1           PRESIDENT FOREMAN: Good evening. My name  
2 is Ghian Foreman and I am president of the  
3 Chicago Police Board. And I'm calling the  
4 Board's December 16th public meeting to order.

5                       To protect the public's health in  
6 response to the COVID-19 pandemic, this meeting  
7 is taking place remotely.

8                       Pursuant to the Illinois Open  
9 Meetings Act, I have determined that holding this  
10 meeting in person is not practical or prudent.

11                      The City of Chicago remains subject  
12 to the Governor's disaster proclamation due to  
13 the COVID-19 pandemic, and the disease continues  
14 to be a threat, especially to the unvaccinated  
15 and people with certain health conditions. We  
16 are therefore having this meeting remotely this  
17 month.

18                      This meeting is open to the public  
19 via video and audio conference and is being  
20 carried live by CAN-TV.

21                      Members of the public are on mute  
22 in order to reduce background noise and  
23 disruptions.

24                      We have a court reporter making a

1 transcript of this meeting.

2 In addition to the Police Board  
3 members, we have several City officials here with  
4 us this evening.

5 I will begin by taking attendance  
6 so it is clear who is participating in this  
7 meeting. Please say here after I say your name.

6 Superintendent, Dana O'Malley.

7           GENERAL COUNSEL O'MALLEY: Here.

8           PRESIDENT FOREMAN: Executive Director of  
9 the Police Board Max Caproni?

10          EXECUTIVE DIRECTOR CAPRONI: Here.

11          PRESIDENT FOREMAN: We'd like to start by  
12 welcoming our new Police Board member Steven  
13 Block to his first meeting. The City Council  
14 approved Mayor Lightfoot's appointment of Mr.  
15 Block yesterday. Mr. Block comes to the Board  
16 with extensive experience as a federal and state  
17 prosecutor here in Chicago and is currently a  
18 partner at the law firm of Thompson Hine.  
19 Steven, thank you so much for your service to the  
20 City and your assistance to the Board. We're  
21 looking forward to working with you.

22                       We will now proceeded to the items  
23 on the meeting agenda. We'll have time at the  
24 end of the meeting for public comments. Once

1 again, members of the public are currently on  
2 mute in order to reduce background noise and  
3 disruptions. When we get to the public comment  
4 portion of the meeting, we will unmute each  
5 speaker.

6 Is there a motion to approve the  
7 minutes of the Board's November 18th regular  
8 public meeting?

9 VICE PRESIDENT WOLFF: So moved. Paula  
10 Wolff.

11 PRESIDENT FOREMAN: Is there a second?

12 BOARD MEMBER FLORES: I second.

13 PRESIDENT FOREMAN: All in favor, please  
14 say aye.

15 (CHORUS OF AYES.)

16 PRESIDENT FOREMAN: Any opposed?

17 (NO RESPONSE.)

18 PRESIDENT FOREMAN: The motion passes.

19 The schedule of the Board's monthly  
20 public meetings for 2022 have been set and will  
21 be available on the Board's website,  
22 [Chicago.gov/PoliceBoard](http://Chicago.gov/PoliceBoard).

23 Our next regular public meeting  
24 will be held Thursday, January 20th, at 7:30 p.m.

1                   Whether this will be an in-person  
2 meeting or remote meeting will be determined  
3 closer to the meeting date.

4                   Is there a motion to close a series  
5 of executive sessions for the purposes of  
6 considering personnel matters in litigation as  
7 authorized by Sections 2(c)(1), (3), (4), and  
8 (11) of the Illinois Open Meetings Act?

9           VICE PRESIDENT WOLFF:    So moved.  Paula  
10 Wolff.

11           BOARD MEMBER FLORES:  Board Member Flores.  
12 I second.

13           PRESIDENT FOREMAN:  All in favor, please  
14 say aye.

15                                   (CHORUS OF AYES.)

