10 required by the Municipal Code of Chicago.

11 As announced at last month's

13 proposed amendments to the Board's Rules of
14 Procedure.

15 Is there a motion to amend the
16 Board's Rules of Procedure as set forth in a
17 draft of the amendment posted on the Board's
18 website and made available at this evening's
19 meeting with the following change: The last
20 section -- the last line of Section III-E shall
21 read, "Unless an Illinois statute or rule of
22 evidence provides otherwise."

23 Is there such a motion to amend
24 the Rules of Procedure and to have these

1 amendments take effect immediately?

2 BOARD MEMBER EADDY: So moved.

3 BOARD MEMBER FOREMAN: Second.

4 PRESIDENT LIGHTFOOT: All in favor?

5 (CHORUS OF AYES.)

6 PRESIDENT LIGHTFOOT: Any opposed?

7 (NO RESPONSE.)

11 directives issued by the Superintendent of
12 Police during the previous month are listed in
13 the books made available at this evening's
14 meeting and posted on the Police Department's
15 website.

16 The next item is the
17 Superintendent's report to the Board.

18 First Deputy, is there -- do you
19 have a report?

20 FIRST DEPUTY RICCIO: Actually, I will make
21 a couple of quick comments.

22 First, I want to welcome
23 everybody, the members of the public that are
24 here. Thank you for coming, and we look

1 forward to hearing your comments and
2 suggestions.

3 It's always a good opportunity
4 for the members of the public to come here and
5 speak and for us to hear and for the Board to
6 hear as well, so we always welcome that.

7 And secondly, I want to thank the
8 police officers that are here. We have a lot
9 of officers working and doing a great job for
10 us. And for the ones that are here, thank you
11 guys as well.

12 PRESIDENT LIGHTFOOT: Thank you, First
13 Deputy.

14 I will now call upon those
15 members of the public that signed up in advance
16 to speak.

17 When your name is called, please
18 step up to the microphone. And, again, we ask
19 you to limit your comments to two minutes in
20 deference to the other speakers who will come
21 after you.

22 Our first speaker is Scott
23 Clayton.

24 MR. CLAYTON: Good evening. Thank you. My

1 name is Scott Clayton. I live in North
2 Kenwood. If there are any other North Kenwood
3 members present, would you please stand. Okay.

4 The reason I'm here, last Friday,
5 March 16th, at about 5:30, my neighbors noticed
6 five individuals trying to break into parked
7 cars. That neighbor called 911. About ten
8 minutes later, another neighbor, an 80-year-old
9 man was accosted by the same group. They told
10 him they had a gun, and they wanted all of his
11 belongings. God bless his soul, he said no and
12 survived. 30 minutes later my next-door
13 neighbor was held at gunpoint in her own
14 garage. Her car was stolen by the same group.
15 Ten minutes later, my wife arrived home. But
16 for the fact that she stopped at the Walgreens
17 to send an urgent e-mail, it would have been
18 her.

19 I'm a father of two boys, and I
20 coach. One of the things I try to instill in
21 all my boys is personal accountability. Don't
22 ask why I didn't play, ask what I can do to
23 make myself indispensable to you such that you
24 don't have an excuse.

1 So the thing about what I was
2 going to say, I decided to take that approach,
3 what can I do? What can my neighbors do in our
4 effort to protect our loved ones to elicit a
5 response? Because the first two calls went
6 unheeded.

7 PRESIDENT LIGHTFOOT: First Deputy, do you
8 want to address that question?

9 FIRST DEPUTY RICCIO: I would have to dig
10 further to find out exactly what the
11 circumstances were.

12 I would say this. A lot of times
13 it's what's told to the 911 operator that
14 determines how they're going to classify that
15 call, and then how urgent that call is going to
16 be when it's placed out to beat cars. So it
17 would really depend specifically on what was
18 said during that 911 call.

19 I don't know that there's
20 anything that -- I don't know that there's
21 anything that you could have or should have
22 done differently nor the other people.

23 We would have to look into that
24 incident. If I can get some of the specifics

1 after the meeting, I will be happy to do that,
2 look into it and give you some feedback.

3 I can just say, generally,
4 sometimes people are like a little reluctant to
5 kind of sound the alarm or to make it seem like
6 it's something they need help with right away,
7 and they kind of tone it down a little bit so
8 the 911 operator feels maybe this isn't
9 something that we have to send out immediately.
10 There may be other jobs they want to send out
11 ahead of it. I would have to find out.

