1 PRESIDENT LIGHTFOOT: We're going to get
2 started. My name is Lori Lightfoot. I am
3 President of the Chicago Police Board. I am
4 calling the meeting to order.

5 Board Member Delgado is unable to
6 attend this meeting in person. Is there a
7 motion to attend via audio conference?

8 VICE PRESIDENT FOREMAN: So moved.

9 BOARD MEMBER EADDY: Second.

10 PRESIDENT LIGHTFOOT: All those in favor?

11 (Chorus of Ayes.)

12 PRESIDENT LIGHTFOOT: Any opposed?

13 (No Response.)

14 PRESIDENT LIGHTFOOT: Motion passes.

15 First item of business is
16 approval of the minutes of the Board's regular
17 public meeting on September 18th.

18 Is there a motion to approve the
19 minutes?

20 VICE PRESIDENT FOREMAN: So moved.

21 BOARD MEMBER EADDY: Second.

22 PRESIDENT LIGHTFOOT: All those in favor?

23 (Chorus of Ayes.)

24 PRESIDENT LIGHTFOOT: Any opposed?

2 BOARD MEMBER DELGADO: Aye.

8 At this time, I ask for a motion
9 to close the series of executives sessions for

13 Meetings Act.

20 (No Response.)

21 PRESIDENT LIGHTFOOT: Motion passes.

22 A report of disciplinary actions
23 taken by the Board during the previous month
24 has been made available at this evening's

1 meeting. This report and the Board's written
2 Findings and Decisions are posted on the
3 Board's Website.

4 The general orders and other
5 directives issued by the Superintendent of
6 Police during this previous month are listed in
7 the books made available at this evening's
8 meeting and also posted on the Police
9 Department's website.

10 First Deputy Navarro, do you have
11 a report?

12 FIRST DEPUTY SUPERINTENDENT NAVARRO: Yes.
13 First off, I wanted to thank everybody for
14 attending the meeting.

15 The last two years, CPD has began
16 focusing our efforts to be a better agency for
17 both the public, you, and our officers.

18 We've made a lot of progress, but
19 the challenges won't occur overnight. Can't
20 fix the Department overnight. We realize that.

21 The Superintendent has made it
22 quite clear that it's very important that we
23 get it done right, not quickly.

24 A couple of highlights: Our new

1 use-of-force policy went into effect a few days
2 ago. Of course, as everybody knows, this is
3 the first use-of-force policy where we had
4 public input, and we appreciate that, first
5 time ever.

6 The use-of-force policy focuses
7 on the sanctity of life and deescalation. So
8 we want officers to look at that.

9 We also want officers to be
10 trained on this use-of-force policy every year.
11 That hasn't been done before.

12 So officers will be trained on
13 the proper use of force every year.

14 By the end of the year, every
15 officer on patrol will have a body camera and a
16 Taser.

17 We want to make sure that the
18 transparency is there. And with the use of
19 body cameras, we think that will happen.

20 We're working to spread community
21 policing throughout the Department.

22 As the Superintendent has said
23 before, community policing is not a unit in the
24 Police Department, it's a philosophy. We want

1 our officers to get out of the cars and talk
2 and mingle and interact with the citizens.

3 Officers in the academy are now
4 given cultural sensitivity training at the
5 DuSable Museum. That's something new that
6 we've done for a few months now. And
7 additional resources will be coming for
8 community policing as the Mayor has announced
9 from the budget.

10 We've also taken recommendations
11 from the Advisory Panel with public input
12 coming soon. So we'll be looking forward to
13 that.

14 We had made a recent personnel
15 change recently. Dwayne Betts, the former
16 commander of the 15th District, is now the new
17 deputy chief of the CAPS program.

18 Dwayne, if you can stand up,
19 please, and be recognized. Thank you.

20 Something unique. We're working
21 with the Attorney General, the Illinois
22 Attorney General, on the next steps in the
23 consent decree process.

24 So those are some of our

1 highlights.

