# AMERICAN RESCUE PLAN 

 LOCAL FISCAL RECOVERY FUND DETAIL
# K <br> American Rescue Plan - Local Fiscal Recovery Fund Spending Plan \$1,886.6 million 

The City of Chicago is grateful for the creation of the Local Fiscal Recovery Fund (LFRF) via the passage of the American Rescue Plan Act (ARP). This much-needed funding channel creates a once-in-a-generation opportunity to equitably address the City of Chicago's most pressing social, economic and public safety challenges.

## Thriving \& Safe Communities

The City's initiatives in Thriving \& Safe Communities will focus on providing (i) urgent financial support to families, (ii) access to summer and after-school programs for youth, (iii) public health services including mental health, maternal health and access to healthy food, (iv) increased access to educational opportunities for low-income youth and families, (v) violence reduction strategies and support for victims of violence, and (vi) housing support for those at-risk of homelessness. Investments in these areas seek to address the root causes of community violence to create safer communities and allow families to thrive.

## Essential Government Services

Lastly, the City has allocated funds for the Essential City Services that have proven vital during the pandemic and provided emergency services and relief to thousands of Chicago families as the worst of the pandemic-related shutdowns and economic fallout hit Chicago. These funds will be used to cover costs for City departments for the provision of essential government services.

### 3.1 Essential Government Services - \$1,319.6 million

The U.S. Treasury Department gave municipal recipients broad latitude to use funds for the provision of government services to the extent of reduction in revenue. Government services can include, but are not limited to, health services, environmental remediation, the provision of essential city services that entail the provision of services to citizens

## Program Description

 servicesEssential City The City is allocating a portion of revenue replacement funding, as calculated using audited financial numbers for 2020 to fund essential City services. The actual calculation will be finalized after the 2021 fiscal year is completed, but based on current expenditures, the City is proposing to fund $\$ 782.2$ million of eligible estimated department personnel and contractual services costs from the second through fourth quarter of 2021. These costs include the Department of Assets, Information and Services, Department of Family and Support Services, Department of Business Affairs and Consumer Protection, Chicago Fire Department, Chicago Animal Care and Control, Department of Buildings, Department of Streets and Sanitation, and Chicago Department of Transportation.

For 2022, the City is also proposing to fund essential existing and new programs and services with $\$ 385$ million of revenue replacement funding. In the 2022 budget, the City has provided increased resources and staffing totaling more than $\$ 17$ million to more than 11 departments including the Department of Streets and Sanitation and Department of Buildings. There are also another $\$ 56.3$ million in additional investments including the new Community Commission for Public Safety and Accountability and funding for arts and culture grants.

More than $\$ 100$ million is included in the 2022 budget to support existing investments ranging from the Flexible Housing Pool to violence prevention initiatives. The additional funding will support other essential operations including the Chicago Fire Department and the Department of Business Affairs and Consumer Protection, among others.

The City is also projecting the use of $\$ 152.4$ million for the 2023 budget. The final amount and expenditures will be determined during the 2023 Budget process.