12 I can certainly listen to those
13 911 tapes, and I'll have somebody circle back
14 with you and get back to you and find out
15 exactly what happened that night and let you
16 know.

17 PRESIDENT LIGHTFOOT: Can I suggest this,
18 First Deputy? Perhaps Mr. Clayton can stick
19 around until the end of the meeting, confer
20 with the First Deputy and give him specifics,
21 time, location.

22 As we all know, the 911 tapes get
23 recycled every 30 days. So that's a path you
24 need to go down. You need to make a specific

1 request to OEMC directly to hold those tapes
2 while we figure out what the incident number
3 is. There's ways we can get to that.

4 If there's something that's on
5 the tape that allows for a teachable moment, so
6 to speak, then, perhaps, it's the best way to
7 proceed.

8 FIRST DEPUTY RICCIO: Thank you.

9 MR. CLAYTON: Thank you.

10 PRESIDENT LIGHTFOOT: Thank you,
11 Mr. Clayton.

12 Our next speaker is Kim Townsend.
13 Good evening.

14 MS. TOWNSEND: Good evening. Good evening,
15 members of the Board. My name is Trina
16 Townsend, known mostly by Eclipse or Kim.

17 Tonight I stand before you all
18 just as well as I did January the 18th and
19 February the 28th of this year, 2018, to
20 continue to be the voice of every woman in
21 Chicago, every woman in the State of Illinois
22 and all over the world. The voice of the
23 movement, CopsToo, PoliceToo, MeToo.
24 (Inaudible) represents MeToo, as well.

1 To my attorney, Jeanette Sanders
2 and Crista Noel, president of the Women's All
3 Points Bulletin, who's not here this evening, I
4 am fighting alongside with you both. Thank you
5 for believing in me.

6 The importance of this movement
7 is so that sexual assault, which means rape, by
8 police officers will stop in Chicago and all
9 over the world.

10 It is important for me, you, you
11 and even you, too, to fight for the statute of
12 limitations of rape by police officers or any
13 law enforcement officer to be changed from ten
14 years to no limitation at all. I am CopsToo,
15 PoliceToo. I represent the fight for all women
16 like me, so they won't have to testify before
17 the Chicago Police Board anymore. I represent
18 the facts, the truth and nothing but the truth.

19 The fact that there are so many
20 women who have been or are presently sexually
21 assaulted by police officers in Chicago and all
22 over the world is terrifying to me.

23 I am the voice and the strength
24 for every woman in the (inaudible) who might be

1 too afraid to come forward and disclose that
2 they were raped or molested by Officer Kevin
3 Glover. I represent them to the fullest.

4 I stand in front and center of my
5 heavenly father who's the head of my life and
6 plead to all the blood of Jesus for help and
7 ask for the fight for justice for myself and
8 for my best friend, Linda Carter, who died in
9 November of 1995.

10 PRESIDENT LIGHTFOOT: Ms. Townsend, can you
11 wrap up?

12 MS. TOWNSEND: I stand tall because I am
13 not afraid anymore. I stand in solidarity for
14 the other woman who came forward and stated
15 she, too, was raped by Officer Kevin Glover,
16 but still too afraid to have her identity
17 disclosed. I stand in her truth and stand
18 before you all tonight.

19 As I was preparing this speech, I
20 realized that I possibly -- that I, too, might
21 represent other police officers who are women
22 that are -- also might be sexually being
23 molested or sexually raped by their fellow
24 colleagues and too afraid to come forward.

1 PRESIDENT LIGHTFOOT: Ms. Townsend, you
2 need to wrap up.

3 MS. TOWNSEND: Thank you.

4 PRESIDENT LIGHTFOOT: Thank you very much.
5 Appreciate it.

6 Our next speaker is Shaina
7 Landhuis. Ms. Landhuis. I'm sure I'm
8 mispronouncing it.

9 MS. LANDHUIS: Good evening. My name is
10 Shaina Landhuis, and I am a member of the
11 #TheyKnow, #PoliceToo, #NothingHappened
12 movement to address the police sexual assault.

13 I first want to say it's
14 ridiculous that it took two years to decide
15 what is going to happen with Officer Robert
16 Rialmo regarding the shooting of Bettie Jones
17 and Quintonio LeGrier.

18 We can't forget that it has been
19 six years from yesterday exactly that Rekia
20 Boyd was murdered by Officer Servin, and he was
21 allowed to resign with his pension.

