Pursuant to MCC 2-156-142(d)(12), I am reporting that on June 22, 2022, I attended an event at the invitation of the University of Chicago Crime Lab. The Crime Lab paid for the event, including dinner. The event was a presentation from and conversation with Kenneth Corey, Chief of Department for the New York Police Department. Chief Corey is the number two official at NYPD. He discussed officer recruitment and training, NYPD's innovative approach to measuring public sentiment, and how the department acts to hold officers and leaders to a higher standard of service and quality. Several dozen public safety leaders attended and participated. The event was at Il Porcellino at 59 W. Hubbard. I attended in my official capacity as Executive Director of the Community Commission for Public Safety and Accountability.

Thank you.

Adam Gross
