

2. Institutions that have adopted ASU 2016-13 should report in Memorandum item 4 uncollectible retail credit card fees and finance charges reversed against income (i.e. not included in charge-offs against the allowance for credit losses on loans and leases).

Schedule RI-B Part II - Changes in Allowances for Credit Losses(Form Type - 031)

Dollar amounts in thousands	(Column A) Loans and Leases Held for Investment		(Column B) Held-to-maturity Debt Securities		(Column C) Available-for-sale Debt Securities		
1. Balance most recently reported for the December 31, 2020, Reports of Condition and Income (i.e., after adjustments from amended Reports of Income)......	RIADB522	13,000	RIADJH88	0	RIADJH94	0	1.
2. Recoveries (column A must equal Part I, item 9, column B, above)......	RIAD4605	2,000	RIADJH89	0	RIADJH95	0	2.
3. LESS: Charge-offs (column A must equal Part I, item 9, column A, above less Schedule RI-B, Part II, item 4, column A)......	RIADC079	1,000	RIADJH92	0	RIADJH98	0	3.
4. LESS: Write-downs arising from transfers of financial assets[3]......	RIAD5523	0	RIADJJ00	0	RIADJJ01	0	4.
5. Provisions for credit losses[4]......	RIAD4230	-5,000	RIADJH90	0	RIADJH96	0	5.
6. Adjustments* (see instructions for this schedule)[*]......	RIADC233	0	RIADJH91	0	RIADJH97	0	6.
7. Balance end of current period (sum of items 1, 2, 5, and 6, less items 3 and 4) (column A must equal Schedule RC, item 4.c)......	RIAD3123	9,000	RIADJH93	0	RIADJH99	0	7.

Dollar amounts in thousands			
1. Allocated transfer risk reserve included in Schedule RI-B, Part II, item 7, column A, above......	RIADC435	0	M.1.
Memorandum items 2 and 3 are to be completed by banks that (1) together with affiliated institutions, have outstanding credit card receivables (as defined in the instructions) that exceed $500 million as of the report date, or (2) are credit card specialty banks as defined for Uniform Bank Performance Report purposes. 2. Separate valuation allowance for uncollectible retail credit card fees and finance charges......	RIADC389	NR	M.2.
3. Amount of allowance for loan and lease losses attributable to retail credit card fees and finance charges[1]......	RIADC390	NR	M.3.
4. Amount of allowance for post-acquisition credit losses on purchased credit-impaired loans accounted for in accordance with FASB ASC 310-30 (former AICPA Statement of Position 03-3) (included in Schedule RI-B, Part II, item 7, column A, above)[2]......	RIADC781	NR	M.4.
5. Provisions for credit losses on other financial assets measured at amortized cost (not included in item 5, above)[3]...	RIADJJ02	0	M.5.
6. Allowance for credit losses on other financial assets measured at amortized cost (not included in item 7, above)[3]...	RCFDJJ03	0	M.6.
7. Provisions for credit losses on off-balance-sheet credit exposures[3]......	RIADMG93	0	M.7.
8. Estimated amount of expected recoveries of amounts previously written off included within the allowance for credit losses on loans and leases held for investment (included in item 7, column A, "Balance end of current period," above)[3]......	RIADMG94	30,000	M.8.

3. Institutions that have not yet adopted ASU 2016-13 should report write-downs arising from transfers of loans to a held-for-sale account in item 4, column A.
4. Institutions that have not yet adopted ASU 2016-13 should report the provision for loan and lease losses in item 5, column A and the amount reported must equal Schedule RI, item 4.
*. Describe on Schedule RI-E - Explanations.
1. Institutions that have adopted ASU 2016-13 should report in Memorandum item 3 the amount of allowance for credit losses on loans and leases attributable to retail credit card fees and finance charges.
2. Memorandum item 4 is to be completed only by institutions that have not yet adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.
3. Memorandum items 5, 6, 7, and 8 are to be completed only by institutions that have adopted ASU 2016-13.

Schedule RI-C Part I - Disaggregated Data on the Allowance for Loan and Lease Losses(Form Type - 031)

Schedule RI-C is to be completed by institutions with $1 billion or more in total assets.

Dollar amounts in thousands	(Column A) Recorded Investment: Individually Evaluated for Impairment and Determined to be Impaired (ASC 310-10-35)	(Column B) Allowance Balance: Individually Evaluated for Impairment and Determined to be Impaired (ASC 310-10-35)	(Column C) Recorded Investment: Collectively Evaluated for Impairment (ASC 450-20)	(Column D) Allowance Balance: Collectively Evaluated for Impairment (ASC 450-20)	(Column E) Recorded Investment: Purchased Credit-Impaired Loans (ASC 310-30)	(Column F) Allowance Balance: Purchased Credit-Impaired Loans (ASC 310-30)	
1. Real estate loans:							1.
a. Construction loans	RCFDM708 NR	RCFDM709 NR	RCFDM710 NR	RCFDM711 NR	RCFDM712 NR	RCFDM713 NR	1.a.
b. Commercial real estate loans	RCFDM714 NR	RCFDM715 NR	RCFDM716 NR	RCFDM717 NR	RCFDM719 NR	RCFDM720 NR	1.b.
c. Residential real estate loans	RCFDM721 NR	RCFDM722 NR	RCFDM723 NR	RCFDM724 NR	RCFDM725 NR	RCFDM726 NR	1.c.
2. Commercial loans[3]	RCFDM727 NR	RCFDM728 NR	RCFDM729 NR	RCFDM730 NR	RCFDM731 NR	RCFDM732 NR	2.
3. Credit cards	RCFDM733 NR	RCFDM734 NR	RCFDM735 NR	RCFDM736 NR	RCFDM737 NR	RCFDM738 NR	3.
4. Other consumer loans	RCFDM739 NR	RCFDM740 NR	RCFDM741 NR	RCFDM742 NR	RCFDM743 NR	RCFDM744 NR	4.
5. Unallocated, if any				RCFDM745 NR			5.
6. Total (for each column, sum of items 1.a through 5)[4]	RCFDM746 NR	RCFDM747 NR	RCFDM748 NR	RCFDM749 NR	RCFDM750 NR	RCFDM751 NR	6.

3. Include all loans and leases not reported as real estate loans, credit cards, or other consumer loans in items 1, 3, or 4 of Schedule RI-C.
4. The sum of item 6, columns B, D, and F, must equal Schedule RC, item 4.c. Item 6, column E, must equal Schedule RC-C, Part I, Memorandum item 7.b. Item 6, column F, must equal Schedule RI-B, Part II, Memorandum item 4.

Schedule RI-C Part II - Disaggregated Data on the Allowances for Credit Losses(Form Type - 031)

Dollar amounts in thousands	(Column A) Amortized Cost		(Column B) Allowance Balance		
1. Real estate loans:					1.
a. Construction loans	RCFDJJ04	0	RCFDJJ12	0	1.a.
b. Commercial real estate loans	RCFDJJ05	0	RCFDJJ13	0	1.b.
c. Residential real estate loans	RCFDJJ06	13,690,000	RCFDJJ14	9,000	1.c.
2. Commercial loans[3]	RCFDJJ07	0	RCFDJJ15	0	2.
3. Credit cards	RCFDJJ08	0	RCFDJJ16	0	3.
4. Other consumer loans	RCFDJJ09	0	RCFDJJ17	0	4.
5. Unallocated, if any			RCFDJJ18	0	5.
6. Total (sum of items 1.a. through 5)[4]	RCFDJJ11	13,690,000	RCFDJJ19	9,000	6.

Dollar amounts in thousands			
7. Securities issued by states and political subdivisions in the U.S.	RCFDJJ20	0	7.
8. Mortgage-backed securities (MBS) (including CMOs, REMICs, and stripped MBS)	RCFDJJ21	0	8.
9. Asset-backed securities and structured financial products	RCFDJJ23	0	9.
10. Other debt securities	RCFDJJ24	0	10.
11. Total (sum of items 7 through 10)[5]	RCFDJJ25	0	11.

Schedule RI-D - Income from Foreign Offices(Form Type - 031)

For all banks with foreign offices (including Edge or Agreement subsidiaries and IBFs) and total foreign office assets of $10 billion or more where foreign office revenues, assets, or net income exceed 10 percent of consolidated total revenues, total assets, or net income.

Dollar amounts in thousands			
1. Total interest income in foreign offices	RIADC899	NR	1.
2. Total interest expense in foreign offices	RIADC900	NR	2.
3. Provision for loan and lease losses in foreign offices[1]	RIADKW02	NR	3.
4. Noninterest income in foreign offices:			4.
a. Trading revenue	RIADC902	NR	4.a.
b. Investment banking, advisory, brokerage, and underwriting fees and commissions	RIADC903	NR	4.b.
c. Net securitization income	RIADC904	NR	4.c.
d. Other noninterest income	RIADC905	NR	4.d.
5. Realized gains (losses) on held-to-maturity and available-for-sale debt securities and change in net unrealized holding gains (losses) on equity securities not held for trading in foreign offices	RIADJA28	NR	5.
6. Total noninterest expense in foreign offices	RIADC907	NR	6.
7. Adjustments to pretax income in foreign offices for internal allocations to foreign offices to reflect the effects of equity capital on overall bank funding costs	RIADC908	NR	7.
8. Applicable income taxes (on items 1 through 7)	RIADC909	NR	8.
9. Discontinued operations, net of applicable income taxes, in foreign offices	RIADGW64	NR	9.
10. Net income attributable to foreign offices before internal allocations of income and expense (item 1 plus or minus items 2 through 9)	RIADC911	NR	10.
11. Not applicable			11.
12. Eliminations arising from the consolidation of foreign offices with domestic offices	RIADC913	NR	12.
13. Consolidated net income attributable to foreign offices (sum of items 10 and 12)	RIADC914	NR	13.

3. Include all loans and leases not reported as real estate loans, credit cards, or other consumer loans in item 1, 3, or 4 of Schedule RI-C, Part II.
4. Item 6, column B must equal schedule RC, item 4.c.
5. Item 11 must equal Schedule RI-B, Part II, item 7, column B.
1. Institutions that have adopted ASU 2016-13 should report the provisions for credit losses in foreign offices for all financial assets and off-balance-sheet credit exposures that fall within the scope of the standard in item 3.

Schedule RI-E - Explanations (Form Type - 031)

Schedule RI-E is to be completed each quarter on a calendar year-to-date basis.

Detail all adjustments in Schedule RI-A and RI-B, all extraordinary items and other adjustments in Schedule RI, and all significant items of other noninterest income and other noninterest expense in Schedule RI. (See instructions for details.)

Dollar amounts in thousands			
1. Other noninterest income (from Schedule RI, item 5.l) Itemize and describe amounts greater than $100,000 that exceed 7 percent of Schedule RI, item 5.l:			1.
a. Income and fees from the printing and sale of checks	RIADC013	0	1.a.
b. Earnings on/increase in value of cash surrender value of life insurance	RIADC014	0	1.b.
c. Income and fees from automated teller machines (ATMs)	RIADC016	0	1.c.
d. Rent and other income from other real estate owned	RIAD4042	0	1.d.
e. Safe deposit box rent	RIADC015	0	1.e.
f. Bank card and credit card interchange fees	RIADF555	0	1.f.

(TEXT4521) Write-off of PCI Loans

(TEXT4522) Other adjustments

1. Only institutions that have adopted ASU 2016-13 should report amounts in items 4.a, 6.a and 6.b, if applicable.
3. Institutions that have not adopted ASU 2016-13 should report the allowance for loan and lease losses in item 6, where applicable.
1. Only institutions that have adopted ASU 2016-13 should report amounts in items 4.a, 6.a and 6.b, if applicable.
1. Only institutions that have adopted ASU 2016-13 should report amounts in items 4.a, 6.a and 6.b, if applicable.

Schedule RC - Balance Sheet(Form Type - 031)

All schedules are to be reported in thousands of dollars. Unless otherwise indicated, report the amount outstanding as of the last business day of the quarter.

Dollar amounts in thousands			
1. Cash and balances due from depository institutions (from Schedule RC-A):			1.
a. Noninterest-bearing balances and currency and coin[1]	RCFD0081	53,000	1.a.
b. Interest-bearing balances[2]	RCFD0071	12,785,000	1.b.
2. Securities:			2.
a. Held-to-maturity securities (from Schedule RC-B, column A)[3]	RCFDJJ34	0	2.a.
b. Available-for-sale debt securities (from Schedule RC-B, column D)	RCFD1773	0	2.b.
c. Equity securities with readily determinable fair values not held for trading[4]	RCFDJA22	0	2.c.
3. Federal funds sold and securities purchased under agreements to resell:			3.
a. Federal funds sold in domestic offices	RCONB987	0	3.a.
b. Securities purchased under agreements to resell[5]	RCFDB989	0	3.b.
4. Loans and lease financing receivables (from Schedule RC-C):			4.
a. Loans and leases held for sale	RCFD5369	0	4.a.
b. Loans and leases held for investment	RCFDB528	13,690,000	4.b.
c. LESS: Allowance for loan and lease losses[7]	RCFD3123	9,000	4.c.
d. Loans and leases held for investment, net of allowance (item 4.b minus 4.c)	RCFDB529	13,681,000	4.d.
5. Trading assets (from Schedule RC-D)	RCFD3545	0	5.
6. Premises and fixed assets (including capitalized leases)	RCFD2145	0	6.
7. Other real estate owned (from Schedule RC-M)	RCFD2150	1,000	7.
8. Investments in unconsolidated subsidiaries and associated companies	RCFD2130	0	8.
9. Direct and indirect investments in real estate ventures	RCFD3656	0	9.
10. Intangible assets (from Schedule RC-M)	RCFD2143	0	10.
11. Other assets (from Schedule RC-F)[6]	RCFD2160	112,000	11.
12. Total assets (sum of items 1 through 11)	RCFD2170	26,632,000	12.
13. Deposits:			13.
a. In domestic offices (sum of totals of columns A and C from Schedule RC-E, part I)	RCON2200	24,164,000	13.a.
1. Noninterest-bearing[8]	RCON6631	0	13.a.1.
2. Interest-bearing	RCON6636	24,164,000	13.a.2.
b. In foreign offices, Edge and Agreement subsidiaries, and IBFs (from Schedule RC-E, part II)	RCFN2200	NR	13.b.
1. Noninterest-bearing	RCFN6631	NR	13.b.1.
2. Interest-bearing	RCFN6636	NR	13.b.2.
14. Federal funds purchased and securities sold under agreements to repurchase:			14.
a. Federal funds purchased in domestic offices[9]	RCONB993	0	14.a.
b. Securities sold under agreements to repurchase[10]	RCFDB995	0	14.b.
15. Trading liabilities (from Schedule RC-D)	RCFD3548	0	15.
16. Other borrowed money (includes mortgage indebtedness and obligations under capitalized leases) (from Schedule RC-M)	RCFD3190	250,000	16.
17. Not applicable			17.
18. Not applicable			18.
19. Subordinated notes and debentures[1]	RCFD3200	0	19.

1. Includes cash items in process of collection and unposted debits.
2. Includes time certificates of deposit not held for trading.
3. Institutions that have adopted ASU 2016-13 should report in item 2.a, amounts net of any applicable allowance for credit losses, and should equal to Schedule RC-B, item 8, column A less Schedule RI-B, Part II, item 7, column B.
4. Item 2.c is to be completed by all institutions. See the instructions for this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.
5. Includes all securities resale agreements, regardless of maturity.
7. Institutions that have adopted ASU 2016-13 should report in item 4.c the allowance for credit losses on loans and leases.
6. Institutions that have adopted ASU 2016-13 should report in items 3.b and 11 amounts net of any applicable allowance for credit losses.
8. Includes noninterest-bearing demand, time, and savings deposits.
9. Report overnight Federal Home Loan Bank advances in Schedule RC, item 16, "Other borrowed money."
10. Includes all securities repurchase agreements, regardless of maturity.
1. Includes limited-life preferred stock and related surplus.

Dollar amounts in thousands			
20. Other liabilities (from Schedule RC-G)	RCFD2930	26,000	20.
21. Total liabilities (sum of items 13 through 20)	RCFD2948	24,440,000	21.
22. Not applicable			22.
23. Perpetual preferred stock and related surplus	RCFD3838	0	23.
24. Common stock	RCFD3230	22,000	24.
25. Surplus (exclude all surplus related to preferred stock)	RCFD3839	4,000	25.
26. Not available			26.
a. Retained earnings	RCFD3632	2,166,000	26.a.
b. Accumulated other comprehensive income[2]	RCFDB530	0	26.b.
c. Other equity capital components[3]	RCFDA130	0	26.c.
27. Not available			27.
a. Total bank equity capital (sum of items 23 through 26.c)	RCFD3210	2,192,000	27.a.
b. Noncontrolling (minority) interests in consolidated subsidiaries	RCFD3000	0	27.b.
28. Total equity capital (sum of items 27.a and 27.b)	RCFDG105	2,192,000	28.
29. Total liabilities and equity capital (sum of items 21 and 28)	RCFD3300	26,632,000	29.
1. Indicate in the box at the right the number of the statement below that best describes the most comprehensive level of auditing work performed for the bank by independent external auditors as of any date during 2020	RCFD6724	NR	M.1.
2. Bank's fiscal year-end date (report the date in MMDD format)	RCON8678	NR	M.2.

Schedule RC-A - Cash and Balances Due From Depository Institutions(Form Type - 031)

Exclude assets held for trading.

Dollar amounts in thousands	(Column A) Consolidated Bank		(Column B) Domestic Offices		
1. Cash items in process of collection, unposted debits, and currency and coin	RCFD0022	0			1.
a. Cash items in process of collection and unposted debits			RCON0020	0	1.a.
b. Currency and coin			RCON0080	0	1.b.
2. Balances due from depository institutions in the U.S.	RCFD0082	53,000	RCON0082	53,000	2.
3. Balances due from banks in foreign countries and foreign central banks	RCFD0070	0	RCON0070	0	3.
4. Balances due from Federal Reserve Banks	RCFD0090	12,785,000	RCON0090	12,785,000	4.
5. Total	RCFD0010	12,838,000	RCON0010	12,838,000	5.

2. Includes, but is not limited to, net unrealized holding gains (losses) on available-for-sale securities, accumulated net gains (losses) on cash flow hedges, cumulative foreign currency translation adjustments, and accumulated defined benefit pension and other postretirement plan adjustments.
3. Includes treasury stock and unearned Employee Stock Ownership Plan shares.

Schedule RC-B - Securities(Form Type - 031)

Exclude assets held for trading.

Dollar amounts in thousands	(Column A) Held-to-maturity Amortized Cost		(Column B) Held-to-maturity Fair Value		(Column C) Available-for-sale Amortized Cost		(Column D) Available-for-sale Fair Value

1. To U.S. addressees (domicile)	RCFDK163	0	M.1.e.1.
2. To non-U.S. addressees (domicile)	RCFDK164	0	M.1.e.2.
f. All other loans (include loans to individuals for household, family, and other personal expenditures)	RCFDK165	0	M.1.f.
Itemize loan categories included in Memorandum item 1.f, above that exceed 10 percent of total loans restructured in troubled debt restructurings that are in compliance with their modified terms (sum of Memorandum items 1.a through 1.f): 1. Loans secured by farmland in domestic offices	RCONK166	0	M.1.f.1.
2. Not applicable			M.1.f.2.
3. Loans to finance agricultural production and other loans to farmers	RCFDK168	0	M.1.f.3.
4. Loans to individuals for household, family, and other personal expenditures:			M.1.f.4.
a. Credit cards	RCFDK098	0	M.1.f.4.a.
b. Automobile loans	RCFDK203	0	M.1.f.4.b.
c. Other (includes revolving credit plans other than credit cards and other consumer loans)	RCFDK204	0	M.1.f.4.c.
g. Total loans restructured in troubled debt restructurings that are in compliance with their modified terms (sum of Memorandum items 1.a.(1) through 1.f)	RCFDHK25	132,000	M.1.g.
2. Maturity and repricing data for loans and leases (excluding those in nonaccrual status):			M.2.
a. Closed-end loans secured by first liens on 1-4 family residential properties in domestic offices (reported in Schedule RC-C, part I, item 1.c.(2)(a), column B) with a remaining maturity or next repricing date of:			M.2.a.
1. Three months or less	RCONA564	361,000	M.2.a.1.
2. Over three months through 12 months	RCONA565	518,000	M.2.a.2.
3. Over one year through three years	RCONA566	707,000	M.2.a.3.
4. Over three years through five years	RCONA567	717,000	M.2.a.4.
5. Over five years through 15 years	RCONA568	3,200,000	M.2.a.5.
6. Over 15 years	RCONA569	8,069,000	M.2.a.6.
b. All loans and leases (reported in Schedule RC-C, part I, items 1 through 10, column A) EXCLUDING closed-end loans secured by first liens on 1-4 family residential properties in domestic offices (reported in Schedule RC-C, part I, item 1.c.(2)(a), column B) with a remaining maturity or next repricing date of:			M.2.b.
1. Three months or less	RCFDA570	0	M.2.b.1.
2. Over three months through 12 months	RCFDA571	0	M.2.b.2.
3. Over one year through three years	RCFDA572	0	M.2.b.3.
4. Over three years through five years	RCFDA573	0	M.2.b.4.
5. Over five years through 15 years	RCFDA574	0	M.2.b.5.
6. Over 15 years	RCFDA575	0	M.2.b.6.
c. Loans and leases (reported in Schedule RC-C, part I, items 1 through 10, column A) with a REMAINING MATURITY of one year or less (excluding those in nonaccrual status)	RCFDA247	1,000	M.2.c.
3. Loans to finance commercial real estate, construction, and land development activities (not secured by real estate) included in Schedule RC-C, part I, items 4 and 9, column A[4]	RCFD2746	0	M.3.
4. Adjustable rate closed-end loans secured by first liens on 1-4 family residential properties in domestic offices (included in Schedule RC-C, part I, item 1.c.(2)(a), column B)	RCON5370	3,778,000	M.4.
5. Loans secured by real estate to non-U.S. addressees (domicile) (included in Schedule RC-C, Part I, item 1, column A, or Schedule RC-C, Part I, items 1.a.(1) through 1.e.(2), column A, as appropriate)	RCFDB837	49,000	M.5.
Memorandum item 6 is to be completed by banks that (1) together with affiliated institutions, have outstanding credit card receivables (as defined in the instructions) that exceed $500 million as of the report date, or (2) are credit card specialty banks as defined for Uniform Bank Performance Report purposes. 6. Outstanding credit card fees and finance charges included in Schedule RC-C, part I, item 6.a, column A	RCFDC391	NR	M.6.

4. Exclude loans secured by real estate that are included in Schedule RC-C, Part I, item 1, column A.

Dollar amounts in thousands			
Memorandum items 7.a and 7.b are to be completed by all banks semiannually in the June and December reports only. 7. Purchased credit-impaired loans held for investment accounted for in accordance with FASB ASC 310-30 (former AICPA Statement of Position 03-3) (exclude loans held for sale):[5]			M.7.
a. Outstanding balance	RCFDC779	NR	M.7.a.
b. Amount included in Schedule RC-C, part I, items 1 through 9	RCFDC780	NR	M.7.b.
Memorandum items 8.a, 8.b, and 8.c are to be completed semiannually in the June and December reports only. 8. Closed-end loans with negative amortization features secured by 1-4 family residential properties in domestic offices:			M.8.
a. Total amount of closed-end loans with negative amortization features secured by 1-4 family residential properties (included in Schedule RC-C, part I, items 1.c.(2)(a) and 1.c.(2)(b))	RCONF230	NR	M.8.a.
Memorandum items 8.b and 8.c are to be completed semiannually in the June and December reports only by banks that had closed-end loans with negative amortization features secured by 1–4 family residential properties (as reported in Schedule RC-C, Part I, Memorandum item 8.a) as of December 31, 2019, that exceeded the lesser of $100 million or 5 percent of total loans and leases held for investment and held for sale in domestic offices (as reported in Schedule RC-C, Part I, item 12, column B). b. Total maximum remaining amount of negative amortization contractually permitted on closed-end loans secured by 1-4 family residential properties	RCONF231	NR	M.8.b.
c. Total amount of negative amortization on closed-end loans secured by 1-4 family residential properties included in the amount reported in Memorandum item 8.a above	RCONF232	NR	M.8.c.

5. Memorandum item 7 is to be completed only by institutions that have not yet adopted ASU 2016-13.

Dollar amounts in thousands			
9. Loans secured by 1-4 family residential properties in domestic offices in process of foreclosure (included in Schedule RC-C, part I, items 1.c.(1), 1.c.(2)(a), and 1.c.(2)(b))	RCONF577	**28,000**	M.9.

c. Loans to individuals for household, family, and other personal expenditures	RCFDG097	**NR**	RCFDG098	**NR**	RCFDG099	**NR**	M.12.c.
d. All other loans and all leases	RCFDG100	**NR**	RCFDG101	**NR**	RCFDG102	**NR**	M.12.d.

Dollar amounts in thousands			
Memoranda item 13 is to be completed by banks that had construction, land development, and other land loans in domestic offices (as reported in Schedule RC-C, Part I, item 1.a., column B) that exceeded 100 percent of the sum of tier 1 capital (as reported in Schedule RC-R, Part I, item 26) plus the allowance for loan and lease losses or the allowance for credit losses on loans and leases, as applicable (as reported in Schedule RC, item 4.c) as of December 31, 2020. 13. Construction, land development, and other land loans in domestic offices with interest reserves:			M.13.
a. Amount of loans that provide for the use of interest reserves (included in Schedule RC-C, part I, item 1.a, column B)	RCONG376	**0**	M.13.a.
b. Amount of interest capitalized from interest reserves on construction, land development, and other land loans that is included in interest and fee income on loans during the quarter (included in Schedule RI, item 1.a.(1)(a)(2)).	RIADG377	**0**	M.13.b.
Memorandum item 14 is to be completed by all banks. 14. Pledged loans and leases	RCFDG378	**1,928,000**	M.14.
Memorandum item 15 is to be completed for the December report only. 15. Reverse mortgages in domestic offices:			M.15.
a. Reverse mortgages outstanding that are held for investment (included in Schedule RC-C, item 1.c, above):			M.15.a.
1. Home Equity Conversion Mortgage (HECM) reverse mortgages	RCONJ466	**NR**	M.15.a.1.
2. Proprietary reverse mortgages	RCONJ467	**NR**	M.15.a.2.
b. Estimated number of reverse mortgage loan referrals to other lenders during the year from whom compensation has been received for services performed in connection with the origination of the reverse mortgages:			M.15.b.
1. Home Equity Conversion Mortgage (HECM) reverse mortgages	RCONJ468	**NR**	M.15.b.1.
2. Proprietary reverse mortgages	RCONJ469	**NR**	M.15.b.2.
c. Principal amount of reverse mortgage originations that have been sold during the year:			M.15.c.
1. Home Equity Conversion Mortgage (HECM) reverse mortgages	RCONJ470	**NR**	M.15.c.1.
2. Proprietary reverse mortgages	RCONJ471	**NR**	M.15.c.2.
Memorandum item 16 is to be completed by all banks. 16. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit in domestic offices that have converted to non-revolving closed-end status (included in item 1.c.(1) above)	RCONLE75	**0**	M.16.
Amounts reported in Memorandum items 17.a and 17.b will not be made available to the public on an individual institution basis. 17. Eligible loan modifications under Section 4013, Temporary Relief from Troubled Debt Restructurings, of the 2020 Coronavirus Aid, Relief, and Economic Security Act:			M.17.
a. Number of Section 4013 loans outstanding	RCONLG24	**CONF**	M.17.a.
b. Outstanding balance of Section 4013 loans	RCONLG25	**CONF**	M.17.b.

1. Institutions that have adopted ASU 2016-13 should report only loans held for investment not considered purchased credit-deteriorated in Memorandum item 12.

Schedule RC-C Part II - Loans to Small Businesses and Small Farms(Form Type - 031)

Report the number and amount currently outstanding as of the report date of business loans with "original amounts" of $1,000,000 or less and farm loans with "original amounts" of $500,000 or less. The following guidelines should be used to determine the "original amount" of a loan:
(1) For loans drawn down under lines of credit or loan commitments, the "original amount" of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was most recently approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the "original amount" is the amount currently outstanding on the report date. (2) For loan participations and syndications, the "original amount" of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the "original amount" is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.

a. Not fully insured, non-affiliate, retail sweep deposits	RCONMT94	NR	M.1.h.4.a.
i. Total sweep deposits that are not brokered deposits	RCONMT95	23,906,000	M.1.i.
2. Components of total nontransaction accounts (sum of Memorandum items 2.a through 2.d must equal item 7, column C above):			M.2.
a. Savings deposits:			M.2.a.
1. Money market deposit accounts (MMDAs)	RCON6810	0	M.2.a.1.
2. Other savings deposits (excludes MMDAs)	RCON0352	24,136,000	M.2.a.2.
b. Total time deposits of less than $100,000	RCON6648	0	M.2.b.
c. Total time deposits of $100,000 through $250,000	RCONJ473	0	M.2.c.
d. Total time deposits of more than $250,000	RCONJ474	0	M.2.d.
e. Individual Retirement Accounts (IRAs) and Keogh Plan accounts of $100,000 or more included in Memorandum items 2.c and 2.d above	RCONF233	0	M.2.e.
3. Maturity and repricing data for time deposits of $250,000 or less:			M.3.
a. Time deposits of $250,000 or less with a remaining maturity or next repricing date of:			M.3.a.
1. Three months or less	RCONHK07	0	M.3.a.1.
2. Over three months through 12 months	RCONHK08	0	M.3.a.2.
3. Over one year through three years	RCONHK09	0	M.3.a.3.
4. Over three years	RCONHK10	0	M.3.a.4.
b. Time deposits of $250,000 or less with a REMAINING MATURITY of one year or less (included in Memorandum items 3.a.(1) and 3.a.(2) above)[3]	RCONHK11	0	M.3.b.
4. Maturity and repricing data for time deposits of more than $250,000:			M.4.
a. Time deposits of more than $250,000 with a remaining maturity or next repricing date of:			M.4.a.
1. Three months or less	RCONHK12	0	M.4.a.1.
2. Over three months through 12 months	RCONHK13	0	M.4.a.2.
3. Over one year through three years	RCONHK14	0	M.4.a.3.
4. Over three years	RCONHK15	0	M.4.a.4.

2. The dollar amount used as the basis for reporting in Memorandum item 1.c reflects the deposit insurance limit in effect on the report date.
3. Report both fixed- and floating-rate time deposits by remaining maturity. Exclude floating rate time deposits with a next repricing date of one year or less that have a remaining maturity of over one year.

Dollar amounts in thousands			
b. Time deposits of more than $250,000 with a REMAINING MATURITY of one year or less (included in Memorandum items 4.a.(1) and 4.a.(2) above)[3]	RCONK222	0	M.4.b.
5. Does your institution offer one or more consumer deposit account products, i.e., transaction account or nontransaction savings account deposit products intended primarily for individuals for personal, household, or family use?	RCONP752	Yes	M.5.
Memorandum items 6 and 7 are to be completed by institutions with $1 billion or more in total assets that answered "Yes" to Memorandum item 5 above. 6. Components of total transaction account deposits of individuals, partnerships, and corporations (sum of Memorandum items 6.a and 6.b must be less than or equal to item 1, column A, above):[5]			M.6.
a. Total deposits in those noninterest-bearing transaction account deposit products intended primarily for individuals for personal, household, or family use	RCONP753	0	M.6.a.
b. Total deposits in those interest-bearing transaction account deposit products intended primarily for individuals for personal, household, or family use	RCONP754	0	M.6.b.
7. Components of total nontransaction account deposits of individuals, partnerships, and corporations (sum of Memorandum items 7.a.(1), 7.a.(2), 7.b.(1), and 7.b.(2) plus all time deposits of individuals, partnerships, and corporations must equal item 1, column C, above):			M.7.
a. Money market deposit accounts (MMDAs) of individuals, partnerships, and corporations (sum of Memorandum items 7.a.(1) and 7.a.(2) must be less than or equal to Memorandum item 2.a.(1) above):			M.7.a.
1. Total deposits in those MMDA deposit products intended primarily for individuals for personal, household, or family use	RCONP756	0	M.7.a.1.
2. Deposits in all other MMDAs of individuals, partnerships, and corporations	RCONP757	0	M.7.a.2.
b. Other savings deposit accounts of individuals, partnerships, and corporations (sum of Memorandum items 7.b.(1) and 7.b.(2) must be less than or equal to Memorandum item 2.a.(2) above):			M.7.b.
1. Total deposits in those other savings deposit account deposit products intended primarily for individuals for personal, household, or family use	RCONP758	23,704,000	M.7.b.1.
2. Deposits in all other savings deposit accounts of individuals, partnerships, and corporations	RCONP759	432,000	M.7.b.2.

Schedule RC-E Part II - Deposits in Foreign Offices including Edge and Agreement subsidiaries and IBFs(Form Type - 031)

Dollar amounts in thousands			
Deposits of:			
1. Individuals, partnerships, and corporations (include all certified and official checks)	RCFNB553	0	1.
2. U.S. banks (including IBFs and foreign branches of U.S. banks) and other U.S. depository institutions	RCFNB554	0	2.
3. Foreign banks (including U.S. branches and agencies of foreign banks, including their IBFs)	RCFN2625	0	3.
4. Foreign governments and official institutions (including foreign central banks)	RCFN2650	0	4.
5. U.S. Government and states and political subdivisions in the U.S.	RCFNB555	0	5.
6. Total	RCFN2200	NR	6.
1. Time deposits with a remaining maturity of one year or less (included in Schedule RC, item 13.b)	RCFNA245	NR	M.1.

5. The $1 billion asset size test is based on the total assets reported on the June 30, 2018, Report of Condition.

Schedule RC-F - Other Assets(Form Type - 031)

Dollar amounts in thousands			
1. Accrued interest receivable[2]	RCFDB556	47,000	1.
2. Net deferred tax assets[3]	RCFD2148	3,000	2.
3. Interest-only strips receivable (not in the form of a security)[4]	RCFDHT80	0	3.
4. Equity investments without readily determinable fair values[5]	RCFD1752	18,000	4.
5. Life insurance assets:			5.
a. General account life insurance assets	RCFDK201	0	5.a.
b. Separate account life insurance assets	RCFDK202	0	5.b.
c. Hybrid account life insurance assets	RCFDK270	0	5.c.
6. All other assets (itemize and describe amounts greater than $100,000 that exceed 25% of this item)	RCFD2168	44,000	6.
a. Prepaid expenses	RCFD2166	0	6.a.
b. Repossessed personal property (including vehicles)	RCFD1578	0	6.b.
c. Derivatives with a positive fair value held for purposes other than trading	RCFDC010	0	6.c.
d. FDIC loss-sharing indemnification assets	RCFDJ448	0	6.d.
e. Computer software	RCFDFT33	0	6.e.
f. Accounts receivable	RCFDFT34	21,000	6.f.
g. Receivables from foreclosed government-guaranteed mortgage loans	RCFDFT35	0	6.g.
h. Disclose component and the dollar amount of that component:			6.h.
1. Describe component	TEXT3549	Click here for value	6.h.1.
2. Amount of component	RCFD3549	21,000	6.h.2.
i. Disclose component and the dollar amount of that component:			6.i.
1. Describe component	TEXT3550	NR	6.i.1.
2. Amount of component	RCFD3550	0	6.i.2.
j. Disclose component and the dollar amount of that component:			6.j.
1. Describe component	TEXT3551	NR	6.j.1.
2. Amount of component	RCFD3551	0	6.j.2.
7. Total (sum of items 1 through 6) (must equal Schedule RC, item 11)	RCFD2160	112,000	7.

(TEXT3549) Miscellaneous Assets

2. Include accrued interest receivable on loans, leases, debt securities, and other interest-bearing assets. Exclude accrued interest receivables on financial assets that are reported elsewhere on the balance sheet.
3. See discussion of deferred income taxes in Glossary entry on "income taxes."
4. Report interest-only strips receivable in the form of a security as available-for-sale securities in Schedule RC, item 2.b, or as trading assets in Schedule RC, item 5, as appropriate.
5. Include Federal Reserve stock, Federal Home Loan Bank stock, and bankers' bank stock.

Schedule RC-G - Other Liabilities(Form Type - 031)

Dollar amounts in thousands			
1. Not available			1.
a. Interest accrued and unpaid on deposits in domestic offices[6]	RCON3645	0	1.a.
b. Other expenses accrued and unpaid (includes accrued income taxes payable)	RCFD3646	0	1.b.
2. Net deferred tax liabilities[2]	RCFD3049	0	2.
3. Allowance for credit losses on off-balance sheet credit exposures[7]	RCFDB557	0	3.
4. All other liabilities (itemize and describe amounts greater than $100,000 that exceed 25 percent of this item)	RCFD2938	26,000	4.
a. Accounts payable	RCFD3066	9,000	4.a.
b. Deferred compensation liabilities	RCFDC011	0	4.b.
c. Dividends declared but not yet payable	RCFD2932	0	4.c.
d. Derivatives with a negative fair value held for purposes other than trading	RCFDC012	0	4.d.
e. Operating lease liabilities	RCFDLB56	0	4.e.
f. Disclose component and the dollar amount of that component:			4.f.
1. Describe component	TEXT3552	Click here for value	4.f.1.
2. Amount of component	RCFD3552	7,000	4.f.2.
g. Disclose component and the dollar amount of that component:			4.g.
1. Describe component	TEXT3553	Click here for value	4.g.1.
2. Amount of component	RCFD3553	8,000	4.g.2.
h. Disclose component and the dollar amount of that component:			4.h.
1. Describe component	TEXT3554	NR	4.h.1.
2. Amount of component	RCFD3554	0	4.h.2.
5. Total	RCFD2930	26,000	5.

(TEXT3552) Interest Advances on loans serviced by others

(TEXT3553) Principal Advances on loans serviced by others

6. For savings banks, include "dividends" accrued and unpaid on deposits.
2. See discussion of deferred income taxes in Glossary entry on "income taxes."
7. Institutions that have adopted ASU 2016-13 should report in Schedule RC-G, item 3 the allowance for credit losses on those off-balance sheet credit exposures that are not unconditionally cancelable.

Schedule RC-H - Selected Balance Sheet Items for Domestic Offices(Form Type - 031)

To be completed only by banks with foreign offices.

Dollar amounts in thousands			
1. Not applicable			1.
2. Not applicable			2.
3. Securities purchased under agreements to resell	RCONB989	NR	3.
4. Securities sold under agreements to repurchase	RCONB995	NR	4.
5. Other borrowed money	RCON3190	NR	5.
EITHER 6. Net due from own foreign offices, Edge and Agreement subsidiaries, and IBFs	RCON2163	NR	6.
OR 7. Net due to own foreign offices, Edge and Agreement subsidiaries, and IBFs	RCON2941	NR	7.
8. Total assets (excludes net due from foreign offices, Edge and Agreement subsidiaries, and IBFs)	RCON2192	NR	8.
9. Total liabilities (excludes net due to foreign offices, Edge and Agreement subsidiaries, and IBFs)	RCON3129	NR	9.

Dollar amounts in thousands	(Column A) Amortized Cost of Held-to-Maturity Securities		(Column B) Fair Value of Available-for-Sale Securities		
10. U.S. Treasury securities	RCON0211	NR	RCON1287	NR	10.
11. U.S. Government agency obligations (exclude mortgage-backed securities)	RCON8492	NR	RCON8495	NR	11.
12. Securities issued by states and political subdivisions in the U.S.	RCON8496	NR	RCON8499	NR	12.
13. Mortgage-backed securities (MBS):					13.
a. Mortgage pass-through securities:					13.a.
1. Issued or guaranteed by FNMA, FHLMC, or GNMA	RCONG389	NR	RCONG390	NR	13.a.1.
2. Other mortgage pass-through securities	RCON1709	NR	RCON1713	NR	13.a.2.
b. Other mortgage-backed securities (include CMOs, REMICs, and stripped MBS):					13.b.
1. Issued or guaranteed by U.S. Government agencies or sponsored agencies[1]	RCONG393	NR	RCONG394	NR	13.b.1.
2. All other mortgage-backed securities	RCON1733	NR	RCON1736	NR	13.b.2.
14. Other domestic debt securities (include domestic structured financial products and domestic asset-backed securities)	RCONG397	NR	RCONG398	NR	14.
15. Other foreign debt securities (include foreign structured financial products and foreign asset-backed securities)	RCONG399	NR	RCONG400	NR	15.
16. Not applicable.					16.
17. Total held-to-maturity and available-for-sale debt securities (sum of items 10 through 15)	RCON1754	NR	RCON1773	NR	17.

Dollar amounts in thousands			
18. Equity investments not held for trading:			18.
a. Equity securities with readily determinable fair values[4]	RCONJA22	NR	18.a.
b. Equity investments without readily determinable fair values	RCON1752	NR	18.b.
Items 19, 20 and 21 are to be completed by banks that reported total trading assets of $10 million or more in any of the four preceding calendar quarters and all banks meeting the FDIC's definition of a large or highly complex institution for deposit insurance assessment purposes. 19. Total trading assets	RCON3545	NR	19.
20. Total trading liabilities	RCON3548	NR	20.
21. Total loans held for trading	RCONHT71	NR	21.
tem 22 is to be completed by banks that: (1) have elected to report financial instruments or servicing assets and liabilities at fair value under a fair value option with changes in fair value recognized in earnings, or (2) are required to complete Schedule RC-D, Trading Assets and Liabilities. 22. Total amount of fair value option loans held for investment and held for sale	RCONJF75	NR	22.

1. U.S. Government agencies include, but are not limited to, such agencies as the Government National Mortgage Association (GNMA), the Federal Deposit Insurance Corporation (FDIC), and the National Credit Union Administration (NCUA). U.S. Government-sponsored agencies include, but are not limited to, such agencies as the Federal Home Loan Mortgage Corporation (FHLMC) and the Federal National Mortgage Association (FNMA).
4. Item 18.a is to be completed by all institutions. See the instructions for this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.

Schedule RC-I - Assets and Liabilities of IBFs(Form Type - 031)

To be completed only by banks with IBFs and other "foreign" offices.

Dollar amounts in thousands			
1. Total IBF assets of the consolidated bank (component of Schedule RC, item 12)	RCFN2133	NR	1.
2. Total IBF liabilities (component of Schedule RC, item 21)	RCFN2898	NR	2.

Schedule RC-K - Quarterly Averages(Form Type - 031)

Dollar amounts in thousands			
1. Interest-bearing balances due from depository institutions	RCFD3381	14,106,000	1.
2. U.S. Treasury securities and U.S. Government agency obligations (excluding mortgage-backed securities)[2]	RCFDB558	0	2.
3. Mortgage-backed securities[2]	RCFDB559	0	3.
4. All other debt securities and equity securities with readily determinable fair values not held for trading[2]	RCFDB560	0	4.
5. Federal funds sold and securities purchased under agreements to resell	RCFD3365	0	5.
6. Loans:			6.
a. Loans in domestic offices:			6.a.
1. Total loans	RCON3360	11,728,000	6.a.1.
2. Loans secured by real estate:			6.a.2.
a. Loans secured by 1-4 family residential properties	RCON3465	11,724,000	6.a.2.a.
b. All other loans secured by real estate	RCON3466	0	6.a.2.b.
3. Loans to finance agricultural production and other loans to farmers	RCON3386	0	6.a.3.
4. Commercial and industrial loans	RCON3387	0	6.a.4.
5. Loans to individuals for household, family, and other personal expenditures:			6.a.5.
a. Credit cards	RCONB561	0	6.a.5.a.
b. Other (includes revolving credit plans other than credit cards, automobile loans, and other consumer loans)	RCONB562	0	6.a.5.b.
b. Total loans in foreign offices, Edge and Agreement subsidiaries, and IBFs	RCFN3360	NR	6.b.
Item 7 is to be completed by banks with total trading assets of $10 million or more in any of the four preceding calendar quarters and all banks meeting the FDIC's definition of a large or highly complex institution for deposit insurance assessment purposes. 7. Trading assets	RCFD3401	0	7.
8. Lease financing receivables (net of unearned income)	RCFD3484	0	8.
9. Total assets[4]	RCFD3368	25,948,000	9.
10. Interest-bearing transaction accounts in domestic offices (interest-bearing demand deposits, NOW accounts, ATS accounts, and telephone and preauthorized transfer accounts)	RCON3485	472,000	10.
11. Nontransaction accounts in domestic offices:			11.
a. Savings deposits (includes MMDAs)	RCONB563	23,154,000	11.a.
b. Time deposits of $250,000 or less	RCONHK16	0	11.b.
c. Time deposits of more than $250,000	RCONHK17	0	11.c.
12. Interest-bearing deposits in foreign offices, EDGE and Agreement subsidiaries, and IBFs	RCFN3404	NR	12.
13. Federal funds purchased and securities sold under agreements to repurchase	RCFD3353	0	13.
14. Other borrowed money (includes mortgage indebtedness and obligations under capitalized leases)	RCFD3355	109,000	14.

2. Quarterly averages for all debt securities should be based on amortized cost.

2. Quarterly averages for all debt securities should be based on amortized cost.

4. The quarterly average for total assets should reflect securities not held for trading as follows: a) Debt securities at amortized cost, b) Equity securities with readily determinable fair values at fair value, c) Equity investments without readily determinable fair values, their balance sheet carrying values (i.e., fair value or, if elected, cost minus impairment, if any, plus or minus changes resulting from observable price changes).

Schedule RC-L - Derivatives and Off-Balance Sheet Items(Form Type - 031)

Please read carefully the instructions for the preparation of Schedule RC-L. Some of the amounts reported in Schedule RC-L are regarded as volume indicators and not necessarily as measures of risk.

Dollar amounts in thousands			
1. Unused commitments:			1.
a. Revolving, open-end lines secured by 1-4 family residential properties, i.e., home equity lines	RCFD3814	0	1.a.
Item 1.a.(1) is to be completed for the December report only. 1. Unused commitments for reverse mortgages outstanding that are held for investment in domestic offices	RCONHT72	NR	1.a.1.
b. Credit card lines (Sum of items 1.b.(1) and 1.b.(2) must equal item 1.b)	RCFD3815	0	1.b.
Items 1.b.(1) and 1.b.(2) are to be completed by banks with either $300 million or more in total assets or $300 million or more in credit card lines. (Sum of items 1.b.(1) and 1.b.(2) must equal item 1.b) Items 1.b.(1) and 1.b.(2) are to be completed semiannually in the June and December reports only. 1. Unused consumer credit card lines	RCFDJ455	NR	1.b.1.
2. Other unused credit card lines	RCFDJ456	NR	1.b.2.
c. Commitments to fund commercial real estate, construction, and land development loans:			1.c.
1. Secured by real estate:			1.c.1.
a. 1-4 family residential construction loan commitments	RCFDF164	0	1.c.1.a.
b. Commercial real estate, other construction loan, and land development loan commitments	RCFDF165	0	1.c.1.b.
2. Not secured by real estate	RCFD6550	0	1.c.2.
d. Securities underwriting	RCFD3817	0	1.d.
e. Other unused commitments:			1.e.
1. Commercial and industrial loans	RCFDJ457	0	1.e.1.
2. Loans to financial institutions	RCFDJ458	0	1.e.2.
3. All other unused commitments	RCFDJ459	0	1.e.3.
2. Financial standby letters of credit and foreign office guarantees	RCFD3819	0	2.
Item 2.a is to be completed by banks with $1 billion or more in total assets. a. Amount of financial standby letters of credit conveyed to others[1]	RCFD3820	0	2.a.
3. Performance standby letters of credit and foreign office guarantees	RCFD3821	0	3.
Item 3.a is to be completed by banks with $1 billion or more in total assets. a. Amount of performance standby letters of credit conveyed to others[1]	RCFD3822	0	3.a.
4. Commercial and similar letters of credit	RCFD3411	0	4.
5. Not applicable			5.
6. Securities lent and borrowed:			6.
a. Securities lent (including customers' securities lent where the customer is indemnified against loss by the reporting bank)	RCFD3433	0	6.a.
b. Securities borrowed	RCFD3432	0	6.b.

Dollar amounts in thousands	(Column A) Sold Protection		(Column B) Purchased Protection		
7. Credit derivatives:					7.
a. Notional amounts:					7.a.
1. Credit default swaps	RCFDC968	0	RCFDC969	0	7.a.1.
2. Total return swaps	RCFDC970	0	RCFDC971	0	7.a.2.
3. Credit options	RCFDC972	0	RCFDC973	0	7.a.3.
4. Other credit derivatives	RCFDC974	0	RCFDC975	0	7.a.4.
b. Gross fair values:					7.b.
1. Gross positive fair value	RCFDC219	0	RCFDC221	0	7.b.1.
2. Gross negative fair value	RCFDC220	0	RCFDC222	0	7.b.2.

Dollar amounts in thousands			
c. Notional amounts by regulatory capital treatment:[1]			7.c.
1. Positions covered under the Market Risk Rule:			7.c.1.
a. Sold protection	RCFDG401	0	7.c.1.a.
b. Purchased protection	RCFDG402	0	7.c.1.b.
2. All other positions:			7.c.2.
a. Sold protection	RCFDG403	0	7.c.2.a.
b. Purchased protection that is recognized as a guarantee for regulatory capital purposes	RCFDG404	0	7.c.2.b.
c. Purchased protection that is not recognized as a guarantee for regulatory capital purposes	RCFDG405	0	7.c.2.c.

1. The $10 billion asset-size test is based on the total assets reported on the June 30, 2021, Report of Condition.

Schedule RC-M - Memoranda(Form Type - 031)

Dollar amounts in thousands			
1. Extensions of credit by the reporting bank to its executive officers, directors, principal shareholders, and their related interests as of the report date:			1.
a. Aggregate amount of all extensions of credit to all executive officers, directors, principal shareholders, and their related interests	RCFD6164	0	1.a.
b. Number of executive officers, directors, and principal shareholders to whom the amount of all extensions of credit by the reporting bank (including extensions of credit to related interests) equals or exceeds the lesser of $500,000 or 5 percent of total capital as defined for this purpose in agency regulations	RCFD6165	0	1.b.
2. Intangible assets:			2.
a. Mortgage servicing assets	RCFD3164	0	2.a.
1. Estimated fair value of mortgage servicing assets	RCFDA590	0	2.a.1.
b. Goodwill	RCFD3163	0	2.b.
c. All other intangible assets	RCFDJF76	0	2.c.
d. Total (sum of items 2.a, 2.b, and 2.c) (must equal Schedule RC, item 10)	RCFD2143	0	2.d.
3. Other real estate owned:			3.
a. Construction, land development, and other land in domestic offices	RCON5508	0	3.a.
b. Farmland in domestic offices	RCON5509	0	3.b.
c. 1-4 family residential properties in domestic offices	RCON5510	1,000	3.c.
d. Multifamily (5 or more) residential properties in domestic offices	RCON5511	0	3.d.
e. Nonfarm nonresidential properties in domestic offices	RCON5512	0	3.e.
f. In foreign offices	RCFN5513	NR	3.f.
g. Total (sum of items 3.a through 3.g) (must equal Schedule RC, item 7)	RCFD2150	1,000	3.g.
4. Cost of equity securities with readily determinable fair values not held for trading (the fair value of which is reported in Schedule RC, item 2.c)[1]	RCFDJA29	0	4.
5. Other borrowed money:			5.
a. Federal Home Loan Bank advances:			5.a.
1. Advances with a remaining maturity or next repricing date of:[1]			5.a.1.
a. One year or less	RCFDF055	250,000	5.a.1.a.
b. Over one year through three years	RCFDF056	0	5.a.1.b.
c. Over three years through five years	RCFDF057	0	5.a.1.c.
d. Over five years	RCFDF058	0	5.a.1.d.
2. Advances with a remaining maturity of one year or less (included in item 5.a.(1)(a) above)[2]	RCFD2651	250,000	5.a.2.
3. Structured advances (included in items 5.a.(1)(a) - (d) above)	RCFDF059	0	5.a.3.
b. Other borrowings:			5.b.
1. Other borrowings with a remaining maturity or next repricing date of:[3]			5.b.1.
a. One year or less	RCFDF060	0	5.b.1.a.
b. Over one year through three years	RCFDF061	0	5.b.1.b.
c. Over three years through five years	RCFDF062	0	5.b.1.c.
d. Over five years	RCFDF063	0	5.b.1.d.
2. Other borrowings with a remaining maturity of one year or less (included in item 5.b.(1)(a) above)[4]	RCFDB571	0	5.b.2.
c. Total (sum of items 5.a.(1)(a)-(d) and items 5.b.(1)(a)-(d)) (must equal Schedule RC, item 16)	RCFD3190	250,000	5.c.
6. Does the reporting bank sell private label or third party mutual funds and annuities?	RCFDB569	No	6.
7. Assets under the reporting bank's management in proprietary mutual funds and annuities	RCFDB570	0	7.
8. Internet Web site addresses and physical office trade names:			8.
a. Uniform Resource Locator (URL) of the reporting institution's primary Internet Web site (home page), if any (Example: www.examplebank.com):	TEXT4087	Click here for value	8.a.

1. Item 4 is to be completed only by insured state banks that have been approved by the FDIC to hold grandfathered equity investments. See instructions for this item and the Glossary entry for "Securities Activities" for further detail on accounting for investments in equity securities.
1. Report fixed-rate advances by remaining maturity and floating-rate advances by next repricing date.
2. Report both fixed- and floating-rate advances by remaining maturity. Exclude floating-rate advances with a next repricing date of one year or less that have a remaining maturity of over one year.
3. Report fixed-rate other borrowings by remaining maturity and floating-rate other borrowings by next repricing date.
4. Report both fixed- and floating-rate other borrowings by remaining maturity. Exclude floating rate other borrowings with a next repricing date of one year or less that have a remaining maturity of over one year.

Dollar amounts in thousands			
b. URLs of all other public-facing Internet Web sites that the reporting institution uses to accept or solicit deposits from the public, if any (Example: www.examplebank.biz):[1]			8.b.
1. URL 1	TE01N528	**www.ml.com**	8.b.1.
2. URL 2	TE02N528	**Click here for value**	8.b.2.

10. URL 10	TE10N528	**NR**	8.b.10.
c. Trade names other than the reporting institution's legal title used to identify one or more of the institution's physical offices at which deposits are accepted or solicited from the public, if any:			8.c.
1. Trade name 1	TE01N529	**Click here for value**	8.c.1.
2. Trade name 2	TE02N529	**Click here for value**	8.c.2.
3. Trade name 3	TE03N529	**BofA**	8.c.3.
4. Trade name 4	TE04N529	**BofAML**	8.c.4.
5. Trade name 5	TE05N529	**Merrill**	8.c.5.
6. Trade name 6	TE06N529	**Click here for value**	8.c.6.
Item 9 is to be completed annually in the December report only. 9. Do any of the bank's Internet Web sites have transactional capability, i.e., allow the bank's customers to execute transactions on their accounts through the Web site?	RCFD4088	**NR**	9.
10. Secured liabilities:			10.
a. Amount of "Federal funds purchased in domestic offices" that are secured (included in Schedule RC, item 14.a)	RCONF064	**0**	10.a.
b. Amount of "Other borrowings" that are secured (included in Schedule RC-M, items 5.b.(1)(a) - (d))	RCFDF065	**0**	10.b.
11. Does the bank act as trustee or custodian for Individual Retirement Accounts, Health Savings Accounts, and other similar accounts?	RCONG463	**No**	11.
12. Does the bank provide custody, safekeeping, or other services involving the acceptance of orders for the sale or purchase of securities?	RCONG464	**No**	12.
13. Assets covered by loss-sharing agreements with the FDIC:			13.
a. Loans and leases (included in Schedule RC, items 4.a and 4.b):			13.a.
1. Loans secured by real estate in domestic offices:			13.a.1.
a. Construction, land development, and other land loans:			13.a.1.a.
1. 1-4 family residential construction loans	RCONK169	**0**	13.a.1.a.1.
2. Other construction loans and all land development and other land loans	RCONK170	**0**	13.a.1.a.2.
b. Secured by farmland	RCONK171	**0**	13.a.1.b.
c. Secured by 1-4 family residential properties:			13.a.1.c.
1. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCONK172	**0**	13.a.1.c.1.
2. Closed-end loans secured by 1-4 family residential properties:			13.a.1.c.2.
a. Secured by first liens	RCONK173	**0**	13.a.1.c.2.a.
b. Secured by junior liens	RCONK174	**0**	13.a.1.c.2.b.
d. Secured by multifamily (5 or more) residential properties	RCONK175	**0**	13.a.1.d.
e. Secured by nonfarm nonresidential properties:			13.a.1.e.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RCONK176	**0**	13.a.1.e.1.
2. Loans secured by other nonfarm nonresidential properties	RCONK177	**0**	13.a.1.e.2.
2. Not applicable			13.a.2.
3. Not applicable			13.a.3.
4. Not applicable			13.a.4.
5. All other loans and all leases	RCFDK183	**0**	13.a.5.

1. Report only highest level URLs (for example, report www.examplebank.biz, but do not also report www.examplebank.biz/checking). Report each top level domain name used (for example, report both www.examplebank.biz and www.examplebank.net).

Dollar amounts in thousands			
b. Other real estate owned (included in Schedule RC, item 7):			13.b.
1. Construction, land development, and other land in domestic offices	RCONK187	0	13.b.1.
2. Farmland in domestic offices	RCONK188	0	13.b.2.
3. 1-4 family residential properties in domestic offices	RCONK189	0	13.b.3.
4. Multifamily (5 or more) residential properties in domestic offices	RCONK190	0	13.b.4.
5. Nonfarm nonresidential properties in domestic offices	RCONK191	0	13.b.5.
6. In foreign offices	RCFNK260	NR	13.b.6.
7. Portion of covered other real estate owned included in items 13.b.(1) through (6) above that is protected by FDIC loss-sharing agreements	RCFDK192	0	13.b.7.
c. Debt securities (included in Schedule RC, items 2.a and 2.b)	RCFDJ461	0	13.c.
d. Other assets (exclude FDIC loss-sharing indemnification assets)	RCFDJ462	0	13.d.
Items 14.a and 14.b are to be completed annually in the December report only. 14. Captive insurance and reinsurance subsidiaries:			14.
a. Total assets of captive insurance subsidiaries[2]	RCFDK193	NR	14.a.
b. Total assets of captive reinsurance subsidiaries[2]	RCFDK194	NR	14.b.
Item 15 is to be completed by institutions that are required or have elected to be treated as a Qualified Thrift Lender. 15. Qualified Thrift Lender (QTL) test:			15.
a. Does the institution use the Home Owners' Loan Act (HOLA) QTL test or the Internal Revenue Service Domestic Building and Loan Association (IRS DBLA) test to determine its QTL compliance? (for the HOLA QTL test, enter 1; for the IRS DBLA test, enter 2)	RCONL133	NR	15.a.
b. Has the institution been in compliance with the HOLA QTL test as of each month end during the quarter or the IRS DBLA test for its most recent taxable year, as applicable?	RCONL135	NR	15.b.
Item 16.a and, if appropriate, items 16.b.(1) through 16.b.(3) are to be completed annually in the December report only. 16. International remittance transfers offered to consumers:[1]			16.
a. Estimated number of international remittance transfers provided by your institution during the calendar year ending on the report date	RCONN523	NR	16.a.
Items 16.b.(1) through 16.b.(3) are to be completed by institutions that reported 501 or more international remittance transfers in item 16.a in either or both of the current report or the most recent prior report in which item 16.a was required to be completed. b. Estimated dollar value of remittance transfers provided by your institution and usage of regulatory exceptions during the calendar year ending on the report date:			16.b.
1. Estimated dollar value of international remittance transfers	RCONN524	NR	16.b.1.
2. Estimated number of international remittance transfers for which your institution applied the permanent exchange rate exception	RCONMM07	NR	16.b.2.
3. Estimated number of international remittance transfers for which your institution applied the permanent covered third-party fee exception	RCONMQ52	NR	16.b.3.
17. U.S. Small Business Administration Paycheck Protection Program (PPP) loans and the Federal Reserve PPP Liquidity Facility (PPPLF):[3]			17.
a. Number of PPP loans outstanding	RCONLG26	0	17.a.
b. Outstanding balance of PPP loans	RCONLG27	0	17.b.
c. Outstanding balance of PPP loans pledged to the PPPLF	RCONLG28	0	17.c.
d. Outstanding balance of borrowings from Federal Reserve Banks under the PPPLF with a remaining maturity of:			17.d.
1. One year or less	RCONLL59	0	17.d.1.
2. More than one year	RCONLL60	0	17.d.2.
e. Quarterly average amount of PPP loans pledged to the PPPLF and excluded from "Total assets for the leverage ratio" reported in Schedule RC-R, Part I, item 30	RCONLL57	0	17.e.
18. Money Market Mutual Fund Liquidity Facility (MMLF):			18.
a. Outstanding balance of assets purchased under the MMLF	RCONLL61	0	18.a.
b. Quarterly average amount of assets purchased under the MMLF and excluded from "Total assets for the leverage ratio" reported in Schedule RC-R, Part I, item 30	RCONLL58	0	18.b.

(TE01N529) Bank of America

2. Report total assets before eliminating intercompany transactions between the consolidated insurance or reinsurance subsidiary and other offices or consolidated subsidiaries of the reporting bank.

1. Report information about international electronic transfers of funds offered to consumers in the United States that: (a) are "remittance transfers" as defined by subpart B of Regulation E (12 CFR § 1005.30(e)), or (b) would qualify as "remittance transfers" under subpart B of Regulation E (12 CFR § 1005.30(e)) but are excluded from that definition only because the provider is not providing those transfers in the normal course of its business. See 12 CFR § 1005.30(f). For purposes of this item 16, such trans

3. Paycheck Protection Program (PPP) covered loans as defined in sections 7(a)(36) and 7(a)(37) of the Small Business Act (15 U.S.C. 636(a)(36) and (37)). The PPP was established by Section 1102 of the 2020 Coronavirus Aid, Relief, and Security Act.

12. Loans and leases reported in items 1 through 8 above that are covered by loss-sharing agreements with the FDIC:							12.
a. Loans secured by real estate in domestic offices:							12.a.
1. Construction, land development, and other land loans:							12.a.1.
a. 1-4 family residential construction loans	RCONK045	0	RCONK046	0	RCONK047	0	12.a.1.a.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days and still accruing		(Column B) Past due 90 days or more and still accruing		(Column C) Nonaccrual		
b. Other construction loans and all land development and other land loans	RCONK048	0	RCONK049	0	RCONK050	0	12a1b
2. Secured by farmland	RCONK051	0	RCONK052	0	RCONK053	0	12.a.2.
3. Secured by 1-4 family residential properties:							12.a.3.
a. Revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCONK054	0	RCONK055	0	RCONK056	0	12a3a
b. Closed-end loans secured by 1-4 family residential properties:							12a3b
1. Secured by first liens	RCONK057	0	RCONK058	0	RCONK059	0	12a3b1
2. Secured by junior liens	RCONK060	0	RCONK061	0	RCONK062	0	12a3b2
4. Secured by multifamily (5 or more) residential properties	RCONK063	0	RCONK064	0	RCONK065	0	12.a.4.
5. Secured by nonfarm nonresidential properties:							12.a.5.
a. Loans secured by owner-occupied nonfarm nonresidential properties	RCONK066	0	RCONK067	0	RCONK068	0	12a5a
b. Loans secured by other nonfarm nonresidential properties	RCONK069	0	RCONK070	0	RCONK071	0	12a5b
b. Not applicable							12.b.
c. Not applicable							12.c.
d. Not applicable							12.d.
e. All other loans and all leases	RCFDK087	0	RCFDK088	0	RCFDK089	0	12.e.
f. Portion of covered loans and leases included in items 12.a through 12.e above that is protected by FDIC loss-sharing agreements	RCFDK102	0	RCFDK103	0	RCFDK104	0	12.f.
1. Loans restructured in troubled debt restructurings included in Schedule RC-N, items 1 through 7, above (and not reported in Schedule RC-C, Part 1, Memorandum item 1):							M.1.
a. Construction, land development, and other land loans in domestic offices:							M.1.a.
1. 1-4 family residential construction loans	RCONK105	0	RCONK106	0	RCONK107	0	M1a1
2. Other construction loans and all land development and other land loans	RCONK108	0	RCONK109	0	RCONK110	0	M1a2
b. Loans secured by 1-4 family residential properties in domestic offices	RCONF661	**3,000**	RCONF662	0	RCONF663	**79,000**	M.1.b.
c. Secured by multifamily (5 or more) residential properties in domestic offices	RCONK111	0	RCONK112	0	RCONK113	0	M.1.c.
d. Secured by nonfarm nonresidential properties in domestic offices:							M.1.d.
1. Loans secured by owner-occupied nonfarm nonresidential properties	RCONK114	0	RCONK115	0	RCONK116	0	M1d1
2. Loans secured by other nonfarm nonresidential properties	RCONK117	0	RCONK118	0	RCONK119	0	M1d2
e. Commercial and industrial loans:							M.1.e.
1. To U.S. addressees (domicile)	RCFDK120	0	RCFDK121	0	RCFDK122	0	M1e1
2. To non-U.S. addressees (domicile)	RCFDK123	0	RCFDK124	0	RCFDK125	0	M1e2
f. All other loans (include loans to individuals for household, family, and other personal expenditures)	RCFDK126	0	RCFDK127	0	RCFDK128	0	M.1.f.
Itemize loan categories included in Memorandum item 1.f, above that exceed 10 percent of total loans restructured in troubled debt restructurings that are past due 30 days or more or in nonaccrual status (sum of Memorandum items 1.a through 1.f, columns A through C): 1. Loans secured by farmland in domestic offices	RCONK130	0	RCONK131	0	RCONK132	0	M1f1
2. Not applicable							M1f2
3. Loans to finance agricultural production and other loans to farmers	RCFDK138	0	RCFDK139	0	RCFDK140	0	M1f3
4. Loans to individuals for household, family, and other personal expenditures:							M1f4
a. Credit cards	RCFDK274	0	RCFDK275	0	RCFDK276	0	M1f4a
b. Automobile loans	RCFDK277	0	RCFDK278	0	RCFDK279	0	M1f4b
c. Other (includes revolving credit plans other than credit cards and other consumer loans)	RCFDK280	0	RCFDK281	0	RCFDK282	0	M1f4c
g. Total loans restructured in troubled debt restructurings included in Schedule RC-N, items 1 through 7, above and not reported in Schedule RC-C, Part I, Memorandum item 1 (sum of items Memorandum item 1.a.(1) through Memorandum item 1.f)[1]	RCFDHK26	**3,000**	RCFDHK27	0	RCFDHK28	**79,000**	M.1.g.

1. Exclude amounts reported in Memorandum items 1.f.(1) through 1.f.(4) when calculating the total in Memorandum item 1.g.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days and still accruing		(Column B) Past due 90 days or more and still accruing		(Column C) Nonaccrual		
2. Loans to finance commercial real estate, construction, and land development activities (not secured by real estate) included in Schedule RC-N, items 4 and 7, above	RCFD6558	0	RCFD6559	0	RCFD6560	0	M.2.
3. Loans secured by real estate to non-U.S. addressees (domicile) (included in Schedule RC-N, item 1, above)	RCFD1248	0	RCFD1249	0	RCFD1250	0	M.3.
4. Not applicable							M.4.
5. Loans and leases held for sale (included in Schedule RC-N, items 1 through 8, above)	RCFDC240	0	RCFDC241	0	RCFDC226	0	M.5.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days		(Column B) Past due 90 days or more		
6. Derivative contracts: Fair value of amounts carried as assets	RCFD3529	0	RCFD3530	0	M.6.

Dollar amounts in thousands			
Memorandum items 7, 8, 9.a, and 9.b are to be completed semiannually in the June and December reports only. 7. Additions to nonaccrual assets during the previous six months	RCFDC410	NR	M.7.
8. Nonaccrual assets sold during the previous six months	RCFDC411	NR	M.8.

Dollar amounts in thousands	(Column A) Past due 30 through 89 days and still accruing		(Column B) Past due 90 days or more and still accruing		(Column C) Nonaccrual		
9. Purchased credit-impaired loans accounted for in accordance with FASB ASC 310-30 (former AICPA Stament of Position 03-3):[2]							M.9.
a. Outstanding balance	RCFDL183	NR	RCFDL184	NR	RCFDL185	NR	M.9.a.
b. Amount included in Schedule RC-N, items 1 through 7, above	RCFDL186	NR	RCFDL187	NR	RCFDL188	NR	M.9.b.

2. Memorandum items 9.a and 9.b should be completed only by institutions that have not yet adopted ASU 2016-13.

Schedule RC-O - Other Data for Deposit Insurance and FICO Assessments(Form Type - 031)

All FDIC-insured depository institutions must complete items 1 through 9, 10, and 11, Memorandum item 1, and, if applicable, item 9.a, Memorandum items 2, 3, and 6 through 18 each quarter. Unless otherwise indicated, complete items 1 through 11 and Memorandum items 1 through 3 on an "unconsolidated single FDIC certificate number basis" (see instructions) and complete Memorandum items 6 through 18 on a fully consolidated basis.

Dollar amounts in thousands			
1. Total deposit liabilities before exclusions (gross) as defined in Section 3(l) of the Federal Deposit Insurance Act and FDIC regulations	RCFDF236	24,164,000	1.
2. Total allowable exclusions, including interest accrued and unpaid on allowable exclusions (including foreign deposits)	RCFDF237	0	2.
3. Total foreign deposits, including interest accrued and unpaid thereon (included in item 2 above)	RCFNF234	0	3.
4. Average consolidated total assets for the calendar quarter	RCFDK652	25,948,000	4.
a. Averaging method used (for daily averaging, enter 1; for weekly averaging, enter 2)	RCFDK653	1	4.a.
5. Average tangible equity for the calendar quarter[1]	RCFDK654	2,181,000	5.
6. Holdings of long-term unsecured debt issued by other FDIC-insured depository institutions	RCFDK655	0	6.
7. Unsecured "Other borrowings" with a remaining maturity of (sum of items 7.a through 7.d must be less than or equal to Schedule RC-M, items 5.b.(1)(a)-(d) minus item 10.b):			7.
a. One year or less	RCFDG465	0	7.a.
b. Over one year through three years	RCFDG466	0	7.b.
c. Over three years through five years	RCFDG467	0	7.c.
d. Over five years	RCFDG468	0	7.d.
8. Subordinated notes and debentures with a remaining maturity of (sum of items 8.a through 8.d must equal Schedule RC, item 19):			8.
a. One year or less	RCFDG469	0	8.a.
b. Over one year through three years	RCFDG470	0	8.b.
c. Over three years through five years	RCFDG471	0	8.c.
d. Over five years	RCFDG472	0	8.d.
9. Brokered reciprocal deposits (included in Schedule RC-E, Part I, Memorandum item 1.b)	RCONG803	0	9.
Item 9.a is to be completed on a fully consolidated basis by all institutions that own another insured depository institution. a. Fully consolidated brokered reciprocal deposits	RCONL190	NR	9.a.
10. Banker's bank certification: Does the reporting institution meet both the statutory definition of a banker's bank and the business conduct test set forth in FDIC regulations? If the answer to item 10 is "YES," complete items 10.a and 10.b.	RCFDK656	No	10.
If the answer to item 10 is "YES," complete items 10.a and 10.b. a. Banker's bank deduction	RCFDK657	NR	10.a.
b. Banker's bank deduction limit	RCFDK658	NR	10.b.
11. Custodial bank certification: Does the reporting institution meet the definition of a custodial bank set forth in FDIC regulations? If the answer to item 11 is "YES," complete items 11.a and 11.b.	RCFDK659	No	11.
If the answer to item 11 is "YES," complete items 11.a and 11.b. a. Custodial bank deduction	RCFDK660	NR	11.a.
b. Custodial bank deduction limit	RCFDK661	NR	11.b.
1. Total deposit liabilities of the bank (including related interest accrued and unpaid) less allowable exclusions (including related interest accrued and unpaid) (sum of Memorandum items 1.a.(1), 1.b.(1), 1.c.(1), and 1.d.(1) must equal Schedule RC-O, item 1 less item 2):			M.1.
a. Deposit accounts (excluding retirement accounts) of $250,000 or less:[1]			M.1.a.
1. Amount of deposit accounts (excluding retirement accounts) of $250,000 or less	RCONF049	10,441,000	M.1.a.1.
2. Number of deposit accounts (excluding retirement accounts) of $250,000 or less	RCONF050	711562	M.1.a.2.
b. Deposit accounts (excluding retirement accounts) of more than $250,000:[1]			M.1.b.
1. Amount of deposit accounts (excluding retirement accounts) of more than $250,000	RCONF051	9,414,000	M.1.b.1.
2. Number of deposit accounts (excluding retirement accounts) of more than $250,000	RCONF052	21260	M.1.b.2.
c. Retirement deposit accounts of $250,000 or less:[1]			M.1.c.
1. Amount of retirement deposit accounts of $250,000 or less	RCONF045	4,309,000	M.1.c.1.
2. Number of retirement deposit accounts of $250,000 or less	RCONF046	93623	M.1.c.2.
d. Retirement deposit accounts of more than $250,000:[1]			M.1.d.

1. See instructions for averaging methods. For deposit insurance assessment purposes, tangible equity is defined as Tier 1 capital as set forth in the banking agencies' regulatory capital standards and reported in Schedule RC-R, Part I, item 26, except as described in the instructions.
1. The dollar amounts used as the basis for reporting in Memorandum items 1.a through 1.d reflect the deposit insurance limits in effect on the report date.

