This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.

Development, the Applicant may allocate or assign the development rights under the Planned Development to and among the designated subareas including, but not limited to, building height, floor area, dwelling units and parking; provided, however, that the overall regulations and limitations set forth in the Bulk Regulations and Data Table and the Plans applicable to the entirety of the Planned Development shall not be exceeded or increased as a result of any such allocation(s) or assignment(s), and all such allocation(s) or assignment(s) of development rights are subject to the terms of Section 17-13-0611 of the Chicago Zoning Ordinance.

17. The Applicant acknowledges and agrees that the rezoning of the Property from Planned Development No. 1133 and RM-5 Residential Multi-Unit District to the B3-5 Community Shopping District and then to this Planned Development, triggers the requirements of Section 2-44-080 of the Municipal Code of Chicago (the “Affordable Requirements Ordinance” or “ARO”), and that the receipt of tax increment financing (“TIF”) or other City financial assistance increases the percentage of units required to be affordable from 10% to 20% and modifies the income eligibility and affordability standards, as specified in the ARO (the “Increased Requirements”). The Applicant further acknowledges and agrees that the acquisition of a portion of the Property from the City also triggers the ARO, and that it is anticipated that the anticipated redevelopment agreement between the City and the Applicant for the acquisition of a portion of the Property from the City (the “Redevelopment Agreement”) will require the Applicant to comply with the Increased Requirements, regardless of whether the Applicant receives financial assistance. Accordingly, with respect to those portions of the Property acquired from the City and/or developed pursuant to the Redevelopment Agreement, the Applicant must: (i) set aside 20% of the housing units in the residential housing project (“ARO Units”) as affordable units, or with the approval of the commissioner of the Department of Housing (“DOH”), provide the ARO Units in an approved off-site location; (ii) pay a fee in lieu of the development of the ARO Units (“Cash Payment”); or (iii) any combination of (i) and (ii); provided, however, the residential housing projects in higher income areas (rental or for sale) and downtown districts (rental only) with 20 or more units must provide at least 25% of the ARO Units on-site or off-site (“Required Units”).

A portion of the Property is located in a “low-moderate income area” and the remainder is located in a “downtown district,” as those terms are defined in the ARO. The current right-of-way line of 26th Street, as extended, separates the two portions, with the “low-moderate income area” located to the south and the “downtown district” to the north. The Planned Development permits the construction of a maximum of 4,800 residential units. If the Applicant constructs the maximum number of permitted units on those portions of the Property subject to the Redevelopment Agreement, the Applicant’s affordable housing obligation will be 960 ARO Units (20% of 4,800) (the “Total ARO Unit Requirement”). The Applicant has agreed to satisfy the Total ARO Unit Requirement on-site, to be specified in the Redevelopment Agreement.

Plan Commission:

Prior to the issuance of any building permits for any building or phase of development containing residential units in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-44-080(L) for that building or phase. In addition, prior to the issuance of any building permits for any building or phase of development containing residential units, the Applicant must submit to DOH for its review and approval a plan or update, as applicable, describing how the Applicant intends to meet its ARO obligation in future phases of development.

The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Property, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DOH or any successor department may enforce remedies for any breach of this Statement 17, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

18. The Applicant or its successors and assigns shall design and construct the privately owned public spaces and other on-parcel open spaces as depicted on the Open Space Plan (hereinafter the "Open Spaces"); provided, however, that changes to the specific location and dimensions of the Open Spaces are permitted as long as the Open Spaces maintain a minimum of _____ square feet of contiguous open space. The Applicant, its successors and assigns and, if different than the Applicant, the legal title holders to and any ground lessors of the Property, shall be responsible for maintaining and managing the Open Spaces for the purposes set forth herein, including ensuring that landscaping is well maintained, that the vegetation and plantings are kept in a healthy condition and that the Open Space facilities are clean, well lit, litter free and clear of snow (hardscaped areas) and debris. The Applicant shall provide sufficient liability insurance coverage for the operation of the Open Spaces for public use. The Applicant shall provide informational and wayfinding signage at all entries that the privately owned public spaces are open to the public (subject to occasional partial closure for private use provided that a path providing access during such closures shall be maintained through the privately owned public spaces), free of charge, during normal park hours from 6:00am to 11:00pm every day of the year. The maintenance and management obligations contained herein shall continue for the life of this Planned Development, subject to and in accordance with the DEMA (defined below). The privately owned public space located at 31st Street shall be constructed in accordance with plans approved by DPD, and shall be completed prior to receipt of the Certificate of Occupancy for the first principal building constructed in Sub-Area 1, provided that plantings may be delayed if consistent with good landscape practice, but not longer than one year following the construction of the open

space improvements set forth herein, or if necessary to accommodate the later construction of large park recreation components which may be located in more than one phase.