16           PRESIDENT FOREMAN:  Any opposed?

17                                   (NO RESPONSE.)

18           PRESIDENT FOREMAN:  The motion passes.

19                   Earlier today, the Board, as  
20 required by the Illinois Open Meetings Act, met  
21 and considered minutes and recordings of all past  
22 closed meetings to determine whether the need for  
23 confidentiality still exists.  The Board members  
24 unanimously agreed it continues to be necessary

1 to keep confidential the recordings of its past  
2 closed meetings and portions of the minutes. As  
3 previously announced earlier this year, the Board  
4 began making public available portions of its  
5 closed-meeting minutes. These minutes are  
6 included in the Blue Book that is posted on the  
7 Board's website in advance of each public  
8 meeting.

9 A report of disciplinary actions  
10 taken by the Board during the previous month has  
11 been made available on the Board's website.

12 There are two announcements of  
13 disciplinary rulings on the agenda this evening.  
14 Board Member Montes and Doorley will make these  
15 announcements. Jorge.

16 BOARD MEMBER MONTES: Good evening, ladies  
17 and gentlemen. Pursuant to Section 2-78-130 of  
18 the Municipal Code of Chicago, I considered one  
19 matter on which the Chief Administrator of the  
20 Civilian Office of Police Accountability and the  
21 Superintendent of Police did not agree regarding  
22 the discipline of a police officer.

23 In Request for Review number 21-16,  
24 the Chief Administrator recommended that Police

1 Officer Michael Mancha be discharged from the  
2 Police Department for rule violations stemming  
3 from a vehicle pursuit.

4 The Superintendent objected to the  
5 Chief Administrator's recommendation. The  
6 Superintendent recommended that Officer Mancha be  
7 suspended for 180 days.

8 After considering this matter, it  
9 is my opinion that the Superintendent did not  
10 meet the burden of overcoming Chief  
11 Administrator's recommendation for discipline.

12 Based on the facts and  
13 circumstances of this matter, an evidentiary  
14 hearing before the Police Board is necessary to  
15 determine whether the officer violated any of the  
16 Police Department's rules of conduct and, if so,  
17 the appropriate disciplinary action.

18 A copy of the written opinion will  
19 be posted on the Board's website as required by  
20 the Municipal Code.

21 PRESIDENT FOREMAN: Thank you.

22 BOARD MEMBER MONTES: Thank you.

23 PRESIDENT FOREMAN: Nanette.

24 BOARD MEMBER DOORLEY: Are you there?

1           PRESIDENT FOREMAN:    We got you now.

2           BOARD MEMBER DOORLEY:  Let me say this.  I  
3 unmuted and then it just automatically mutes on  
4 its own.  I don't touch it anymore.  So I don't  
5 know what -- I think my iPad is possessed.

6           PRESIDENT FOREMAN:  Not necessarily.  If we  
7 hear background noise, sometimes we may mute  
8 everything.

9           BOARD MEMBER DOORLEY:  I haven't touched it  
10 since I got on.  Let's do this before I get muted  
11 again.

12                                 Good evening, everyone.  Pursuant  
13 to Section 2-78-130 of the Municipal Code of  
14 Chicago, I considered one matter on which the  
15 Chief Administrator of the Civilian Office of  
16 Police Accountability and the Superintendent of  
17 Police did not agree regarding the discipline of  
18 a sergeant.

19                                 In Request For Review number 21-17,  
20 the Chief Administrator recommended that Sergeant  
21 Juan Perez be discharged from the Chicago Police  
22 Department for rule violations stemming from a  
23 search and seizure of a vehicle.

24                                 The Superintendent objected to the

1 Chief Administrator's recommendation. The  
2 Superintendent disagreed with one or more  
3 findings and recommended that Sergeant Perez be  
4 suspended for 180 days.

5 After considering this matter, it  
6 is my opinion that the Superintendent met the  
7 burden of overcoming the Chief Administrator's  
8 recommendation for discipline; therefore,  
9 Superintendent's response shall be implemented.

