Hi Steve,

I've returned from my trip, so this is notification within 10 days of my return. I travelled in my official capacity to Paris, France, as part of the global practicum for the Civic Leadership Academy (CLA) organized by the University of Chicago's Center for Effective Government. I travelled from February 19-25th. The CLA program paid for the airfare, hotel accommodations, almost all of the meals and all of the transportation. During the entire trip, I paid for one lunch and one dinner meal for myself.
