Instructions: Applicant's must provide only the requested fields and only the filtered records as described below under "Data Filters".
In this Form A-1, include FHA, VA- insured loans, and conventional loans made for the purpose of purchasing residential real property as categorized by HMDA - Regulation C.
The data is to be sourced from your institution's 2022 data submission to the Consumer Financial Protection Bureau to comply with the HMDA act.
NOTE: Columns E and F correlate to Attachment A - Filing Instructions Guide for HMDA data collected in 2022

| Column | Field Name |  |  |
| :--- | :--- | :--- | :--- | :--- |
|  |  | Date |  |

Disclaimer: Columns 21-32 are optional for loans that do not have a value of "6" in column 4
Disclaimer: Columns 15,16, and 33-42 are optional

Residential Loan Foreclosures and Insurance Financed (1-4 Units)
Condominium or Cooperative Units. Include Loans for Properties Located in Chicago Only.
(For loans Closed within the 12-month Period Ending December 31, 2022)
Description
Indicate the total number of secured residential loans closed in 2022.
Indicate the total number of secured loans closed in 2022 where the premium of any single premium credit life, credit disability, credit unemployment or any other life or health insurance was financed directly or indirectly into the loan.
Indicate the number of loans foreclosed in 2022 where the premium of any single premium credit life, credit disability, credit unemployment or any other life or health insurance was financed directly or indirectly with the loan, regardless of when the loan was closed.
Indicate the total number of loans, in which foreclosure proceedings were completed in the 12-month period ending December 31, 2022 regardless of when the loan was closed.

Due to data privacy and data confidentiality we cannot provide by census tract

## INSTRUCTIONS- FORM C <br> COMMERCIAL LENDING <br> (FOR LOANS CLOSED IN CALENDAR YEAR 2022)

Instructions: In this Form C, include loans (secured and unsecured) made to businesses to finance short or long-term needs, such as inventory purchases, the movement of goods, plant and equipment and all other loans recorded by your institution as commercial loans. Note: Rollovers should be counted only once in each calendar year (provided that there is no increase in the outstanding principal and that the parties to the loan remain the same). The data is to be sourced from the submitting institution's internal records.

| Column | Field Name | Description | Data Filters | Municipal Code (2-32-440) |
| :---: | :---: | :---: | :---: | :---: |
| 1 | Census Tract | Specify the 11 digit census tract code for each property's location within Chicago city limits. Multiple loans within a given census tract are to be listed separately. Do not include loans with census tract information outside of Chicago. | Census Tract within City of Chicago City limits | C-2 |
| 2 | Number of Loans | Indicate number of commercial loans made within the specified census tracts. |  | C-2 |
| 3 | Loan Amount | Indicate the aggregate principal amount of the loans within the specified census tracts. |  | C-2 |