Dollar amounts in thousands

1. Amount of retirement deposit accounts of more than $250,000	RCONF047	0	M.1.d.1.
2. Number of retirement deposit accounts of more than $250,000	RCONF048	0	M.1.d.2.
Memorandum item 2 is to be completed by banks with $1 billion or more in total assets. 2. Estimated amount of uninsured deposits in domestic offices of the bank and in insured branches in Puerto Rico and U.S. territories and possessions, including related interest accrued and unpaid (see instructions)[3]	RCON5597	700,000	M.2.
3. Has the reporting institution been consolidated with a parent bank or savings association in that parent bank's or parent savings association's Call Report? If so, report the legal title and FDIC Certificate Number of the parent bank or parent savings association:			M.3.
a. Legal title	TEXTA545	NR	M.3.a.
b. FDIC Certificate Number	RCONA545	0	M.3.b.
4. Dually payable deposits in the reporting institution's foreign branches	RCFNGW43	NR	M.4.
Memorandum items 5 through 12 are to be completed by "large institutions" and "highly complex institutions" as defined in FDIC regulations. 5. Applicable portion of the CECL transitional amount or modified CECL transitional amount that has been added to retained earnings for regulatory capital purposes as of the current report date and is attributable to loans and leases held for investment	RCFDMW53	0	M.5.
6. Criticized and classified items:			M.6.
a. Special mention	RCFDK663	CONF	M.6.a.
b. Substandard	RCFDK664	CONF	M.6.b.
c. Doubtful	RCFDK665	CONF	M.6.c.
d. Loss	RCFDK666	CONF	M.6.d.
7. "Nontraditional 1-4 family residential mortgage loans" as defined for assessment purposes only in FDIC regulations:			M.7.
a. Nontraditional 1-4 family residential mortgage loans	RCFDN025	CONF	M.7.a.
b. Securitizations of nontraditional 1-4 family residential mortgage loans	RCFDN026	CONF	M.7.b.
8. "Higher-risk consumer loans" as defined for assessment purposes only in FDIC regulations:			M.8.
a. Higher-risk consumer loans	RCFDN027	CONF	M.8.a.
b. Securitizations of higher-risk consumer loans	RCFDN028	CONF	M.8.b.
9. "Higher-risk commercial and industrial loans and securities" as defined for assessment purposes only in FDIC regulations:			M.9.
a. Higher-risk commercial and industrial loans and securities	RCFDN029	CONF	M.9.a.
b. Securitizations of higher-risk commercial and industrial loans and securities	RCFDN030	CONF	M.9.b.
10. Commitments to fund construction, land development, and other land loans secured by real estate for the consolidated bank:			M.10.
a. Total unfunded commitments	RCFDK676	0	M.10.a.
b. Portion of unfunded commitments guaranteed or insured by the U.S. government (including the FDIC)	RCFDK677	0	M.10.b.
11. Amount of other real estate owned recoverable from the U.S. government under guarantee or insurance provisions (excluding FDIC loss-sharing agreements)	RCFDK669	0	M.11.
12. Nonbrokered time deposits of more than $250,000 in domestic offices (included in Schedule RC-E, Memorandum item 2.d)	RCONK678	0	M.12.
Memorandum item 13.a is to be completed by "large institutions" and "highly complex institutions" as defined in FDIC regulations. Memorandum items 13.b through 13.h are to be completed by "large institutions" only. 13. Portion of funded loans and securities in domestic and foreign offices guaranteed or insured by the U.S. government (including FDIC loss-sharing agreements):			M.13.
a. Construction, land development, and other land loans secured by real estate	RCFDN177	0	M.13.a.
b. Loans secured by multifamily residential and nonfarm nonresidential properties	RCFDN178	0	M.13.b.
c. Closed-end loans secured by first liens on 1-4 family residential properties	RCFDN179	7,000	M.13.c.
d. Closed-end loans secured by junior liens on 1-4 family residential properties and revolving, open-end loans secured by 1-4 family residential properties and extended under lines of credit	RCFDN180	0	M.13.d.
e. Commercial and industrial loans	RCFDN181	0	M.13.e.
f. Credit card loans to individuals for household, family, and other personal expenditures	RCFDN182	0	M.13.f.
g. All other loans to individuals for household, family, and other personal expenditures	RCFDN183	0	M.13.g.
h. Non-agency residential mortgage-backed securities	RCFDM963	0	M.13.h.
Memorandum items 14 and 15 are to be completed by "highly complex institutions" as defined in FDIC regulations. 14. Amount of the institution's largest counterparty exposure	RCFDK673	CONF	M.14.
15. Total amount of the institution's 20 largest counterparty exposures	RCFDK674	CONF	M.15.

3. Uninsured deposits should be estimated based on the deposit insurance limits set forth in Memorandum items 1.a through 1.d.

Dollar amounts in thousands			
Memorandum item 16 is to be completed by "large institutions" and "highly complex institutions" as defined in FDIC regulations. 16. Portion of loans restructured in troubled debt restructurings that are in compliance with their modified terms and are guaranteed or insured by the U.S. government (including the FDIC) (included in Schedule RC-C, part I, Memorandum item 1)	RCFDL189	**3,000**	M.16.
Memorandum item 17 is to be completed on a fully consolidated basis by those "large institutions" and "highly complex institutions" as defined in FDIC regulations that own another insured depository institution. 17. Selected fully consolidated data for deposit insurance assessment purposes:			M.17.
a. Total deposit liabilities before exclusions (gross) as defined in Section 3(l) of the Federal Deposit Insurance Act and FDIC regulations	RCFDL194	**NR**	M.17.a.
b. Total allowable exclusions, including interest accrued and unpaid on allowable exclusions (including foreign deposits)	RCFDL195	**NR**	M.17.b.
c. Unsecured "Other borrowings" with a remaining maturity of one year or less	RCFDL196	**NR**	M.17.c.
d. Estimated amount of uninsured deposits in domestic offices of the institution and in insured branches in Puerto Rico and U.S. territories and possessions, including related interest accrued and unpaid	RCONL197	**NR**	M.17.d.

Schedule RC-P - 1-4 Family Residential Mortgage Banking Activities in Domestic Offices(Form Type - 031)

Schedule RC-P is to be completed by banks at which either 1-4 family residential mortgage loan originations and purchases for resale from all sources, loan sales, or quarter-end loans held for sale or trading in domestic offices exceed $10 million for two consecutive quarters.

Dollar amounts in thousands			
1. Retail originations during the quarter of 1-4 family residential mortgage loans for sale[1]	RCONHT81	0	1.
2. Wholesale originations and purchases during the quarter of 1-4 family residential mortgage loans for sale[2]	RCONHT82	0	2.
3. 1-4 family residential mortgage loans sold during the quarter	RCONFT04	0	3.
4. 1-4 family residential mortgage loans held for sale or trading at quarter-end (included in Schedule RC, items 4.a and 5)	RCONFT05	0	4.
5. Noninterest income for the quarter from the sale, securitization, and servicing of 1-4 family residential mortgage loans (included in Schedule RI, items 5.c, 5.f, 5.g, and 5.i)	RIADHT85	0	5.
6. Repurchases and indemnifications of 1-4 family residential mortgage loans during the quarter	RCONHT86	0	6.
7. Representation and warranty reserves for 1-4 family residential mortgage loans sold:			7.
a. For representations and warranties made to U.S. government agencies and government-sponsored agencies	RCONL191	CONF	7.a.
b. For representations and warranties made to other parties	RCONL192	CONF	7.b.
c. Total representation and warranty reserves (sum of items 7.a and 7.b)	RCONM288	0	7.c.

Schedule RC-Q - Assets and Liabilities Measured at Fair Value on a Recurring Basis(Form Type - 031)

Schedule RC-Q is to be completed by banks that:

(1) Have elected to report financial instruments or servicing assets and liabilities at fair value under a fair value option with changes in fair value recognized in earnings, or (2) Are required to complete Schedule RC-D, Trading Assets and Liabilities.

Dollar amounts in thousands	(Column A) Total Fair Value Reported on Schedule RC	(Column B) LESS: Amounts Netted in the Determination of Total Fair Value	(Column C) Level 1 Fair Value Measurements	(Column D) Level 2 Fair Value Measurements	(Column E) Level 3 Fair Value Measurements	
1. Available-for-sale debt securities and equity securities with readily determinable fair values not held for trading[1]	RCFDJA36 0	RCFDG474 0	RCFDG475 0	RCFDG476 0	RCFDG477 0	1.
2. Federal funds sold and securities purchased under agreements to resell	RCFDG478 0	RCFDG479 0	RCFDG480 0	RCFDG481 0	RCFDG482 0	2.
3. Loans and leases held for sale	RCFDG483 0	RCFDG484 0	RCFDG485 0	RCFDG486 0	RCFDG487 0	3.
4. Loans and leases held for investment	RCFDG488 0	RCFDG489 0	RCFDG490 0	RCFDG491 0	RCFDG492 0	4.
5. Trading assets:						5.
a. Derivative assets	RCFD3543 0	RCFDG493 0	RCFDG494 0	RCFDG495 0	RCFDG496 0	5.a.
b. Other trading assets	RCFDG497 0	RCFDG498 0	RCFDG499 0	RCFDG500 0	RCFDG501 0	5.b.
1. Nontrading securities at fair value with changes in fair value reported in current earnings (included in Schedule RC-Q, item 5.b, above)	RCFDF240 0	RCFDF684 0	RCFDF692 0	RCFDF241 0	RCFDF242 0	5.b.1.
6. All other assets	RCFDG391 0	RCFDG392 0	RCFDG395 0	RCFDG396 0	RCFDG804 0	6.
7. Total assets measured at fair value on a recurring basis (sum of items 1 through 5.b plus item 6)	RCFDG502 0	RCFDG503 0	RCFDG504 0	RCFDG505 0	RCFDG506 0	7.
8. Deposits	RCFDF252 0	RCFDF686 0	RCFDF694 0	RCFDF253 0	RCFDF254 0	8.
9. Federal funds purchased and securities sold under agreements to repurchase	RCFDG507 0	RCFDG508 0	RCFDG509 0	RCFDG510 0	RCFDG511 0	9.
10. Trading liabilities:						10.
a. Derivative liabilities	RCFD3547 0	RCFDG512 0	RCFDG513 0	RCFDG514 0	RCFDG515 0	10.a.
b. Other trading liabilities	RCFDG516 0	RCFDG517 0	RCFDG518 0	RCFDG519 0	RCFDG520 0	10.b.

1. Exclude originations and purchases of 1–4 family residential mortgage loans that are held for investment.
1. The amount reported in item 1, column A, must equal the sum of Schedule RC, items 2.b and 2.c.

Dollar amounts in thousands	(Column A) Total Fair Value Reported on Schedule RC	(Column B) LESS: Amounts Netted in the Determination of Total Fair Value	(Column C) Level 1 Fair Value Measurements	(Column D) Level 2 Fair Value Measurements	(Column E) Level 3 Fair Value Measurements	
11. Other borrowed money	RCFDG521 0	RCFDG522 0	RCFDG523 0	RCFDG524 0	RCFDG525 0	11.
12. Subordinated notes and debentures	RCFDG526 0	RCFDG527 0	RCFDG528 0	RCFDG529 0	RCFDG530 0	12.
13. All other liabilities	RCFDG805 0	RCFDG806 0	RCFDG807 0	RCFDG808 0	RCFDG809 0	13.
14. Total liabilities measured at fair value on a recurring basis (sum of items 8 through 13)	RCFDG531 0	RCFDG532 0	RCFDG533 0	RCFDG534 0	RCFDG535 0	14.
1. All other assets (itemize and describe amounts included in Schedule RC-Q, item 6, that are greater than $100,000 and exceed 25% of item 6):						M.1.
a. Mortgage servicing assets	RCFDG536 0	RCFDG537 0	RCFDG538 0	RCFDG539 0	RCFDG540 0	M.1.a.

Dollar amounts in thousands	(Column A) Total Fair Value Reported on Schedule RC	(Column B) LESS: Amounts Netted in the Determination of Total Fair Value	(Column C) Level 1 Fair Value Measurements	(Column D) Level 2 Fair Value Measurements	(Column E) Level 3 Fair Value Measurements	
b. Nontrading derivative assets	RCFDG541 0	RCFDG542 0	RCFDG543 0	RCFDG544 0	RCFDG545 0	M.1.b.

Dollar amounts in thousands			
c. Disclose component and the dollar amount of that component:			M.1.c.
1. Describe component	TEXTG546	NR	M.1.c.1.

Dollar amounts in thousands			
d. Disclose component and the dollar amount of that component:			M.2.d.
1. Describe component	TEXTG576	NR	M.2.d.1.

Dollar amounts in thousands	(Column A) Total Fair Value Reported on Schedule RC	(Column B) LESS: Amounts Netted in the Determination of Total Fair Value	(Column C) Level 1 Fair Value Measurements	(Column D) Level 2 Fair Value Measurements	(Column E) Level 3 Fair Value Measurements	
2. Amount of component	RCFDG576 0	RCFDG577 0	RCFDG578 0	RCFDG579 0	RCFDG580 0	M.2.d.2.

Dollar amounts in thousands			
e. Disclose component and the dollar amount of that component:			M.2.e.
1. Describe component	TEXTG581	NR	M.2.e.1.

Dollar amounts in thousands	(Column A) Total Fair Value Reported on Schedule RC	(Column B) LESS: Amounts Netted in the Determination of Total Fair Value	(Column C) Level 1 Fair Value Measurements	(Column D) Level 2 Fair Value Measurements	(Column E) Level 3 Fair Value Measurements	
2. Amount of component	RCFDG581 0	RCFDG582 0	RCFDG583 0	RCFDG584 0	RCFDG585 0	M.2.e.2.

Dollar amounts in thousands			
f. Disclose component and the dollar amount of that component:			M.2.f.
1. Describe component (TEXTG586) NR			M.2.f.1.

Dollar amounts in thousands	(Column A) Total Fair Value Reported on Schedule RC	(Column B) LESS: Amounts Netted in the Determination of Total Fair Value	(Column C) Level 1 Fair Value Measurements	(Column D) Level 2 Fair Value Measurements	(Column E) Level 3 Fair Value Measurements	
2. Amount of component	RCFDG586 0	RCFDG587 0	RCFDG588 0	RCFDG589 0	RCFDG590 0	M.2.f.2.

Dollar amounts in thousands	Consolidated Bank		
3. Loans measured at fair value (included in Schedule RC-C, Part I, items 1 through 9):			M.3.
a. Loans secured by real estate:			M.3.a.
1. Secured by 1-4 family residential properties	RCFDHT87	NR	M.3.a.1.
2. All other loans secured by real estate	RCFDHT88	NR	M.3.a.2.
b. Commercial and industrial loans	RCFDF585	NR	M.3.b.
c. Loans to individuals for household, family, and other personal expenditures (i.e., consumer loans) (includes purchased paper)	RCFDHT89	NR	M.3.c.
d. Other loans	RCFDF589	NR	M.3.d.
4. Unpaid principal balance of loans measured at fair value (reported in Schedule RC-Q, Memorandum item 3):			M.4.
a. Loans secured by real estate:			M.4.a.
1. Secured by 1-4 family residential properties	RCFDHT91	NR	M.4.a.1.
2. All other loans secured by real estate	RCFDHT92	NR	M.4.a.2.
b. Commercial and industrial loans	RCFDF597	NR	M.4.b.
c. Loans to individuals for household, family, and other personal expenditures (i.e., consumer loans) (includes purchased paper)	RCFDHT93	NR	M.4.c.
d. Other loans	RCFDF601	NR	M.4.d.

Schedule RC-R Part I - Regulatory Capital Components and Ratios(Form Type - 031)

Part I is to be completed on a consolidated basis.

Dollar amounts in thousands			
1. Common stock plus related surplus, net of treasury stock and unearned employee stock ownership plan (ESOP) shares	RCFAP742	26,000	1.
2. Retained earnings[1]	RCFAKW00	2,166,000	2.
To be completed only by institutions that have adopted ASU 2016-13: a. Does your institution have a CECL transition election in effect as of the quarter-end report date? (enter "0" for No; enter "1" for Yes with a 3-year CECL transition election; enter "2" for Yes with a 5-year 2020 CECL transition election.)	RCOAJJ29	0	2.a.
3. Accumulated other comprehensive income (AOCI)	RCFAB530	0	3.
a. AOCI opt-out election (enter "1" for Yes; enter "0" for No.) (Advanced approaches institutions must enter "0" for No.)	RCOAP838	0	3.a.
4. Common equity tier 1 minority interest includable in common equity tier 1 capital	RCFAP839	0	4.
5. Common equity tier 1 capital before adjustments and deductions (sum of items 1 through 4)	RCFAP840	2,192,000	5.
6. LESS: Goodwill net of associated deferred tax liabilities (DTLs)	RCFAP841	0	6.
7. LESS: Intangible assets (other than goodwill and mortgage servicing assets (MSAs)), net of associated DTLs	RCFAP842	0	7.
8. LESS: Deferred tax assets (DTAs) that arise from net operating loss and tax credit carryforwards, net of any related valuation allowances and net of DTLs	RCFAP843	0	8.
9. AOCI-related adjustments (items 9.a through 9.e are effective January 1, 2015) (if entered "1" for Yes in item 3.a, complete only items 9.a through 9.e; if entered "0" for No in item 3.a, complete only item 9.f):			9.
a. LESS: Net unrealized gains (losses) on available-for-sale debt securities (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP844	NR	9.a.
b. Not applicable.			9.b.
c. LESS: Accumulated net gains (losses) on cash flow hedges (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP846	NR	9.c.
d. LESS: Amounts recorded in AOCI attributed to defined benefit postretirement plans resulting from the initial and subsequent application of the relevant GAAP standards that pertain to such plans (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP847	NR	9.d.
e. LESS: Net unrealized gains (losses) on held-to-maturity securities that are included in AOCI (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAP848	NR	9.e.
f. LESS: Accumulated net gain (loss) on cash flow hedges included in AOCI, net of applicable income taxes, that relate to the hedging of items that are not recognized at fair value on the balance sheet (if a gain, report as a positive value; if a loss, report as a negative value) (To be completed only by institutions that entered "0" for No in item 3.a)	RCFAP849	0	9.f.
10. Other deductions from (additions to) common equity tier 1 capital before threshold-based deductions:			10.
a. LESS: Unrealized net gain (loss) related to changes in the fair value of liabilities that are due to changes in own credit risk (if a gain, report as a positive value; if a loss, report as a negative value)	RCFAQ258	0	10.a.
b. LESS: All other deductions from (additions to) common equity tier 1 capital before threshold-based deductions.	RCFAP850	8,000	10.b.

Dollar amounts in thousands	(Column A) Non-advanced Approaches Institutions		(Column B) Advanced Approaches Institutions		
11. LESS: Non-significant investments in the capital of unconsolidated financial institutions in the form of common stock that exceed the 10 percent threshold for non-significant investments			RCFWP851	0	11.
12. Subtotal (for column A, item 5 minus items 6 through 10.b; for column B, item 5 minus items 6 through 11)	RCFAP852	NR	RCFWP852	2,184,000	12.
13. Not available					13.
a. LESS: Investments in the capital of unconsolidated financial institutions, net of associated DTLs, that exceed 25 percent of item 12	RCFALB58	NR			13.a.
b. LESS: Significant investments in the capital of unconsolidated financial institutions in the form of common stock, net of associated DTLs, that exceed the 10 percent common equity tier 1 capital deduction threshold			RCFWP853	0	13.b.
14. Not available					14.
a. LESS: MSAs, net of associated DTLs, that exceed 25 percent of item 12	RCFALB59	NR			14.a.
b. LESS: MSAs, net of associated DTLs, that exceed the 10 percent common equity tier 1 capital deduction threshold			RCFWP854	0	14.b.
15. Not available					15.
a. LESS: DTAs arising from temporary differences that could not be realized through net operating loss carrybacks, net of related valuation allowances and net of DTLs, that exceed 25 percent of item 12	RCFALB60	NR			15.a.
b. LESS: DTAs arising from temporary differences that could not be realized through net operating loss carrybacks, net of related valuation allowances and net of DTLs, that exceed the 10 percent common equity tier 1 capital deduction threshold			RCFWP855	0	15.b.
16. LESS: Amount of significant investments in the capital of unconsolidated financial institutions in the form of common stock, net of associated DTLs; MSAs, net of associated DTLs; and DTAs arising from temporary differences that could not be realized through net operating loss carrybacks, net of related valuation allowances and net of DTLs; that exceeds the 15 percent common equity tier 1 capital deduction threshold			RCFWP856	0	16.
17. LESS: Deductions applied to common equity tier 1 capital due to insufficient amounts of additional tier 1 capital and tier 2 capital to cover deductions	RCFAP857	NR	RCFWP857	0	17.
18. Total adjustments and deductions for common equity tier 1 capital[3]	RCFAP858	NR	RCFWP858	0	18.
19. Common equity tier 1 capital (item 12 minus item 18)	RCFAP859	NR	RCFWP859	2,184,000	19.

Dollar amounts in thousands			
20. Additional tier 1 capital instruments plus related surplus	RCFAP860	0	20.
21. Non-qualifying capital instruments subject to phase out from additional tier 1 capital	RCFAP861	0	21.
22. Tier 1 minority interest not included in common equity tier 1 capital	RCFAP862	0	22.
23. Additional tier 1 capital before deductions (sum of items 20, 21, and 22)	RCFAP863	0	23.
24. LESS: Additional tier 1 capital deductions	RCFAP864	0	24.
25. Additional tier 1 capital (greater of item 23 minus item 24, or zero)	RCFAP865	0	25.
26. Tier 1 capital[1]	RCFA8274	2,184,000	26.
27. Average total consolidated assets[2]	RCFAKW03	25,948,000	27.
28. LESS: Deductions from common equity tier 1 capital and additional tier 1 capital (sum of items 6, 7, 8, 10.b, 13 through 15, 17, and certain elements of item 24 - see instructions)[3]	RCFAP875	8,000	28.
29. LESS: Other deductions from (additions to) assets for leverage ratio purposes	RCFAB596	0	29.
30. Total assets for the leverage ratio (item 27 minus items 28 and 29)	RCFAA224	25,940,000	30.
31. Leverage ratio (item 26 divided by 30)	RCFA7204	8.4194%	31.
a. Does your institution have a community bank leverage ratio (CBLR) framework election in effect as of the quarter-end report date? (enter "1" for Yes; enter "0" for No)	RCOALE74	0	31.a.

1. Institutions that have adopted ASU 2016-13 and have elected to apply the 3-year or the 5-year 2020 CECL transition provision should include the applicable portion of the CECL transitional amount or the modified CECL transitional amount, respectively, in this item.

Dollar amounts in thousands	(Column A) Amount		(Column B) Percentage		
32. Total assets*	RCFA2170	NR			32.
33. Trading assets and trading liabilities (Schedule RC, sum of items 5 and 15). Report as a dollar amount in Column A and as a percentage of total assets (5% limit) in Column B	RCFAKX77	NR	RCFAKX78	NR	33.
34. Off-balance sheet exposures:					34.
a. Unused portion of conditionally cancellable commitments	RCFAKX79	NR			34.a.
b. Securities lent and borrowed (Schedule RC-L, sum of items 6.a and 6.b)	RCFAKX80	NR			34.b.
c. Other off-balance sheet exposures	RCFAKX81	NR			34.c.
d. Total off-balance sheet exposures (sum of items 34.a through 34.c). Report as a dollar amount in Column A and as a percentage of total assets (25% limit) in Column B	RCFAKX82	NR	RCFAKX83	NR	34.d.

Dollar amounts in thousands			
35. Unconditionally cancellable commitments	RCFAS540	NR	35.
36. Investments in the tier 2 capital of unconsolidated financial institutions	RCFALB61	NR	36.
37. Allocated transfer risk reserve	RCFA3128	NR	37.
38. Amount of allowances for credit losses on purchased credit-deteriorated assets:			38.
a. Loans and leases held for investment	RCFAJJ30	NR	38.a.
b. Held-to-maturity debt securities	RCFAJJ31	NR	38.b.
c. Other financial assets measured at amortized cost	RCFAJJ32	NR	38.c.
39. Tier 2 capital instruments plus related surplus	RCFAP866	0	39.
40. Non-qualifying capital instruments subject to phase-out from tier 2 capital	RCFAP867	0	40.
41. Total capital minority interest that is not included in tier 1 capital	RCFAP868	0	41.
42. Allowance for loan and lease losses and eligible credit reserves includable in tier 2 capital			42.
a. Allowance for loan and lease losses includable in tier 2 capital[1]	RCFA5310	9,000	42.a.
b. (Advanced approaches institutions that exit parallel run only): Eligible credit reserves includable in tier 2 capital.	RCFW5310	0	42.b.
43. Not applicable.			43.
44. Tier 2 capital before deductions			44.
a. Tier 2 capital before deductions (sum of items 39 through 42)	RCFAP870	9,000	44.a.
b. (Advanced approaches institutions that exit parallel run only): Tier 2 capital before deductions (sum of items 39 through 41, plus item 42.b)	RCFWP870	0	44.b.
45. LESS: Tier 2 capital deductions	RCFAP872	0	45.
46. Tier 2 capital			46.
a. Tier 2 capital (greater of item 44.a minus item 45, or zero)	RCFA5311	9,000	46.a.
b. (Advanced approaches institutions that exit parallel run only): Tier 2 capital (greater of item 44.b minus item 45, or zero)	RCFW5311	0	46.b.
47. Total capital			47.
a. Total capital (sum of items 26 and 46.a)	RCFA3792	2,193,000	47.a.
b. (Advanced approaches institutions that exit parallel run only): Total capital (sum of items 26 and 46.b)	RCFW3792	2,184,000	47.b.
48. Total risk-weighted assets			48.
a. Total risk-weighted assets (from Schedule RC-R, Part II, item 31)	RCFAA223	7,536,000	48.a.
b. (Advanced approaches institutions that exit parallel run only): Total risk-weighted assets using advanced approaches rule (from FFIEC 101 Schedule A, item 60)	RCFWA223	4,167,000	48.b.

3. Beginning with the June 30, 2020, report date, all non-advanced approaches institutions should report in item 18, column A, the sum of items 13.a, 14.a, 15.a, and 17, column A; all advanced approaches institutions should report in item 18, column B, the sum of items 13.b, 14.b, 15.b, 16, and 17, column B.

1. Beginning with the June 30, 2020, report date, all non-advanced approaches institutions should report the sum of item 19, column A, and item 25 in item 26; all advanced approaches institutions should report the sum of item 19, column B, and item 25 in item 26.

2. Institutions that have adopted ASU 2016-13 and have elected to apply the 3-year or the 5-year 2020 CECL transition provision should include the applicable portion of the CECL transitional amount or the modified CECL transitional amount, respectively, in item 27.

3. Beginning with the June 30, 2020, report date, all non-advanced approaches institutions should report in item 28 the sum of items 6, 7, 8, 10.b, 13.a, 14.a, 15.a, 17 (column A), and certain elements of item 24 - see instructions; all advanced approaches institutions should report in item 28, the sum of items 6, 7, 8, 10.b, 11, 13.b, 14.b, 15.b, 16, 17 (column B), and certain elements of item 24 - see instructions.

Dollar amounts in thousands	(Column A) Percentage		(Column B) Percentage		
49. Common equity tier 1 capital ratio (Column A: item 19, column A or B, as applicable, divided by item 48.a) (Advanced approaches institutions that exit parallel run only: Column B: item 19, column B, divided by item 48.b)	RCFAP793	**28.9809%**	RCFWP793	**52.4118%**	49.
50. Tier 1 capital ratio (Column A: item 26 divided by item 48.a) (Advanced approaches institutions that exit parallel run only: Column B: item 26 divided by item 48.b)	RCFA7206	**28.9809%**	RCFW7206	**52.4118%**	50.
51. Total capital ratio (Column A: item 47.a divided by item 48.a) (Advanced approaches institutions that exit parallel run only: Column B: item 47.b divided by item 48.b)	RCFA7205	**29.1003%**	RCFW7205	**52.4118%**	51.

Dollar amounts in thousands			
52. Institution-specific capital buffer necessary to avoid limitations on distributions and discretionary bonus payments:			52.
a. Capital conservation buffer	RCFAH311	**21.1003%**	52.a.
b. Advanced approaches institutions and institutions subject to Category III capital standards only: Total applicable capital buffer	RCFWH312	**2.5000%**	52.b.
53. Eligible retained income[1]	RCFAH313	**NR**	53.
54. Distributions and discretionary bonus payments during the quarter[2]	RCFAH314	**NR**	54.
55. Advanced approaches institutions and institutions subject to Category III capital standards only: Supplementary leverage ratio information:			55.
a. Total leverage exposure[3]	RCFAH015	**25,940,000**	55.a.
b. Supplementary leverage ratio	RCFAH036	**8.4194%**	55.b.

*. For report dates through December 31, 2021, report the lesser of total assets reported in Schedule RC, item 12, as of December 31, 2019, or the current report date, which must be less than $10 billion.

1. Institutions that have adopted ASU 2016-13 should report the adjusted allowances for credit losses (AACL), as defined in the regulatory capital rule, in item 30.a.

1. Institutions must complete item 53 only if the amount reported in item 52.a above is less than or equal to 2.5000 percent (plus any other applicable buffer if the institution is an advanced approaches institution or a Category III institution).

2. Institutions must complete item 54 only if the amount reported in Schedule RC-R, Part I, item 46.a, in the Call Report for the December 31, 2019, report date was less than or equal to 2.5000 percent (plus any other applicable buffer if the institution is an advanced approaches institution or a Category III institution).

3. Institutions that have adopted ASU 2016-13 and have elected to apply the 3-year or the 5-year 2020 CECL transition provision should include the applicable portion of the CECL transitional amount or the modified CECL transitional amount, respectively, in item 55.a.

Schedule RC-R Part II - Risk-Weighted Assets(Form Type - 031)

Institutions are required to assign a 100 percent risk weight to all assets not specifically assigned a risk weight under Subpart D of the federal banking agencies' regulatory capital rules and not deducted from tier 1 or tier 2 capital.

CashPro® Invest

Bank of America Merrill Lynch

BofAML Liquidity Investment Portal

Seamless Liquidity Management

Constantly changing interest rates and regulatory requirements are having a real impact on the liquidity of short-term investment products. It's now more critical than ever to have a comprehensive view of all your investment options, and how those markets are performing. That's why we've enhanced CashPro® Invest to provide you with a single platform for your end-to-end liquidity needs.

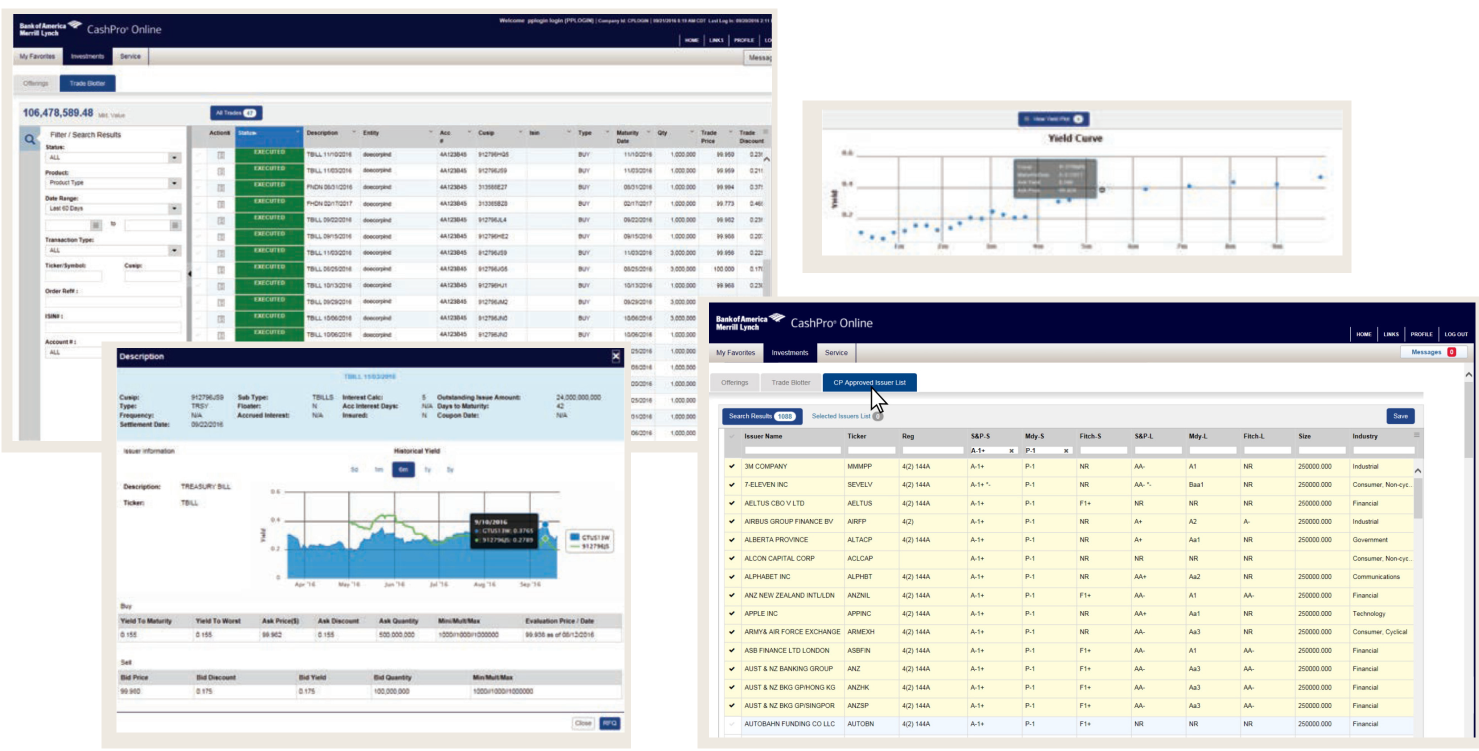
Our Liquidity Investment Portal offers access to a full range of short-term fixed income products including commercial paper, certificates of deposit, agency discount notes, treasury bills and money market funds. It delivers fast, live execution, and is seamlessly accessed through your existing CashPro login. The portal connects you directly to our trading desks with real-time pricing. You can easily view liquidity products, evaluate appropriate options, and immediately execute trades with no additional costs and without having to calling the desk.

Other resources include up to date information and intelligence to help evaluate liquidity instruments, plus robust documentation for record-keeping purposes. With CashPro Invest you can view investment account balances, download statements and transaction history. Call your salesperson for more details.

CashPro Invest | BofAML Liquidity Investment Portal Key Features:

Treasury bills, agency discount notes, certificates of deposit and commercial paper

- View and execute offerings of fixed income securities appropriate with your investment needs
- Create yield plot charts of available offers
- Use search and filter tools to define your unique liquidity needs
- Save search preferences to reflect your ongoing investment needs
- Approved Issuers List allows you to create and manage a list of CP issuers that complies with your investment policy
- Select and execute trades at your convenience based on individual investment objectives
- Export historical details and trade blotters to PDF and Excel.csv (up to three years)



Money market funds and bank liabilities

- Execute money market fund and bank liability product investment orders
- Same-day and future-dated (future-dated orders for CNAV mutual funds only and bank liabilities) order entry
- View a dashboard of your top portfolio holdings exposures by country, issuer and more, and search underlying holdings to view exposure
- View investment, DDA and automated sweep account balances in one location
- View transaction history for previous days (up to 180 days)
- View and download current month and historical statements (up to seven years)
- View projected payments for your portfolio holdings for the upcoming 21 calendar days
- Search money market fund offerings to view prospectuses, fund fact sheets and other related documents
- Dual client administration available similar to other CashPro modules
- Receive notifications for user-defined limits on trade entry for trades requiring approval and when investments are maturing on the current business day
- Download or transmit balance and transaction information for integration with a treasury workstation or other system

Credit Ratings: The status of any credit rating provided in this application may be changed at any time. Credit ratings are not updated on a real-time basis and you should verify the current status of any credit rating before relying on it to make an investment decision. The credit rating information shown in this application does not reflect any watch status that may be associated with the credit ratings. All information is indicative and subject to adjustment and correction at any time. Calculations may not represent fair market values for any instruments and are not suitable for trading purposes. There is no assurance that hypothetical results will be equal to actual performance under any market conditions.

Price Validation and Functionality: The prices, yields and inventory amounts shown in the application are updated continuously. All information is subject to change at any time while you are viewing a screen or performing other functions, including searches, within this application. Therefore, search results may be outside the specified ranges, out of sequence, or stale. There is no assurance that screen prices or quantities will be equal to actual trading prices.

BofAML, in its sole discretion, may provide customers with indicative prices. Upon receipt of an indicative price from BofAML, a customer may submit to BofAML an offer to execute a trade (Customer Offer). After receipt of a Customer Offer, BofAML automatically evaluates the Customer Offer based on certain pre-trade controls and proprietary parameters in an effort to prevent both BofAML and the customer from entering into transactions at prices that do not reflect the current market.

Parameters applicable to a customer may differ from those applicable to other customers, liquidity of products across trading channels and may lead to differences in pricing. BofAML is not obligated to accept any Customer Offer and may accept or reject a Customer Offer at its sole discretion. BofAML has an economic incentive when trading as principal and makes profits and incurs losses in connection with principal trading activity, which are solely for BofAML's account.

BofAML's electronic trading systems include automated circuit breakers, which, in the event of changes in market price levels over time, may impact customer pricing or result in the discontinuance of pricing.

BofAML is not obligated to distribute prices electronically and may, in its sole discretion, suspend, cancel or terminate any electronic trading service of the distribution of indicative prices at any time and for any reason, including as a result of market volatility or liquidity disruption.

BofAML, in its sole discretion, has the right to set limits and parameters to control a customer's use of BofAML's electronic trading service, including controls regarding: (a) maximum request amounts; (b) BofAML's total exposure to customer; (c) the price at which Customer Offers may be submitted; (d) the frequency of submission of Customer Offers; and (e) other limits BofAML wishes to establish.

Securities products are offered by Merrill Lynch, Pierce, Fenner & Smith Incorporated®. Non-securities products (including deposit products) and services are offered by Bank of America, N.A., a national banking subsidiary of Bank of America Corporation. An investment in a fund is not a bank deposit, and is not insured or guaranteed by MLPF&S, BANA or their affiliates, the FDIC or any other governmental agency and it is possible to lose money by investing in a fund. Constant NAV funds (CNAV funds) seek to maintain a constant net asset value of $1.00 per share; however, the net asset values of money market fund shares can fail, and, in infrequent cases in the past, have fallen below $1.00 per share, potentially causing shareholders who redeem their shares at such net asset values to lose money from their original investment. If the net asset value of a CNAV fund's shares were to fall below $1.00 per share, there is no guarantee that MLPF&S or its affiliates (including BANA) would protect the redeeming shareholders against a loss of principal. For fluctuating NAV funds (FNAV funds) whose share prices fluctuate, you may lose money by selling shares of FNAV funds at a lower price than you paid for them. Also, for fluctuating NAV funds, the fund may at certain times require a fee in order to redeem its shares. AN FNAV fund may also restrict redemptions at certain times if the fund's liquidity falls below a specific level due to extreme market conditions or other factors. These features could impair your ability to access your assets and could impair your liquidity. Please see the fund's prospectus and statement of additional information for a complete discussion of these and other principal risks of investing in the fund.

Please be advised that with respect to transactions in shares of money market funds or any other transactions designated in Rule 10b-10(b)(1) effected for your account, in lieu of an immediate confirmation, MLPF& S will provide you with a monthly or quarterly written statement. MLPF&S offers its clients investments in the funds of a number of fund families. MLPF&S may receive compensation from these funds and/or their service providers. Your MLPF&S sales representative may benefit financially from this compensation. Eurodollar Time Deposits involve investment risk, including possible loss of principal. Eurodollar time deposits are not considered to be a domestic deposit for insurance purposes and therefore are not covered by the United States government, FDIC, or any other government agency. Eurodollar time deposits are subject to the laws and regulations of the Cayman Islands, where they are held, and therefore have risk associated with such laws, including sovereign risk. Repurchase Agreements are not deposits, are not insured or guaranteed by the United States Government, the FDIC or any other government agency, and involve risks, including the loss of principal. Repurchase Agreements are based on underlying securities that may be direct obligations of, or guaranteed by, Government Sponsored Enterprises (e.g., FNMA and FHLMC), the U.S. government or agency thereof. We do not provide tax advice. Accordingly, any statements contained herein as to tax matters were neither written nor intended by us to be used and cannot be used by any taxpayer for the purpose of avoiding tax penalties that may be imposed on such taxpayer. Clients should review any planned financial transactions or arrangements that may have tax, accounting or legal implications with their personal professional advisors.

The power of local connections

At Bank of America, we have leading capabilities across all our businesses and a strategy that is focused on connecting our capabilities to deliver for our customers and clients. In every situation, we're committed to growing responsibly and sustainably — ensuring everything we do aligns to our purpose of helping people live better financial lives.

- Families can have the tools and support they need to live more successful financial lives.
- Neighborhoods can be built on a solid foundation of responsible home lending and economic development.
- Businesses, small and large, can benefit from our financial and intellectual capital.
- And the organizations, nonprofits and companies addressing society's toughest problems can have the resources and expertise of the company and the efforts of our over 200,000 employees behind them.

In each market, we strive to connect everything our company offers to our clients' personal and financial goals so we can provide tailored solutions to fit their needs. It's how we make this large company personal and how we help our customers, clients and communities thrive.

Community support

Grants and matching gifts[1] (since 2016)

$41 million

Advancing racial equality and economic opportunity, and addressing needs brought on by the coronavirus. Bank of America Charitable Foundation provided grants and matching gifts on behalf of employees.[1]

Employee giving and volunteerism[1] (since 2016)

$7.7 million

Total contribution by employees donated to local nonprofits and community needs. A portion of this amount was matched by the Bank of America Charitable Foundation.

220K hours

Employee volunteer hours contributed locally as part of our annual goal of giving 2 million volunteer hours across the company. #BofAVolunteers

[1] Community support amounts represent a cumulative five-year period of contributions; 20 quarters from fact sheet date.

Neighborhood Builders®

Through Neighborhood Builders®, we're advancing community sustainability by equipping organizations and their leaders with tools and resources to do more, including funding and leadership development workshops.

BANK OF AMERICA

CashPro®

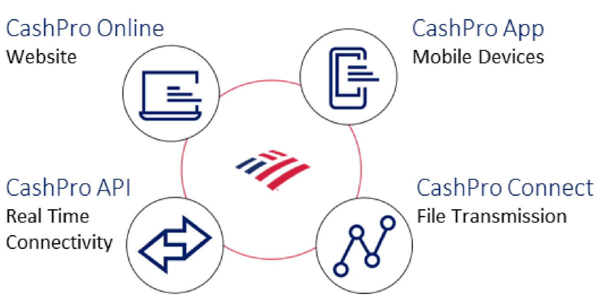
Tools to manage your banking relationship at Bank of America

Making business easier

CashPro is our global digital banking platform, delivering the power of Bank of America through a single, integrated solution.

Developed in close consultation with clients, CashPro represents our vision for the industry's best banking experience — providing greater control over your organization's financial solutions through simple, global access wherever and whenever you choose.

This fully integrated, multichannel experience can help you improve control, visibility, processing and scale.



Access channels

CashPro Online

Global online access for all of your commercial banking activities and reporting. Manage payments, receivables, trade services, credit, investment and now merchant services from one convenient platform. You also get CashPro Assistant, a powerful suite of solutions that streamline how you interact with us.

CashPro App

Delivers convenient access to CashPro capabilities on mobile devices – phone, tablet and Apple® watch. View account balances, input and approve payments, perform account transfers, decision check Positive Pay exceptions, deposit checks and complete user management tasks.

CashPro API

Gives you access to our CashPro data and services in real-time, digitally enabling your business. Our Developer Portal openly describes how to integrate our APIs into your treasury or ERP systems.

CashPro Connect

A file transmission service offering flexibility, integration and automation between your financial systems and BofA. Create a single file with multiple payment types – ACH, wire and check. Send payment files from your ERP or TMS. Receive direct receivables integration from ERP, TMS or accounts receivable systems. Reporting is also integrated with your systems.

Key benefits

Connect to virtually all the banking, global treasury, debt, liquidity, investment, trade and foreign exchange solutions you need.

- Spend less time navigating accounts and more time focusing on your core business, with robust account and transaction access and information.
- Execute transactions efficiently with straight-through-processing and simple workflows.
- Help reduce fraud through robust security features and user controls.
- Manage activities on the go with mobile access and alerts.
- Manage your banking relationship including signers and servicing requests.

CashPro services

Payments

Initiate a range of global payment types to help improve productivity and payment management. Manage high-value global payments and low-value ACH payments.

- **CashPro Payments** – Integrate and streamline the payment workflow through validation, routing codes, FX rates, local language, ad hoc templates and file import-based processing.
- **CashPro ACH*–** Initiate payments and collections from accounts with same-day processing (U.S. ACH transactions).
- **CashPro Check Management*** – Initiate check issues and voids, place stop payments, decision positive pay exceptions, review check status and retrieve check images (for accounts domiciled in the U.S., Canada and Latin America.)
- **CashPro BillPay* –** Automate bill payment and simplify your end-to-end payment process from creation to reconciliation.

Receivables

Simplify receivables processing, from exception item resolution to workflow efficiency and timely access to detailed and integrated receipts data.

- **Receivables*** – Access lockbox information/images online from 1-10 years with comprehensive reporting and targeted search.
- **Remote Deposit*** – Address check deposit payment challenges using a desktop scanner and mobile device. Associate data with check payment for reconciliation.
- **Intelligent Receivables** – Comprehensive account reconciliation powered by AI. A single point for payment file collection, remittance gathering, invoice matching and exception workflow.
- **Intelligent Deductions** – Track and manage deductions throughout their lifecycle.

Liquidity

Gain access to a suite of liquidity solutions that can help you better manage your cash position.

- **Asset-Based Lending** – Manage your loans with access to daily activity, current availability, collateral reporting, advance requests, interest statements, interest rate information, and letter of credit activity.
- **CashPro Credit*** – Quick, flexible access to credit information to increase your ability to assess and act on timely borrowing decisions. Review loan balances, details, invoices and account history. Based on eligibility, initiate a range of transactions including invoice and obligation payments, and loan advances.
- **CashPro Invest** – Obtain account information about your investment accounts. Retrieve consolidated information on your investments in one convenient reporting tool and submit orders from a single application.

CashPro Trade

Create and receive time-sensitive international trade and Supply Chain Finance transactions online. An extensive worldwide network of international branches and correspondent banks speed the handling of global trade transactions.

Reporting

Access information across all your accounts — including those at other banks, updated throughout the day and available 24/7.

- **Current and Prior Day Reports –** Access 10 days of current day and 24 months of prior day summary and transaction data via customizable reports in a variety of formats. Search for transactions, schedule reports for automated delivery, and submit service requests all in one location.
- **Statements –** Access up to 24 months of electronic end-of-cycle statements, including bank statements, account analysis statements and more.
- **CashPro Assistant Analytics –** Calculate your cash position quickly and automate the retrieval of your account data using Excel®.
- **Image Access** – Receive images of transactions, reports and statements instead of physical paper.
- **CashPro Forecasting –** Automate your cash forecasting process while improving accuracy using machine learning.

Alerts

Receive critical information even when you're away from the office. CashPro can alert you to important information, including payment exceptions, account balances, issue file confirmations and incoming wire transfers. Choose the accounts and the notification methods that work best for you — email or text message.

CashPro Assistant

A powerful suite of solutions that streamline how you interact with us. Whether it's electronic signing and exchanging documents online, tracking the status of onboarding and service requests, or viewing guides and tutorials, this service makes it easier to do business.

- **Service Dashboard –** View status and take action on pending service requests.
- **Authority Management** – View, export and modify entity and account signers.
- **Document Center** – Read, share and eSign important documents and reply to requests for KYC and other documentation.

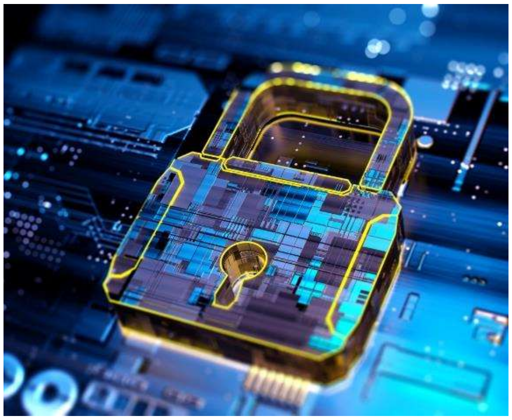
CashPro administration

Enhanced User Controls and Flexibility

Available online and on the mobile app

- User entitlements and maintenance – Assign user access to applications, activities, and accounts
- Approval queue – Access, modify and manage all requests for users and company in a centralized queue
- Reporting – Access to company, user and application-level reports online, as well as the ability to search detailed audit events
- Access controls – Help reduce risk of fraudulent payment activities with dual administration and security tokens

Security and fraud protection



Robust Security

- Two-factor authentication and transaction signing
- Fraud detection and monitoring
- Application entitlements and administrative controls
- Transport Layer Security (TLS) email encryption product available to send messages; eliminates using secure email process.
- Multiple encryption options for file transmission
- CashPro provides both SOC 1 and SOC Type 2 third-party reports annually, attesting to the integrity of CashPro controls

Fraud Prevention

CashPro can help improve overall control of your accounts. Protect your accounts from check fraud by reviewing items presented for payment that do not match your check issue file. You can also choose to automatically block all incoming ACH debits and credits, or review transactions and accept or return each item.

COMMUNITY REINVESTMENT ACT PERFORMANCE EVALUATION

Bank of America, N.A
Charter Number 13044

100 North Tryon Street
Charlotte, North Carolina 28255

Office of the Comptroller of the Currency

Large Bank Supervision
Constitution Center
400 7th Street SW
Washington, District of Columbia 20219

NOTE: This document is an evaluation of this institution's record of meeting the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with safe and sound operation of the institution. This evaluation is not, and should not be construed as, an assessment of the financial condition of this institution. The rating assigned to this institution does not represent an analysis, conclusion, or opinion of the federal financial supervisory agency concerning the safety and soundness of this financial institution.

Table of Contents

Overall CRA Rating

Institution's CRA Rating: This institution is rated **Outstanding.**

The following table indicates the performance level of Bank of America, N.A. with respect to the Lending, Investment, and Service Tests:

	Bank of America, N.A. Performance Tests		
Performance Levels	Lending Test*	Investment Test	Service Test
Outstanding	X	X	
High Satisfactory			X
Low Satisfactory			
Needs to Improve			
Substantial Noncompliance			

* The Lending Test is weighted more heavily than the Investment Test and Service Test when arriving at an overall rating.

The major factors that support this rating include:

- Excellent Lending Test performance in a majority of the rating areas, particularly in the most populous rating areas such as the New York Multistate Metropolitan Statistical Area (MSA), Washington DC Multistate MSA, and the states of California, Florida, and Texas. In general, the bank demonstrated good lending activity, good geographic distribution, good borrower income distribution, and an excellent level of CD lending;

- Excellent level of Community Development investments that are highly responsive to community credit needs. Bank of America demonstrated excellent Investment Test performance in a substantial majority of its rating areas; and

- Good Service Test performance. The bank's service delivery systems are accessible to low- and moderate-income individuals and geographies in a significant majority of the bank's rating areas, when also considering alternative delivery systems.

Definitions and Common Abbreviations

The following terms and abbreviations are used throughout this performance evaluation, including the CRA tables. The definitions are intended to provide the reader with a general understanding of the terms, not a strict legal definition.

Affiliate: Any company that controls, is controlled by, or is under common control with another company. A company is under common control with another company if the same company directly or indirectly controls both companies. A bank subsidiary is controlled by the bank and is, therefore, an affiliate.

Aggregate Lending: The number of loans originated and purchased by all reporting lenders in specified income categories as a percentage of the aggregate number of loans originated and purchased by all reporting lenders in the MA/assessment area.

Census Tract (CT): A small subdivision of metropolitan and other densely populated counties. Census tract boundaries do not cross county lines; however, they may cross the boundaries of metropolitan areas. Census tracts generally have a population between 1,200 and 8,000 people, with an optimal size of 4,000 people. Their physical size varies widely depending upon population density. Census tracts are designed to be homogeneous with respect to population characteristics, economic status, and living conditions to allow for statistical comparisons.

Community Development (CD): Affordable housing (including multifamily rental housing) for low- or moderate-income individuals; community services targeted to low- or moderate-income individuals; activities that promote economic development by financing businesses or farms that meet Small Business Administration Development Company or Small Business Investment Company programs size eligibility standards or have gross annual revenues of $1 million or less; activities that revitalize or stabilize low- or moderate-income geographies, distressed or underserved nonmetropolitan middle-income geographies, or designated disaster areas; or loans, investments, and services that support, enable or facilitate projects or activities under HUD Neighborhood Stabilization Program criteria that benefit low-, moderate-, and middle-income individuals and geographies in the bank's assessment area(s) or outside the assessment area(s) provided the bank has adequately addressed the community development needs of its assessment area(s).

Community Reinvestment Act (CRA): the statute that requires the OCC to evaluate a bank's record of meeting the credit needs of its local community, consistent with the safe and sound operation of the bank, and to take this record into account when evaluating certain corporate applications filed by the bank.

Consumer Loan(s): A loan(s) to one or more individuals for household, family, or other personal expenditures. A consumer loan does not include a home mortgage, small business, or small farm loan. This definition includes the following categories: motor vehicle loans, credit card loans, home equity loans, other secured consumer loans, and other unsecured consumer loans.

Family: Includes a householder and one or more other persons living in the same household who are related to the householder by birth, marriage, or adoption. The number of family households always equals the number of families; however, a family household may also include non-relatives living with the family. Families are classified by type as either a married-couple family or other family, which is further classified into ‘male householder’ (a family with a male householder’ and no wife present) or ‘female householder’ (a family with a female householder and no husband present).

Full Review: Performance under the Lending, Investment, and Service Tests is analyzed considering performance context, quantitative factors (e.g., geographic distribution, borrower distribution, and total number and dollar amount of investments), and qualitative factors (e.g., innovativeness, complexity, and responsiveness).

Geography: A census tract delineated by the United States Bureau of the Census in the most recent decennial census.

Home Mortgage Disclosure Act (HMDA): The statute that requires certain mortgage lenders that conduct business or have banking offices in a metropolitan statistical area to file annual summary reports of their mortgage lending activity. The reports include such data as the race, gender, and the income of applicants, the amount of loan requested, the disposition of the application (e.g., approved, denied, and withdrawn, loan pricing, the lien status of the collateral, any requests for preapproval, and loans for manufactured housing.

Home Mortgage Loans: Such loans include home purchase, home improvement, and refinancings, as defined in the HMDA regulation. These include loans for multifamily (five or more families) dwellings, manufactured housing and one-to-four family dwellings other than manufactured housing.

Household: Includes all persons occupying a housing unit. Persons not living in households are classified as living in group quarters. In 100 percent tabulations, the count of households always equals the count of occupied housing units.

Limited Review: Performance under the Lending, Investment, and Service Tests is analyzed using only quantitative factors (e.g., geographic distribution, borrower distribution, total number and dollar amount of investments, and branch distribution).

Low-Income: Individual income that is less than 50 percent of the area median income, or a median family income that is less than 50 percent, in the case of a geography.

Market Share: The number of loans originated and purchased by the institution as a percentage of the aggregate number of loans originated and purchased by all reporting lenders in the MA/assessment area.

Median Family Income (MFI): The median income determined by the U.S. Census Bureau every five years and used to determine the income level category of geographies. Also, the median income determined by the Federal Financial Institutions Examination Council (FFIEC) annually that is used to determine the income level category of individuals. For any given area, the median is the point at which half of the families have income above it and half below it.

Metropolitan Area (MA): Any metropolitan statistical area or metropolitan division, as defined by the Office of Management and Budget, and any other area designated as such by the appropriate federal financial supervisory agency.

Metropolitan Division: As defined by Office of Management and Budget, a county or group of counties within a Core Based Statistical Area that contains an urbanized population of at least 2.5 million. A Metropolitan Division consists of one or more main/secondary counties that represent an employment center or centers, plus adjacent counties associated with the main/secondary county or counties through commuting ties.

Metropolitan Statistical Area: An area, defined by the Office of Management and Budget, as a core based statistical area associated with at least one urbanized area that has a population of at least 50,000. The Metropolitan Statistical Area comprises the central county or counties containing the core, plus adjacent outlying counties having a high degree of social and economic integration with the central county or counties as measured through commuting.

Middle-Income: Individual income that is at least 80 percent and less than 120 percent of the area median income, or a median family income that is at least 80 percent and less than 120 percent, in the case of a geography

Moderate-Income: Individual income that is at least 50 percent and less than 80 percent of the area median income, or a median family income that is at least 50 percent and less than 80 percent, in the case of a geography.

Multifamily: Refers to a residential structure that contains five or more units**.**

Other Products: Includes any unreported optional category of loans for which the institution collects and maintains data for consideration during a CRA examination. Examples of such activity include consumer loans and other loan data an institution may provide concerning its lending performance.

Owner-Occupied Units: Includes units occupied by the owner or co-owner, even if the unit has not been fully paid for or is mortgaged.

Qualified Investment: A qualified investment is defined as any lawful investment, deposit, membership share, or grant that has as its primary purpose community development.

Rated Area: A rated area is a state or multistate metropolitan area. For an institution with domestic branches in only one state, the institution's CRA rating would be the state rating. If an institution maintains domestic branches in more than one state, the institution will receive a rating for each state in which those branches are located. If an institution maintains domestic branches in two or more states within a multistate metropolitan area, the institution will receive a rating for the multistate metropolitan area.

Small Loan(s) to Business(es): A loan included in 'loans to small businesses' as defined in the Consolidated Report of Condition and Income (Call Report) instructions. These loans have original amounts of $1 million or less and typically are either secured by nonfarm or nonresidential real estate or are classified as commercial and industrial loans.

Small Loan(s) to Farm(s): A loan included in 'loans to small farms' as defined in the instructions for preparation of the Consolidated Report of Condition and Income (Call Report). These loans have original amounts of $500,000 or less and are either secured by farmland, or are classified as loans to finance agricultural production and other loans to farmers.

Tier 1 Capital: The total of common shareholders' equity, perpetual preferred shareholders' equity with non-cumulative dividends, retained earnings and minority interests in the equity accounts of consolidated subsidiaries.

Upper-Income: Individual income that is at least 120 percent of the area median income, or a median family income that is at least 120 percent, in the case of a geography.

Tables of Performance Data
Content of Standardized Tables

A separate set of tables is provided for each state. All multistate MSAs, if applicable, are presented in one set of tables. References to the "bank" include activities of any affiliates that the bank provided for consideration (refer to appendix A: Scope of the Examination). For purposes of reviewing the Lending Test tables, the following are applicable: (1) purchased loans are treated the same as originations; and (2) "aggregate" is the percentage of the aggregate number of reportable loans originated and purchased by all HMDA or CRA reporting lenders in the MMSA/assessment area. Deposit data are compiled by the FDIC and are available as of June 30th of each year. Tables without data are not included in this Performance Evaluation (PE).

The following is a listing and brief description of the tables included in each set:

Table 1. **Lending Volume** - Presents the number and dollar amount of reportable loans originated and purchased by the bank over the evaluation period by MA/assessment area. CD loans to statewide or regional entities or made outside the bank's assessment area may receive positive CRA consideration. See Interagency Q&As __.12 (h) - 6 and - 7 for guidance on when a bank may receive positive CRA consideration for such loans.

Table 14. **Qualified Investments** - Presents the number and dollar amount of qualified investments made by the bank in each MA/assessment area. The table separately presents investments made during a prior evaluation period that are still outstanding and investments made during the current evaluation period. Prior-period investments are reflected at their book value as of the end of the evaluation period. Current period investments are reflected at their original investment amount even if that amount is greater than the current book value of the investment. The table also presents the number and dollar amount of unfunded qualified investment commitments. In order to be included, an unfunded commitment must be legally binding and tracked and recorded by the bank's financial reporting system.

A bank may receive positive consideration for qualified investments in statewide/regional entities or made outside of the bank's assessment area. See Interagency Q&As __.12 (h) -6 and - 7 for guidance on when a bank may receive positive CRA consideration for such investments.

Table C. **Branch and ATM Distribution Level by Geography Income Level** – Shows the percentage distribution of census tracts, population, branches, ATMs, and branches opened and closed in low-, moderate-, middle-, and upper-income geographies.

Table D. **Lending Inside and Outside of the Assessment Area** – Shows the distribution of mortgage, small business and small farm, and consumer lending inside the assessment areas compared to the lending outside the assessment areas.

Table O. **Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography** - Compares the percentage distribution of the number of loans originated and purchased by the bank in low-, moderate-, middle-, and upper-income geographies to the percentage distribution of owner-occupied housing units throughout those geographies. The table also presents aggregate peer data for the years the data is available.

Table P. **Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower** - Compares the percentage distribution of the number of loans originated and purchased by the bank to low-, moderate-, middle-, and upper-income borrowers to the percentage distribution of families by income level in each MMSA/assessment area. The table also presents aggregate peer data for the years the data is available.

Table Q. **Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography** - The percentage distribution of the number of small loans (less than or equal to $1 million) to businesses that were originated and purchased by the bank in low-, moderate-, middle-, and upper-income geographies compared to the percentage distribution of businesses (regardless of revenue size) in those geographies. Because aggregate small business data are not available for geographic areas smaller than counties, it may be necessary to compare bank loan data to aggregate data from geographic areas larger than the bank's assessment area.

Table R. **Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenue** - Compares the percentage distribution of the number of small loans (loans less than or equal to $1 million) originated and purchased by the bank to businesses with revenues of $1 million or less to: 1) the percentage distribution of businesses with revenues of greater than $1 million; and, 2) the percentage distribution of businesses for which revenues are not available. The table also presents aggregate peer small business data for the years the data is available.

Table S. **Assessment Area Distribution of Loans to Farms by Income Category of the Geography** - The percentage distribution of the number of small loans (less than or equal to $500,000) to farms originated and purchased by the bank in low-, moderate-, middle-, and upper-income geographies compared to the percentage distribution of farms (regardless of revenue size) throughout those geographies. Because aggregate small farm data are not available for geographic areas smaller than counties, it may be necessary to use geographic areas larger than the bank's assessment area.

Table T. **Assessment Area Distribution of Loans to Farms by Gross Annual Revenues** - Compares the percentage distribution of the number of small loans (loans less than or equal to $500,000) originated and purchased by the bank to farms with revenues of $1 million or less to: 1) the percentage distribution of farms with revenues of greater than $1 million; and, 2) the percentage distribution of farms for which revenues are not available. The table also presents aggregate peer small farm data for the years the data is available.

Description of Institution

Bank of America, N.A. (BANA or “bank”) is an interstate national bank headquartered in Charlotte, North Carolina. BANA is a wholly owned subsidiary of Bank of America Corporation (BAC), an international banking and financial services company with over 208,000 full-time employees. BAC stock (NYSE: BAC) is listed on the New York Stock Exchange. BAC operates in all 50 states, the District of Columbia, U.S. Virgin Islands, Puerto Rico, and in more than 35 countries. As of December 31, 2016, BAC reported $2.2 trillion in assets. Based on total assets, BAC is the nation’s second largest banking company behind New York-based JPMorgan Chase & Co., which reported $2.6 trillion in total assets. Bank of America, N.A. reported $1.7 trillion in total assets, $1.5 trillion in liabilities, and $163.5 billion in equity capital. The bank’s assets increased approximately 15 percent during the evaluation period. The bank has $1.3 trillion in deposits in domestic offices and $801.8 billion in total loans and leases in domestic offices ($890.2 billion in total loans and leases worldwide). The bank’s Net Tier 1 Capital totals $149.8 billion, a 25 percent increase from $120 billion reported at the beginning of the evaluation period. BANA’s Tier 1 Risk-Based Capital represents 12.7 percent of Risk Weighted Assets while its Tier 1 Leverage Capital equals 9.3 percent of average assets.

Through its banking subsidiary BANA, the company provides a broad range of financial services to its customers through the following four main core business segments: Consumer Banking, Global Wealth and Investment Management (GWIM), Global Banking, and Global Markets. The bank’s strategic focus is to help make financial lives better through a strategy of responsible growth. Responsible growth includes a focus on environmental, social, and governance leadership. The bank serves three groups of customers – people, companies, and institutional investors – through its eight lines of business. This business model simplifies the bank’s operations and reduces its risk profile. Every week, the bank interacts with customers more than 130 million times. BANA provides banking products and services to more than 46 million consumers and small businesses through its retail network that covers a geographic area encompassing 80 percent of the U.S. population. The bank operates a retail network of 4,600 financial centers (branches) in 33 states, 15,900 Automated Teller Machines (ATMs), and online and mobile banking platforms with approximately 34 million online banking accounts and 22 million mobile banking users. BAC’s Global Banking and Global Markets segments serve large corporations, governments, institutions, and individuals around the world. Global Banking works with virtually every company in the S&P 500. The Global Markets business serves many of the world’s largest institutional investors who manage savings and investments through pension and retirement funds. The GWIM segment provides comprehensive wealth management to affluent and high net worth clients and maintains a portfolio of approximately $2.5 trillion in customer assets.

The bank’s primary loan products are commercial and home mortgage loans. Consumer credit lending includes a variety of residential mortgage and home equity products, credit cards, automobile loans, and other closed-end loans for personal, household, or family purposes. Commercial lending includes agricultural loans, real estate and construction loans, multifamily housing loans, and loans to purchase equipment or for short-term working capital needs. As of December 31, 2016, the distribution of the bank’s $801.8 billion domestic loan portfolio by principal balances outstanding is as follows: residential mortgage loans ($241 billion or 30 percent), commercial loans including non-farm non-residential real estate ($256.8 billion or 32 percent), construction and land development ($9.1 billion or 1 percent), multifamily real estate

($6 billion or 1 percent), consumer loans comprising primarily credit cards, automobile loans, and other closed-end loans for personal, household, or family purposes ($170.9 billion or 21 percent), agricultural loans ($670 million or less than 1 percent), loans to depository institutions ($1.1 billion or less than 1 percent), obligations of states and local governments ($19.3 billion or 2 percent), loans to nonbank financial institutions ($73.1 billion or 9 percent), and leases ($21 billion or 3 percent).

BANA offers a wide range of deposit products and services for consumers and businesses, as well as wealth management and investment services. Deposit products and services include a variety of consumer and commercial checking and savings accounts, wire transfer and cash management services, and various methods to access accounts through online banking, mobile banking, and phone banking.

BANA has no known legal or financial impediments that would have hindered its ability to meet the credit and community development needs of its assessment areas during this evaluation period.

The bank received an overall “Satisfactory” rating in its most recent PE, ending December 31, 2011.

Scope of the Evaluation

Evaluation Period/Products Evaluated

This evaluation covers the bank's CRA-related activities from January 1, 2012, through December 31, 2016. The OCC considered the bank's home mortgage lending, small business lending (including business credit cards), small farm lending, CD lending, grants, donations, and other investments for CRA purposes. Examiners also considered any other loan data such as Letters of Credit used to support community development activities. Management did not request consideration for its consumer lending, which would include automobile loans and consumer credit cards.

BANA acquired FIA Card Services, N.A. (FIA) on October 1, 2014. FIA was a bank affiliate of BANA and a bank subsidiary of NB Holdings Corporation (NBH), a wholly owned subsidiary of BAC. FIA was subject to CRA and received a "Satisfactory" rating during its last performance evaluation (charter #22381), dated December 31, 2011. FIA was one of the largest issuers of consumer and small business credit cards in the U.S. At the time of the merger, FIA had $127 billion in total assets, $85 billion in total deposits, and $19 billion in Tier 1 Capital. All of FIA's assets, deposits, and capital were absorbed into BANA. The two financial institutions had New Castle County, Delaware as the one overlapping assessment area. The merger did not add any new assessment areas for BANA. The current evaluation includes FIA's small loans to businesses, small loans to farms, and community development services for the years 2012 through 2014.

Selection of Areas for Full-Scope Review

Bank management has defined 248 assessment areas comprising primarily MSAs within 33 states and 14 multistate MSAs. The states and multistate MSAs comprise the 47 rating areas that examiners assigned ratings. For analysis purposes, the examiners combined any non-MSA assessment areas within each state. From each rating area, the examiners selected one or more assessment areas for full-scope reviews. In states with multiple large metropolitan areas such as California, Florida, and Texas, examiners selected more than one assessment area for a full-scope review. Across all rating areas, the examiners selected 73 full-scope assessment areas. Examiners based these selections on several criteria, including the bank's deposits and loans and the assessment area's geographic size and population relative to the rating area. Examiners also selected smaller assessment areas that examiners had not previously reviewed as full-scope assessment areas during prior evaluations.

Refer to the "Scope" section under each state and multistate MSA rating section for details regarding how examiners selected the areas.

Inside/Outside Ratio

Examiners performed an analysis of the bank's lending volumes inside and outside its assessment areas at the institution level. The bank originated or purchased a substantial majority of its home mortgage loans, small loans to businesses, and small loans to farms to borrowers within its assessment areas. During the evaluation period, the bank originated or purchased more than 88 percent of its loans by number and nearly 92 percent by dollar volume to borrowers inside its assessment areas. See Table D for details of the bank's lending inside and outside of its assessment areas.

Table D - Lending Inside and Outside of the Assessment Area

Due to rounding, totals may not equal 100.0

Flexible Lending Programs and Other Lending Information

The bank's use of flexible lending programs positively enhances the bank's lending performance. Since January 1, 2012, the bank provided 190,135 flexible mortgage and small loans to businesses totaling $27.8 billion to low- and moderate-income borrowers, small businesses, or in low- and moderate-income geographies. The bank's flexible lending programs include government insured Federal Housing Administration (FHA), Veterans Administration (VA), and Making Homes Affordable (MHA) Home Affordable Refinance Program (HARP) loans. The bank also offers flexible lending programs through its participation with multiple third-party partners in providing 2,836 loans totaling $398 million. These partnerships include Neighborhood Assistance Corporation of America (NACA) and Massachusetts Housing Partnership (MHP). During the evaluation period, the bank launched two new flexible lending programs including the Affordable Loan Solutions (ALS) and Business Advantage Credit Line. Loans originated or purchased under government insured or sponsored programs represent more than 97 percent of the total flexible lending volume.

In addition, Bank of America issued 160 Letters of Credit totaling nearly $1.6 billion. These Letters of Credit helped many financing deals to come to fruition to create nearly 11,000 units of affordable housing.

Ratings

The bank's overall rating is a blend of the multistate MSA ratings and state ratings.

Under the Lending Test, the weighting of the loan products varied according to the proportion of lending by loan products within each rating area during the evaluation period. Examiners calculated the loan product weighting for each rating area and applied those weights to each assessment area within the rating area. Generally, examiners assigned the most weight to home mortgage loans and small loans to businesses.

In a substantial majority of rating areas, small loans to farms represented less than 1 percent of the loan volume within those rating areas and therefore carried the least amount of weight when determining the rating. In many assessment areas, the bank originated very few, if any, small loans to farms. In assessment areas with a minimum of 25 small loans to farms originated or purchased, examiners provided conclusions in the narrative for the applicable rating area. Otherwise, examiners did not analyze the small loans to farms nor provide conclusions.

Examiners compared the bank's lending performance against available demographic data and aggregate lender performance. Examiners also considered any relevant performance context information available. Expectations for lending in low-income geographies were the same for lending in moderate-income geographies. However, examiners weighted performance in moderate-income geographies more heavily if there were a limited number of owner-occupied housing units, businesses, or farms in low-income geographies. Examiners also lowered expectations for lending to low-income borrowers due to the increased difficultly lower-income individuals face in qualifying for affordable mortgages in many markets, particularly in high-cost markets. In general, examiners gave more weight to the bank's lending performance relative to demographics and less weight to performance relative to aggregate lenders. However, in some cases, it was more appropriate for examiners to place more weight on performance relative to aggregate lenders such as when bank performance exceeded aggregate, but bank performance and aggregate are less than demographic. In those cases, performance relative to aggregate lenders can be more reflective of market conditions such as loan demand and opportunities for lending. To assess the bank's lending activity in each assessment area, examiners compared the bank's market share and rank of loans using peer loan data to its market share and rank in deposits using Federal Deposit Insurance Corporation (FDIC) deposit market share data as of June 30, 2016. Deposit market share data includes deposit data for FDIC-insured institutions such as banks and savings and loan associations (depository financial institutions). FDIC deposit market share data does not include credit unions.

Examiners determined the multistate MSA ratings and state ratings primarily from those areas that received full-scope reviews. Examiners considered performance in limited-scope assessment areas to determine if performance has a positive, negative, or neutral effect on the state rating. Refer to the "Scope" section under each state and multistate MSA rating section for details regarding how examiners weighted the areas in arriving at the respective ratings.

CD lending based on volume, complexity, and responsiveness provided a significantly positive, positive, neutral, or negative effect to the rating area's Lending Test rating, as applicable.

For Investment Test conclusions, examiners considered qualified investment, grant, and contribution activity in each assessment area and the responsiveness of those activities to the credit and community development needs identified in the community. Examiners also considered qualitative factors such as complexity and innovation, when present.

To put CD lending or investment activity in perspective, examiners compared the CD lending or investment volume in each assessment area to the Tier 1 Capital allocated to each assessment area according to the assessment area's proportion of the bank's total deposits.

For Service Test conclusions, examiners placed primary consideration on the distribution of the bank's financial centers and their accessibility to low- and moderate-income individuals and geographies.

Examiners considered the effect to the community from the opening and closing of financial centers. During the evaluation period, senior management continued to implement the bank's "Project New BAC" initiative to streamline the company's operations and reduce annual operating costs. The cost cutting efforts resulted in the sale of 356 financial centers and the closure of 903, many of which were performing poorly financially due to the steep declines in customer traffic as banking habits changed with improvements in technology. In a majority of the closures, accountholders continued to receive banking services at existing nearby financial centers. However, because of this business strategy, the bank exited 31 assessment areas during the evaluation period.

Examiners also considered alternative delivery systems to the extent they helped improve access to retail banking services where financial centers may be limited. The alternative delivery systems include the following six delivery channels: mobile banking, telephone banking, text banking, online banking, cash dispensing ATMs, and full-service ATMs. To determine the effect alternative delivery systems had on the bank's service delivery systems, examiners compared the usage by customers residing in low- and moderate-income geographies for mobile banking, telephone banking, text banking, and online banking against the percentages of the population residing in low- and moderate-income geographies. For cash dispensing and full-service ATMs, examiners compared the geographic distribution of the ATMs against the percentages of the population in low- and moderate-income geographies.

In full-scope assessment areas, examiners considered the accessibility adjacent or nearby financial centers (in middle- and upper-income geographies) provide to low- and moderate-income geographies. Examiners used various census tract reports, financial center geocoding reports, and maps to identify adjacent financial centers that are located within ½-mile of a low- or moderate-income census tract that does not already have a financial center presence. Examiners excluded any adjacent financial centers that have geographic barriers such as a river, mountain, or major highway to prevent access to the low- or moderate-income geographies. In addition, if more than one financial center is adjacent to the same low- or moderate-income tract, examiners only considered the nearest adjacent financial center.

Examiners considered banking hours, products and services, and the level of community development services.

The U.S. Census Bureau (Census Bureau) collects and publishes population and demographic data that examiners use to help analyze lending performance. With the 2010 Census, the Census Bureau revised its approach to collecting most of the population and demographic data used in evaluations. The banking agencies now update decennial Census data every five years, beginning with the Census Bureau's 2015 American Community Survey (ACS), to provide more current and accurate demographic data. Census tract income level designations that became effective in 2012 were subject to revision, based on the ACS data.

The Office of Management and Budget (OMB) delineates metropolitan and micropolitan statistical areas based on Census Bureau data. During the evaluation period, OMB revised the geographic boundaries of several metropolitan areas, which became effective January 1, 2014. Because the boundaries of many assessment areas changed in 2014, examiners analyzed CRA activity that occurred during 2012-2013 separately from CRA activities that occurred during 2014-2016.

