Subject: gift acceptance

I am writing to let you know of a gift we are receiving from [Double Good](#). They reached out to us as part of their donation program which they summarize as: "A little background about the [Double Good](#) Popcorn Donation program: When the COVID-19 pandemic began to strain communities nationwide, our customers wanted to help support the essential workers in their communities while supporting causes through our fundraisers. So our Popcorn Donation Program was born. By adding a donation item to their purchase, buyers help raise money toward the fundraiser they're supporting; meanwhile, a bag of our ultra-premium popcorn gets shared with the essential workers caring for their communities."

- They provided up to 4 bags of popcorn bags to the 772 people working on our behalf at one of our CDPH locations. This includes CDPH employees, federal assignees, interns, fellows and contractors
- Each bag of popcorn is \$10.00 each, for a total value of the donation of \$32,040

Please let me know if you have any questions. Thank you.