2 Once, again, thank you all for
3 being here. We appreciate it.

4 PRESIDENT LIGHTFOOT: Thank you, First
5 Deputy Navarro.

6 Before we open it up to comments
7 from members of the public who signed up in
8 advance to speak, I want to note two things.
9 We obviously have a number of speakers that
10 have signed up tonight, which is, I think, a
11 good thing. Encouraging that citizens from all
12 corners of our City come to share information,
13 to give information. But I think -- I want to
14 emphasize it's important that we are respectful
15 to each other. These are tense, difficult
16 times. We're all aware of that. We know
17 there's a lot of anger and frustration on the
18 part of folks who have had different kinds of
19 experiences with policing. And we certainly
20 encourage people to give a voice to their
21 concerns and interests.

22 But I want to also make sure that
23 everybody who has signed up to speak has the
24 opportunity to do so.

1 So that's why we have people sign
2 up in advance. That's why we respectfully have
3 time limits on the amount of time people speak.
4 We want to make sure we're all considerate to
5 each other, because no voice is more important,
6 no voice should be louder than anybody else.
7 We want to make sure we give everybody the
8 opportunity to come and share whatever it is
9 that they want to share.

10 The other thing that I want to
11 say is that we all blindfolded of the fact that
12 we are on the eve of an important milestone in
13 the civic life of our history, and that, of
14 course, is the untimely death of the Laquan
15 McDonald.

16 That young man's death, the
17 circumstances in which he died, the
18 circumstances under which the fact of his death
19 came to public view, including the videotape,
20 profoundly affected all of us, is something
21 that is important in the City's history, and I
22 think has bent the arc of justice in ways that
23 are important. And that progress has to be
24 made on a number of different fronts, and that

1 will be the way in which we take advantage of
2 the opportunities, frankly, that this moment
3 presents to us and be part of the legacy we
4 leave for him and his family.

5 So I want to take that moment to
6 make sure that if everything that we do, we are
7 respectful of that life lost, as the lives of
8 others that have been lost that many of you
9 have come to speak about to us at our various
10 meetings, particularly the last couple
11 meetings.

12 Now, with that, I will start to
13 call members of the public who have signed up
14 in advance to speak.

15 Obviously, when your name is
16 called, please step up to the microphone. As
17 we always say, try to keep your comments
18 limited to two minutes in deference to the
19 other people that will be coming after you.

20 The first speaker is Linda
21 Fields. Ms. Fields, are you here? Linda
22 Fields.

23 Next speaker is Jacqueline
24 McCowan. Ms. McCowan, are you here?

1 Next speaker is Pat Pearson. Pat
2 Pearson, are you here?

3 Next speaker is Jeffrie Baker.
4 Mr. Baker, please come forward.

5 MR. BAKER: Hello.

6 PRESIDENT LIGHTFOOT: Good evening, sir.

7 MR. BAKER: Hi. Thank you for the
8 opportunity to speak, address this unelected,
9 undemocratic and ultimately unaccountable
10 forum, which we the people exercise no control
11 over.

12 My name is Jeffrie Baker. I'm
13 with the Chicago Alliance Against Racism and
14 Political Repression.

15 We are here to speak out and say
16 that Laquan's murder was not an isolated event.

17 On the three-year anniversary of
18 his execution, we are here to say enough is
19 enough.

20 Too many young men of color in
21 this City have been murdered, tortured and
22 framed by the Jason Van Dykes, the Jon Burges,
23 and the Reynaldo Guev -- Guevara, sorry, of the
24 Chicago Police Department.

1 We had the Illinois Commission on
2 Torture, the Department of Justice
3 investigation, IPRA, and now COPA. All have
4 been by and large ineffective.

5 Our communities are still
6 unfairly, unlawfully and systematically
7 subjected to harassment, obstruction,
8 imprisonment, torture and murder. Nothing has
9 changed.

10 The system that paid Jason Van
11 Dyke for 400 days after he murdered Laquan
12 McDonald is still in place.

13 Nothing has changed because the
14 police remain beyond reach of democracy.

15 Nothing has changed because the
16 people of Chicago still have no power over the
17 police who operate in our communities and who
18 kill in our name.

19 These wrongs will continue until
20 the Chicago Police Department comes under
21 community control.

22 We demand a fully elected,
23 democratically governed, all-civilian police
24 accountability board with the power to fire

1 police officers and hire the police
2 superintendent.