The Applicant will also construct and maintain the on-parcel open space depicted on the Open Space Plan Exhibit 6, in conjunction with adjacent development parcels and coordinated with the dedication of and construction of adjacent public rights of way and private streets, and shall be completed (in whole or in part, as identified in the applicable Site Plan Approval) prior to the receipt of the Certificate of Occupancy for the adjacent development parcels.

Prior to issuance of building permits for the first principal building, the Applicant will enter into a development and maintenance agreement (the "DEMA") with the City for the construction, maintenance, and management of the Open Spaces. The DEMAs obligations shall be binding upon the Applicant, its successors and assigns, including but not limited to a homeowners or master association whose purpose includes maintaining the Open Spaces. Upon completion of the Open Spaces, the public access provided for herein shall be memorialized in a public access easement agreement (which may be included in the DEMAs) with and for the benefit of the City. The recording and other costs associated with establishing the easement shall be the responsibility of the Applicant. A copy of said public access easement agreement shall be on file with the Department of Planning and Development.

The Commissioner is hereby authorized to enter into the DEMAs (or more than one DEMAs if the Commissioner deems necessary depending on the phasing of the development) and all other documents contemplated by the Statement and, in his/her sole discretion, may modify by minor change the foregoing requirements, without further City Council approval, for the DEMAs and public access easement agreement(s) so as to permit alternate forms of achieving compliance with the Applicant's construction, maintenance and management obligations and public access rights, such as, by means of example and not limitation, one or more restrictive covenants or owners' reciprocal easement and operation agreements in form and substance acceptable to the City which expressly grant the City necessary enforcement, self-help and lien rights as may be necessary to assure compliance with this Statement.

19. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the Planned Development process, and that the receipt of TIF or other City financial assistance mandates projects to provide at least (i) 26% MBE and 10% WBE participation (measured against the total construction budget for the project or any phase thereof) and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The Applicant acknowledges that the Applicant will acquire and develop portions the Property pursuant to the Redevelopment Agreement, and the Applicant further

acknowledges and agrees that the Redevelopment Agreement will require the Applicant to achieve 30% MBE and 10% WBE construction contract participation, and the Applicant will aspire to achieve 65% MBE and 10% WBE participation, regardless of whether the Applicant receives City financial assistance.

To assist the City in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the City approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the Applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as DPD determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

20. The Applicant acknowledges that the Planned Development (PD) includes a building commonly known as the Singer Pavilion. Pursuant to the Municipal Code of Chicago, Sections 17-8-0911 and 13-32-230, the Applicant acknowledges that PDs should give priority to the adaptive reuse of historic buildings which are color-coded red or orange in the Chicago Historic Resources Survey. Therefore, the Applicant agrees to retain the character-defining features of the Singer Pavilion. The character-defining features are those features identified as such in the Design Guidelines. Such work to the character-defining features shall be subject to the review and approval of the Department of Planning and Development as a part of the Part II Review.

DEPARTMENT OF PLANNING AND DEVELOPMENT
CITY OF CHICAGO

May 29, 2020

Chairman Thomas Tunney
Committee on Zoning, Landmarks and Building Standards
121 N. LaSalle Street, Room 304
Chicago, IL 60602

Re: Owner's Consent to file Planned Development Application

Dear Chairman Tunney,

The City of Chicago's Department of Planning and Development (DPD) has authorized GRIT Chicago, LLC, to file an application for a new planned development (PD) to allow for the redevelopment of the city property and other real estate as part of the existing Prairie Shores parcel with evidence of consent from that property owner. GRIT Chicago, LLC intends to develop the site to be a mixed-use phased development with new streets and sidewalks and publicly accessible open spaces. Below are DPD's conditions for consenting to the filing of a complete PD Application:

1. GRIT Chicago, LLC's financial assistance request to the City related to this site is still under review. The filing of this PD application, and this consent letter, in no way impacts the City's review of the developer's financial assistance request or should be construed as implied consent of said request;
2. This consent letter does not constitute the City's endorsement or approval of the exhibits or statements in the filed application. The filed PD exhibits and statements will be revised as needed prior to a future Chicago Plan Commission meeting; and,
3. Any zoning nonconformities created on the Prairie Shores zoning lot as a result of the proposed PD boundary must be resolved before a future Chicago Plan Commission meeting.

