Hi Steve,

The Department of Family and Support Services (DFSS) applied and was awarded participation in the Verizon Wireless' HopeLine Program. Through its HopeLine program, Verizon Wireless donates wireless equipment and airtime to agencies and organizations that assist victims of domestic violence. DFSS administers the City of Chicago Domestic Violence Help Line, Services to Victims of Domestic Violence program, the Safe Havens: Supervised and Safe Exchange Program, and other programs specifically designed to respond to domestic violence victims.

DFSS will accept on behalf of the City of Chicago 30 to 40 cell phones donated by Verizon Wireless. The devices will be used by victims of domestic violence and for official City purposes.

Should you have any questions do not hesitate to contact Deputy Commissioner Jennifer Welch at 6-7448 or by e-mail.

Thank you,  
Diana Rosario