While the ratings, conclusions, and analyses are based on the bank's activities over a five-year evaluation period, the PE only includes narratives and supporting tables for the years 2014, 2015, and 2016, which is the period of activity of greatest significance to overall conclusions. Additional discussion is included in the narrative when OMB boundary changes significantly affected the bank's performance context or where performance in the 2012-2013 period differs significantly from performance in 2014-2016.

Discriminatory or Other Illegal Credit Practices Review

Pursuant to 12 C.F.R. §25.28(c) or §195.28(c), respectively, in determining a national bank's or federal savings association's (collectively, bank) CRA rating, the OCC considers evidence of discriminatory or other illegal credit practices in any geography by the bank, or in any assessment area by an affiliate whose loans have been considered as part of the bank's lending performance. As part of this evaluation process, the OCC consults with other federal agencies with responsibility for compliance with the relevant laws and regulations, including the U.S. Department of Justice, the U.S. Department of Housing and Urban Development, and the Consumer Financial Protection Bureau, as applicable.

The OCC has not identified that BANA has engaged in discriminatory or other illegal credit practices that require consideration in this evaluation.

The OCC will consider any information that BANA engaged in discriminatory or other illegal credit practices, identified by or provided to the OCC before the end of the bank's next performance evaluation in that subsequent evaluation, even if the information concerns activities that occurred during the evaluation period addressed in this performance evaluation.

Multistate Metropolitan Area Ratings

Allentown-Bethlehem-Easton, PA-NJ Multistate MSA

CRA rating for the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA[1]: Outstanding
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Good distribution of loans by geography and good distribution by borrower income or business revenue size;
- Low level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Allentown-Bethlehem-Easton, PA-NJ MSA

The Allentown-Bethlehem-Easton, PA-NJ Multistate MSA is Bank of America's 36th largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $1.5 billion or 0.1 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 31 depository financial institutions operating in the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA, Bank of America, with a deposit market share of 9.2 percent, is the fourth largest. Competitors with deposit market shares greater than 5 percent include Wells Fargo Bank (20.2 percent), Branch Banking and Trust Company (12.4 percent), PNC Bank (11.3 percent), and Lafayette Ambassador Bank (7.4 percent). As of December 31, 2016, the bank operated 14 full-service financial centers and 24 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[1] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Allentown-Bethlehem-Easton, PA-NJ Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with one local nonprofit organization. The organization's primary mission is to serve homeless families through advocacy, case management, homelessness prevention services to keep families in their homes, and services to assist homeless families in obtaining emergency housing. According to the contact, the community needs additional monetary contributions to provide housing and other services for the homeless.

During the evaluation period, Bank of America originated or purchased 3,727 home mortgage loans totaling $628.9 million, 3,731 small loans to businesses totaling $81.8 million, 27 small loans to farms totaling $176,000, and 2 CD loans totaling $286,000. Based on loan volume by the number of loans originated and purchased, examiners weighted home mortgage lending and small business lending equally, each which carried more weight than small loans to farms in determining the Lending Test rating for the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN ALLENTOWN-BETHLEHEM-EASTON PA-NJ MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA is excellent.

Lending activity in the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA is excellent. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 9.2 percent. The bank ranks fourth among 31 depository financial institutions in the multistate MSA, which places it in the top 13 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 17th among 502 home mortgage lenders in the multistate MSA, which places it in the top 4 percent of lenders. According to peer small business data for 2016, the bank has a market share of 5 percent based on the number of small loans to businesses originated or purchased. The bank ranks eighth among 120 small business lenders, which places it in the top 7 percent of lenders. According to peer farm data for 2016, the bank has a market share of 3.3 percent based on the number of small loans to farms originated or purchased. The bank ranks 10th among 15 farm lenders, which places it in the bottom 33 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is excellent. The bank's home mortgage lending is excellent in low-income census tracts and excellent in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 5.7 percent is greater than the 3.5 percent of owner-occupied housing units in low-income geographies and it is higher than the 2.9 percent aggregate distribution.

The distribution of home mortgage loans in moderate-income geographies at 18.3 percent is higher than the 16.1 percentage of owner-occupied housing units in moderate-income geographies and aggregate performance of 14.5 percent.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography																		2014-16

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is good overall. The distribution is good in low-income geographies and good in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 4.9 percent is lower than the 6.2 percent of businesses operating in low-income geographies, but higher than the 4.7 percent aggregate performance. The proportion of the bank's small loans to businesses in moderate-income geographies at 15.7 percent is lower than the 18.6 percent of businesses operating in moderate-income geographies and lower than the 16.6 percent aggregate performance.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is good. The distribution is poor in low-income geographies and excellent in moderate-income geographies. The bank did not originate or purchase any small loans to farms in low-income geographies. Approximately 1 percent of the farms are located in low-income tracts. Bank performance in low-income geographies is consistent with aggregate lenders. The geographic distribution in moderate-income geographies at 33.3 percent is higher than the 7.6 percent of farms in moderate-income geographies and it is higher than the 3.3 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The bank’s distribution of home mortgage loans by borrower income is excellent overall. The distribution is excellent to low- and moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income families at 13.1 percent is lower than the 19.8 percent of low-income families and significantly higher than the 6.4 percent aggregate distribution. The proportion of home mortgage loans to moderate-income families at 23 percent is higher than the proportion of moderate-income families at 18.2 percent and aggregate performance at 17 percent.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 35.4 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.4 percent is lower than the 77.9 percent of businesses with gross annual revenues of $1 million or less. However, considering the bank's distribution is higher than the 49.6 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The bank's distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 58 percent of its small loans to farms. Based on farms with known revenues, the proportion of the bank's small loans to businesses at 55.6 percent is lower than the 97.1 percent of farms with gross annual revenues of $1 million or less. However, considering the bank's distribution is higher than the 46.7 percent for aggregate lenders, overall performance is adequate.

Community Development Lending

CD lending has a neutral effect on the bank's Lending Test performance in the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA. The bank met the community's credit needs primarily through retail lending. During the evaluation period, the bank originated two CD loans totaling $286,000 that helped promote economic development within the assessment area.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Allentown-Bethlehem-Easton, PA-NJ Multistate MSA is rated Outstanding.

The bank made 62 community development investments during the evaluation period totaling $21.6 million. Approximately $21.2 million or 98 percent of the current period investment dollars support more than 260 units of affordable housing. In addition, the bank has 29 community development investments totaling $2.2 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $23.8 million or 12.5 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $15.1 million or 70 percent of the investment dollars.

Examples of significant community development investments the bank provided include:

- The bank invested $6.1 million in two Low Income Housing Tax Credits (LIHTCs) that support affordable housing projects creating 150 housing units in the assessment area.

- The bank invested $250,000 in the Community First Fund (CFF), a certified CDFI dedicated to creating sustainable prosperity for low wealth communities and individuals. CFF used the investment for its general loan pool for making Small Business Administration (SBA) 7(a) loans to persons interested in starting or expanding a small business.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Bank of America's performance under the Service Test in the Allentown-Bethlehem-Eason, PA-NJ Multistate MSA is rated Outstanding.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

BANA's service delivery systems in the Allentown-Bethlehem-Eason, PA-NJ Multistate MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank's 14 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has one financial center in a low-income geography representing 7.1 percent of its financial centers and two financial centers in moderate-income geographies representing 14.3 percent of its financial centers. According to the 2010 U.S. Census data, 7.8 percent of the population lives in low-income geographies and 20.1 percent lives in moderate-income geographies.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has three financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to moderate-income geographies. These adjacent financial centers further improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened no financial centers and closed five. Two of the closures were in moderate-income geographies and the remaining three closures were in upper-income geographies. Despite the closures in moderate-income geographies, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are consistent throughout the assessment area. Financial center lobby hours are primarily 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 5:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday. One financial center in an upper-income geography is open until 1:00 pm on Saturday.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 73 community development services targeted to low- and moderate-income individuals. Employees provided 34 financial education seminars to 785 students primarily from low- and moderate-income families. Employees participated in 21 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 18 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Augusta-Richmond County, GA-SC Multistate MSA

CRA rating for the Augusta-Richmond County, GA-SC Multistate MSA[2]: Satisfactory
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Needs to Improve

The major factors that support this rating:

- Excellent volume of loans originated /purchased within the assessment area;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- No origination of CD loans that negatively affect the Lending Test rating;
- Excellent level and responsiveness of qualified investments; and
- Unreasonably inaccessible service delivery systems, particularly to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Augusta-Richmond County, GA-SC Multistate MSA

The Augusta-Richmond County, GA-SC Multistate MSA is Bank of America's 39th largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $860 million or 0.1 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 20 depository financial institutions operating in the Augusta-Richmond County, GA-SC Multistate MSA, Bank of America, with a deposit market share of 10.8 percent, is the third largest. Competitors with deposit market shares greater than 5 percent include Wells Fargo Bank (21.2 percent), Georgia Bank & Trust Company (19.9 percent), Security Federal Bank (7.5 percent), SunTrust Bank (7.5 percent), Regions Bank (6.8 percent), First Citizens Bank & Trust Company (6.3 percent), and State Bank and Trust Company (5.3 percent). As of December 31, 2016, the bank operated 8 financial centers and 25 ATMs in the multistate MSA.

Refer to the community profile for the Augusta-Richmond County, GA-SC Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

---

[2] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Augusta-Richmond County, GA-SC MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners contacted a local nonprofit organization dedicated to improving the economy and quality of life in rural America. The organization identified access to credit through community development, credit-related projects, or financing programs as the biggest need.

During the evaluation period, the bank originated or purchased 2,346 home mortgage loans totaling $313.4 million, 2,678 small loans to businesses totaling $75.9 million, and 52 small loans to farms totaling $411,000. Based on loan volume, examiners weighted small loans to businesses slightly more than home mortgage loans in determining the Lending Test rating for the Augusta-Richmond County, GA-SC Multistate MSA. Small loans to farms accounted for only 1 percent of the loan volume and therefore, carried little weight in the Lending Test rating.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN AUGUSTA-RICHMOND COUNTY, GA-SC MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Augusta-Richmond County, GA-SC Multistate MSA is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution. The lack of CD lending has a negative effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Augusta-Richmond County, GA-SC Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 10.8 percent. The bank ranks third in deposits among 20 depository financial institutions operating in the multistate MSA, which places it in the top 15 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.7 percent based on the number of home mortgage loans originated or purchased. The bank ranks 17th among 378 home mortgage lenders, which places it in the top 5 percent of lenders. According to peer small business data for 2016, the bank has a market share of 6.9 percent based on the number of small loans to businesses originated or purchased. The bank ranks fifth among 89 small business lenders, which places it in the top 6 percent of lenders. According to peer farm data for 2016, the bank has a market share of 4.2 percent based on the number of small loans to farms originated or purchased. The bank ranks seventh among 21 farm lenders, which places it in the top 34 percent of lenders. Lending activity for home mortgage and small loans to businesses is excellent while it is poor for small loans to farms.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. Geographic distribution performance is good in low-income geographies and the performance is good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 3 percent is lower than the 3.4 percent of owner-occupied housing units in low-income geographies, but higher than the 1.4 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 16.2 percent is significantly lower than the 25.3 percent of owner-occupied housing units in moderate-income geographies, but slightly higher than the 15.3 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography																		2014-16
	Total Home Mortgage Loans				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of small loans to businesses.

The geographic distribution of small loans to businesses is good. The bank's distribution of small loans to businesses is good in low-income geographies and good in moderate-income geographies. The distribution of small loans to businesses in low-income geographies at 4.9 percent is lower than the 6.3 percent of the businesses that are located in low-income geographies and it is lower than the 5.4 percent for aggregate lenders. The distribution of small loans to businesses in moderate-income geographies at 17.9 percent is lower than the 23.3 percent of the businesses that are located in moderate-income geographies and slightly lower than 18.2 percent for aggregate lenders. The bank's lending in moderate-income geographies is much closer to aggregate lending performance than its lending in low-income geographies.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography																		2014-16
	Total Loans to Small Businesses				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts

Due to rounding, totals may not equal 100.0

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is poor. The bank's distribution of small loans to farms is poor in low-income geographies and very poor in moderate-income geographies. The distribution of small loans to farms in low-income geographies at 0 percent is lower than the 2.5 percent of the farms that are located in low-income geographies and lower than 0.5 percent for aggregate lenders. Considering very few farms are located in low-income geographies, which indicates fewer opportunities to make small loans to farms, performance is poor. The distribution of small loans to farms in moderate-income geographies at 12.9 percent is lower than the 28 percent of the farms that are located in moderate-income geographies and significantly lower than the 44.7 percent for aggregate lenders.

Table S - Assessment Area Distribution of Loans to Farms by Income Category of the Geography **2014-16**

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The distribution of home mortgage loans by borrower income is good. The distribution is adequate to low-income borrowers and the distribution is excellent to moderate-income borrowers. The proportion of home mortgage loans to low-income borrowers at 10 percent is lower than the 23.8 percent of families designated as low-income, which indicates very poor performance. However, the bank’s distribution performance is higher than the 4.5 percent for aggregate lenders. Considering the higher performance relative to all lenders, the distribution is poor to low-income borrowers. The proportion of home mortgage loans to moderate-income borrowers at 19.3 percent is higher than the 16.2 percent of families designated as moderate-income. The bank's performance in lending to moderate-income borrowers is higher than the 12.9 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 32.3 percent of its small loans to businesses. Based on small loans to businesses with known revenues, the proportion of the bank's small loans to businesses at 56.3 percent is lower than the 77.2 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 48.3 percent for the aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues **2014-16**

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 38.7 percent of its small loans to farms. Approximately 61.3 percent of the small loans to farms with known revenues were to farms with gross annual revenues of $1 million or less. The bank's proportion of lending is lower than the 97.7 percent of farms with gross annual revenues of $1 million or less, but higher than the 42.3 percent performance for aggregate lenders.

Table T: Assessment Area Distribution of Loans to Farms by Gross Annual Revenues											2014-16

Community Development Lending

CD lending has a negative effect on the bank's Lending Test performance in the Augusta-Richmond County, GA-SC Multistate MSA. During the five-year evaluation period, the bank did not originate or purchase any CD loans in the assessment area.

Product Innovation and Flexibility

The bank offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. The programs include America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. During the evaluation period, the bank originated more than 400 loans within the assessment area totaling $42 million under various flexible lending programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 55 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

The bank's performance under the Investment Test in the Augusta-Richmond County, GA-SC Multistate MSA is rated Outstanding.

The bank made 71 community development investments during the evaluation period totaling $9.9 million. Of the current period investments, the bank used approximately $9.8 million or 99 percent of the investment dollars to help provide more than 80 units of affordable housing through the purchase of mortgage-backed securities. In addition, the bank has 26 investments totaling $1.6 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. The outstanding prior period and current period investments total $11.4 million or approximately 10.6 percent of the bank's total Tier 1 Capital allocated to the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $9.7 million or 99 percent of the investment dollars.

Examples of significant community development investments include:

- The bank provided $30,000 in grants to Habitat for Humanity to support local market building of affordable housing. The grants were part of a $6 million national commitment to support the Bank of America/Habitat for Humanity Partnership Project.

- The bank provided a $10,000 grant to Turn Back the Block, a faith-based non-profit organization with a mission to help revitalize the Harrisburg neighborhood through the rehabilitation of existing housing stock, new construction, and promotion of homeownership. Approximately 84 percent of the candidates for purchasing the homes have incomes at or below 80 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the Augusta-Richmond County, GA-SC Multistate MSA is rated Needs to Improve.

BANA's service delivery systems in the Augusta-Richmond County, GA-SC Multistate MSA are unreasonably inaccessible to portions of its assessment area, particularly to low- or moderate-income geographies or to low- or moderate-income individuals. Examiners based conclusions on a comparison of the bank's eight financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has no financial centers in low-income census tracts where 5.5 percent of the population lives. The bank has one financial center in a moderate-income geography, which represents 12.5 percent of its financial centers and 27.6 percent of the population.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have no effect on the retail banking services conclusion.

The bank has two financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low-income geographies. These adjacent financial centers improve access of service delivery systems to low -income geographies and to low- or moderate-income individuals. However, neither of the two adjacent branches is open for Saturday banking.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened no financial centers and closed two. Both financial center closures were in moderate-income geographies, further limiting retail banking accessibility to low- and moderate-income geographies and individuals.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low-and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours vary throughout the assessment area. Some financial center lobby hours are 9:00 am to 5:00 pm Monday through Friday. Other financial center hours are from 9:00 am to 4:00 pm Monday through Friday. Four of the financial centers are open on Saturday from 9:00 am to 1:00 pm.

Community Development Services

The bank is a leader in providing community development services within the Augusta-Richmond County, GA-SC Multistate MSA. The bank provides a high level of community development services. During the evaluation period, the bank participated with community development organizations to provide 142 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 58 low- and moderate-income individuals and provided 58 financial education seminars to 1,163 individuals, which were primarily students from low- and moderate-income families. Employees participated in 10 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 16 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Boston-Cambridge-Newton, MA-NH Multistate MSA

CRA rating for the Boston-Cambridge-Newton, MA-NH Multistate MSA[3]: Outstanding
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;
- Relatively high level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Reasonably accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Boston-Cambridge-Newton, MA-NH Multistate MSA

The Boston-Cambridge-Newton, MA-NH Multistate MSA is Bank of America's sixth largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $62.3 billion or 5.2 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 129 depository financial institutions operating in the Boston-Cambridge-Newton, MA-NH Multistate MSA, Bank of America, with a deposit market share of 20.2 percent, is the second largest. Competitors with deposit market shares greater than 5 percent include State Street Bank and Trust Company (30.3 percent), Citizens Bank (10 percent), and Santander Bank (5 percent). As of December 31, 2016, the bank operated 171 full-service financial centers and 770 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Boston-Cambridge-Newton, MA-NH Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Boston-Cambridge-Newton, MA-NH Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with one local housing agency. According to the contact, affordable

[3] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

housing is a key need in the area. In the Cambridge community, more than 65 percent of individuals and families with a Housing Choice Voucher are unable to locate a rental property owner that will accept it. The wait list for Housing Choice Vouchers in the Cambridge community is over 8,000 applications.

During the evaluation period, Bank of America originated or purchased 26,379 home mortgage loans totaling $9.1 billion in the MSA compared to 57,911 small loans to businesses totaling $2.1 billion, 182 small loans to farms totaling $2.5 million, and 65 CD loans totaling $492.7 million. Therefore, examiners weighted small loans to businesses more than home mortgage and small loans to farms in determining the Lending Test rating for the Boston-Cambridge-Newton, MA-NH Multistate MSA.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN BOSTON-CAMBRIDGE-NEWTON, MA-NH MULTISTATE MMSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Boston-Cambridge-Newton, MA-NH Multistate MSA is rated Outstanding, based on excellent lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Boston-Cambridge-Newton, MA-NH Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 20.2 percent. The bank ranks second among 129 depository financial institutions in the multistate MSA, which places it in the top 2 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.2 percent based the number of home mortgage loans originated or purchased. The bank ranks seventh among 696 home mortgage lenders in the multistate MSA, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a market share of 11.4 percent based on the number of small loans to businesses originated or purchased. The bank ranks third among 189 small business lenders, which places it in the top 2 percent of lenders. According to peer farm data for 2016, the bank has a market share of 28.5 percent. The bank ranks first among 20 farm lenders in the multistate MSA, which places it in the top 5 percent of lenders.

(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.
(****) Bank of America sold/divested all financial centers in the Kingsport Multistate MSA during October 2014.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. The bank's home mortgage lending is good in low-income census tracts and adequate in moderate-income census tracts. The bank has underperformed the industry in low- and moderate-income geographies.

The distribution of the bank's home mortgage loans in low-income geographies at 3.1 percent is consistent with the 3.1 percent of owner-occupied housing units in low-income geographies and below the 3.7 percent aggregate distribution. The distribution of home mortgage loans in moderate-income geographies at 10.8 percent is below the 13.9 percentage of owner-occupied housing units in moderate-income geographies and aggregate performance of 13.6 percent.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent overall. The distribution is good in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 5.2 percent is slightly weaker than the 6.0 percent of businesses operating in low-income geographies and slightly weaker than the 5.3 percent aggregate performance. However, the proportion of the bank's small loans to businesses in moderate-income geographies at 13.6 percent exceeds both the proportion of businesses in moderate-income geographies at 13.4 percent and aggregate performance of 13.3 percent.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography																				**2014-16**

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is adequate overall. The distribution is adequate in low-income geographies and adequate in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 2 percent exceeds the 1.8 percent of small farms in low-income geographies, but less than the 3.6 percent for aggregate lenders. The bank's proportion of small loans to farms in moderate-income geographies at 6.1 percent is below the 9.6 percent of small farms in moderate-income geographies and below the 7.7 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The bank’s distribution of home mortgage loans by borrower income is adequate overall. The distribution of home mortgage loans to low-income borrowers is very poor. Considering the bank performed better in lending to low-income borrowers than the aggregate lenders did, performance is adequate. The proportion of the bank’s home mortgage loans to low-income families at 6 percent is significantly weaker than the proportion of low-income families at 22.1 percent, but stronger than the 4 percent aggregate distribution. Examiners applied more weight to the bank’s performance relative to aggregate lenders due to the high cost of housing. The distribution of home mortgage loans to moderate-income borrowers is adequate. The proportion of home mortgage loans to moderate-income families at 13.1 percent is slightly below the proportion of moderate-income families at 16.7 percent and aggregate performance at 14.7 percent.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower **2014-16**

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 33.2 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 55.7 percent is lower than the 76.8 percent of businesses with gross annual revenues of $1 million or less. The performance is adequate. However, considering the bank's distribution is stronger than the 44.6 percent for the aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues **2014-16**

	Total Loans to Small Businesses				Businesses with Revenues <= 1MM			Businesses with Revenues > 1MM		Businesses with Revenues Not Available

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 33 percent of its small loans to farms. Approximately 60 percent of the bank's small loans to farms with known revenues were to farms with gross annual revenues of $1 million or less. The bank's proportion was weaker than the 95.1 percent of farms with gross annual revenues of $1 million or less. The bank's proportion of loans was stronger than the aggregate performance of 46.2 percent.

Community Development Lending

CD lending has a positive effect on the bank's Lending Test performance in the Boston-Cambridge-Newton Multistate MSA. During the evaluation period, the bank originated 65 CD loans totaling $492.7 million or 6.3 percent of the allocated Tier 1 Capital. CD loans were effective in helping the bank address community credit needs. The bank used approximately $364 million or 74 percent of the CD loan dollars to provide more than 1,700 units of affordable housing for low- and moderate-income families. Additionally, approximately $115 million or 23 percent of the amount financed projects that revitalize and stabilize low- and moderate-income geographies.

Examples of CD loans include:

- The bank extended $11.2 million in construction financing to build a 144-unit multifamily affordable housing project in the city of Wareham. Units are restricted to renters with incomes at or below 60 percent of the area median income.

- The bank provided $12.5 million in funding through Multifamily Revenue Bonds to finance a portion of the acquisition and rehabilitation costs to develop the fourth phase of Madison Park Village in the city of Roxbury. Madison Park Village is a residential community that provides 546 units of affordable housing for predominantly very low-income families.

- The bank provided $37.5 million in construction financing to build the Riverway mixed-use project in a low-income census tract in the Longwood Medical Area of Boston. The three-phased project will include an 11-story building with 145 residential units and a daycare center. The residential units will comprise 60 LIHTC rental units restricted to incomes at or below 60 percent of the area median income and 85 mixed-income rental units. The bank also provided a LIHTC equity investment in the project.

BANA issued one Standby Letter of Credit totaling $16.9 million to support construction financing for a multifamily affordable housing project. While Letters of Credit are not reportable as CD loans, they do support community development and thus receive positive consideration in the bank's CD lending performance.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's

Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. During the evaluation period, the bank originated 330 mortgage loans totaling $39 million to low- and moderate-income borrowers in the Boston area through the Massachusetts Housing Partnership (MHP). Within the multistate MSA, lending under the MHA and HARP programs accounted for 81 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Boston-Cambridge-Newton, MA-NH Multistate MSA is rated Outstanding.

The bank made 727 community development investments during the evaluation period totaling $620 million. Approximately $553.8 million or 89 percent of the current period investment dollars supported nearly 3,500 units of affordable housing. In addition, the bank has 205 community development investments totaling $150.4 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $770 million or 9.9 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally innovative or complex with LIHTCs, Historic Tax Credits, and New Markets Tax Credits representing approximately $395.5 million or 64 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $34.6 million in two Section 42 LIHTCs that support four affordable housing projects with 134 housing units.

- The bank invested $2 million in the Boston Community Loan Fund, a local certified CDFI with a mission to create and preserve heathy communities where low-income people live and work. The CDFI finances various community development projects, including affordable housing, childcare, public education, healthcare facilities, and commercial revitalization projects.

- The bank made more than $763,000 in grants to the Boston Private Industry Council, which works to strengthen Boston's communities and its workforce by connecting youth and adults with education and employment opportunities. The bank provided the grants to prepare, place, and pay more than 250 public high school students to work in non-profit organizations.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the Boston-Cambridge-Newton, MA-NH Multistate MSA is rated Low Satisfactory.

BANA's service delivery systems in the Boston-Cambridge-Newton, MA-NH Multistate MSA are reasonably accessible to geographies and individuals of different income levels, based on a comparison of the bank's 171 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has nine financial centers in low-income geographies representing 5.3 percent of its financial centers and 21 financial centers in moderate-income geographies representing 12.3 percent of its financial centers. According to the 2010 U.S. Census data, 8.6 percent of the population lives in low-income geographies and 18.7 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has 14 financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. These adjacent financial centers further improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened six financial centers in upper-income geographies and closed thirty-one. Only seven of the 31 financial centers closures were in low- and moderate-income geographies. Despite the closures, financial centers remain reasonably accessible to individuals and geographies of different income levels.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are consistent throughout the assessment area. Financial center lobby hours are typically 9:00 am to 4:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday. A few financial centers are open until 1:00 pm on Saturday. Three financial centers have extended operating hours, which operate 11:00 am to 6:00 pm Monday through Friday and 11:00 am to 5:00 pm on Saturday. Approximately 83 percent of the financial centers in low- and moderate-income geographies have Saturday hours.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 363 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 210 low- and moderate-income individuals and provided 25 financial education and foreclosure prevention workshops to 357 individuals that are primarily low- and moderate-income. Employees participated in 62 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 63 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Charlotte-Concord-Gastonia, NC-SC Multistate MSA

CRA rating for the Charlotte-Concord-Gastonia, NC-SC Multistate MSA[4]: Satisfactory
The Lending Test is rated: High Satisfactory
The Investment Test is rated: High Satisfactory
The Service Test is rated: High Satisfactory

The major factors that support this rating:

- Excellent volume of loans originated /purchased within the assessment area;
- Adequate distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Adequate level of CD lending;
- Significant level and good responsiveness of qualified investments; and
- Accessible service delivery systems, particularly to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Charlotte-Concord-Gastonia, NC-SC Multistate MSA

The Charlotte-Concord-Gastonia, NC-SC Multistate MSA is Bank of America's second largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $149.6 billion or 12.4 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 45 depository financial institutions operating in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA, Bank of America, with a deposit market share of 74.2 percent, is the largest. Wells Fargo Bank, with $30.6 billion in deposits and 15.2 percent market share, is the assessment area's second largest depository financial institution. Other major banking competitors include Branch Banking and Trust with 3 percent market share. As of December 31, 2016, the bank operated 61 full-service financial centers and 229 deposit-taking ATMs in the multistate MSA.

Bank of America Corporation, BANA's parent company, also maintained nearly $58.2 billion in deposits in the main financial center in Charlotte, NC. BAC used these deposits for general corporate purposes throughout the enterprise and they did not originate from customers within the assessment area. While these deposits were not excluded entirely from deposits reported within the assessment area, examiners treated them as performance context in areas where assessment area deposit market shares and volumes were used as comparators.

---

[4] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Refer to the community profile for the Charlotte-Concord-Gastonia, NC-SC Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Charlotte-Concord-Gastonia, NC-SC Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners contacted a local nonprofit housing organization and local economic development association to identify community development needs within the assessment area. According to the housing organization, the biggest challenge has been upward mobility. As Charlotte has experienced strong economic growth and strong growth in the luxury housing market, jobs and affordable housing for LMI remain a challenge as lower rent housing gets torn down and replaced with higher rent luxury projects. According to the economic association, local businesses have found it difficult to find skilled, reliable labor as businesses have expanded. In addition, the area has attracted several manufacturing operations from China, Japan, and Germany.

During the evaluation period, the bank originated or purchased 23,169 home mortgage loans totaling $5 billion, 21,090 small loans to businesses totaling $610 million, 97 loans to small farms totaling $1.5 million, and 24 CD loans totaling $109 million. Based on loan volume, examiners weighted home mortgage lending slightly more than small loans to businesses in determining the Lending Test rating for the Charlotte-Concord-Gastonia, NC-SC Multistate MSA. Small loans to farms accounted for less than 1 percent of the loan volume and thus carried very little weight in the Lending Test rating.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN Charlotte-Concord-Gastonia, NC-SC Multistate MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America’s performance under the Lending Test in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA is rated High Satisfactory, based on excellent lending activity, adequate geographic distribution, and good distribution by borrower income.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank’s lending activity in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 74.2 percent based on $149.6 billion in deposits. However, nearly $59 billion of the deposits are for Bank of America’s general corporate uses and some are from companies located outside of the assessment area. If considering only deposits that originated from individuals and businesses located in the assessment area, the adjusted deposit market share would be approximately 61.9 percent. The bank ranks first in deposits among 45 depository financial institutions operating in the multistate MSA, which places it in the top 3 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 4.3 percent based on the number of home mortgage loans originated or purchased. The bank ranks fourth among 710 home mortgage lenders in the multistate MSA, which places it in the top 1 percent of lenders. According to peer small business data for 2016, the bank has a market share of 10.3 percent based on the number of small loans to businesses originated or purchased. The bank ranks third among 163 small business lenders in the multistate MSA, which places it in the top 2 percent of lenders. According to peer farm data for 2016, the bank has a market share of 6.8 percent based on the number small loans to farms originated or purchased. The bank ranks sixth among 29 farm lenders, which places it in the top 21 percent of lenders. Home mortgage lending activity is excellent when considering the strong competition from more than 700 mortgage lenders and no institution has more than 5 percent market share except Wells Fargo Bank.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects adequate penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is adequate. Geographic distribution performance is adequate in low-income geographies and the performance is poor in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.3 percent is lower than the 3.5 percent of owner-occupied housing units in low-income geographies and lower than the 2.6 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 11 percent is significantly lower than the 20.7 percent of owner-occupied housing units in moderate-income geographies and lower than the 13.9 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography **2014-16**

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is adequate. The bank's small business lending is adequate in low-income geographies and adequate in moderate-income geographies. The distribution of small loans to businesses in low-income geographies at 6.6 percent is lower than the 7.7 percent of the businesses that are located in low-income geographies. The distribution of small loans to businesses in moderate-income geographies at 13.1 percent is lower than the 18.7 percent of the businesses that are located in moderate-income geographies.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography **2014-16**

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is adequate. The bank's small farm lending is poor in low-income geographies and adequate in moderate-income geographies. The distribution of small loans to farms in low-income geographies at 0 percent is significantly lower than the 3.6 percent of the farms that are located in low-income geographies. Considering very few farms are located in low-income geographies, which indicate fewer opportunities to make small loans to farms, performance is poor. The distribution of small loans to farms in moderate-income geographies at 15.4 percent is lower than the 20.5 percent of the farms that are located in moderate-income geographies.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The distribution of home mortgage loans by borrower income is good. The distribution is adequate to low-income borrowers and the distribution is good to moderate-income borrowers. The proportion of home mortgage loans to low-income borrowers at 7.8 percent is significantly lower than the 21.6 percent of families designated as low-income. However, the bank's distribution performance is stronger than the 5.3 percent for aggregate lenders. Considering the stronger performance relative to all lenders, the distribution is adequate to low-income borrowers. The proportion of home mortgage loans to moderate-income borrowers at 15 percent is close to the 17.5 percent of families designated as moderate-income. The bank's performance in lending to moderate-income borrowers is similar to the 14.5 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 31.3 percent of its small loans to businesses. Based on small loans to businesses with known revenues, the proportion of the bank's small loans to businesses at 56.5 percent is lower than the 77.8 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 49.5 percent for the aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 30.8 percent of its small loans to farms. Approximately 66.2 percent of the bank's small loans to farms with known revenues is to farms with gross annual revenues of $1 million or less. The bank's proportion of lending is lower than the 96.4 percent of farms with gross annual revenues of $1 million or less, but higher than the 48.5 percent performance for aggregate lenders.

Community Development Lending

CD lending has a neutral effect on the bank's Lending Test performance in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA. The bank met the community's credit needs primarily through retail lending. During the evaluation period, the bank originated 24 CD loans in the assessment area totaling $109 million or 0.6 percent of the allocated Tier 1 Capital. CD lending was effective in helping to address some of the community development needs. The bank used approximately $94 million or 86 percent of the CD loan dollars to provide more than 1,100 units of affordable housing for low- and moderate-income families. The bank used approximately $13.7 million or 13 percent of the dollar volume to provide financing to businesses or organizations that provide essential services targeted to low- and moderate-income individuals.

While the allocated Tier 1 Capital considers the $58.2 billion in deposits derived from outside the assessment area, excluding those deposits would marginally increase the percentage from 0.6 percent to 1 percent.

Examples of CD loans include:

- The bank originated a $10 million loan to construct the 130-unit Atando Apartments. Financing for this multifamily housing project also included an investment in a $6.8 million LIHTC by the bank. The loan increased the affordable housing supply and was responsive to community needs as the average occupancy rates for existing low-income housing projects in the market was 99 percent. Several projects also have waiting lists.

- The bank provided $8 million in financing to construct the 112-unit Allentown Street Apartments. The project restricts 60 units for seniors 55 and older and 52 units for families. All units are restricted to renters with incomes at 60 percent or less of the area median income. The financing is responsive due to the high demand for affordable housing.

- The bank provided $8.3 million in construction financing to build a multi-use 160,000 square foot facility for Goodwill Industries. The organization and facility provide employment, job placement assistance, and training services for persons with vocational barriers. The new facility served more than 10,000 low- and moderate-individuals during its first year of operation. The transaction is complex given the involvement of New Markets Tax Credits funded through multiple sub-community development entities and a direct loan from the bank.

The bank issued three Letters of Credit totaling $4.2 million for community development purposes. While Letters of Credit are not reportable as CD loans, the commitments support community development and thus receive positive consideration.

Product Innovation and Flexibility

The bank offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. The programs include America’s Home Grant, Affordable Loan Solutions, and Business Advantage Credit. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. During the evaluation period, the bank originated more than 3,500 loans totaling $417.7 million within the assessment area under various flexible lending programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 75 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank’s level of qualified investments.

The bank’s performance under the Investment Test in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA is rated High Satisfactory.

During the evaluation period, the bank made 674 community development investments totaling $576.6 million in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA. Of the current period investments, the bank used approximately $436 million or 76 percent of the investment dollars to help provide more than 4,000 units of affordable housing. In addition, the bank has 300 community development investments totaling $90.4 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. The outstanding prior period and current period investments total $667 million or approximately 3.6 percent of the bank's total Tier 1 Capital allocated to the assessment area. After considering the effect of excluding approximately $58.2 billion in deposits that did not derive from the assessment area, community development investments represent 5.9 percent of the allocated Tier 1 Capital. The majority of current period investments are generally neither innovative nor complex with mortgage-backed securities representing approximately $347.7 million or 60 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $6.8 million in a LIHTC to support the development of Atando Avenue Apartments, a 130-unit low-income multi-family housing complex.

- The bank invested $6 million in a LIHTC to support the development of Catawba Apartments, a 62-unit affordable housing development for seniors.

- The bank made nine contributions totaling $10.1 million to the Foundation for the Carolinas to support various community development services for students at some of the most challenging schools in Charlotte. Schools targeted have more than 76 percent of the student body that is eligible to receive free or reduced lunches.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA is rated High Satisfactory.

BANA's service delivery systems in the Charlotte-Concord-Gastonia, NC-SC Multistate MSA are accessible to geographies and individuals of different income levels in the assessment area. Examiners based conclusions on a comparison of the bank's 61 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has four financial centers in low-income census tracts representing 6.6 percent of its financial centers and 10 financial centers in moderate-income census tracts representing 16.4 percent of its financial centers. According to the 2010 U.S. Census data, 7 percent and 23.7 percent of the population lives in low-income and moderate-income census tracts, respectively.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have no effect on the retail banking services conclusion.

The bank has 14 financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. These adjacent financial centers improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened two financial centers in upper-income geographies and closed fourteen. The assessment area had two closures in low-income geographies, one in a moderate-income geography, and the remaining eleven closures in middle- and upper-income geographies. Despite the closures, financial centers remain accessible to individuals and geographies of different income levels.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low-and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are consistent throughout the assessment area. Financial center lobby hours are typically 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Community Development Services

The bank is a leader in providing community development services within the Charlotte-Concord-Gastonia, NC-SC MSA. The bank provides a high level of community development services. During the evaluation period, the bank participated with community development organizations to provide 726 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 576 low- and moderate-income individuals and 65 financial education and foreclosure prevention workshops to 733 individuals that are primarily from low- and moderate-income families. More than 50 employees participated in 50 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 35 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Kansas City, MO-KS Multistate MSA

CRA rating for the Kansas City, MO-KS Multistate MSA[5]: Outstanding
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating:

- Good volume of loans originated /purchased within the assessment area;
- Excellent distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Adequate level of CD loans;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems, particularly to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Kansas City, MO-KS Multistate MSA

The Kansas City, MO-KS Multistate MSA is Bank of America's 25th largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $5.5 billion or 0.5 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 135 depository financial institutions operating in the Kansas City, MO-KS Multistate MSA, Bank of America, with a deposit market share of 8.4 percent, is the fourth largest. Competitors with deposit market shares greater than 5 percent include Synchrony Bank (19.2 percent), UMB Bank (15.9 percent), Commerce Bank (10.7 percent), and U.S. Bank (5 percent). As of December 31, 2016, the bank operated 39 full-service financial centers and 96 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Kansas City, MO-KS Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[5] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Kansas City, MO-KS Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners contacted two local nonprofit housing and economic development associations to identify community development needs within the assessment area. According to both organizations, the biggest need is affordable housing. The assessment area has an insufficient stock of affordable housing units. Approximately 7,000 individuals and families are on the Section 8 housing waiting list. Another 4,000 are on the public housing waiting list. Other issues the organizations raised are abandoned and vacant housing units and the lack of a banking presence in Jackson County.

During the evaluation period, the bank originated or purchased 12,085 home mortgage loans totaling $1.8 billion, 12,439 small loans to businesses totaling $302.5 million, 145 small loans to farms totaling $2.3 million, and 11 CD loans totaling $22 million. Based on loan volume, examiners weighted small loans to businesses more than home mortgage loans in determining the Lending Test rating for the Kansas City, MO-KS Multistate MSA. Small loans to farms accounted for less than 1 percent of the loan volume and thus carried little to no weight in the Lending Test rating.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN KANAS CITY, MO-KS MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America’s performance under the Lending Test in the Kansas City, MO-KS MSA is rated High Satisfactory, based on good lending activity, excellent geographic distribution, and good borrower income distribution.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank’s lending activity in the Kansas City, MO-KS MSA is good.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 8.4 percent based on $5.5 billion in deposits. The bank ranks fourth in deposits among 135 depository financial institutions operating in the multistate MSA, which places it in the top 3 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.9 percent based on the number of home mortgage loans originated or purchased. The bank ranks 10th among 643 home mortgage lenders in the multistate MSA, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a market share of 6.6 percent based on the number of small loans to businesses originated or purchased. The bank ranks fifth among 148 small business lenders, which places it in the top 4 percent of lenders. According to peer farm data for 2016, the bank has a market share of 4 percent based on the number of small loans to farms originated or purchased. The bank ranks eighth among 42 farm lenders, which places it in the top 20 percent of lenders.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.
(****) Bank of America sold/divested all financial centers in the Kingsport Multistate MSA during October 2014.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. The geographic distribution performance is adequate in low-income geographies and the performance is good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.4 percent is lower than the 4.9 percent of owner-occupied housing units in low-income geographies, but higher than the 1.6 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 17 percent is lower than the 19.9 percent of owner-occupied housing units in moderate-income geographies, but higher than the 13.2 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography **2014-16**

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent. The bank's distribution of small loans to businesses is good in low-income geographies and excellent in moderate-income geographies. The distribution of small loans to businesses in low-income geographies at 4.9 percent is lower than the 6.6 percent of the businesses that are located in low-income geographies and lower than the 5.4 percent for aggregate lenders. The distribution of small loans to businesses in moderate-income geographies at 18.6 percent is lower than the 20 percent of the businesses that are located in moderate-income geographies, but higher than the 17.3 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography **2014-16**

Assessment Area:	Total Loans to Small Businesses				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts		
	#	$	% of Total	Overall Market	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate

Due to rounding, totals may not equal 100.0

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is good. The bank's distribution of small loans to farms is poor in low-income geographies and excellent in moderate-income geographies. The distribution of small loans to farms in low-income geographies at 0 percent is significantly lower than the 2.2 percent of the farms that are located in low-income geographies and lower than the 0.4 percent for aggregate lenders. Considering very few farms are located in low-income geographies, which indicate fewer opportunities to make small loans to farms, performance is poor. The distribution of small loans to farms in moderate-income geographies at 20 percent is consistent with the 20.8 percent of the farms that are located in moderate-income geographies and it is higher than the 18.9 percent for aggregate lenders.

Table S - Assessment Area Distribution of Loans to Farms by Income Category of the Geography **2014-16**

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The distribution of home mortgage loans by borrower income is excellent. The distribution is good to low-income borrowers and the distribution is excellent to moderate-income borrowers. The proportion of home mortgage loans to low-income borrowers at 14.5 percent is lower than the 20.3 percent of families designated as low-income. However, the bank's distribution performance is significantly higher than the 6.6 percent for aggregate lenders. Considering the stronger performance relative to all lenders, the distribution is good to low-income borrowers. The proportion of home mortgage loans to moderate-income borrowers at 20.6 percent is higher than the 17.6 percent of families designated as moderate-income. The bank's performance in lending to moderate-income borrowers is also higher than the 15.8 percent performance for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower																			2014-16

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 34.7 percent of its small loans to businesses. Based on small loans to businesses with known revenues, the proportion of the bank's small loans to businesses at 56.2 percent is lower than the 76.5 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 39.9 percent for the aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues											2014-16

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 41.3 percent of its small loans to farms. Approximately 50 percent of the bank's small loans to farms with known revenues were to farms with gross annual revenues of $1 million or less. The bank's proportion of lending is lower than the 96.8 percent of farms with gross annual revenues of $1 million or less, but is higher than the 48.1 percent performance for aggregate lenders.

Table T: Assessment Area Distribution of Loans to Farms by Gross Annual Revenues											2014-16

Community Development Lending

CD lending has a neutral effect on the bank's Lending Test performance in the Kansas City, MO-KS Multistate MSA. The bank met the community's credit needs primarily through retail lending. During the evaluation period, the bank originated 11 CD loans in the assessment area totaling $22 million or 3.2 percent of the allocated Tier 1 Capital. CD lending was effective in helping to address some of the community development needs. Borrowers used $18.4 million or 84 percent of the loan dollars to provide 223 units of affordable housing for low- and moderate-income families and approximately $3 million or 13 percent of the dollar volume to help revitalize and stabilize low- or moderate-income areas.

Examples of CD loans include:

- The bank originated a $4.7 million construction loan to finance the construction of Rose Hill Townhomes, a 33-unit affordable housing project serving homeless tenants in the assessment area.

- The bank originated a $2.9 million construction loan to finance the construction of Briar Creek Villas, a 48-unit affordable housing development for seniors aged 55 or older. Financing for this project also include a $5.5 million investment in a LIHTC by the bank. Units are restricted to tenants with incomes at or below 60 percent of the area median income.

- The bank originated two loans totaling $3 million to Local Initiatives Support Corporation (LISC), a nonprofit certified CDFI. While LISC is national in scope, LISC targeted the financing to community development activities within the assessment area.

The bank issued one Letter of Credit totaling $5 million for community development purposes. While Letters of Credit are not reportable as CD loans, the commitments support community development and thus receive positive consideration.

Product Innovation and Flexibility

The bank offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. The programs include America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. During the evaluation period, the bank originated more than 2,700 loans totaling

$272.3 million in the assessment area under various flexible lending programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 80 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

The bank's performance under the Investment Test in the Kansas City, MO-KS Multistate MSA is rated Outstanding.

The bank made 98 community development investments during the evaluation period totaling $52.4 million. Of the current period investments, approximately $42.4 million (81 percent) of the investment dollars supported nearly 1,200 units of affordable housing. In addition, the bank has 75 investments totaling $17.2 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. The outstanding prior period and current period investments total $69.6 million or approximately 10.1 percent of the bank's total Tier 1 Capital allocated to the assessment area. The majority of current period investments are mostly innovative or complex with LIHTCs representing approximately $37.7 million or 72 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $5.5 million in a LIHTC for the construction of Briar Creek Villas, a 48-unit affordable housing development for seniors aged 55 and over.

- The bank invested $8 million in the Central Bank of Kansas City (CBKC), a minority-owned FDIC-insured depository institution. CBKC is also a certified CDFI and Community Development Entity (CDE). The investment will allow CBKC to help increase economic opportunity and promote community development through its business lending programs.

- The bank invested $6.2 million in a LIHTC for the construction of Harrisonville Villas, a 48-unit affordable housing development targeted to renters with incomes at or below 60 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

The bank’s performance under the Service Test in the Kansas City, MO-KS Multistate MSA is rated Outstanding.

BANA’s service delivery systems in the Kansas City, MO-KS Multistate MSA are readily accessible to geographies and individuals of different income levels in the assessment area. Examiners based conclusions on a comparison of the bank’s 39 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has five financial centers in low-income census tracts representing 12.8 percent of its financial centers and seven financial centers in moderate-income census tracts representing 17.9 percent of its financial centers. According to the 2010 U.S. Census data, 7.8 percent and 22.9 percent of the population lives in low-income and moderate-income census tracts, respectively.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank’s products and services. Alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has 12 financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. These adjacent financial centers improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center in a middle-income geography and closed 12 across the assessment area. The assessment area had six closures in moderate-income geographies. Despite the closures, service delivery systems remain reasonably accessible in moderate-income geographies and to moderate-income individuals.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low-and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are consistent throughout the assessment area. All financial centers are open 9:00 am to 4:00 pm Monday through Thursday, and 9:00 am to 5:00 pm on Friday. All financial centers, except one in a low-income geography, are open 9:00 am to 12:00 pm on Saturday.

Community Development Services

The bank provides a relatively high level of community development services in the Kansas City, MO-KS Multistate MSA. During the evaluation period, the bank participated with community development organizations to provide 268 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 182 low- and moderate-income individuals and provided 51 financial education and foreclosure prevention workshops to 670 individuals that are primarily low- to moderate-income. Employees participated in 27 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, eight employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA

CRA rating for the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA[6]: Satisfactory

The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Good distribution of loans by geography and adequate distribution by borrower income or business revenue size;
- Relatively high level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Reasonably accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA

The Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA is Bank of America's 42nd largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $601 million or 0.1 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 25 depository financial institutions operating in the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA, Bank of America, with a deposit market share of 7.9 percent, is the fourth largest. Competitors with deposit market shares greater than 5 percent include Branch Banking and Trust Company (24.1 percent), The Conway National Bank (10.7 percent), Wells Fargo Bank (9.3 percent), Crescom Bank (5.5 percent), and TD Bank (5.1 percent). As of December 31, 2016, the bank operated 9 full-service financial centers and 24 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[6] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with various local nonprofit organizations. The greatest need in the community are small business lending and job creation.

During the evaluation period, Bank of America originated or purchased 1,706 home mortgage loans totaling $288.4 million, 1,636 small loans to businesses totaling $31.7 million, and 8 small loans to farms totaling $50,000. Home mortgage loans and small loans to businesses each represented nearly 50 percent of the loan volume and thus were weighted equally in arriving at the overall conclusion for the Lending Test. Due to the low volume of small loans to farms, any analyses would not be meaningful and thus not performed. In addition, small loans to farms represented less than 1 percent of the loan volume and thus carried very little weight in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN MYRTLE BEACH-CONWAY-NORTH MYRTLE BEACH, SC-NC MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA is rated High Satisfactory, based on excellent lending activity, good geographic distribution, adequate borrower income distribution, and a relatively high level of CD lending that has a positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 7.9 percent. The bank ranks fourth in deposits among all depository financial institutions in the multistate MSA, which places it in the top 16 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks sixth among 537 home mortgage lenders in the multistate MSA, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a market share of 5.3 percent based on the number of small loans to businesses originated or purchased. The bank ranks seventh among 79 small business lenders in the multistate MSA, which places it in the top 9 percent of lenders. According to peer farm data for 2016, the bank has a market share of 2.5 percent based on the number of small loans to farms originated or purchased. The bank ranks eighth among 16 farm lenders in the multistate MSA, which places it in the 50th percentile of farm lenders. Home mortgage lending activity is excellent after considering the strong competition from more than mortgage lenders. Similarly, small loans to businesses is excellent after considering the presence of lenders that specialize in making numerous small dollar business credit card loans. Lending activity for small loans to farms is poor.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.
(****) Bank of America sold/divested all financial centers in the Kingsport Multistate MSA during October 2014.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is adequate. The bank's home mortgage lending is excellent in low-income census tracts and poor in moderate-income census tracts. Moderate-income distribution performance carried more weight considering the relatively few owner-occupied housing units in low-income geographies.

The distribution of the bank's home mortgage loans in low-income geographies at 2.2 percent is higher than the 0.5 percent of owner-occupied housing units in low-income geographies and the 0.5 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 5.7 percent is lower than the 15 percent of owner-occupied housing units in moderate-income geographies and 9.1 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent overall. The distribution is excellent in low-income geographies and good in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 5.5 percent is higher than the 4.3 percent of businesses operating in low-income geographies and higher than the 4.3 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 10.4 percent is lower than the 14.5 percent of businesses operating in moderate-income geographies and slightly lower than the 11.4 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is adequate. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The bank's distribution of home mortgage loans by borrower income is adequate overall. The distribution is adequate to low-income borrowers and adequate to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 5.4 percent is significantly lower than the 20.4 percent of low-income families and higher than the 3.5 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 12.3 percent is lower than the proportion of moderate-income families at 17.6 percent, but near the aggregate lender performance at 12.4 percent.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower **2014-16**

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 33.9 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 57.9 percent is lower than the 78.4 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 49.6 percent for aggregate lenders, overall performance is good.

Community Development Lending

CD lending has a positive effect on the bank's Lending Test performance in the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA. During the evaluation period, the bank originated two CD loans totaling $5.6 million or 7.5 percent of allocated Tier 1 Capital to help fund the construction of affordable housing.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 87 percent of the dollar volume of all loans in the assessment area under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA is rated Outstanding.

The bank made 56 community development investments during the evaluation period totaling $6.7 million. Approximately $6.6 million or 99 percent of the current period investment dollars supported more than 330 units of affordable housing. In addition, the bank has 12 community development investments totaling $892,000 it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $7.6 million or 10 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally neither innovative nor complex with mortgage-backed securities representing approximately $5.1 million or 77 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $455,000 in a fund that has direct and indirect investments in partnerships that own 471 affordable rental housing projects across the U.S., financed with federal LIHTCs. The investment amount is the portion that is specific to the Monticello Park housing project located within the assessment area.

- The bank invested nearly $283,000 to the South Carolina Community Loan Fund, which is a certified CDFI that provides loans to finance construction and rehabilitation costs to support housing for low- and moderate-income individuals.

- The bank provided more than $22,000 in grants to the Community Kitchen Inc. of Myrtle Beach, with a primary mission to feed the hungry. The Community Kitchen serves approximately 600 homeless and needy individuals daily and used the grants to purchase food and preparation equipment.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

The bank's performance under the Service Test in the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA is rated Low Satisfactory.

BANA's service delivery systems in the Myrtle Beach-Conway-North Myrtle Beach, SC-NC Multistate MSA are reasonably accessible to geographies and individuals of different income levels, based on a comparison of the bank's nine financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has no financial centers in low-income geographies and one financial center in a moderate-income geography representing 11.1 percent of its financial centers. According to the 2010 U.S. Census data, 1.9 percent of the population lives in low-income geographies and 16.4 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have no effect on the retail banking services conclusion.

The bank has three financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. Of the three financial centers, one is adjacent to a low-income geography and two are adjacent to moderate-income geographies. These adjacent financial centers improve access of service delivery systems to low- and moderate-income geographies and individuals.

The bank did not open nor close any financial centers in the assessment area during the evaluation period.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are 9:00 am to 5:00 pm Monday through Thursday, and 9:00 am to 6:00 pm on Friday. Five financial centers are open 9:00 am to 1:00 pm on Saturday.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 72 community development services targeted to low- and moderate-income individuals. Employees provided 63 financial education workshops to

843 homeless individuals and students that are primarily from low- and moderate-income families. Employees participated in one webinar with a non-profit organization to help the organization with capacity building. In addition, five employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

New York-Newark-Jersey City, NY-NJ Multistate MSA

CRA rating for the New York-Newark-Jersey City, NY-NJ Multistate MSA[7]: Outstanding
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;
- Relatively high level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in New York-Newark-Jersey City, NY-NJ Multistate MSA

The New York-Newark-Jersey City, NY-NJ Multistate MSA is Bank of America's third largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $121.9 billion or 10.1 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 199 depository financial institutions operating in the New York-Newark-Jersey City, NY-NJ Multistate MSA, Bank of America, with a deposit market share of 7.5 percent, is the second largest. The New York-Newark-Jersey City, NY-NJ Multistate MSA is home to some of the nation's largest financial institutions and competition is strong among 199 depository financial institutions. Banks in the multistate MSA with deposit market shares greater than 5 percent include JPMorgan Chase Bank (33.8 percent), Bank of New York (7.4 percent), HSBC Bank (7.2 percent), and Citibank (5.6 percent). As of December 31, 2016, the bank operated 437 full-service financial centers and 1,337 ATMs in the multistate MSA.

Examiners use a bank's deposit volume as an indicator of the bank's capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the New York-Newark-Jersey City, NY-NJ Multistate MSA, Bank of America reported an additional $16 billion in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the multistate MSA by excluding these external deposits from the local deposit base gives a more accurate

[7] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

indicator of the bank's capacity in the assessment area. Excluding those deposits in the multistate MSA would lower the bank's market share to approximately 6.4 percent.

Refer to the community profile for the New York-Newark-Jersey City, NY-NJ Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in New York-Newark-Jersey City, NY-NJ Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with various local nonprofit organizations. The organizations identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 56,030 home mortgage loans totaling $23.2 billion, 169,069 small loans to businesses totaling $6.6 billion, 458 small loans to farms totaling $4.7 million, and 205 CD loans totaling more than $1 billion. Small loans to businesses represented nearly 75 percent of the loan volume and thus examiners weighted them more than home mortgage loans. Small loans to farms represented less than 1 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN NEW YORK-NEWARK-JERSEY CITY, NY-NJ MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the New York-Newark-Jersey City, NY-NJ Multistate MSA is rated Outstanding, based on excellent lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the New York-Newark-Jersey City, NY-NJ Multistate MSA is good.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 7.5 percent. The bank ranks second in deposits among 199 depository financial institutions in the multistate MSA, which places it in the top 2 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks seventh among 908 home mortgage lenders in the multistate MSA, which places it in the top 1 percent of lenders. According to peer small business data for 2016, the bank has a market share of 6.2 percent based on the number of small loans to businesses originated or purchased. The bank ranks fifth among 307 small business lenders, which places it in the top 2 percent of lenders. According to peer farm data for 2016, the bank has a market share of 14.8 percent based on the number of small loans to farms originated or purchased. The bank ranks second among 32 farm lenders, which places it in the top 7 percent of lenders.

(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.
(****) Bank of America sold/divested all financial centers in the Kingsport Multistate MSA during October 2014.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. The bank's home mortgage lending is good in low-income census tracts and adequate in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 2.2 percent is slightly less than the 2.3 percent of owner-occupied housing units in low-income geographies and it is lower than the 2.7 percent aggregate distribution. The distribution of home mortgage loans in moderate-income geographies at 10.1 percent is lower than the 13.1

percent of owner-occupied housing units in moderate-income geographies and aggregate performance of 12.3 percent.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography **2014-16**

Assessment Area:	Total Home Mortgage Loans				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent overall. The distribution is good in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 6.1 percent is slightly lower than the 6.6 percent of businesses operating in low-income geographies and slightly lower than the 6.7 percent aggregate performance. The proportion of the bank's small loans to businesses in moderate-income geographies at 16.6 percent is slightly lower than the 16.7 percent of businesses operating in moderate-income geographies and slightly higher than the 16.5 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography **2014-16**

Assessment Area:	Total Loans to Small Businesses				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts

Due to rounding, totals may not equal 100.0

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is good overall. The distribution is good in low-income geographies and good in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 2.3 percent is higher than the 2 percent of farms in low-income geographies, but lower than the 3 percent for aggregate lenders. Considering very few farms are located in low-income geographies, which indicate fewer opportunities to make small loans to farms, performance is good. The bank's proportion of small loans to farms in moderate-income geographies at 10.5 percent is slightly lower than the 11 percent of farms in moderate-income geographies and 11.3 percent for aggregate lenders.

Table S - Assessment Area Distribution of Loans to Farms by Income Category of the Geography **2014-16**

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The bank's distribution of home mortgage loans by borrower income is adequate overall. The distribution is adequate to low-income borrowers and adequate to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 3.1 percent is significantly lower than the 23.6 percent of low-income families and higher than the 2.5 percent for aggregate lenders. Examiners applied more weight to the bank's performance relative to aggregate lenders due to the high cost of housing. Considering the affordability barriers to low-income borrowers in this high-cost assessment area, the bank's distribution to low-income borrowers is adequate. The proportion of home mortgage loans to moderate-income families at 8.4 percent is lower than the proportion of moderate-income families at 16.1 percent, but near the aggregate lender performance at 10.5 percent.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower																		2014-16

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 33.6 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.8 percent is lower than the 78.7 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 42.4 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues											2014-16

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 37.5 percent of its small loans to farms. Approximately 55.9 percent of the bank's small loans to farms with known revenues were to farms with gross annual revenues of $1 million or less. The bank's proportion is lower than the 96.1 percent of farms with gross annual revenues of $1 million or less. Considering the bank's proportion of loans is higher than the aggregate performance of 32.3 percent, overall performance is adequate.

Community Development Lending

CD lending has a positive effect on the bank's Lending Test performance in the New York-Newark-Jersey City, NY-NJ Multistate MSA. During the evaluation period, the bank originated 205 CD loans totaling more than $1 billion or 6.6 percent of the allocated Tier 1 Capital. The loans were effective in helping the bank address community development needs. Approximately $635.8 million or 62 percent of the loan dollars supported nearly 2,800 units of affordable housing for low- and moderate-income families. Additionally, $187 million helped to promote economic development within the assessment area, while $175 million helped fund organizations that provide community services targeted to low- and moderate-income individuals.

Examples of CD loans:

- The bank provided $11.4 million in construction financing to develop Concern Amityville, a 60-unit affordable housing complex in Amityville, NY. All units are restricted to renters with incomes at or below 50 percent of the area median income. The bank also provided a LIHTC equity investment in the project.

- The bank provided $23.5 million in financing for a "Tax Anticipation Note for 2016-2017 Taxes" for the Hempstead Union Free School District. The school district used the funds to finance its operating expenses in advance of receipt of real estate taxes levied for school purposes. For the 2015-2016 school year, approximately 75 percent of the students in the school district were eligible for free or reduced-price lunches.

- The bank provided $13.6 million in construction financing for the new construction of Jericho Walton Apartments, a 90-unit apartment building in Bronx, NY. All units, except one reserved for the onsite building manager, are restricted to renters with incomes at or below 60 percent of the area median income.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 81 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the New York-Newark-Jersey City, NY-NJ Multistate MSA is rated Outstanding.

The bank made 908 community development investments during the evaluation period totaling $1.3 billion. Approximately $1.2 billion or 96 percent of the current period investment dollars supported nearly 12,600 units of affordable housing. In addition, the bank has 360 community development investments totaling $290.7 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $1.6 billion or 10.3 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally innovative or complex with LIHTCs and New Markets Tax Credits representing approximately $869 million or 67 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $18.5 million in a LIHTC to finance the construction of 162nd Street Apartments in a low-income geography in Bronx, NY. The project comprises 86 units that are restricted to renters with incomes at or below 60 percent of the area median income.

- The bank invested $14.2 million in a LIHTC to finance the construction of Concern Amityville, a 60-unit supportive housing development on the site of the former North Amityville Armed Forces Reserve Center in Amityville, NY. All units are restricted to incomes at or below 50 percent of the area median income.

- The bank invested $11.3 million in a LIHTC to finance the construction of ACMH, a 60-unit affordable housing project in a low-income geography in Bronx, NY. The units are restricted to renters with incomes at or below 60 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the New York-Newark-Jersey City, NY-NJ Multistate MSA is rated High Satisfactory.

BANA's service delivery systems in the New York-Newark-Jersey City, NY-NJ Multistate MSA are accessible to geographies and individuals of different income levels, based on a comparison of the bank's 437 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has 29 financial centers in low-income geographies representing 6.6 percent of its financial centers and 72 financial centers in moderate-income geographies representing 16.5 percent of its financial centers. According to the 2010 U.S. Census data, 11.1 percent of the population lives in low-income geographies and 23 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems positively affected the retail banking services conclusion.

The bank has 41 financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. Of the 41 financial centers, four are adjacent to low-income geographies and 37 are adjacent to moderate-income geographies. These adjacent financial centers further improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened 26 financial centers and closed 84. The bank closed four financial centers in low-income geographies and nine financial centers in moderate-income geographies. Approximately 84 percent of the closures were in middle- and upper-income geographies. Despite the closures, financial centers remain accessible to individuals and geographies of different income levels.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are primarily 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 5:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday. Financial centers in Manhattan have the most flexible hours. The financial centers are open 8:30 am to 6:00 pm Monday through Friday and 10:00 am to 2:00 pm on Saturday.

Due to rounding, totals may not equal 100.0

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 395 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 27 low- to moderate-income individuals and provided 137 financial education and foreclosure prevention workshops to 3,390 individuals that are primarily students from low- and moderate-income families. Employees participated in 117 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 113 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA

CRA rating for the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA[8]: Outstanding

The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;
- Excellent level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA

The Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA is Bank of America's 17th largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $13.1 billion or 1.1 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 114 depository financial institutions operating in the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA, Bank of America, with a deposit market share of 2.9 percent, is the ninth largest. Financial institutions in the assessment area with deposit market shares greater than 5 percent include Capital One (22.2 percent), TD Bank (21.9 percent), Chase Bank USA (13.7 percent), and Wells Fargo Bank (7 percent). As of December 31, 2016, the bank operated 82 full-service financial centers and 167 deposit-taking ATMs in the MSA.

Refer to the community profile for the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[8] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Philadelphia-Camden-Wilmington, PA-NJ-DE-MD MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with various local nonprofit organizations. The organizations identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 25,259 home mortgage loans totaling $5.6 billion, 30,708 small loans to businesses totaling $916.9 million, 167 small loans to farms totaling $1.5 million, and 26 CD loans totaling more than $1 billion. Small loans to businesses accounted for approximately 55 percent of loan volume by number of loans while home mortgage loans accounted for approximately 45 percent. Therefore, examiners weighted small loans to businesses more than home mortgage loans and small loans to farms. Small loans to farms represented 0.3 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA is rated Outstanding, based on excellent lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a significantly positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 2.9 percent. The bank ranks ninth in deposits among 114 depository financial institutions in the multistate MSA, which places it in the top 8 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.8 percent based on the number of home mortgage loans originated or purchased. The bank ranks eighth among 843 home mortgage lenders in the multistate MSA, which places it in the top 1 percent of lenders. According to peer small business data for 2016, the bank has a market share of 5.2 percent based on the number of small loans to businesses originated or purchased. The bank ranks seventh among 226 small business lenders, which places it in the top 4 percent of lenders. According to peer farm data for 2016, the bank has a market share of 7.1 percent based on the number of small loans to farms originated or purchased. The bank ranks sixth among 32 farm lenders, which places it in the top 19 percent of lenders.

(****) Bank of America sold/divested all financial centers in the Kingsport Multistate MSA during October 2014.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. The bank's home mortgage lending is good in low-income census tracts and good in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 2.3 percent is slightly lower than the 3.5 percent of owner-occupied housing units in low-income geographies, but higher than the 1.9 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 16.2 percent is slightly lower than the 18.7 percent of owner-occupied housing units in moderate-income geographies, but is higher than the 15.9 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography																					2014-16

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent overall. The distribution is good in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 2.8 percent is lower than the 3.9 percent of businesses operating in low-income geographies and it is slightly lower than the 3 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 16.5 percent is slightly less than the 17.2 percent of businesses operating in moderate-income geographies, but is higher than the 15.7 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography																			2014-16

Due to rounding, totals may not equal 100.0

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is poor overall. The distribution is poor in low-income geographies and very poor in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 0 percent is lower than the 1 percent of farms in low-income geographies and it is consistent with the 0 percent for aggregate lenders. Considering that very few farms are located in low-income geographies, which indicate fewer opportunities to make small loans to farms, examiners weighted performance in moderate-income geographies more. The bank's proportion of small loans to farms in moderate-income geographies at 5.7 percent is significantly lower than the 13.5 percent of farms in moderate-income geographies and it is significantly lower than the 15.9 percent for aggregate lenders. Although farm lending is not a primary business focus for the bank, it actually performed better in lending to farms in upper-income geographies than the proportion of farms in upper-income geographies and aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The bank's distribution of home mortgage loans by borrower income is good overall. The distribution is adequate to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 9.9 percent is significantly lower than the 21.1 percent of low-income families and higher than the 6.4 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 17.4 percent is slightly lower than the proportion of moderate-income families at 17.5 percent and higher than the 15.9 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 34.8 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 52.2 percent is lower than the 84.8 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 45 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues										**2014-16**

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 34.9 percent of its small loans to farms. Approximately 48.1 percent of the bank's small loans to farms with known revenues were to farms with gross annual revenues of $1 million or less. The bank's proportion is significantly lower than the 94.3 percent of farms with gross annual revenues of $1 million or less and it is lower than the 55.5 percent for aggregate lenders.

Community Development Lending

CD lending has a significantly positive effect on the bank's Lending Test performance in the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA. During the evaluation period, the bank originated 26 CD loans totaling $1 billion or 62.2 percent of the allocated Tier 1 Capital. Approximately 93 percent of the loan dollars supported community development services and approximately 5 percent of the dollar volume helped to create nearly 600 units of affordable housing.

Examples of CD loans include:

- The bulk of CD lending is the result of the bank providing $950 million in one-year tax exempt Tax and Revenue Anticipation Notes (TRAN) for the Philadelphia City School District. The notes provided financing for current operating expenses in advance of receipt of District taxes and current revenues expected during the operating year. The School District enrolls nearly 130,000 students and approximately 100 percent of the students are from economically disadvantaged families and are eligible to receive free meals.

- The bank provided $8 million in construction financing to rehabilitate the Breslyn House Apartments, a 60-unit affordable housing project in the city of Philadelphia. All units are restricted to renters with incomes at or below 60 percent of the area median income.

- The bank provided $10.2 million in construction financing for the Park Tower Apartments in the city of Philadelphia through the purchase of a tax-exempt bond. The housing project consists of 156 units of affordable housing that are restricted to the elderly (62 years and older) and disabled individuals. All units are restricted to renters with incomes at or below 60 percent of the area median income.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA is rated Outstanding.

The bank made 640 community development investments during the evaluation period totaling $236.4 million. Approximately $196 million or 83 percent of current period investment dollars supported more than 1,900 units of affordable housing. In addition, the bank has 293 community development investments totaling $65.4 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $301.8 million or 18.4 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally neither innovative nor complex with mortgage-backed securities representing approximately $126.5 million or 54 percent of the investment dollars.

Examples of community development investments include:

- The bank provided $232,500 in grants to the Cathedral Soup Kitchen, which provides nutritious meals and donated food to individuals that are homeless, temporarily living with family or friends, or living below the federal poverty level. The grants are responsive to the identified need of feeding the hungry.

- The bank invested $7 million in a LIHTC to finance the rehabilitation of Hollybush Gardens Apartments, a 252-unit housing project in Glassboro, NJ. The housing project has 227 units of affordable housing that are restricted to renters with incomes at or below 60 percent of the area median income.

- The bank invested nearly $580,000 in The Reinvestment Fund, a CDFI and CDE that offers a number of products and programs related to affordable housing, charter school, childcare facilities, small business lending, and private equity investing. The funds were part of a $4.8 million investment for a broader neighborhood revitalization effort in Baltimore, MD.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA is rated High Satisfactory.

BANA's service delivery systems in the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA are accessible to geographies and individuals of different income levels, based on a comparison of the bank's 82 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has 4 or 4.9 percent of its financial centers in low-income geographies and 16 or 19.5 percent of its financial centers in moderate-income geographies. According to the 2010 U.S. Census data, 6.6 percent of the population lives in low-income geographies and 22.1 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have no effect on the retail banking services conclusion.

The bank has seven financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. Of the seven financial centers, three are adjacent to low-income geographies and four are adjacent to moderate-income geographies. These adjacent financial centers help improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened five financial centers and closed 20. The bank closed one financial center in a low-income geography and three in moderate-income geographies. The bulk of the closures were in middle- and upper-income geographies. Middle-income geographies had 10 closures while upper-income geographies had six closures.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are 9:00 am to 4:00 pm Monday through Thursday, and 9:00 am to 6:00 pm on Friday. Financial centers are generally open Saturday 9:00 am to 1:00 pm.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 399 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 56 low- and moderate-income individuals and provided 151 financial education and foreclosure prevention workshops for 3,576 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 89 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 70 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Portland-Vancouver-Hillsboro, OR-WA Multistate MSA

CRA rating for the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA[9]: Outstanding
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;

- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;

- Excellent level of CD lending;

- Excellent level and responsiveness of qualified investments; and

- Readily accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Portland-Vancouver-Hillsboro, OR-WA Multistate MSA

The Portland-Vancouver-Hillsboro, OR-WA Multistate MSA is Bank of America's 23rd largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $9.2 billion or 0.8 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 35 depository financial institutions operating in the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA, Bank of America, with a deposit market share of 19.9 percent, is the second largest. Financial institutions in the assessment area with deposit market shares greater than 5 percent include U.S. Bank (22 percent), Wells Fargo Bank (18.6 percent), JPMorgan Chase Bank (10.2 percent), KeyBank (6.9 percent), and Umpqua Bank (5.6 percent). As of December 31, 2016, the bank operated 50 full-service financial centers and 109 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[9] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Portland-Vancouver-Hillsboro, OR-WA Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with various local nonprofit organizations. The contacts identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 14,488 home mortgage loans totaling $3.5 billion, 27,928 small loans to businesses totaling $689.6 million, 317 small loans to farms totaling $4.1 million, and 43 CD loans totaling $93.1 million. Small loans to businesses accounted for approximately 65 percent of loan volume by number of loans while home mortgage loans accounted for approximately 34 percent. Therefore, examiners weighted small loans to businesses more than home mortgage loans and small loans to farms. Small loans to farms represented less than 1 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN PORTLAND-VANCOUVER-HILLSBORO, OR-WA MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America’s performance under the Lending Test in the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA is rated Outstanding, based on excellent lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank’s lending activity in the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 19.9 percent. The bank ranks second in deposits among 35 depository financial institutions in the multistate MSA, which places it in the top 6 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 2 percent based on the number of home mortgage loans originated or purchased. The bank ranks 12th among 574 home mortgage lenders in the multistate MSA, which places it in the top 3 percent of lenders. According to peer small business data for 2016, the bank has a market share of 8.3 percent based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 142 small business lenders, which places it in the top 3 percent of lenders. According to peer farm data for 2016, the bank has a market share of 12 percent based on the number of small loans to farms originated or purchased. The bank ranks third among 17 farm lenders, which places it in the top 18 percent of lenders.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. The bank's home mortgage lending is excellent in low-income census tracts and adequate in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 1.4 percent is slightly higher than the 1.3 percent of owner-occupied housing units in low-income geographies, but consistent with the 1.4 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 15.9 percent is slightly lower than the 18.4 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 18.4 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography																			2014-16

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent overall. The distribution is excellent in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 4.2 percent is near the 4.3 percent of businesses operating in low-income geographies and it is higher than the 3 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 22.9 percent is slightly higher than the 22.6 percent of businesses operating in moderate-income geographies and it is higher than the 20.1 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography																			2014-16
	Total Loans to Small Businesses				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts		
Assessment Area:	#	$	% of Total	Overall Market	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate	% Businesses	% Bank Loans	Aggregate
FS Portland-Vancouver-Hillsboro OR-WA MSA	17,972	431,097	100.0	74,170	4.3	4.2	3.0	22.6	22.9	20.1	44.0	42.0	44.9	29.0	30.8	32.0	0.1	0.1	0.1

Due to rounding, totals may not equal 100.0

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is adequate overall. The distribution is poor in low-income geographies and good in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 0 percent is lower than the 1.7 percent of farms in low-income geographies and it is lower than the 1.1 percent for aggregate lenders. Considering that very few farms are located in low-income geographies, which indicate fewer opportunities to make small loans to farms, examiners weighted performance in moderate-income geographies more. The bank's proportion of small loans to farms in moderate-income geographies at 10 percent is lower than the 14.6 percent of farms in moderate-income geographies and it is slightly higher than the 9.9 percent for aggregate lenders. Although farm lending is not a primary business focus for the bank, it actually performed better in lending to farms in middle-income geographies than the proportion of farms in middle-income geographies and aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The bank's distribution of home mortgage loans by borrower income is good overall. The distribution is adequate to low-income borrowers and good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 6.9 percent is significantly lower than the 20.5 percent of low-income families and higher than the 2.9 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 14.2 percent is lower than the proportion of moderate-income families at 17.8 percent and it is slightly higher than the 14 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 33.5 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 52.8 percent is lower than the 79.2 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 40.5 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues											2014-16

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 35.8 percent of its small loans to farms. Approximately 55.7 percent of the bank's small loans to farms with known revenues were to farms with revenues of $1 million or less. The bank's proportion is significantly lower than the 95.5 percent of farms with revenues of $1 million or less, but higher than the 51.9 percent for aggregate lenders

Community Development Lending

CD lending has a positive effect on the bank's Lending Test performance in the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA. During the evaluation period, the bank originated 43 CD loans totaling $93.1 million or 8 percent of the allocated Tier 1 Capital. Approximately 82 percent of the loan dollars helped provide nearly 600 units of affordable housing.

