**CITY COUNCIL AUTHORIZES DEPARTMENT OF PROCUREMENT SERVICES TO
PREQUALIFY POOL OF VENDORS FOR CITY PROJECTS**

CHICAGO – Today, City Council passed an amended MCC Section 2-92-340 to authorize Department of Procurement Services (DPS) to prequalify a pool of vendors for City infrastructure projects, such as road and water infrastructure work, which will enable smaller work orders to be sent to the pool so that those businesses can grow capacity and take on larger City projects in the future.

DPS continues to work with the Department of Water Management on contracts to operationalize the various lead service line removal programs.