22 This can't continue to happen.

23 Now, currently in Illinois, and
24 34 other states, it is not explicitly stated,

1 and therefore not illegal for police to
2 sexually assault someone in their custody, and
3 they can claim it's consensual. How can this
4 be? Well, police have guns and the power to
5 arrest you for not obeying their commands.

6 This is a total abuse of power
7 and inherent intimidation. This loophole must
8 be eliminated.

9 House Bill 5597 would eliminate
10 that loophole. HB 5597 would amend the
11 criminal code of 2012 and provides that a
12 person commits sexual misconduct when he or she
13 is an employee of a law enforcement agency and
14 engages in sexual conduct or sexual penetration
15 with a person who's in custody of a law
16 enforcement agency. It provides that any
17 person convicted of violating the offense
18 immediately shall forfeit his or her employment
19 with the law enforcement agency.

20 We demand the passing of House
21 Bill 5597.

22 But police sexual assault can end
23 sooner than passing legislation.

24 You, as Police Board members,

1 have the authority to adopt a policy to say
2 that any police officers that engage in sexual
3 assault with anyone in their custody be fired.
4 You can adopt this policy tonight.

5 Police sexual assault must stop.
6 #PoliceToo, #NothingHappened, #TheyKnow. Thank
7 you.

8 PRESIDENT LIGHTFOOT: Our next speaker is
9 Grace Patino.

10 MS. PATINO: Good evening. I'd like to
11 submit for the record HB 270, which became a
12 public act on September 22nd, 2017, and I'd
13 also like to read a section of it.

14 So Senate Floor Amendment No. 1
15 states, "Provides that upon receipt of an
16 allegation or complaint of an officer-involved
17 criminal sexual assault, a municipality with a
18 population over one million shall promptly
19 notify an independent agency, created by
20 ordinance of the municipality, tasked with
21 investigating incidents of police misconduct."
22 This went into effect January 1st, 2018.

23 Again, my question to you all is,
24 when will the City of Chicago be creating an

1 independent agency tasked with investigating
2 incidents of police sexual misconduct as
3 mandated by this enacted ordinance?

4 And lastly, I'd like to state
5 that the enactment of the CPAC ordinance would
6 create such an independent third-party to
7 investigate all issues of police misconduct,
8 including issues of sexual assault by police.

9 Yesterday marked the six-year
10 anniversary of Rekia Boyd's murder. Today
11 marked the nine weeks since Trina Townsend
12 first spoke to you about violence she faced
13 growing up at the hands of CPD.

14 When will you address this
15 systematic violence that women of color
16 predominantly face in the hands of CPD?
17 #CopsToo, #PoliceToo, #TheyKnow,
18 #NothingHappened, #CPACNow.

19 PRESIDENT LIGHTFOOT: Thank you.

20 Our next speaker is Jennifer No.

21 MS. NO: Good evening to all of you and
22 everyone here. Hi. My name is Jennifer No,
23 and I am an antiracism activist and CPAC
24 supporter.

1 Last month when I was here, some
2 of us turned in documents, including Driving
3 While Female. I'll be happy to post an article
4 about the DOJ report. And Addressing Sexual
5 Offenses and Misconduct by Law Enforcement
6 Executive Guide.

7 I e-mailed Police Board Executive
8 Director Max Caproni, and he confirmed that he
9 did send these documents out to all of you.

10 Today I am asking if you read
11 these documents? And I know people don't like
12 to be put on the spot, but I would ask you to
13 please raise your hand if you read some of the
14 documents. Thank you.

15 Did you get a chance to finish
16 them? That's okay if you didn't finish yet. I
17 understand.

18 BOARD MEMBER FOREMAN: It was a lot.

19 MS. NO: It's a lot, and I can come back
20 next time and see if they were finished.

21 PRESIDENT LIGHTFOOT: Giving us a test.

22 MS. NO: Sorry. Yes. So beyond that, I
23 want to say, Lori Lightfoot, as a field
24 coordinator for the CPAC ordinance, I have seen

1 people volunteer hundreds of hours to promote
2 an all democratically elected civilian police
3 accountability council.

4 The response of people all over
5 the City has been overwhelmingly positive. And
6 so the CCPSA, Community Commission of Public
7 Safety and Accountability ordinance, that is
8 just going to be entered on the 28th, uses
9 language that suggests that it will be
10 democratically elected, but we all know its
11 function will be much more like the electoral
12 college. And I don't think that people like
13 the editorial college, I can say that.

14 The fact that the language also
15 is so close to the CPAC ordinance but does not
16 contain anything solid enough to actually
17 create community control of the police I
18 believe is detrimental to the future safety of
19 the people of Chicago.

