

# Please join the Chicago Department of Public Health (CDPH) for a community meeting about Metal Management Midwest (“Sims”).

Sims has applied to renew a permit for their recycling facility located at 2500 S. Paulina Street. Community members are essential to the permitting process. This meeting will help the City better understand and address community concerns.

**WEDNESDAY, OCTOBER 19**  
**Benito Juarez High School**  
2150 S. Laflin St, Chicago, IL 60608

**Doors open at 5:30pm**  
**Meeting 6:00 – 8:00pm**

All attendees must register in advance by visiting [bit.ly/SIMSnotice](https://bit.ly/SIMSnotice). There is a limited amount of space for in-person attendees, so residents who live near the proposed facility will be prioritized for in-person attendance. A virtual option is also available.

**For more information on this permit application and community meeting, visit CDPH’s [Community Information page](#).**