3 We demand CPAC, the Civilian
4 Police Accountability Council, to become law of
5 the land once and for all

6 PRESIDENT LIGHTFOOT: Thank you.

7 Next speaker is Kimberly Veal.

8 Ms. Veal, are you here?

9 Next speaker is Joseph D'Antonio.

10 Mr. D'Antonio.

11 MR. D'ANTONIO: My name is Josh D'Antonio.

12 PRESIDENT LIGHTFOOT: Sorry. I misspoke,
13 Josh. Good evening, sir.

14 MR. D'ANTONIO: My name is Josh D'Antonio,
15 and I am with the Alliance Against Political
16 Racism and Political Repression.

17 I want to thank you for letting
18 me speak this evening. I am very disappointed
19 that this Board is still unelected. And I'm
20 also very skeptical whether or not my words
21 will make any sort of a difference here,
22 because I and the community have no say, no
23 real voice in this process and with the Chicago
24 Police Department, and we want one.

1 We're here to demand justice for
2 Laquan McDonald and for everyone else who's
3 been a victim of the Chicago Police Department.

4 We demand justice and conviction
5 of Jason Van Dyke.

6 We demand justice to correct the
7 long history of wrongs perpetrated by the
8 Chicago Police Department, and these wrongs
9 will continue until the CPD comes under
10 community control and democratic process.

11 We demand fully elected,
12 democratically governed, all-civilian police
13 accountability board with the power to fire
14 police officers and hire the police
15 superintendent.

16 We demand CPAC, the Civilian
17 Police Accountability Council, to become the
18 law of the land once and for all. Thank you.

19 PRESIDENT LIGHTFOOT: Thank you, sir.

20 Our next speaker is Pierre
21 Glover. Mr. Glover, are you here?

22 Our next speaker is Serethea
23 Reid.

24 MS. REID: Good evening. I'm an Austin

1 resident, and I would appreciate it if you
2 would summarize my statements as related to the
3 effective community policing does not have the
4 full commitment of the Police Department.

5 To be effective, the performance
6 management process for police officers must be
7 firmly tied to the Department's strategy
8 objectives. That set of objectives must
9 reflect those metrics that the members of our
10 society view as important; that really dictate
11 to us or mean to us in terms of what we feel
12 means safety to us.

13 In our community, the widely held
14 view is community policing is a failure.
15 Residents do not have a system of safety. They
16 don't know their beat officers. They have no
17 sense of confidence that attendance at a CAPS
18 meeting will result in meaningful, lasting,
19 positive change.

20 In fact, they are fearful. I
21 spent about four hours this week alone
22 listening to residents who called me to talk
23 about their frustration, lack of comfort in
24 going to a CAPS meeting to discuss issues on

1 their block.

2 They feel that when they say
3 things, it comes back, and they're tormented by
4 the gang-bangers, the people committing the
5 violence in their communities.

6 The current policing system
7 appears to transfer most of the responsibility
8 for the quality of this fractured relationship
9 on the people that it serves.

10 Residents in distressed
11 communities like Austin feel that they are
12 running hard on a treadmill trying to close the
13 gap to reach a basic sense of security which is
14 held out of our reach.

15 Residents of the most distressed
16 communities like Austin, which have suffered
17 from long-term disinvestment, feel that there
18 is a highly unreasonable requirement for
19 personal commitment towards achieving a sense
20 of security.

21 They must employ a greater
22 percentage of their human and personal capital
23 that is required from Chicago communities that
24 enjoy the majority of the City's investments.

1 PRESIDENT LIGHTFOOT: Thank you, Ms. Reid.

2 Mr. Reid, are you also going to
3 speak?

4 Our next speaker is Ronald Reid.

5 MR. REID: Good evening. I'm Ron Reid,
6 also with the Central Austin Neighborhood
7 Association.

8 We were last here February 16th
9 asking for your help. We had to return because
10 little has changed. In fact, things are worse.

11 We've experienced two shootings
12 and murders this past Monday on North Mason,
13 the 200 block of North Mason, within eyeshot of
14 our home.