10 A copy of the written opinion will  
11 be posted on the Board's website as required by  
12 the Municipal Code. Thank you.

13 PRESIDENT FOREMAN: Thank you. The  
14 Superintendent has requested the Board's  
15 permission to solicit funds to offset the costs  
16 of hosting the Department's annual awards  
17 ceremony and luncheon in May 2022.

18 The most recent awards luncheon was  
19 held in November and the Board received a report  
20 of funds raised and spent.

21 Is there a motion to approve the  
22 Superintendent's request, subject to the Board's  
23 receiving an accounting of funds raised and spent  
24 following the May 2022 event?

1           VICE PRESIDENT WOLFF:    I am pleased on  
2 behalf of the Board to accept the  
3 Superintendent's motion.   Paula Wolff.

4           BOARD MEMBER FLORES:   Board Member Flores.  
5 I second.

6           PRESIDENT FOREMAN:    All in favor, please  
7 say aye.

8                                   (CHORUS OF AYES.)

9           PRESIDENT FOREMAN:    Any opposed?

10                                  (NO RESPONSE.)

11          PRESIDENT FOREMAN:    The motion passes  
12 unanimously.

13                                  Superintendent, I'll turn it over  
14 to you for your report.

15          SUPERINTENDENT BROWN:  Thank you, President  
16 Foreman.  I'm going to start with an update on  
17 our COVID vaccination portal entries for our  
18 Department, as well as the percentage of members  
19 of our Department who have reported that they are  
20 vaccinated.

21                                  So as of today, 93 percent --  
22 actually, 93.5 percent of our members of our  
23 Department are -- have submitted their  
24 vaccination information into the portal, 93.59

1 percent.

2                   Of that number, 74 percent of our  
3 members have reported that they are vaccinated.  
4 So that's quite an accomplishment.

5                   We started out, as you know, very  
6 controversial with even entering the information  
7 into the portal, let alone the percentage of the  
8 vaccination status.

9                   So we are encouraged by almost full  
10 compliance with the vaccine mandate and the high  
11 percentage of officers who are vaccinated.

12                   With that, I'll just continue with  
13 my comments. On Monday of this past week, I  
14 testified at the Senate Judiciary Committee  
15 Hearing here in Chicago under Senator Durbin to  
16 discuss reducing gun violence and combatting gun  
17 trafficking in Chicago.

18                   Too many lives have been lost to  
19 gun violence, and we are doing everything we can  
20 as police officers to prevent it from happening  
21 in the first place.

22                   We are on page to recover more than  
23 12,000 guns that are illegally possessed by the  
24 end of the year.

1           Each gun recovery, as you know, is  
2 a potential deadly force encounter for our  
3 officers and also a life saved.

4           As part of our efforts to take  
5 these weapons off the streets, we launched a gun  
6 investigations team in July of this year to  
7 disrupt the flow of guns into our City. This  
8 team investigates gun trafficking cases and  
9 works closely with our prosecutorial partners to  
10 address the pipeline of weapons and to hold those  
11 responsible and accountable.

12           Our detectives have been working  
13 around the clock to seek justice for those who  
14 have been hurt by senseless gun violence; this  
15 includes victims who have been killed or injured  
16 by gun violence and all the families who continue  
17 to deal with the ripple effects just one bullet  
18 can start in our communities.

19           Our homicide detectives have  
20 cleared 374 homicide cases so far this year.  
21 That's the most homicide cases cleared in a  
22 single year in 19 years.

23           And across our City in the five  
24 police areas, our clearance rates range from 42

1 percent to 68 percent. We've also added  
2 resources to our vehicular hijacking task force.  
3 That's our carjacking task force, which has  
4 doubled in size since the beginning of the year.