20 It has not gone unnoticed by --
21 that community members may mistake this new
22 ordinance for the CPAC ordinance. And we have
23 spent a lot of time out in the community,
24 literally hundreds of hours in multiple

1 different wards talking about this. And we
2 will definitely go back out and make sure that
3 people know the difference between our
4 ordinance and that one, because I think people
5 like the CPAC ordinance.

6 Also, I know Eddie Johnson is not
7 here today, but I take this case very
8 personally. I'm a landlord, and I know that if
9 my tenants needed something, that I could end
10 up in the way of danger also.

11 So I really hope that Eddie
12 Johnson decides to fire Rialmo and not let him
13 quit, because I feel like if he doesn't get
14 fired, that's saying it would be totally fine
15 for the police to shoot me. That's it.

16 PRESIDENT LIGHTFOOT: Thank you.

17 Our next speaker is
18 Lavonta -- let me also add. My understanding,
19 and we'll see how this plays out, is that
20 there's going to be community hearings on the
21 ordinance next week.

22 Obviously the CPAC ordinance has
23 been pending for some time, and it would
24 certainly be my expectation that would provide

1 an opportunity for those who are advocating for
2 one position or another to make that statement
3 very clear, particularly in a side-by-side
4 comparison between the two ordinances.

5 MS. NO: Thank you.

6 PRESIDENT LIGHTFOOT: Our next speaker is
7 Lavonta Burke. Good evening, sir.

8 MR. BURKE: Good evening. I'm here today
9 regarding my whole life -- I'm here today
10 regarding my own life story about how Chicago
11 Police have destroyed my life from the age of
12 12 to 25 and a little bit after that, too.

13 I have proof that I can bring to
14 anybody's office that they can see that Burge's
15 generation destroyed me in 1985 and 1991. The
16 71st Street police station destroyed me. I
17 have documents that show that. These police
18 officers lied to me. They have destroyed my
19 life. I can prove that they actually attacked
20 my father before they attacked me from
21 Bridgeport drag racing there. My father beat a
22 guy drag racing. Some kind of police guy. He
23 been at my family for years. I don't know who
24 this guy is. He didn't want me to grow up. He

1 didn't want me to be an auto mechanic. He
2 didn't want me to be a race car driver. He
3 didn't want me to be nothing. He made sure of
4 that.

5 He came out numerous times
6 throughout my life and destroyed my life.

7 I have proof. The 71st Street
8 police station, they gave me two names for my
9 GED, right. The person that got me locked
10 up -- the person that got me locked up was a
11 school teacher, my baby's school teacher, and
12 she was my -- she's my daughter's grandmother.
13 So how can you get my name wrong? They got my
14 name wrong on purpose, because they had my
15 fingerprints with another case that they wanted
16 me to go to jail, get out, miss my mother's
17 funeral. In the process of that, then get
18 locked back up again for four years, which you
19 supposedly got me before that.

20 I'm not saying all cops bad, but
21 they busted my head in, what, '89, '90, at Damen
22 police station on the west side. And they gave
23 me a drug case.

24 They -- since I've been coming

1 here and talking to Rahm Emanuel, I don't have
2 any problems. I can say that much.

3 They pulled me over for little
4 things also. They pulled me over about
5 20,000 of white -- (inaudible) that he blow up
6 business for. He travel around the world.
7 They gave me a DUI. I went to court 16 months.
8 Judge talking about speeding ticket, DUI. I'm
9 not -- they didn't do nothing.

10 All this system has it -- I'll
11 tell you another thing, too. Who get out the
12 holiday? I got out on a holiday 1989. No one
13 gets out of jail on a holiday.

14 But I would like my life to be
15 investigated. I need to be paid from you what
16 all was done to me. He destroyed -- I can't
17 live. I don't have a mother. When I came
18 home, I didn't have a mother. My mother was on
19 dialysis. She needed me for 15 years. What
20 they told me, I've been cheated out of my son.
21 He in County jail. Sitting with Lupus for the
22 last 15 years before she died, and she said,
23 I've been cheated out of my son.

24 I was on the honor roll at

1 Montefiore. I was at Walter Payton. I was
2 valedictorian. Nobody in my family been to the
3 penitentiary but me.

4 PRESIDENT LIGHTFOOT: Your time is up. I
5 apologize, but your time is up. You need to
6 wrap up.

7 MR. BURKE: Who do I give these documents
8 to? Someone offered for me to come into the
9 office last time, and I would like to come to
10 they office and put complaints in. I would
11 like this investigated. The police destroyed
12 my life.