15 Once again, we feel we've done
16 everything we could possibly do to get CPD to
17 clean up the open drug market and as a result
18 resulting violence in our community.

19 On our way to the meeting
20 tonight, we passed through a block of drug
21 dealers and gang-bangers a block from the
22 murders that happened earlier in the week.

23 These shootings and murders have
24 little bearing on cleaning up drug sources and

1 much violence.

2 Almost every weekend we hear
3 gunfire. I personally made numerous 911 calls.
4 I called the 15th District tactical office. We
5 appealed directly to the 15th District
6 commander, prior commander. We attended CAPS
7 meetings, we did phone trees, we organized a
8 block, 16 blocks, we did Quality of Life Unit,
9 planned parties, did trips to concerts, ballet,
10 we planted flowers on 23 corners, we held
11 meetings with principals for the past six
12 years, we worked with the ACLU to improve our
13 safety, even volunteered with the Explorers
14 Program of the 15th, we provided police
15 management with the addresses of the same drug
16 houses, open-market locations for the past six
17 years. Why do you allow this to continue?

18 Those who draw paychecks on the
19 backs of poor Austin residents and provide
20 little service and ignoring this travesty
21 should be ashamed.

22 Those who promote officers up,
23 individuals who have failed to have an impact
24 upon these problems in the community, should

1 also be ashamed.

2 Once again, who do we go to for
3 relief and accountability?

4 PRESIDENT LIGHTFOOT: First Deputy
5 Navarro, the Reids have been here, as Mr. Reid
6 indicated, several times asking for specific
7 interventions in their neighborhood.

8 I wonder if you could speak with
9 him directly.

10 FIRST DEPUTY SUPERINTENDENT NAVARRO: I
11 will do that after the meeting, no problem.

12 PRESIDENT LIGHTFOOT: I appreciate that.

13 Our next speaker is Jeff Baker.
14 Jeff Baker here?

15 Our next speaker is Gabriel
16 Montero. Mr. Montero, are you here?

17 MR. MONTERO: Yes. Thank you for the
18 opportunity.

19 PRESIDENT LIGHTFOOT: Good evening.

20 MR. MONTERO: My name is Gabriel Montero.
21 I'm also with the Chicago Alliance Against
22 Racist and Political Repression.

23 I'm also here to speak out on the
24 third anniversary of the execution of Laquan

1 McDonald to say enough is enough.

2 We know nothing has changed since
3 Laquan was executed. We know nothing has
4 changed because the police remain beyond
5 democracy's reach, and we are here to demand
6 change. We're here to demand, once again, a
7 fully elected, democratically governed,
8 all-civilian police accountability board with
9 the power to fire police officers and hire a
10 police superintendent, and we demand that CPAC,
11 Civilian Police Accountability Council, become
12 the law of the land.

13 We demand CPAC now as the only
14 solution to ending the murder, coverup,
15 miscarriage of justice committed by the CPD.
16 The members of the communities all over the
17 Chicago, we say no to police brutality and
18 oppression. We say no to IPRA, no to COPA, no
19 to any unelected political police oversight
20 board. We say yes to full democracy, yes to
21 elected community control of the police, yes to
22 CPAC. Justice for Laquan and justice for all
23 communities in Chicago. Thank you.

24 PRESIDENT LIGHTFOOT: Thank you, sir.

1 Our next speaker is Nataki
2 Rhodes. Ms. Rhodes.

3 MS. RHODES: Thank you for the opportunity
4 for letting me address this unelected,
5 undemocratic, ultimately unaccountable board,
6 which we, the people, exercise no control over.

7 Now, you say that this is a
8 profound day for you all. It can't be
9 possible, because just earlier this year, you
10 allowed four police officers to come back to
11 work that was involved in Laquan McDonald. You
12 all, the Board, continues to cover up all the
13 way up to Rahm Emanuel. You all allow four
14 officers to come back from suspension and to
15 come back to desk duty.

16 We, the people, do not want them
17 to be at desk duty. We, the people, do not
18 want them to collect benefits. We, the people,
19 want for you to start the process of firing.
20 Rahm Emanuel must start the process of firing
21 Jason Van Dyke, the four officers, plus the
22 fifth officer. You all have heard the tape.
23 Lori lightfoot, if you are really profound,
24 show justice. Show us justice.

