# JOC Approval Letter

Utilizing JOC For City Construction Projects

Marine Safety Station 250 North Breakwater Access

Project No: JV5-011.E

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

## Please describe the major features of this project.

Provide & install an 8' compound water meter as required by the Department of Water.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

This scope was not included in the work assigned to the trades as part of the joint effort between JOC & the DGS Trades.

3. If the project is a one trade project, please provide additional explanation of why it would not be in the city's best interest to do the project under JOC.

This is a multi -trade project requiring the use of a plumber, equipment operator & laborer.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.

No Non-prepriced items will be used.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.

There is no city term agreement in place to complete this task.