Examples of CD loans include:

- The bank provided $7.1 million in construction financing for Phase 1 of the Glisan Commons housing project. Financing for this project also included the bank's investment in an $8.7 million LIHTC. The first phase development will provide 67 units of affordable housing with incomes restricted to 50 percent of the area median income. This financing is responsive as affordable housing projects in the Glisan Commons area had occupancy rates up to 98 percent and more than 600 households were on the waiting list for affordable housing at the time of the construction.

- The bank provided $1.1 million in SBA 504 financing to a local coffee distributor. The loan helps to promote economic development through the financing of small businesses.

- The bank provided 17 loans totaling $3.3 million to the Network for Oregon Affordable Housing (NOAH), a consortium of lenders for funding affordable housing development. Through the bank's participation, it has helped create 117 units of affordable housing. The bank also provided $1.1 million in financing for a community of 30 manufactured homes for very low-income individuals.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 87 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA is rated Outstanding.

The bank made 145 community development investments during the evaluation period totaling $102.5 million. Approximately $97.7 million or 95 percent of the current period investment dollars supported nearly 650 units of affordable housing. In addition, the bank has 40 community development investments totaling $21.7 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $124.2 million or 10.7 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally innovative or complex with LIHTCs representing $68 million or 66 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $2.6 million in Craft3, a certified nonprofit CDFI and CDE that assists entrepreneurs and organizations in building viable business and market ventures that improve the social and environmental conditions of underserved communities in the Pacific Northwest. The CDFI used the funds from this investment to provide affordable energy efficiency (E2) retrofit loans in low- and moderate-income communities in Portland, OR and Seattle, WA.

- The bank invested $10.2 million in a LIHTC to finance the construction of Freedoms Path, a 50-unit affordable housing development for veterans located on the Vancouver Medical Center Campus in Vancouver, WA. All units are restricted to veterans with incomes at or below 60 percent of the area median income.

- The bank invested $8.7 million in LIHTCs to fund the construction of phase one of Glisan Commons, a 67-unit affordable housing project located in Portland, OR. All units are restricted to renters with incomes at or below 50 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA is rated Outstanding.

BANA's service delivery systems in the Portland-Vancouver-Hillsboro, OR-WA Multistate MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank's 50 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has four financial centers (8 percent) in low-income geographies and 16 financial centers (32 percent) in moderate-income geographies. According to the 2010 U.S. Census data, 2.7 percent of the population lives in low-income geographies and 23.7 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has 10 financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. Of the 10 financial centers, one is adjacent to a low-income geography and nine are adjacent to moderate-income geographies. These adjacent financial centers help improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center and closed eleven. The bank closed two financial centers in low-income geographies and five in moderate-income geographies. Despite these closures, service delivery systems remain readily accessible to low- and moderate-income geographies and individuals.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are 9:30 am to 5:30 pm Monday through Thursday, and 9:30 am to 6:00 pm on Friday. Financial centers are generally open Saturday 10:00 am to 1:00 pm.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations 117 community development services targeted to low- and moderate-income individuals. Employees provided 63 financial education and foreclosure prevention workshops to 857 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 31 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 22 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Providence-Warwick, RI-MA Multistate MSA

CRA rating for the Providence-Warwick, RI-MA Multistate MSA[10]: Outstanding

The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;
- Excellent level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Providence-Warwick, RI-MA Multistate MSA

The Providence-Warwick, RI-MA Multistate MSA is Bank of America's 22nd largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $9.4 billion or 0.8 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 28 depository financial institutions operating in the Providence-Warwick, RI-MA Multistate MSA, Bank of America, with a deposit market share of 24.3 percent, is the second largest. Financial institutions in the assessment area with deposit market shares greater than 5 percent include Citizens Bank (28.7 percent), Santander Bank (9.3 percent), and The Washington Trust Company (7.1 percent). As of December 31, 2016, the bank operated 52 full-service financial centers and 172 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Providence-Warwick, RI-MA Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[10] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Providence-Warwick, RI-MA Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with various local nonprofit organizations. Contacts identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 6,815 home mortgage loans totaling $1.7 billion, 15,151 small loans to businesses totaling $901.3 million, 114 small loans to farms totaling $2.1 million, and 19 CD loans totaling $102.5 million. Small loans to businesses accounted for approximately 68.6 percent of loan volume by number of loans while home mortgage loans accounted for approximately 30.9 percent. Therefore, examiners weighted small loans to businesses more than home mortgage loans and small loans to farms. Small loans to farms represented less than 1 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN Providence-Warwick, RI-MA Multistate MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Providence-Warwick, RI-MA MSA is rated Outstanding, based on excellent lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Providence-Warwick, RI-MA MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 20.7 percent. The bank ranks second in deposits among 28 depository financial institutions in the multistate MSA, which places it in the top 8 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 20th among 472 home mortgage lenders in the multistate MSA, which places it in the top 5 percent of lenders. According to peer small business data for 2016, the bank has a market share of 10.3 percent based on the number of small loans to businesses originated or purchased. The bank ranks second among 119 small business lenders, which places it in the top 2 percent of lenders. According to peer farm data for 2016, the bank has a market share of 21.2 percent based on the number of small loans to farms originated or purchased. The bank ranks second among 14 farm lenders, which places it in the top 15 percent of lenders.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. The bank's home mortgage lending is adequate in low-income census tracts and good in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 3.5 percent is slightly lower than the 4 percent of owner-occupied housing units in low-income geographies and 4 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 12.3 percent is slightly lower than the 12.9 percent of owner-occupied housing units in moderate-income geographies and it is slightly higher than the 12 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography																			2014-16

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent overall. The distribution is excellent in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 8.5 percent is near the 8.9 percent of businesses operating in low-income geographies and it is consistent with the 8.5 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 15.7 percent is near the 16.2 percent of businesses operating in moderate-income geographies and it is slightly higher than the 15.3 percent for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is adequate overall. The distribution is adequate in low-income geographies and adequate in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 3.8 percent is higher than the 3.4 percent of farms in low-income geographies and it is lower than the 7.7 percent for aggregate lenders. The bank's proportion of small loans to farms in moderate-income geographies at 3.9 percent is lower than the 8.6 percent of farms in moderate-income geographies and it is lower than the 4.3 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The bank’s distribution of home mortgage loans by borrower income is good overall. The distribution is adequate to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income families at 7.8 percent is significantly lower than the 22.6 percent of low-income families, but is higher than the 4.2 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 15.8 percent is lower than the proportion of moderate-income families at 16.9 percent and it is consistent with the 15.8 percent for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower																					2014-16

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with revenues of $1 million or less is good. The revenue size of the business was not available for approximately 35.8 percent of the bank's small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 47.4 percent is lower than the 77.3 percent of businesses with revenues of $1 million or less. Considering the bank's distribution is higher than the 43.6 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with revenues of $1 million or less is poor. The bank did not collect or consider the farm gross revenues in the underwriting of approximately 48.6 percent of its small loans to farms. Approximately 44.6 percent of the bank's small loans to farms with known revenues were to farms with revenues of $1 million or less. The bank's proportion is significantly lower than the 96.5 percent of farms with revenues of $1 million or less and lower than the 56.4 percent for aggregate lenders

Table T: Assessment Area Distribution of Loans to Farms by Gross Annual Revenues											2014-16

Community Development Lending

CD lending has a positive effect on the bank's Lending Test performance in the Providence-Warwick, RI-MA MSA. During the evaluation period, the bank originated 19 CD loans totaling $102.4 million or 8.7 percent of the allocated Tier 1 Capital. Approximately 94 percent of the loan dollars supported the creation of more than 400 units of affordable housing.

Examples of CD loans include:

- The bank provided $5.8 million in construction and bridge financing for the development of Ames Shovel Works, a 113-unit mixed-income rental apartment project in North Easton, MA. The project includes 30 units that are restricted to renters with incomes at or below 60 percent of the area median income with the remaining units rented at market rates.

- The bank provided $14 million in construction financing for the Curtain Lofts, a 97-unit mixed income rental housing project for seniors (55 years and older). Rents for 63 of the units are restricted to incomes at or below 60 percent of the area median income.

- The bank provided $9.8 million in construction financing for the development of Greenridge Apartments in the Village of Pascoag, RI. The 96-unit housing development is restricted to renters with incomes at or below 60 percent of the area median income.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 81 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank’s level of qualified investments.

Bank of America’s performance under the Investment Test in the Providence-Warwick, RI-MA Multistate MSA is rated Outstanding.

The bank made 200 community development investments during the evaluation period totaling $124.7 million. Approximately $78.1 million or 63 percent of the current period investment dollars supported more than 1,000 units of affordable housing and $41.7 million or 33 percent supported revitalization and stabilization efforts. In addition, the bank has 47 community development investments totaling $22.3 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $147 million or 12.5 percent of the bank’s Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally innovative or complex with LIHTCs, Historic Tax Credits, and New Markets Tax Credits representing $80.5 million or 65 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $9.4 million in LIHTCs and Historic Tax Credits for the rehabilitation of the former Ames Shovel campus in North Easton, MA into a mixed-income residential community. The project will have 113 apartment units with 60 units restricted to renters with incomes at or below 60 percent of the area median income. The bank also provided construction financing and letter of credit.

- The bank purchased $2.7 million in New Markets Tax Credit equity investments for the construction of a new headquarters building for Amos House. The organization provides food, housing, and social services to the homeless population of Providence. The new building will allow Amos House to consolidate all of its activities into one building. The bank also provided $105,000 in grants to Amos House, which are responsive to identified needs for education, transitional housing, hunger relief, and workforce development.

- The bank purchased $5 million in LIHTC equity investments for the rehabilitation of Constitution Hill in Woonsocket, RI. The project comprises 63 units of affordable housing with rents restricted to incomes at or below 60 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

The bank’s performance under the Service Test in the Providence-Warwick, RI-MA Multistate MSA is rated Outstanding.

BANA’s service delivery systems in the Providence-Warwick, RI-MA Multistate MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank’s 52 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has eight or 15.4 percent of its financial centers in low-income geographies and nine or 17.3 percent of its financial centers in moderate-income geographies. According to the 2010 U.S. Census data, 10.4 percent of the population lives in low-income geographies and 19.2 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank’s products and services. Alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has eight financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to moderate-income geographies. These adjacent financial centers help improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened 2 financial centers and it closed 12. The bank closed seven financial centers in moderate-income geographies. Despite these closures, financial centers remain readily accessible to low- and moderate-income geographies and individuals.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are generally 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 5:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 107 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 5 low- and moderate-income individuals and provided 43 financial education and foreclosure prevention workshops for 886 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 15 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 43 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Salisbury, MD-DE Multistate MSA

CRA rating for the Salisbury, MD-DE Multistate MSA[11]: Satisfactory

The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Good distribution of loans by geography and good distribution by borrower income or business revenue size;
- No CD lending;
- Excellent level and responsiveness of qualified investments; and
- Reasonably accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Salisbury, MD-DE Multistate MSA

The Salisbury, MD-DE Multistate MSA is Bank of America's 43rd largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $282.6 million or less than 0.1 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 24 depository financial institutions operating in the Salisbury, MD-DE Multistate MSA, Bank of America, with a deposit market share of 0.5 percent, is the ninth largest. The largest depository financial institution in the assessment area is Discover Bank with $50.5 billion in deposits and 88 percent market share. It operates one branch in the market. No other depository financial institution has more than 2.5 percent market share. Other large depository financial institutions operating in the assessment area with more than $1 billion in deposits include second ranked PNC Bank with $1.4 billion in deposits and third ranked Manufacturers and Traders Trust Company with $1.1 billion in deposits. As of December 31, 2016, the bank operated 3 full-service financial centers and 11 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Salisbury, MD-DE Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[11] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Salisbury, MD-DE MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with various local nonprofit organizations. The contacts identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 897 home mortgage loans totaling $236.3 million, 1,200 small loans to businesses totaling $24.8 million, and 70 small loans to farms totaling $1.6 million. Small loans to businesses accounted for approximately 55 percent of loan volume by number of loans while home mortgage loans accounted for approximately 41 percent. Therefore, examiners weighted small loans to businesses more than home mortgage loans and small loans to farms. Small loans to farms represented 3.2 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN SALISBURY, MD-DE MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Salisbury, MD-DE MSA is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Salisbury, MD-DE MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 0.5 percent. The bank ranks ninth in deposits among 24 depository financial institutions in the multistate MSA, which places it in the top 38 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.8 percent based on the number of home mortgage loans originated or purchased. The bank ranks 15th among 451 home mortgage lenders in the multistate MSA, which places it in the top 4 percent of lenders. According to peer small business data for 2016, the bank has a market share of 4.8 percent based on the number of small loans to businesses originated or purchased. The bank ranks eighth among 85 small business lenders, which places it in the top 10 percent of lenders. According to peer farm data for 2016, the bank has a market share of 9.1 percent based on the number of small loans to farms originated or purchased. The bank ranks fifth among 16 farm lenders, which places it in the top 32 percent of lenders.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.
(****) Bank of America sold/divested all financial centers in the Kingsport Multistate MSA during October 2014.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good overall. The bank did not originate or purchase home mortgage loans in low-income geographies. Considering the one low-income census tract has no owner-occupied housing units, examiners placed all weight on performance in moderate-income geographies.

The distribution of home mortgage loans in moderate-income geographies at 9.1 percent is lower than the 12.2 percent of owner-occupied housing units in moderate-income geographies, but is higher than the 8.2 percent for aggregate lenders. Performance is good.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography **2014-16**

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is good overall. The distribution is excellent in the low-income geography and adequate in moderate-income geographies. The proportion of the bank's small loans to businesses in the low-income geography at 0.3 percent is consistent with the 0.3 percent of businesses operating in the low-income geography and it is slightly higher than the 0.2 percent for aggregate lenders. Due to the low opportunities for lending in the one low-income geography, examiners placed more weight on performance in moderate-income geographies. The proportion of the bank's small loans to businesses in moderate-income geographies at 11.1 percent is lower the 14.5 percent of businesses operating in moderate-income geographies and it is lower than the 13.3 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography **2014-16**

Due to rounding, totals may not equal 100.0

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is good overall. The distribution is adequate in the low-income geography and excellent in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 0 percent is lower than the 0.1 percent of farms in the low-income geography, but is consistent with the 0 percent for aggregate lenders. Considering that very few farms are located in the one low-income geography, which indicates fewer opportunities to make small loans to farms, examiners weighted performance in moderate-income geographies more. The bank's proportion of small loans to farms in moderate-income geographies at 12.9 percent is slightly higher than the 12.1

percent of farms in moderate-income geographies and it is slightly lower than the 13.9 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The bank’s distribution of home mortgage loans by borrower income is good overall. The distribution is adequate to low-income borrowers and good to moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income families at 6.7 percent is significantly lower than the 20 percent of low-income families and higher than the 3.7 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 12.5 percent is lower than the proportion of moderate-income families at 18.7 percent, but is higher than the 10.6 percent for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower																			2014-16

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 36.8 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.5 percent is lower than the 77.8 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 48.5 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues										2014-16

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 37.1 percent of its small loans to farms. Approximately 57.1 percent of the bank's small loans to farms with known revenues were to farms with gross annual revenues of $1 million or less. The bank's proportion is significantly lower than the 96.8 percent of farms with gross annual revenues of $1 million or less, but is higher than the 46 percent for aggregate lenders.

Community Development Lending

CD lending has a neutral effect on the bank's Lending Test performance in the Salisbury, MD-DE MSA. The bank met the community's credit needs primarily through retail lending. During the evaluation period, the bank did not purchase or originate any CD loans.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 92 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Salisbury, MD-DE Multistate MSA is rated Outstanding.

The bank made 101 community development investments during the evaluation period totaling $18.8 million. Approximately $18.3 million or 98 percent of the current period investment dollars supported more than 200 units of affordable housing. In addition, the bank has 76 community development investments totaling $4.9 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $23.6 million or 66.6 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $17.8 million or 95 percent of the investment dollars.

Examples of community development investments include:

- The bank made a $25,000 contribution to the Delaware Community Reinvestment Action Council, with a mission to ensure equitable treatment and equal access to credit and capital through advocacy, education, legislation, and outreach in Delaware. The organization used the grant funds to help address foreclosure and pre-purchase counseling needs. More than 80 percent of the clients have incomes below 80 percent of the area median income.

- The bank made a $25,000 contribution to First State Community Action Agency, with a mission to work towards the elimination of poverty and to make less severe the effects of poverty. The organization used the grant funds toward providing housing counseling and financial literacy training to low-income residents in rural Coverdale Crossroads.

- The bank made a $12,500 contribution to Goodwill Industries of Delaware and Delaware County. The mission of Goodwill is to improve the quality of life for people with barriers to self-sufficiency through the “Power of Work”. The organization used the grant funds to deploy the human and technological resources to build capacity to track job placement and retention.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

The bank's performance under the Service Test in the Salisbury, MD-DE Multistate MSA is rated Low Satisfactory.

BANA's service delivery systems in the Salisbury, MD-DE Multistate MSA are reasonably accessible to geographies and individuals of different income levels, based on a comparison of the bank's three financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has no financial centers in low- or moderate-income geographies where 0.4 percent and 16.9 percent of the population lives, respectively.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have no effect on the retail banking services conclusion.

The bank has one financial center in an upper-income geography that is adjacent to or in very close proximity to a moderate-income geography that helps improve access to service delivery systems in the moderate-income geography and to low- and moderate-income individuals.

The bank did not open nor close any financial centers in the assessment area during the evaluation period.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 75 community development services targeted to low- and moderate-income individuals. Employees provided 42 financial education workshops for 1,089 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 12 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 12 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

St. Louis, MO-IL Multistate MSA

CRA rating for the St. Louis, MO-IL Multistate MSA[12]: Satisfactory

The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Good distribution of loans by geography and good distribution by borrower income or business revenue size;
- Low level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in St. Louis, MO-IL Multistate MSA

The St. Louis, MO-IL Multistate MSA is Bank of America's 18th largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $11.3 billion or 0.9 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 129 depository financial institutions operating in the St. Louis, MO-IL Multistate MSA, Bank of America, with a deposit market share of 11.9 percent, is the third largest. The largest depository financial institutions in the assessment area with more than 5 percent market shares include Scottrade Bank (15.5 percent), U.S. Bank, N.A. (14.2 percent), Stifel Bank and Trust (8.3 percent), and Commerce Bank (6.8 percent). As of December 31, 2016, the bank operated 52 full-service financial centers and 131 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the St. Louis, MO-IL Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in St. Louis, MO-IL Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community

[12] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

development needs with various local nonprofit organizations. The contacts identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 16,573 home mortgage loans totaling $2.7 billion, 18,521 small loans to businesses totaling $489.2 million, 221 small loans to farms totaling $3.4 million, and 10 CD loans totaling $37.6 million. Small loans to businesses accounted for approximately 52 percent of loan volume by number of loans while home mortgage loans accounted for approximately 47 percent. Therefore, examiners weighted small loans to businesses slightly more than home mortgage. Small loans to farms represented less than 1 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN St. Louis, MO-IL Multistate MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the St. Louis, MO-IL Multistate MSA is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the St. Louis, MO-IL Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 11.9 percent. The bank ranks third in deposits among 129 depository financial institutions in the multistate MSA, which places it in the top 3 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.8 percent based on the number of home mortgage loans originated or purchased. The bank ranks 12th among 647 home mortgage lenders in the multistate MSA, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a market share of 7.2 percent based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 155 small business lenders, which places it in the top 3 percent of lenders. According to peer farm data for 2016, the bank has a market share of 3.4 percent based on the number of small loans to farms originated or purchased. The bank ranks 10th among 34 farm lenders, which places it in the top 30 percent of lenders. Loan volumes for home mortgage lending is adequate after considering the strong competition from non-depository financial institutions. Small business lending is excellent after considering the bank's market share ranking among the competition. In addition, the average small business loan size for first ranked Citibank and third ranked American Express is $12,000 compared to $24,000 for Bank of America. The smaller loan amount indicates credit card lending, which tends to lead to higher loan volume and market share.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.
(****) Bank of America sold/divested all financial centers in the Kingsport Multistate MSA during October 2014.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is good. The bank's home mortgage lending is adequate in low-income census tracts and good in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 2.5 percent is lower than the 4.3 percent of owner-occupied housing units in low-income geographies, but higher than the 1.3 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 12.3 percent is lower than the 15.8 percent of owner-occupied housing units in moderate-income geographies, but higher than the 9.5 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is good overall. The distribution is adequate in low-income geographies and good in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 3.3 percent is lower than the 5.5 percent of businesses operating in low-income geographies and it is lower than the 4.6 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 13 percent is lower than the 15.6 percent of businesses operating in moderate-income geographies and it is lower than the 14.3 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography **2014-16**

Assessment Area:	Total Loans to Small Businesses				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is excellent overall. The distribution is excellent in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 2.2 percent is higher than the 1.3 percent of farms in low-income geographies and it is higher than the 0.4 percent for aggregate lenders. Considering that very few farms are located in low-income geographies, which indicates fewer opportunities to make small loans to farms, examiners weighted performance in moderate-income geographies more. The bank's proportion of small loans to farms in moderate-income geographies at 10.1 percent is lower than the 11 percent of farms in moderate-income geographies and it is higher than the 5.9 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The bank’s distribution of home mortgage loans by borrower income is excellent overall. The distribution is good to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income families at 13.1 percent is lower than the 20.9 percent of low-income families and higher than the 6.1 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 19.5 percent is higher than the proportion of moderate-income families at 17.1 percent and it is higher than the 15.8 percent for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower **2014-16**

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 34.6 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 54.7 percent is lower than the 75.8 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 42.7 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues **2014-16**

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 39.3 percent of its small loans to farms. Approximately 59.3 percent of the bank's small loans to farms with known revenues were to farms with gross annual revenues of $1 million or less. The bank's proportion is lower than the 97.2 percent of farms with gross annual revenues of $1 million or less and lower than the 64.1 percent for aggregate lenders

Community Development Lending

CD lending has a neutral effect on the bank's Lending Test performance in the St. Louis, MO-IL Multistate MSA. The bank met the community's credit needs primarily through retail lending. During the evaluation period, the bank originated 10 CD loans totaling $37.6 million or 2.7

percent of the allocated Tier 1 Capital. Approximately 88 percent of the loan dollars supported the creation of nearly 300 units of affordable housing.

Examples of CD loans include:

- The bank provided $5.5 million in financing to construct Green Gables II Senior Living Phase 2, a 48-unit affordable housing project. Units are for seniors (55 years and older) and are restricted to incomes at or below 60 percent of the area median income. The financing is responsive to identified needs for affordable housing. Phase 1, also with 48-units, is fully leased with a waiting list of at least 40 individuals. Vacancy rates for low-income seniors at other area housing projects are low at less than 1 percent.

- The bank provided $5.4 million in financing for the acquisition and renovation of the Landings at Belle Meadows, an existing 60-unit affordable housing project in Alton, IL. The financing created no new affordable housing, but rather funding allowed preservation of the existing property to continue serving low-income households in the area. The units are restricted to incomes at or below 60 percent of the area median income.

- The bank provided $280,000 in financing to a non-profit corporation created to promote housing savings and economic development for low- and moderate-income families. The borrower used the funds to finance loans under the SBA Community Advantage 7(a) program and it expects it will place 80 percent of its Community Advantage loans with low- and moderate-income individuals with a projection of 3-5 full-time jobs created per loan. The funding is responsive as access to small business capital is a need identified in the community.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 82 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the St. Louis, MO-IL Multistate MSA is rated Outstanding.

The bank made 164 community development investments during the evaluation period totaling $108.3 million. Approximately $105.3 million or 97 percent of the current period investment dollars supported nearly 1,900 units of affordable housing. In addition, the bank has 136 community development investments totaling $35.3 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $143.6 million or 10.2 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally innovative or complex with LIHTCs representing approximately $64 million or 59 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $4.9 million in a Section 42 LIHTC Fund, which invested in a LIHTC to finance the Oak View Village II affordable housing project in Union, MO. The project consists of 49 two-bedroom units restricted to renters with incomes at or below 60 percent of the area median income.

- The bank invested $5.9 million in a LIHTC to finance the development of Bluff View Apartments, a 40-unit senior housing project. All units are restricted to renters with incomes at or below 60 percent of the area median income.

- The bank invested $5.7 million in a LIHTC to fund the construction of Green Gables Phase II, a 48-unit affordable housing development in Wentzville, MO for seniors aged 55 and older. All units are restricted to renters with incomes at or below 60 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the St. Louis, MO-IL Multistate MSA is rated High Satisfactory.

BANA's service delivery systems in the St. Louis, MO-IL Multistate MSA are accessible to geographies and individuals of different income levels, based on a comparison of the bank's 52 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has two or 3.8 percent of its financial centers in low-income geographies compared to 7.6 percent of the population in those geographies. The bank has nine or 17.3 percent of its financial centers in moderate-income geographies compared to 17.6 percent of population in those geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has seven financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. Of the seven financial centers, two are adjacent to low-income geographies and five are adjacent to moderate-income geographies. These adjacent financial centers help improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank did not open any financial centers and it closed eight. The bank closed five financial centers in moderate-income geographies. Despite these closures, service delivery systems remain accessible to low- and moderate-income geographies and individuals.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are consistent throughout the assessment area. Financial center lobby hours are 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 5:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday. All financial centers have the same operating hours except one financial center located in an upper-income geography, where the hours are 11:00 am to 4:00 pm Monday through Friday.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 99 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 6 low- and moderate-income individuals and provided 59 financial education and foreclosure prevention workshops for 1,331 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 31 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, three employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA

CRA rating for the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA[13]: Outstanding

The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;
- Excellent level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA

The Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA is Bank of America's ninth largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $30.3 billion or 2.5 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 76 depository financial institutions operating in the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA, Bank of America, with a deposit market share of 13.7 percent, is the third largest. Financial institutions in the assessment area with deposit market shares greater than 5 percent include E*Trade Bank (15 percent), Wells Fargo Bank (14.4 percent), Capital One (11.6 percent), SunTrust Bank (8.4 percent), Branch Banking and Trust Company (6 percent), and PNC Bank (5.7 percent). As of December 31, 2016, the bank operated 155 full-service financial centers and 455 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[13] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

Scope of Evaluation in Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community development needs with various local nonprofit organizations. The contacts identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 41,176 home mortgage loans totaling $13.1 billion, 59,722 small loans to businesses totaling $1.7 billion, 195 small loans to farms totaling $4 million, and 74 CD loans totaling $741.8 million. Small loans to businesses accounted for approximately 59 percent of loan volume by number of loans while home mortgage loans accounted for approximately 41 percent. Therefore, examiners weighted small loans to businesses more than home mortgage loans and small loans to farms. Small loans to farms represented less than 1 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN WASHINGTON-ARLINGTON-ALEXANDRIA, DC-VA-MD MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA is rated Outstanding, based on excellent lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a significantly positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 13.7 percent. The bank ranks third among 76 depository financial institutions in the multistate MSA, which places it in the top 4 percent of institutions. According to mortgage peer data for 2016, the bank has a market share of 1.8 percent based on the number of home mortgage loans originated or purchased. The bank ranks 12th among 820 home mortgage lenders in the multistate MSA, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a market share of 9.5 percent based on the number of small loans to businesses originated or purchased. The bank ranks fourth out 219 small business lenders, which places it in the top 2 percent of lenders. According to peer farm data for 2016, the bank has a market share of 11.7 percent based on the number of small loans to farms originated or purchased. The bank ranks third among 33 farm lenders, which places it in the top 10 percent of lenders. Lending activity is excellent considering the bank's higher ranking in home mortgage and small business lending relative to its deposit ranking.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is excellent. The bank's home mortgage lending is excellent in low-income census tracts and excellent in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 4.4 percent is higher than the 3.6 percent of owner-occupied housing units in low-income geographies and higher than the 3.8 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 19.7 percent is slightly lower than the 19.9 percent of owner-occupied housing units in moderate-income geographies and it is higher than the 19 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography																			2014-16

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is excellent overall. The distribution is excellent in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 4.5 percent is higher than the 4.3 percent of businesses operating in low-income geographies and it is higher than the 3.9 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 20.4 percent is slightly higher than the 20.1 percent of businesses operating in moderate-income geographies and it is higher than the 19.5 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography																			2014-16

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is adequate overall. The distribution is very poor in low-income geographies but considering very few farms are located in low-income geographies, which indicate fewer opportunities to lend, performance is poor. Due to the limited opportunities in low-income geographies, examiners placed more weight on performance in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 0 percent is lower than the 2.5 percent of farms in low-income geographies and it is lower than the 0.3 percent for aggregate lenders. The bank's proportion of small loans to farms in moderate-income geographies at 16.9 percent is lower than the 21.7 percent of farms in moderate-income geographies and it is lower than the 24.5 percent for aggregate lenders. Farm lending is not a primary loan product for the bank.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The bank’s distribution of home mortgage loans by borrower income is excellent overall. The distribution is good to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income families at 12.1 percent is lower than the 21.1 percent of low-income families and higher than the 6.9 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 20.1 percent is lower than the proportion of moderate-income families at 17.5 percent and it is higher than the 16 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 28.9 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 60.8 percent is lower than the 78.2 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 49.5 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues										**2014-16**
	Total Loans to Small Businesses				Businesses with Revenues <= 1MM			Businesses with Revenues > 1MM		Businesses with Revenues Not Available

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 35.5 percent of its small loans to farms. Approximately 58.9 percent of the bank's small loans to farms with known revenues were to farms with revenues of $1 million or less. The bank's proportion is significantly lower than the 95 percent of farms with revenues of $1 million or less, but is higher than the 33.2 percent for aggregate lenders

Table T: Assessment Area Distribution of Loans to Farms by Gross Annual Revenues											2014-16

Community Development Lending

CD lending has a significantly positive effect on the bank's Lending Test performance in the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA. During the evaluation period, the bank originated 74 CD loans totaling $741.8 million or 19.5 percent of the allocated Tier 1 Capital. Approximately $403 million (54 percent) supported the creation of nearly 3,000 units of affordable housing. The bank used approximately $223 million (30 percent) to fund organizations providing community services targeted to low- and moderate-income individuals.

Examples of CD loans include:

- The bank provided $12.2 million in financing to construct and renovate 520 North Market Street, an affordable housing project in Frederick, MD. The developer converted the former school building into 14 apartment units and constructed 45 new apartment units. The project has 53 units restricted to incomes at or below 50 percent of the area median income. The remaining six units are unrestricted market rate rentals. The bank also invested in LIHTCs supporting this housing project.

- The bank provided $12 million in financing to acquire and renovate Taney Village Apartments in Frederick, MD, a 130-unit affordable housing project. The project has 117 units set aside for the elderly and 13 units for adults with disabilities. All units receive Section 8 assistance.

- The bank provided $15.5 million in financing to construct a mixed-use building with 116 residential rental units with 5,200 square feet of retail space. All units are restricted to incomes at or below 60 percent of the area median income.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 80 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA is rated Outstanding.

The bank made 376 community development investments during the evaluation period totaling $327.2 million. Approximately $232.4 million or 71 percent of the current period investment dollars supported nearly 2,800 units of affordable housing. In addition, the bank has 106 community development investments totaling $79.1 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $406.3 million or 10.7 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally innovative or complex with LIHTCs and New Markets Tax Credits representing approximately $218.6 million or 66 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $15.4 million in a LIHTC to finance the construction of 520 North Market Street, an affordable housing project in Frederick, MD. The developer converted a former school building into 14 apartment units and constructed 45 new apartment units. The project includes 53 units restricted to incomes at or below 50 percent of the area median income. The remaining six units are unrestricted market rate rentals. The bank also provided the construction financing for this development.

- The bank purchased $20.8 million in Multifamily Housing Tax Exempt Development Bonds to support the Housing Opportunities Commission's mission to provide affordable housing. The organization used the bond proceeds to finance mortgage loans in connection with the acquisition and rehabilitation of 1) Arcola Towers, a 141-unit multifamily public housing development in Silver Springs, MD and 2) Waverly House, a 158-unit multifamily public housing development in Bethesda, MD. All units are restricted to incomes at or below 60 percent of the area median income.

- The bank invested $12.6 million in three New Markets Tax Credit equity investments to fund the construction and renovation of the Achievement Preparatory Academy (APA) Wahler Campus in Washington DC. According to the DC Public Charter School Board 2016 Quality Report, which reports student demographics for the 2015-2016 school year, more than 60 percent of its 273 elementary school students were economically disadvantaged. More than 85 percent of its 383 middle school students were economically disadvantaged.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA is rated Outstanding.

BANA's service delivery systems in the Washington-Arlington-Alexandria, DC-VA-MD Multistate MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank's 155 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has 14 or 9 percent of its financial centers in low-income geographies and 41 or 26.5 percent of its financial centers in moderate-income geographies. According to the 2010 U.S. Census data, 8.1 percent of the population lives in low-income geographies and 24.3 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has 19 financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. Of the 19 financial centers, two are adjacent to low-income geographies and 17 are adjacent to moderate-income geographies. These adjacent financial centers help improve access of service delivery systems to low- and moderate-income geographies and individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened seven financial center and closed twenty-six. The bank closed three financial centers in low-income geographies and twelve in moderate-income geographies. Despite these closures, service delivery systems remain readily accessible to low- and moderate-income geographies and individuals.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 231 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 2 low- and moderate-income individuals and provided 131 financial education and foreclosure prevention workshops for 2,637 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 56 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 40 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Worcester, MA-CT Multistate MSA

CRA rating for the Worcester, MA-CT Multistate MSA[14]: Outstanding

The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Good distribution of loans by geography and good distribution by borrower income or business revenue size;
- Excellent level of CD lending;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and low- and moderate-income individuals.

Description of Institution's Operations in Worcester, MA-CT MSA

The Worcester, MA-CT Multistate MSA is Bank of America's 33rd largest rating area based on its total deposits in the MSA. As of June 30, 2016, the bank maintained approximately $2.4 billion or 0.2 percent of its total domestic deposits in financial centers in the multistate MSA. Of the 42 depository financial institutions operating in the Worcester, MA-CT Multistate MSA, Bank of America, with a deposit market share of 13.9 percent, is the largest. Financial institutions in the assessment area with market shares greater than 5 percent include Commerce Bank & Trust Company (9.8 percent), Unibank for Savings (8.8 percent), TD Bank (8.4 percent), and Santander Bank (7.5 percent). As of December 31, 2016, the bank operated 24 full-service financial centers and 86 deposit-taking ATMs in the multistate MSA.

Refer to the community profile for the Worcester, MA-CT Multistate MSA in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Worcester, MA-CT Multistate MSA

Examiners selected the entire multistate MSA for a full-scope review and based conclusions and ratings on activity within this multistate MSA. Examiners discussed area community

[14] This rating reflects performance within the multistate metropolitan area. The statewide evaluations do not reflect performance in the parts of those states contained within the multistate metropolitan area.

development needs with various local nonprofit organizations. The contacts identified affordable housing as the primary need in the assessment area.

During the evaluation period, Bank of America originated or purchased 1,345 home mortgage loans totaling $291 million, 4,609 small loans to businesses totaling $129.8 million, 45 small loans to farms totaling $806,000, and 3 CD loans totaling $52.2 million. Small loans to businesses accounted for approximately 77 percent of loan volume by number of loans while home mortgage loans accounted for approximately 22 percent. Therefore, examiners weighted small loans to businesses more than home mortgage loans and small loans to farms. Small loans to farms represented less than 1 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN WORCESTER, MA-CT MULTISTATE MSA

LENDING TEST

Conclusions in Multistate MSA

Bank of America's performance under the Lending Test in the Worcester, MA-CT Multistate MSA is rated Outstanding, based on excellent lending activity, good geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a significantly positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Worcester, MA-CT Multistate MSA is excellent.

According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 13.9 percent. The bank ranks first in deposits among 42 depository financial institutions in the multistate MSA, which places it in the top 3 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 12th among 496 home mortgage lenders in the multistate MSA, which places it in the top 3 percent of lenders. According to peer small business data for 2016, the bank has a market share of 10.4 percent based on the number of small loans to businesses originated or purchased. The bank ranks third among 119 small business lenders, which places it in the top 3 percent of lenders. According to peer farm data for 2016, the bank has a market share of 27.5 percent based on the number of small loans to farms originated or purchased. The bank ranks first among 11 farm lenders within the multistate MSA, which places it in the top 10 percent of lenders.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The geographic distribution of home mortgage loans is excellent. The bank's home mortgage lending is excellent in low-income census tracts and good in moderate-income census tracts.

The distribution of the bank's home mortgage loans in low-income geographies at 2 percent is higher than the 1.9 percent of owner-occupied housing units in low-income geographies and higher than the 1.7 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 12.1 percent is lower than the 14.2 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 12.6 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography																			2014-16

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The geographic distribution of small loans to businesses is good overall. The distribution is good in low-income geographies and good in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 7.1 percent is lower than the 8 percent of businesses operating in low-income geographies and it is higher than the 6.8 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 17.2 percent is lower than the 18.3 percent of businesses operating in moderate-income geographies and it is lower than the 17.7 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography																			2014-16

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The geographic distribution of small loans to farms is good overall. The distribution is poor in low-income geographies and excellent in moderate-income geographies. Considering very few farms are located in low-income geographies, which indicate fewer opportunities to lend, examiners placed more weight on performance in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 0 percent is lower than the 1.4 percent of farms in low-income geographies, but is consistent with the 0 percent for aggregate lenders. The bank's proportion of small loans to farms in moderate-income geographies at 17.8 percent is higher than the 8.5 percent of farms in moderate-income geographies and it is higher than the 7.2 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The bank's distribution of home mortgage loans by borrower income is good overall. The distribution is adequate to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 8.4 percent is lower than the 21 percent of low-income families and higher than the 5.5 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 19.5 percent is higher than the proportion of moderate-income families at 16.8 percent and it is higher than the 16.6 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 37.8 percent of its small loans to businesses. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 51.9 percent is lower than the 77.1 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 44.3 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues **2014-16**

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 33.3 percent of its small loans to farms. Approximately 53.3 percent of the bank's small loans to farms with known revenues were to farms with revenues of $1 million or less. The bank's proportion is significantly lower than the 96.8 percent of farms with revenues of $1 million or less, but is higher than the 44.9 percent for aggregate lenders

Community Development Lending

CD lending has a significantly positive effect on the bank's Lending Test performance in the Worcester, MA-CT Multistate MSA. During the evaluation period, the bank originated three CD loan totaling $52.3 million or 17.2 percent of the allocated Tier 1 Capital to fund affordable housing projects and to revitalize or stabilize low- or moderate-income geographies.

Examples of CD loans include:

- The bank provided $27 million for the renovation of the former Fitchburg Yarn Factory into the Fitchburg Yarn Lofts, a 96-unit mixed income multifamily housing development in Fitchburg, MA. The project, located in a moderate-income census tract, will have 39 units restricted to incomes at or below 60 percent of the area median income. The remaining 57 units are market rate rentals. The project helps to revitalize and stabilize the moderate-income geography. The bank also invested in LIHTCs supporting this project.

- The bank provided $23.3 million in construction financing for the historic preservation and adaptive reuse of the former Worcester Vocational Technical School located in a moderate-income census tract in Worcester. The area was once home to old mill buildings but has been undergoing transition into land of entrepreneurship and residency. The project will result in 84 mixed income rental units comprising 42 affordable housing units and 42 market rate units.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the multistate MSA, lending under the MHA and HARP programs accounted for 87 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions in Multistate MSA

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the Worcester, MA-CT Multistate MSA is rated Outstanding.

The bank made 50 community development investments during the evaluation period totaling $50 million. Approximately $27.8 million or 56 percent of the current period investment dollars support revitalization and stabilization efforts and $21.5 million or 43 percent support more than 600 units of affordable housing. In addition, the bank has 33 community development investments totaling $8.1 million it made during a prior evaluation period that are still outstanding and continuing to provide benefit to the community. Outstanding prior period and current period investments total $58 million or 19.1 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are generally innovative or complex with LIHTCs representing approximately $45.9 million or 92 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $731,000 in a LIHTC equity investment to fund the rehabilitation of 20 units of affordable housing in Worcester, MA. All units are restricted to renters with incomes at or below 60 percent of the area median income.

- The bank purchased $15.8 million in a LIHTC for the renovation of Fitchburg Yarn Mill into a 96-unit mixed-income market rate and affordable housing project. The project will include 39 units restricted to incomes at or below 60 percent of the area median income and 57 market rate units. Bank of America also provided the construction financing for the project.

- The bank invested $1.3 million in a LIHTC that funded the acquisition and rehabilitation of historically significant former Sitkowski School building in Webster, MA into 66 affordable housing units for seniors. All units are restricted to incomes at or below 60 percent of the area median income.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions in Multistate MSA

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

The bank's performance under the Service Test in the Worcester, MA-CT Multistate MSA is rated Outstanding.

BANA's service delivery systems in the Worcester, MA-CT Multistate MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank's 24 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has three or 12.5 percent of its financial centers in low-income geographies and seven or 29.2 percent of its financial centers in moderate-income geographies. According to the 2010 U.S. Census data, 6.8 percent of the population lives in low-income geographies and 18.9 percent lives in moderate-income geographies.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have a positive effect on the retail banking services conclusion.

The bank has three financial centers in middle-income geographies that are adjacent to or are in very close proximity to moderate-income geographies. These adjacent financial centers help improve access of service delivery systems to moderate-income geographies and to low- and moderate-individuals.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center in a low-income geography and closed four. The bank closed two financial centers in low-income geographies and two in middle-income geographies. Despite these closures, service delivery systems remain readily accessible to low- and moderate-income geographies and individuals.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are generally 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 5:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Community Development Services

The bank provides a relatively high level of community development services within the assessment area. During the evaluation period, the bank participated with community development organizations to provide 90 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 5 low- and moderate-income individuals and provided 31 financial education and foreclosure prevention workshops for 806 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 20 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 13 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

State Ratings

State of Arizona

CRA Rating for Arizona[15]: **Satisfactory**
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;

- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;

- Relatively low level of CD lending that has a neutral effect on overall lending performance;

- Excellent level and responsiveness of qualified investments; and

- Reasonably accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Arizona

The state of Arizona is Bank of America's 45th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $20.7 billion or 1.7 percent of its total domestic deposits in financial centers within the state of Arizona. Of the 65 depository financial institutions operating in the state, Bank of America, with a deposit market share of 18.1 percent, is the third largest. The only two other major banks that have deposit market shares greater than 5 percent include JPMorgan Chase Bank (26.3 percent) and Wells Fargo Bank (25.3 percent). As of December 31, 2016, the bank operated 141 financial centers and 491 ATMs in the state of Arizona.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Phoenix-Mesa-Scottsdale, AZ MSA, Bank of America reported an additional $437 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

[15] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Refer to the community profiles for the state of Arizona in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Arizona

Examiners selected two assessment areas for full-scope reviews and the remaining five assessment areas for limited-scope reviews. The full-scope assessment areas included the Lake Havasu City-Kingman, AZ MSA and Phoenix-Mesa-Scottsdale, AZ MSA. While the Phoenix-Mesa-Scottsdale, AZ MSA carries approximately 82 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Arizona, examiners based the conclusions and ratings for the state on the activities within all assessment areas.

During the evaluation period, Bank of America originated or purchased 42,544 home mortgage loans totaling $8.3 billion, 49,006 small loans to businesses totaling $1.5 billion, 304 small loans to farms totaling $6.3 million, and 38 CD loans totaling $118.4 million in the state of Arizona. Lending volumes include loans originated or purchased in the Yuma, AZ MSA, which is no longer designated as an assessment area due to the bank's closure or sale of all financial centers and deposit-taking ATMs in the community. Based on loan volume, examiners weighted small loans to businesses, representing 53 percent of the volume, the most followed by home mortgage loans (46 percent), and small loans to farms (0.3 percent).

Examiners met with a variety of community development organizations, nonprofit organizations, and local and regional government agencies to learn about current economic trends and community development challenges and needs of low- and moderate-income people and neighborhoods. The community contacts identified several community development needs, including but not limited to mortgages for low- and moderate-income individuals, affordable housing, housing for the growing ageing population, and access to banks in rural communities.

The bank originated or purchased too few small loans to farms in the following assessment areas for any meaningful analysis: Lake Havasu City-Kingman, AZ MSA, Flagstaff MSA, Prescott MSA, and Sierra Vista-Douglas MSA.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN ARIZONA

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Arizona is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Arizona is excellent. Lending activity is excellent in the Lake Havasu City-Kingman, AZ MSA and excellent in the Phoenix-Mesa-Scottsdale, AZ MSA.

Lake Havasu City-Kingman, AZ MSA

Lending activity in the Lake Havasu City-Kingman, AZ MSA is excellent. According to FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 11.5 percent. The bank ranks third among 11 depository financial institutions, which places it in the top 28 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.8 percent based on the number of home mortgage loans originated or purchased. The bank ranks 15th among 328 home mortgage lenders in the assessment area, which places it in the top 5 percent of lenders. Based on peer small business data for 2016, the bank has a 4.6 percent market share based on the number of small loans to businesses originated or purchased. The bank ranks eighth among 52 small business lenders in the assessment area, which places it in the top 16 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Phoenix-Mesa-Scottsdale, AZ MSA

Lending activity in the Phoenix-Mesa-Scottsdale, AZ MSA is excellent. Based on the FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 19.8 percent. After adjusting for $437 million in corporate deposits, the bank ranks third among 57 depository financial institutions in the assessment area, which places it in the top 6 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.6 percent based on the number of home mortgage loans originated or purchased. The bank ranks 14th among 852 home mortgage lenders, which places it in the top 2 percent of lenders. Based on peer small business data for 2016, the bank has a 6.7 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fifth among 203 small business lenders in the assessment area, which places it in the top 3 percent of lenders. For small loans to farms, the bank has a market share of 6.5 percent based on the number of small loans to farms originated or purchased. The bank ranks fifth among 33 farm lenders, which places it in the top 16 percent of lenders. Considering the higher ranking for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is adequate. The distribution is poor in the Lake Havasu City-Kingman, AZ MSA and adequate in the Phoenix-Mesa-Scottsdale, AZ MSA.

Lake Havasu City-Kingman, AZ MSA

The geographic distribution of home mortgage loans in the Lake Havasu City-Kingman, AZ MSA is poor. There are no low-income census tracts in the MSA. Performance is poor in moderate-income geographies. The distribution in moderate-income geographies at 2.8 percent is significantly lower than the 10.1 percent of owner-occupied housing units in moderate-income geographies and lower than the 3.5 percent for aggregate lenders.

Phoenix-Mesa-Scottsdale, AZ MSA

The geographic distribution of home mortgage loans in the Phoenix-Mesa-Scottsdale, AZ MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1.6 percent is lower than the 3.7 percent of owner-occupied housing units in low-income geographies and it is slightly lower than the 1.7 percent performance for aggregate lenders. The distribution in moderate-income geographies at 13.4 percent is lower than the 21.5 percent of owner-occupied housing units in moderate-income geographies and it is similar to the 13.9 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is good in the Lake Havasu City-Kingman, AZ MSA and excellent in the Phoenix-Mesa-Scottsdale, AZ MSA.

Lake Havasu City-Kingman, AZ MSA

The geographic distribution of small loans to businesses in the Lake Havasu City-Kingman, AZ MSA is excellent. Since there are no low-income census tracts, examiners based the conclusion on performance in moderate-income geographies. Performance is excellent in moderate-income geographies. The distribution in moderate-income geographies at 4.8 percent is slightly below the 5.4 percent of businesses in moderate-income geographies and it exceeds the 4.6 percent performance for aggregate lenders.

Phoenix-Mesa-Scottsdale, AZ MSA

The geographic distribution of small loans to businesses in the Phoenix-Mesa-Scottsdale, AZ MSA is excellent. The distribution is excellent in low-income geographies and excellent in moderate-income geographies. The geographic distribution in low-income geographies at 6.5 percent is similar to the 6.4 percent of businesses in low-income geographies and it is slightly higher than the 6.3 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 14.6 percent is slightly lower than the 15.9 percent of businesses in moderate-income geographies and it is slightly higher than the 14.5 percent performance of aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is adequate, driven by performance in the Phoenix-Mesa-Scottsdale, AZ MSA.

Lake Havasu City-Kingman, AZ MSA

The bank made too few small loans to farms in the Lake Havasu City-Kingman, AZ MSA to perform any meaningful analysis.

Phoenix-Mesa-Scottsdale, AZ MSA

The geographic distribution of small loans to farms in the Phoenix-Mesa-Scottsdale, AZ MSA is adequate, based on poor performance in low-income geographies and good performance in moderate-income geographies. The geographic distribution of small loans to farms in low-income geographies at 3.6 percent is lower than the 5.6 percent of farms in low-income geographies and it is lower than the 5.2 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 13.3 percent is lower than the 17.2 percent of farms in moderate-income geographies and it is lower than the 17.5 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Lake Havasu City-Kingman, AZ MSA and it is good in the Phoenix-Mesa-Scottsdale, AZ MSA.

Lake Havasu City-Kingman, AZ MSA

The distribution of home mortgage loans by borrower income in the Lake Havasu City-Kingman, AZ MSA is good. The distribution is adequate to low-income borrowers and it is good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7.7 percent is lower than the 18.4 percent of low-income families in the

MSA; however, the bank's performance is higher than the 4.9 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 13.2 percent is lower than the 19.3 percent of moderate-income families and it exceeds the 12.8 percent performance for aggregate lenders.

Phoenix-Mesa-Scottsdale, AZ MSA

The distribution of home mortgage loans by borrower income in the Phoenix-Mesa-Scottsdale, AZ MSA is good. The distribution is adequate to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 9.1 percent is lower than the 21.2 percent of low-income families in the MSA; however, it is significantly higher than the 4.2 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 16.8 percent is slightly lower the 17.8 percent of moderate-income families in the MSA and it exceeds the 13.7 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Lake Havasu City-Kingman, AZ MSA and it is good in the Phoenix-Mesa-Scottsdale, AZ MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 32 percent of its small loans to businesses.

Lake Havasu City-Kingman, AZ MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Lake Havasu City-Kingman, AZ MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 49.4 percent is lower than the 80.8 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 45 percent for aggregate lenders, overall performance is good.

Phoenix-Mesa-Scottsdale, AZ MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Phoenix-Mesa-Scottsdale, AZ MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 58 percent is lower than the 80 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 41.6 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate, driven by performance in the Phoenix-Mesa-Scottsdale, AZ MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 32 percent of its small loans to farms.

Lake Havasu City-Kingman, AZ MSA

The bank made too few small loans to farms in the Lake Havasu City-Kingman, AZ MSA to perform any meaningful analysis.

Phoenix-Mesa-Scottsdale, AZ MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Phoenix-Mesa-Scottsdale, AZ MSA is adequate. Based on farms with known revenues, the proportion of the bank's small loans to farms at 54.4 percent is lower than the 94 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution exceeded the 38.2 percent for aggregate lenders, performance is adequate.

Community Development Lending

Community development lending has a neutral effect overall on the bank's Lending Test performance in the state of Arizona. The bank met the community's credit needs primarily through retail lending.

Lake Havasu City-Kingman, AZ MSA

In the Lake Havasu City-Kingman, AZ MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated one CD loan totaling $1.1 million that helped promote economic development through the financing of a small business. CD lending represents 2.7 percent of the allocated Tier 1 Capital.

Phoenix-Mesa-Scottsdale, AZ MSA

In the Phoenix-Mesa-Scottsdale, AZ MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated 30 CD loans totaling $93.4 million that mostly helped provide 755 units of affordable housing. CD lending represents 4.5 percent of the allocated Tier 1 Capital, after considering $437 million in deposits from national corporations in which the deposits did not derive from the local community.

Examples of CD loans include:

- The bank provided $6.3 million in construction financing for Aurora Village Apartments, a 65-unit affordable multifamily housing project in Youngtown, AZ for seniors aged 62 or older. All units are restricted incomes at or below 60 percent of the area median income. The bank also provided a LIHTC equity investment for the project.

- The bank provided $7.5 million in construction and permanent financing for Escobedo at Verde Vista Phase II, a 62-unit affordable multifamily housing project in Mesa, AZ. The developers set aside 30 units for permanent supportive housing for chronically homeless individuals and families supported by a Project-Based Section 8 contract. All remaining units are restricted to incomes at or below 60 percent of the area median income.

- The bank provided $8.8 million in construction financing for Escobedo at Verde Vista Phase I, a 70-unit LIHTC affordable housing development in Mesa, AZ. This phase includes 12 new buildings with income restricted at or below 60 percent of the area median income.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Arizona, lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Flagstaff, AZ MSA, Prescott, AZ MSA, Sierra Vista-Douglas, AZ MSA, Tucson, AZ MSA, and Arizona Non-MSA is consistent with the High Satisfactory Lending Test performance in the state of Arizona.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Arizona is rated Outstanding. Investment performance is adequate in the Lake Havasu City-Kingman, AZ MSA and excellent in the Phoenix-Mesa-Scottsdale, AZ MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lake Havasu City-Kingman, AZ MSA

In the Lake Havasu City-Kingman, AZ MSA, Bank of America has an adequate level of community development investments. The bank made 16 CD investments during the evaluation period totaling $1.3 million. Approximately $1.3 million or 98 percent of the current period investment dollars supported 109 units of affordable housing. In addition, the bank has eight CD investments totaling $530,000 it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $1.9 million or 4.9 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $1 million or 73 percent of the investment dollars.

Phoenix-Mesa-Scottsdale, AZ MSA

In the Phoenix-Mesa-Scottsdale, AZ MSA, the bank has an excellent level of CD investments. The bank made 281 CD investments during the evaluation period totaling $197.5 million. Approximately $183.2 million or 93 percent of the current period investment dollars supported nearly 1,700 units of affordable housing. In addition, the bank has 154 CD investments totaling $31.8 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $229.4 million or 11 percent of allocated Tier 1 Capital, after considering the $437 million in deposits that did not originate from the assessment area. The majority of current period investments are generally neither innovative nor complex with mortgage-backed securities representing approximately $102 million or 52 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $10 million in LIHTCs to fund the construction of Aurora Village Apartments, a 65-unit affordable multifamily housing project in Youngtown, AZ for seniors aged 62 or older. All units are restricted to incomes at or below 60 percent of the area median income. The bank also provided the construction financing for the project.

- The bank invested $12 million in a LIHTC to fund the construction of Meridian at 101, a 76-unit affordable housing development in Tempe, AZ for seniors aged 55 and older. All units are restricted to incomes at or below 60 percent of the area median income.

- The bank invested $13.8 million in a LIHTC to fund the gut rehabilitation and reconfiguration of Norwood Village Apartments in Glendale, AZ, an existing 115-unit into a 95-unit affordable housing development. All units will be restricted to incomes at or below 60 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Arizona Non-MSA is consistent with the Outstanding Investment Test performance in the state of Arizona. Performance in the Flagstaff, AZ MSA, Prescott, AZ MSA, Sierra Vista-Douglas, AZ MSA, and Tucson, AZ MSA is weaker than the overall Outstanding Investment Test performance in the state of Arizona. Performance is weaker primarily due to lower levels of CD investments relative to the bank's size and resources in those assessment areas.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Arizona is rated Low Satisfactory. Service Test performance is excellent in the Lake Havasu City-Kingman, AZ MSA and adequate in the Phoenix-Mesa-Scottsdale, AZ MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Lake Havasu City-Kingman, AZ MSA

In the Lake Havasu City-Kingman, AZ MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's three financial centers with the distribution of the population. Because the Lake Havasu City-Kingman, AZ MSA has no low-income census tracts, examiners based the conclusion on performance in moderate-income geographies. The bank has one of its three financial centers, representing 33.3 percent of the financial center located in moderate-income geographies where 11.3 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. We compared the usage of ADS by customers in moderate-income geographies with the percentage of the population residing in moderate-income geographies. In almost every ADS delivery channel, the percentage of customers in moderate-income geographies using those products exceeded the percentage of individuals in moderate-income geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in moderate-income geographies and to low- and moderate-income individuals. The bank closed one financial center in a middle-income geography during the evaluation period. Despite the closure, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are open 9:00 am to 5:00 pm Monday, 10:00 am to 5:00 pm Tuesday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Source: 2010 U.S. Census & Bank Data
Due to rounding, totals may not equal 100.0

Phoenix-Mesa-Scottsdale, AZ MSA

In the Phoenix-Mesa-Scottsdale, AZ MSA, the bank's service delivery systems are reasonably accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 106 financial centers with the distribution of the population. The bank has three financial centers or 2.8 percent of its financial centers in low-income geographies where 8.2 percent of the population lives. The bank has 22 financial centers or 20.8 percent of its financial centers located in moderate-income geographies where 24.7 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportions of customers in low- and moderate-income geographies using online, telephone, mobile, and full-service ATMs are near the proportion of the population in low- and moderate-income geographies. Cash dispensing and text banking usage by customers in low- and moderate-income geographies exceeds the proportion of the population in low- and moderate-income geographies.

The bank has three financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low-income census tracts and 21 financial centers that are adjacent to moderate-income geographies. These adjacent financial centers provide additional access to retail banking services in low- and moderate-income geographies.

Financial center openings and closings did not adversely affect the accessibility of service delivery systems, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center in an upper-income geography and closed eleven. The bank closed three financial centers in low-income geographies and two in moderate-income geographies. The remaining six closures were in middle- and upper-income geographies.

Banking products and services do not vary in a way that inconvenience the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm Friday, and 9:00 am to 1:00 pm Saturday.

Community Development Services

Lake Havasu City-Kingman, AZ MSA

The bank provides a relatively limited level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide seven community development services targeted to low- and moderate-income individuals. Employees provided seven financial education workshops for 109 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. The types of CD services provided are responsive to the needs identified in the community.

Phoenix-Mesa-Scottsdale, AZ MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 216 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 101 low- and moderate-income individuals and provided 53 financial education and foreclosure prevention workshops for 537 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 37 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 25 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Flagstaff, AZ MSA and Arizona Non-MSA is consistent with the Low Satisfactory Service Test performance in the state of Arizona. Performance in the Prescott, AZ MSA, Sierra Vista-Douglas, AZ MSA, and Tucson, AZ MSA is stronger than the Low Satisfactory Service Test performance in the state of Arizona. Performance is stronger primarily due to stronger financial center accessibility in moderate-income geographies.

State of Arkansas

CRA Rating for Arkansas[16]: **Satisfactory**
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Good volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively low level of CD lending that has a negative effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Arkansas

The state of Arkansas is Bank of America's 28th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $4.2 billion or 0.4 percent of its total domestic deposits in financial centers within the state of Arkansas. Of the 127 depository financial institutions operating in the state, Bank of America, with a deposit market share of 6.9 percent, is the third largest. Competitors with deposit market shares greater than 5 percent include Arvest Bank (12.6 percent), Bank of the Ozarks (8.9 percent), Regions Bank (6.8 percent), Centennial Bank (6.3 percent), Simmons Bank (6 percent), and First Security Bank (6 percent). The state of Arkansas ranks 28th among 47 rating areas for total bank deposits. As of December 31, 2016, the bank operated 20 financial centers and 41 ATMs in Arkansas.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Little Rock-North Little Rock-Conway, AR MSA, Bank of America reported an additional $1 billion in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external

[16] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

Refer to the community profiles for the state of Arkansas in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Arkansas

Examiners selected two assessment areas for full-scope reviews and the remaining two assessment areas for limited-scope reviews. The full-scope assessment areas selected included the Fayetteville-Springdale-Rogers, AR MSA and Little Rock-North Little Rock-Conway, AR MSA. While the Little Rock-North Little Rock-Conway, AR MSA carries approximately 86 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Arkansas, examiners based the conclusions and ratings for the state on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 5,426 home mortgage loans totaling $798.6 million, 4,892 small loans to businesses totaling $125 million, 92 small loans to farms totaling nearly $707,000, and 2 CD loans totaling $444,000. Based on loan volume, examiners weighted home mortgage loans, representing 52 percent of the volume, the most followed by small loans to businesses (47 percent), and small loans to farms (1 percent).

Examiners conducted telephone interviews with two local government agencies. According to the agencies, although the local economies are stable and unemployment is low, affordable housing to own or rent remains a critical need.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN ARKANSAS

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Arkansas is rated High Satisfactory, based on good lending activity, good geographic distribution, good borrower income distribution, and relatively low levels of CD lending that have a negative effect on the Lending Test rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Arkansas is good. Lending activity is excellent in the Fayetteville-Springdale-Rogers, AR MSA and good in the Little Rock-North Little Rock-Conway, AR MSA.

Fayetteville-Springdale-Rogers, AR MSA

Lending activity in the Fayetteville-Springdale-Rogers, AR MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 4.3 percent. The bank ranks third among 35 depository financial institutions within the assessment area, which places it in the top 9 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.2 percent based on the number of home mortgage loans originated or purchased. The bank ranks 19th among 359 home mortgage lenders, which places it in the top 6 percent of lenders. Based on peer small business data for 2016, the bank has a 3.8 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks eighth among 88 small business lenders in the assessment area, which places it in the top 10 percent of lenders. For small loans to farms, the bank has a market share of 0.7 percent based on the number of small loans to farms originated or purchased. The bank ranks seventh among 23 farm lenders, which places it in the top 31 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage loans and similar ranking for small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Little Rock-North Little Rock-Conway, AR MSA

Lending activity in the Little Rock-North Little Rock-Conway, AR MSA is good. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 18.9 percent. The bank ranks second among 33 depository financial institutions in the assessment area, which places it in the top 7 percent of institutions. The bank's market share also includes $1 billion in deposits not derived from the local assessment area. Excluding those nonlocal deposits, the bank's market share is 14.5 percent. According to peer mortgage data for 2016, the bank has a market share of 1.7 percent based on the number of home mortgage loans originated or purchased. The bank ranks 16th among 347 home mortgage lenders, which places it in the top 5 percent of lenders. Based on peer small business data for 2016, the bank has a 4.5 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks eighth among 91 small business lenders in the assessment area, which places it in the top 9 percent of lenders. The average size Bank of America's small loans to businesses is $25,000, which is significantly higher than the average loan size originated by four of the five top competitors. A low average loan size can indicate the lender is a credit card issuer, which can skew the market based on the number of loans originated. For small loans to farms, the bank has a market share of 2.1 percent based on the number of small loans to farms originated or purchased. The bank ranks 12th among 19 farm lenders in the assessment area, which places it in the bottom 36 percent of lenders. Considering the higher ranking for home mortgage loans and ranking for small loans to businesses relative to its ranking for deposits, overall lending activity is good.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is good in the Fayetteville-Springdale-Rogers, AR MSA and it is good in the Little Rock-North Little Rock-Conway, AR MSA.

Fayetteville-Springdale-Rogers, AR MSA

The geographic distribution of home mortgage loans in the Fayetteville-Springdale-Rogers, AR MSA is good. Performance is good in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1.2 percent is slightly lower than the 1.6 percent of owner-occupied housing units in low-income geographies, but is consistent with the 1.2 percent for aggregate lenders. The distribution in moderate-income geographies at 9.4 percent is lower than the 10.5 percent of owner-occupied housing units in moderate-income geographies; however, it exceeds the 8.1 percent for aggregate lenders.

Little Rock-North Little Rock-Conway, AR MSA

The geographic distribution of home mortgage loans in the Little Rock-North Little Rock-Conway, AR MSA is good. Performance is good in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1.9 percent is lower than the 2.8 percent of owner-occupied housing units in low-income geographies, but it is higher than the 1.3 percent performance for aggregate lenders. The distribution in moderate-income geographies at 14.5 percent is lower than the 17.5 percent of owner-occupied housing units in moderate-income geographies; however, it exceeds the 10.7 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is good. The distribution is excellent in the Fayette-Springdale-Rogers MSA and it is good in the Little Rock-North Little Rock-Conway, AR MSA.

Fayetteville-Springdale-Rogers, AR MSA

The geographic distribution of small loans to businesses in the Fayetteville-Springdale-Rogers, AR MSA is excellent. Performance is excellent in low-income geographies and excellent in moderate-income geographies. The distribution in low-income geographies at 3.6 percent exceeds the 3.4 percent of businesses in low-income geographies and it exceeds the 3.3 percent performance for aggregate lenders. The distribution in moderate-income geographies at 18.3 percent is lower than the 19.2 percent of businesses in moderate-income geographies; however, it exceeds the 16.7 percent performance for aggregate lenders.

Little Rock-North Little Rock-Conway, AR MSA

The geographic distribution of small loans to businesses in the Little Rock-North Little Rock-Conway, AR MSA is good. The distribution is adequate in low-income geographies and good in moderate-income geographies. The geographic distribution in low-income geographies at 3.6 percent is below the 4.5 percent of businesses in low-income geographies and it is lower than the 4.2 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 20.6 percent is lower than the 24.3 percent of businesses in moderate-income geographies; however, it is slightly higher than the 20.1 percent performance of aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is adequate. Performance is poor in the Fayetteville-Springdale-Rogers, AR MSA and it is good in the Little Rock-North Little Rock-Conway, AR MSA.

Fayetteville-Springdale-Rogers, AR MSA

The geographic distribution of small loans to farms in the Fayetteville-Springdale-Rogers, AR MSA is poor, based on adequate performance in low-income geographies and poor performance in moderate-income geographies. The geographic distribution of small loans to farms in low-income geographies at 0 percent is lower than the 1.7 percent of farms in low-income geographies, but it is consistent with the 0 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 0 percent is lower than the 12 percent of farms in moderate-income geographies and it is significantly lower than the 19.1 percent for aggregate lenders.

Little Rock-North Little Rock-Conway, AR MSA

The geographic distribution of small loans to farms in the Little Rock-North Little Rock-Conway, AR MSA is good, based on poor performance in low-income geographies and excellent performance in moderate-income geographies. The geographic distribution of small loans to farms in low-income geographies at 0 percent is lower than the 2.4 percent of farms in low-income geographies and it is lower than the 1.2 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 26.7 percent is higher than the 21.5 percent of farms in moderate-income geographies and it exceeds the 22.4 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Fayetteville-Springdale-Rogers, AR MSA and it is good in the Little Rock-North Little Rock-Conway, AR MSA.

Fayetteville-Springdale-Rogers, AR MSA

The distribution of home mortgage loans by borrower income in the Fayetteville-Springdale-Rogers, AR MSA is good. The distribution is adequate to low-income borrowers and good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 9.6 percent is significantly lower than the 19.9 percent of low-income families in the MSA; however, the bank's performance exceeds the 5.9 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 13.5 percent is lower than the 18.1 percent of moderate-income families and it is slightly lower than the 14.9 percent performance for aggregate lenders.

Little Rock-North Little Rock-Conway, AR MSA

The distribution of home mortgage loans by borrower income in the Little Rock-North Little Rock-Conway, AR MSA is good. The distribution is adequate to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 10.3 percent is well below the 21.4 percent of low-income families in the MSA; however, it exceeds the 6 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 19.3 percent exceeds the 17.9 percent of moderate-income families in the MSA and it exceeds the 15 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Fayetteville-Springdale-Rogers, AR MSA and it is good in the Little Rock-North Little Rock-Conway, AR MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 35 percent of its small loans to businesses.

Fayetteville-Springdale-Rogers, AR MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Fayetteville-Springdale-Rogers, AR MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 56.9 percent is lower than the 76 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution exceeds the 52.8 percent for aggregate lenders, overall performance is good.

Little Rock-North Little Rock-Conway, AR MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Little Rock-North Little Rock-Conway, AR MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 55.4 percent is lower than the 76.4 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution exceeds the 45.8 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good, driven by primarily by performance in the Little Rock-North Little Rock-Conway, AR MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 41 percent of its small loans to farms.

Fayetteville-Springdale-Rogers, AR MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Fayetteville-Springdale-Rogers, AR MSA is poor. Based on farms with known revenues, the proportion of the bank's small loans to farms at 63.6 percent is significantly lower than the 95.8 percent of farms with gross annual revenues of $1 million or less. The bank's distribution is significantly lower than the 91 percent for aggregate lenders.

Little Rock-North Little Rock-Conway, AR MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Little Rock-North Little Rock-Conway, AR MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 66.7 percent is also significantly lower than the 97 percent of farms with gross annual revenues of $1 million or less. However, the bank's distribution is higher than the 65 percent for aggregate lenders.

Community Development Lending

CD lending has a negative effect overall on the bank's Lending Test performance in the state of Arkansas. The bank did not originate or purchase any CD loans in three of its four assessment areas during the evaluation period.

Fayetteville-Springdale-Rogers, AR MSA

In the Fayetteville-Springdale-Rogers, AR MSA, CD lending has a negative effect on the lending performance in the assessment area. During the evaluation period, the bank did not originate or purchase any CD loans.

Little Rock-North Little Rock-Conway, AR MSA

In the Little Rock-North Little Rock-Conway, AR MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated two CD loans totaling $444,000. CD lending represents 0.1 percent of the allocated Tier 1 Capital, after considering more than $1 billion in deposits from national corporations in which the deposits did not derive from the local community.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Arkansas, lending under the MHA and HARP programs accounted for 71 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Jonesboro, AR MSA is consistent with the High Satisfactory Lending Test performance in the state of Arkansas. Performance in the Pine Buff, AR MSA is weaker than the overall High Satisfactory Lending Test performance in the state of Arkansas primarily due to weaker borrower income distributions and or limited levels of CD lending.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 in the state of Arkansas section of appendix D for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Arkansas is rated Outstanding. Investment performance is poor in the Fayetteville-Springdale-Rogers, AR MSA and excellent in the Little Rock-North Little Rock-Conway, AR MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Fayetteville-Springdale-Rogers, AR MSA

In the Fayetteville-Springdale-Rogers, AR MSA, Bank of America has a poor level of community development investments. The bank made 24 CD investments during the evaluation period totaling $1.5 million. Approximately $1.5 million or 97 percent of the current period investment dollars originated during the evaluation period supported 53 units of affordable housing. In addition, the bank has 9 CD investments totaling $359,000 it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $1.9 million or 3.8 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $1.3 million or 86 percent of the investment dollars.

Little Rock-North Little Rock-Conway, AR MSA

In the Little Rock-North Little Rock-Conway, AR MSA, the bank has an excellent level of CD investments. The bank made 141 CD investments during the evaluation period totaling $38.9 million. Approximately $38 million or 92 percent of the current period investment dollars supported 468 units of affordable housing. In addition, the bank has 51 CD investments totaling $11.2 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $50.1 million or 15.4 percent of allocated Tier 1 Capital, after considering more than $1 billion in deposits that did not originate from the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $36.9 million or 95 percent of the investment dollars.

Examples of community development investments include:

- The bank made five annual contributions of $35,000 each year to Baptist Health Foundation to help fund free healthcare through their Community Wellness Centers to homeless individuals and low-income families throughout Little Rock. All clients served are at or below the federal poverty level.

- The bank made a $1.4 million investment in LiftFund, Inc., of which the bank allocated $70,000 of the investment toward the Little Rock-North Little Rock-Conway, AR MSA. LiftFund, Inc. is a certified CDFI, formerly known as ACCION Texas, and it is a micro and small business lender. LiftFund used the investment funds to expand its micro and small business loan pool that offers loans from $500 to $250,000 to borrowers considered “unbankable” by traditional commercial lenders. LiftFund borrowers typically create an average of six jobs for every $50,000 borrowed. The investment is responsive to the community’s need for small business access to capital.

- The bank invested more than $847,000 in a fund that acquires direct and indirect investments in partnerships that own affordable housing projects across the nation that are financed in part with LIHTCs. This investment represents 51 units of affordable housing within the assessment area.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Jonesboro, AR MSA is consistent with the Outstanding Investment Test performance in the state of Arkansas. Performance in the Pine Bluff, AR MSA is weaker than the overall Outstanding Investment Test performance in the state of Arkansas primarily due to lower levels of CD investments relative to the bank’s size and resources.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Arkansas is rated High Satisfactory. Service Test performance is excellent in the Fayetteville-Springdale-Rogers, AR MSA and it is good in the Little Rock-North Little Rock-Conway, AR MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Fayetteville-Springdale-Rogers, AR MSA

In the Fayetteville-Springdale-Rogers, AR MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's six financial centers with the distribution of the population. The bank has one financial center in a low-income geography or 16.7 percent of its financial centers. Approximately 3.9 percent of the population lives in low-income geographies. The bank also has one financial center or 16.7 percent of its financial centers located in a moderate-income geography. Approximately 15.3 percent of the population lives in moderate-income geographies.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. Approximately 19 percent of the population resides in low- and moderate-income geographies. The percentages of customers using ADS are near to or exceed 19 percent.

The bank has three financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low and moderate-income census tracts. The adjacent financial centers help improve access to retail banking services to individuals in low- and moderate-income geographies.

Financial center openings and closings generally did not affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank closed two financial centers in moderate-income geographies during the evaluation period. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are consistent throughout the assessment area. Financial centers are open 9:00 am to 4:00 pm

Monday through Thursday, 9:00 am to 5:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday. The University of Arkansas financial center, located in a moderate-income geography, is not open on Saturday.

Little Rock-North Little Rock-Conway, AR MSA

In the Little Rock-North Little Rock-Conway, AR MSA, the bank's service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 12 financial centers with the distribution of the population. The bank has no financial centers in low-income geographies where only 5 percent of the population lives. The bank has four financial centers or 33.3 percent of its financial centers located in moderate-income geographies where 20.6 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportions of customers in low- and moderate-income geographies using ADS are near to or exceed the percentage of the population residing in low- and moderate-income geographies.

The bank has two financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. These adjacent financial centers provide low- and moderate-income individuals and geographies additional access to retail banking services.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center in a middle-income geography and closed two financial centers in moderate-income geographies, two in middle-income geographies, and one in an upper-income geography. Despite the closures, financial centers remain accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconvenience the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 5:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday. The Little Rock Main Office, located in a moderate-income geography, is not open on Saturday.