1 I'm not here to ask you. We are
2 demanding. In 2019, you all will not exist,
3 because our voice will count in 2019.

4 So you can sit there in your
5 pretty suits, you can sit there with your high
6 attitude and look down on us, but in 2019 we're
7 going to show up, we're going to show out,
8 because you allow four officers -- nobody in
9 here that killed somebody can come back to work
10 and do paperwork who have already covered up
11 paperwork. The FOP is a gang. The Chicago
12 Police is a gang, because you all exercise
13 power over the people through the Board,
14 through the mayor and through Eddie Johnson.
15 2019, you all will not be here.

16 VICE PRESIDENT FOREMAN: Thank you. Next
17 speaker.

18 PRESIDENT LIGHTFOOT: Next speaker is Mark
19 Maxwell. Mark Maxwell.

20 MR. MAXWELL: Good evening. Thank you. I
21 am also with the Chicago Alliance Against
22 Racism and Political Repression.

23 I want to echo the thoughts of my
24 fellow members and everybody else in the

1 community and just say that it's preposterous
2 that three years -- three years after Laquan
3 McDonald was executed, with no trial, murderer
4 is still out, still planning with his lawyer
5 how he is going to get off. And we're not
6 going to let it happen. He needs to go to
7 prison. This body and any unelected body holds
8 no credibility with the community. We need an
9 elected civilian accountability council. We're
10 demanding it now. Thank you.

11 PRESIDENT LIGHTFOOT: Thank you, sir.

12 Our next speaker is Armanda
13 Shackelford. Armanda Shackelford. Are you
14 here, ma'am?

15 MS. SHACKELFORD: Yes.

16 PRESIDENT LIGHTFOOT: Step forward.

17 MS. SHACKELFORD: Good evening. My name is
18 Armanda Shackelford. I'm the mother of Gerald
19 Reed. I'm the mother of Gerald Reed.

20 I would like to speak on what
21 happened to Laquan McDonald. It was wrong.
22 But I also would like to speak on my son,
23 because it's people that has spoken of Laquan
24 already.

1 My son was tortured into signing
2 a confession for two crimes he did not commit.
3 He told the police that he didn't do it. But
4 they didn't take him at his word. They made up
5 a statement and tortured him into signing that
6 confession. It wasn't Jon Burge, but it was
7 guys that was working under him. And because
8 my son wouldn't sign the confession at first,
9 they beat him.

10 Years before this happened -- in
11 1990 is when this happened. My son has been
12 incarcerated 27 years. And before this
13 happened to him, my son had gotten shot, and to
14 put his right leg back together, they put a rod
15 in that leg. On the second night of his
16 arrest, they tortured him so bad, they broke
17 that rod in his leg. They messed up his right
18 hip. And it took them 26 years to decide on
19 doing part of his surgery. Right now my son's
20 in a wheelchair. He's been in a wheelchair
21 since the day before Thanksgiving of last year.
22 And it hurts to know your child was tortured
23 because he wouldn't sign a paper that you typed
24 up.

1 If I say I didn't do something,
2 don't torture me. Don't beat me. Get out
3 there on that street and prove that I did that
4 crime, but, no, they wouldn't do that.

5 And you don't know it hurts so
6 bad to go to court and see my son in a
7 wheelchair, it hurts so bad that the special
8 prosecutor is torturing my son over and over
9 again.

10 His case has been in court for
11 five years now.

12 PRESIDENT LIGHTFOOT: Ma'am, you need to
13 wrap up.

14 MS. SHACKELFORD: I will. But it hurts.
15 And those types of tactics shouldn't have never
16 been going on in the first place.

17 But I feel like if CPAC had been
18 in there, those types of things wouldn't be
19 going on, because it happens late at night,
20 when they do those things.

21 PRESIDENT LIGHTFOOT: Thank you, ma'am.

22 MS. SHACKELFORD: They don't do them in the
23 daytime. And it's wrong.

24 PRESIDENT LIGHTFOOT: Thank you. Our next

1 speaker is Jennifer No. Jennifer No.