13 PRESIDENT LIGHTFOOT: Sir, hold on.
14 There's a representative from COPA. Can you
15 please stand up. Identify yourself.
16 She'll -- you'll probably need to have a
17 conversation with her. She will talk to you,
18 sir.

19 MS. BURKE: Thank you.

20 PRESIDENT LIGHTFOOT: Our next speaker is
21 Ellen Corley. Good evening.

22 MS. CORLEY: Hello. Yes. My name is Ellen
23 Corley. I came here as a volunteer with the
24 Chicago Alliance Against Racist Political

1 Oppression. We are a highly respected advocacy
2 organization formed by victims of police
3 crimes. It was formed 40 years ago by Angela
4 Davis with the purpose of helping get other
5 people who are victims of police crimes justice
6 and stopping police crimes through ordinances.

7 The primary focus is to educate
8 the community about the problem and to organize
9 the community to demand reforms to injustices.

10 As some of you remember, last
11 week I asked how many of you are aware of three
12 instances where state crimes against democracy
13 were committed by people of power, but these
14 crimes are never solved or even investigated,
15 because our justice system has reached a crisis
16 of democracy brought on by the fact that our
17 system does not investigate the people at the
18 top. They are impunity. They are above the
19 law.

20 This is the problem we need your
21 help in addressing.

22 The problem we have is a civil
23 rights problem, meaning that civil rights
24 violations are occurring by the police and the

1 prosecutors on the people, specifically like
2 officers like Jason Van Dyke who murdered
3 Laquan McDonald but is not being held to
4 account, because the FOP is spending who knows
5 how much taxpayer's money to ensure he is not
6 brought to justice, just as no police officer's
7 been brought to justice for the murder of a
8 black man in this country.

9 This would be the first time if
10 we can just hold this to account.

11 But one thing I said last week,
12 which I wonder if you heard and talked about,
13 is that as we observed Laquan McDonald or the
14 Jason Van Dyke hearing, Pat Camden, media
15 spokesman on the witness stand, admitted that
16 he did that night what he always does, which is
17 go to the scene with other FOP officers and
18 agree on the lie that they are going to tell.
19 And that's the story that everybody has to
20 tell.

21 This case it was a little awkward
22 because the video came out, and Laquan McDonald
23 was not attacking him, he was walking away, and
24 he shot him in the back 16 times.

1 PRESIDENT LIGHTFOOT: Ms. Corley, your time
2 is up.

3 MS. CORLEY: How many of you are aware of
4 what I said last week about Pat Camden, the FOP
5 lying on the witness stand as a practice?

6 The FOP needs to be brought to
7 account. They are protecting a criminal
8 organization, and that's why there's no trust.

9 PRESIDENT LIGHTFOOT: Thank you, Ms.
10 Corley.

11 MS. CORLEY: All right. Did you read the
12 crime coverup --

13 PRESIDENT LIGHTFOOT: Thank you, ma'am.
14 Your time is up. Thank you. Your time is up.

15 Next speaker is Queen Sister.

16 MS. QUEEN SISTER: Good evening. We have a
17 situation regarding a hundred dollar
18 reimbursement request from a gun turn-in that
19 I've been dealing with for two months.

20 I'm going to ask Max, because he
21 has the e-mail, to present it to you Board
22 members, so that if the issue is not resolved
23 by the next Board meeting, it will not be
24 strange to you.

1 My work and my rep speaks for me.
2 Next week is spring break, because they don't
3 know nothing about cleanup week, and because
4 there isn't collaboration in the City between
5 yourselves, the Park District and the Chicago
6 Public Schools, so there's going to be a beast
7 unleashed on the streets with nothing to do, so
8 they are going to find something to get into.
9 Like at home, my eldest, who have been held
10 hostage on the block. Because you are
11 (inaudible). They aren't going to take me
12 serious. I'll get serious.

13 So when the victims fall, and
14 they will, and there is blood that's flowing
15 through the streets of Chicago, and the City
16 known as Chiraq, Illinois, throughout the
17 nation, I think you all need to be charged.

18 I think it's clear that you need
19 to be charged with accessory to murder, because
20 it's clear that you are not doing anything
21 genuine to prevent it.

22 (Inaudible) the gun I turned in,
23 and the only time that you all can come up with
24 some money, they are in the hands of certain

1 individuals, like St. Sabina and Mike Pflieger,
2 to end up back on the streets. And you all are
3 aware of this.