5           So far this year, we've made 1,375  
6 vehicular-hijacking-related arrests. 688 of  
7 those 1,375 arrests were for criminal trespass to  
8 a vehicle, that's being in a stolen vehicle. 383  
9 of those 1,375 arrests were for possessing a  
10 stolen vehicle. And 305 of those 1,375 arrests  
11 were for vehicular hijacking.

12           Unfortunately, over half of our  
13 offenders that we've arrested this year are  
14 juveniles. Really young people, from age 10 to  
15 16, over half.

16           While we've doubled down on these  
17 law enforcement efforts, we have doubled down on  
18 our public safety strategies and improving  
19 community trust and resolving the underlying  
20 issues that lead to crime. For example, we have  
21 expended our Narcotics Arrest Diversion Program,  
22 which is expanded to all 22 districts. This  
23 makes it the largest diversion program of its  
24 kind in the country.

1           We've also expanded our nation --  
2 I'm sorry, our Neighborhood Policing Initiative,  
3 and it's called NPI program, to ten of the most  
4 violent districts in the City.

5           We've also welcomed in our new  
6 LGBTQ+ religious, homeless, and immigrant  
7 liaisons. So that's three separate liaison  
8 groups for each of the five areas across the  
9 City. The LGBTQ+, the religious, the homeless,  
10 and the immigrant liaisons are all part of the  
11 commitment to advocate for and build  
12 relationships with our City's historically  
13 marginalized communities.

14           Each of these programs separately  
15 are roles played by our true efforts at reform,  
16 changing the culture of the Chicago Police  
17 Department.

18           In the fourth monitoring period,  
19 IRM4, for our Consent Decree, we were assessed  
20 for compliance by the monitoring team that  
21 detailed the progress of our Department, and  
22 we've made the most significant reform that we  
23 have since we've been in the Consent Decree; over  
24 52 percent compliance with the paragraphs

1 assessed.

2 Obviously, none of this would be  
3 possible, as we all know, without the dedication  
4 and extraordinary bravery and courage of the men  
5 and women of the Chicago Police Department.

6 They do everything they can to  
7 include risking their lives to protect the people  
8 of this beautiful City every single day and  
9 night. Thank you very much.

10 PRESIDENT FOREMAN: Thank you,  
11 Superintendent.

12 Board members, any questions for  
13 the Superintendent? Thank you.

14 Chief Administrator, would you like  
15 to give your report?

16 INTERIM CHIEF ADMINISTRATOR KERSTEN: Thank  
17 you, President Foreman.

18 For the updates for the Civilian  
19 Office of Police Accountability in its last  
20 month, I'd like to kind of give a statistical  
21 overview of some of the cases that came in and  
22 out of our agency. So the last month, month of  
23 November, we received 475 complaints and/or  
24 notifications. Of those, 110 of them remain

1 under COPA jurisdiction. Of those cases, 58  
2 percent, our single highest category of cases,  
3 involved improper search or seizure allegations.  
4 So that continues to be the top number of cases  
5 that we get are in that category.

6 In the month of November, we  
7 received two officer-involved shooting  
8 notifications. And we also concluded four  
9 officer-involved shooting investigations.

10 Of all of the investigations that  
11 were concluded in the month of November, 47  
12 percent of them included some sort of sustained  
13 finding.

14 In the month of November, we also  
15 had one video release under the City's video  
16 transparency policy. We were also out in the  
17 community at Marshall Square, their resource  
18 network, for their quarterly meeting hosted by  
19 Latinos Progresando.

20 And then we also have some of our  
21 policies -- internal policies that govern the way  
22 that COPA does its investigations, our Up for  
23 Public Comment on our website at [ChicagoCOPA.org](http://ChicagoCOPA.org).  
24 And those policies address some pretty critical

1 areas of our work, and we invite and welcome  
2 public comment on those policies.

