Subject: Ethics travel report

Commissioner Beaudet and I attended the International Code Council (“ICC”) Annual Meeting in Louisville, Kentucky from September 10-14, 2022, in our official capacities. As I am member of ICC’s Major Jurisdictions Steering Committee and Commissioner Beaudet was an invited speaker on a panel regarding federal funding opportunities, conference registration (which included several meals) and a portion of our transportation and lodging expenses were covered by ICC. The balance of travel-related expenses will be paid by the City of Chicago.