Community Development Services

Fayetteville-Springdale-Rogers, AR MSA

The bank provides a limited level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 13 community development services targeted to low- and moderate-income individuals. Employees provided four financial education workshops for 163 students that are primarily from low- and moderate-income families. Employees participated in nine webinars and workshops with non-profit organizations to help the organizations with capacity building. No employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Little Rock-North Little Rock-Conway, AR MSA

The bank is a leader in providing community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 93 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 49 low- and moderate-income individuals and provided 19 financial education workshops for 256 individuals. Attendees to the financial education workshops were primarily elementary school students from low- and moderate-income families. Employees participated in 17 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, nine employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Pine Bluff, AR MSA is consistent with the High Satisfactory Service Test performance in the state of Arkansas. Performance in the Jonesboro, AR MSA is weaker than the overall High Satisfactory Service Test performance in the state of Arkansas primarily due to the bank's limited financial center presence in the assessment area.

State of California

CRA Rating for California[17]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Good volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively high level of CD lending that has a positive effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in California

The state of California is Bank of America's largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $275.5 billion or 22.9 percent of its total domestic deposits in financial centers within the state of California. Of the 222 depository financial institutions operating in the state, Bank of America, with a deposit market share of 21.8 percent, is the state's largest. As of December 31, 2016, Bank of America operated 896 financial centers and 3,692 deposit-taking ATMs in the state. Wells Fargo is the state's second largest depository financial institution with 1,060 branches and $247.6 billion in deposits or 19.6 percent market share. JPMorgan Chase Bank is the third largest depository financial institution with 1,003 branches and $119 billion in deposits or 9.4 percent market share. MUFG Union Bank is the state's fourth largest depository financial institution with 331 branches and $78.9 billion in deposits or 6.2 percent market share. Fourteen other depository financial institutions have more than $10 billion in deposits in the state of California.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the San Francisco-Oakland-Hayward, CA MSA, Bank of America reported $18.1 billion in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations.

[17] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Adjusting the bank’s total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank’s capacity in the assessment area.

Refer to the community profiles for the state of California in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in California

Examiners selected four assessment areas for full-scope reviews and the remaining twenty-three assessment areas for limited-scope reviews. The full-scope assessment areas included the Fresno, CA MSA, Los Angeles-Long Beach-Anaheim, CA MSA, Riverside-San Bernardino-Ontario, CA MSA, and San Francisco-Oakland-Hayward, CA MSA. While the Los Angeles-Long Beach-Anaheim and San Francisco-Oakland-Hayward, CA MSAs together carry approximately 75 percent of the weight of the overall conclusions based on the bank’s presence in those assessment areas relative to all assessment areas in California. Examiners based the conclusions and ratings for the state on the activities within all assessment areas.

During the evaluation period, Bank of America originated or purchased 311,204 home mortgage loans totaling $122.9 billion, 443,525 small loans to businesses totaling $12.4 billion, 4,022 small loans to farms totaling $147.6 million, and 590 CD loans totaling over $3 billion. Lending volumes include loans originated or purchased in the following six counties that the bank no longer designates as assessment areas due to the bank’s closure or sale of all financial centers and deposit-taking ATMs: Colusa, Del Norte, Glenn, Humboldt, Plumas, and Siskiyou counties. These counties were part of the California Non-MSA assessment area. Based on loan volume, examiners weighted small loans businesses, representing 58.5 percent of the volume, the most followed by home mortgage loans (41 percent), and small loans to farms (0.5 percent).

The bank did not originate or purchase sufficient volumes of small loans to farms in the Redding, CA MSA to provide any meaningful analyses.

The OCC interviewed six local government agencies and nonprofit organizations, which identified affordable housing, small dollar lending for businesses, and flexible lending for small businesses as some of the more pressing community development needs.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN CALIFORNIA

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Lending Test in the state of California is rated Outstanding, based on good lending activity, good geographic and borrower income distributions, and a relatively high level of CD lending that positively affected overall performance under the Lending Test. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of California is good. Lending activity is excellent in the Fresno, CA MSA and Riverside-San Bernardino-Ontario, CA MSA, and good in the Los Angeles-Long Beach-Anaheim MSA and San Francisco-Oakland-Hayward, CA MSA.

Fresno, CA MSA

Lending activity in the Fresno, CA MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 16.6 percent. The bank ranks second among 26 depository financial institutions in the assessment area, which places the bank in the top 8 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.1 percent based on the number of home mortgage loans originated or purchased. The bank ranks 10th among 445 home mortgage lenders in the assessment area, which places it in the top 3 percent of home mortgage lenders. Based on peer small business data for 2016, the bank has a 6.1 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 81 small business lenders, which places it in the top 5 percent of lenders. For small loans to farms, the bank has a 16.7 percent market share based on the number of small loans to farms originated or purchased. The bank ranks second among 26 farm lenders, which places it in the top 8 percent of lenders. Considering the bank's higher ranking among all lenders for small loans to businesses relative to its ranking for deposits and the greater weight placed on small loans to businesses, overall lending activity is excellent.

Los Angeles-Long Beach-Anaheim, CA MSA

Lending activity in the Los Angeles-Long Beach-Anaheim, CA MSA is good. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 18.5 percent. The bank ranks first among 121 depository financial institutions in the assessment area, which places it in the top 1 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 4.4 percent based on the number of home mortgage loans originated or purchased. The bank ranks third among 941 home mortgage lenders, which places it in the top 1 percent of home mortgage lenders. Based on peer small business data for 2016, the bank has a 9.9 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks third among 220 small business lenders, which places it in the top 2 percent of lenders. For small loans to farms, the bank has a market share of 15.9 percent based on the number of small loans to farms originated or purchased. The bank ranks third among 21 farm lenders, which places it in the top 15 percent of lenders. Considering the bank's lower relative ranking among all lenders for small loans to businesses relative to its ranking for deposits and the greater weight placed on small loans to businesses, overall lending activity is good.

Riverside-San Bernardino-Ontario, CA MSA

Lending activity in the Riverside-San Bernardino-Ontario, CA MSA is excellent. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 21.4 percent. The bank ranks first among 45 depository financial institutions in the assessment area, which places it in the top 3 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.4 percent based on the number of home mortgage loans originated or purchased. The bank ranks 10th among 814 home mortgage lenders, which places it in the top 2 percent of lenders. Based on peer small business data for 2016, the bank has a 9.2 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks third among 155 small business lenders, which places it in the top 2 percent of lenders. For small loans to farms, the bank has a market share of 23.4 percent based on the number of small loans to farms originated or purchased. The bank ranks first among 17 farm lenders, which places it in the top 6 percent of lenders. Considering the bank’s rankings among all lenders for home mortgage loans and small loans to businesses are consistent with its ranking for deposits, overall lending activity is excellent.

San Francisco-Oakland-Hayward, CA MSA

Lending activity in the San Francisco-Oakland-Hayward, CA MSA is good. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 34.5 percent. The bank ranks first among 70 depository financial institutions in the assessment area, which places it in the top 2 percent of institutions. The bank’s market share also includes $18.1 billion in deposits not derived from the local assessment area. Excluding those nonlocal deposits, the bank’s market share is 30.8 percent. According to peer mortgage data for 2016, the bank has a market share of 5.1 percent based on the number of home mortgage loans originated or purchased. The bank ranks third among 744 home mortgage lenders, which places it in the top 1 percent of lenders. Based on peer small business data for 2016, the bank has an 8.6 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fifth among 180 small business lenders, which places it in the top 3 percent of lenders. For small loans to farms, the bank has a market share of 14.2 percent based on the number of small loans to farms originated or purchased. The bank ranks third among 20 farm lenders, which places it in the top 15 percent of lenders. Considering the bank’s lower ranking among all lenders for small loans to businesses relative to its ranking for deposits and the greater weight placed on small loans to businesses, overall lending activity is good.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is adequate. The distribution is good in the Fresno, CA MSA, adequate in the Los Angeles-Long Beach-Anaheim, CA MSA, good in the Riverside-San Bernardino-Ontario, CA MSA, and adequate in the San Francisco-Oakland-Hayward, CA MSA.

Fresno, CA MSA

The geographic distribution of home mortgage loans in the Fresno, CA MSA is good. Performance is good in low- and moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 3.2 percent is lower than the 5 percent of owner-occupied housing units in low-income geographies, but it is higher than the 2.9 percent for aggregate lenders. The distribution in moderate-income geographies at 16.6 percent is lower than the 20.8 percent of owner-occupied housing units in moderate-income geographies; however, it is higher than the 14.5 percent for aggregate lenders.

Los Angeles-Long Beach-Anaheim, CA MSA

The geographic distribution of home mortgage loans in the Los Angeles-Long Beach-Anaheim, CA MSA is adequate. Performance is adequate in low-income geographies and it is adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1.6 percent is lower than the 2.4 percent of owner-occupied housing units in low-income geographies and it is lower than the 2.3 percent performance for aggregate lenders. The distribution in moderate-income geographies at 12.9 percent is lower than the 17.4 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 16.9 percent performance for aggregate lenders.

Riverside-San Bernardino-Ontario, CA MSA

The geographic distribution of home mortgage loans in the Riverside-San Bernardino-Ontario, CA MSA is good. Performance is good in low-income geographies and it is good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.3 percent is slightly lower than the 2.9 percent of owner-occupied housing units in low-income geographies; however, it is greater than the 2.1 percent performance for aggregate lenders. The distribution in moderate-income geographies at 16.6 percent is lower than the 21.6 percent of owner-occupied housing units in moderate-income geographies; however, it is higher than the 15.9 percent performance for aggregate lenders.

San Francisco-Oakland-Hayward, CA MSA

The geographic distribution of home mortgage loans in the San Francisco-Oakland-Hayward, CA MSA is adequate. Performance is adequate in low-income geographies and it is adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 3.4 percent is lower than the 4.6 percent of owner-occupied housing units in low-income geographies and it is lower than the 4.8 percent performance for aggregate lenders. The distribution in moderate-income geographies at 10.8 percent is lower than the 14.5 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 14.2 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is excellent in the Fresno, CA MSA, Los Angeles-Long Beach-Anaheim, CA MSA, Riverside-San Bernardino-Ontario, CA MSA, and San Francisco-Oakland-Hayward, CA MSA.

Fresno, CA MSA

The geographic distribution of small loans to businesses in the Fresno, CA MSA is excellent. Performance is good in low-income geographies and it is excellent in moderate-income geographies. The distribution in low-income geographies at 8.3 percent is lower than the 9.5 percent of businesses in low-income geographies; however, it is higher than the 6.3 percent performance for aggregate lenders. The distribution in moderate-income geographies at 22.6 percent is slightly lower than the 23.7 percent of businesses in moderate-income geographies; however, it exceeds the 19.4 percent performance for aggregate lenders.

Los Angeles-Long Beach-Anaheim, CA MSA

The geographic distribution of small loans to businesses in the Los Angeles-Long Beach-Anaheim, CA MSA is excellent. The distribution is excellent in low-income geographies and it is excellent in moderate-income geographies. The geographic distribution in low-income geographies at 6.6 percent is higher than the 6 percent of businesses in low-income geographies and it exceeds the 5.1 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 22.1 percent is higher than the 20.1 percent of businesses in moderate-income geographies and it exceeds the 18.7 percent performance of aggregate lenders.

Riverside-San Bernardino-Ontario, CA MSA

The geographic distribution of small loans to businesses in the Riverside-San Bernardino-Ontario, CA MSA is excellent. The distribution is excellent in low-income geographies and it is excellent in moderate-income geographies. The geographic distribution in low-income geographies at 4.2 percent is slightly lower than the 4.4 percent of businesses in low-income geographies; however, it exceeds the 3 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 23.7 percent is slightly lower than the 24 percent of businesses in moderate-income geographies; however, it exceeds the 20.7 percent performance of aggregate lenders.

San Francisco-Oakland-Hayward, CA MSA

The geographic distribution of small loans to businesses in the San Francisco-Oakland-Hayward, CA MSA is excellent. The distribution is excellent in low-income geographies and it is excellent in moderate-income geographies. The geographic distribution in low-income geographies at 12 percent is slightly lower than the 12.9 percent of businesses in low-income geographies; however, it exceeds the 9.7 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 16.7 percent is greater than the 14.7 percent of businesses in moderate-income geographies and it exceeds the 14.6 percent performance of aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is adequate. The distribution is good in the Fresno, CA MSA, excellent in the Los Angeles-Long Beach-Anaheim, CA MSA, good in the Riverside-San Bernardino-Ontario, CA MSA, and poor in the San Francisco-Oakland-Hayward, CA MSA.

Fresno, CA MSA

The geographic distribution of small loans to farms in the Fresno, CA MSA is good, based on good performance in low-income geographies and good performance in moderate-income geographies. The geographic distribution in low-income geographies at 4 percent is lower than the 4.8 percent of farms in low-income geographies and it is lower than the 4.4 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 27.9 percent is lower than the 29.6 percent of farms in moderate-income geographies and it is lower than the 30.5 percent for aggregate lenders.

Los Angeles-Long Beach-Anaheim, CA MSA

The geographic distribution of small loans to farms in the Los Angeles-Long Beach-Anaheim, CA MSA is excellent, based on adequate performance in low-income geographies and excellent performance in moderate-income geographies. The geographic distribution in low-income geographies at 2.6 percent is lower than the 3.7 percent of farms in low-income geographies and it is lower than the 3.5 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 17.9 percent is lower than the 19.4 percent of farms in moderate-income geographies; however, it exceeds the 17.7 percent for aggregate lenders.

Riverside-San Bernardino-Ontario, CA MSA

The geographic distribution of small loans to farms in the Riverside-San Bernardino-Ontario, CA MSA is good, based on good performance in low-income geographies and good performance in moderate-income geographies. The geographic distribution in low-income geographies at 4.8 percent is greater than the 3.9 percent of farms in low-income geographies; however, it is lower than the 5.4 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 20.4 percent is lower than the 22.9 percent of farms in moderate-income geographies and it is slightly lower than the 20.5 percent for aggregate lenders.

San Francisco-Oakland-Hayward, CA MSA

The geographic distribution of small loans to farms in the San Francisco-Oakland-Hayward, CA MSA is poor, based on poor performance in low-income geographies and poor performance in moderate-income geographies. The geographic distribution in low-income geographies at 2.5 percent is lower than the 6.6 percent of farms in low-income geographies and it is lower than the 4.2 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 3.5 percent is significantly lower than the 15.7 percent of farms in moderate-income geographies and it is lower than the 8.5 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is adequate. The distribution is good in the Fresno, CA MSA, adequate in the Los Angeles-Long Beach-Anaheim, CA MSA, good in the Riverside-San Bernardino-Ontario, CA MSA, and adequate in the San Francisco-Oakland-Hayward, CA MSA.

Fresno, CA MSA

The distribution of home mortgage loans by borrower income in the Fresno, CA MSA is good. The distribution is adequate to low-income borrowers and it is good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7 percent is significantly lower than the 24.7 percent of low-income families in the MSA; however, the bank's performance is higher than the 1.7 percent for aggregate lenders. Examiners applied more weight to the bank's performance relative to aggregate lenders due to the high cost of housing. The proportion of home mortgage loans to moderate-income borrowers at 11.5 percent is lower than the 16 percent of moderate-income families; however, it exceeds the 7.4 percent performance for aggregate lenders.

Los Angeles-Long Beach-Anaheim, CA MSA

The distribution of home mortgage loans by borrower income in the Los Angeles-Long Beach-Anaheim, CA MSA is adequate. The distribution is adequate to low-income borrowers and it is adequate to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 4.5 percent is significantly lower than the 23.6 percent of low-income families in the MSA; however, the bank's performance is higher than the 1.7 percent for aggregate lenders. Examiners applied more weight to the bank's performance relative to aggregate lenders due to the high cost of housing. The proportion of home mortgage loans to moderate-income borrowers at 8 percent is lower than the 16.6 percent of moderate-income families; however, it exceeds the 6 percent performance for aggregate lenders.

Riverside-San Bernardino-Ontario, CA MSA

The distribution of home mortgage loans by borrower income in the Riverside-San Bernardino-Ontario, CA MSA is good. The distribution is adequate to low-income borrowers and it is good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 6.6 percent is significantly lower than the 21.8 percent of low-income families in the MSA; however, the bank's performance exceeds the 2.2 percent for aggregate lenders. Examiners applied more weight to the bank's performance relative to aggregate lenders due to the high cost of housing. The proportion of home mortgage loans to moderate-income borrowers at 15.3 percent is lower than the 17.5 percent of moderate-income families; however, it exceeds the 9.5 percent performance for aggregate lenders.

San Francisco-Oakland-Hayward, CA MSA

The distribution of home mortgage loans by borrower income in the San Francisco-Oakland-Hayward, CA MSA is adequate. The distribution is adequate to low-income borrowers and it is poor to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 4.4 percent is significantly lower than the 23.4 percent of low-income families in the MSA; however, the bank's performance exceeds the 2.6 percent for aggregate lenders. Examiners applied more weight to the bank's performance relative to aggregate lenders due to the high cost of housing. The proportion of home mortgage loans to moderate-income borrowers at 8.4 percent is lower than the 16.4 percent of moderate-income families and it is lower than the 9.7 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 29 percent of its small loans to businesses. The distribution is good in the Fresno, CA MSA, Los Angeles-Long Beach-Anaheim, CA MSA, Riverside-San Bernardino-Ontario, CA MSA, and San Francisco-Oakland-Hayward, CA MSA.

Fresno, CA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Fresno, CA MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.5 percent is lower than the 77.4 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 38.2 percent for aggregate lenders, overall performance is good.

Los Angeles-Long Beach-Anaheim, CA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Los Angeles-Long Beach-Anaheim, CA MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 60.1 percent is lower than the 79 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 44.4 percent for aggregate lenders, overall performance is good.

Riverside-San Bernardino-Ontario, CA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Riverside-San Bernardino-Ontario, CA MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 61.8 percent is lower than the 79.6 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 44.2 percent for aggregate lenders, overall performance is good.

San Francisco-Oakland-Hayward, CA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the San Francisco-Oakland-Hayward, CA MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 58.6 percent is lower than the 78.6 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 38.8 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 35 percent of its small loans to farms. The distribution is poor in the Fresno, CA MSA, good in the Los Angeles-Long Beach-Anaheim, CA MSA, and adequate in the Riverside-San Bernardino-Ontario, CA MSA and San Francisco-Oakland-Hayward, CA MSA.

Fresno, CA MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Fresno, CA MSA is poor. Based on farms with known revenues, the proportion of the bank's small loans to farms at 41.5 percent is significantly lower than the 90.6 percent of farms with gross annual revenues of $1 million or less. The bank's distribution is lower than the 49.7 percent for aggregate lenders.

Los Angeles-Long Beach-Anaheim, CA MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Los Angeles-Long Beach-Anaheim, CA MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 57.4 percent is lower than the 93.4 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 40.2 percent for aggregate lenders, overall performance is good.

Riverside-San Bernardino-Ontario, CA MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Riverside-San Bernardino-Ontario, CA MSA is adequate. Based on farms with known revenues, the proportion of the bank's small loans to farms at 53.9 percent is lower than the 93.5 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution exceeds the 50 percent for aggregate lenders, overall performance is adequate.

San Francisco-Oakland-Hayward, CA MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the San Francisco-Oakland-Hayward, CA MSA is adequate. Based on farms with known revenues, the proportion of the bank's small loans to farms at 52.2 percent is lower than the 94.4 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 48.1 percent for aggregate lenders, overall performance is adequate.

Community Development Lending

CD lending has a positive effect overall on the bank's Lending Test performance in the state of California.

Fresno, CA MSA

In the Fresno, CA MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated six CD loans totaling $4.9 million that helped provide 217 units of affordable housing. CD lending represents approximately 1.8 percent of the allocated Tier 1 Capital. The bank met the community's needs primarily through retail lending.

Los Angeles-Long Beach-Anaheim, CA MSA

In the Los Angeles-Long Beach-Anaheim, CA MSA, CD lending has a significantly positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 257 CD loans totaling more than $1.1 billion that primarily helped provide

3,552 units of affordable housing. CD lending represents 10 percent of the allocated Tier 1 Capital.

Examples of CD loans include:

- The bank provided $28 million in construction financing to develop Alegre Apartments, a 104-unit affordable multifamily housing project in Irvine, CA. All units except one reserved for the onsite property manager are restricted to incomes at or below 50 percent of the area median income. Bank of America also provided the LIHTC investment for this project.

- The bank provided $27.3 million in construction financing to develop Depot at Santiago, a 70-unit affordable multifamily housing project in Santa Ana, CA. All units except one reserved for the onsite property manager are restricted to incomes at or below 60 percent of the area median income. Bank of America also provided the LIHTC investment for this project.

- The bank provided $19.6 million in construction financing to construct Courson East Arts Colony, an 81-unit affordable housing development in Palmdale, CA. All units except one reserved for the onsite property manager are restricted to incomes at or below 50 percent of the area median income. Bank of America also provided the LIHTC investment for this project.

Riverside-San Bernardino-Ontario, CA MSA

In the Riverside-San Bernardino-Ontario, CA MSA, CD lending has a significantly positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 38 CD loans totaling $124.3 million that primarily helped provide 864 units of affordable housing. CD lending represents 10.1 percent of the allocated Tier 1 Capital.

Examples of CD loans include:

- The bank provided $10.2 million in construction financing to develop Citrus Circle Apartments, a 61-unit affordable multifamily housing project in Corona, CA. All units except one reserved for the onsite property manager are restricted to incomes at or below 60 percent of the area median income. Bank of America also provided the LIHTC investment for this project. This loan is responsive to identified needs as demand for affordable housing in Corona, CA far exceeds the supply.

- The bank provided $28 million in tax-exempt construction financing to develop Ivy at College Park II Apartments, a 200-unit affordable housing development in Chino, CA. All units except two that are reserved for onsite property managers are restricted to incomes at or below 60 percent of the area median income. Bank of America also provided a taxable construction loan for this project.

- The bank provided a $10.2 million construction loan to develop Citrus Circle Apartments, a 61-unit affordable housing development in Corona, CA. The project includes 14 one-bedroom, 28 two-bedroom, and 18 three-bedroom units to help address the housing needs of larger families. All units except one reserved for the onsite property manager are restricted to incomes at or below 60 percent of the area median income. Bank of America also provided a LIHTC equity investment toward this project.

San Francisco-Oakland-Hayward, CA MSA

In the San Francisco-Oakland-Hayward, CA MSA, CD lending has a positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 116 CD loans totaling more than $1.1 billion that primarily helped provide 3,007 units of affordable housing. CD lending represents 9.3 percent of the allocated Tier 1 Capital, after considering approximately $18 billion in deposits from national corporations in which the deposits did not derive from the local community.

Examples of CD loans include:

- The bank provided $19.5 million in construction financing to develop 1100 Ocean Avenue Apartments, a 71-unit affordable housing development serving very low-income families in San Francisco. All units except the onsite manager’s unit are restricted to incomes at or below 50 percent of the area median income. Bank of America also provided a LIHTC equity investment in the project’s development.

- The bank provided $20.7 million in construction financing for the substantial rehabilitation of 1880 Pine Apartments, a 113-unit existing affordable housing development for seniors (62+) in San Francisco. All units except the onsite property manager’s unit are restricted to incomes at or below 50 percent of the area median income. Bank of America also provided a LIHTC equity investment and a standby letter of credit to support the development.

- The bank provided $19.1 million in construction financing for the rehabilitation of Alemany Apartments, a 150-unit existing affordable housing development in San Francisco. The development includes 139 units restricted to incomes at or below 50 percent of the area median income. The bank also provided a LIHTC equity investment along with a standby letter of credit in support of the development.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America’s Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of California, lending under the MHA and HARP programs accounted for 89 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance varied across the limited-scope assessment areas. Performance in the Bakersfield, CA MSA, Merced, CA MSA, Modesto, CA MSA, Oxnard-Thousand Oaks-Ventura, CA MSA, Sacramento-Roseville-Arden-Arcade, CA MSA, Salinas, CA MSA, San Diego-Carlsbad, CA MSA, San Jose-Sunnyvale-Santa Clara, CA MSA, San Luis-Obispo-Paso Robles-Arroyo, CA MSA, Santa Maria-Santa Barbara, CA MSA, Santa Rosa, CA MSA, Stockton-Lodi, CA MSA, and Visalia-Porterville, CA MSA is consistent with the Outstanding Lending Test performance in the state of California. Performance in the Chico, CA MSA, El Centro, CA MSA, Hanford-Corcoran, CA MSA, Madera, CA MSA, Napa, CA MSA, Redding, CA MSA, Santa Cruz-Watsonville, CA MSA, Vallejo-Fairfield, CA MSA, Yuba City, CA MSA, and California Non-MSA is good and it is weaker than the overall Outstanding Lending Test performance in the state of California primarily due to weaker geographic distributions and relatively lower levels of CD lending.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank’s level of qualified investments.

Bank of America’s performance under the Investment Test in the state of California is rated Outstanding. Investment performance is excellent in the Fresno, CA MSA, Los Angeles-Long Beach-Ontario MSA, Riverside-San Bernardino-Ontario, CA MSA, and San Francisco-Oakland-Hayward, CA MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Fresno, CA MSA

In the Fresno, CA MSA, Bank of America has an excellent level of CD investments. The bank made 81 CD investments during the evaluation period totaling $32.8 million. Approximately $32.8 million or 96 percent of the current period investment dollars supported 243 units of affordable housing. In addition, the bank has 18 CD investments totaling $3.1 million it made during a prior evaluation period that are still outstanding and continuing to provide benefit to the community. Prior period and current period investments total $35.8 million or 13 percent of allocated Tier 1 Capital. The majority of current period investments are either innovative or complex with LIHTCs representing approximately $23 million or 70 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $6.2 million in a Section 42 LIHTC fund that invests in a portfolio of four LIHTC projects in multiple assessment areas. One of the projects, comprising two sites located in the Fresno, CA MSA, will provide 44 units of affordable housing. All units are restricted to incomes at or below 60 percent of the area median income. The investment amount represents just the portion allocated to the Fresno, CA MSA.

- The bank invested $16.7 million in a Section 42 LIHTC fund that invests in a portfolio of six LIHTC projects in multiple assessment areas. Two of the projects are located in the Fresno, CA MSA and provide 77 units of affordable housing to seniors aged 55 and older. All units are restricted to incomes at or below 60 percent of the area median income. This investment amount represents just the portion allocated to the Fresno, CA MSA.

- The bank provided $500,000 in grants to the Northern California Community Loan Fund (NCCLF), a certified CDFI and CDE that supplies loan capital and financial training to organizations that develop affordable housing and community facilities, provide job-training programs, and vital human services throughout northern California. The grant money has helped NCCLF to preserve low-income housing and provide much needed services to low- and moderate-income individuals. Bank of America has invested $3 million in the NCCLF. The bank allocated $500,000 of the grants to the Fresno, CA MSA.

Los Angeles-Long Beach-Anaheim, CA MSA

In the Los Angeles-Long Beach-Anaheim, CA MSA, Bank of America has an excellent level of CD investments. The bank made 897 CD investments during the evaluation period totaling $973.8 million. Approximately $944.9 million or 97 percent of the current period investment dollars supported 6,214 units of affordable housing. In addition, the bank has 262 CD investments totaling $270.8 million it made during a prior evaluation period that are still outstanding and continuing to provide benefit to the community. Prior period and current period investments total $1.2 billion or 10.9 percent of allocated Tier 1 Capital. The majority of current period investments are either innovative or complex with LIHTCs representing approximately $613.2 million or 63 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $17.3 million in a LIHTC to finance the construction of Crenshaw Villas, a 50-unit affordable housing development for senior aged 55 and over in Los Angeles, CA. All units except one reserved for the onsite property manager are restricted to incomes at or below 50 percent of the area median income.

- The bank invested $9.2 million in a LIHTC to finance the construction of Day Street, a 46-unit supportive housing development in the City of Los Angeles. The developer set aside 37 units for the homeless. The remaining units are restricted to incomes at or below 40 percent of the area median income.

- The bank invested $23.9 million in a LIHTC to finance the construction of Glendale Arts Colony Apartments, a 70-unit affordable housing development in Glendale, CA. All units except one reserved for the onsite property manager are restricted to incomes at or below 60 percent of the area median income.

Riverside-San Bernardino-Ontario, CA MSA

In the Riverside-San Bernardino-Ontario, CA MSA, Bank of America has an excellent level of CD investments. The bank made 114 CD investments during the evaluation period totaling $114.9 million. Approximately $111.6 million or 97 percent of the current period investment dollars supported 1,152 units of affordable housing. In addition, the bank has 53 CD investments totaling $17.4 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $132.3 million or 10.7 percent of allocated Tier 1 Capital. The majority of current period investments are either innovative or complex with LIHTCs representing approximately $109.7 million or 95 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $12.3 million in a LIHTC to finance the construction and rehabilitation of Citrus Circle Apartments, a 61-unit affordable housing development in Corona, CA. All units except one reserved for the onsite property manager are restricted to incomes at or below 60 percent of the area median income.

- The bank invested $8.1 million in a Section 42 LIHTC fund that invests in portfolio of five LIHTC projects in multiple assessment areas. One of the projects is Paseo de los Heroes, a 53-unit affordable housing development in Mecca, CA. The developer targeted the units to migrant farm workers, which receive U.S. Rural Development Section 521 Rental Assistance. Eligible applicants pay no more than 30 percent of income for housing. The investment amount represents just the portion allocated to the Riverside-San Bernardino-Ontario, CA MSA.

- The bank invested $11.6 million in a Section 42 LIHTC fund that invests indirectly in qualifying LIHTC properties in multiple assessment areas. This investment amount represents Paseo Verde Phase II, a 46-unit affordable housing development in Fontana, CA. The development restricts all units to renters with incomes at or below 60 percent of the area median income.

San Francisco-Oakland-Hayward, CA MSA

In the San Francisco-Oakland-Hayward, CA MSA, Bank of America has an excellent level of CD investments. The bank made 895 CD investments during the evaluation period totaling $1.6 billion. Approximately $1.5 million or 96 percent of the current period investment dollars supported 8,309 units of affordable housing. In addition, the bank has 351 CD investments totaling $218.2 million it made during a prior evaluation period that are still outstanding and continuing to provide benefit to the community. Prior period and current period investments total $1.8 billion or 14.9 percent of allocated Tier 1 Capital after considering approximately $18 billion in deposits from national corporations in which the deposits did not derive from the local community. The majority of current period investments are either innovative or complex with LIHTCs and New Markets Tax Credits representing approximately $1 billion or 63 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $11.6 million in a LIHTC to finance the rehabilitation of 227 Bay Street, a 61-unit affordable housing complex in the City of San Francisco for seniors and individuals with disabilities. All units except one reserved for the onsite property manager are restricted to incomes at or below 50 percent of the area median income.

- The bank invested $19.7 million in a LIHTC to finance the rehabilitation of 255 Woodside Avenue, a 109-unit affordable housing complex in the City of San Francisco for seniors and individuals with disabilities. All units except one reserved for the onsite property manager are restricted to incomes at or below 50 percent of the area median income.

- The bank invested $52.6 million in a LIHTC to finance the rehabilitation of Clementina Towers of 345, a 276-unit affordable housing complex in the City of San Francisco for seniors and individuals with disabilities. All units except two reserved for the onsite property managers are restricted to incomes at or below 50 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance varied across the limited-scope assessment areas. Performance in the Bakersfield, CA MSA, El Centro, CA MSA, Hanford-Corcoran, CA MSA, Merced, CA MSA, Oxnard-Thousand Oaks-Ventura, CA MSA, Sacramento-Roseville-Arden-Arcade, CA MSA, Salinas, CA MSA, San Diego-Carlsbad, CA MSA, San Luis-Obispo-Paso Robles-Arroyo, CA MSA, Santa Maria-Santa Barbara, CA MSA, Santa Rosa, CA MSA, Vallejo-Fairfield, CA MSA, and Visalia-Porterville, CA MSA is consistent with the Outstanding Investment Test performance in the state of California. Performance in the Chico, CA MSA, Madera, CA MSA, Modesto, CA MSA, Napa, CA MSA, Redding, CA MSA, San Jose-Sunnyvale-Santa Clara, CA MSA, Santa Cruz-Watsonville, CA MSA, Stockton-Lodi, CA MSA, Yuba City, CA MSA, and California Non-MSA is weaker than the overall Outstanding Investment Test performance in the state of California. Performance is weaker primarily due to lower levels of investments relative to the bank's capacity in the assessment area.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of California is rated Outstanding. Service Test performance is excellent in the Fresno, CA MSA, Los Angeles-Long Beach-Ontario MSA, Riverside-San Bernardino-Ontario, CA MSA, and San Francisco-Oakland-Hayward, CA MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Fresno, CA MSA

In the Fresno, CA MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 20 financial centers with the distribution of the population. The bank has two financial centers in low-income geographies representing 10 percent of its financial centers. Considering 10.9 percent of the population lives in low-income geographies, the distribution in low-income geographies is excellent. The bank has nine financial centers located in moderate-income geographies representing 45 percent of its financial centers. Considering 29.4 percent of the population lives in moderate-income geographies along with the added accessibility adjacent financial centers provide as described below, the distribution performance is excellent.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies.

The bank has four financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. The adjacent financial centers help expand accessibility of service delivery systems in low- and moderate-income geographies.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank closed one financial center in a middle-income geography.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. Financial centers are generally open 9:00 am to

5:00 pm Monday through Thursday and 9:00 am to 6:00 pm on Friday. Financial centers are generally open for Saturday banking 10:00 am to 2:00 pm.

Los Angeles-Long Beach-Anaheim, CA MSA

In the Los Angeles-Long Beach-Anaheim, CA MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 331 financial centers with the distribution of the population. In low-income geographies, the bank has 23 financial centers representing 6.9 percent of its financial centers. Considering 7.6 percent of the population lives in low-income geographies along with additional access provided by adjacent financial centers, financial center distribution in low-income geographies is excellent. The bank has 81 financial centers in moderate-income geographies representing 24.5 percent of its financial centers. Considering 29.5 percent of the population resides in moderate-income geographies along with the additional access provided with adjacent financial centers, financial center distribution is excellent.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a neutral effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies.

The bank has 59 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. Of the 59 financial centers, seven financial centers provide additional access to retail banking services in low-income geographies and 52 financial centers provide additional access in moderate-income geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened four financial centers and closed fourteen. The bank closed one financial center in a low-income geography, four financial centers in moderate-income geographies, one in an undefined census tract, and the remaining eight in middle- and upper-income geographies. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconvenience the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. Financial centers are generally open 9:00 am to 6:00 pm Monday through Friday. Saturday banking is generally available 10:00 am to 2:00 pm.

Due to rounding, totals may not equal 100.0

Riverside-San Bernardino-Ontario, CA MSA

In the Riverside-San Bernardino-Ontario, CA MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 89 financial centers with the distribution of the population. In low-income geographies, the bank has eight financial centers representing 9 percent of its financial centers. Considering 5.7 percent of the population lives in low-income geographies along with additional access provided by adjacent financial centers, financial center distribution in low-income geographies is excellent. The bank has 27 financial centers in moderate-income geographies representing 30.3 percent of its financial centers. Considering 26.4 percent of the population resides in moderate-income geographies along with the additional access provided with adjacent financial centers, financial center distribution is excellent.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportions of ADS usage by customers residing in low- and moderate-income geographies are near or exceed the proportion of individuals residing in low- and moderate-income geographies. This indicates a greater penetration of ADS usage in low- and moderate-income areas than in non-low- and moderate-income areas.

The bank has 18 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. Of the 18 financial centers, two financial centers provide additional access to retail banking services in low-income geographies and 16 financial centers provide additional access in moderate-income geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened four financial centers and closed eight. The bank closed one financial center in a moderate-income geography closed the remaining seven in middle- and upper-income geographies. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconvenience the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. Financial centers are generally open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 2:00 pm on Saturday.

San Francisco-Oakland-Hayward, CA MSA

In the San Francisco-Oakland-Hayward, CA MSA, the bank’s service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank’s 141 financial centers with the distribution of the population. In low-income geographies, the bank has 17 financial centers representing 12.1 percent of its financial centers. Considering 11.5 percent of the population lives in low-income geographies along with additional access provided by adjacent financial centers, financial center distribution in low-income geographies is excellent. The bank has 29 financial centers in moderate-income geographies representing 20.6 percent of its financial centers. Considering 19.7 percent of the population resides in moderate-income geographies along with the additional access provided with adjacent financial centers, financial center distribution is excellent.

Examiners also considered the bank’s alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank’s products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank’s service delivery systems to low- and moderate-income individuals and geographies. The proportions of ADS usage by customers residing in low- and moderate-income geographies are near or exceed the proportion of individuals residing in low- and moderate-income geographies. This indicates a greater penetration of ADS usage in low- and moderate-income areas than in non-low- and moderate-income areas.

The bank has 27 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. Of the 27 financial centers, eight financial centers provide additional access to retail banking services in low-income geographies and 19 financial centers provide additional access in moderate-income geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened three financial centers and closed eleven. The bank closed three financial centers in low-income geographies, two in moderate-income geographies, one in an undefined census tract, with the remaining five in middle- and upper-income geographies. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconvenience the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. Financial centers are generally open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 10:00 am to 2:00 pm on Saturday.

Community Development Services

Fresno, CA MSA

The bank provides a limited level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 13 community development services targeted to low- and moderate-income individuals. Employees provided five financial education workshops for 109 individuals. Attendees to the financial education workshops were primarily elementary school students from low- and moderate-income families. Employees participated in four webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, four employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Los Angeles-Long Beach-Anaheim, CA MSA

The bank is a leader in providing community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 247 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 4 low- and moderate-income individuals and provided 113 financial education and foreclosure prevention workshops for 3,579 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 79 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 51 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Riverside-San Bernardino-Ontario, CA MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 76 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to three low- and moderate-income individuals. Employees also provided 28 foreclosure prevention workshops for 1,470 individuals and 11 financial education workshops for 254 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 20 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 17 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

San Francisco-Oakland-Hayward, CA MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 207 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 4 low- and moderate-income individuals and provided 111 financial education, workforce, and foreclosure prevention workshops for 2,962 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 68 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 24 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance varied across the limited-scope assessment areas. Performance in the El Centro, CA MSA, Hanford-Corcoran, CA MSA, Madera, CA MSA, Merced, CA MSA, Napa, CA MSA, Redding, CA MSA, Sacramento-Roseville-Arden-Arcade, CA MSA, San Diego-Carlsbad, CA MSA, San Jose-Sunnyvale-Santa Clara, CA MSA, Santa Rosa, CA MSA, Stockton-Lodi, CA MSA, and Visalia-Porterville, CA MSA is consistent with the Outstanding Service Test performance in the state of California. Performance in the Bakersfield, CA MSA, Chico, CA MSA, Modesto, CA MSA, Oxnard-Thousand Oaks-Ventura, CA MSA, Salinas, CA MSA, San Luis-Obispo-Paso Robles-Arroyo, CA MSA, Santa Cruz-Watsonville, CA MSA, Santa Maria-Santa Barbara, CA MSA, Vallejo-Fairfield, CA MSA, Yuba City, CA MSA, and California Non-MSA is weaker than the overall Outstanding Service Test performance in the state of California primarily due to weaker financial center distribution.

State of Colorado

CRA Rating for Colorado[18]: Outstanding
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;

- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;

- High level of CD lending that has a significantly positive effect on overall lending performance;

- Excellent level and responsiveness of qualified investments; and

- Reasonably accessible service delivery systems to low- and moderate-income geographies and individuals when considering the relatively high usage of alternative delivery systems that has a significantly positive effect on overall Service Test performance.

Description of Institution's Operations in Colorado

The state of Colorado is Bank of America's 35th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $1.6 billion or 0.1 percent of its total domestic deposits in financial centers within the state of Colorado. Of the 138 depository financial centers operating in the state, Bank of America, with a deposit market share of 1.2 percent, is the 14th largest. Competitors with deposit market shares greater than 5 percent include Wells Fargo Bank (24.1 percent), FirstBank (11.1 percent), U.S. Bank (10.6 percent), and JP Morgan Chase Bank (9.2 percent). As of December 31, 2016, the bank operated 4 financial centers and 25 ATMs in Colorado.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Denver-Aurora-Lakewood, CO MSA, Bank of America reported an additional $621 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the

[18] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

Refer to the community profiles for the state of Colorado in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Colorado

The bank has defined three assessment areas. Examiners selected the Denver-Aurora-Lakewood, CO MSA for a full-scope review and the Boulder, CO MSA and Colorado Non-MSA for limited-scope reviews. While the Denver-Aurora-Lakewood, CO MSA carries approximately 99 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Colorado, examiners based the conclusions and ratings for the state on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 15,026 home mortgage loans totaling $4.2 billion, 6,568 small loans to businesses totaling $264.8 million, and 50 small loans to farms totaling $393 million. Based on loan volume, examiners weighted home mortgage loans, representing 69 percent of the volume, the most followed by small loans to business (30.4 percent), and small loans to farms (0.2 percent).

Examiners conducted a telephone interview with one local community services agency representing neighborhood housing, economic development, and community development financial institutions. The community contact noted that skilled trade laborers, workers with certifications, construction funding, public transportation, and affordable housing continue to be a concern across the state. The agencies request that financial institutions can help by offering start-up funding. A review of the bank's investments noted that the bank is active in the state in providing affordable housing assistance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN COLORADO

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Colorado is rated Outstanding, based on excellent lending activity, good geographic distribution, good borrower income distribution, and excellent CD lending that has a significantly positive effect on the Lending Test rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Colorado is excellent. Lending activity is excellent in the Denver-Aurora-Lakewood, CO MSA.

Denver-Aurora-Lakewood, CO MSA

Lending activity in the Denver-Aurora-Lakewood, CO MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 2 percent. The bank ranks ninth among 68 depository financial institutions in the assessment area, which places it in the top 14 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 0.9 percent based on the number of home mortgage loans originated or purchased. The bank ranks 28th among 835 home mortgage lenders in the assessment area, which places it in the top 4 percent of lenders. According to peer small business data for 2016, the bank has a 1.5 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks 11th among 177 small business lenders in the assessment area, which places it in the top 7 percent of lenders. For small loans to farms, the bank has a market share of 1.7 percent based on the number of small loans to farms originated or purchased. The bank ranks 10th among 28 farm lenders, which places it in the top 36 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is adequate. The distribution is adequate in the Denver-Aurora-Lakewood, CO MSA.

Denver-Aurora-Lakewood, CO MSA

The geographic distribution of home mortgage loans in the Denver-Aurora-Lakewood, CO MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 4.5 percent is lower than the 6.3 percent of owner-occupied housing units in low-income geographies and lower than the 5.5 percent for aggregate lenders. The distribution in moderate-income geographies at 14.9 percent is lower than the 19.1 percent of owner-occupied housing units in moderate-income geographies and lower than the 17.2 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Denver-Aurora-Lakewood, CO MSA.

Denver-Aurora-Lakewood, CO MSA

The distribution of home mortgage loans by borrower income in the Denver-Aurora-Lakewood, CO MSA is good. The distribution is adequate to low-income borrowers and it is good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 9.5 percent is lower than the 21.9 percent of low-income families in the MSA; however, the bank's performance is higher than the 5 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 15.4 percent is lower than the 17.1 percent of moderate-income families and it is lower than the 17 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Denver-Aurora-Lakewood. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 31 percent of its small loans to businesses.

Denver-Aurora-Lakewood, CO MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Denver-Aurora-Lakewood, CO MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.4 percent is lower than the 79.8 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 43.6 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is poor. The distribution is poor in the Denver-Aurora-Lakewood, CO MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 48 percent of its small loans to farms.

Denver-Aurora-Lakewood CO MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Denver-Aurora-Lakewood, CO MSA is poor. Based on farms with known revenues, the proportion of the bank's small loans to farms at 41.7 percent is lower than the 95.8 percent of farms with gross annual revenues of $1 million or less. The bank's distribution is also lower than the 55.8 percent for aggregate lenders.

Community Development Lending

CD lending has a significantly positive effect overall on the bank's Lending Test performance in the state of Colorado.

Denver-Aurora-Lakewood, CO MSA

In the Denver-Aurora-Lakewood, CO MSA, CD lending has a significantly positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 14 CD loans totaling $54 million that mostly helped provide 516 units of affordable housing. CD lending represents 46.3 percent of the allocated Tier 1 Capital.

Examples of CD loans include:

- The bank provided a $7.2 million construction-financing loan for the development of Aria Townhome Apartments, a 72-unit affordable multifamily project located in Denver CO.

- The bank provided a $4.2 million construction-financing loan for the development of Dahlia Square Senior Apartments Phase II, which is a 40-unit LIHTC housing development for seniors age 62+ to be located in Denver CO.

- The bank provided a $12 million construction loan for the development of Foundry Apartments, which is a 70-unit development in Englewood CO.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Colorado, lending under the MHA and HARP programs accounted for approximately 83 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Boulder, CO MSA, and Colorado Non-MSA is weaker than the overall Outstanding Lending Test performance in the state of Colorado primarily due to weaker lending activity, weaker borrower income distributions, and lower levels of CD lending that had no effect on Lending Test performance in those assessment areas.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Colorado is rated Outstanding. Investment performance is excellent in the Denver-Aurora-Lakewood, CO MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Denver-Aurora-Lakewood, CO MSA

In the Denver-Aurora-Lakewood, CO MSA, Bank of America has an excellent level of CD investments. The bank made 88 CD investments during the current period totaling $35.5 million. Approximately $30.8 million or 87 percent of the current period investment dollars supported 873 units of affordable housing. In addition, the bank has 21 CD investments totaling $6.2 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $41.7 million or 35.7 percent of allocated Tier 1 Capital, after adjusting for $620.7 million in deposits derived outside of the assessment area. The majority of current period investments are innovative or complex with LIHTCs representing approximately $19.9 million or 56 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $11 million in a LIHTC equity investment for new construction of Aria Apartments a 72-unit multifamily affordable housing development to be located in the Chaffee Park neighborhood of Denver CO, which is a Neighborhood Stabilization Program 2 (NSP2) target area.

- The bank invested $2 million in Accion New Mexico (Accion), a certified CDFI and a member of the Accion U.S. Network, which is the largest nonprofit micro- and small business-lending network in the United States.

COLORADO	38	9,062	123	37,394	161	46,456	100.00		0	0

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Boulder, CO MSA is consistent with the Outstanding Investment Test performance in the state of Colorado. Investment Test performance in the Colorado Non-MSA is weaker than the overall Outstanding Investment Test performance in the state of Colorado due to the lack of any CD investments in the assessment area.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Service Test in the state of Colorado is rated Low Satisfactory. Service Test performance is adequate in the Denver-Aurora-Lakewood, CO MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

Denver-Aurora-Lakewood, CO MSA

In the Denver-Aurora-Lakewood, CO MSA, the bank’s service delivery systems are reasonably accessible to geographies and individuals of different income levels when considering alternative delivery systems. Examiners based this conclusion on a comparison of the distribution of the bank’s three financial centers with the distribution of the population. The bank has no financial centers in low- and moderate-income geographies where 11.1 percent and 23.1 percent of the population lives, respectively.

Examiners considered the bank’s alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank’s products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The customer usage for low- and moderate-income individuals exceeded the percentage of same individuals in the geographies. Access to retail banking services through alternative delivery systems helped to offset poor access to financial centers.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened three financial centers in upper-income geographies and closed a limited-service financial center in a moderate-income geography. The bank replaced the limited-service financial center with a full-service financial center and moved the financial center to a more central location (upper-income tract) within Denver.

Banking products and services do not vary in a way that inconveniences the assessment area to low- and moderate-income individuals. The bank offers a full range of products and services. Financial centers are generally open 9:00 am to 5:00 pm Monday through Friday and 9:00 am to 2:00 pm on Saturday. One financial center is open 8:30 am to 4:30 pm Monday through Friday with no Saturday banking.

Community Development Services

Denver-Aurora-Lakewood, CO MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 119 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 49 low- and moderate-income individuals and provided 43 financial education and foreclosure prevention workshops for 445 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 21 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, six employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Boulder, CO MSA and Colorado Non-MSA is consistent with the Low Satisfactory Service Test performance in the state of Colorado.

State of Connecticut

CRA Rating for Connecticut[19]: Outstanding
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively low level of CD lending that has a neutral effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Connecticut

The state of Connecticut is Bank of America's 10th largest rating area based on its total deposits in the state when excluding deposits in the Worcester, MA-CT Multistate MSA. Examiners excluded the Worcester, MA-CT Multistate MSA from the analysis of the state of Connecticut because examiners evaluated the multistate MSA as a separate rating area. As of June 30, 2016, the bank maintained approximately $30 billion or 2.3 percent of its total domestic deposits in financial centers in areas of the state of Connecticut that do not include the Worcester, MA-CT Multistate MSA. Of the 61 depository financial institutions operating in the state of Connecticut that excludes the multistate MSA, Bank of America, with a deposit market share of 23.3 percent, is the largest. Competitors with deposit market shares greater than 5 percent include Webster Bank, N.A. (12.9 percent), People's United, N.A. (12.8 percent), Wells Fargo, N.A. (7 percent), TD Bank, N.A. (5.4 percent) and Citibank, N.A. (5.3 percent). As of December 31, 2016, the bank operated 134 financial centers and 290 ATMs in the portion of Connecticut that excludes the multistate MSA.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Hartford-West Hartford-East Hartford, CT MSA, Bank of America reported an additional $2.6 billion in deposits of national corporations, in which the funds originated from communities

---

[19] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank’s total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank’s capacity in the assessment area.

Refer to the community profiles for the state of Connecticut in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Connecticut

Examiners selected two assessment areas for full-scope reviews and the remaining three assessment areas for limited-scope reviews. The full-scope assessment areas were the Bridgeport-Stamford-Norwalk, CT MSA and Hartford-West Hartford-East Hartford, CT MSA. While the Hartford-West Hartford-East Hartford, CT MSA carries approximately 62 percent weight of the overall conclusions based on the bank’s presence there relative to all assessment areas in Connecticut, examiners based the conclusions and ratings for the state on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 18,576 home mortgage loans totaling $6.2 billion, 36,422 small loans to businesses totaling $1.6 billion, 170 small loans to farms totaling $3 million, and 35 CD loans totaling $129.4 million. Based on loan volume, examiners weighted small loans to businesses, representing 66 percent of the volume, the most followed by home mortgage loans (33.7 percent), and small loans to farms (0.3 percent).

Examiners conducted telephone interviews with four local community services agencies representing neighborhood housing, economic development, and community development financial institutions. The community contacts noted that affordable housing along with revitalization of blighted areas continues to be a concern across the state. The agencies request that financial institutions can assist in closing the gap for affordable housing by offering financial and educational support to low- and moderate-income individuals and families. A review of the bank’s investments noted the bank is active in the state in providing affordable housing assistance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN CONNECTICUT

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Lending Test in the state of Connecticut is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Connecticut is excellent. Lending activity is excellent in the Bridgeport-Stamford-Norwalk, CT MSA, Hartford-West Hartford-East Hartford, CT MSA, and remaining limited-scope assessment areas.

Bridgeport-Stamford-Norwalk, CT MSA

Lending activity in the Bridgeport-Stamford-Norwalk, CT MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 16.2 percent. The bank ranks second among 28 depository financial institutions in the assessment area, which places it in the top 8 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 3.6 percent based on the number home mortgage loans originated or purchased. The bank ranks sixth among 441 home mortgage lenders in the assessment area, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has an 8.4 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks third among 125 small business lenders in the assessment area, which places it in the top 3 percent of lenders. For small loans to farms, the bank has a market share of 11.1 percent based on the number of small loans to farms originated or purchased. The bank ranks fourth among seven farm lenders, which places it in the bottom 42 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Hartford-West Hartford-East Hartford, CT MSA

Lending activity in the Hartford-West Hartford-East Hartford, CT MSA is excellent. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 42.9 percent. The bank ranks first among 29 depository financial institutions in the assessment area, which places it in the top 4 percent of institutions. The bank's market share also includes $2.6 billion in deposits not derived from the local assessment area. Excluding those nonlocal deposits, the bank's market share is 39.2 percent. According to peer mortgage data for 2016, the bank has a market share of 2.4 percent based on the number of home mortgage loans originated or purchased. The bank ranks seventh among 454 home mortgage lenders, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has an 8.6 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 122 small business lenders in the assessment area, which places it in the top 4 percent of lenders. For small loans to farms, the bank has a market share of 15.8 percent based on the number of small loans to farms originated or purchased. The bank ranks second among 12 farm lenders, which places it in the top 17 percent of lenders. Considering the ranking for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is adequate in the Bridgeport-Stamford-Norwalk, CT MSA and excellent in the Hartford-West Hartford-East Hartford, CT MSA.

Bridgeport-Stamford-Norwalk, CT MSA

The geographic distribution of home mortgage loans in the Bridgeport-Stamford-Norwalk, CT MSA is adequate. Performance is poor in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.8 percent is lower than the 5.2 percent of owner-occupied housing units in low-income geographies and lower than the 3.6 percent for aggregate lenders. The distribution in moderate-income geographies at 11.8 percent is lower than the 15.9 percent of owner-occupied housing units in moderate-income geographies and lower than the 13.2 percent for aggregate lenders.

Hartford-West Hartford-East Hartford, CT MSA

The geographic distribution of home mortgage loans in the Hartford-West Hartford-East Hartford, CT MSA is excellent. Performance is excellent in low-income geographies and excellent in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 3.5 percent is comparable to the 3.6 percent of owner-occupied housing units in low-income geographies and it is higher than the 3.1 percent performance for aggregate lenders. The distribution in moderate-income geographies at 11.6 percent exceeds the 11.1 percent of owner-occupied housing units in moderate-income geographies and it exceeds the 9.6 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is good. The distribution is excellent in the Bridgeport-Stamford MSA and good in the Hartford-West Hartford-East Hartford, CT MSA.

Bridgeport-Stamford-Norwalk, CT MSA

The geographic distribution of small loans to businesses in the Bridgeport-Stamford-Norwalk, CT MSA is excellent. Performance is excellent in low-income geographies and excellent in moderate-income geographies. The distribution in low-income geographies at 10.4 percent is equal to the 10.4 percent of businesses in low-income geographies and it exceeds the 8.8 percent performance for aggregate lenders. The distribution in moderate-income geographies at 16.3 percent is equal to the 16.3 percent of businesses in moderate-income geographies and it exceeds the 11.1 percent performance for aggregate lenders.

Hartford-West Hartford-East Hartford, CT MSA

The geographic distribution of small loans to businesses in the Hartford-West Hartford-East Hartford, CT MSA is good. The distribution is good in low-income geographies and good in moderate-income geographies. The geographic distribution in low-income geographies at 7.2 percent is below the 9.2 percent of businesses in low-income geographies and it is slightly lower than the 7.5 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 10 percent is lower than the 11 percent of businesses in moderate-income geographies and it is slightly lower than the 11.1 percent performance of aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is adequate in the Bridgeport-Stamford-Norwalk, CT MSA and excellent in the Hartford-West Hartford-East Hartford, CT MSA.

Bridgeport-Stamford-Norwalk, CT MSA

The distribution of home mortgage loans by borrower income in the Bridgeport-Stamford-Norwalk, CT MSA is adequate. The distribution is adequate to low-income borrowers and it is adequate to moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income borrowers at 7.8 percent is lower than the 22.7 percent of low-income families in the MSA; however, the bank's performance is higher than the 6.1 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 11.7 percent is lower than the 17 percent of moderate-income families and it is lower than the 14.8 percent performance for aggregate lenders.

Hartford-West Hartford-East Hartford, CT MSA

The distribution of home mortgage loans by borrower income in the Hartford-West Hartford-East Hartford, CT MSA is excellent. The distribution is good to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 11 percent is lower than the 21.4 percent of low-income families in the MSA; however, it is higher than the 6.6 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 19.6 percent slightly exceeds the 17 percent of moderate-income families in the MSA and it is slightly higher than the 19 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Bridgeport-Stamford-Norwalk, CT MSA and good in the Hartford-West Hartford-East Hartford, CT MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 31 percent of its small loans to businesses.

Bridgeport-Stamford-Norwalk, CT MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Bridgeport-Stamford-Norwalk, CT MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 52.6 percent is lower than the 80.5 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 48.3 percent for aggregate lenders, overall performance is good.

Hartford-West Hartford-East Hartford, CT MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Hartford-West Hartford-East Hartford, CT MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 50.6 percent is lower than the 78.6 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 47.9 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate, primarily driven by performance in the Hartford-West Hartford-East Hartford, CT MSA. The distribution is good in the Bridgeport-Stamford-Norwalk, CT MSA and adequate in the Hartford-West Hartford-East Hartford, CT MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 39 percent of its small loans to farms.

Bridgeport-Stamford-Norwalk, CT MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Bridgeport-Stamford-Norwalk, CT MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 70 percent is lower than the 96.4 percent of farms with gross annual revenues of $1 million or less. However, the bank's distribution exceeds the 60 percent for aggregate lenders.

Hartford-West Hartford-East Hartford, CT MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Hartford-West Hartford-East Hartford, CT MSA is adequate. Based on farms with known revenues, the proportion of the bank's small loans to farms at 55.6 percent is lower than the 96.6 percent of farms with gross annual revenues of $1 million or less. The bank's distribution is also lower than the 62.9 percent for aggregate lenders.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of Connecticut. The bank met the community's credit needs primarily through retail lending.

Bridgeport-Stamford-Norwalk, CT MSA

In the Bridgeport-Stamford-Norwalk, CT MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated 11 CD loans totaling $46.4 million that primarily helped provide 96 units of affordable housing. CD lending represents 1.7 percent of the allocated Tier 1 Capital.

Examples of CD loans include:

- The bank provided $2.5 million in funding to the Connecticut Housing Finance Authority (CHFA), which allowed the CHFA to re-fund a loan it provides to the Danbury Housing Authority (DHA) for financing the installation of energy conservation measures at several DHA properties. The DHA administers the public housing program in Danbury of approximately 900 apartment units and it administers approximately 1,100 Section 8 vouchers.

- The bank provided $9.8 million through the bank's Special Bond Offering (SBO) product for Multifamily Housing Revenue Bonds. The SBO helped to finance the construction of The Residences at Laurel Hill, a 72-unit multifamily residential housing project in

Brookfield, CT. All units are restricted to incomes at or below 60 percent of the area median income. The bank also provided the term loan for $6.9 million.

- The bank provided $23.5 million in construction financing for Park 215, a mixed-use, mixed-income 78-unit multifamily housing complex in Stamford, CT. The development will comprise 47 LIHTC units restricted to incomes at or below 60 percent of the area median income.

Hartford-West Hartford-East Hartford, CT MSA

In the Hartford-West Hartford-East Hartford, CT MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated 10 CD loans totaling $40 million that primarily helped provide 238 units of affordable housing. CD lending represents 2 percent of the allocated Tier 1 Capital, after considering $2.6 billion in deposits from national corporations in which the deposits did not derive from the local community.

Examples of CD loans include:

- The bank provided $17.4 million in financing for the acquisition and historic rehabilitation of 390 Capitol, a former mill building in downtown Hartford, CT. The developer will gut the building and convert it into 112 multifamily units comprising 23 affordable units at 50 percent of the area median income and 89 work-force housing market rate units at 120 percent of the area median income.

- The bank provided $2.1 million in construction financing for Jefferson Heights, a 70-unit affordable multifamily housing project in New Britain, CT for seniors aged 62 or older. All units are restricted incomes at or below 60 percent of the area median income.

- The bank provided $2 million in funding to the Hartford Community Loan Fund (HCLF), a non-profit certified CDFI. The HCLF’s mission is to stabilize and revitalize Hartford’s neighborhoods and create affordable housing and economic opportunities for residents and business owners in the city’s low- and moderate-income neighborhoods.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America’s Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Connecticut, lending under the MHA and HARP programs accounted for 89 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Norwich-New London, CT MSA, New Haven-Milford, CT MSA, and Connecticut Non-MSA is stronger than the overall High Satisfactory Lending Test performance in the state of Connecticut primarily due to higher relative levels of CD lending that positively affected Lending Test performance in those assessment areas.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Connecticut is rated Outstanding. Investment performance is adequate in the Bridgeport-Stamford-Norwalk, CT MSA and excellent in the Hartford-West Hartford-East Hartford, CT MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Bridgeport-Stamford-Norwalk, CT MSA

In the Bridgeport-Stamford-Norwalk, CT MSA, Bank of America has an adequate level of community development investments. The bank made 53 CD investments during the current period totaling $40.4 million. Approximately $3.7 million or 55 percent of the current period investment dollars supported 276 units of affordable housing. In addition, the bank has 37 CD investments totaling $14.5 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $55 million or 6 percent of allocated Tier 1 Capital. The majority of current period investments are innovative or complex with LIHTCs representing approximately $36.1 million or 89 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $5.3 million in a LIHTC to fund the construction of Albion Street Apartments, a 35-unit public housing development in Bridgeport, CT. All units are restricted to families earning no more than 60 percent of the area median income.

- The bank invested $19.6 million in a LIHTC to finance the construction of Park 215, a 78-unit mixed-use, mixed-income housing development. The development will include 47 units restricted to incomes at or below 60 percent of the area median income.

- The bank invested $9.6 million in a LIHTC to finance the construction of St. Paul's Commons, a 56-unit affordable housing development in Bridgeport, CT. The development comprises two sites approximately 1.5 miles apart. One site is restricted to seniors aged 62 or older and the site is for families. All units are restricted to incomes at or below 60 percent of the area median income.

Hartford-West Hartford-East Hartford, CT MSA

In the Hartford-West Hartford-East Hartford, CT MSA, the bank has an excellent level of CD investments. The bank made 301 CD investments during the current period totaling $194 million. Approximately $190.2 million or 98 percent of the current period investment dollars supported 232 units of affordable housing. In addition, the bank has 178 CD investments totaling $36.1 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $230.2 million or 11.7 percent of allocated Tier 1 Capital, after considering the $2.6 billion in deposits that did not originate from the assessment area. In addition to the community development investments, Bank of America made 73 grants and donations of more than $2 million to various community development organizations that serve the needs of the community. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $142.5 million or 73 percent of the investment dollars.

Examples of community development investments include:

- The bank provided $2 million in funding to the Boston Community Loan Fund (BCLF), a certified CDFI. The mission of the BCLF is to create and preserve healthy communities where low-income people live and work. The BCLF finances community development projects that include affordable housing, childcare, public education, healthcare facilities, and commercial revitalization projects.

- The bank invested $33.7 million in a Section 42 LIHTC Fund that indirectly invests in a portfolio of nine LIHTC affordable housing projects. The funds represent the amount invested in Square Village, a development of 32 two-story apartments in Manchester, CT containing 379 rental units. All units, except one unit reserved for the onsite property manager, are restricted to incomes at or below 60 percent of the area median income.

- The bank provided $1.9 million in funding to the Hartford Community Loan Fund (HCLF), a certified CDFI. The mission of the HCLF is to provide and promote just and affordable financial services that benefit the low-wealth residents of Hartford, CT. HCLF's primary lending product is a construction/rehab loan designed to create affordable housing opportunities in low- and moderate-income areas. This funding will allow HCLF to expand its construction/rehab mini permanent loan pool. According to the HCLF, the construction/rehab program improved approximately 430 units. Approximately 88 percent of those units were affordable to residents with incomes at or below 50 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Norwich-New London, CT MSA, New Haven-Milford, CT MSA, and Connecticut Non-MSA is consistent with the Outstanding Investment Test performance in the state of Connecticut.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Service Test in the state of Connecticut is rated Outstanding. Service Test performance is good in the Bridgeport-Stamford-Norwalk, CT MSA and excellent in the Hartford-West Hartford-East Hartford, CT MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

Bridgeport-Stamford-Norwalk, CT MSA

In the Bridgeport-Stamford-Norwalk, CT MSA, the bank’s service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank’s 48 financial centers with the distribution of the population. The bank has six financial centers in low-income geographies or 12.5 percent of its financial centers where 13.5 percent of the population lives. The bank also has six financial centers or 12.5 percent of its financial centers located in moderate-income geographies where 19.5 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies.

The bank has five financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. The adjacent financial centers help improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings generally did not affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank closed six financial centers during the evaluation period. The bank closed two financial centers in low-income geographies, one in a moderate-income geography, and three in middle- and upper-income geographies. Despite the closures, financial centers remain accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. Financial centers are generally open 9:00 am to 4:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday.

Hartford-West Hartford-East Hartford, CT MSA

In the Hartford-West Hartford-East Hartford, CT MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 46 financial centers with the distribution of the population. The bank has 6 financial centers or 13 percent of its financial centers in low-income geographies where 11.8 percent of the population lives. The bank has five financial centers or 10.9 percent of its financial centers located in moderate-income geographies where 14 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportions of customers in low- and moderate-income geographies using online, telephone, mobile, and text banking are near the proportion of the population in low- and moderate-income geographies. Cash dispensing and full-service ATM usage by customers in low- and moderate-income geographies exceeds the proportion of the population in low- and moderate-income geographies.

The bank has five financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. One of the financial centers provides additional access to retail banking services in low-income geographies and four financial centers provide additional access in moderate-income geographies.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened two financial center and closed sixteen. The bank closed three financial centers in low-income geographies, four in moderate-income geographies, and the remaining nine in middle- and upper-income geographies. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconvenience the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. Financial centers are generally open 9:00 am to 4:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday.

Community Development Services

Bridgeport-Stamford-Norwalk, CT MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 47 community development services targeted to low- and moderate-income individuals. Employees provided 12 financial education and foreclosure prevention workshops for 547 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 20 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 15 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Hartford-West Hartford-East Hartford, CT MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 89 community development services targeted to low- and moderate-income individuals. Employees provided 31 financial education and foreclosure prevention workshops for 584 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 26 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 30 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the New Haven-Milford, CT MSA and Connecticut Non-MSA is consistent with the Outstanding Service Test performance in the state of Connecticut. Performance in the Norwich-New London, CT MSA is weaker than the overall Outstanding Service Test performance in the state of Connecticut primarily due to the weaker distribution of financial centers, particularly in low-income geographies.

State of Delaware

CRA Rating for Delaware[20]: **Satisfactory**
The Lending Test is rated: High Satisfactory
The Investment Test is rated: High Satisfactory
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;

- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;

- Relatively low level of CD lending that has a neutral effect on overall lending performance;

- Good level and responsiveness of qualified investments; and

- Reasonably accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Delaware

Bank of America, N.A. has no financial centers in the state of Delaware in areas that exclude the Philadelphia-Camden-Wilmington, PA-NJ-DE-MD Multistate MSA and Salisbury, MD-DE Multistate MSA. Examiners excluded the two multistate MSAs from the analysis of the state of Delaware because examiners evaluated the two multistate MSAs as separate rating areas. Because the bank has no financial centers in the state of Delaware in areas that exclude the multistate MSAs, deposit market share data is not available. As of December 31, 2016, the bank operated one ATM in the state of Delaware. Depository financial institutions in the rating area with deposit market shares greater than 5 percent include Manufacturers and Traders Trust Company (28.9 percent), PNC Bank (20.8 percent), Wilmington Savings Fund Society (16.7 percent), Citizens Bank (10.9 percent), and Wells Fargo Bank (9.4 percent).

Refer to the community profiles for the state of Delaware in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[20] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Scope of Evaluation in Delaware

The bank has defined the Dover, DE MSA as its sole assessment area in the state of Delaware. Examiners based conclusions and ratings for the state of Delaware solely on performance in the Dover, DE MSA. During the evaluation period, Bank of America originated or purchased 384 home mortgage loans totaling $65.6 million, 301 small loans to businesses totaling $5.9 million, 10 small loans to farms totaling $46,000, and 1 CD loan totaling $240,000. Loan volumes include loans that originated or purchased in the Delaware Non-MSA assessment area (Sussex County) prior to OMB including the county in the Salisbury, MD-DE Multistate MSA. Based on loan volume, examiners weighted home mortgage loans, representing 55 percent of the volume, the most followed by small loans to businesses (43 percent), and small loans to farms (2 percent).

Examiners conducted a telephone interview with an affordable housing representative at one local community services agency. The contact noted the need for affordable housing due to the increasing senior population and the need to revitalize blighted areas.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN DELAWARE

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Lending Test in the state of Delaware is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank’s lending activity in the state of Delaware is excellent. Lending activity is excellent in the Dover, DE MSA.

Dover, DE MSA

Lending activity in the Dover, DE MSA is excellent. Because the bank has no financial centers in the state of Delaware, deposit market share data is not available. According to peer mortgage data for 2016, the bank has a market share of 1.7 percent based on the number of home mortgage loans originated or purchased. The bank ranks 14th among 249 home mortgage lenders in the assessment area, which places it in the top 6 percent of 249 lenders. According to peer small business data for 2016, the bank has a 3.7 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks 10th among 68 small business lenders, which places it in the top 15 percent of the lenders. The bank originated or purchased too few small loans to farms during the evaluation period for any meaningful analysis. Considering the bank has no deposits derived from the community, its overall lending activity is excellent.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is good in the Dover, DE MSA.

Dover, DE MSA

The geographic distribution of home mortgage loans in the Dover, DE MSA is good. There are no low-income census tracts in the Dover, DE MSA. Performance is good in moderate-income geographies. The distribution in moderate-income geographies at 7.6 percent is lower than the 9.2 percent of owner-occupied housing units in moderate-income geographies; however, the bank slightly exceeds the 7.2 percent for aggregate lenders.

Table O : Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography **2014-16**

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is excellent in the Dover, DE MSA.

Dover, DE MSA

The geographic distribution of small loans to businesses in the Dover, DE MSA is excellent. There are no low-income census tracts in the Dover, DE MSA. Performance is excellent in moderate-income geographies. The distribution in moderate-income geographies at 26.2 percent exceeds the 20.2 percent of businesses in moderate-income geographies and it exceeds the 19.5 percent performance for aggregate lenders.

Lending Gap Analysis

Examiners noted no conspicuous or unexplained gaps in lending in moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Dover, DE MSA.

Dover, DE MSA

The distribution of home mortgage loans by borrower income in the Dover, DE MSA is good. The distribution is adequate to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 8.3 percent is lower than the 18.7 percent of low-income families in the MSA; however, the bank's performance exceeded the 4.2 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 28.1 percent exceeds the 18.4 percent of moderate-income families and it exceeds the 16.5 percent performance for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower — 2014-16

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Dover, DE MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 36 percent of its small loans to businesses.

Dover, DE MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Dover, DE MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 48.2 percent is lower than the 76.9 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 46.2 percent for aggregate lenders, overall performance is good.

Community Development Lending

CD lending has a neutral effect on the bank's Lending Test performance in the state of Delaware, based on its limited presence in the state. The bank met the community's credit needs primarily through retail lending.

Dover, DE MSA

In the Dover, DE MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated one CD loan totaling $240,000 for affordable housing purposes. This loan did not create any new units of affordable housing.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Delaware is rated High Satisfactory. Investment performance is good in the Dover, DE MSA.

Dover, DE MSA

In the Dover, DE MSA, Bank of America has a good level of community development investments considering its very limited presence in the state of Delaware. The bank made 21 CD investments during the current evaluation period totaling $1 million. Approximately $823,000 or 83 percent of the current period investment dollars supported three units of affordable housing. In addition, the bank has five CD investments totaling $386,000 it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $1.4 million. The majority of current period investments are innovative or complex with LIHTCs representing approximately $800,000 or 80 percent of the investment dollars.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Delaware is rated Low Satisfactory. Service Test performance is adequate in the Dover, DE MSA.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Dover, DE MSA

In the Dover, DE MSA, the bank's service delivery systems are reasonably accessible to geographies and individuals of different income levels. Because the bank has no financial centers in the state of Delaware, customers access retail banking services through alternative delivery systems, including ATMs, telephone, online, mobile, and text banking. Based on customer usage data provided by the bank, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies.

Community Development Services

Dover, DE MSA

The bank provides an adequate level of community development services. During the evaluation period, the bank participated with community development organizations to provide 23 community development services targeted to low- and moderate-income individuals. Employees provided six financial education and foreclosure prevention workshops for 230 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in one webinar with a non-profit organization to help the organization with capacity building. In addition, eight employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

State of Florida

CRA Rating for Florida[21]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business/farm revenue size;
- Relatively high level of CD lending that has a positive effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Florida

The state of Florida is Bank of America's fifth largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $103 billion or 8.6 percent of its total domestic deposits in financial centers within the state of Florida. Of the 237 depository financial institutions operating in the state, Bank of America, with a deposit market share of 19.2 percent, is the largest. Depository financial institutions in the state with deposit market shares greater than 5 percent include Wells Fargo Bank (14.7 percent), SunTrust Bank (9 percent), and JPMorgan Chase Bank (5.4 percent). As of December 31, 2016, Bank of America operated 572 full-service financial centers and 1,637 deposit-taking ATMs in the state.

A bank's deposit volume serves as an indicator of its capacity to lend and invest in its assessment areas; however, not all deposits originate within the local community. In the Jacksonville, FL MSA, Bank of America reported an additional $3 billion in deposits of national corporations. The funds for these large national corporations originated from communities across the nation and deposited in financial centers near the headquarters of those corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

[21] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Refer to the community profiles for the state of Florida in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Florida

Examiners selected three assessment areas for full-scope reviews and the remaining 19 assessment areas for limited-scope reviews. The full-scope assessment areas are Miami-Fort Lauderdale-West Palm Beach, FL MSA, Jacksonville, FL MSA, and North Port-Sarasota-Bradenton, FL MSA. Examiners based their conclusions on activities within all assessment areas. Examiners interviewed five community based organizations and local government agencies serving various housing, employment, and community service needs. The organizations identified affordable housing, financial literacy, and financing programs for applicants with weak credit as some of the most pressing needs.

During the evaluation period, Bank of America originated or purchased 103,230 home mortgage loans totaling $21.3 billion, 255,015 small loans to businesses totaling $6.8 billion, 1,574 small loans to farms totaling $21.1 million, and 139 CD loans totaling $683.6 million. Lending volumes include loans originated or purchased in the following counties, which the bank no longer designates as assessment areas due to the bank’s closure or sale of all financial centers or deposit-taking ATMs: Calhoun, Columbia, Dixie, Hamilton, and Suwannee counties. These counties were previously part of the Florida Non-MSA assessment area. Small loans to businesses represented nearly 71 percent of the loan volume; therefore, examiners weighted small loans to businesses more than home mortgage loans. Small loans to farms represented less than 1 percent of the loan volume and thus examiners weighted them very little in the overall Lending Test performance.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN FLORIDA

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Lending Test in the state of Florida is rated Outstanding, based on excellent lending activity, good geographic and borrower income distributions, and a relatively high level of CD lending that positively affected overall performance under the Lending Test. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank’s lending activity in the state of Florida is excellent. Lending activity is excellent in the Jacksonville, FL MSA, North Port-Sarasota-Bradenton, FL MSA, and Miami-Fort Lauderdale-West Palm Beach, FL MSA. Performance in the Miami-Fort Lauderdale-West Palm Beach, FL MSA carried the most weight in arriving at the good performance overall. Lending activity in limited-scope areas is consistent with the excellent performance.

