Hi Steve,

I hope you had a wonderful weekend! I'm just emailing you to let you know that former Alderman Moore gifted two framed pictures to Alderwoman Hadden. One is the 25th anniversary poster for the Artists of the Wall festival, and the other is a painting of Millennium Park. We plan on hanging both for the public to enjoy. I've included pictures below of both.

Please let me know if you have any questions or concerns. Thanks!