4 Any time you ain't got officers
5 that come to my call -- and I'm putting my life
6 on the line, and I ain't got no goddamn
7 bulletproof vest. I'm not equipped. But I'm
8 going to say this: Society is teaching us --
9 taught us to look at things a certain way. I
10 want you to begin to look at things in a
11 different way. We're taught to reduce and --
12 to subtract is to reduce. This is four corners
13 to this piece of paper. And if I bend down
14 one, we don't reduce, eliminate, they become
15 five corners to this piece of paper. It's time
16 for us to do things a little different. So I'm
17 going to introduce you to a different concept.

18 I see you here, Andrea Zopp. You
19 understand, this is what you do with your
20 ass when you do with your ass, and you all
21 sitting here. You got some explaining to do
22 regarding chaos in the street.

23 I'm not going to kiss your behind
24 for federal dollars, for dollars that come here

1 for everybody, while you all sitting here and
2 protect the police and open up flood gates to
3 these Americans. You have forgotten. And they
4 have no respect for the Chicago negro who
5 founded this house in which you sit.

6 PRESIDENT LIGHTFOOT: Thank you.

7 Our next speaker is Robert More.

8 MR. MORE: It is March 22nd, 2019. Robert
9 J. More speaking on behalf St. Michael the
10 Archangel.

11 First of all, I have a
12 disclaimer, because I'm simply trying to get a
13 ticket out of this frying pan without ending up
14 in the fire. So I want to make sure that no
15 one could infer from my not wearing a
16 disclaimer that is the understood explanation
17 (inaudible).

18 The argument I see everyone in
19 the room, invite and join in an argument on
20 the -- St. Michael the Archangel, website John
21 21-15 PROTCTR@tripod.com.

22 I'm moving to revoke the charter
23 of the City of Chicago. We -- revoke the
24 charter of State of Illinois. It is not

1 possible to revoke the charter for the United
2 States, because who you going to appeal to?
3 The people on top, the Rothschilds, control all
4 these countries, other than Guernsey and
5 (inaudible) which are just dots on the map.

6 But, anyway, the point is that
7 I'm convinced that it's my learned and other
8 people's understanding or similarly situated
9 that this is worse, the present arrangement
10 that we are in, the Hobson state of nature.
11 The Hobson state of nature, whatever
12 difficulties or hardships couldn't possibly be
13 as bad as this enslavement and extermination
14 apparatus for those of us who are -- more
15 particularly who don't want to have this
16 religion on the top down on us.

17 Mr. Riccio, what's the basis of
18 the absence of the Superintendent from this
19 meeting? Why is he not present?

20 FIRST DEPUTY RICCIO: He had another
21 engagement that he had to attend with some
22 other police officials from around the country.

23 MR. MORE: Okay. The next question, will
24 you wear a wire -- I got to protect the estate

1 of Robert J. More. I got the FBI moving in
2 circles. That in past circumstances, numerous
3 people have said you're going to
4 have -- they're going to try to bump you. They
5 just predicted it. It's invariable, because
6 I'm too close to the mother lode. And once
7 they think they can do it safely, they will do
8 it. So I need protocols down to secure the
9 corpse and secure the corpse encountered
10 environment, so that it's a thousand times more
11 difficult for that to happen.

12 I'm not saying the FBI will do
13 this, but this is my burden to protect my
14 estate. It is not that some drunk, whatever,
15 took and there was a fight, and the guy just
16 stabbed me and threw me in the river to get to
17 the bottom of the issue. I got to secure that
18 whole environment. And I'm asking you --

19 PRESIDENT LIGHTFOOT: Thank you, Mr. More.

20 MR. MORE: The rest of this can be seen at
21 John 21-15 PROTCR@tripod.com. I got 30 other
22 points here. Can I speak to you, Mr. Riccio --

23 PRESIDENT LIGHTFOOT: Thank you, Mr. More.

24 At this time, all persons signed

1 up in advance to speak have been recognized.

2 Is there a motion to adjourn?

3 BOARD MEMBER SIMPSON: So moved.

4 BOARD MEMBER EADDY: Second.

5 PRESIDENT LIGHTFOOT: All in favor?

6 (CHORUS OF AYES.)

7 PRESIDENT LIGHTFOOT: Any opposed?

8 (NO RESPONSE.)

9 PRESIDENT LIGHTFOOT: Motion passes.

10 The meeting is adjourned. Thank
11 you all.