Jacksonville, FL MSA

Lending activity in the Jacksonville, FL MSA is excellent. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 41 percent. The bank ranks first among 35 depository financial institutions in the assessment area, which places it in the top 3 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.9 percent based on the number of home mortgage loans originated or purchased. The bank ranks 12th among 674 home mortgage lenders in the assessment area, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a 10 percent market share based on the number of small loans to businesses originated or purchased. The bank ranks third among 133 small business lenders, which places it in the top 3 percent of lenders. According to peer small farm data for 2016, the bank has a 14.1 percent market share based on the number of small loans to farms originated or purchased. The bank ranks second among 16 farm lenders, which places it in the top 13 percent of lenders. Considering the higher ranking for home mortgage loans and ranking for small loans to businesses relative to its ranking for deposits, lending activity is excellent.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

Lending activity in the Miami-For Lauderdale-West Palm Beach, FL MSA is excellent. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 16.7 percent. The bank ranks second among 97 depository financial institutions in the assessment area, which places it in the top 3 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.4 percent based on the number of home mortgage loans originated or purchased. The bank ranks ninth among 997 home mortgage lenders in the assessment area, which places it in the top 1 percent of lenders. According to peer small business data for 2016, the bank has a 13 percent market share based on the number of small loans to businesses originated or purchased. The bank ranks third among 236 small business lenders, which places it in the top 2 percent of lenders. According to peer small farm data for 2016, the bank has a 32.7 percent market share based on the number of small loans to farms originated or purchased. The bank ranks first among 24 farm lenders, which places it in the top 5 percent of lenders. Considering the higher ranking for home mortgage loans and small loans to businesses relative to its ranking for deposits, lending activity is excellent.

North Port-Sarasota-Bradenton, FL MSA

Lending activity in the North Port-Sarasota-Bradenton, FL MSA is excellent. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 19.9 percent. The bank ranks first among 40 depository financial institutions, placing it in the top 3 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.7 percent based on the number of home mortgage loans originated or purchased. The bank ranks fourth among 783 home mortgage lenders, which places it in the top 1 percent of lenders. According to peer small business data for 2016, the bank has a 12.2 percent market share based on the number of small loans to businesses originated or purchased. The bank ranks third among 135 small business lenders, which places it in the top 3 percent of lenders.

According to peer small farm data for 2016, the bank has a 29.6 percent market share based on the number of small loans to farms originated or purchased. The bank ranks first among 18 farm lenders, which places it in the top 6 percent of lenders. Considering the higher ranking for home mortgage loans and ranking for small loans to businesses relative to its ranking for deposits, lending activity is excellent.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is adequate. The distribution is adequate in the Jacksonville, FL MSA, Miami-Fort Lauderdale-West Palm Beach, FL MSA, and North Port-Sarasota-Bradenton, FL MSA.

Jacksonville, FL MSA

The geographic distribution of home mortgage loans in the Jacksonville, FL MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. At 1.4 percent, the distribution of the bank's home mortgage loans in low-income geographies is lower than the 2.9 percent of owner-occupied housing units in low-income geographies; however, the bank's distribution is higher than the 0.8 percent for aggregate lenders. At 9.8 percent, the distribution in moderate-income geographies is also lower than the 15.6 percent of owner-occupied housing units in moderate-income geographies and it is similar to the 9.9 percent for aggregate lenders.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

The geographic distribution of home mortgage loans in the Miami-Fort Lauderdale-West Palm Beach, FL MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. At 1 percent, the distribution in low-income geographies is lower than the 2.1 percent of owner-occupied housing units in low-income geographies and lower than the 1.2 percent for aggregate lenders. At 14.3 percent, the distribution in moderate-income geographies is lower than the 23.1 percent of owner-occupied housing units in moderate-income geographies and it is slightly lower than the 16.8 percent for aggregate lenders.

North Port-Sarasota-Bradenton, FL MSA

The geographic distribution of home mortgage loans in the North Port-Sarasota-Bradenton, FL MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. At 0.4 percent, the distribution in low-income geographies is lower than the 1.3 percent of owner-occupied housing units in low-income geographies, but comparable to the 0.4 percent for aggregate lenders. At 11.7 percent, the distribution in moderate-income geographies is lower than the 20.1 percent of owner-occupied housing units in moderate-income geographies and lower than the 12.2 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is good. The distribution is good in the Jacksonville, FL MSA, excellent in the Miami-Fort Lauderdale-West Palm Beach, FL MSA, and good in the North Port-Sarasota-Bradenton, FL MSA.

Jacksonville, FL MSA

The geographic distribution of small loans to businesses in the Jacksonville, FL MSA is good. Performance is adequate in low-income geographies and good in moderate-income geographies. At 2.3 percent, the distribution in low-income geographies is lower than the 3.4 percent of businesses in low-income geographies and lower than the 3.1 percent for aggregate lenders. At 17.1 percent, the distribution in moderate-income geographies is lower than the 19.3 percent of businesses in moderate-income geographies and comparable with the 17.3 percent for aggregate lenders. In the Jacksonville, FL MSA, competition for small business banking is strong, with American Express and Citibank owning a majority of market share at 21.5 percent and 17.1 percent, respectively. Additionally, there are 17 low-income census tracts in the Jacksonville, FL MSA; however, Bank of America only has two financial centers in low-income census tracts, limiting the ability to lend in these geographies.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

The geographic distribution of small loans to businesses in the Miami-Fort Lauderdale-West Palm Beach, FL MSA is excellent. Performance is excellent in low-income geographies and excellent in moderate-income geographies. At 3.1 percent, the distribution in low-income geographies is comparable to the 3.3 percent of businesses in low-income geographies and it is comparable to the 3.2 percent for aggregate lenders. At 21.6 percent, the distribution in moderate-income geographies is comparable to the 21.9 percent of businesses in moderate-income geographies and higher than the 20.5 percent for aggregate lenders.

North Port-Sarasota-Bradenton, FL MSA

The geographic distribution of small loans to businesses in the North Port-Sarasota-Bradenton, FL MSA is good. Performance is excellent in low-income geographies and good in moderate-income geographies. At 1.5 percent, the distribution in low-income geographies is comparable with the 1.5 percent of businesses in low-income geographies and it is slightly higher than the 1.3 percent performance for aggregate lenders. The distribution in moderate-income geographies at 17.7 percent is slightly lower than the 20.3 percent of businesses in moderate-income geographies and it is slightly lower than the 18.7 percent performance for aggregate lenders. Competition for small business banking is strong within the North Port-Sarasota-Bradenton, FL MSA, with American Express and Citibank owning a majority of market share at 19.8 percent and 17.1 percent, respectively.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is adequate. The distribution is poor in the Jacksonville, FL MSA, adequate in the Miami-Fort Lauderdale-West Palm Beach, FL MSA, and good in the North Port-Sarasota-Bradenton, FL MSA.

Jacksonville, FL MSA

The geographic distribution of small loans to farms in the Jacksonville, FL MSA is poor. Performance is very poor in low-income geographies and adequate in moderate-income geographies. At 0 percent, the proportion of loans in low-income geographies is lower than the 2.5 percent of farms in low-income geographies and lower than the 1.2 percent for aggregate lenders. At 10 percent, the proportion of loans in moderate-income geographies is lower than the 15.4 percent of farms in moderate-income geographies and lower than the 12 percent for aggregate lenders.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

The geographic distribution of small loans to farms in the Miami-Fort Lauderdale-West Palm Beach, FL MSA is adequate. Performance is good in low-income geographies and poor in moderate-income geographies. At 2.2 percent, the proportion of loans in low-income geographies is lower than the 3.1 percent of farms in low-income geographies and comparable to the 2.3 percent for aggregate lenders. At 9.5 percent, the distribution in moderate-income geographies is lower than the 22.8 percent of farms in moderate-income geographies and it is lower than the 13.1 percent for aggregate lenders.

North Port-Sarasota-Bradenton, FL MSA

The geographic distribution of small loans to farms in North Port-Sarasota-Bradenton, FL MSA is good. Performance is poor in low-income geographies and excellent in moderate-income geographies. At 0 percent, the proportion of loans in low-income geographies is lower than the 1.7 percent of farms in low-income geographies, but is consistent with the 0 percent for aggregate lenders. At 17.9 percent, the proportion in moderate-income geographies is consistent with the 17.9 percent of farms in moderate-income geographies, but is slightly lower than the 18.3 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Jacksonville, FL MSA, adequate in the Miami-Fort Lauderdale-West Palm Beach, FL MSA, and adequate in the North Port-Sarasota-Bradenton, FL MSA.

Jacksonville, FL MSA

The distribution of home mortgage loans by borrower income in the Jacksonville, FL MSA is good. The distribution is adequate for low-income borrowers and good for moderate-income borrowers. At 8.4 percent, the proportion of the bank's home mortgage loans to low-income borrowers is lower than the 20.6 percent of low-income families, but higher than the 5 percent for aggregate lenders. At 15.3 percent, the proportion of loans to moderate-income borrowers is lower than the 17.7 percent of moderate-income families, but higher than the 14.8 percent for aggregate lenders.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

The distribution of home mortgage loans by borrower income in the Miami-Fort Lauderdale-West Palm Beach, FL MSA is adequate. The distribution is adequate for low-income borrowers and adequate for moderate-income borrowers. At 5.7 percent, the proportion of the bank's home mortgage loans to low-income borrowers is lower than the 22.4 percent of low-income families, but higher than the 2.2 percent for aggregate lenders. At 9.4 percent, the proportion of loans to moderate-income borrowers is lower than the 17.3 percent of moderate-income families and it is consistent with the 9.6 percent for aggregate lenders.

North Port-Sarasota-Bradenton, FL MSA

The distribution of home mortgage loans by borrower income in the North Port-Sarasota-Bradenton, FL MSA is adequate. The distribution is adequate for low-income borrowers and adequate for moderate-income borrowers. At 8.6 percent, the proportion of the bank's home mortgage loans to low-income borrowers is lower than the 19.6 percent of low-income families, but higher than the 3.7 percent for aggregate lenders. The proportion of loans to moderate-income borrowers at 12.8 percent is lower than the 19.0 percent of moderate-income families and less than the 14.1 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The distribution is good in the Jacksonville, FL MSA, Miami-Fort Lauderdale-West Palm Beach, FL MSA, and North Port-Sarasota-Bradenton, FL MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 27.4 percent of its small loans to businesses.

Jacksonville, FL MSA

The distribution of small loans to businesses by revenue within the Jacksonville FL MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 60 percent is lower than the 79.7 percent of businesses with gross annual revenues of $1 million or less. The bank's distribution is significantly higher than the 48 percent for aggregate lenders.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

The distribution of small loans to businesses by revenue within the Miami-Fort Lauderdale-West Palm Beach, FL MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 62.5 percent is lower than the 80.8 percent of businesses with gross annual revenues of $1 million or less. The bank's distribution is significantly higher than the 48.5 percent for aggregate lenders.

North Port-Sarasota-Bradenton, FL MSA

The distribution of small loans to businesses by revenue within the North Port-Sarasota-Bradenton, FL MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 63.3 percent is lower than the 82.1 percent of businesses with gross annual revenues of $1 million or less. The bank's distribution is significantly higher than the 49.1 percent for aggregate lenders.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good. The distribution is adequate in the Jacksonville, FL MSA, good in the Miami-Fort Lauderdale-West Palm Beach, FL MSA, and adequate in the North Port-Sarasota-Bradenton, FL MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 27.9 percent of its small loans to farms.

Jacksonville, FL MSA

The distribution of the bank's small loans to farms by revenue within the Jacksonville, FL MSA is adequate. Based on farms with known revenues, the proportion of the bank's small loans to farms at 56.1 percent is lower than the 96.7 percent of farms with gross annual revenues of $1 million or less. The distribution of the bank's small loans to farms is higher than the 43.4 percent for aggregate lenders.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

The distribution of the bank's small loans to farms by revenue within the Miami-Fort Lauderdale-West Palm Beach is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 61.1 percent is lower than the 96.6 percent of farms with gross annual revenues of $1 million or less. The distribution of the bank's small loans to farms is higher than the 51.9 percent for aggregate lenders.

North Port-Sarasota-Bradenton, FL MSA

The distribution of the bank's small loans to farms by revenue within the North Port-Sarasota-Bradenton, FL MSA is adequate. Based on farms with known revenues, the proportion of the bank's small loans to farms at 54.5 percent is lower than the proportion of farms with gross annual revenues of $1 million or less. The distribution of the bank's small loans to farms is higher than the 38 percent for aggregate lenders.

Community Development Lending

CD lending has a positive effect overall on the bank's Lending Test performance in the state of Florida.

Jacksonville, FL MSA

In the Jacksonville, FL MSA, CD lending has a neutral effect on the lending performance in the assessment area. The bank originated five CD loans totaling $15.4 million that primarily support economic development, and community services. CD loans helped to finance the development of 72 units of affordable housing. CD lending represents 0.6 percent of the allocated Tier 1 Capital, after adjusting for $3.7 billion in non-local deposits. The bank met the community's credit needs primarily through retail lending.

Examples of CD loans include:

- An End-2-End loan for $12.7 million for new construction of the Houston Street Manor Apartments targeted to seniors, age 62 and older, to be located in Jacksonville, FL. The project consists of a seven-story building with 37 one- and 35 two-bedroom units. Unit income restrictions include eight at 33 percent of area median income (AMI) and 64 at 60 percent of AMI. The bank is also providing LIHTC equity investment for this project.

- A two-month renewal of an existing $222,000 line of credit to an organization that works to bridge the gap in high-poverty communities between the support that students actually need and what their schools can provide. This organization collaborates with public schools in 27 locations across the United States. All 152 schools served between 2012 and 2014 had a majority of students that were economically disadvantaged with percentages ranging from 75 percent to 100 percent. Economic disadvantage was determined based on school-level demographics and poverty data, including the percentage students eligible for the free/reduced-price lunch and also census and state human services database information.

- An SBA 504 lending package for $1.1 million for the purchase of existing industrial buildings and land located in Jacksonville FL. The loan recipient is a scrap metal recycling business that collects and sells primarily nonferrous metals mostly copper tin and aluminum. This financing package will allow the customer to acquire three lots and existing buildings to start a new recycling business.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

In the Miami-Fort Lauderdale-West Palm Beach, FL MSA, CD lending has a positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 65 CD loans totaling $299 million, or 6.5 percent of the allocated Tier 1 Capital. The CD loans primarily support economic development and affordable housing. CD loans provided over 2,000 units of affordable housing.

Examples of CD loans include:

- A $1.9 million loan to refinance the acquisition of an industrial building located in Doral, FL. The subject transaction is part of an SBA 504 lending package for a wholesale distributer of computer hardware, software and related equipment and supplies in the United States. Utilizing the SBA program enables the small business to obtain financing with substantially less cash investment than is typical in conventional financing.

- Construction and bridge financing for $8.8 million for rehab of South Miami Plaza Preservation, an existing affordable housing development constructed in 1974 and located in Miami, FL. The project consists of one 6-story building with 97 studio and one-bedroom units, community room with a computer and library center, leasing office, fitness center, and laundry facilities. Unit income restrictions include 19 for households at or below 28 percent of AMI and 78 for households at or below 60 percent AMI (replacement public housing units) under an Annual Contribution Contract for seniors age 55 years and older. The Bank is also providing LIHTC equity investment for this project.

- Construction financing for $17 million to rehabilitate Jack Orr Plaza, a 200-unit affordable housing community for seniors 55 years or older that is located in Miami FL. The project consists of one twelve-story building with 154 studio units and 46 one-bedroom units. After renovations, there will be 200 one-bedroom units. In addition, the project will have a community room, exercise room, computer and library lab, leasing office, and laundry facilities. Unit income restrictions include 40 units at 28 percent of AMI or below, and 160 units at 60 percent AMI or below. All of the units have an Annual Contributions Contract (ACC) operating subsidy managed by the Miami-Dade Public Housing Agency. Any vacancies not filled by existing residents (either at initial occupancy or thereafter) will be filled by residents who are referred by the County from the County's waiting list. The Bank is also providing LIHTC equity investment for this project.

North Port-Sarasota-Bradenton, FL MSA

In the North Port-Sarasota-Bradenton, FL MSA, CD lending has a neutral effect on the lending performance in the assessment area. The bank originated seven CD loans totaling $18.4 million that primarily supported affordable housing and economic development. CD lending represents 3.8 percent of the allocated Tier 1 Capital. The bank met the community's credit needs primarily through retail lending.

Examples of CD loans include:

- The bank provided $8.4 million in construction/bridge financing for Venetian Walk Senior Apartments, a 61-unit affordable housing development located in Venice FL. This project is for seniors age 62 and over, of which 25 will be public housing units. It is the first phase of a planned two-phase development to replace 50 public housing units at Grove Terrace Apartments that were in poor condition and functionally obsolete. The development will include a single four-story building with 53 one-bedroom and eight two-bedroom units. An Annual Contributions Contract operating subsidy will support the housing units. All units are restricted to renters with incomes at or below 60 percent of the area median income.

- The bank provided a six-month renewal to extend the maturity date of a $1 million construction loan to facilitate the development of Bradenton Village II, a scattered-site development located in Bradenton FL. This renewal allows additional time for the borrower to obtain permanent financing. Bradenton Village II includes 30 non-assisted senior units, 48 multifamily and 39 single-family rental properties attached and detached for 117 units total. Sixty-five units are public housing units restricted to households earning at or below 30 percent of the area median income and 52 are LIHTC units restricted to households earning at or below 60 percent of the area median income.

- The bank provided $2.3 million in bridge financing for the development of Rolling Green Apartments, a 118-unit affordable housing project in Sarasota, FL. All units are restricted to renters with incomes at or below 60 percent of the area median income. Bank of America also provided a LIHTC equity investment in the project.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Florida, lending under the MHA and HARP programs accounted for 77 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance varied across the limited-scope assessment areas. Performance in the Deltona-Daytona Beach-Ormond Beach, FL MSA, Orlando-Kissimmee-Sanford, FL MSA, Pensacola-Ferry Pass-Brent, FL MSA, Punta Gorda, FL MSA, and Tampa-St Petersburg-Clearwater, FL MSA is consistent with the Outstanding Lending Test performance in the state of Florida. Performance in the Cape Coral-Fort Myers, FL MSA, Crestview-Fort Walton Beach-Destin, FL MSA, Gainesville, FL MSA, Homosassa Springs, FL MSA, Lakeland-Winter Haven, FL MSA, Naples-Immokalee-Marco Island, FL MSA, Ocala, FL MSA, Palm Bay-Melbourne-Titusville, FL MSA, Port St Lucie, FL MSA, Sebastian-Vero Beach, FL MSA, Sebring, FL MSA, Tallahassee, FL MSA, The Villages, FL MSA, and Florida Non-MSA is weaker than the overall Outstanding Lending Test performance in the state of Florida due to weaker geographic distributions and or limited levels of CD lending.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Florida is rated Outstanding. Investment performance is excellent in the Jacksonville, FL MSA, Miami-Fort Lauderdale-West Palm Beach, FL MSA, and North Port-Sarasota-Bradenton, FL MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Jacksonville, FL MSA

In the Jacksonville, FL MSA, the bank has an excellent level of community development investments. The bank made 452 community development investments during the current evaluation period totaling $240 million. Approximately $88.5 million or 99 percent of the current period investment dollars supported more than 2,000 units of affordable housing. In addition, the bank has 293 community development investments totaling $50 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior and current period investments total $290.0 million or 9.64 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $193.6 million or 81 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $19.8 million in a LIHTC to finance the rehabilitation of Cathedral Towers, a 203-unit affordable housing development in Jacksonville, FL. The property consists of an 18-story high rise that houses low-income elderly families and persons requiring accessible features. All units, except one designated for the onsite manager, are restricted to incomes at or below 60 percent of the area median income.

- The bank invested $19.3 million in a LIHTC to help fund construction of Houston Street Manor Apartments, a 72-unit affordable housing development in Jacksonville, FL for seniors aged 55 and older. All units are restricted to incomes at or below 60 percent of the area median income. The bank is also providing construction financing for the project.

- The bank invested $1.8 million in a commercial-backed security backed by a pool of recently originated multifamily mortgage loans. This transaction represents Whispering Woods, a 200-unit multifamily affordable housing development in St. Augustine, FL. The bank's investment represents its 14 percent share of total funding for the housing development. Based on its share in the pool, the investment supports 37 units of affordable housing.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

In the Miami-Fort Lauderdale-West Palm Beach, FL MSA, the bank has an excellent level of community development investments. The bank made 779 community development investments during the current evaluation period totaling $554 million. Approximately $359.3 million or 65 percent of the current period investment dollars supported more than 3,000 units of affordable housing. In addition, the bank has 331 community development investments totaling $119 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior and current period investments total $673.3 million or 14.5 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are innovative or complex with LIHTCs, New Markets Tax Credits, and the School District of Palm Beach bond representing approximately $348.7 million or 63 percent of the investment dollars.

Examples of community development investments include:

- The bank purchased a $115.6 million Certificate of Participation note issued by the School Board of Palm Beach County. This note replaces a note issued in 2002 for the original purpose of financing the replacement and modernization of four elementary schools (Belvedere Elementary, Greenacres Elementary, Jupiter Elementary, and South Olive Elementary), a middle school (Lantana Middle), constructing a new middle school (Jeaga Middle), and acquiring the site for a new middle school (Don Estridge High Tech). Six of the seven schools have a majority of students eligible for the free or reduced price lunch program

- The bank invested $19.8 million in a Fannie Mae commercial mortgage backed security representing Miami Gardens Apartments, a 331-unit multifamily affordable housing development. All units are restricted to incomes at or below 60 percent of the area median income.

- The bank invested $23.1 million in a LIHTC for the rehabilitation of Jack Orr Plaza, a 200-unit affordable housing community for seniors located in Miami, FL. All units are restricted to incomes at or below 60 percent of the area median income.

North Port-Sarasota-Bradenton, FL MSA

In the North Port-Sarasota-Bradenton, FL MSA, the bank has an excellent level of community development investments. The bank made 118 community development investments during the current evaluation period totaling $44 million. Approximately $43.6 million or 99 percent of the current period investment dollars supported more than 80 units of affordable housing. In addition, the bank has 79 community development investments totaling $4.6 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior and current period investments total $48.6 million or 10.1 percent of the bank’s Tier 1 Capital allocated to the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $22.5 million or 51 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $7.8 million in a low-income housing tax credit (LIHTC) for the construction of Rolling Green Apartments, a 118-unit multifamily housing development located in Sarasota, FL. All units are restricted to incomes at or below 60 percent of the area median income.

- The bank invested $13.2 million in a LIHTC for the construction of Venetian Walk, a 61-unit affordable housing complex for seniors located in Venice, FL. All units are restricted to incomes at or below 60 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance varied across the limited-scope assessment areas. Performance in the Cape Coral-Fort Myers, FL MSA, Crestview-Fort Walton Beach-Destin, FL MSA, Deltona-Daytona Beach-Ormond Beach, FL MSA, Gainesville, FL MSA, Lakeland-Winter Haven, FL MSA, Orlando-Kissimmee-Sanford, FL MSA, Palm Bay-Melbourne-Titusville, FL MSA, Pensacola-Ferry Pass-Brent, FL MSA, Port St Lucie, FL MSA, Punta Gorda, FL MSA, Sebastian-Vero Beach, FL MSA, Tampa-St Petersburg-Clearwater, FL MSA, and The Villages, FL MSA is consistent with the Outstanding Investment Test performance in the state of Florida. Performance in the Homosassa Springs, FL MSA, Naples-Immokalee-Marco Island, FL MSA, Ocala, FL MSA, Sebring, FL MSA, Tallahassee, FL MSA, and Florida Non-MSA is weaker than the overall Outstanding Investment Test performance in the state of Florida. Performance is weaker due to lower levels of community development investments relative to the bank's financial capacity in those assessment areas.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Florida is rated High Satisfactory. Service Test performance is excellent in the Jacksonville, FL MSA, good in the Miami-Fort Lauderdale-West Palm Beach, FL MSA, and adequate in the North Port-Sarasota-Bradenton, FL MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Jacksonville, FL MSA

In the Jacksonville, FL MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 34 financial centers with the distribution of the population. The bank has two financial centers in low-income geographies representing 5.9 percent of its financial centers. Considering 4.6 percent of the population lives in low-income geographies, financial center distribution in low-income geographies is excellent. The bank has seven financial centers in moderate-income geographies representing 20.6 percent of its financial centers. Considering 19.2 percent of the population lives in moderate-income geographies, financial center distribution in moderate-income geographies is excellent.

Examiners also considered the bank's alternative delivery systems, including ATMs and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have no effect on the retail banking services conclusion.

The bank has six financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. The bank has one financial center adjacent to a low-income census tract and five financial centers adjacent to middle-income census tracts. The adjacent financial centers help expand accessibility of service delivery systems in low- and moderate-income geographies and to low- and moderate-income individuals.

The bank's record of opening and closing branches generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center in a moderate-income geography and closed four (one each in a low and moderate-income geography and two in middle-income geographies). The closure of these branches has not had a significant adverse effect due to the high number of branches located in low- and moderate-income tracts.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 4:00 pm Monday through Thursday and 9:00 am to 5:00 pm Friday. The bank has 17 or 50 percent of the financial centers open 9:00 am to 1:00 pm for Saturday banking.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

In the Miami-Fort Lauderdale-West Palm Beach, FL MSA, the bank's service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 196 financial centers with the distribution of the population. The bank has six financial centers in low-income geographies representing 3.1 percent of its financial centers. Considering 4.7 percent of the population resides in low-income geographies, financial center distribution in low-income geographies is adequate. The bank has 45 financial centers in moderate-income geographies representing 23 percent of its financial centers. Considering 27.3 percent of the population resides in moderate-income geographies, financial center distribution in moderate-income geographies is good.

Examiners also considered the bank's alternative delivery systems, including ATMs and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have no effect on the retail banking services conclusion.

The bank has 46 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. The bank has 3 financial centers adjacent to low-income census tracts and 43 financial centers adjacent to middle-income census tracts. The adjacent financial centers help expand accessibility of service delivery systems in low- and moderate-income geographies and to low- and moderate-income individuals.

The bank's record of opening and closing branches generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened five financial centers and closed 14. Five of the closures were in moderate-income geographies with the remaining nine financial center closures in middle- and upper-income geographies.

Despite the closures, financial centers remain accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 4:00 pm Monday through Thursday and 9:00 am to 6:00 pm Friday. The bank has 130 or 66 percent of the financial centers open 9:00 am to 1:00 pm for Saturday banking.

North Port-Sarasota-Bradenton, FL MSA

In the North Port-Sarasota-Bradenton, FL MSA, the bank's service delivery systems are reasonably accessible to geographies and individuals of different income levels. The bank has no financial centers in low-income geographies where 2.7 percent of the population lives. Financial center distribution in low-income geographies is poor. The bank has five financial centers in moderate-income geographies representing 15.2 percent of its financial centers. Considering 23.5 percent of the population lives in moderate-income geographies, financial center distribution in moderate-income geographies adequate.

Examiners also considered the bank's alternative delivery systems, including ATMs and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have no effect on the service delivery systems conclusion.

The bank has eight financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. The adjacent financial centers help expand accessibility of service delivery systems in moderate-income geographies and to low- and moderate-income individuals.

The bank's record of opening and closing branches did adversely affect the accessibility or retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. The North Port-Sarasota-Bradenton, FL MSA does not have any branches in low-income tracts. During the evaluation period, the bank opened one financial center in a moderate-income geography and closed three financial centers in moderate-income geographies and one in a middle-income geography.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 4:00 pm Monday through Thursday and 9:00 am to 4:00 pm Friday. The bank has 12 or 36 percent of the financial centers open 9:00 am to 1:00 pm for Saturday banking.

Community Development Services

Jacksonville, FL MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 201 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 79 low- and moderate-income individuals and provided 29 financial education and foreclosure prevention workshops for 960 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees also provided 49 tax preparation workshops. Employees participated in 26 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 18 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Miami-Fort Lauderdale-West Palm Beach, FL MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 354 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 13 low- and moderate-income individuals and provided 160 financial education and foreclosure prevention workshops for 3,329 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 82 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 93 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

North Port-Sarasota-Bradenton, FL MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 43 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 2 low- and moderate-income individuals and provided 16 financial education and foreclosure prevention workshops for 345 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 11 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 14 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance varied across the limited-scope assessment areas. Performance in the Naples-Immokalee-Marco Island, FL MSA is consistent with the High Satisfactory performance under the Service Test in the state of Florida. Performance in the Cape Coral-Fort Myers, FL MSA, Gainesville, FL MSA, Lakeland-Winter Haven, FL MSA, Orlando-Kissimmee-Sanford, FL MSA, Tallahassee, FL MSA, and Tampa-St Petersburg-Clearwater, FL MSA is stronger than the overall good performance primarily due to higher accessibility to retail banking services. Performance in the Crestview-Fort Walton Beach-Destin, FL MSA, Deltona-Daytona Beach-Ormond Beach, FL MSA, Homosassa Springs, FL MSA, Ocala, FL MSA, Palm Bay-Melbourne-Titusville, FL MSA, Pensacola-Ferry Pass-Brent, FL MSA, Port St Lucie, FL MSA, Punta Gorda, FL MSA, Sebastian-Vero Beach, FL MSA, Sebring, FL MSA, The Villages, FL MSA, and Florida Non-MSA is weaker than the overall High Satisfactory Service Test performance in the state of Florida primarily due to lower accessibility to retail banking services in low- and moderate-income geographies and to low- and moderate-income individuals.

State of Georgia

CRA Rating for Georgia[22]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: High Satisfactory
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Excellent distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively low level of CD lending that has a neutral effect on overall lending performance;
- Significant level and good responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Georgia

The state of Georgia is Bank of America's eighth largest rating area based on its total deposits in the state when excluding deposits in the Augusta-Richmond County, GA-SC Multistate MSA. Examiners excluded the multistate MSA from the analysis of the state of Georgia because examiners evaluated the multistate MSA as a separate rating area. As of June 30, 2016, the bank maintained approximately $32.3 billion or 2.7 percent of its total domestic deposits in financial centers in areas of the state that do not include the multistate MSA. Of the 233 depository financial institutions operating in the portion of the state that excludes the multistate MSA, Bank of America, with a deposit market share of 14.7 percent, is the third largest. Depository financial institutions in the state of Georgia with deposit market shares greater than 5 percent include SunTrust Bank (22.3 percent), Wells Fargo Bank (15.4 percent), Synovus Bank (6.2 percent), and Branch Banking and Trust Company (5.6 percent). As of December 31, 2016, Bank of America operated 167 financial centers and 616 deposit-taking ATMs in the state, excluding the multistate MSA.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Atlanta-Sandy Springs-Roswell, GA MSA, Bank of America reported an additional $3.4 billion in deposits of national corporations, in which the funds originated from communities

[22] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area

Refer to the community profiles for the state of Georgia in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Georgia

Examiners selected two assessment areas for full-scope reviews and the remaining nine assessment areas for limited-scope reviews. The full-scope assessment areas were Athens-Clarke County, GA MSA and Atlanta-Sandy Springs-Roswell, GA MSA. While the Atlanta-Sandy Springs-Roswell, GA MSA carries approximately 90 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Georgia, examiners based the conclusions and ratings for the state on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 46,314 home mortgage loans totaling $8.5 billion, 67,828 small loans to businesses totaling $1.9 billion, 317 small loans to farms totaling $5.6 million, and 32 CD loans totaling $144.6 million. Lending volumes include loans originated or purchased in the Albany, GA MSA and Hinesville-Ft Stewart, GA MSA, which the bank no longer designates as assessment areas due to the bank's closure or sale of all financial centers and deposit-taking ATMs. Based on loan volume, examiners weighted small loans to businesses, representing 59.3 percent of the volume, the most followed by home mortgage lending at 40.5 percent, and small loans to farms at less than 1 percent.

Only in the Atlanta-Sandy Springs-Roswell, GA MSA and Georgia Non-MSA (limited-scope) assessment areas did the bank originate or purchase sufficient volumes of small loans to farms to provide any meaningful analysis.

The OCC interviewed four community based organizations and local government agencies. The interviewees identified affordable housing, employment, and community services as the most pressing needs of the communities.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN GEORGIA

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Georgia is rated Outstanding, based on excellent lending activity, excellent geographic distribution, and good borrower income distribution. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Georgia is excellent. Lending activity is excellent in each of the full-scope assessment areas.

Athens-Clarke County, GA MSA

Lending activity in the Athens-Clarke County, GA MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 14 percent. The bank ranks second among 18 depository financial institutions in the assessment area, which places it in the top 12 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 21st among 285 home mortgage lenders, which places it in the top 8 percent of lenders. According to peer small business lending data for 2016, the bank has a market share of 7.6 percent based on the number of small loans to businesses originated or purchased. The bank ranks third among 73 small business lenders, which places it in the top 5 percent of lenders. The bank originated too few small loans to farms for any meaningful analysis. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its deposit ranking, overall lending activity is excellent.

Atlanta-Sandy Springs-Roswell, GA MSA

Lending activity in the Atlanta-Sandy Springs-Roswell, GA MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 16.3 percent. The bank ranks third among 87 depository financial institutions in the assessment area, which places it in the top 4 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.2 percent based on the number of home mortgage loans originated or purchased. The bank ranks eighth among 841 home mortgage lenders in the assessment area, which places it in the top 1 percent of lenders. According to peer small business lending data for 2016, the bank has a market share of 9.5 percent based on the number of small loans to businesses originated or purchased. The bank ranks third among 205 small business lenders, placing it in the top 2 percent of lenders. According to peer small farm lending data for 2016, the bank has a market share of 10.4 percent based on the number of small loans to farms originated or purchased. The bank ranks fourth among 29 farm lenders, which places it in the top 14 percent of lenders for farm loans. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its deposit ranking, overall lending activity is excellent.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is adequate in the Athens-Clarke County, GA MSA and good in the Atlanta-Sandy Springs-Roswell, GA MSA.

Athens-Clarke County, GA MSA

The geographic distribution of home mortgage loans in the Athens-Clarke County, GA MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 4.4 percent is lower than the 4.9 percent of owner-occupied housing units in low-income geographies and 6.2 percent for aggregate lenders. The distribution in moderate-income geographies at 7.7 percent is lower than the 11.1 percent of owner-occupied housing units in moderate-income geographies and 8.8 percent for aggregate lenders.

Atlanta-Sandy Springs-Roswell, GA MSA

The geographic distribution of home mortgage loans in the Atlanta-Sandy Springs-Roswell, GA MSA is good. Performance is good in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.3 percent is lower than the 2.8 percent of owner-occupied housing units in low-income geographies, but higher than the 1.8 percent performance for aggregate lenders. The distribution in moderate-income geographies at 14.7 percent is lower than the 18.7 percent of owner-occupied housing units in moderate-income geographies, but is higher than the 13.7 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is good in the Athens-Clarke County, GA MSA and excellent in the Atlanta-Sandy Springs-Roswell, GA MSA.

Athens-Clarke County, GA MSA

The geographic distribution of small loans to businesses in the Athens-Clarke County, GA MSA is good. Performance is adequate in low-income geographies and good in moderate-income geographies. The distribution in low-income geographies at 11.5 percent is lower than the 16.3 percent of businesses in low-income geographies and 13.4 percent performance for aggregate lenders. The distribution in moderate-income geographies at 8.8 percent is lower than the 11 percent of businesses in moderate-income geographies and 9.6 percent performance for aggregate lenders.

Atlanta-Sandy Springs-Roswell, GA MSA

The geographic distribution of small loans to businesses in the Atlanta-Sandy Springs-Roswell, GA MSA is excellent. The distribution is excellent in low-income geographies and good in moderate-income geographies. The geographic distribution in low-income geographies at 4.8 percent is higher than the 4.6 percent of businesses in low-income geographies and 4.1 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 18.7 percent is lower than the 21.2 percent of businesses in moderate-income geographies, but is higher than the 18.3 percent performance of aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is excellent. The distribution is good in the Athens-Clarke County, GA MSA and excellent in the Atlanta-Sandy Springs-Roswell, GA MSA.

Athens-Clarke County, GA MSA

The distribution of home mortgage loans by borrower income in the Athens-Clarke County, GA MSA is good. The distribution is adequate to low-income borrowers and good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7.7 percent is lower than the 24.5 percent of low-income families in the MSA, but the bank's performance is higher than the 3.6 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 12 percent is lower than the 16.1 percent of moderate-income families, but is higher than the 11.1 percent performance for aggregate lenders.

Atlanta-Sandy Springs-Roswell, GA MSA

The distribution of home mortgage loans by borrower income in the Atlanta-Sandy Springs-Roswell, GA MSA is excellent. The distribution is good to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 11.6 percent is lower than the 21.8 percent of low-income families in the MSA, but it is higher than the 5.3 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 19.4 percent exceeds the 17.1 percent of moderate-income families in the MSA and it exceeds the 14.5 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Athens-Clarke County, GA MSA and Atlanta-Sandy Springs-Roswell, GA MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 30 percent of its small loans to businesses.

Athens-Clarke County, GA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Athens-Clarke County, GA MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 56.6 percent is lower than the 77.6 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 48.6 percent for aggregate lenders, overall performance is good.

Atlanta-Sandy Springs-Roswell, GA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Atlanta-Sandy Springs-Roswell, GA MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 60.2 percent is lower than the 79.8 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 49.9 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good, driven by performance in the Atlanta-Sandy Springs-Roswell, GA MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 30 percent of its small loans to farms.

Athens-Clarke County, GA MSA

The bank made too few small loans to farms in the Athens-Clarke County, GA MSA to perform any meaningful analysis.

Atlanta-Sandy Springs-Roswell, GA MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Atlanta-Sandy Springs-Roswell, GA MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 67 percent is lower than the 96 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution was higher than the 43 percent for aggregate lenders, performance is good.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of Georgia. To help assess the bank's capacity to lend, examiners compared the dollar volume of CD loans with the dollar volume of the bank's net Tier 1 Capital allocated to the assessment area according to the assessment area's proportion of deposits. The bank met the credit needs of its communities primarily through retail lending.

Athens-Clarke County, GA MSA

In the Athens-Clarke County, GA MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated one CD loan totaling $44,118 that helped provide community services targeted to low- and moderate-income individuals. CD lending represents 0.06 percent of the allocated Tier 1 Capital.

Atlanta-Sandy Springs-Roswell, GA MSA

In the Atlanta-Sandy Springs-Roswell, GA MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated 21 CD loans totaling $110.5 million that primarily helped provide 936 units of affordable housing. CD lending represents 3.4 percent of the allocated Tier 1 Capital, after considering $3.4 billion in deposits from national corporations in which the deposits did not derive from the local community.

Examples of CD loans include:

- The bank provided $5.5 million in construction financing to develop Allen Wilson Terrace Phase III, a 71-unit affordable multifamily housing project in Decatur, GA. This is the third phase of the redevelopment of the former public housing development, built in 1941. All units are restricted to incomes at or below 60 percent of the area median income.

- The bank provided $3 million in funding to help form Appalachian Community Capital (ACC), an organization created by the Appalachian Regional Commission (ARC) along with 12 high-performing CDFI and non-CDFI funds. ARC created ACC primarily to increase the availability of capital to small businesses in chronically underserved areas of the 13-state Appalachian Region. Of the $3 million commitment, the bank allocated more than $529,000 specifically to the Atlanta-Sandy Springs-Roswell, GA MSA.

- The bank provided $10.7 million in construction financing to develop Mallalieu Pointe, a 67-unit affordable multifamily housing project in East Point, GA. All units are restricted to incomes at or below 60 percent of the area median income. The area has a strong demand for affordable housing with occupancy rates at comparable properties ranging between 88 percent and 100 percent.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Georgia, lending under the MHA and HARP programs accounted for 70 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance varied across the limited-scope assessment areas. Performance in the Columbus, GA MSA, Gainesville, GA MSA, and Savannah, GA MSA is consistent with the excellent Lending Test performance in the state of Georgia. Performance in the Brunswick, GA MSA, Dalton, GA MSA, Macon-Bibb County, GA MSA, Valdosta, GA MSA, Warner Robins, GA MSA, and Georgia Non-MSA is weaker than the overall excellent Lending Test performance in the state of Georgia primarily due to lower levels of CD lending relative to the bank's financial capacity in those assessment areas.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test is good. Investment performance is poor in the Athens-Clark County MSA and excellent in the Atlanta-Sandy Springs-Roswell, GA MSA. Performance in limited-scope assessment areas has a negative effect on the state rating.

Athens-Clarke County, GA MSA

In the Athens-Clarke County, GA MSA, the bank has a poor level of CD investments. The bank made 32 CD investments during the current evaluation period totaling $2.1 million. Approximately $1.8 million or 89 percent of the current period investment dollars supported 15 units of affordable housing. In addition, the bank has five CD investments totaling $430,000 made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $2.5 million or 3.6 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $1.8 million or 88 percent of the investment dollars.

Examples of community development investments include:

- The bank made two donations totaling $200,000 to the Boys & Girls Clubs of Metro Atlanta, with a mission to save and change the lives of children and teens by providing a safe, positive, and engaging environment and programs that prepare and inspire them to achieve great futures. According to the organization and income information it collects through the membership application process, the average annual household income is $27,000 and over half of the members live at or below the federal poverty level.

- The bank provided $15,000 in grants to Mercy Housing, Inc., with a mission to create stable, vibrant, and healthy communities by developing financing and operating affordable housing for families, seniors, and people with special needs who lack the economic resources to access quality safe housing opportunities. According to the organization, 71 percent of all residents are families and the median family income is $23,575. Mercy Housing is one of the nation’s largest nonprofit affordable housing organizations. The organization used the grant funds, which is the amount specifically allocated to the Athens-Clarke County, GA MSA, to provide general operating support.

- The bank provided more than $11,000 in grants to Project Open Hand, an organization that serves a 19-county service area with nutritional meals. According to the organization, more than 99 percent of those served live at or below 200 percent of the federal poverty level (equivalent to a household income at or below 68 percent of the area median income).

Atlanta-Sandy Springs-Roswell, GA MSA

In the Atlanta-Sandy Springs-Roswell, GA MSA, the bank has an excellent level of CD investments. The bank made 395 CD investments during the current evaluation period totaling $341 million. Approximately $294 million or 86 percent of the current period investment dollars supported more than 2,600 units of affordable housing. In addition, the bank has 152 CD investments totaling $42.8 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $383.9 million or 11.9 percent of allocated Tier 1 Capital, after considering the $3.9 billion in deposits that did not originate from the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $220.4 million or 88 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $7.6 million in LIHTCs to support the construction of Abbington Trail Apartments, a 60-unit housing development for seniors to be located in Powder Springs, GA. The project will have 57 units restricted to incomes at or below 60 percent of the median area income. The bank also provided the construction loan.

- The bank invested $7.3 million in LIHTCs to support the construction of Allen Wilson III, a 71-unit multifamily affordable housing project in Decatur, GA. This is the third phase of a redevelopment of a former public housing development built in 1941. Units are restricted to incomes at or below 60 percent of the area median income. The bank also provided the construction loan.

- The bank has $37 million in deposits in Citizens Trust Bank (CTB), a minority-owned community development bank and certified CDFI and CDE. The U.S. Treasury's CDFI Bank Enterprise Award Program awarded funds to CTB, which is one of 77 national award recipients. The Treasury provides awards to organizations serving economically distressed communities where at least 30 percent of the population is living below the federal poverty rate and unemployment is 1.5 times above the national average. Bank of America has been a leader in helping CTB meet its mission to develop the community by providing capital to underserved borrowers in the Atlanta-Sandy Springs-Roswell, GA MSA.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance varied across the limited-scope assessment areas. Performance in the Georgia Non-MSA is consistent with the High Satisfactory Investment Test performance in the state of Georgia. Performance in the Brunswick, GA MSA and Columbus, GA MSA is stronger than the overall High Satisfactory Investment Test performance in the state of Georgia primarily due to higher levels of CD investments relative to the bank's financial capacity in those assessment areas. Performance in the Dalton, GA MSA, Gainesville, GA MSA, Macon-Bibb County, GA MSA, Savanah, GA MSA, Valdosta, GA MSA, and Warner Robins, GA MSA is weaker than the overall High Satisfactory Investment Test performance in the state of Georgia primarily due to limited or no CD investments in those communities.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Georgia is rated Outstanding. Service Test performance is excellent in the Athens-Clarke County, GA MSA and Atlanta-Sandy Springs-Roswell, GA MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Athens-Clarke County, GA MSA

In the Athens-Clarke County, GA MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's four financial centers with the distribution of the population along with the accessibility provided through alternative delivery systems. The bank has one financial center in a low-income geography and one financial center in a moderate-income geography each representing 25 percent of its financial centers. According to the 2010 U.S. Census data, approximately 15 percent of the area population resides in low-income geographies and approximately 16 percent resides in moderate-income geographies. Although the bank only has four financial centers, half are located in low- and moderate-income geographies, which exceeds the 31 percent of the population residing in low- and moderate-income geographies.

Examiners considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of alternative delivery systems through income proxies based on customers' residency. The percentage of customers in low- and moderate-income geographies using five of six alternative delivery systems exceeds 70 percent of the proportion of the population living in low- and moderate-income geographies.

The bank has one financial center in an upper-income census tract that is adjacent to or in very close proximity to a low-income census tract. This adjacent financial center helps improve access to retail banking services to individuals in low-income geographies.

The bank did not open or close any financial centers in the assessment area during the evaluation period.

Banking products, services, and hours of operation do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Financial centers are generally open 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday. The Main Branch (low-income geography) is the only financial center not open for Saturday banking.

Source: 2010 U.S. Census & Bank Data

Due to rounding, totals may not equal 100.0

Atlanta-Sandy Springs-Roswell, GA MSA

In the Atlanta-Sandy Springs-Roswell, GA MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 134 financial centers with the distribution of the population along with the accessibility provided through alternative delivery systems. The bank has 7 financial centers in low-income geographies and 41 financial centers in moderate-income geographies each representing 5.2 percent and 30.6 percent of its financial centers. According to the 2010 U.S. Census data, approximately 6.2 percent of the area population resides in low-income geographies and approximately 23.7 percent resides in moderate-income geographies.

Alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of alternative delivery systems through income proxies based on customers' residency. The percentage of customers in low- and moderate-income geographies using the five alternative delivery systems exceeds 70 percent of the proportion of the population living in low- and moderate-income geographies.

The bank has 21 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to 4 low-income census tracts and 17 moderate-income census tracts. These adjacent financial centers help improve access to retail banking services to individuals in low- and moderate-income geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened three financial centers and closed ten. The bank closed two financial centers in low-income geographies, four in moderate-income geographies, and the remaining four in middle- and upper-income geographies. Despite the closures, service delivery systems remain readily accessible.

Banking products, services, and hours of operation do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Financial centers are generally open 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday. Four financial centers (8 percent) in low- and moderate-income geographies are not open for Saturday banking.

Community Development Services

Athens-Clarke County, GA MSA

The bank provides a limited level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide nine community development services targeted to low- and moderate-income individuals. Employees provided eight financial education workshops for 216 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in one webinar with a non-profit organization to help the organization with capacity building. No employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Atlanta-Sandy Springs-Roswell, GA MSA

The bank is a leader in providing community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 1,191 community development services targeted to low- and moderate-income individuals.

Employees provided homebuyer education workshops to 1,051 low- and moderate-income individuals and provided 79 financial education and foreclosure prevention workshops for 2,640 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 47 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 15 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance varied across the limited-scope assessment areas. Performance in the Brunswick, GA MSA, Columbus, GA MSA, Gainesville, GA MSA, Macon-Bibb County, GA MSA, Warner Robins, GA MSA, and Georgia Non-MSA is consistent with the Outstanding Service Test performance in the state of Georgia. Performance in the Dalton, GA MSA, Savannah, GA MSA, and Valdosta, GA MSA is weaker than the overall Outstanding Service Test performance in the state of Georgia primarily due to weaker branch distribution.

State of Idaho

CRA Rating for Idaho[23]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Excellent distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively low level of CD lending that has a neutral effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Idaho

The state of Idaho is Bank of America's 40th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $827 million or less than 0.1 percent of its total domestic deposits in financial centers within the state of Idaho. Of the 31 depository financial institutions operating in the state, Bank of America, with a deposit market share of 3.6 percent, is the seventh largest. The bank's primary competitors for deposits in the state of Idaho with deposit market shares greater than 5 percent include Wells Fargo Bank, N.A. (23.7 percent), US Bank (17.8 percent), ZB Bank (6.3 percent), and Key Bank (6.3 percent). As of December 31, 2016, BANA operated three financial centers and five full-service ATMs in Idaho.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originate from the local community. In the Coeur d'Alene, ID MSA, Bank of America reported $427.5 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these companies. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's financial capacity in the assessment area.

[23] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Refer to the community profiles for the state of Idaho in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Idaho

The bank has defined one assessment area in the state of Idaho. Examiners selected the Coeur d'Alene, ID MSA for a full-scope review and it comprises 100 percent of the bank's deposits and lending in the state of Idaho.

During the evaluation period, Bank of America originated or purchased 864 home mortgage loans totaling $176.5 million, 1,545 small loans to businesses totaling $22.9 million, and 23 small loans to farms totaling $163,000. Based on loan volume, examiners weighted small loans to businesses, representing 64 percent of the volume, the most followed by home mortgage loans at 36 percent. The bank originated or purchased too few small loans to farms for any meaningful analysis.

Examiners interviewed one local community development organization. According to the community contact, the top housing needs in the community are housing for first-time homebuyers and affordable rental housing, particularly for individuals with annual incomes between $15,000 and $20,000.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN IDAHO

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Idaho is rated High Satisfactory, based on good lending activity, good geographic distribution, and good borrower income distribution.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the Coeur d'Alene, ID MSA is excellent.

Coeur d'Alene, ID MSA

Lending activity in the Coeur d'Alene, ID MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 29.9 percent. The bank ranks first among 14 depository financial institutions, which places it in the top 8 percent of institutions. Excluding the $427.5 million in deposits derived from outside the assessment area, the bank's market share declines to 17.1 percent and it places it in the top 15 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.1 percent based on the number of home mortgage loans originated or purchased. The bank ranks 20th among 235 home mortgage lenders, which places it in the top 9 percent of lenders. According to peer small business data for 2016, the bank has a 5.5 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fifth among 62 small business lenders, which places it in the top 9 percent of the lenders. The bank originated or purchased too few small loans to farms for any meaningful analysis. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its adjusted deposit market share ranking, overall lending activity is excellent.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is good in the Coeur d'Alene, ID MSA.

Coeur d'Alene, ID MSA

The geographic distribution of home mortgage loans in the Coeur d'Alene, ID MSA is good. Performance is good in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1.7 percent is lower than the 2.1 percent of owner-occupied housing units in low-income geographies and it exceeds the 1.3 percent for aggregate lenders. The distribution in moderate-income geographies at 7.3 percent is lower than the 10.5 percent of owner-occupied housing units in moderate-income geographies and lower than the 9.4 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is excellent. The distribution is excellent in the Coeur d’Alene, ID MSA.

Coeur d’Alene, ID MSA

The distribution of home mortgage loans by borrower income in the Coeur d’Alene, ID MSA is excellent. The distribution is good to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income borrowers at 11.4 percent is lower than the 18.9 percent of low-income families in the MSA; however, the bank’s performance is higher than the 4.7 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 18.3 percent is slightly lower than the 19.6 percent of moderate-income families; however, it exceeds the 17 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Coeur d'Alene, ID MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 37 percent of its small loans to businesses.

Coeur d'Alene, ID MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Coeur d'Alene, ID MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.3 percent is lower than the 80.5 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 39.3 percent for aggregate lenders, overall performance is good.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of Idaho. The bank met the community's needs primarily through retail lending.

Coeur d'Alene, ID MSA

In the Coeur d'Alene, ID MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, Bank of America did not originate or purchase any CD loans within the Coeur d'Alene, ID MSA.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Idaho, lending under the MHA and HARP programs accounted for 94 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Idaho is rated Outstanding. Investment performance is excellent in the Coeur d'Alene, ID MSA.

Coeur d'Alene, ID MSA

In the Coeur d'Alene, ID MSA, Bank of America has an excellent level of CD investments. The bank made 34 CD investments during the current evaluation period totaling $5.6 million. Approximately $5.4 million or 98 percent of the current period investment dollars supported 28 units of affordable housing. In addition, the bank has 14 CD investments totaling $560,000 it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $6.1 million or 12.2 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $5.4 million or 98 percent of the investment dollars.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Idaho is rated High Satisfactory. Service Test performance is good in the Coeur d'Alene, ID MSA.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Coeur d'Alene, ID MSA

In the Coeur d'Alene, ID MSA, the bank's service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's three financial centers with the distribution of the population. The bank has one financial center in a low-income geography representing 33.3 percent of its financial centers. Approximately 3.5 percent of the population lives in low-income geographies. The bank has no financial centers in moderate-income geographies where 13.2 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The percentages of customers in low- and moderate-income geographies using ATMs, online, telephone, mobile, and text banking exceed the percentages of individuals in low- and moderate-income geographies.

The bank has one financial center in a middle-income census tract that is adjacent to or in very close proximity to a moderate-income census tract. The adjacent financial center helps improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings did adversely affect the accessibility of retail banking services, particularly in moderate-income geographies and to low- and moderate-income individuals. The bank closed two financial centers during the evaluation period. The bank closed one financial center in a moderate-income geography and one in a middle-income geography.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. All three financial centers are open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 10:00 am to 1:00 pm on Saturday.

Community Development Services

Coeur d'Alene, ID MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 33 community development services targeted to low- and moderate-income individuals. Employees provided five financial education workshops for 678 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in three webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, one employee served on the board of a community organization. The types of CD services provided are responsive to the needs identified in the community.

State of Illinois

CRA Rating for Illinois[24]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Good volume of loans originated or purchased within the assessment areas;
- Excellent distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively high level of CD lending that has a positive effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Illinois

The state of Illinois is Bank of America's seventh largest rating area based on its total deposits in the state when excluding the St. Louis, MO-IL Multistate MSA. Examiners excluded the St. Louis, MO-IL Multistate MSA from the analysis of the state of Illinois because examiners evaluated the multistate MSA as a separate rating area. As of June 30, 2016, the bank maintained approximately $41.5 billion or 3.4 percent of its total domestic deposits in financial centers in areas of the state of Illinois that do not include the multistate MSA. Of the 508 depository financial institutions operating in the portion of the state of Illinois that excludes the multistate MSA, Bank of America, with a deposit market share of 9 percent, is the third largest. Competitors with deposit market shares greater than 5 percent include JP Morgan Chase Bank (18.3 percent), BMO Harris Bank (11.4 percent), and the Northern Trust Company (6.3 percent). The state of Illinois is the bank's seventh largest rating area for the bank's total domestic deposits. As of December 31, 2016, the bank operated 158 financial centers and 398 ATMs in the portion of Illinois that excludes the multistate MSA.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Chicago-Naperville-Elgin, IL MSA, Bank of America reported an additional $12.3 billion in deposits of national corporations, in which the funds originated from communities across the

[24] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

Refer to the community profiles for the state of Illinois in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Illinois

The bank has defined two assessment areas in the state of Illinois. Examiners selected the Chicago-Naperville-Elgin, IL MSA for a full-scope review and the Rockford, IL MSA for a limited-scope review. The Chicago-Naperville-Elgin, IL MSA accounts for 99.8 percent of the bank's deposits within the state of Illinois. During the evaluation period, Bank of America originated or purchased 41,110 home mortgage loans totaling $10.1 billion, 45,842 small loans to businesses totaling $1.5 billion, 122 small loans to farms totaling $1.5 million, and 55 CD loans totaling $343.4 million. Lending volumes include loans originated or purchased in the Illinois Non-MSA assessment area (Adams County), which the bank no longer designates as an assessment area due to the bank's closure or sale of all financial centers and deposit-taking ATMs in the county. Based on loan volume, examiners weighted small loans to businesses, representing 53 percent of the volume, the most followed by home mortgage loans at 47 percent, and small loans to farms at less than 1 percent.

Examiners conducted interviews with two local community organizations representing housing and policy research. The community contacts identified the following as some of the most pressing needs in their communities: mortgage loans, small loans to businesses, and bank branches in low- and moderate-income neighborhoods in Chicago. The perception is that banks have avoided low- and moderate-income neighborhoods in favor of neighborhoods where banks can originate larger loan amounts that are more profitable. A nonprofit CDFI with a 43 percent market share in a community further illustrates the absence of banks in the community.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN ILLINOIS

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Illinois is rated Outstanding, based on good lending activity, excellent geographic distribution, good borrower income distribution, and relatively high levels of CD lending that have a positive effect on the Lending Test rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Illinois is good. Lending activity is good in the Chicago-Naperville-Elgin, IL MSA and excellent in the limited-scope assessment area.

Chicago-Naperville-Elgin, IL MSA

Lending activity in the Chicago-Naperville-Elgin, IL MSA is good. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 11 percent. The bank ranks third among 181 depository financial institutions in the assessment area, which places it in the top 2 percent of institutions. Adjusting for the $12.3 billion in corporate deposits, the bank's deposit market share would decline to 8 percent, but its ranking would remain unchanged. According to peer mortgage data for 2016, the bank has a market share of 1.7 percent based on the number of home mortgage loans originated or purchased. The bank ranks 10th among 906 home mortgage lenders, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a 5.2 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks sixth among 217 small business lenders, which places it in the top 3 percent of lenders. For small loans to farms, the bank has a market share of 1.9 percent based on the number of small loans to farms originated or purchased. The bank ranks 13th among 43 farm lenders, which places it in the top 31 percent of lenders. Considering the bank's ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is good.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank’s originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is good in the Chicago-Naperville-Elgin, IL MSA.

Chicago-Naperville-Elgin, IL MSA

The geographic distribution of home mortgage loans in the Chicago-Naperville-Elgin, IL MSA is good. Performance is good in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.8 percent is lower than the 3.8 percent of owner-occupied housing units in low-income geographies; however, it exceeds the 2.5 percent for aggregate lenders. The distribution in moderate-income geographies at 12.6 percent is lower than the 17.4 percent of owner-occupied housing units in moderate-income geographies; however, it exceeds the 12.3 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank’s originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is excellent in the Chicago-Naperville-Elgin, IL MSA.

Chicago-Naperville-Elgin, IL MSA

The geographic distribution of small loans to businesses in the Chicago-Naperville-Elgin, IL MSA is excellent. The distribution is good in low-income geographies and excellent in moderate-income geographies. The geographic distribution in low-income geographies at 3.1 percent is lower than the 4.3 percent of businesses in low-income geographies and it is slightly lower than the 3.3 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 17.2 percent is higher than the 15.2 percent of businesses in moderate-income geographies and it exceeds the 14.4 percent performance for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank’s originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is adequate. The distribution is adequate in the Chicago-Naperville-Elgin, IL MSA.

Chicago-Naperville-Elgin, IL MSA

The geographic distribution of small loans to farms in the Chicago-Naperville-Elgin, IL MSA is adequate, based on poor performance in low-income geographies and adequate performance in moderate-income geographies. The bank did not originate or purchase small loans to farms in low-income geographies where 2.4 percent of the farms are located. The performance for aggregate lenders was 0.7 percent. The geographic distribution in moderate-income geographies at 6.3 percent is lower than the 12.3 percent of farms in moderate-income geographies; however, it exceeds the 5.3 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Chicago-Naperville-Elgin, IL MSA.

Chicago-Naperville-Elgin, IL MSA

The distribution of home mortgage loans by borrower income in the Chicago-Naperville-Elgin, IL MSA is good. The distribution is adequate to low-income borrowers and good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7.8 percent is lower than the 22.1 percent of low-income families in the MSA; however, it exceeds the 5.2 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 13.6 percent is lower than the 16.8 percent of moderate-income families in the MSA and it is slightly higher than the 13.5 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Chicago-Naperville-Elgin, IL MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 28 percent of its small loans to businesses.

Chicago-Naperville-Elgin, IL MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Chicago-Naperville-Elgin, IL MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 58.9 percent is lower than the 75.7 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 39.6 percent for aggregate lenders, overall performance is good.

Community Development Lending

CD lending has a positive effect overall on the bank's Lending Test performance in the state of Illinois.

Chicago-Naperville-Elgin, IL MSA

In the Chicago-Naperville-Elgin, IL MSA, CD lending has a positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 54 CD loans totaling $333.8 million that primarily helped provide 1,820 units of affordable housing. CD lending represents 9.1 percent of the allocated Tier 1 Capital, after considering $12.3 billion in deposits from national corporations in which the deposits did not derive from the local community.

Examples of CD loans include:

- The bank provided its annual commitment of $18 million in funding to the Community Investment Corporation (CIC), which is a certified CDFI. The consortium provides funding for permanent loans on revitalized low- and moderate-income housing throughout Chicago. Bank of America's $72 million total commitment is the largest total dollar commitment in the CIC.

- The bank provided $11.8 million in construction financing for the rehabilitation of 201 units of public housing under the HUD Rental Assistance Demonstration Conversion Program to Project-Based Section 8 housing in Evanston, IL. The project consists of two separate public housing developments. All units except two reserved for the onsite property managers are restricted to incomes at or below 60 percent of the area median income.

- The bank provided $16.1 million in acquisition and construction financing for the complete gut rehabilitation of a 20-story former public housing building named "Fannie Emanuel Apartments" in Chicago, IL. The completed 181-unit building will have 180 units restricted to seniors aged 62 and over with incomes up to 60 percent of the area median income. One unit is reserved for the onsite property manager.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's

Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Illinois, lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Rockford, IL MSA is consistent with the Outstanding Lending Test performance in the state of Illinois.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Illinois is rated Outstanding. Investment performance is excellent in the Chicago-Naperville-Elgin, IL MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Chicago-Naperville-Elgin, IL MSA

In the Chicago-Naperville-Elgin, IL MSA, the bank has an excellent level of CD investments. The bank made 651 CD investments during the current evaluation period totaling $457.3 million. Approximately $419.2 million or 92 percent of the current period investment dollars supported nearly 3,900 units of affordable housing. In addition, the bank has 148 CD investments totaling $118 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $575.4 million or 15.7 percent of allocated Tier 1 Capital, after considering the $12.3 billion in deposits that did not originate from the assessment area. The majority of current period investments are innovative or complex with LIHTCs and New Markets Tax Credits representing approximately $243.8 million or 53 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $9.6 million in a LIHTC to fund the substantial rehabilitation and historic preservation of the 1704 N. Humboldt project located in the Humboldt Park neighborhood of Chicago, IL. The 1920's courtyard building has 29 units of affordable housing. The development has all units occupied and under Section 8 contracts.

- The bank invested $12 million in a LIHTC for the construction of 65th Infantry Regiment Veterans Housing, a new 49-unit multifamily housing project in Chicago, IL. All units, except one reserved for the onsite property manager, are restricted to veterans and families with incomes at or below 60 percent of the area median income.

- The bank invested $3.2 million in a joint venture to acquire investments in partnerships that own affordable housing projects financed with LIHTCs. This $3.2 million represents the portion of funding applied toward the Amberton Apartments LIHTC project, located in Bolingbrook, IL.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Rockford, IL MSA is weaker than the overall Outstanding Investment Test performance in the state of Illinois primarily due to lower levels of CD investments relative to the bank's size and resources in the assessment area.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Illinois is rated High Satisfactory. Service Test performance is good in the Chicago-Naperville-Elgin, IL MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Chicago-Naperville-Elgin, IL MSA

In the Chicago-Naperville-Elgin, IL MSA, the bank's service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 157 financial centers with the distribution of the population. The bank has 9 financial centers or 5.7 percent of its financial centers in low-income geographies where 8.7 percent of the population lives. The bank has 27 financial centers or 17.2 percent of its financial centers located in moderate-income geographies where 23 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportions of customers in low- and moderate-income geographies using ATM, telephone, mobile, and text banking exceed the proportion of the population in low- and moderate-income geographies.

The bank has 20 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. These financial centers provide additional access to individuals and businesses in moderate-income geographies.

Financial center openings and closings did not adversely affect the accessibility of service delivery systems, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened five financial centers and closed twenty-five. The bank closed four financial centers in moderate-income geographies and the remaining twenty-one in middle- and upper-income geographies.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are more restrictive in moderate-income geographies. Financial centers are generally open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Community Development Services

Chicago-Naperville-Elgin, IL MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 288 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 4 low- and moderate-income individuals and provided 16 financial education and foreclosure prevention workshops for 1,042 individuals. Employees provided 216 income tax preparation services and participated in 47 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, five employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Rockford, IL MSA is weaker than the overall High Satisfactory Service Test performance in the state of Illinois. Performance is weaker primarily due to the weaker distribution of financial centers. The bank has only one financial center in the assessment area, which is located in an upper-income census tract.

State of Iowa

CRA Rating for Iowa[25]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the rating area;
- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;
- Relatively high level of CD lending, which has a positive effect on the overall Lending Test rating;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and to low- and moderate-income individuals.

Description of Institution's Operations in Iowa

The state of Iowa is Bank of America's 38th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $866 million or less than 0.1 percent of its total domestic deposits in financial centers within the state of Iowa. Of the 331 depository financial institutions operating in the state, Bank of America, with a deposit market share of 1.1 percent, is the 15th largest. The bank's primary banking competitors with deposit market shares greater than 5 percent include Wells Fargo Bank (8.9 percent) and U.S. Bank (7.1 percent). As of December 31, 2016, BANA operated four financial centers and six full-service ATMs in Iowa.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Des Moines-West Des Moines, IA MSA, Bank of America reported $46.6 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

[25] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Refer to the community profiles for the state of Iowa in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Iowa

The bank has defined the Des Moines-West Des Moines, IA MSA as its only assessment area in the state of Iowa. Examiners reviewed the Des Moines-West Des Moines, IA MSA as a full-scope assessment area.

During the evaluation period, Bank of America originated or purchased 1,981 home mortgage loans totaling $266.4 million, 2,241 small loans to businesses totaling $57.9 million, 55 small loans to farms totaling $482,000, and 2 CD loans totaling $10 million. Lending volumes include loans originated or purchased in the Iowa Non-MSA assessment area (Cerro Gordo County), which the bank no longer designates as an assessment area due to the bank's closure or sale of all financial centers and deposit-taking ATMs in the county. Based on loan volume, small loans to businesses represented 52 percent of the volume while home mortgage loans represented 46 percent of the volume. Therefore, examiners weighted loans to small businesses more than home mortgage loans. Small loans to farms represented 1.3 percent of the total volume by number and therefore examiners weighted them the least.

Examiners interviewed one local community development organization to gain insight on the needs of the community. According to the contact, some neighborhoods such as Eagle Hill and King Irving are suffering from years of disinvestment even as economic conditions have improved for other neighborhoods. The neighborhoods need investments to improve the housing stock. The community also needs affordable banking services and small dollar loans for consumers.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN IOWA

LENDING TEST

Bank of America's performance under the Lending Test in the state of Iowa is rated Outstanding, based on excellent lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that positively affects the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Iowa is excellent. Lending activity is good in the Des Moines-West Des Moines, IA MSA.

Des Moines-West Des Moines, IA MSA

Lending activity in the Des Moines-West Des Moines, IA MSA is excellent. According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 5.2 percent. The bank ranks sixth among 50 depository financial institutions in the assessment area, which places it in the top 12 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 0.4 percent based on the number of home mortgage loans originated or purchased. The bank ranks 45th among 394 home mortgage lenders, which places it in the top 12 percent of lenders. According to peer small business lending data for 2016, the bank has a market share of 3.9 percent based on the number of small loans to businesses originated or purchased. The bank ranks ninth among 95 small business lenders, which places it in the top 10 percent of lenders. According to peer small farm lending data for 2016, the bank has a market share of 2.8 percent based on the number of small loans to farms originated or purchased. The bank ranks eighth among 23 farm lenders, which places the bank in the top 35 percent of lenders. Considering the bank's ranking for each loan category relative to its ranking for deposits, overall lending activity is excellent.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business lending, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of home mortgage loans.

The geographic distribution of home mortgage loans is excellent. The distribution is excellent in the Des Moines-West Des Moines, IA MSA.

Des Moines-West Des Moines, IA MSA

The geographic distribution of home mortgage loans in the Des Moines-West Des Moines, IA MSA is excellent. Performance is excellent in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.9 percent is higher than the 2.3 percent of owner-occupied housing units and it exceeds the 1.6 percent for aggregate lenders. The distribution in moderate-income geographies at 15.8 is lower than the 19.9 percent of owner-occupied housing units; however, it exceeds the 12.1 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of small loans to businesses.

The geographic distribution of small loans to businesses is excellent. The distribution is excellent in the Des Moines-West Des Moines, IA MSA.

Des Moines-West Des Moines, IA MSA

The geographic distribution of small loans to businesses in the Des Moines-West Des Moines, IA MSA is excellent. The distribution is good in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 7.7 percent is lower than the 10.2 percent of businesses operating in low-income geographies, but is higher than the 7 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 17 percent is equal to the percentage of businesses in moderate-income geographies and it is higher than the 14.3 percent for aggregate lenders.

Table Q: Assessment Area Distribution of Loans to Small Businesses by Income Category of the Geography **2014-16**

Assessment Area:	Total Loans to Small Businesses				Low-Income Tracts			Moderate-Income Tracts			Middle-Income Tracts			Upper-Income Tracts			Not Available-Income Tracts

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of small loans to farms.

The geographic distribution of small loans to farms is adequate overall. The distribution is adequate in the Des Moines-West Des Moines, IA MSA.

Des Moines-West Des Moines, IA MSA

The geographic distribution of small loans to farms in the Des Moines-West Des Moines, IA MSA is adequate in both low-income and moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 0 percent is lower than the 1.4 percent of farms in low-income geographies and lower than the 0.9 percent for aggregate lenders. Considering very few farms are located in low-income geographies, indicating few opportunities to make a loan, performance is adequate. The bank's proportion of small loans to farms in moderate-income geographies at 11.1 percent is lower than the 14.4 percent of farms located in moderate-income geographies and lower than the 16.9 percent for aggregate lenders.

Table S - Assessment Area Distribution of Loans to Farms by Income Category of the Geography 2014-16

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business lending, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The distribution of home mortgage loans by borrower income is good overall.

Des Moines-West Des Moines, IA MSA

The distribution of home mortgage loans by borrower income in the Des Moines-West Des Moines, IA MSA is good to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 15.5 percent is lower than the 19.6 percent of low-income families and it is higher than the 7.8 percent for aggregate lenders. The proportion of the bank's home mortgage loans to moderate-income borrowers at 23 percent exceeds the 18 percent of moderate-income families and it exceeds the 17.5 percent for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower **2014-16**

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less is good. The bank did not collect or consider the business gross annual revenues in the underwriting of approximately 36 percent of its small loans to businesses

Des Moines-West Des Moines, IA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Des Moines-West Des Moines, IA MSA is good. Based on businesses with known revenues, the proportion of small loans to businesses with gross annual revenues of $1 million or less at 51.7 percent is lower than the 76.8 percent of businesses with gross annual revenues of $1 million or less. The bank's performance is higher than the 43.1 percent for aggregate lenders.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate. The bank did not collect or consider the business gross annual revenues in the underwriting of approximately 52 percent of its small loans to farms.

Des Moines-West Des Moines, IA MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Des Moines-West Des Moines, IA MSA is adequate. Based on farms with known revenues, the proportion of small loans to farms with gross annual revenues of $1 million or less at 48.3 percent is lower than the 97.9 percent of farms with gross annual revenues of $1 million or less. The bank's performance is lower than the 52.2 percent for aggregate lenders.

Community Development Lending

CD lending in the Des Moines-West Des Moines, IA MSA is excellent and has a positive effect on the Lending Test rating in the state of Iowa.

Des Moines-West Des Moines, IA MSA

During the assessment period, the bank originated two CD loans totaling $10 million that financed projects providing 85 units of affordable housing within the Des Moines-West Des Moines, IA MSA. CD lending represents 9.8 percent of the allocated Tier 1 Capital, after considering $46.6 million in deposits from national corporations in which the deposits did not derive from the local community.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as Affordable Loan Solutions and Business Advantage Credit Line. The Affordable Loan Solution mortgage product is a conforming loan that features a fixed rate, low down payment, no mortgage insurance, and non-traditional credit. Bank of America collaborated with Federal Home Loan Mortgage Corporation and Self Help Ventures to define credit terms and roll out to low and moderate income homebuyers. For small business owners, the bank introduced the Business Advantage Credit Line that provides working capital with no collateral required. The Business Advantage Credit Line provides cash flow for longer term financing in larger amounts than a typical credit card. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Iowa, lending under the MHA and HARP programs accounted for 86 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

The bank's performance under the Investment Test in the state of Iowa is rated Outstanding based on excellent performance in the Des Moines-West Des Moines, IA MSA.

During the current evaluation period, the bank made 18 community development investments totaling $22.9 million in the Des Moines-West Des Moines, IA MSA. Recipients of the current period investments used almost 100 percent of the investment dollars to help provide more than 250 units of affordable housing. In addition, the bank has 46 community development investments totaling $4.7 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $27.6 million or 25.4 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are innovative or complex with LIHTCs representing approximately $21 million or 92 percent of the investment dollars.

The bank also provided $40,000 in investments to organizations within the state that have the potential to benefit the Des Moines-West Des Moines, IA MSA and $5 million to organizations within the state that have no potential to benefit the assessment area. The investments that have no potential to benefit the assessment area are only considered if the bank has adequately met the credit needs of its assessment area.

Examples of community development investments include:

- The bank purchased $8 million in LIHTCs to facilitate the construction of Alice Place, a 59-unit mixed income housing development for seniors in Waukee, IA. Bank of America also provided the construction financing. The project has 55 units of affordable housing that are restricted to incomes at or below 60 percent of the area median income.

- The bank purchased $4.2 million in LIHTCs to help finance the acquisition and rehabilitation of Bloomsbury Village, an existing two building property with 30 affordable housing units in Des Moines, IA. Bank of America also provided the acquisition and rehabilitation financing.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Bank of America's performance under the Service Test in the state of Iowa is rated Outstanding, based on excellent performance in the Des Moines-West Des Moines, IA MSA.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Des Moines-West Des Moines, IA MSA

The bank's service delivery systems in the Des Moines-West Des Moines, IA MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank's four financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has one financial center, representing 25 percent of its financial centers, located in a low-income census tract where 4.6 percent of the population lives. The bank has two financial centers in moderate-income geographies where 22.3 percent of the population lives.

