Subject: Extention on comment period

Hello,

I am a resident of Chicago's Southeast Side and a member of the Southeast Side Coalition to Ban Petcoke. Last week, our group requested an extension to the comment period on the proposed regulations and a meeting with the Chicago Department of Public Health where we can ask questions about the regulations. I am writing today to urge you to grant that extension and to meet with us and talk about the regulations. We have a lot of questions and we want to be involved in the regulatory process.

Thank you for your time.
Sincerely,
Olga Bautista
