D. Special meetings

Special Meetings may be held for a specific purpose or purposes and shall not take the place of a regular District Council meeting unless so determined at a prior regular meeting. Pursuant to ILCS 120/2.02(a), except in the event of a bona fide emergency, notice of a special meeting, including the agenda for said meeting, shall be provided at least 48 hours in advance. In an emergency situation, notice of the meeting shall be given as soon as possible.

E. Closed Sessions

During any regular or special meeting, the District Councils may hold closed sessions to discuss matters as permitted in 5 ILCS 120/2(c). The closed session shall be called by the majority vote of a quorum, taken at a meeting open to the public. Before convening a closed session, the presiding Officer shall announce the purpose of the closed session and the time when the closed session is expected to conclude.

E. Public Comment

The District Council values and encourages public comment and participation at meetings. There will be a public comment period at every regular District Council meeting. Each speaker will be given two minutes to address matters on the agenda. The District Council shall set aside at least twenty (20) minutes for public comment at each meeting. If attending an in-person meeting, speakers must fill out a

speaker form before the meeting begins to be recognized. If attending virtually, speakers must email or call the District Council before the virtual meeting begins to be recognized. The meeting chair may adjust the time allowed for public comment, though all speakers must be subject to the same time limits. The District Council reserves the right to hear public comments outside the scope of the agenda. Members of the public who are not fluent in English can request that the District Council provide an interpreter given 5 business days' notice to the District Council before the meeting. Those using an interpreter will be given 4 minutes to address matters on the agenda to accommodate for the additional time required for translation.

A meeting chair's actions as authorized by this subsection may be overruled by a majority vote of the District Council.

F. Conduct at Meetings

The meeting chair has the power and duty to remove someone for:

2. A breach of the peace, boisterous conduct or violent disturbance, tending to interrupt the due and orderly course of the meeting.
3. Disobedience of any lawful order of the meeting chair, which shall include, but not be limited to, an order to be seated.

A meeting chair's actions as authorized by this subsection may be overruled by a majority vote of the District Council.

G. Voting

A motion or resolution will pass upon the affirmative vote of a majority of the District Council Members present unless a more stringent voting requirement is set by City Charter, City Municipal Code, or these Bylaws on a certain matter.

Dissenting opinions will be entered into meeting minutes upon request.

H. Proxies

There shall be no vote by proxy at any District Council meeting.

I. Quorum

J. Participation via Telephone or Videoconference

In accordance with 5 ILCS 120/7, if a quorum of District Council Members are physically present, a majority of the District Council may allow a District Council Member to attend the meeting by other means if a District Council Member is prevented from physically attending because of: (i) personal illness or disability; (ii) employment purposes or the business of the public body; or (iii) a family or other emergency. "Other means" is by video or audio conference. If a District Council Member wishes to attend a meeting by other means, the District Council Member must notify the remaining District Council Members and the Deputy Director for District Councils before the meeting unless advance notice is impractical.

K. Minutes

Minutes shall be kept for both open and closed sessions in accordance with 5 ILCS 120/2.06. All closed meetings must be recorded via audio or video. The minutes of open meetings shall be available for public inspection within 10 days of approval of such minutes by the District Council. Minutes of meetings closed to the public shall be available only after the District Council determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential. The District Council shall periodically, but no less than every six months, meet to review minutes of all closed minutes. At such meetings a determination shall be made and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes, or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection.

L. Parliamentary Procedure

M. Meeting Agendas

1. Creation and Advance Sharing of the Agenda

Each member of the District Council shall have the opportunity to add items to the agenda for each public meeting of the District Council. The agenda shall be shared with all members of the District Council each time new items are added. Department staff shall consult with the District Council members about any advised changes to the agenda items, such as for legal compliance issues or for practicality, clarity, and accessibility considerations.

2. Modification and Approval of the Agenda

Prior to five days before the start of the respective meeting, a District Council member who submits an agenda item may modify or remove the item they submitted. Members of the District Council may also add, modify, or remove agenda items by a majority agreement. Members of the District Council operating under a majority agreement will have until 48 hours prior to the meeting to make changes to any items for vote, and until the start of the meeting to make changes to any items for discussion. After any alterations, the agenda shall be shared with all District Councilors.

3. **Items for Vote**

If a member of the District Council submits a new business item for vote to the agenda, the member shall provide the other members of the District Council with a full description of the item to be considered at least 24 hours in advance of the meeting. If the member does not submit a full description in time, when the item is taken up for consideration, any member of the District Council may raise an objection, in which case the District Council will move onto the next item of business.

4. **Standing Agenda Items**

The 14th District Council shall have three standing agenda items for each meeting to house various topics of relevance to our work. Councilors may bring more specific topics, speakers, or materials to house under these larger categories, and constituents may ask questions and raise ideas and concerns. These placeholder discussion topics to be included in each 14th District Council public monthly meeting agenda are:

I) Police Accountability.

II) Restorative Justice.

III) Evidence-based Approaches to Community Safety.

ARTICLE VII: ENLISTMENT OF VOLUNTEERS

A. Enlistment of Volunteers

Pursuant to MCC 2-80-070(h), District Councils may enlist qualified volunteers to assist them in carrying out their duties, including but not limited to serving on committees, pursuant to this section. For example, District Councils may enlist volunteers to ensure that the perspectives and experiences of district residents who are not United States citizens are reflected and incorporated in the District Council's work.

B. Votes to Establish Volunteer Arrangements

To establish a formal volunteer entity, the District Council shall hold a vote in a public meeting to decide whether to use MCC 2-80-070(h) to establish the formal volunteer entity. Such vote shall take place if the District Council seeks to enlist a volunteer entity that adopts a name to hold recurring meetings on a topic related to District Council work or that will have a formalized membership, decision making structure, designated roles, or titles. To vote on a volunteer arrangement under MCC 2-80-070(h), a member of the

District Council may submit a written proposal outlining the purpose of the volunteer entity and the scope of the volunteer entity's activities.

If the District Council votes to establish a formal volunteer entity under Section (h), the District Council shall determine the following:

- i. If the entity operates under a name or maintains any public presence;
- ii. If the entity will have any defined membership, designated roles, or titles;
- iii. If the entity will have a formal decision-making process;
- iv. If the entity's activities will include holding any external communications, meetings or events or produce any publications; or
- v. If the entity will be charged with presenting recommendations or proposals on a regular basis to the District Council or individual members of the District Council.

C. Volunteer Activities

Volunteer activities shall take the form of either advisory assistance or general support. The District Council and members of the District Council shall not delegate official duties to volunteers, grant volunteers substantive decision-making authority, or hold out volunteers as agents, representatives, proxies, stand-ins, or spokespersons for the District Council.

D. First Amendment Rights

Nothing in this Article shall be interpreted as curtailing the First Amendment rights of civilians who take part in supporting the District Council.

ARTICLE VIII: PROHIBITION OF IMPERSONATION OF PUBLIC OFFICIALS

- A. Pursuant to state law, 720 ILCS 5/17-2(b)(2), a person commits a false personation if he or she knowingly and falsely represents himself or herself to be a public officer or a public employee or an official or employee of the federal government. If a member of the District Council has reason to believe that a member of the public is impersonating being a public officer of the District Council, the District Council member may report the matter to the proper authorities to investigate the issue.
