NOTICE: STATEWIDE CLOSURE OF RESTAURANTS AND BARS

All bars and restaurants in the state of Illinois will be closed to the public, beginning at the close of business Monday, March 16th through Monday, March 30th following Governor JB Pritzker's latest action to minimize the spread of COVID-19 in our communities. The Department of Business Affairs and Consumer Protection (BACP) is working in close partnership with Chicago's restaurant owners and entrepreneurs on how they can continue to serve our residents during this difficult time, including ensuring kitchens can safely remain open by implementing food delivery, drive-thru and carry out at local establishments.

This is a rapidly evolving situation and this document will be updated regularly with new guidance and answers to frequently asked questions regarding the Coronavirus Disease 2019 (COVID-19) impacts on the food industry. For up-to-date health guidance, please visit www.chicago.gov/coronavirus.