Examiners considered alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank's products and services. Approximately 24 percent of LMI customers use alternate banking methods with the majority making use of telephone and mobile banking. Alternative delivery systems have a significantly positive effect on the retail banking services conclusion.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, BANA closed two financial centers. The bank closed one financial center in a low-income geography and one financial center in a middle-income geography. Despite the financial center closure in a low-income geography, the bank still has 25 percent of its branches located in a low-income geography.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. The bank offers a wide array of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are 9:00 am to 5:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday. Lobby hours are slightly different for the financial center located in a low-income geography. The financial center located in a low-income geography opens later at 10:00 am on Tuesday, Wednesday, and Thursday.

Community Development Services

Des Moines-West Des Moines, IA MSA

The bank provides a relatively high level of community development services in the Des Moines-West Des Moines, IA MSA. During the evaluation period, the bank participated with community development organizations to provide 35 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 5 low- and moderate-income individuals and provided 11 financial education workshops for 223 individuals. Employees participated in nine webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 11 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

State of Kansas

CRA Rating for Kansas[26]: **Outstanding**
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Adequate volume of loans originated or purchased within the assessment areas;
- Excellent distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively low level of CD lending that has a neutral effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Kansas

The state of Kansas is Bank of America's 29th largest rating area based on its total deposits in the state when excluding deposits in the Kansas City, MO-KS Multistate MSA. Examiners excluded the Kansas City, MO-KS Multistate MSA from the analysis of the state of Kansas because examiners evaluated the multistate MSA as a separate rating area. As of June 30, 2016, the bank maintained approximately $4.1 billion or 0.3 percent of its total domestic deposits in financial centers in areas of the state of Kansas that excludes the multistate MSA. Of the 273 depository financial institutions operating in the state of Kansas that excludes the multistate MSA, Bank of America, with a deposit market share of 8.5 percent, is the largest. Competitors with deposit market shares greater than 5 percent include Intrust Bank (6.3 percent) and Capitol Federal Savings Bank (5.8 percent). As of December 31, 2016, the bank operated 17 financial centers and 36 ATMs in the portion of the state of Kansas that excludes the Kansas City, MO-KS Multistate MSA.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Wichita, KS MSA, Bank of America reported an additional $1.1 billion in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the

---

[26] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

Refer to the community profiles for the state of Kansas in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Kansas

Examiners selected two assessment areas for full-scope reviews and the remaining two assessment areas for limited-scope reviews. The full-scope assessment areas selected were the Topeka, KS MSA and Wichita, KS MSA. While the Wichita, KS MSA carries approximately 90 percent weight of the overall conclusions based on the bank's deposit presence there relative to all assessment areas in Kansas, the conclusions and ratings for the state are based on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 4,683 home mortgage loans totaling $547 million, 4,979 small loans to businesses totaling $132.5 million, 142 small loans to farms totaling $3.3 million, and 5 CD loans totaling $18.8 million. Lending volumes include loans originated or purchased in the Kansas Non-MSA assessment area, which includes the counties of Barton, Ellis, Ford, Lyon, McPherson, Montgomery, Reno, Saline, and Seward. The bank no longer designates these counties as assessment areas due to the bank's closure or sale of all financial centers or ATMs in those counties. Based on loan volume, examiners weighted small loans to businesses, representing 51 percent of the volume, the most followed by home mortgage loans at 48 percent, and small loans to farms at 1 percent.

The bank originated or purchased too few small loans to farms within the Topeka, KS MSA, Lawrence, KS MSA, and Manhattan, KS MSA during the evaluation period for any meaningful analysis. Therefore, discussion of performance in making small loans to farms is limited to the Wichita, KS MSA.

Examiners conducted telephone interviews with two local community services agencies representing affordable housing and small business lending. The community contacts noted that affordable housing through LIHTCs is a need in the Wichita, KS MSA. The contacts noted that affordable housing is ample in the Topeka, KS MSA. One contact noted the need to fund small businesses with working capital to help with their credit needs.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN KANSAS

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Kansas is rated High Satisfactory based on adequate lending activity, excellent geographic distribution, and good borrower income distribution performance. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Kansas is adequate. Lending activity is good in the Topeka, KS MSA, but adequate in the Wichita, KS MSA. The adequate performance in the Wichita, KS MSA primarily drives the overall adequate performance due to the bank's significant presence in the Wichita, KS MSA relative to its other assessment areas within the state of Kansas.

Topeka, KS MSA

Lending activity in the Topeka, KS MSA is good. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 6.1 percent. The bank ranks third among 36 depository financial institutions in the assessment area, which places it in the top 9 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 15th among 259 home mortgage lenders, which places it in the top 6 percent of lenders. According to peer small business data for 2016, the bank has a 5.4 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks ninth among 60 small business lenders, which places it in the top 15 percent of lenders. The bank originated too few small loans to farms for any meaningful analysis. Considering the bank's higher ranking among all lenders for home mortgage loans relative to its ranking for deposits, overall lending activity is good.

Wichita, KS MSA

Lending activity in the Wichita, KS MSA is adequate. Based on FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 24.8 percent. The bank ranks first among 55 depository financial institutions in the assessment area, which places it in the top 2 percent of institutions. Excluding the $1.1 billion in deposits from outside the assessment area, the bank's deposit market share declines to 18.8 percent, placing it in the top 4 percent of depository financial institutions. According to peer mortgage data for 2016, the bank has a market share of 1.3 percent based on the number of home mortgage loans originated or purchased. The bank ranks 20th among 344 home mortgage lenders, which places it in the top 6 percent of lenders.

During 2016, the bank originated 272 home mortgage loans. Consistent with the bank's responsible growth strategy, it has moved away from buying mortgages from other lenders if the bank does not already have a relationship with the customer. This strategy has significantly reduced the bank's volume of loans in the market when compared with other lenders that rely in whole or in part on loan purchases to increase their loan volume.

According to peer small business data for 2016, the bank has a 6.2 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks seventh among 88 small business lenders, which places it in the top 8 percent of lenders. During 2016, the bank originated 611 small loans to businesses averaging $26,000. Some of the top lenders in the market make small dollar loans, which is indicative of a small business card lender. For example, American Express tops the market with 1,180 loans for a market share of 11.9 percent based on the number of loans originated. However, its average loan size is $11,000. Fourth ranked Capital One Bank originated 783 loans, but its average loan size is $9,000. Ninth ranked Synchrony Bank's average loan size is only $2,000. Lenders primarily offering credit cards can often distort market share data based on the number of loans originated or purchased. For small loans to farms, the bank has a market share of 2.7 percent based on the number of small loans to farms originated or purchased. The bank ranks 10th among 20 farm lenders, which places it in the 50th percentile of lenders. Considering the lower ranking for all categories of loans relative to its ranking for deposits, even after adjusting for deposits likely not derived from the Wichita, KS MSA, coupled with the other performance context information discussed, overall lending activity is adequate.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is excellent. The distribution is good in the Topeka, KS MSA and excellent in Wichita, KS MSA.

Topeka, KS MSA

The geographic distribution of home mortgage loans in the Topeka, KS MSA is good. Performance is adequate in low-income geographies and excellent in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.1 percent is lower than the 3.9 percent of owner-occupied housing units in low-income geographies; however, the bank's distribution exceeds the 1.7 percent for aggregate lenders. The distribution in moderate-income geographies at 12.2 percent is slightly lower than the 14.4 percent of owner-occupied housing units in moderate-income geographies and it exceeds the 11.1 percent for aggregate lenders.

Wichita, KS MSA

The geographic distribution of home mortgage loans in the Wichita, KS MSA is good. Performance is good in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1.9 percent is slightly lower than the 2.9 percent of owner-occupied housing units in low-income geographies and it exceeds the 1.5 percent performance for aggregate lenders. The distribution in moderate-income geographies at 18.5 percent is slightly lower than the 22.2 percent of owner-occupied housing units in moderate-income geographies and it exceeds the 17.1 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is excellent in the Topeka, KS MSA and excellent in the Wichita, KS MSA.

Topeka, KS MSA

The geographic distribution of small loans to businesses in the Topeka, KS MSA is excellent. Performance is good in low-income geographies and excellent in moderate-income geographies. The distribution in low-income geographies at 12.7 percent is lower than the 14.6 percent of businesses in low-income geographies and it is lower than the 13.6 percent performance for aggregate lenders. The distribution in moderate-income geographies at 15.6 percent exceeds the 12.8 percent of businesses in moderate-income geographies and it is slightly lower than the 16.1 percent performance for aggregate lenders.

Wichita, KS MSA

The geographic distribution of small loans to businesses in the Wichita, KS MSA is excellent. The distribution is good in low-income geographies and excellent in moderate-income geographies. The geographic distribution in low-income geographies at 9.2 percent is slightly lower than the 9.6 percent of businesses in low-income geographies and it is lower than the 11 percent performance for aggregate lenders. The geographic distribution in moderate-income geographies at 21.6 percent is slightly higher than the 20.9 percent of businesses in moderate-income geographies and it is comparable with the 21.7 percent performance of aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is good, driven by performance in the Wichita, KS MSA.

Topeka, KS MSA

The bank made too few small loans to farms in the Topeka, KS MSA to perform any meaningful analysis.

Wichita, KS MSA

The geographic distribution of small loans to farms in the Wichita, KS MSA is good, based on adequate performance in low-income geographies and excellent performance in moderate-income geographies. The bank did not originate or purchase any loans in low-income geographies where only 1.3 percent of farms are located. Given the low demand for loans due to the low presence of farms in low-income geographies, performance is adequate. The geographic distribution in moderate-income geographies at 9.1 percent exceed the 6.7 percent of farms in moderate-income geographies and it significantly exceeds the 1.4 percent for aggregate lenders.

Table S - Assessment Area Distribution of Loans to Farms by Income Category of the Geography																			2014-16

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is excellent. The distribution is excellent in the Topeka, KS MSA and excellent in the Wichita, KS MSA.

Topeka, KS MSA

The distribution of home mortgage loans by borrower income in the Topeka, KS MSA is excellent. The distribution is good to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 12.9 percent is lower than the 20.8 percent of low-income families in the MSA; however, the bank's performance significantly exceeds the 6.4 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 26 percent exceeds the 17.3 percent of moderate-income families and it exceeds the 19.1 percent performance for aggregate lenders.

Wichita, KS MSA

The distribution of home mortgage loans by borrower income in the Wichita, KS MSA is excellent. The distribution is good to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 12.7 percent is lower than the 20.2 percent of low-income families in the MSA; however, it is significantly higher than the 6.9 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 21.2 percent exceeds the 18.5 percent of moderate-income families in the MSA and it exceeds the 16.7 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Topeka, KS MSA and good in the Wichita, KS MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 36 percent of its small loans to businesses.

Topeka, KS MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Topeka, KS MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 56.3 percent is lower than the 74.5 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 37.6 percent for aggregate lenders, overall performance is good.

Wichita, KS MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Wichita, KS MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.6 percent is lower than the 75 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 36.9 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is poor, driven by poor performance in the Wichita, KS MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 48 percent of its small loans to farms.

Topeka, KS MSA

The bank made too few small loans to farms in the Topeka, KS MSA to perform any meaningful analysis.

Wichita, KS MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Wichita, KS MSA is poor. Based on farms with known revenues, the proportion of the bank's small loans to farms at 48.5 percent is lower than the 98.2 percent of farms with gross annual revenues of $1 million or less. The bank's distribution is also lower than the 54.7 percent for aggregate lenders.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of Kansas. The bank met the communities' credit needs primarily through retail lending.

Topeka, KS MSA

In the Topeka, KS MSA, CD lending has a negative effect on the lending performance in the assessment area. The bank did not originate or purchase any CD loans in the Topeka, KS MSA during the evaluation period.

Wichita, KS MSA

In the Wichita, KS MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated three CD loans totaling $11.2 million that primarily helped provide more than 100 units of affordable housing. CD lending represents 3.5 percent of the allocated Tier 1 Capital, after considering $1.1 billion in deposits from national corporations in which the deposits did not derive from the local community.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Kansas, lending under the MHA and HARP programs accounted for 74 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Lawrence, KS MSA is consistent with the High Satisfactory Lending Test performance in the state of Kansas. Performance in the Manhattan, KS MSA is stronger than the overall High Satisfactory Lending Test performance in the state of Kansas primarily due to higher relative levels of CD lending that has a significantly positive effect on the lending performance in the assessment area.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Kansas is rated Outstanding. Investment performance is poor in the Topeka, KS MSA and excellent in the Wichita, KS MSA. Investment Test performance in the Wichita, KS MSA carried approximately 90 percent of the weight in arriving at the state rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Topeka, KS MSA

In the Topeka, KS MSA, Bank of America has a poor level of CD investments. The bank made 23 CD investments during the current evaluation period totaling $1.3 million. Approximately $1.3 million or 96 percent of the current period investment dollars supported 11 units of affordable housing. In addition, the bank has 13 CD investments totaling $403,000 it made during a prior evaluation period that are still outstanding and continuing to provide benefit to the community. Prior period and current period investments total $1.7 million or 4.4 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $1.3 million or 96 percent of the investment dollars.

Wichita, KS MSA

In the Wichita, KS MSA, the bank has an excellent level of CD investments. The bank made 143 CD investments during the current evaluation period totaling $48.5 million. Approximately $48 million or 99 percent of the current period investment dollars supported 113 units of affordable housing. In addition, the bank has 60 CD investments totaling $5.4 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $53.9 million or 16.6 percent of allocated Tier 1 Capital, after considering the $1.1 billion in deposits that did not originate from the assessment area. The bank invested approximately 76 percent of the investment dollars in Mortgage Backed Securities. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $36.6 million or 75 percent of the investment dollars.

Examples of community development investments include:

- The bank provided $11.4 million in funding for the construction of two phases of Broadstone Villas, a mixed-income multifamily LIHTC development in Bel Aire, KS. Phase 1 comprises 48 units with all units restricted to incomes at or below 60 percent of the area median income. Phase 2 comprises 60 units with 54 units restricted to incomes at or below 60 percent of the area median income and 6 units unrestricted at market rates.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Manhattan, KS MSA is consistent with the Outstanding Investment Test performance in the state of Kansas. Investment Test performance in the Lawrence, KS MSA is weaker than the overall Outstanding Investment Test performance in the state of Kansas due to a lower level of CD investments relative to the bank's size and capacity in the assessment area.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Kansas is rated Outstanding. Service Test performance is excellent in the Topeka, KS MSA and excellent in the Wichita, KS MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Topeka, KS MSA

In the Topeka, KS MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's four financial centers with the distribution of the population. The bank has one financial center in low-income geographies or 25 percent of its financial centers where 8.1 percent of the population lives. The bank also has one financial center representing 25 percent of its financial centers located in moderate-income geographies where 17.3 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies.

The bank has one financial center in a middle- or upper-income census tract that is adjacent to or in very close proximity to a moderate-income census tract. The adjacent financial center helps improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings generally did not affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank closed two financial centers during the evaluation period: one in a low-income geography and one in a moderate-income geography. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Financial centers are generally open 9:00 am to 5:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday. The operating hours for the financial center located in a low-income geography are more restrictive. The financial center is only open 9:00 am to 4:00 pm Monday through Friday. Saturday banking is not available.

Wichita, KS MSA

In the Wichita, KS MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 12 financial centers with the distribution of the population. The bank has two financial centers representing 16.7 percent of its financial centers in low-income geographies where 5.9 percent of the population lives. The bank has three financial centers representing 25 percent of its financial centers located in moderate-income geographies where 26.5 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportions of customers in low- and moderate-income geographies using telephone, text banking, and full-service ATMs exceed the proportion of the population in low- and moderate-income geographies.

The bank has two financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. These financial centers provide additional access to retail banking services in moderate-income geographies.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center and closed five. The bank closed one financial center in a low-income geography, three in moderate-income geographies, and one in a middle-income geography. Despite these closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconvenience the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Financial centers are generally open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday.

Community Development Services

Topeka, KS MSA

The bank provides a relatively low level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 14 community development services targeted to low- and moderate-income individuals. Employees provided four financial education workshops for 76 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 10 webinars and workshops with non-profit organizations to help the organizations with capacity building. No employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Wichita, KS MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 37 community development services targeted to low- and moderate-income individuals. Employees provided two financial education workshops for 48 students from low- and moderate-income families. Employees participated in nine webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 26 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Lawrence, KS MSA is consistent with the Outstanding Service Test performance in the state of Kansas. Performance in the Manhattan, KS MSA is weaker than the overall Outstanding Service Test performance in the state of Kansas primarily because of having no financial centers to provide retail-banking services in the MSA.

State of Maine

CRA Rating for Maine[27]: **Outstanding**
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively low level of CD lending that has a neutral effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Maine

The state of Maine is Bank of America's 34th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $1.8 billion or 0.2 percent of its total domestic deposits in financial centers within the state of Maine. Of the 31 depository financial institutions operating in the state, Bank of America, with a deposit market share of 6.7 percent, is the fifth largest. The bank's primary banking competitors for deposits in Maine with deposit shares greater than 5 percent include TD Bank (12.9 percent), KeyBank (12.5 percent), The Camden National Bank (10.4 percent), and Bangor Savings Bank (9.2 percent). As of December 31, 2016, the bank operated 17 financial centers and 37 full-service ATMs in Maine.

Refer to the market profiles for the state of Maine in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Maine

The bank has defined two assessment areas in the state of Maine that include the Portland-South Portland, ME MSA and Maine Non-MSA. Examiners selected the Portland-South Portland, ME MSA for a full-scope review. This assessment area comprises 100 percent of the

[27] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

bank's deposits and 94 percent of the bank's lending in the state of Maine. Examiners performed a limited-scope review on the Maine Non-MSA assessment area.

During the evaluation period, Bank of America originated or purchased 3,545 home mortgage loans totaling $764.2 million, 5,501 small loans to businesses totaling $180.3 million, 84 small loans to farms totaling $848,000, and one CD loan totaling $1.2 million. Lending volumes include loans originated or purchased in the Bangor, ME MSA, which the bank no longer designates as an assessment area due to the bank's closure or sale of all financial centers and deposit-taking ATMs. Based on loan volume, examiners weighted small loans to businesses, representing 60 percent of the volume, the most followed by home mortgage loans at 39 percent, and small loans to farms at 1 percent.

Examiners conducted a telephone interview with one local economic development organization. According to the community contact, affordable housing remains the area's biggest need.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN Maine

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Maine is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution. Performance in the limited-scope assessment area has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Maine is excellent. Lending activity is excellent in the Portland-South Portland, ME MSA.

Portland-South Portland, ME MSA

Lending activity in the Portland-South Portland, ME MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 14 percent. The bank ranks third among 21 depository financial institutions, which places it in the top 15 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.9 percent based on the number of home mortgage loans originated or purchased. The bank ranks 12^{th} among 367 home mortgage lenders in the assessment area, which places it in the top 4 percent of lenders. According to peer small business data for 2016, the bank has an 8.9 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks third among 88 small business lenders, which places it in the top 4 percent of lenders. For small loans to farms, the bank has a market share of 17.3 percent based on the number of small loans to farms originated or purchased. The bank ranks first among 19 farm lenders, which places it in the top 6 percent of lenders.

Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is good in the Portland-South Portland, ME MSA.

Portland-South Portland, ME MSA

The geographic distribution of home mortgage loans in the Portland-South Portland, ME MSA is good. Performance is excellent in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 0.7 percent exceeds the 0.3 percent of owner-occupied housing units in low-income geographies and it is consistent with the 0.7 percent for aggregate lenders. The distribution in moderate-income geographies at 7.8 percent is lower than the 10.4 percent of owner-occupied housing units in moderate-income geographies and lower than the 9.9 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Portland-South Portland, ME MSA.

Portland-South Portland, ME MSA

The distribution of home mortgage loans by borrower income in the Portland-South Portland, ME MSA is good. The distribution is adequate to low-income borrowers and good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7.7 percent is lower than the 19 percent of low-income families in the MSA; however, the bank's performance exceeds the 5.2 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 15 percent is lower than the 18.3 percent of moderate-income families and it is slightly lower than the 16.5 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Portland-South Portland, ME MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 38 percent of its small loans to businesses.

Portland-South Portland, ME MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Portland-South Portland, ME MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 48 percent is lower than the 77.5 percent of businesses with gross annual revenues of $1 million or less. However, the bank exceeds the 47 percent for aggregate lenders.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is poor, driven by performance in the Portland-South Portland, ME MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 44 percent of its small loans to farms.

Portland-South Portland, ME MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Portland-South Portland, ME MSA is poor. Based on farms with known revenues, the proportion of the bank's small loans to farms at 54.2 percent is lower than the 96.5 percent of farms with gross annual revenues of $1 million or less. The bank's distribution is also lower than the 68.4 percent for aggregate lenders.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of Maine. The bank met the community's credit needs primarily through retail lending.

Portland-South Portland, ME MSA

In the Portland-South Portland, ME MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated one CD loan for $1.2 million for affordable housing purposes. CD lending represents 0.5 percent of the allocated Tier 1 Capital.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Maine, lending under the MHA and HARP programs accounted for 87 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Maine Non-MSA is weaker than the overall High Satisfactory Lending Test performance in the state of Maine primarily due to weaker borrower income distributions.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank’s level of qualified investments.

Bank of America’s performance under the Investment Test in the state of Maine is rated Outstanding. Investment performance is excellent in the Portland-South Portland, ME MSA. Performance in the limited-scope assessment area has a neutral effect on the state rating.

Portland-South Portland, ME MSA

In the Portland-South Portland, ME MSA, Bank of America has an excellent level of community development investments. The bank made 56 CD investments during the current evaluation period totaling $19.1 million. Approximately $19 million or 99 percent of the investment dollars supported 792 units of affordable housing. In addition, the bank has 57 CD investments totaling $8.8 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $27.9 million or 12.4 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $13.7 million or 72 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $282,000 in a fund that acquires direct and indirect investments in partnerships that own affordable housing projects throughout the United States. This amount represents 28 units of the Applegate Village Apartments affordable housing project within the Portland-South Portland, ME MSA.

- The bank invested $465,000 in a fund that acquires direct and indirect investments in partnerships that own affordable housing projects throughout the United States. This amount represents 160 units of the Congress Square housing development within the Portland-South Portland, ME MSA.

- The bank invested $878,000 in a LIHTC to finance the construction of Osprey Circle, a 48-unit affordable housing development in South Portland, ME. All units are restricted to tenants aged 55 or older and incomes at or below 60 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Maine Non-MSA is consistent with the Outstanding Investment Test performance in the state of Maine.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Maine is rated Outstanding. Service Test performance is excellent in the Portland-South Portland, ME MSA. Performance in the limited-scope assessment area has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Portland-South Portland, ME MSA

In the Portland-South Portland, ME MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 16 financial centers with the distribution of the population. The bank has two financial centers in low-income geographies or 12.5 percent of its financial centers where only 1.6 percent of the population lives. The bank also has two financial centers or 12.5 percent of its financial centers located in moderate-income geographies where 12.9 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportions of customers in low- and moderate-income geographies using alternative delivery systems are near to or exceed the percentage of the population residing in low- and moderate-income geographies.

Financial center openings and closings generally did not affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center in a low-income geography and closed five. The bank closed one financial center in a low-income geography, two in moderate-income geographies, and two in middle-income geographies. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are open 9:00 am to 4:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday.

Community Development Services

Portland-South Portland, ME MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 31 community development services targeted to low- and moderate-income individuals. Employees participated in 18 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 13 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Maine Non-MSA is weaker than the overall Outstanding Service Test performance in the state of Maine. Performance is weaker primarily due to the limited banking presence in the assessment area.

State of Maryland

CRA Rating for Maryland[28]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively high level of CD lending that has a positive effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Maryland

The state of Maryland is Bank of America's 13th largest rating area based on its total deposits in the state when excluding deposits in the Salisbury, MD-DE and Washington-Arlington-Alexandria, DC-VA-MD Multistate MSAs. Examiners excluded the Salisbury, MD-DE and Washington-Arlington-Alexandria, DC-VA-MD Multistate MSAs from the analysis of the state of Maryland because the examiners evaluated the multistate MSAs as separate rating areas. As of June 30, 2016, the bank maintained approximately $19.4 billion or 1.6 percent of its total domestic deposits in financial centers in areas of the state of Maryland that do not include the multistate MSAs. Of the 75 depository financial institutions operating in the state, Bank of America, with a deposit market share of 24.8 percent, is the largest. The bank's primary banking competitors for deposits in Maryland with deposit shares greater than 5 percent include Manufacturers and Traders Trust Company (20.9 percent), PNC Bank (11.4 percent), Branch Banking and Trust Company (9 percent), and Wells Fargo Bank (8.9 percent). As of December 31, 2016, the bank operated 86 financial centers and 277 full-service ATMs in Maryland.

Examiners use the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In

[28] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

the Baltimore-Columbia-Towson, MD MSA, Bank of America reported an additional $791.6 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

Refer to the community profiles for the state of Maryland in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Maryland

The bank has defined three assessment areas in the state of Maryland. Examiners selected the Baltimore-Columbia-Towson, MD MSA for a full-scope review. The Baltimore-Columbia-Towson, MD MSA accounts for approximately 98 percent of the bank's deposits in the state. During the evaluation period, Bank of America originated or purchased 18,239 home mortgage loans totaling $4.5 billion, 29,816 small loans to businesses totaling $844.9 million, 191 small loans to farms totaling $2 million, and 34 CD loans totaling $223.9 million. Loan volumes include loans that originated or purchased in the Salisbury, MD MSA prior to the MSA's designation as a multistate MSA in 2014. Based on loan volume, examiners weighted small loans to businesses, representing nearly 62 percent of the volume, the most followed by home mortgage loans at 38 percent, and small loans to farms at less than 1 percent.

Examiners conducted one community contact with a local community development organization. Community needs identified include public safety and quality of life, housing creation and blighted housing removal, education, retail and commercial development, and workforce development.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN MARYLAND

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Maryland is rated Outstanding, based on excellent lending activity, good geographic distribution, good borrower income distribution, and relatively high levels of CD lending that have a positive effect on overall lending performance. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Maryland is excellent. Lending activity is excellent in the Baltimore-Columbia-Towson, MD MSA.

Baltimore-Columbia-Towson, MD MSA

Lending activity in the Baltimore-Columbia-Towson, MD MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 27.1 percent. The bank ranks first among 53 depository financial institutions in the assessment area, placing it in the top 2 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.8 percent based on the number of home mortgage loans originated or purchased. The bank ranks 11th among 608 home mortgage lenders, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a 10.2 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks third among 152 small business lenders, which places it in the top 2 percent of lenders. For small loans to farms, the bank has a market share of 9.2 percent based on the number of small loans to farms originated or purchased. The bank ranks second among 20 farm lenders, which places it in the top 10 percent of lenders. Considering the bank's ranking among all lenders for home mortgage loans and small loans to businesses is consistent with its ranking for deposits, overall lending activity is excellent.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is good in the Baltimore-Columbia-Towson, MD MSA.

Baltimore-Columbia-Towson, MD MSA

The geographic distribution of home mortgage loans in the Baltimore-Columbia-Towson, MD MSA is good. Performance is good in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 4.7 percent is lower than the 5.6 percent of owner-occupied housing units in low-income geographies, but is higher than the 3.3 percent for aggregate lenders. The distribution in moderate-income geographies at 15.3 percent is lower than the 16.6 percent of owner-occupied housing units in moderate-income geographies, but is higher than the 13.1 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is good. The distribution is good in the Baltimore-Columbia-Towson, MD MSA.

Baltimore-Columbia-Towson, MD MSA

The geographic distribution of small loans to businesses in the Baltimore-Columbia-Towson, MD MSA is good. Performance is good in low-income geographies and good in moderate-income geographies. The distribution in low-income geographies at 5.7 percent is lower than the 6.9 percent of businesses in low-income geographies, but it exceeds the 5.3 percent performance for aggregate lenders. The distribution in moderate-income geographies at 12.9

percent is lower than the 14 percent of businesses in moderate-income geographies, but it exceeds the 11.8 percent performance for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is good. Performance is good in the Baltimore-Columbia-Towson, MD MSA.

Baltimore-Columbia-Towson, MD MSA

The geographic distribution of small loans to farms in the Baltimore-Columbia-Towson, MD MSA is good, based on excellent performance in low-income geographies and poor performance in moderate-income geographies. The geographic distribution of small loans to farms in low-income geographies at 2.4 percent is higher than the 1.9 percent of farms in low-income geographies and it exceeds the 0.4 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 3 percent is lower than the 7.1 percent of farms in moderate-income geographies and it is lower than the 4.2 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is excellent. The distribution is excellent in the Baltimore-Columbia-Towson, MD MSA.

Baltimore-Columbia-Towson, MD MSA

The distribution of home mortgage loans by borrower income in the Baltimore-Columbia-Towson, MD MSA is excellent. The distribution is good to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 11.1 percent is lower than the 21.4 percent of low-income families in the MSA; however, the bank's performance significantly exceeds the 6.1 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 16.8 percent is slightly below the 17.3 percent of moderate-income families and it exceeds the 15.6 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Baltimore-Columbia-Towson, MD MSA. The bank did not collect or consider the gross annual revenues in the underwriting of nearly 31 percent of its small loans to businesses.

Baltimore-Columbia-Towson, MD MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Baltimore-Columbia-Towson, MD MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 58.2 percent is lower than the 77.3 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 47.8 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good. Performance is good in the Baltimore-Columbia-Towson, MD MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 30 percent of its small loans to farms.

Baltimore-Columbia-Towson, MD MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Baltimore-Columbia-Towson, MD MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 61.6 percent is lower than the 95 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution exceeds the 27.3 percent for aggregate lenders, overall performance is good.

Community Development Lending

CD lending has a positive effect overall on the bank's Lending Test performance in the state of Maryland.

Baltimore-Columbia-Towson, MD MSA

In the Baltimore-Columbia-Towson, MD MSA, CD lending has a positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 33 CD loans totaling $222.4 million that primarily helped provide 1,429 units of affordable housing. CD lending represents 9.7 percent of the allocated Tier 1 Capital.

Examples of CD loans include:

- The bank provided $5.7 million in financing to rehabilitate Benet House, a 101-unit housing development in southwest Baltimore, MD for seniors aged 62 and older and individuals with disabilities. All units are restricted to incomes at or below 50 percent of the area median income.

- The bank provided $2.2 million in construction financing to develop City Arts II, a 60-unit affordable housing development in Baltimore, MD. All units are restricted to incomes at or below 60 percent of the area median income. The bank also provided a separate construction loan for $7.1 million for this housing development.

- The bank provided $8 million in construction financing for the historic rehabilitation of the former Columbus School in Baltimore, MD to create 49 units of affordable housing. All units are restricted to incomes at or below 50 percent of the area median income. Additionally, eight of the units receive project-based Section 8 rental assistance that serve non-elderly disabled tenants.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Maryland, lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the California-Lexington Park, MD MSA and Maryland Non-MSA is weaker than the overall Outstanding Lending Test performance in the state of Maryland primarily due to weaker geographic and borrower income distributions and lower levels of CD lending that have a neutral effect on Lending Test performance in those assessment areas.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Maryland is rated Outstanding. Investment performance is excellent in the Baltimore-Columbia-Towson, MD MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Baltimore-Columbia-Towson, MD MSA

In the Baltimore-Columbia-Towson, MD MSA, Bank of America has an excellent level of community development investments. The bank made 264 CD investments during the current evaluation period totaling $224.9 million. Approximately $200.9 million or 89 percent of the current period investment dollars supported over 1,900 units of affordable housing. In addition, the bank has 95 CD investments totaling $60.4 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $285.3 million or 12.5 percent of allocated Tier 1 Capital. The majority of current period investments are innovative or complex with LIHTCs, Historic Tax Credits, and New Markets Tax Credits representing approximately $137.9 million or 61 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $13.5 million in a LIHTC to fund the construction of City Arts II Apartments, a 60-unit affordable housing development in Baltimore, MD. All units are restricted to incomes at or below 60 percent of the area median income. Bank of America has also provided the construction loans for this development.

- The bank invested $2.4 million in a fund that acquires direct and indirect interests in partnerships that own affordable housing developments throughout the U.S. partially funded with federal LIHTCs. This transaction represents the Foxwell Memorial Apartments in Baltimore, MD that provides 151 units of affordable housing.

- The bank invested $12.3 million in a LITHC to finance the rehabilitation of Govans Manor, a 191-unit mixed-income housing development in Baltimore, MD for seniors and non-elderly disabled individuals. The development has 186 units restricted to incomes at or below 60 percent of the area median income and 5 units at market rates.

MARYLAND	107	64,454	325	227,780	432	292,234	100.00		9	22,583

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Maryland Non-MSA is consistent with the Outstanding Investment Test performance in the state of Maryland. Performance in the California-Lexington Park, MD MSA is weaker than the overall Outstanding Investment Test performance in the state of Maryland primarily due significantly lower levels of CD investments relative to the bank's size and resources in the assessment area.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Maryland is rated Outstanding. Service Test performance is excellent in the Baltimore-Columbia-Towson, MD MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Baltimore-Columbia-Towson, MD MSA

In the Baltimore-Columbia-Towson, MD MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 81 financial centers with the distribution of the population. The bank has six financial centers in low-income geographies or 7.4 percent of its financial centers where 10.6 percent of the population lives. The bank has 20 financial centers or 19.8 percent of its financial centers located in moderate-income geographies where 20.6 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of ADS through income proxies based on customers' residency. In two of six ADS platforms, the percentage of customers in low- and moderate-income geographies using the platform exceeded the percentage of the population in low- and moderate-income geographies.

The bank has 21 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. The bank has 5 financial centers adjacent to low-income geographies and 16 financial centers adjacent to moderate-income geographies. The adjacent financial centers help improve access to retail banking services to individuals and businesses in low- and moderate-income geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened three financial centers in upper-income geographies. The bank closed nineteen throughout the assessment area. The bank closed two financial centers in low-income geographies, four in moderate-income geographies, and the remaining thirteen in middle- and upper-income geographies. The OCC received comments from a coalition of 14 community organizations expressing concerns over the bank's record of financial center closures in Baltimore City, particularly in low- and moderate-income areas that are also predominantly minority. Financial center closures are business decisions the bank makes only after considering a number of factors, including customer traffic, crime, profitability, access to the nearest financial center, and effect to the community. Despite these closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 12:00 pm on Saturday. Approximately 21 percent of the financial centers open for Saturday banking are open 9:00 am to 1:00 pm.

Community Development Services

Baltimore-Columbia-Towson, MD MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 159 community development services targeted to low- and moderate-income individuals. Employees provided 100 financial education and foreclosure prevention workshops for 1,368 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 49 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, eight employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the California-Lexington Park, MD MSA and Maryland Non-MSA is weaker than the overall Outstanding Service Test performance in the state of Maryland primarily due to the limited retail banking presence in those assessment areas.

State of Massachusetts

CRA Rating for Massachusetts[29]:Outstanding
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Good volume of loans originated or purchased within the assessment areas;
- Excellent distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively high level of CD lending that has a positive effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Massachusetts

The state of Massachusetts is Bank of America's 32nd largest rating area based on its total deposits in the state when excluding the Boston-Cambridge-Newton, MA-NH, Providence-Warwick, RI-MA, and Worcester, MA-CT Multistate MSAs. Examiners excluded the multistate MSAs from the analysis of the state of Massachusetts because examiners evaluated the multistate MSAs as separate rating areas. As of June 30, 2016, the bank maintained approximately $3 billion or 0.3 percent of its total domestic deposits in financial centers in areas of the state of Massachusetts that do not include the multistate MSAs. Of the 38 depository financial institutions operating in the state, Bank of America, with a deposit market share of 10.7 percent, is the third largest. Competitors with deposit market shares greater than 5 percent include TD Bank (11.8 percent), Berkshire Bank (11.5 percent), The Cape Code Five Cents Savings Bank (8.6 percent), and Peoples Bank (5.9 percent). As of December 31, 2016, the bank operated 86 financial centers and 277 ATMs in Massachusetts.

Refer to the community profiles for the state of Massachusetts in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

---

[29] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Scope of Evaluation in Massachusetts

Examiners selected the Springfield, MA MSA for a full-scope review and the Barnstable Town, MA MSA and Massachusetts Non-MSA for limited-scope reviews. While the Springfield, MA MSA carries approximately 63 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Massachusetts, the conclusions and ratings for the state are based on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 6,736 home mortgage loans totaling $2.1 billion, 10,990 small loans to businesses totaling $322.3 million, 86 small loans to farms totaling $1.8 million, and 7 CD loans totaling $54.9 million. Loan volumes include loans that originated or purchased in the Worcester, MA MSA prior to the MSA's designation as a multistate MSA in 2014. Based on loan volume, examiners weighted small loans to businesses, representing 62 percent of the volume, the most followed by home mortgage loans at 38 percent, and small loans to farms at less than 1 percent.

Examiners contacted one local community development organization. According to the contact, Springfield continues to struggle economically with high poverty and unemployment rates. The city is predominantly low-income. Local small businesses need loans with flexible loan terms and interest rates as well as financial education. The organization also identified the need for financial institutions to purchase historic and low-income housing tax credits to help promote affordable housing, revitalization, and economic development in the region.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN MASSACHUSETTS

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Massachusetts is rated Outstanding, based on good lending activity, excellent geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a positive effect on the Lending Test rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Massachusetts is good. Lending activity is adequate in the Springfield, MA MSA. Excellent lending activity in the limited-scope assessment areas positively affected the overall lending activity conclusion.

Springfield, MA MSA

Lending activity in the Springfield, MA MSA is adequate. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 13.9 percent. The bank ranks first among 21 depository financial institutions, which places it in the top 5 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.6 percent based on the number of home mortgage loans originated or purchased. The bank ranks 19th among 334 home mortgage lenders in the assessment area, which places it in the top 6 percent of lenders. According to peer small business data for 2016, the bank has a 6.7 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fifth among 79 small business lenders, which places it in the top 7 percent of lenders. For small loans to farms, the bank has a market share of 4.7 percent based on the number of small loans to farms originated or purchased. The bank ranks eighth among 12 farm lenders, placing it in the bottom 33 percent of lenders. During the evaluation period, the bank closed 44 percent of its financial centers in the MSA, which resulted in fewer loan applications for home mortgage loans and small loans to businesses. The bank's market share and ranking for home mortgage loans have steadily declined from being the second largest lender in the market with a market share of 4.6 percent in 2013 to the 17th largest in 2016. Considering the bank's shrinking retail banking presence in the MSA over the evaluation period, overall lending activity is adequate.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is excellent. The distribution is excellent in the Springfield, MA MSA.

Springfield, MA MSA

The geographic distribution of home mortgage loans in the Springfield, MA MSA is excellent. Performance is excellent in low-income geographies and excellent in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 4.2 percent is higher than the 3.3 percent of owner-occupied housing units in low-income geographies and it is higher than the 3.3 percent for aggregate lenders. The distribution in moderate-income geographies at 17.9 percent is higher than the 15.4 percent of owner-occupied housing units in moderate-income geographies and it is higher than the 15.2 percent for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is poor. The distribution is poor in the Springfield, MA MSA.

Springfield, MA MSA

The geographic distribution of small loans to farms in the Springfield, MA MSA is poor. Performance is poor in low-income geographies and poor in moderate-income geographies. The bank did not originate or purchase any small loans to farms in low-income geographies where there are 2.1 percent of the farms. Performance is consistent with aggregate lenders. The bank did not originate or purchase any small loans to farms in moderate-income geographies where there are 10.6 percent of the farms. Performance is also below the 8.9 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Springfield, MA MSA.

Springfield, MA MSA

The distribution of home mortgage loans by borrower income in the Springfield, MA MSA is good. The distribution is adequate to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7.5 percent is lower than the 23.6 percent of low-income families in the MSA; however, the bank's performance is higher than the 5.5 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 19.1 percent exceeds the 16.1 percent of moderate-income families and it is slightly lower than the 19.2 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Springfield, MA MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 40 percent of its small loans to businesses.

Springfield, MA MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Springfield, MA MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 50.9 percent is lower than the 76.4 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 40.8 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good overall. The distribution is good in the Springfield, MA MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 35 percent of its small loans to farms.

Springfield, MA MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Springfield, MA MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 70 percent is lower than the 96.2 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 32.6 percent for aggregate lenders, overall performance is good.

Community Development Lending

CD lending has a positive effect overall on the bank's Lending Test performance in the state of Massachusetts.

Springfield, MA MSA

In the Springfield, MA MSA, CD lending has a positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated two CD loans totaling $21.9 million that primarily helped provide 126 units of affordable housing. CD lending represents 9.1 percent of the allocated Tier 1 Capital.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Massachusetts, lending under the MHA and HARP programs accounted for 82 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Barnstable Town, MA MSA is consistent with the Outstanding Lending Test performance in the state of Massachusetts. Performance in the Massachusetts Non-MSA is weaker than the Outstanding Lending Test performance in the state of Massachusetts primarily due to weaker geographic and borrower income distributions.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Massachusetts is rated Outstanding. Investment performance is excellent in the Springfield, MA MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Springfield, MA MSA

In the Springfield, MA MSA, Bank of America has an excellent level of CD investments. The bank made 41 CD investments during the current evaluation period totaling $55.6 million. Approximately $55.3 million or 99 percent of the current period investment dollars supported 662 units of affordable housing. In addition, the bank has 16 CD investments totaling $10.2 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $65.8 million or 27.4 percent of allocated Tier 1 Capital. The majority of current period investments are innovative or complex with LIHTCs representing approximately $48.7 million or 88 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $1 million in a LIHTC that supports two affordable housing developments with 60 units of affordable housing in Springfield, MA. All units are restricted to incomes at or below 60 percent of the area median income. The bank also provided the construction financing for this project.

- The bank invested $22.4 million in a LIHTC fund that invests indirectly in a portfolio of four LIHTC properties. This transaction represents Colonial Estates, a 500-unit mixed income rehabilitation project in Springfield, MA. The development includes 450 units restricted to incomes at or below 60 percent of the area median income and 50 units at market rates.

- The bank invested $24.4 million in LIHTCs to finance the gut renovation of Mill Building No. 10, a historical mill building in Ludlow, MA. The developer is converting the building into 75 apartment units that are restricted to senior tenants aged 55 and over. The development will include 66 units restricted to incomes at or below 60 percent of the area median income and 9 units at market rates. The bank also provided the construction financing for this project.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Barnstable Town, MA MSA is consistent with the Outstanding Investment Test performance in the state of Massachusetts. Performance in the Massachusetts Non-MSA is weaker than the overall Outstanding Investment Test performance in the state of Massachusetts primarily due to lower levels of CD investments relative to the bank’s size and resources in the assessment area.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Service Test in the state of Massachusetts is rated High Satisfactory. Service Test performance is adequate in the Springfield, MA MSA. Performance in limited-scope assessment areas has a positive effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

Springfield, MA MSA

In the Springfield, MA MSA, the bank’s service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank’s 15 financial centers with the distribution of the population. The bank has no financial centers in low-income geographies where 13 percent of the population lives. The bank has five financial centers or 33.3 percent of its financial centers located in moderate-income geographies where 20 percent of the population lives.

Examiners also considered the bank’s alternative delivery systems, including cash dispensing ATMs, full-service ATMs, telephone, online, mobile, and text banking in evaluating accessibility to the bank’s products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank’s service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of ADS through income proxies based on customers’ residency. In four of six ADS platforms, the percentage of customers in low- and moderate-income geographies using the platform exceeded the percentage of the population in low- and moderate-income geographies.

The bank has two financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. The adjacent financial centers help improve access to retail banking services to individuals in low- and moderate-income geographies.

Financial center openings and closings did adversely affect the accessibility of retail banking services, particularly in low-income geographies and to low- and moderate-income individuals. The bank closed all four of its financial centers in low-income geographies. During the evaluation period, the bank closed 12 financial centers or 44 percent of its financial centers. The bank closed four financial centers in low-income geographies, three in moderate-income geographies, and five in middle- and upper-income geographies.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 4:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday.

Community Development Services

Springfield, MA MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 49 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 21 low- and moderate-income individuals and provided 15 financial education workshops for 987 students primarily from low- and moderate-income families. Employees participated in six webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, seven employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Barnstable Town, MA MSA and Massachusetts Non-MSA is stronger than the overall High Satisfactory Service Test performance in the state of Massachusetts. Performance is stronger primarily due to the distribution of financial centers, particularly in low-and moderate-income geographies.

State of Michigan

CRA Rating for Michigan[30]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: High Satisfactory
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively high level of CD lending that has a positive effect on overall lending performance;
- Significant level and good responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Michigan

The state of Michigan is Bank of America's 15th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $16.6 billion or 1.3 percent of its total domestic deposits in financial centers within the state of Michigan. Of the 134 depository financial institutions operating in the state, Bank of America, with a deposit market share of 8.3 percent, is the fourth largest. Competitors with deposit market shares greater than 5 percent include JPMorgan Chase Bank, N.A. (21 percent), Comerica Bank (13.5 percent), PNC Bank (8.7 percent), and Fifth Third Bank (8 percent). As of December 31, 2016, the bank operated 120 financial centers and 199 ATMs in Michigan.

Examiners used the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Detroit-Warren-Dearborn, MI MSA, Bank of America reported an additional $777.7 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

[30] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Refer to the community profiles for the state of Michigan in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Michigan

Examiners selected the Detroit-Warren-Dearborn, MI MSA for a full-scope review and the Ann Arbor, MI MSA, Grand Rapids-Wyoming, MI MSA, and Lansing-East Lansing, MI MSA for limited-scope reviews. While the Detroit-Warren-Dearborn, MI MSA carries approximately 88 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Michigan, examiners based the conclusions and ratings for the state on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 30,262 home mortgage loans totaling $5 billion, 31,635 small loans to businesses totaling $1.6 billion, 253 small loans to farms totaling $6 million, and 18 CD loans totaling $119.1 million. Lending volumes include loans originated or purchased in the Battle Creek, MI MSA, Bay City, MI MSA, Flint, MI MSA, Kalamazoo-Portage, MI MSA, Monroe, MI MSA, Muskegon-Norton Shores, MI MSA, Saginaw-Saginaw Township North, MI MSA, and the counties of Gratiot, Midland, Ionia, and Newaygo. The bank no longer designates these metropolitan areas and counties as assessment areas due to the bank's closure or sale of all financial centers and deposit-taking ATMs in those communities. Based on loan volume, examiners weighted small loans to businesses, representing 51 percent of the volume, the most followed by home mortgage loans at 49 percent, and small loans to farms at less than 1 percent.

Examiners contacted one local community development organization. According to the contact, quality employment and affordable housing are the primary needs in the area.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN MICHIGAN

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Michigan is rated Outstanding, based on excellent lending activity, good geographic distribution, good borrower income distribution, and a relatively high level of CD lending that has a positive effect on the Lending Test rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Michigan is excellent. Lending activity is excellent in the Detroit-Warren-Dearborn, MI MSA.

Detroit-Warren-Dearborn, MI MSA

Lending activity in the Detroit-Warren-Dearborn, MI MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 12 percent. The bank ranks third among 46 depository financial institutions in the assessment area, which places it in the top 7 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.8 percent based on the number of home mortgage loans originated or purchased. The bank ranks ninth among 588 home mortgage lenders, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a 5.7 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks sixth among 151 small business lenders, which places it in the top 4 percent of lenders. According to peer small farm data for 2016, the bank has a 7.8 percent market share based on the number of small loans to farms originated or purchased. The bank ranks fifth among 18 farm lenders, which places it in the top 28 percent of lenders. Considering the bank's higher ranking for home mortgage loans and its ranking for small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is adequate. The distribution is adequate in the Detroit-Warren-Dearborn, MI MSA.

Detroit-Warren-Dearborn, MI MSA

The geographic distribution of home mortgage loans in the Detroit-Warren-Dearborn, MI MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 0.9 percent is lower than the 4.4 percent of owner-occupied housing units in low-income geographies and it is slightly lower than the 1.1 percent for aggregate lenders. The distribution in moderate-income geographies at 9.2 percent is lower than the 19.8 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 11 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Detroit-Warren-Dearborn, MI MSA.

Detroit-Warren-Dearborn, MI MSA

The distribution of home mortgage loans by borrower income in the Detroit-Warren-Dearborn, MI MSA is good. The distribution is adequate to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 8.7 percent is lower than the 22 percent of low-income families in the MSA; however, the bank's performance is higher than the 7.8 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 16 percent is lower than the 17.3 percent of moderate-income families and lower than the 17 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Detroit-Warren-Dearborn, MI MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 29 percent of its small loans to businesses.

Detroit-Warren-Dearborn, MI MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Detroit-Warren-Dearborn, MI MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 55.4 percent is lower than the 78.6 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 42 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate overall. The distribution is adequate in the Detroit-Warren-Dearborn, MI MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 36 percent of its small loans to farms.

Detroit-Warren-Dearborn, MI MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Detroit-Warren-Dearborn, MI MSA is adequate. Based on businesses with known revenues, the proportion of the bank's small loans to farms at 51.3 percent is lower than the 96.5 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 31.6 percent for aggregate lenders, overall performance is adequate.

Community Development Lending

CD lending has a positive effect overall on the bank's Lending Test performance in the state of Michigan.

Detroit-Warren-Dearborn, MI MSA

In the Detroit-Warren-Dearborn, MI MSA, CD lending has a positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 15 CD loans totaling $106 million that primarily helped provide 274 units of affordable housing. CD lending represents 6.1 percent of the allocated Tier 1 Capital.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Michigan, lending under the MHA and HARP programs accounted for 82 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Ann Arbor, MI MSA, Grand Rapids-Wyoming, MI MSA, and Lansing-East Lansing, MI MSA is consistent with the Outstanding Lending Test performance in the state of Michigan.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Michigan is rated High Satisfactory. Investment performance is excellent in the Detroit-Warren-Dearborn, MI MSA. Performance in limited-scope assessment areas has a negative effect on the state rating.

Detroit-Warren-Dearborn, MI MSA

In the Detroit-Warren-Dearborn, MI MSA, Bank of America has an excellent level of CD investments. The bank made 318 CD investments during the current evaluation period totaling $176.9 million. Approximately $138 million or 78 percent of the current period investment dollars supported 1,018 units of affordable housing. In addition, the bank has 242 CD investments totaling $36 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $212.9 million or 12.3 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $126.5 million or 71 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $10.9 million in a LIHTC to support City Hall Artist Lofts, a 53-unit multifamily housing development in Detroit, MI. The project is an adaptive reuse that will transform the historic 1022 Georgian-Revival style Dearborn City Hall into adaptive live/work spaces for artists. All units are restricted to incomes at or below 60 percent of the area median income. Bank of America is also providing the construction loan for this project.

- The bank invested more than $4 million into Local Initiatives Support Corporation (LISC), a certified CDFI and CDE. LISC helps community residents convert distressed neighborhoods into healthy and sustainable communities by providing grants, loans, equity investments, and technical assistance to local Community Development Corporations (CDCs) in support of neighborhood redevelopment. The organization used the funds to capitalize the Detroit Home Rehabilitation Fund, a new home repair finance program launched in partnership with the City of Detroit.

- The bank invested $24.8 million in a federal Historic Tax Credit and a New Markets Tax Credit for the construction and renovation of the historic David Whitney Building in downtown Detroit. The project will revitalize and stabilize a low-income area. The building is located in a low-income census tract. The building will be redeveloped into 85 market rent units and 20 units of housing affordable to families earning 80 percent of the area median income. The project will also include a 136-room Aloft Hotel that will create 50 to 75 permanent jobs.

MICHIGAN	410	48,092	505	189,639	915	237,731	100.00	4	2,480

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Ann Arbor, MI MSA, Grand Rapids-Wyoming, MI MSA, and Lansing-East Lansing, MI MSA is weaker than the overall High Satisfactory Investment Test performance in the state of Michigan primarily due to significantly lower levels of CD investments relative to the bank’s size and resources in those assessment areas. The poor performance in each limited-scope assessment area negatively affected the Investment Test rating.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Service Test in the state of Michigan is rated High Satisfactory. Service Test performance is good in the Detroit-Warren-Dearborn, MI MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Detroit-Warren-Dearborn, MI MSA

In the Detroit-Warren-Dearborn, MI MSA, the bank's service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 101 financial centers with the distribution of the population. The bank has five financial centers in low-income geographies representing 5 percent of its financial centers. Approximately 7.8 percent of the population resides in low-income geographies. The bank has 21 financial centers or 20.8 percent of its financial centers located in moderate-income geographies where 23.1 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including cash dispensing ATMs, full-service ATMs, telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of alternative delivery systems through income proxies based on customers' residency. In five of six alternative delivery systems platforms, the percentage of customers in low- and moderate-income geographies using the platform were near 70 percent of the percentage of the population in low- and moderate-income geographies.

The bank has 18 financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. The bank has 4 financial centers adjacent to low-income geographies and 14 financial centers adjacent to moderate-income geographies. The adjacent financial centers help improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened two financial centers and closed thirty-one financial centers or 23 percent of its financial centers. The bank closed four financial centers in low-income geographies, six in moderate-income geographies, and the remaining twenty-one in middle- and upper-income geographies. Despite the closures, financial centers remain accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Community Development Services

Detroit-Warren-Dearborn, MI MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 149 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 30 low- and moderate-income individuals and provided 51 financial education and foreclosure prevention workshops for 1,475 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 37 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 31 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Ann Arbor, MI MSA, Grand Rapids-Wyoming, MI MSA, and Lansing-East Lansing, MI MSA is consistent with the High Satisfactory Service Test performance in the state of Michigan.

State of Minnesota

CRA Rating for Minnesota[31]: **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and excellent distribution of loans by borrower income or business revenue size;
- Relatively high level of CD lending that has a significantly positive effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Reasonably accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Minnesota

The state of Minnesota is Bank of America's 44th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $88 million or less than 1 percent of its total domestic deposits in financial centers within the state of Minnesota. Of the 371 depository financial institutions operating in the state, Bank of America, with a deposit market share of less than 1 percent, is the 72nd largest. The two dominant financial institutions with significant market shares include Wells Fargo Bank, N.A. (39.3 percent) and U.S. Bank, N.A. (27.5 percent). No other financial institution has more than 3 percent market share of deposits. As of December 31, 2016, the bank operated 4 financial centers and 27 ATMs in the state of Minnesota.

Refer to the community profiles for the state of Minnesota in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Minnesota

The bank has defined the Minneapolis-St. Paul-Bloomington, MN MSA as its sole assessment area in the state of Minnesota. During the evaluation period, Bank of America originated or

---

[31] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

purchased 8,873 home mortgage loans totaling $1.9 billion, 5,827 small loans to businesses totaling $178.5 million, 61 small loans to farms totaling $533,000, and 18 CD loans totaling $77.2 million. Based on loan volume, examiners weighted home mortgage loans, representing 60 percent of the volume, the most followed by small loans to businesses at 39.6 percent, and small loans to farms at less than 1 percent.

Examiners contacted one local housing agency. According to the contact, affordable housing is a primary need in the community. While affordable housing organizations have been effective in placing individuals and families in public housing, there remains a waiting list of 2,500 individuals.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN MINNESOTA

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Lending Test in the state of Minnesota is rated Outstanding, based on excellent lending activity, good geographic distribution, excellent borrower income distribution, and a relatively high level of CD lending that has a significantly positive effect on the Lending Test rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank’s lending activity in the state of Minnesota is excellent. Lending activity is excellent in the Minneapolis-St. Paul-Bloomington, MN MSA.

Minneapolis-St. Paul-Bloomington, MN MSA

Lending activity in the Minneapolis-St. Paul-Bloomington, MN MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of less than 1 percent. The bank ranks 72nd among 146 depository financial institutions, which places it in the 50th percentile of institutions. According to peer mortgage data for 2016, the bank has a market share of 0.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 44th among 701 home mortgage lenders, placing it in the top 7 percent of lenders. According to peer small business data for 2016, the bank has a 1.7 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks eighth among 147 small business lenders, which places it in the top 6 percent of lenders. According to peer small farm data for 2016, the bank has a 1.7 percent market share of small loans to farms based on the number of small loans to farms originated or purchased. The bank ranks 11th among 31 farm lenders, which places it in the top 36 percent of lenders. Considering the bank’s limited retail banking presence in the MSA and its higher relative rankings for home mortgage loans and small loans to businesses, overall lending activity is excellent.

(*) Loan data as of December 31, 2016. Rated area refers to either the state or multi-state MSA rating area.
(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is adequate. The distribution is adequate in the Minneapolis-St. Paul-Bloomington, MN MSA.

Minneapolis-St. Paul-Bloomington, MN MSA

The geographic distribution of home mortgage loans in the Minneapolis-St. Paul-Bloomington, MN MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1.7 percent is lower than the 2.5 percent of owner-occupied housing units in low-income geographies and it is lower than the 2.4 percent for aggregate lenders. The distribution in moderate-income geographies at 10.9 percent is lower than the 14.1 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 12.7 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is excellent in the Minneapolis-St. Paul-Bloomington, MN MSA.

Minneapolis-St. Paul-Bloomington, MN MSA

The geographic distribution of small loans to businesses in the Minneapolis-St. Paul-Bloomington, MN MSA is excellent. Performance is excellent in low-income geographies and excellent in moderate-income geographies. The distribution in low-income geographies at 4.2 percent is slightly lower than the 4.6 percent of businesses in low-income geographies, but it exceeds the 3.6 percent performance for aggregate lenders. The distribution in moderate-income geographies at 15.3 percent is also slightly lower than the 15.6 percent of businesses in moderate-income geographies, but it exceeds the 13.8 percent performance for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is good. The distribution is good in the Minneapolis-St. Paul-Bloomington, MN MSA.

Minneapolis-St. Paul-Bloomington, MN MSA

The geographic distribution of small loans to farms in the Minneapolis-St. Paul-Bloomington, MN MSA is good. Performance is adequate in low-income geographies and good in moderate-income geographies. The distribution in low-income geographies at 0 percent is below the 1.1 percent of farms in low-income geographies and it is below the 0.5 percent performance for aggregate lenders. Considering the limited opportunities to make small loans to farms in low-income geographies, performance is adequate. The distribution in moderate-income geographies at 17.1 percent exceeds the 14.5 percent of farms in moderate-income geographies, but it is lower than the 23.7 percent performance for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is excellent. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank’s home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is excellent. The distribution is excellent in the Minneapolis-St. Paul-Bloomington, MN MSA.

Minneapolis-St. Paul-Bloomington, MN MSA

The distribution of home mortgage loans by borrower income in the Minneapolis-St. Paul-Bloomington, MN MSA is excellent. The distribution is good to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank’s home mortgage loans to low-income borrowers at 11.7 percent is lower than the 19.2 percent of low-income families in the MSA; however, the bank’s performance exceeds the 8.1 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 20.3 percent exceeds the 17.7 percent of moderate-income families and it exceeds the 19.8 percent performance for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower 2014-16

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Minneapolis-St. Paul-Bloomington, MN MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 34 percent of its small loans to businesses.

Minneapolis-St. Paul-Bloomington, MN MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Minneapolis-St. Paul-Bloomington, MN MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 50.4 percent is lower than the 79 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is higher than the 46.8 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues 2014-16

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good overall. The distribution is good in the Minneapolis-St. Paul-Bloomington, MN MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 29 percent of its small loans to farms.

Minneapolis-St. Paul-Bloomington, MN MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Minneapolis-St. Paul-Bloomington, MN MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 61 percent is lower than the 96.8 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 52.1 percent for aggregate lenders, overall performance is good.

Table T: Assessment Area Distribution of Loans to Farms by Gross Annual Revenues 2014-16

Community Development Lending

CD lending has a significantly positive effect overall on the bank's Lending Test performance in the state of Minnesota.

Minneapolis-St. Paul-Bloomington, MN MSA

In the Minneapolis-St. Paul-Bloomington, MN MSA, CD lending has a significantly positive effect on the lending performance in the assessment area. During the evaluation period, the bank originated 18 CD loans totaling $77.2 million that primarily helped provide 381 units of affordable housing. CD lending represents 706.4 percent of the allocated Tier 1 Capital. While the dollar volume of CD loans is significant, it includes very large loans that the bank renewed annually that overstate the actual volume of new funding to the community. Even after considering the dollar effect from these renewed loans, overall CD lending remains high.

Examples of CD loans include:

- The bank provided $1.5 million in funding, representing its 80 percent share in a LIHTC warehouse line of credit to construct Lily Gables, a 191-unit affordable housing development in Columbia Heights, MN. All units are restricted to incomes at or below 60 percent of the area median income. The bank's share of the funding helped finance 153 of the units.

- The bank provided $19.6 million in tax-exempt loans as part of syndicated financing for the rehabilitation of the Pillsbury Mill Plant in Minneapolis, MN. The rehabilitation includes a gut renovation and reconfiguration of the complex with new construction of 251 affordable housing units restricted to artists with incomes up to 60 percent of the area median income. The bank's 33 percent share of the syndicated financing helped to finance 83 of the units. The bank renewed this loan three times, which has the effect of overstating total CD lending by nearly $40 million.

- The bank provided $1.2 million as part of its $3 million commitment toward a multibank credit facility for the Corporation for Supportive Housing (CSH). CSH provides acquisition, predevelopment, and construction funding for projects that include supportive housing targeted to very low-income tenants. This transaction represents the portion of funding benefitting the Minneapolis-St. Paul-Bloomington, MN MSA.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Minnesota, lending under the MHA and HARP programs accounted for 93 percent of the dollar volume of all loans under flexible lending programs.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Minnesota is rated Outstanding. Investment performance is excellent in the Minneapolis-St. Paul-Bloomington, MN MSA.

Minneapolis-St. Paul-Bloomington, MN MSA

In the Minneapolis-St. Paul-Bloomington, MN MSA, Bank of America has an excellent level of community development investments. The bank made 44 CD investments during the current evaluation period totaling $7.7 million. Approximately $6.8 million or 88 percent of the current period investment dollars supported 512 units of affordable housing. In addition, the bank has 30 CD investments totaling $2.3 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $10 million or 90.5 percent of allocated Tier 1 Capital. The majority of current period investments are innovative or complex with LIHTCs representing approximately $6 million or 80 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $1.5 million in a fund that acquires direct and indirect interests in partnerships that own affordable housing developments throughout the U.S. Financing for these housing developments include LIHTCs. This transaction represents funding applied toward Central Avenue Lofts in Minneapolis, MN, which provides 53 units of affordable housing.

- The bank invested $3.2 million in a Section 42 LIHTC used to fund affordable housing developments in the U.S. This transaction represents Carleton Place Lofts, a 169-unit affordable housing development in St. Paul, MN. All units are restricted to incomes at or below 60 percent of the area median income.

- The bank provided $200,000 in grants to the City of Lakes Community Land Trust (CLCLT), which helps provide affordable home ownership for low- and moderate-income individuals and families throughout Minneapolis, MN. The grants were part of a two-year $2 million commitment to the CLCLT. According to CLCLT, 100 percent of the households served earn less than 80 percent of the area median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Minnesota is rated Low Satisfactory. Service Test performance is adequate in the Minneapolis-St. Paul-Bloomington, MN MSA.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Minneapolis-St. Paul-Bloomington, MN MSA

In the Minneapolis-St. Paul-Bloomington, MN MSA, the bank's service delivery systems are reasonably accessible to geographies and individuals of different income levels. The bank has a very limited retail banking presence in the MSA. Examiners based this conclusion on a comparison of the distribution of the bank's four financial centers with the distribution of the population. The bank has no financial centers in low- and moderate-income geographies where 6.3 percent and 17.1 percent of the population lives, respectively.

Examiners also considered the bank's alternative delivery systems, including cash dispensing ATMs, full-service ATMs, telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems had no effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies.

The bank has one financial center in an upper-income census tract that is adjacent to or in very close proximity to a moderate-income census tract. The adjacent financial center helps improve access to retail banking services to individuals in moderate-income geographies.

The opening and closing of branches generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened all four of its financial centers. While the bank reports one financial center as a closure, it is actually a relocation from one floor to another floor within the same building. Considering the limited number of financial centers and their placement in middle- and upper-income geographies where most of the population resides, service delivery systems are adequate.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are generally consistent throughout the assessment area. Financial centers are generally open 9:00 am to 5:00 pm Monday through Friday and 9:00 am to 1:00 pm on Saturday. One financial center in a middle-income geography is not open for Saturday banking.

Community Development Services

Minneapolis-St. Paul-Bloomington, MN MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 48 community development services targeted to low- and moderate-income individuals. Employees provided 1 financial education workshop and 21 foreclosure prevention workshops for 202 individuals. Employees participated in 22 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, four employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

State of Missouri

CRA Rating for Missouri[32]: **Satisfactory**
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Adequate distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Low level of CD lending that has a negative effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Missouri

The state of Missouri is Bank of America's 41st largest rating area based on its total deposits in the state when excluding deposits in the Kansas City, MO-KS Multistate MSA and St. Louis, MO-IL Multistate MSA. Examiners excluded the multistate MSAs from the analysis of the state of Missouri because examiners evaluated the multistate MSAs as separate rating areas. As of June 30, 2016, the bank maintained approximately $704 million or 0.1 percent of its total domestic deposits in financial centers in areas of the state that do not include the multistate MSAs. Of the 235 depository financial institutions operating in areas of the state of Missouri that do not include the multistate MSAs, Bank of America, with a deposit market share of 1.4 percent, is the 17th largest. The bank's primary banking competitors for deposits with deposit shares greater than 5 percent in the areas of Missouri that exclude the multistate MSAs include U.S. Bank, N.A. (6.1 percent), and Commerce Bank (6 percent). As of December 31, 2016, BANA operated 8 financial centers and 21 full-service ATMs in the areas of the state of Missouri that exclude the multistate MSAs.

Refer to the community profiles for the state of Missouri in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

---

[32] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Scope of Evaluation in Missouri

Examiners selected the Springfield, MO MSA for a full-scope review and the Columbia, MO MSA and Missouri Non-MSA for limited-scope reviews. While the Springfield, MO MSA carries approximately 60 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Missouri, the conclusions and ratings for the state are based on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 2,914 home mortgage loans totaling $346.4 million, 2,888 small loans to businesses totaling $73.8 million, 58 small loans to farms totaling $465,000, and one CD loan totaling $294,000. Based on loan volume, examiners weighted small loans to businesses, representing 50 percent of the volume, the most followed by home mortgage loans at 49 percent, and small loans to farms at 1 percent.

Examiners participated in a forum of 20 individuals representing local government agencies and community organizations. The individuals conveyed a number of needs within the communities including better access to small dollar loans. A large segment of the population, particularly low- and moderate-income, is unbanked and relies on payday loans at interest rates exceeding 400 percent on average to make ends meet. The biggest housing issue in the Springfield, MO MSA is the level of substandard housing. The housing stock in the Springfield, MO MSA is very old and there is a need for home improvement loans. Although home foreclosures are not as high as pre-recession levels, the west side and west central neighborhoods still struggle with high foreclosures.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN MISSOURI

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Missouri is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Missouri is excellent. Lending activity is excellent in the Springfield, MO MSA.

Springfield, MO MSA

Lending activity in the Springfield, MO MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 4.7 percent. The bank ranks fifth among 39 depository financial institutions in the assessment area, which places it in the top 13 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.1 percent based on the number of home mortgage loans originated or purchased. The bank ranks 24th among 317 home mortgage lenders, which places it in the top 8 percent of lenders. According to peer small business data for 2016, the bank has a 1.6 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks sixth among 83 small business lenders, which places it in the top 8 percent of lenders. According to peer small farm data for 2016, the bank has a 0.1 percent market share of small loans to farms based on the number of small loans to farms originated or purchased. The bank ranks 10th among 19 farm lenders, which places it in the bottom 47 percent of lenders. Considering the bank's higher ranking for home mortgage and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects adequate penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is excellent. The distribution is excellent in the Springfield, MO MSA.

Springfield, MO MSA

The geographic distribution of home mortgage loans in the Springfield, MO MSA is excellent. Performance is excellent in low-income geographies and good in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 1 percent is higher than the 0.5 percent of owner-occupied housing units in low-income geographies and it is higher than the 0.5 percent for aggregate lenders. The distribution in moderate-income geographies at 13.3 percent is lower than the 16 percent of owner-occupied housing units in moderate-income geographies, but is higher than the 11.2 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is adequate. The distribution is adequate in the Springfield, MO MSA.

Springfield, MO MSA

The geographic distribution of small loans to businesses in the Springfield, MO MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. The distribution in low-income geographies at 0.3 percent is lower than the 0.8 percent of businesses in low-income geographies and it is slightly lower than the 0.4 percent performance for aggregate lenders. The distribution in moderate-income geographies at 20.4 percent is lower than the 24.3 percent of businesses in moderate-income geographies and it is lower than the 24.3 percent performance for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is excellent. The distribution is excellent in the Springfield, MO MSA.

Springfield, MO MSA

The distribution of home mortgage loans by borrower income in the Springfield, MO MSA is excellent. The distribution is good to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 13.8 percent is lower than the 19.5 percent of low-income families in the MSA; however, the bank's performance is significantly higher than the 4.6 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 18.8 percent exceeds the 18.4 percent of moderate-income families and it exceeds the 15.3 percent performance for aggregate lenders.

Table P: Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower **2014-16**

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Springfield, MO MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 36 percent of its small loans to businesses.

Springfield, MO MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Springfield, MO MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 53.3 percent is lower than the 77.1 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 48.3 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate overall. The distribution is adequate in the Springfield, MO MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 38 percent of its small loans to farms.

Springfield, MO MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Springfield, MO MSA is adequate. Based on farms with known revenues, the proportion of the bank's small loans to farms at 61.9 percent is lower than the 98.9 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution is also weaker than the 78.7 percent for aggregate lenders, overall performance is adequate.

Table T: Assessment Area Distribution of Loans to Farms by Gross Annual Revenues											2014-16

Community Development Lending

CD lending has a negative effect overall on the bank's Lending Test performance in the state of Missouri. To help assess the bank's capacity to lend, examiners compared the dollar volume of CD loans with the dollar volume of the bank's net Tier 1 Capital allocated to the assessment area according to the assessment area's proportion of deposits.

Springfield, MO MSA

In the Springfield, MO MSA, CD lending has a negative effect on the lending performance in the assessment area. During the evaluation period, the bank did not originate any CD loans within the assessment area. Based on the bank's size and financial capacity in the assessment area, the lack of CD lending has a negative effect on overall lending performance.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Missouri, lending under the MHA and HARP programs accounted for 79 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Columbia, MO MSA is consistent with the High Satisfactory Lending Test performance in the state of Missouri. Performance in the Missouri Non-MSA is stronger than the High Satisfactory Lending Test performance in the state of Missouri primarily due to a higher level of CD lending that has a significantly positive effect on lending performance in the assessment area.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Missouri is rated Outstanding. Investment performance is excellent in the Springfield, MO MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Springfield, MO MSA

In the Springfield, MO MSA, Bank of America has an excellent level of CD investments. The bank made 23 CD investments during the current evaluation period totaling $4.8 million. Approximately $4.7 million or 99 percent of the current period investment dollars supported 69 units of affordable housing. In addition, the bank has 23 CD investments totaling $2.7 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $7.5 million or 14.1 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $2.6 million or 56 percent of the investment dollars.

Examples of community development investments include:

- The bank provided $9,500 in grants to the Curators of the University of Missouri for the Missouri College Advising Corps (MCAC). The MCAC's mission is to empower Missouri students to go to college and succeed. MCAC hires and places recent college graduates as full-time near-peer college advisors in high schools that have college-going rates below the statewide average and have high proportions of low-income first-generation-college and underrepresented students. A majority of the high schools to receive programming through this grant have at least 52 percent of students eligible for free or reduced-price lunches.

- The bank provided a $15,000 grant to the Foundation for Springfield Public Schools to support the Middle School Achievement program, which is designed to motivate and encourage students of the pre-teen age group to plan for their futures. The program is for students attending one of ten middle schools where a majority of students are eligible for free or reduced-price lunches.

- The bank provided two grants totaling $15,000 to Habitat for Humanity to support the rehabilitation of a three-bedroom home for a low- or moderate-income family.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Columbia, MO MSA and Missouri Non-MSA is consistent with the Outstanding Investment Test performance in the state of Missouri.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Missouri is rated High Satisfactory. Service Test performance is good in the Springfield, MO MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Springfield, MO MSA

In the Springfield, MO MSA, the bank's service delivery systems are accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's five financial centers with the distribution of the population. The bank has no financial centers in low-income geographies where only 2.3 percent of the population lives. The bank has two financial centers or 40 percent of its financial centers located in moderate-income geographies where 18.2 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including cash dispensing ATMs, full-service ATMs, telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of ADS through income proxies based on customers' residency. The percentages of customers in low- and moderate-income geographies using full-service ATMs and text banking exceeded the percentage of the population in low- and moderate-income geographies.

The bank has two financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. The adjacent financial centers help improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings did adversely affect the accessibility of retail banking services, particularly in moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank closed two financial centers in moderate-income geographies. Due to the already limited retail banking presence in moderate-income geographies, the closures adversely affected the accessibility of retail banking services.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are consistent throughout the assessment area. All financial centers are open 9:00 am to 5:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday.

Table C - Branch and ATM Distribution by Geography Income Level

Community Development Services

Springfield, MO MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 42 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 2 low- and moderate-income individuals and provided 19 financial education workshops for 309 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 12 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, nine employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Columbia, MO MSA is stronger than the High Satisfactory Service Test performance in the state of Missouri due to the stronger distribution of financial centers, particularly in low- and moderate-income geographies. Performance in the Missouri Non-MSA is weaker than the overall High Satisfactory Service Test performance in the state of Missouri. Performance is weaker primarily due to the lack of retail banking presence in the assessment area. Service delivery systems are limited to two ATMs and other alternative delivery systems.

State of Nevada

CRA Rating for Nevada[33]: **Satisfactory**
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Low Satisfactory
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Adequate level of CD lending that has a neutral effect on overall lending performance;
- Adequate level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in Nevada

The state of Nevada is Bank of America's 16th largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $15.3 billion or 1.2 percent of its total domestic deposits in financial centers in the state of Nevada. Of the 44 depository financial institutions operating in the state, Bank of America, with a deposit market share of 7.5 percent, is the third largest. The bank's primary banking competitors for deposits in Nevada with deposit market shares greater than 5 percent include Charles Schwab Bank (67.2 percent) and Wells Fargo Bank (9 percent). As of December 31, 2016, BANA operated 67 financial centers and 253 full-service ATMs in the state of Nevada.