2 Our next speaker is Andrew
3 Klenzmar. Andrew Klenzmar.

4 MR. KLENZMAR: My name is Andrew Klenzmar.
5 And it is frustrating to see how little
6 progress has been made for substantial change
7 since the murder of Laquan McDonald.

8 And as we heard from the people
9 in here and the people outside, we will not
10 stop fighting for that change and that justice.
11 And that justice is something that will honor
12 his memory and his family, that a substantial
13 change that will hold police accountable for
14 the crimes that they've committed, and that
15 justice is CPAC. Thank you.

16 PRESIDENT LIGHTFOOT: Thank you.

17 The next speaker is Crista Noel.
18 Ms. Noel, are you here?

19 Our next speaker is Queen Sister.

20 MS. QUEEN SISTER: It's been a year since
21 I've been here. And I've actually been part of
22 our village project in the neighborhoods.
23 These are the decals that been put in the
24 windows of our elders to keep them safe, and to

1 also let the children know that they will not
2 be distributing candy.

3 Every time we come and request
4 assistance with this public safety issue, we
5 are constantly met with resistance.

6 And then there's no way to track
7 the money. There's nothing in this blue book
8 regarding the budget, and that's a problem.

9 I want to speak today regarding
10 the Byrne Grant that the Superintendent is
11 pushing, stating that these sanctuary settlers
12 is not a part of the crime and violence that's
13 taking place in our streets, as if the 20-year
14 Mexican drug cartel targeting Chicago's black
15 communities and housing developments, public
16 housing developments, never exists, and we know
17 they did.

18 These sanctuary settlers are
19 coming over here, as Donald Trump say,
20 smuggling in and hunkering down and taking
21 advantage of our resources while we're
22 suffering.

23 We've become victims of domestic
24 violence. We're getting our asses kicked in

1 our own homes. And it's not fair. It's
2 unacceptable. It's uncivilized and Donald says
3 it's not American.

4 The United States is a nation
5 established by laws, documented in black and
6 white. They smuggle in over here without
7 medical exams, bringing diseases, and we're
8 getting the butt end of their criminals because
9 they are not getting background checks.

10 We are a nation that deals with
11 due process.

12 The other issue I want to bring
13 to your attention that it's come to our
14 attention that the Chicago Police was called to
15 Sheriff Tom Dart's residence on a domestic
16 violence, and whereas the policy to arrest on
17 domestic violence, he was allowed to leave, and
18 he was not arrested.

19 Had it been any one of these
20 young brothers on the street, they'd been
21 arrested and done time for the crime.

22 We're sick of the coverups,
23 people. We're covering up --

24 PRESIDENT LIGHTFOOT: Your time is up.

1 Wrap it up.

2 MS. QUEEN SISTER: And Tom Dart is not
3 above the law. Patricia Dart filed charges.
4 In the report it states offender unknown.
5 That's impossible for a domestic offender to be
6 unknown.

7 PRESIDENT LIGHTFOOT: Thank you.

8 MS. QUEEN SISTER: Thank you.

9 PRESIDENT LIGHTFOOT: Our next speaker is
10 Ms. EvAngel.

11 MS. QUEEN SISTER: Let me say this. The
12 word on the street is Megs is the commander
13 that went into Monterey station and covered up
14 for him and pulled him out of there.

15 PRESIDENT LIGHTFOOT: Thank you, Queen
16 Sister.

17 Ms. NewBN.

18 MS. NEWBN: My name is EvAngel,
19 Mamadeelove, Newbn. And I have two questions.
20 Mr. Superintendent -- oh, he is not here. I
21 thought he returned back to work.

22 Mr. Superintendent, you have
23 refused to call Attorney General Jeff Sessions
24 regarding illegal sanctuary settlers who have

1 already broken immigration and customs
2 enforcement governmental laws by being here in
3 the first place.

4 Secondly, they are in police
5 custody being charged with other crimes.

6 Your reason for noncompliance
7 with the U.S. Attorney General is it will
8 prevent illegals from calling the police, and
9 you don't want them to be afraid; however, poor
10 blacks who live in high-crime areas in spite of
11 being afraid of perpetrators and officers, they
12 still call the police often even when they
13 don't come.

