Sign up to receive $30 off your home internet bill with the Affordable Connectivity Program (ACP)!

■ **What is ACP?** The Affordable Connectivity Program (ACP) is a federal program that makes broadband internet more affordable for eligible households and families.

■ **How?** ACP provides a $30 monthly subsidy towards qualifying families' home internet bill.

■ **Who is eligible?** Participants in any of the following assistance programs: SNAP, Medicaid, Federal Housing Assistance, Veterans Pension or survivor benefits, SSI, WIC. Households with gross annual incomes 200% or less than the federal poverty guidelines also qualify.

■ **How can I sign up?** Visit **getinternet.gov** to learn more and apply, or contact one of the following Community Outreach partners for assistance with enrollment.