Examiners used the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Las Vegas-Henderson-Paradise, NV MSA, Bank of America reported an additional $562.5 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations. Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

[33] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Refer to the community profiles for the state of Nevada in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in Nevada

Examiners selected the Las Vegas-Henderson-Paradise, NV MSA and Reno, NV MSA for full-scope reviews and the Carson City, NV MSA and Nevada Non-MSA for limited-scope reviews. While the Las Vegas-Henderson-Paradise, NV MSA carries approximately 86 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in Nevada, examiners based the conclusions and ratings for the state on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 22,471 home mortgage loans totaling $4.6 billion, 26,413 small loans to businesses totaling $765.6 million, 111 small loans to farms totaling $2 million, and 23 CD loans totaling $65.5 million. Based on loan volume, examiners weighted small loans to businesses, representing 54 percent of the volume, the most followed by home mortgage loans at 46 percent, and small loans to farms at less than 1 percent.

Examiners interviewed four community development organizations in the full-scope assessment areas. The contacts identified the following needs: affordable housing, housing for homeless individuals and families, micro loans for small businesses, and short-term loans for military personnel.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN NEVADA

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of Nevada is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of Nevada is excellent. Lending activity is excellent in the Las Vegas-Henderson-Paradise, NV MSA and excellent in the Reno, NV MSA.

Las Vegas-Henderson-Paradise, NV MSA

Lending activity in the Las Vegas-Henderson-Paradise, NV MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 24.7 percent. The bank ranks first among 35 depository financial institutions in the assessment area, which places it in the top 3 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2 percent based on the number of home mortgage loans originated or purchased. The bank ranks eighth among 448 home mortgage lenders, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a 9.8 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks third among 138 small business lenders, which places it in the top 3 percent of lenders. According to peer farm data for 2016, the bank has a 7 percent market share based on the number of small loans to farms originated or purchased. The bank ranks fourth among 11 farm lenders, which places it in the top 37 percent of lenders. Considering the bank's higher ranking for home mortgage and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Reno, NV MSA

Lending activity in the Reno, NV MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 1.1 percent. The bank ranks third among 16 depository financial institutions, which places it in the top 19 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 2.6 percent based on the number of home mortgage loans originated or purchased. The bank ranks sixth among 283 home mortgage lenders, which places it in the top 3 percent of lenders. According to peer small business data for 2016, the bank has a 7.6 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 88 small business lenders, which places it in the top 5 percent of lenders. According to peer farm data for 2016, the bank has a market share of 16.7 percent based on the number of small loans to farms originated or purchased. The bank ranks third among seven farm lenders, which places it in the top 43 percent of lenders. Considering the bank's higher ranking for home mortgage and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is adequate. The distribution is adequate in the Las Vegas-Henderson-Paradise, NV MSA and good in the Reno, NV MSA.

Las Vegas-Henderson-Paradise, NV MSA

The geographic distribution of home mortgage loans in the Las Vegas-Henderson-Paradise, NV MSA is adequate. Performance is adequate in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 0.9 percent is lower than the 1.7 percent of owner-occupied housing units in low-income geographies, but is consistent with the 0.9 percent for aggregate lenders. The distribution in moderate-income geographies at 8.3 percent is lower than the 15.5 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 9 percent for aggregate lenders.

Reno, NV MSA

The geographic distribution of home mortgage loans in the Reno, NV MSA is good. Performance is good in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 2.1 percent is lower than the 3.5 percent of owner-occupied housing units in low-income geographies, but is higher than the 1.8 percent for aggregate lenders. The distribution in moderate-income geographies at 10.8 percent is lower than the 15.4 percent of owner-occupied housing units in moderate-income geographies and it is slightly lower than the 11 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the “Inside/Outside Ratio” section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank’s distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank’s HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Las Vegas-Henderson-Paradise, NV MSA and good in the Reno, NV MSA.

Las Vegas-Henderson-Paradise, NV MSA

The distribution of home mortgage loans by borrower income in the Las Vegas-Henderson-Paradise, NV MSA is good. The distribution is adequate to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7.4 percent is lower than the 20.1 percent of low-income families in the MSA; however, the bank's performance is higher than the 3.7 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 18.3 percent exceeds the 18 percent of moderate-income families and it exceeds the 14.1 percent performance for aggregate lenders.

Reno, NV MSA

The distribution of home mortgage loans by borrower income in the Reno, NV MSA is good. The distribution is adequate to low-income borrowers and it is excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 6.1 percent is lower than the 20.9 percent of low-income families in the MSA; however, the bank's performance is higher than the 3.9 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 16.3 percent is slightly below the 17.8 percent of moderate-income families and it exceeds the 14.1 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Las Vegas-Henderson-Paradise, NV MSA and good in the Reno, NV MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 31 percent of its small loans to businesses.

Las Vegas-Henderson-Paradise, NV MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Las Vegas-Henderson-Paradise, NV MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 59.7 percent is lower than the 76.4 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 45.4 percent for aggregate lenders, overall performance is good.

Reno, NV MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Reno, NV MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 54.4 percent is lower than the 75.6 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 40.9 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good overall. The distribution is good in the Las Vegas-Henderson-Paradise, NV MSA and good in the Reno, NV MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 41 percent of its small loans to farms.

Las Vegas-Henderson-Paradise, NV MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Las Vegas-Henderson-Paradise, NV MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 78.6 percent is lower than the 91.9 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution exceeds the 50 percent for aggregate lenders, overall performance is good.

Reno, NV MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Reno, NV MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 58.3 percent is lower than the 94.3 percent of farms with gross annual revenues of $1 million or less. Considering the bank's distribution exceeds the 48.1 percent for aggregate lenders, overall performance is good.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of Nevada.

Las Vegas-Henderson-Paradise, NV MSA

In the Las Vegas-Henderson-Paradise, NV MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated 20 CD loans totaling $62.1 million that helped provide 265 units of affordable housing and promote economic development by financing small businesses. CD lending represents 3.9 percent of the allocated Tier 1 Capital. Approximately 75 percent of the CD loans were SBA 504 loans to small businesses to promote economic development activity. The bank met the community's credit needs primarily through retail lending.

Reno, NV MSA

In the Reno, NV MSA, CD lending has a neutral effect on the lending performance in the assessment area. During the evaluation period, the bank originated one CD loan totaling $1.1 million to a small business to promote economic development activity. CD lending represents 0.6 percent of the allocated Tier 1 Capital. The bank met the community's credit needs primarily through retail lending.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of Nevada, lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Carson City, NV MSA and Nevada Non-MSA is consistent with the High Satisfactory Lending Test performance in the state of Nevada.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of Nevada is rated Low Satisfactory. Investment performance is excellent in the Las Vegas-Henderson-Paradise, NV MSA and very poor in the Reno, NV MSA. Performance in limited-scope assessment areas has a negative effect on the state rating.

Las Vegas-Henderson-Paradise, NV MSA

In the Las Vegas-Henderson-Paradise, NV MSA, Bank of America has an excellent level of CD investments. The bank made 212 CD investments during the current evaluation period totaling $137.2 million. Approximately $127.8 million or 93 percent of the current period investment dollars supported 1,700 units of affordable housing. In addition, the bank has 150 CD investments totaling $27.5 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $164.7 million or 10.4 percent of allocated Tier 1 Capital after considering the $562.5 million in deposits not derived from the MSA. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $91 million or 66 percent of the investment dollars.

Examples of community development investments include:

- The bank provided $1.3 million in grants to Accion New Mexico (Accion), a certified CDFI and member of the Accion U.S. network. Accion is the largest nonprofit micro and small business-lending network in the U.S. The organization used the funds to expand its small business loan pool to emerging entrepreneurs. These grants are responsive to the capital needs of small businesses in the MSA.

- The bank invested more than $825,000 in a fund that makes direct and indirect investments in partnerships that own affordable housing developments throughout the U.S. LIHTCs support these housing developments. This transaction represents Horizon Pines in Henderson, NV with 156 units of affordable housing.

- The bank invested $11 million in a LIHTC to support the rehabilitation of McKnight Senior Village, an existing 110-unit LIHTC senior housing complex in Las Vegas, NV. The complex has 90 units restricted to incomes at or below 50 percent of the area median income and 20 units at market rates.

Reno, NV MSA

In the Reno, NV MSA, Bank of America has a very poor level of CD investments. The bank made 27 CD investments during the evaluation period totaling $5.6 million. Approximately $5.5 million or 99 percent of the current period investment dollars supported 33 units of affordable housing. In addition, the bank has eight CD investments totaling $1.6 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $7.2 million or 3.7 percent of allocated Tier 1 Capital. In addition to the community development investments, Bank of America made 12 grants and donations of more than $49,000 to various community development organizations that serve the needs of the community. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $5.5 million or 99 percent of the investment dollars.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Carson City, NV MSA and Nevada Non-MSA is weaker than the overall Low Satisfactory Investment Test performance in the state of Nevada, primarily due to significantly lower levels of CD investments relative to the bank's size and resources in those assessment areas. The poor performance in each limited-scope assessment area negatively affected the Investment Test rating.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of Nevada is rated Outstanding. Service Test performance is good in the Las Vegas-Henderson-Paradise, NV MSA and excellent in the Reno, NV MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Las Vegas-Henderson-Paradise, NV MSA

In the Las Vegas-Henderson-Paradise, NV MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 50 financial centers with the distribution of the population. The bank has four financial centers representing 8 percent of its financial centers in low-income geographies where 5.3 percent of the population lives. The bank has 10 financial centers representing 20 percent of its financial centers located in moderate-income geographies where 22.8 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including cash dispensing ATMs, full-service ATMs, telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of alternative delivery systems through income proxies based on customers' residency. The percentages of customers in low- and moderate-income geographies using cash dispensing and full-service ATMs exceed the percentage of the population in low- and moderate-income geographies. The proportion of text banking usage is near the proportion of the population.

The bank has five financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to moderate-income census tracts. The adjacent financial centers help improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings generally did not affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank closed two financial centers: one in a middle-income geography and one in an upper-income geography. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are consistent throughout the assessment area. All financial centers are open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Reno, NV MSA

In the Reno, NV MSA, the bank's service delivery systems are readily accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank's 13 financial centers with the distribution of the population. The bank has two financial centers representing 15.4 percent of its financial centers in low-income geographies where 10.1 percent of the population lives. The bank has four financial centers representing 30.8 percent of its financial centers located in moderate-income geographies where 22.3 percent of the population lives.

Examiners also considered the bank's alternative delivery systems, including cash dispensing ATMs, full-service ATMs, telephone, online, mobile, and text banking in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The bank demonstrated customer usage of alternative delivery systems through income proxies based on customers' residency. The percentages of customers in low- and moderate-income geographies using cash dispensing ATMs, full-service ATMs, and text banking exceed the percentage of the population in low- and moderate-income geographies. Usage of the remaining three platforms is near the proportion of the population.

The bank has one financial center in an upper-income census tract that is adjacent to or in very close proximity to a moderate-income census tract. The adjacent financial center helps improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings generally did not affect the accessibility of retail banking services, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. During the evaluation period, the bank closed three financial centers: two in moderate-income geographies and one in a middle-income geography. Despite the closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are consistent throughout the assessment area. All financial centers are open 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Community Development Services

Las Vegas-Henderson-Paradise, NV MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 180 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to 108 low- and moderate-income individuals, and provided 15 financial education workshops and 16 foreclosure prevention workshops for 614 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 24 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 17 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Reno, NV MSA

The bank provides a relatively low level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 15 community development services targeted to low- and moderate-income individuals. Employees provided homebuyer education workshops to one low- or moderate-income individual, and provided three financial education workshops and one foreclosure prevention workshop for 111 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in seven webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, three employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the Nevada Non-MSA is consistent with the Outstanding Service Test performance in the state of Nevada. Performance in the Carson City, NV MSA is weaker. Performance is weaker primarily due to the lack of retail banking presence in the assessment area. Service delivery systems are limited to a single financial center, eight ATMs, and other alternative delivery systems.

State of New Hampshire

CRA Rating for New Hampshire[34]:Satisfactory
The Lending Test is rated: High Satisfactory
The Investment Test is rated: Outstanding
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Good distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- Relatively low level of CD lending that has a neutral effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Reasonably accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in New Hampshire

The state of New Hampshire is Bank of America's 30th largest rating area based on its total deposits in the state when excluding deposits in the Boston-Cambridge-Newton, MA-NH Multistate MSA. Examiners excluded the multistate MSA from the analysis of the state of New Hampshire because examiners evaluated the multistate MSA as a separate rating area. As of June 30, 2016, the bank maintained approximately $3.6 billion or 0.3 percent of its total domestic deposits in financial centers in areas of the state of New Hampshire that do not include the multistate MSA. Of the 32 depository financial institutions operating in the state of New Hampshire, Bank of America, with a deposit market share of 15.6 percent, is the third largest. The bank's primary banking competitors for deposits in New Hampshire with deposit shares greater than 5 percent include Citizens Bank (26.2 percent) and TD Bank (18.9 percent). As of December 31, 2016, BANA operated 14 financial centers and 32 full-service ATMs in areas of the state of New Hampshire that exclude the multistate MSA.

Examiners used the bank's deposit volume as an indicator of its capacity to lend and invest in its assessment areas. In some cases, not all deposits originated from the local community. In the Manchester-Nashua, NH MSA, Bank of America reported an additional $123.6 million in deposits of national corporations, in which the funds originated from communities across the nation and deposited in financial centers near the headquarters of these large corporations.

[34] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Adjusting the bank's total deposits in the MSA by excluding these external deposits from the local deposit base gives a more accurate indicator of the bank's capacity in the assessment area.

Refer to the community profiles for the state of New Hampshire in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in New Hampshire

The bank defined two assessment areas in the state of New Hampshire. Examiners selected the Manchester-Nashua, NH MSA for a full-scope review and the New Hampshire Non-MSA for a limited-scope review. While the Manchester-Nashua, NH MSA carries approximately 71 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in New Hampshire, examiners based the conclusions and ratings for the state on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 2,821 home mortgage loans totaling $623.2 million, 5,161 small loans to businesses totaling $186 million, 64 small loans to farms totaling $479,000, and 5 CD loans totaling $8.7 million. Based on loan volume, examiners weighted small loans to businesses, representing 64 percent of the volume, the most followed by home mortgage loans at 35.1 percent, and small loans to farms at less than 1 percent.

Examiners interviewed one local housing agency. The agency identified the following community needs: access to capital for small businesses; affordable housing; and neighborhood revitalization and stabilization.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN NEW HAMPSHIRE

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of New Hampshire is rated High Satisfactory, based on excellent lending activity, good geographic distribution, and good borrower income distribution. Performance in the limited-scope assessment area has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of New Hampshire is excellent. Lending activity is excellent in the Manchester-Nashua, NH MSA.

Manchester-Nashua, NH MSA

Lending activity in the Manchester-Nashua, NH MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 22.7 percent. The bank ranks second among 19 depository financial institutions, which places it in the top 11 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 13th among 322 home mortgage lenders in the assessment area, which places it in the top 5 percent of lenders. According to peer small business data for 2016, the bank has an 8.3 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 85 small business lenders, which places it in the top 5 percent of lenders. For small loans to farms, the bank has a market share of 33.3 percent based on the number of small loans to farms originated or purchased. The bank ranks first among 10 farm lenders, which places it in the top 10 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects good penetration in low- and moderate-income geographies. The distribution is excellent in the Manchester-Nashua, NH MSA; however, adequate performance in the limited-scope assessment area negatively affected the conclusion. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is good in the Manchester-Nashua, NH MSA.

Manchester-Nashua, NH MSA

The geographic distribution of home mortgage loans in the Manchester-Nashua, NH MSA is good. Performance is excellent in low-income geographies and adequate in moderate-income geographies. The distribution of home mortgage loans in low-income geographies at 3 percent exceeds the 1.8 percent of owner-occupied housing units in low-income geographies and it exceeds the 2.2 percent for aggregate lenders. The distribution in moderate-income geographies at 10.1 percent is lower than the 14.2 percent of owner-occupied housing units in moderate-income geographies and it is lower than the 13.8 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is good. The distribution is excellent in the Manchester-Nashua, NH MSA. Performance in the limited-scope assessment area has a negative effect on the overall conclusion.

Manchester-Nashua, NH MSA

The geographic distribution of small loans to businesses in the Manchester-Nashua, NH MSA is excellent. Performance is good in low-income geographies and excellent in moderate-income geographies. The distribution in low-income geographies at 10.5 percent is lower than the 11.7 percent of businesses in low-income geographies; however, it slightly exceeds the 9.9 percent performance for aggregate lenders. The distribution in moderate-income geographies at 13.9 percent is slightly below the 14.3 percent of businesses in moderate-income geographies and it exceeds the 13.6 percent performance for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to farms.

The overall geographic distribution of small loans to farms is adequate. Performance is poor in the Manchester-Nashua, NH MSA. Performance in the limited-scope assessment area has a positive effect on the overall conclusion.

Manchester-Nashua, NH MSA

The geographic distribution of small loans to farms in the Manchester-Nashua, NH MSA is poor, based on poor performance in low-income geographies and very poor performance in moderate-income geographies. The geographic distribution of small loans to farms in low-income geographies at 0 percent is below the 2.6 percent of farms in low-income geographies, but it is consistent with the 0 percent for aggregate lenders. The geographic distribution in moderate-income geographies at 0 percent is also less than the 9.8 percent of farms in moderate-income geographies and it is below the 3.7 percent for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. The distribution is good in the Manchester-Nashua, NH MSA. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Manchester-Nashua, NH MSA.

Manchester-Nashua, NH MSA

The distribution of home mortgage loans by borrower income in the Manchester-Nashua, NH MSA is good. The distribution is adequate to low-income borrowers and it is good to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 7.5 percent is lower than the 18.9 percent of low-income families in the MSA; however, the bank's performance is higher than the 4.6 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income borrowers at 15.1 percent is lower than the 18.8 percent of moderate-income families and it is slightly lower than the 17.7 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Manchester-Nashua, NH MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 38 percent of its small loans to businesses.

Manchester-Nashua, NH MSA

The distribution of small loans to businesses with gross annual revenues of $1 million or less in the Manchester-Nashua, NH MSA is good. Based on businesses with known revenues, the proportion of the bank's small loans to businesses at 47.7 percent is lower than the 78 percent of businesses with gross annual revenues of $1 million or less. Considering the bank's distribution is stronger than the 42.1 percent for aggregate lenders, overall performance is good.

Table R: Assessment Area Distribution of Loans to Small Businesses by Gross Annual Revenues **2014-16**

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations and purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is good. Performance is good in the Manchester-Nashua, NH MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 36 percent of its small loans to farms.

Manchester-Nashua, NH MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Manchester-Nashua, NH MSA is good. Based on farms with known revenues, the proportion of the bank's small loans to farms at 63.6 percent is lower than the 96.8 percent of farms with gross annual revenues of $1 million or less. However, the bank's distribution exceeds the 44.4 percent for aggregate lenders.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of New Hampshire. The bank met the community's credit needs primarily through retail lending.

Manchester-Nashua, NH MSA

The bank originated or purchased an adequate level of CD loans in the Manchester-Nashua, NH MSA. The bank originated five CD loans totaling $8.7 million during the review period. The loans were responsive to community development needs in the assessment area, particularly the rehabilitation and development of affordable housing and promotion of economic development by financing small businesses. The most notable example of CD lending was $7.2 million in loans to finance the conversion of the historic Pine Valley Mill to provide 50 units of affordable housing.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of New Hampshire, lending under the MHA and HARP programs accounted for 88 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the New Hampshire Non-MSA is weaker than the overall High Satisfactory Lending Test performance in the state of New Hampshire primarily due to weaker geographic distributions of loans.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of New Hampshire is rated Outstanding. Investment performance is excellent in the Manchester-Nashua, NH MSA. Performance in the limited-scope assessment area has a neutral effect on the state rating.

Manchester-Nashua, NH MSA

In the Manchester-Nashua, NH MSA, Bank of America has an excellent level of CD investments. The bank made 120 CD investments during the current evaluation period totaling $46.1 million. Approximately $45.6 million or 99 percent of the current period investment dollars supported 328 units of affordable housing. In addition, the bank has 72 CD investments totaling $6.7 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Prior period and current period investments total $52.8 million or 17.2 percent of allocated Tier 1 Capital. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $35.5 million or 77 percent of the investment dollars.

Examples of community development investments include:

- The bank invested nearly $5.7 million into a Fannie Mae commercial mortgage-backed security. Pheasant Run Apartments, a 341-unit multifamily affordable housing development, secures the mortgage-backed security. The development has 68 units or 20 percent of the units restricted to incomes at or below 50 percent of the area median income.

- The bank invested $9.9 million in a LIHTC and Historic Tax Credit to fund the partial conversion of Pine Valley Mill, a historic mill building in Milford, NH into 50 units of affordable housing. All units are restricted to incomes at or below 60 percent of the area median income.

- The bank invested more than $114,000 in a LIHTC supporting Antrim Village, a 40-unit affordable housing development in Antrim, NH. All units are restricted to incomes at or below 50 percent of the area median income. The bank's portion of funding helped to finance four of the units.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the New Hampshire Non-MSA is consistent with the Outstanding Investment Test performance in the state of New Hampshire.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America’s performance under the Service Test in the state of New Hampshire is rated Low Satisfactory. Service Test performance is adequate in the Manchester-Nashua, NH MSA. Performance in the limited-scope assessment area has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services.

Manchester-Nashua, NH MSA

In the Manchester-Nashua, NH MSA, the bank’s service delivery systems are reasonably accessible to geographies and individuals of different income levels. Examiners based this conclusion on a comparison of the distribution of the bank’s eight financial centers with the distribution of the population. The bank has three financial centers in low-income geographies or 37.5 percent of its financial centers where only 6.6 percent of the population lives. However, the bank has no financial centers located in moderate-income geographies where 18.8 percent of the population lives.

Examiners also considered the bank’s alternative delivery systems, including ATMs, and telephone, online, mobile, and text banking in evaluating accessibility to the bank’s products and services. Based on customer usage, alternative delivery systems have no effect on the accessibility of the bank’s service delivery systems to low- and moderate-income individuals and geographies.

The bank has three financial centers in middle- and upper-income census tracts that are adjacent to or in very close proximity to low- and moderate-income census tracts. The adjacent financial centers help improve access to retail banking services to individuals in moderate-income geographies.

Financial center openings and closings did adversely affect the accessibility of retail banking services, particularly in moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank opened one financial center and closed six. The bank closed one financial center in a low-income geography, two in moderate-income geographies, and three in middle- and upper-income geographies.

Banking products and services do not vary in a way that inconveniences the assessment area, particularly in low- and moderate-income geographies or to low- and moderate-income individuals. The bank offers a full range of products and services. Hours of operation are consistent throughout the assessment area. Financial centers are open 9:00 am to 4:00 pm Monday through Friday and 9:00 am to 12:00 pm on Saturday. One financial center in a low-income census tract operates from 8:30 am to 4:30 pm Monday through Friday with no Saturday banking.

Community Development Services

Manchester-Nashua, NH MSA

The bank provides a relatively high level of community development services in the MSA. During the evaluation period, the bank participated with community development organizations to provide 51 community development services targeted to low- and moderate-income individuals. Employees provided three financial education workshops for 69 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 17 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 17 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Service Test performance in the New Hampshire Non-MSA is weaker than the overall Low Satisfactory Service Test performance in the state of New Hampshire primarily due to the weaker distribution of financial centers and retail banking access, particularly in moderate-income geographies.

State of New Jersey

CRA Rating for New Jersey[35]: Satisfactory
The Lending Test is rated: Low Satisfactory
The Investment Test is rated: High Satisfactory
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Good volume of loans originated or purchased within the assessment area;
- Adequate distribution of loans by geography and good distribution by borrower income or business revenue size;
- Limited level of CD lending that has a negative effect on the Lending Test rating;
- Significant level and good responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in New Jersey

The state of New Jersey is Bank of America's 26th largest rating area based on its total deposits in the state when excluding deposits in the Allentown-Bethlehem-Easton, PA-NJ, New York-Newark-Jersey City, NY-NJ, and Philadelphia-Camden-Wilmington, PA-NJ-DE Multistate MSAs. Examiners excluded the multistate MSAs from the analysis of the state of New Jersey because examiners evaluated the multistate MSAs as separate rating areas. As of June 30, 2016, the bank maintained approximately $4.6 billion or 0.4 percent of its total domestic deposits in financial centers in areas of the state of New Jersey that do not include the multistate MSAs. Of the 44 depository financial institutions operating in areas of the state that exclude the multistate MSAs, Bank of America, with a deposit market share of 16.7 percent, is the largest. Banking competitors with deposit market shares greater than 5 percent include TD Bank (11.2 percent), Wells Fargo Bank (11 percent), and PNC Bank (10.4 percent). As of December 31, 2016, the bank operated 33 full-service financial centers and 78 deposit-taking ATMs in the areas of the state that do not include the multistate MSAs.

Refer to the community profiles for the state of New Jersey in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

[35] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Scope of Evaluation in New Jersey

The bank has defined four assessment areas in the state of New Jersey. Examiners selected the Atlantic City-Hammonton, NJ MSA and Trenton, NJ MSA for full-scope reviews. The remaining two assessment areas, Ocean City, NJ MSA and Vineland-Bridgeton, NJ MSA, received limited-scope reviews. While the Atlantic City-Hammonton, NJ MSA and Trenton, NJ MSA carry approximately 90.6 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in New Jersey, examiners based the conclusions and ratings for the state on the activities within all assessment areas.

During the evaluation period, Bank of America originated or purchased 6,206 home mortgage loans totaling $1.6 billion, 7,667 small loans to businesses totaling $247.5 million, 95 small loans to farms totaling $977,000, and 3 CD loans totaling $23 million. Based on loan volume, examiner weighted home mortgage and small business lending equally, which carried more weight than small loans to farms in determining the Lending Test rating.

The bank did not originate or purchase sufficient volumes of small loans to farms in the Trenton, NJ MSA, Ocean City, NJ MSA, and Vineland-Bridgeton, NJ MSA to provide any meaningful analyses.

Examiners conducted telephone interviews with three local community development organizations. The organizations identified affordable housing, affordable rental assistance, loans to improve older housing stock, employment, and continued disaster assistance as community needs.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN NEW JERSEY

LENDING TEST

Bank of America's performance under the Lending Test in the state of New Jersey is rated Low Satisfactory, based on good lending activity, adequate geographic distribution, and good borrower income distribution. The lack of any CD lending in the Trenton, NJ MSA, which is the largest assessment area in New Jersey with about 74 percent of the state's deposits, has a positive effect on the Lending Test rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Conclusions for Areas Receiving Full-Scope Reviews

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of New Jersey is good. Lending activity is excellent in the Atlantic City-Hammonton, NJ MSA and it is good in the Trenton, NJ MSA.

Atlantic City-Hammonton, NJ MSA

Lending activity in the Atlantic City-Hammonton, NJ MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 13.1 percent. The bank ranks fourth among 16 depository financial institutions in the assessment area, which places it in the top 25 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 3.1 percent based on the number of home mortgage loans originated or purchased. The bank ranks eighth among 334 home mortgage lenders, which places it in the top 3 percent of lenders. According to peer small business data for 2016, the bank has a 7.3 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 83 small business lenders, which places it in the top 5 percent of lenders in the MSA. According to peer farm data for 2016, the bank has a 22.7 percent market share of small loans to farms based on the number of small loans to farms originated or purchased. The bank ranks first among eight farm lenders, which places it in the top 13 percent of lenders. Considering the bank’s higher ranking among all lenders for home mortgage loans, small loans to businesses, and small loans to farms relative to its ranking for deposits, and the greater weight placed on home mortgage and small loans to businesses, overall lending activity is excellent.

Trenton, NJ MSA

Lending activity in the Trenton, NJ MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 22.1 percent. The bank ranks first among 26 depository financial institutions in the assessment area, which places it in the top 4 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 4 percent based on the number of home mortgage loans originated or purchased. The bank ranks fifth among 395 home mortgage lenders, which places it in the top 2 percent of lenders. According to peer small business data for 2016, the bank has a 9.1 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks fourth among 95 small business lenders, which places it in the top 5 percent of lenders. The bank originated or purchased too few small loans to farms for any meaningful analysis. Considering the bank’s higher ranking among all lenders for small loans to businesses relative to its ranking for deposits and the greater weight placed on home mortgage and small loans to businesses, overall lending activity is excellent.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects adequate penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of home mortgage loans.

The overall geographic distribution of home mortgage loans is good. The distribution is excellent in the Atlantic City-Hammonton, NJ MSA and good in the Trenton, NJ MSA.

Atlantic City-Hammonton, NJ MSA

The geographic distribution of home mortgage loans in the Atlantic City-Hammonton, NJ MSA is excellent. Performance is excellent in low-income census tracts and excellent in moderate-income census tracts. The distribution of the bank's home mortgage loans in low-income geographies at 2.7 percent is slightly lower than the 2.9 percent of owner-occupied housing units in low-income geographies and it is higher than the 1.3 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 16.6 percent is higher than the 14.1 percentage of owner-occupied housing units in moderate-income geographies and it is higher than the 10.8 percent for aggregate lenders.

Trenton, NJ MSA

The geographic distribution of home mortgage loans in the Trenton, NJ MSA is good. Performance is good in low-income and moderate-income census tracts. The distribution of the bank's home mortgage loans in low-income geographies at 4.9 percent is slightly lower than the 6.9 percent of owner-occupied housing units in low-income geographies and it is higher than the 2.8 percent for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 11.9 percent is lower than the 14.1 percentage of owner-occupied housing units in moderate-income geographies and it is higher than the 9.9 percent for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of small loans to businesses.

The overall geographic distribution of small loans to businesses is adequate. The distribution is good in the Atlantic City-Hammonton, NJ MSA and adequate in the Trenton, NJ MSA.

Atlantic City-Hammonton, NJ MSA

The geographic distribution of small loans to businesses in the Atlantic City-Hammonton, NJ MSA is good overall. The distribution is excellent in low-income geographies and adequate in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 10 percent is higher than the 8.7 percent of businesses operating in low-income geographies and it is higher than the 8.6 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 12.3 percent is lower than the 13.8 percent of businesses operating in moderate-income geographies and it is lower than the 15 percent for aggregate lenders.

Trenton, NJ MSA

The geographic distribution of small loans to businesses in the Trenton, NJ MSA is adequate overall. The distribution is poor in low-income geographies and adequate in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 4.3 percent is lower than the 11.1 percent of businesses operating in low-income geographies and lower than the 7.5 percent for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 7.9 percent is lower than the 10.5 percent of businesses operating in moderate-income geographies and it is lower than the 10.4 percent for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of small loans to farms.

The overall geographic distribution of small loans to farms is poor, driven by performance in the Atlantic City-Hammonton, NJ MSA.

Atlantic City-Hammonton, NJ MSA

The geographic distribution of small loans to farms in the Atlantic City-Hammonton, NJ MSA is poor overall. The distribution is adequate in low-income geographies and poor in moderate-income geographies. The proportion of the bank's small loans to farms in low-income geographies at 0 percent is lower than the 0.7 percent of farms in low-income geographies and it is consistent with the 0 percent for aggregate lenders. Considering that very few farms are located in low-income geographies, which indicate fewer opportunities to make small loans to farms, performance is adequate. The bank's proportion of small loans to farms in moderate-income geographies at 0 percent is lower than the 7.6 percent of farms in moderate-income geographies and 4.8 percent for aggregate lenders. The lower aggregate performance when compared to the percent of farms in moderate-income geographies is indicative of the limited opportunities to make small loans to farms in the MSA.

Trenton, NJ MSA

The bank originated or purchased too few small loans to farms to provide any meaningful analysis.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Atlantic City-Hammonton, NJ MSA and good in the Trenton, NJ MSA.

Atlantic City-Hammonton, NJ MSA

The bank's distribution of home mortgage loans by borrower income in the Atlantic City-Hammonton, NJ MSA is good overall. The distribution is adequate to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 8.6 percent is significantly lower than the 21.3 percent of low-income families, yet is higher than the 3.3 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 17.6 percent is slightly lower than the proportion of moderate-income families at 17.8 percent, but it exceeds the 11 percent performance for aggregate lenders.

Trenton, NJ MSA

The bank's distribution of home mortgage loans by borrower income in the Trenton, NJ MSA is good overall. The distribution is adequate to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 10.4 percent is significantly lower than the 22.8 percent of low-income families, but it is higher than the 6.4 percent for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 15.8 percent is slightly lower than the 16.8 percent of moderate-income families, but it is slightly higher than the 15.3 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The distribution is good in the Atlantic City-Hammonton, NJ MSA and good in the Trenton, NJ MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 35 percent of its small loans to businesses.

Atlantic City-Hammonton, NJ MSA

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less in the Atlantic City-Hammonton, NJ MSA is good. The proportion of the bank's small loans to businesses at 53.5 percent is lower than the 77.7 percent of businesses with gross annual revenues of $1 million or less. However, considering the bank's distribution is greater than the 36.9 percent for aggregate lenders, overall performance is good.

Trenton, NJ MSA

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less in the Trenton, NJ MSA is good. The proportion of the bank's small loans to businesses at 53.8 percent is lower than the 74.4 percent of businesses with gross annual revenues of $1 million or less. However, considering the bank's distribution is greater than the 42.8 percent for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate, driven by performance in the Atlantic City-Hammonton, NJ MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 27 percent of its small loans to farms.

Atlantic City-Hammonton, NJ MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Atlantic City-Hammonton, NJ MSA is adequate. Approximately 55.6 percent of the bank's small loans were to farms with gross annual revenues of $1 million or less. The bank's proportion is lower than the 95.7 percent of farms with gross annual revenues of $1 million or less, which indicates poor performance. However, when considering the bank's proportion of loans is greater than the 52.4 percent performance for aggregate lenders, overall performance is adequate.

Trenton, NJ MSA

The bank originated or purchased too few small loans to businesses to provide any meaningful analysis.

Community Development Lending

CD lending has a negative effect overall on the bank's Lending Test performance in the state of New Jersey, driven mostly by the lack of CD lending in the Trenton, NJ MSA.

Atlantic City-Hammonton, NJ MSA

CD lending has a significantly positive effect on the bank's Lending Test performance in the Atlantic City-Hammonton, NJ MSA. During the evaluation period, the bank originated one CD loan totaling $15.2 million that helped provide affordable housing within the assessment area. CD lending represents 16 percent of the allocated Tier 1 Capital.

Trenton, NJ MSA

CD lending has a negative effect on the bank's Lending Test performance in the Trenton, NJ MSA. The bank originated no CD loans during the evaluation period.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of New Jersey, lending under the MHA and HARP programs accounted for 84 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Lending Test performance in the Ocean City, NJ MSA and Vineland-Bridgeton, NJ MSA is stronger than the overall Low Satisfactory performance under the Lending Test in the state of New Jersey primarily due to stronger geographic distributions.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

The bank's performance under the Investment Test in the state of New Jersey is rated High Satisfactory. Based on full-scope reviews, the bank's performance in the Atlantic City-Hammonton, NJ MSA is poor and the performance in the Trenton, NJ MSA is excellent. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Atlantic City-Hammonton, NJ MSA

Bank of America's performance under the Investment Test in the Atlantic City-Hammonton, NJ MSA is poor. The bank made 39 community development investments during the current evaluation period totaling $3.3 million. Approximately $2.3 million or 70 percent of the current period investment dollars supported 15 units of affordable housing. In addition, the bank has 19 community development investments totaling $1 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $4.3 million or 4.6 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $2.3 million or 70 percent of the investment dollars.

Examples of community development investments include:

- The bank donated $213,000 to a non-profit organization with a mission to fight hunger and poverty in New Jersey. The organization achieves its mission through its own programs and 1,100 hunger-fighting member charities including soup kitchens, food pantries, and shelters. The Food Bank distributes more than 40 million pounds of food and groceries annually. All of the individuals and families served have household incomes at or below 185 percent of the federal poverty level or 46-74 percent of the average median income for a family of four.

- The bank donated $350,000 to a non-profit organization with a mission to alleviate pain and foster growth in people who are experiencing a wide variety of personal and relationship problems. More than 75 percent of the individuals and families served are 200 percent below the federal poverty level.

- The bank invested $70,000 in a nonprofit certified CDFI, which provides capital and technical assistance in order to build the economic self-sufficiency of low-income individuals and communities. The Community Loan Fund intends to use the proceeds from this investment to provide flexible and creative financing through a broad spectrum of credit offerings to customers who either lack access to capital or cannot afford the cost of capital from conventional sources.

Trenton, NJ MSA

Bank of America's performance under the Investment Test in the Trenton, NJ MSA is excellent. The bank made 176 community development investments during the current evaluation period totaling $38.3 million. Approximately $35 million or 92 percent of the current period investment dollars supported 277 units of affordable housing. In addition, the bank has 33 community development investments totaling $2.7 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $41.0 million or 9.5 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are neither innovative nor complex with mortgage-backed securities representing approximately $33.9 million or 88 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $2 million in a certified CDFI with a mission to create and preserve healthy communities where low-income people live and work. The organization seeks to create transformational change across low-income communities by financing community development projects that include affordable housing, but also encompass childcare, public education, healthcare facilities, and commercial revitalization projects that serve as a foundation for healthy communities.

- The bank invested $1.1 million in a fund that owns affordable rental housing projects financed in part with Federal LIHTCs. The 471 projects represent 45,553 rental units, of which 43,672 units or 96 percent are income restricted affordable housing units.

- The bank donated $275,000 to a non-profit organization with a mission to end homelessness in Central New Jersey by harnessing the caring resources and expertise of the community. The organization has helped over 13,000 people with emergency shelter, permanent housing, food, educational/vocational training, and linkages to critically needed services. All of the clients served have household incomes at or below 68 percent of the average median income.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.
(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Investment Test performance in the Vineland-Bridgeton, NJ MSA is stronger than the overall High Satisfactory performance due to higher levels of community development investments. Performance in the Ocean City, NJ MSA is weaker than the overall High Satisfactory performance due to significantly lower levels of community development investments. Performance in the limited-scope areas did not negatively affect the overall rating for the Lending Test in the state of New Jersey.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

The bank’s performance under the Service Test in in the state of New Jersey is rated High Satisfactory. Based on full-scope reviews, the bank’s performance is good in both the Atlantic City-Hammonton, NJ MSA and the Trenton, NJ MSA. Performance in limited-scope assessment areas have a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank’s retail banking services in the state of New Jersey.

Atlantic City-Hammonton, NJ MSA

BANA’s service delivery systems in the Atlantic City-Hammonton, NJ MSA are accessible to geographies and individuals of different income levels, based on a comparison of the bank’s nine financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has one financial center in low-income geographies representing 11.1 percent of its financial centers. Considering 6.9 percent of the population lives in low-income geographies, the distribution of the bank’s financial centers in low-income geographies is excellent. The bank also has one financial center in moderate-income geographies representing 11.1 percent of its financial centers. Considering 19.8 percent of the population lives in moderate-income geographies, the financial center distribution is adequate.

Examiners also considered the bank’s alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank’s products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank’s service delivery systems to low- and moderate-income individuals and geographies.

The bank has one financial center in a middle-income geography that is adjacent to or is in very close proximity to a moderate-income geography. This adjacent financial center further improves access of service delivery systems to low- and moderate-income individuals and geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank closed four financial centers in middle- and upper-income geographies. There were no closures of financial centers in low- and moderate-income geographies.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment areas, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are primarily 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Trenton, NJ MSA

BANA’s service delivery systems in the Trenton, NJ MSA are accessible to geographies and individuals of different income levels, based on a comparison of the bank’s 15 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has two financial centers in low-income geographies representing 13.3 percent of its financial centers. Considering 13.6 percent of the population lives in low-income geographies, financial center distribution is excellent. The bank has one financial center in moderate-income geographies representing 6.7 percent of its financial centers. Considering 16 percent of the population resides in moderate-income geographies, financial center distribution is poor.

Examiners also considered the bank’s alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking in evaluating accessibility to the bank’s products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank’s service delivery systems to low- and moderate-income individuals and geographies.

The bank has two financial centers in a middle-income geography that are adjacent to or are in very close proximity to a moderate-income geography. These adjacent financial centers further improve access of service delivery systems to low- and moderate-income individuals and geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank closed one financial center in a low-income geography. While this closure was in a low-income geography, the percentage of financial centers in low-income geographies remains in line with the population distribution.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment areas, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are primarily 9:00 am to 4:00 pm Monday through Thursday, 9:00 am to 6:00 pm on Friday, and 9:00 am to 1:00 pm on Saturday.

Community Development Services

Atlantic City-Hammonton, NJ MSA

The bank provides a limited level of community development services within the Atlantic City-Hammonton, NJ MSA. During the evaluation period, the bank participated with community development organizations to provide eight community development services targeted to low- and moderate-income individuals. Employees provided three financial education workshops for 51 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in five webinars and workshops with non-profit organizations to help the organizations with capacity building. No employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Trenton, NJ MSA

The bank provides a relatively high level of community development services within the Trenton, NJ MSA. During the evaluation period, the bank participated with community development organizations to provide 130 community development services targeted to low- and moderate-income individuals. Employees provided 100 financial education workshops for 2,085 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 15 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, 15 employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

The bank's Service Test performance in the Ocean City, NJ MSA and Vineland-Bridgeton, NJ MSA is weaker than the bank's overall High Satisfactory performance under the Service Test in New Jersey primarily due to a weaker distribution of financial centers. Performance in the limited-scope areas did not negatively affect the overall rating for the Investment Test in the state of New Jersey.

State of New Mexico

CRA Rating for New Mexico[36]: Outstanding
The Lending Test is rated: Outstanding
The Investment Test is rated: High Satisfactory
The Service Test is rated: Outstanding

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment area;
- Excellent distribution of loans by geography and good distribution by borrower income or business revenue size;
- Relatively low level of CD lending that has a neutral effect on overall lending performance;
- Good level and responsiveness of qualified investments; and
- Readily accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in New Mexico

The state of New Mexico is Bank of America's 31st largest rating area based on its total deposits in the state. As of June 30, 2016, the bank maintained approximately $3.6 billion or 0.3 percent of its total domestic deposits in financial centers within the state of New Mexico. Of the 58 depository financial institutions operating in the state, Bank of America, with a deposit market share of 11.6 percent, is the second largest. Depository financial institutions in the state with market shares greater than 5 percent include Wells Fargo Bank (29 percent) and U.S. Bank (5.1 percent). As of December 31, 2016, the bank operated 25 full-service financial centers and 82 deposit-taking ATMs in the state.

Refer to the community profiles for the state of New Mexico in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in New Mexico

The bank has defined five assessment areas in the state of New Mexico. Examiners selected the Albuquerque, NM MSA and New Mexico Non-MSA for full scope reviews. The remaining three assessment areas including Farmington, NM MSA, Las Cruces, NM MSA, and Santa Fe, NM MSA, received limited scope reviews. While the Albuquerque, NM MSA and New Mexico

[36] For institutions with branches in two or more states in a multistate metropolitan area, this statewide evaluation does not reflect performance in the parts of this state contained within the multistate metropolitan area. Refer to the multistate metropolitan area rating and discussion for the rating and evaluation of the institution's performance in that area.

Non-MSA carry approximately 77.2 percent weight of the overall conclusions based on the bank's presence there relative to all assessment areas in New Mexico, examiners based the conclusions and ratings for the state on the activities within all assessment areas.

During the evaluation period, Bank of America originated or purchased 6,920 home mortgage loans totaling $1.2 billion, 7,482 small loans to businesses totaling $228.1 million, 96 small loans to farms totaling $1.0 million, and 5 CD loans totaling $18.2 million. Based on loan volume, examiners weighted home mortgage and small business lending equally, which carry more weight than small loans to farms in determining the Lending Test rating.

The examiners contacted three local nonprofit organizations and discussed area community development needs. According to the community contacts, the communities need specialized loan products for low- and moderate-income people and assistance for local community development organizations.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN NEW MEXICO

LENDING TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of New Mexico is rated Outstanding, based on excellent lending activity, excellent geographic distribution, and good borrower income distribution. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of New Mexico is excellent. Lending activity is excellent in the Albuquerque, NM MSA and New Mexico Non-MSA.

Albuquerque, NM MSA

Lending activity in the Albuquerque, NM MSA is excellent. According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 18.4 percent. The bank ranks second among 23 depository financial institutions in the assessment area, which places it in the top 9 percent of institutions. Based on aggregate mortgage lending data for 2016, the bank has a market share of 2 percent based on the number of home mortgage loans originated or purchased. The bank ranks ninth among 339 home mortgage lenders, which places it in the top 3 percent of lenders competing for loans in the assessment area. According to peer small business data for 2016, the bank has a 5.4 percent market share based on the number of small loans to businesses originated or purchased. The bank ranks sixth among 102 small business lenders, which places the bank in the top 6 percent of lenders. According to peer farm data for 2016, the bank has a market share of 18.7 percent based on the number of small loans to farms originated or purchased. The bank ranks third among 16 farm lenders, which places it in the top 19 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

New Mexico Non-MSA

Lending activity in the New Mexico Non-MSA is excellent. According to FDIC deposit data as of June 30, 2016, the bank has a deposit market share of 13.2 percent. The bank ranks third among six depository financial institutions, which places it in the 50th percentile of institutions. Based on aggregate mortgage lending data for 2016, the bank has a market share of 0.5 percent based on the number of home mortgage loans originated or purchased. The bank ranks 37th among 77 home mortgage lenders, which places it in the top 49 percent of lenders. According to peer small business data for 2016, the bank has a 4 percent market share based on the number of small loans to businesses originated or purchased. The bank ranks seventh among 28 small business lenders, which places the bank in the top 25 percent of lenders. The bank originated or purchased too few small loans to farms for any meaningful analysis. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

(**) The evaluation period for Community Development Loans is January 1, 2012 to December 31, 2016.
(***) Deposit data as of June 30, 2016. Rated area refers to either the state or multi-state MSA as appropriate.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of home mortgage loans.

The overall geographic distribution of home mortgage loans is excellent. The distribution is excellent in the Albuquerque, NM MSA and New Mexico Non-MSA.

Albuquerque, NM MSA

The geographic distribution of home mortgage loans in the Albuquerque, NM MSA is excellent. The bank's home mortgage lending is excellent in low-income census tracts and good in moderate-income census tracts. The distribution of the bank's home mortgage loans in low-income geographies at 2.5 percent is slightly higher than the 2.2 percent of owner-occupied housing units in low-income geographies and the 1.7 percent performance for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 19.6 percent is lower than the 27.7 percentage of owner-occupied housing units in moderate-income geographies, but is higher than the18.9 percent performance for aggregate lenders.

New Mexico Non-MSA

The geographic distribution of home mortgage loans in the New Mexico Non-MSA is excellent. The bank's home mortgage lending is excellent in low-income and good in moderate-income census tracts. The distribution of the bank's home mortgage loans in low-income geographies at 9.1 percent exceeds the 3.5 percent of owner-occupied housing units in low-income geographies and the 4.6 percent performance for aggregate lenders. The distribution of home mortgage loans in moderate-income geographies at 40.9 percent is significantly lower than the 65.3 percent of owner-occupied housing units in moderate-income geographies, but it exceeds the 37 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is excellent in the Albuquerque, NM MSA and New Mexico Non-MSA.

Albuquerque, NM MSA

The geographic distribution of small loans to businesses Albuquerque, NM MSA is excellent overall. The distribution is excellent in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 6.4 percent is higher than the 6.2 percent of businesses operating in low-income geographies and the 5.7 percent performance for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 24.7 percent is lower than the 26.6 percent of businesses operating in moderate-income geographies, but is slightly higher than the 24.1 percent performance for aggregate lenders.

New Mexico Non-MSA

The geographic distribution of small loans to businesses New Mexico Non-MSA is excellent. The distribution is excellent in low-income geographies and excellent in moderate-income geographies. The proportion of the bank's small loans to businesses in low-income geographies at 9.1 percent is equal to the 9.1 percent of businesses operating in low-income geographies and it exceeds the 6.7 percent performance for aggregate lenders. The proportion of the bank's small loans to businesses in moderate-income geographies at 57.1 percent is greater than the 55.2 percent of businesses operating in moderate-income geographies and the 49.5 percent performance for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small business, and small farm lending with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is good in the Albuquerque, NM MSA and adequate in the New Mexico Non-MSA.

Albuquerque, NM MSA

The bank's distribution of home mortgage loans by borrower income in the Albuquerque, NM MSA is good overall. The distribution is adequate to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 9.5 percent is significantly lower than the 22.2 percent of low-income families, yet higher than the 6.1 percent performance for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 18.9 percent exceeds the 17.9 percent of moderate-income families and the 17.5 percent performance for aggregate lenders.

New Mexico Non-MSA

The bank's distribution of home mortgage loans by borrower income in the New Mexico Non-MSA is adequate overall. The distribution is very poor to low-income borrowers and excellent to moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income families at 0 percent is significantly lower than the 30.3 percent of low-income families and the 4.6 percent performance for aggregate lenders. The proportion of home mortgage loans to moderate-income families at 18.2 percent is slightly lower than the proportion of moderate-income families at 19.0 percent, but is higher than the 9.9 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table R for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to businesses.

The distribution of small loans to businesses with gross annual revenues of $1 million or less is good overall. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 36 percent of its small loans to businesses. The distribution is good in the Albuquerque, NM MSA and the New Mexico Non-MSA.

Albuquerque, NM MSA

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less in the Albuquerque, NM MSA is good. The proportion of the bank's small loans to businesses at 53 percent is lower than the 78.8 percent of businesses with gross annual revenues of $1 million or less. However, considering that the bank's distribution is exceeds the 44.1 percent performance for aggregate lenders, overall performance is good.

New Mexico Non-MSA

The bank's distribution of small loans to businesses with gross annual revenues of $1 million or less in the New Mexico Non-MSA is good. The proportion of the bank's small loans to businesses at 48.1 percent is lower than the 66.5 percent of businesses with gross annual revenues of $1 million or less. However, considering the bank's distribution exceeds the 44.3 percent performance for aggregate lenders, overall performance is good.

Small Loans to Farms

Refer to Table T for the facts and data used to evaluate the borrower distribution of the bank's originations/purchases of small loans to farms.

The distribution of small loans to farms with gross annual revenues of $1 million or less is adequate, based on the adequate distribution in the Albuquerque, NM MSA. The bank did not collect or consider the gross annual revenues in the underwriting of approximately 41 percent of its small loans to farms.

Albuquerque, NM MSA

The distribution of small loans to farms with gross annual revenues of $1 million or less in the Albuquerque, NM MSA is adequate. Approximately 51.5 percent of the bank's small loans were to farms with gross annual revenues of $1 million or less. The bank's proportion is lower than the 96.2 percent of farms with gross annual revenues of $1 million or less, which indicates poor performance. However, considering the bank's proportion of loans is close to the 54.1 percent performance for aggregate lenders, overall performance is adequate.

New Mexico Non-MSA

The bank did not originate or purchase sufficient volumes of small loans to farms in the New Mexico Non-MSA to provide any meaningful analysis.

Community Development Lending

CD lending has a neutral effect overall on the bank's Lending Test performance in the state of New Mexico.

Albuquerque, NM MSA

CD lending has a neutral effect on the bank's Lending Test performance in the Albuquerque, NM MSA. During the evaluation period, the bank originated four CD loans totaling $14.3 million that helped provide 91 units of affordable housing within the assessment area. CD lending represents 4.2 percent of the allocated Tier 1 Capital. The bank met the community's credit needs primarily through retail lending.

Examples of CD loans include:

- The bank originated a $7.4 million loan to construct a 71-unit mixed-income multifamily housing development in Albuquerque, NM. Unit income restrictions are as follows, 15 units at 30 percent of area median income (AMI), 17 units at 40 percent of AMI, 17 units at 50 percent of AMI, 21 market rate units, and 1 unrestricted manager unit.

- The bank originated a $2.6 million loan to finance the construction of 21 modular single-family residences. Upon completion, the developer will sell all of the homes to low- and moderate-income families earning less than 80 percent of the AMI.

- The bank originated a $2.5 million loan to finance the construction of 21 modular single-family residences. Upon completion, the developer will sell all of the homes to low- and moderate-income families earning less than 80 percent of AMI.

New Mexico Non-MSA

CD lending has a negative effect on the bank's Lending Test performance in the New Mexico Non-MSA. The bank originated no CD loans during the evaluation period.

Product Innovation and Flexibility

Bank of America offers various national and local flexible lending programs that have benefitted borrowers during the evaluation period. These include programs such as America's Home Grant, Affordable Loan Solutions, and Business Advantage Credit Line. The bank also participates with multiple organizations that provide flexible lending through NACA and other affordable housing programs. Within the state of New Mexico, lending under the MHA and HARP programs accounted for 88 percent of the dollar volume of all loans under flexible lending programs.

Conclusions for Areas Receiving Limited-Scope Reviews

Based on limited-scope reviews, the bank's performance under the Lending Test in the Las Cruces, NM MSA and Santa Fe, NM MSA is consistent with the bank's overall Outstanding performance under the Lending Test in the state of New Mexico. Performance in the Farmington, NM MSA is weaker than the overall Outstanding Lending Test performance primarily due to the weaker geographic distribution of loans and limited level of CD lending.

INVESTMENT TEST

Conclusions for Areas Receiving Full-Scope Reviews

Refer to Table 14 for the facts and data used to evaluate the bank's level of qualified investments.

Bank of America's performance under the Investment Test in the state of New Mexico is rated High Satisfactory. Investment performance is excellent in the Albuquerque, NM MSA and adequate in the New Mexico Non-MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Albuquerque, NM MSA

In the Albuquerque, NM MSA, Bank of America has an excellent level of CD investments. The bank made 92 community development investments during the current evaluation period totaling $35.6 million. Approximately $35 million or 99 percent of the current period investment dollars supported 192 units of affordable housing. In addition, the bank has 65 community development investments totaling $5.8 million it made during a prior evaluation period that are still outstanding and continue to provide benefit to the community. Outstanding prior period and current period investments total $41.4 million or 12.3 percent of the bank's Tier 1 Capital allocated to the assessment area. The majority of current period investments are innovative or complex with LIHTCs representing approximately $24 million or 67 percent of the investment dollars.

Examples of community development investments include:

- The bank invested $12.2 million in a LIHTC to finance the construction of a 68-unit apartment complex located in Albuquerque, NM. Of the units to be constructed, 56 units are restricted to renters with incomes at or below 60 percent of the area median income (AMI).

- The bank invested $11.8 million in a LIHTC to finance the construction of a 71-unit mixed-income multifamily housing development in Albuquerque, NM. Unit income restrictions are as follows, 15 units at 30 percent of the AMI, 17 units at 40 percent of the AMI, 17 units at 50 percent of the AMI, 21 market rate units, and 1 unrestricted manager unit.

- The bank invested $319,000 in commercial mortgage-backed securities (CMBS) backed by pools of multifamily mortgage loans. A 120-unit multifamily affordable housing development with 48 units that are income restricted to at or below 60 percent of AMI secures this transaction.

New Mexico Non-MSA

Bank of America's performance under the Investment Test in the New Mexico Non-MSA is adequate. The bank made seven community development investments during the current evaluation period totaling $202,000. Approximately $190,000 or 94 percent of the current period investment dollars supported two units of affordable housing. In addition, the bank has one community development investment totaling $293,000 made during a prior evaluation period that is still outstanding and continues to provide benefit to the community. Outstanding prior period and current period investments total $495,000 or 6.1 percent of the bank's Tier 1 Capital allocated to the assessment area.

(*) 'Prior Period Investments' means investments made in a previous evaluation period that are outstanding as of the examination date.

(**) 'Unfunded Commitments' means legally binding investment commitments that are tracked and recorded by the bank's financial reporting system.

Conclusions for Areas Receiving Limited-Scope Reviews

Based on limited-scope reviews, the bank's performance under the Investment Test in the Farmington, NM MSA, Las Cruces, NM MSA, and Santa Fe, NM MSA is weaker than the bank's overall High Satisfactory performance under the Investment Test in the state of New Mexico. Performance is weaker primarily due to lower levels of CD investments relative to the bank's capacity in those assessment areas.

SERVICE TEST

Conclusions for Areas Receiving Full-Scope Reviews

Bank of America's performance under the Service Test in the state of New Mexico is rated Outstanding. Service Test performance is excellent in the Albuquerque, NM MSA and New Mexico Non-MSA. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Retail Banking Services

Refer to Table C for the facts and data used to evaluate the accessibility of the bank's retail banking services.

Albuquerque, NM MSA

BANA's service delivery systems in the Albuquerque, NM MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank's 18 financial centers in each tract income category with the distribution of the population in those same tract categories. The bank has two financial centers in low-income geographies representing 11.1 percent of its financial centers. Considering 4.5 percent of the population lives in low-income geographies, financial center distribution in low-income geographies is excellent. The bank has five financial centers in moderate-income geographies representing

27.8 percent of its financial centers. Considering 31.7 percent of the population lives in moderate-income geographies, financial center distribution in moderate-income geographies is good.

Examiners also considered the bank's alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking were considered in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a significantly positive effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies. The proportion of customers in low- and moderate-income geographies using the various ADS platforms compares favorably to the proportion of individuals living in low- and moderate-income geographies.

The bank has three financial centers in middle- and upper-income geographies that are adjacent to or are in very close proximity to low- and moderate-income geographies. These adjacent financial centers further improve access of service delivery systems to low- and moderate-income individuals and geographies.

Financial center openings and closings generally did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank closed five financial centers, including three in moderate-income geographies and two in middle-income geographies. Despite these closures, financial centers remain readily accessible to individuals and geographies of different income levels.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment areas, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours are generally consistent throughout the assessment area. Financial center lobby hours are primarily 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm Friday, and 9:00 am to 1:00 pm Saturday.

New Mexico Non-MSA

BANA's service delivery systems in the New Mexico Non-MSA are readily accessible to geographies and individuals of different income levels, based on a comparison of the bank's financial centers in each tract income category to the distribution of the population in those same tract categories. The bank has no financial centers in low-income geographies. Its sole financial center is located in a moderate-income geography.

Examiners also considered the bank's alternative delivery systems, including ATMs, telephone banking, online banking, and mobile banking were considered in evaluating accessibility to the bank's products and services. Based on customer usage, alternative delivery systems have a neutral effect on the accessibility of the bank's service delivery systems to low- and moderate-income individuals and geographies.

Financial center openings and closings did not adversely affect the accessibility of retail banking services, particularly in low- and moderate-income geographies and to low- and moderate-income individuals. During the evaluation period, the bank closed one financial center in a middle-income geography.

Banking products, services, and hours of operations do not vary in a way that inconveniences the assessment areas, particularly in low- and moderate-income geographies, and to low- and moderate-income individuals. The bank offers a full range of products and services. Banking hours for the single branch are 9:00 am to 5:00 pm Monday through Thursday, 9:00 am to 6:00 pm Friday, and 9:00 am to 1:00 pm Saturday.

Community Development Services

Albuquerque, NM MSA

The bank provides a relatively high level of community development services within the Albuquerque, NM MSA. During the evaluation period, the bank participated with community development organizations to provide 90 community development services targeted to low- and moderate-income individuals. Employees provided 19 financial education workshops and 46 foreclosure prevention workshops for 580 individuals. Attendees to the financial education workshops were primarily students from low- and moderate-income families. Employees participated in 18 webinars and workshops with non-profit organizations to help the organizations with capacity building. In addition, seven employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

New Mexico Non-MSA

The bank provides a limited level of community development services within the New Mexico Non-MSA. During the evaluation period, the bank participated with community development organizations to provide five community development services targeted to low- and moderate-income individuals. Employees provided five financial education workshops for 40 individuals that were primarily from low- and moderate-income families. No employees served on the boards or committees of community organizations. The types of CD services provided are responsive to the needs identified in the community.

Conclusions for Areas Receiving Limited-Scope Reviews

Based on limited-scope reviews, the bank's performance under the Service Test in the Las Cruces, NM MSA and Santa Fe, NM MSA is consistent with the bank's overall Outstanding performance under the Service Test in New Mexico. Performance in the Farmington, NM MSA is weaker than the overall Outstanding performance for the state of New Mexico due to the lack of any financial centers in low- or moderate-income geographies.

State of New York

CRA Rating for New York **Outstanding**
The Lending Test is rated: Outstanding
The Investment Test is rated: Outstanding
The Service Test is rated: High Satisfactory

The major factors that support this rating include:

- Excellent volume of loans originated or purchased within the assessment areas;
- Excellent distribution of loans by geography and good distribution of loans by borrower income or business revenue size;
- High level of CD lending that has a significantly positive effect on overall lending performance;
- Excellent level and responsiveness of qualified investments; and
- Accessible service delivery systems to low- and moderate-income geographies and individuals.

Description of Institution's Operations in the State of New York

The state of New York is Bank of America's 24th largest rating area based on its total deposits in the state when excluding deposits in the New York-Newark-Jersey City, NY-NJ Multistate MSA. Examiners excluded the multistate MSA from the analysis of the state of New York because examiners evaluated the multistate MSA as a separate rating area. As of June 30, 2016, the bank maintained approximately $7.1 billion or 0.6 percent of its total domestic deposits in financial centers in areas of the state of New York that do not include the New York-Newark-Jersey City, NY-NJ Multistate MSA. Of the 89 depository financial institutions operating in the areas of the state that do not include the multistate MSA, Bank of America, with a deposit market share of 5.3 percent, is the fourth largest. The bank's primary banking competitors for deposits in the state of New York with deposit shares greater than 5 percent include Manufacturers and Traders Trust Company (26.2 percent), KeyBank (12.6 percent), First Niagara Bank (12.6 percent), and Citizens Bank (5.1 percent). As of December 31, 2016, BANA operated 73 financial centers and 135 full service ATMs in the areas of the state of New York that do not include the multistate MSA.

Refer to the community profiles for the state of New York in appendix C for detailed demographics and other performance context information for assessment areas that received full-scope reviews.

Scope of Evaluation in New York

Examiners selected three assessment areas for full-scope reviews and the remaining five assessment areas for limited-scope reviews. The full-scope assessment areas were the Buffalo-Cheektowaga-Niagara Falls, NY MSA, Kingston, NY MSA, and Syracuse, NY MSA. Examiners based the conclusions and ratings on the activities within all assessment areas. During the evaluation period, Bank of America originated or purchased 8,238 home mortgage loans totaling $1.3 billion, 24,492 small loans to businesses totaling $889.8 million, 432 small loans to farms totaling $5.2 million, and 44 CD loans totaling $256 million. Lending volumes include loans originated or purchased in the Glenn Falls, NY MSA and the counties of Columbia, Greene, Fulton, Montgomery, and Sullivan, which the bank no longer designates as assessment areas due to the bank's closure or sale of all financial centers and deposit-taking ATMs in those communities. In addition, the lending volumes include loans originated or purchased in the Poughkeepsie-Newburgh-Middletown, NY prior to the MSA's inclusion in the New York-Newark-Jersey City, NY-NJ Multistate MSA in 2014. Based on loan volume, examiners weighted small loans to businesses, representing 74 percent of the volume, the most followed by home mortgage lending at 25 percent, and small loans to farms at 1.3 percent.

Examiners conducted telephone interviews with five local community service agencies representing neighborhood housing, employment, and community service needs. The organizations identified the following as needs across the state:

- Commercial office space
- Development in city neighborhoods outside of downtown areas
- Higher income jobs
- Affordable housing construction
- Affordable home mortgage loan products that comply with qualified mortgage requirements
- Rehabilitation of vacant properties, especially those with structural issues
- Neighborhood revitalization and stabilization in LMI communities
- Language assistance in purchasing homes
- Post home ownership counseling
- Non-profit assistance for first-time homebuyer programs
- Small business capital loans
- Small dollar lending
- Low cost and/or free checking

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN NEW YORK

LENDING TEST

Conclusions in the Area Receiving Full-Scope Reviews

Bank of America's performance under the Lending Test in the state of New York is rated Outstanding, based on excellent lending activity, excellent geographic distribution, and good borrower income distribution. CD lending has a significantly positive effect on the Lending Test rating. Performance in limited-scope assessment areas has a neutral effect on the state rating.

Lending Activity

Based on total lending volume in Table 1, peer deposit and loan data for 2016, and relevant performance context considerations, the bank's lending activity in the state of New York is excellent. Lending activity is excellent in the Buffalo-Cheektowaga-Niagara Falls, NY MSA, Kingston, NY MSA, and Syracuse, NY MSA.

Buffalo-Cheektowaga-Niagara Falls, NY MSA

Lending activity in the Buffalo-Cheektowaga-Niagara Falls, NY MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 5.1 percent. The bank ranks fourth among 16 depository financial institutions in the assessment area, which places it in the top 25 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1.9 percent based on the number of home mortgage loans originated or purchased. The bank ranks 12th among 261 home mortgage lenders, which places it in the top 5 percent of lenders competing for loans. According to peer small business data for 2016, the bank has a 9 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks third among 101 small business lenders, which places it in the top 3 percent of lenders in the MSA. For small loans to farms, the bank has a market share of 6.1 percent based on the number of small loans to farms originated or purchased. The bank ranks fifth among 17 farm lenders, which places it in the top 30 percent of lenders. Considering the bank's higher ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Kingston, NY MSA

Lending activity in the Kingston, NY MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 13.1 percent. The bank ranks second among 21 depository financial institutions in the assessment area, which places it in the top 10 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 1 percent based on the number of home mortgage loans originated or purchased. The bank ranks 21st among 187 home mortgage lenders, which places it in the top 12 percent of lenders competing for loans. According to peer small business data for 2016, the bank has a market share of 11.3 percent of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks second among 65 small business lenders, which places it in the top 4 percent of lenders in the MSA. According to peer farm data for 2016, the bank has a market share of 32.3 percent based on the number of small loans to farms originated or purchased. The bank ranks first among 10 farm lenders, which places it in the top 10 percent of lenders. Considering the bank's higher ranking among all lenders for small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Syracuse, NY MSA

Lending activity in the Syracuse, NY MSA is excellent. Based on FDIC deposit data as of June 30, 2016, Bank of America has a deposit market share of 14.8 percent. The bank ranks second among 16 depository financial institutions in the assessment area, which places it in the top 13 percent of institutions. According to peer mortgage data for 2016, the bank has a market share of 0.9 percent based on the number of home mortgage loans originated or purchased. The bank ranks 27th among 214 home mortgage lenders, which places it in the top 13 percent of lenders competing for loans. According to peer small business data for 2016, the bank has a 6.1 percent market share of small loans to businesses based on the number of small loans to businesses originated or purchased. The bank ranks seventh among 92 small business lenders, which places it in the top 8 percent of lenders in the MSA. For small loans to farms, the bank has a market share of 11.8 percent based on the number of small loans to farms originated or purchased. The bank ranks fourth among 19 farm lenders, which places it in the top 22 percent of lenders. Considering the bank's ranking among all lenders for home mortgage loans and small loans to businesses relative to its ranking for deposits, overall lending activity is excellent.

Distribution of Loans by Income Level of the Geography

The bank's geographic distribution of loans reflects excellent penetration in low- and moderate-income geographies. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table O for the facts and data used to evaluate the geographic distribution of the bank's home mortgage loan originations/purchases.

The overall geographic distribution of home mortgage loans is excellent. The distribution is good in the Buffalo-Cheektowaga-Niagara Falls, NY MSA and excellent in the Kingston, NY MSA and Syracuse, NY MSA.

Buffalo-Cheektowaga-Niagara Falls, NY MSA

The geographic distribution of home mortgage loans in the Buffalo-Cheektowaga-Niagara Falls, NY MSA is good. The distribution of the bank’s home mortgage lending is good in both low- and moderate-income geographies. The distribution of the bank’s home mortgage loans in low-income geographies at 3.6 percent is lower than the 5 percent of owner-occupied housing units in low-income geographies, but it is higher than the 2.5 percent performance of aggregate lenders. The distribution in moderate-income geographies at 11.4 percent is lower than the 14.3 percent of owner-occupied housing units in moderate-income geographies, and it is higher than the 11 percent performance for aggregate lenders.

Kingston, NY MSA

The geographic distribution of home mortgage loans in the Kingston, NY MSA is excellent. The distribution of the bank’s home mortgage lending is excellent in moderate-income geographies. Because there are no low-income census tracts, examiners based the conclusion for this MSA on the performance in moderate-income geographies. The distribution in moderate-income geographies at 9.8 percent is slightly lower than the 10.4 percent of owner-occupied housing units in moderate-income geographies, and it is higher than the 8.6 percent performance for aggregate lenders.

Syracuse, NY MSA

The geographic distribution of home mortgage loans in the Syracuse, NY MSA is excellent. The distribution of the bank’s home mortgage lending is excellent in both low- and moderate-income geographies. The distribution of the bank’s home mortgage loans in low-income geographies at 4 percent is higher than the 3.3 percent of owner-occupied housing units in low-income geographies and higher than the 2.2 percent performance of aggregate lenders. The distribution in moderate-income geographies at 13.7 percent is higher than the 13.6 percent of owner-occupied housing units in moderate-income geographies and it is higher than the 12.5 percent performance for aggregate lenders.

Small Loans to Businesses

Refer to Table Q for the facts and data used to evaluate the geographic distribution of the bank's originations/purchases of small loans to businesses.

The overall geographic distribution of small loans to businesses is excellent. The distribution is good in the Buffalo-Cheektowaga-Niagara Falls, NY MSA and Kingston, NY MSA and excellent in the Syracuse, NY MSA.

Buffalo-Cheektowaga-Niagara Falls, NY MSA

The geographic distribution of small loans to businesses in the Buffalo-Cheektowaga-Niagara Falls, NY MSA is good. Performance is adequate in low-income geographies and good in moderate-income geographies. The distribution in low-income geographies at 6.1 percent is lower than the 8 percent of businesses in low-income geographies and it is lower than the 7 percent performance for aggregate lenders. The distribution in moderate-income geographies at 12.8 percent is lower than the 14.6 percent of businesses in moderate-income geographies and it is lower than the 13.8 percent performance for aggregate lenders.

Kingston, NY MSA

The geographic distribution of small loans to businesses in the Kingston, NY is good. Because there are no low-income census tracts, examiners based the conclusion on the bank's performance in moderate-income geographies. The distribution in moderate-income geographies at 11.2 percent is lower than the 13.2 percent of businesses in moderate-income geographies, and slightly higher than the 11.1 percent performance for aggregate lenders.

Syracuse, NY MSA

The geographic distribution of small loans to businesses in Syracuse, NY MSA is excellent. Performance is excellent in low-income geographies and good in moderate-income geographies. The distribution in low-income geographies at 14.7 percent is higher than the 13.3 percent of businesses in low-income geographies and it is higher than the 11.4 percent performance for aggregate lenders. The distribution in moderate-income geographies at 12.1 percent is lower than the 14.1 percent of businesses in moderate-income geographies and it is lower than the 12.5 percent performance for aggregate lenders.

Small Loans to Farms

Refer to Table S for the facts and data used to evaluate the geographic distribution of the bank's origination/purchase of small loans to farms.

The overall geographic distribution of small loans to farms is adequate. The distribution is poor in the Buffalo-Cheektowaga-Niagara Falls, NY MSA and Kingston, NY MSA and it is excellent in the Syracuse, NY MSA.

Buffalo-Cheektowaga-Niagara Falls, NY MSA

The geographic distribution of small loans to farms in the Buffalo-Cheektowaga-Niagara Falls, NY MSA is poor. Performance is poor in low-income geographies and poor in moderate-income geographies. The distribution in low-income geographies at 0 percent is lower than the 2.6 percent of farms in low-income geographies, but is consistent with the 0 percent for aggregate lenders. The distribution in moderate-income geographies at 0 percent is lower than the 5.6 percent of farms in moderate-income geographies and it is lower than the 1.2 percent performance for aggregate lenders.

Kingston, NY MSA

The geographic distribution of small loans to farms in the Kington, NY MSA is poor. Because the Kingston, NY MSA has no low-income census tracts, the conclusion is based on performance in moderate-income geographies. Performance is poor in moderate-income geographies. The distribution in moderate-income geographies at 0 percent is lower than the 6.3 percent of farms in moderate-income geographies, but is consistent with the 0 percent performance for aggregate lenders.

Syracuse, NY MSA

The geographic distribution of small loans to farms in the Syracuse, NY MSA is excellent. Performance is excellent in low-income geographies and excellent in moderate-income geographies. The distribution in low-income geographies at 10.5 percent significantly exceeds the 1.8 percent of farms in low-income geographies and it is significantly higher than the 0.7 percent performance for aggregate lenders. The distribution in moderate-income geographies at 11.1 percent is higher than the 9.6 percent of farms in moderate-income geographies and it is higher than the 7.3 percent performance for aggregate lenders.

Lending Gap Analysis

For areas receiving full-scope reviews, examiners noted no conspicuous or unexplained gaps in lending in low- and moderate-income geographies.

Inside/Outside Ratio

See the "Inside/Outside Ratio" section within the overall Scope of Evaluation.

Distribution of Loans by Income Level of the Borrower

The bank's distribution of loans by borrower income and revenue size is good. For this analysis, examiners compared the bank's HMDA-reportable loan originations and purchases, small loans to businesses, and small loans to farms with available demographic information. Examiners also considered any relevant performance context information and aggregate lending data.

Home Mortgage Loans

Refer to Table P for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The overall distribution of home mortgage loans by borrower income is good. The distribution is adequate in the Buffalo-Cheektowaga-Niagara Falls, NY MSA and Kingston, NY MSA and excellent in the Syracuse, NY MSA.

Buffalo-Cheektowaga-Niagara Falls, NY MSA

The distribution of home mortgage loans by borrower income in the Buffalo-Cheektowaga-Niagara Falls, NY MSA is adequate. The distribution is poor for low-income borrowers and good for moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 5.9 percent is lower than the 21.6 percent of low-income families and it is lower than the 7.5 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 16.5 percent is lower than the 17.4 percent of moderate-income families and it is lower than the 20.4 percent performance for aggregate lenders.

Kingston, NY MSA

The distribution of home mortgage loans by borrower income in the Kingston, NY MSA is adequate. The distribution is poor for low-income borrowers and good for moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 4.9 percent is lower than the 19.6 percent of low-income families and it is lower than the 5.7 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 15.7 percent is lower than the 17.8 percent of moderate-income families and it is lower than the 16.7 percent performance for aggregate lenders.

Syracuse, NY MSA

The distribution of home mortgage loans by borrower income in the Syracuse, NY MSA is excellent. The distribution is good for low-income borrowers and excellent for moderate-income borrowers. The proportion of the bank's home mortgage loans to low-income borrowers at 13.7 percent is lower than the 21.3 percent of low-income families, but higher than the 9.1 percent performance for aggregate lenders. The proportion of loans to moderate-income borrowers at 21.7 percent is higher than the 17.1 percent of moderate-income families and it is higher than the 21.3 percent performance for aggregate lenders.