14 Now, they will be hampered from
15 calling 911 for help because they will suffer
16 financial hardship due to increased calls in
17 cell phones and land lines that is being
18 proposed in Mayor Rahm Emanuel's budget.

19 My question, Mr. Superintendent:
20 Since you support law-breaking illegal
21 sanctuary settlers, will you step up and oppose
22 the 911 charges that fall hardest on the
23 high-crime, high-poverty, predominantly black,
24 law-abiding citizens who will not be able to

1 call police for help because they can't afford
2 it?

3 Now, question two. In Chicago,
4 since January of this year, 3,040 mostly black
5 people have been shot and 529 shot and killed.
6 However, when one white woman was shot, the
7 Chicago Tribune, on October 17th, 2017, read
8 This is a Wake-Up Call.

9 The City and suburbs slept
10 through 3,040 shootings, but when one white
11 woman was killed, they became woke.

12 If the patterns and practices
13 rooted in the scent of racism continues to
14 reign and rule, not even the life of a white
15 woman will be sacred. What are you going to do
16 about that?

17 PRESIDENT LIGHTFOOT: Thank you, ma'am.
18 Your time is up.

19 MS. NEWBN: Thank you.

20 PRESIDENT LIGHTFOOT: Our next speaker is
21 George Blakemore. Mr. Blakemore.

22 MR. BLAKEMORE: This is to the U.S.
23 citizens and the staff and the police that are
24 present. I attended a meeting, and they had

1 the Department of Health, the Fire Department
2 and the Police Department to make a report
3 about Marybeth Anjala now doing opium. I said
4 what is that? Some kind of drug. And now
5 they're saying that given to our policemen, a
6 little spray of something to bring them back
7 alive. And the judicial system, they're saying
8 do not arrest them. It is a health problem.
9 When Marybeth fall out and died, and Marybeth
10 is all in the ghetto. All walking around in
11 the ghetto getting high. What about the
12 egregious act that has happened to my people
13 throughout the south and here? White cocaine.
14 Is it a safety problem? No. It was a drug
15 problem. Lock them up.

16 PRESIDENT LIGHTFOOT: Mr. Blakemore.

17 MR. BLAKEMORE: So Mr. Blakemore will
18 address this. And also sanctuary. My people
19 need sanctuary. Why would you tell our
20 policemen to don't obey the law? Do
21 not -- okay. Thank you. Thank you. Thank
22 you.

23 Why would you tell our good
24 policemen, officers, black, white, Hispanic,

1 illegal citizen, do not lock them? Do not obey
2 our United States immigration and
3 naturalization laws?

4 I pledge allegiance to the United
5 States of America. My people was enslaved
6 here. They didn't get a dime here.

7 Now you bringing another group
8 here, treating them as special citizens. What
9 does my citizenship count for? Black lives do
10 not matter. But black lives, you know how it
11 don't matter, not only to beat up on these
12 people here, beat up on your black leadership.
13 Your 18 black aldermen. Beat up on them. Beat
14 up on Reverend Fufu and all these other house
15 blacks. So don't put all the burden on the
16 police department. You got 18 black aldermen
17 that is sold on sanctuary. Beat up on them.

18 PRESIDENT LIGHTFOOT: Our final speaker --

19 MR. BLAKEMORE: You understand where I'm
20 coming from, Ms. Lightfoot?

21 PRESIDENT LIGHTFOOT: Thank you.

22 Mr. Robert More.

23 MR. BLAKEMORE: Stop, stop, stop this
24 nonsense.

1 PRESIDENT LIGHTFOOT: Mr. Blakemore,
2 please. Thank you.

3 MR. MORE: The purpose of the light is not
4 to blind somebody. This is not the purpose of
5 preventing someone from using a light.

6 PRESIDENT LIGHTFOOT: Mr. More, let's go.

7 MR. MORE: Okay. Now it started, my two
8 minutes started. My word. Okay.

9 PRESIDENT LIGHTFOOT: We're going to start
10 when you start. Let's go.

11 MR. MORE: Officer (inaudible) Markeese, go
12 get an honest way to make a living. Okay.

19 At this time all the people who
