[Warning: External email]

Hello Steven,

Alderwoman Hadden directed me to you to report my ticket to Infraday Midwest on July 28th.

I attended the 3rd Annual Infraday Midwest in my official capacity as the Manager of Economic Development for the 49th Ward of Chicago at the invitation of the host on July 28th, 2022. This invitation was extended to all members of the City Council of the City of Chicago, as well as their relative staff members. This event was relevant for discussions about electric-charging, water, high-speed rail, and Lake Michigan shoreline protection infrastructure that would be appropriate to the work of the Office of 49th Ward.

Thank you and please let me know if you need any additional information from me

*All the best,*