DPD will continue to meet with the GRIT Chicago, LLC team as the project is refined and to coordinate with impacted departments and sister agencies, Alderman Sophia King (4th Ward), the Michael Reese Advisory Council, and community stakeholders to work towards a future Chicago Plan Commission meeting and City Council vote.

Sincerely,

Maurice D. Cox

Re: **Application for Planned Development / Affidavit of Notice of Filing
2601-3045 and 2600-3001 S. Ellis Avenue, et al.**

Dear Chairman Tunney:

The undersigned, Mariah DiGrino, an attorney with the law firm of DLA Piper LLP (US), which firm represents GRIT Chicago, LLC, the applicant for a proposal to rezone the subject property from Residential-Business-Institutional Planned Development No. 1133 and RM-5 Residential Multi-Unit District to, first, B3-5 Community Shopping District, and then to a Business-Residential Planned Development, certifies that she has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for a change in zoning on approximately June 10, 2020; and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

DLA Piper LLP (US)

FIRST CLASS MAIL

Dear Sir or Madam:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about June 10, 2020, the undersigned, on behalf of GRIT Chicago, LLC, (the "Applicant"), intends to file an application to rezone the property located at 2601-3045 and 2600-3001 S. Ellis Avenue, 2900-3030 and 2901-3001 S. Cottage Grove, 2600-2900 S. Lake Park Avenue, 533 E. 29th Street, 401-434 E. 26th Street, 2701-2955 S. Vernon Avenue, 440-598 E. 31st Street, and 2601-2627 S. Martin Luther King Drive, Chicago, Illinois (the "Property") from Residential-Business-Institutional Planned Development Number 1133 and RM-5 Residential Multi-Unit District to, first B3-5 Community Shopping District and, then, to a Business-Residential Planned Development. A map of the Property is printed on the reverse side of this letter.

The Property consists predominantly of the former Michael Reese Hospital site, together with certain adjacent parcels, as identified on the map printed on the reverse side of this letter. The Applicant requests a rezoning of the subject property from Residential-Business-Institutional Planned Development Number 1133 and RM-5 Residential Multi-Unit District to, first B3-5 Community Shopping District and, then, to a Business-Residential Planned Development, to allow the development of the former Michael Reese Hospital site with residential and business uses including without limitation a medical research and innovation center, approximately 4,800 dwelling units, business and commercial uses, and accessory uses, and including the re-establishment and re-alignment of streets.

Please note that the Applicant is not seeking to rezone or purchase your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the Property.

I am an authorized representative of the Applicant and my address is 444 W. Lake Street, Suite 900, Chicago, IL 60606. The Applicant's offices are located at 120 N. Racine Ave, Chicago, IL 60607. The Property is owned by the City of Chicago, located at 121 North LaSalle Street, Suite 1000, Chicago, IL 60602, and Prairie Shores Owner, LLC, located at 120 N. Racine Ave., Chicago, IL 60607.

Please contact me at 312-368-7261, my colleague Paul Shadle at 312-368-3493 with questions or to obtain additional information.

Very truly yours,

Subject: Michael Reese Planned Development - Chicago Economic Disclosure Statement

Hi Steve and Scott,

I hope all is well. As part of our investment in Prairie Shores and the inclusion of parcels owned by Prairie Shores Venture, LLC in the Michael Reese Planned Development, UIG needs to complete 3 Economic Disclosure Statements on behalf of (1) **Broad Street Principal Investments Superholdco LLC**, (2) **UIG BSPI Holdco LLC**, and (3) **GS Prairie Shores Investor LLC** (first time we're asking about this entity). The disclosure requires that we certify to the following for those three entities, each as the "Disclosing Party"

Because **UIG BSPI Holdco LLC ("BSPI Holdco")** will engage Sidley Austin with respect to the Michael Reese Planned Development, BSPI Holdco is required to disclose that engagement, and list Sidley Austin in Section IV of the EDS. In addition, BSPI Holdco must certify as to certain matters in Section V as to, among other parties, Sidley Austin

I have listed the certifications below, which I will ask you to please confirm on behalf of Sidley Austin LLP only.

- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or be convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article's permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.
9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

 - any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. - b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10.