3           It's important to make sure that  
4 we're engaging the public in this process because  
5 it's an essential portion of how we try to  
6 achieve greater Consent Decree compliance. So  
7 those specific policies, there's four of them,  
8 that are up right now for public comment are our  
9 sexual misconduct investigations policy, and this  
10 outlines how we approach that work and how we do  
11 so in an interagency dynamic that involves both  
12 CPD as well as the Cook County State's Attorney's  
13 Office.

14           We also have a policy on our  
15 conflict of interest and recusal protocols, as  
16 well as our transparency initiatives,  
17 specifically a policy that is geared towards our  
18 video release.

19           One of the things that COPA's  
20 probably most known for is the release of  
21 officer-involved shooting videos and other  
22 high-profile videos. So this is the policy that  
23 sort of governs how we implement the City's  
24 requirement that would make those releases.

1                   And then lastly, there's a policy  
2 that governs how we screen candidates for  
3 employment, particularly those with law  
4 enforcement backgrounds.

5                   And so I invite anyone that's  
6 interested to weigh in and comment publicly on  
7 those, so please do so.

8                   And then lastly, I'd like to take  
9 my time to talk a little bit about our recent  
10 officer-involved shooting.

11                   I think everyone has a pretty good  
12 sense at this point that when there are  
13 officer-involved shootings, COPA -- part of what  
14 we do is we have to respond to the scene. And  
15 when we respond to the scene and when we're  
16 investigating those cases, we have access as  
17 civilians to policing in a way that most regular  
18 people do not have. We have kind of a front-row  
19 seat to how crime scenes are managed, how  
20 policing takes place in those critical incidents.

21                   We often see the tension and the  
22 emotion that's involved in those quick  
23 decision-making initiatives that have to happen  
24 day in and day out in those incidents.

1                   And then additionally, we have to  
2 review a lot of body-worn camera footage and  
3 other sources of information and interview  
4 witnesses to begin a full picture of what happens  
5 in any one of those cases.

6                   And as most of us are aware, COPA  
7 tends to get a lot of publicity when we close big  
8 misconduct investigations. We're often tasked  
9 with looking at sometimes where policing misses  
10 the mark. But in our review of all of the  
11 information that leads into these investigations,  
12 we also see really exemplary examples of  
13 policing.

14                   In the most recent officer-involved  
15 shooting, which was a fatality that we responded  
16 to on December 9th, the review of body-worn  
17 camera footage involving the responding officers  
18 to that incident actually showed one such  
19 example.

20                   There's a field training officer  
21 named Larry Branch, Junior, assigned to the 25th  
22 District who was called to that scene and had to  
23 interact with family that were grieving. Had to  
24 do so while maintaining the integrity of a crime

1 scene, searching for critical evidence. And he  
2 managed to do all of those things while  
3 demonstrating a truly exemplary level of empathy  
4 and professionalism.

5 I don't think COPA often gets  
6 recognized for lifting up officers that do their  
7 job in the way our City needs them to. And there  
8 are many examples of that that we encounter in  
9 our daily work.

10 So COPA will be sending a formal  
11 notice -- a formal letter, rather, to the  
12 Superintendent and to command staff supervising  
13 Field Training Officer Larry Branch.

14 But I wanted to say something  
15 publicly because I wanted to make sure people  
16 heard that COPA also pays attention when we see  
17 officers getting it right, and I wanted to make  
18 sure to take this opportunity to lift up that  
19 officer. And not only him as an individual, but  
20 also the recognition that he's been placed --  
21 someone of that caliber has been placed in a  
22 position of a field training officer.

23 For those that don't know, that  
24 means he is tasked with teaching, on-the-job

1 teaching, and training of our new probationary  
2 police officers.

3 So having someone like that in a  
4 position to teach our incoming officers how to  
5 police, as I said with empathy and  
6 professionalism, I think is a true mark of our  
7 Department's reform efforts in that regard. So I  
8 just wanted to take this opportunity to share.

9 That's all for my remarks. Thank  
10 you.

11 PRESIDENT FOREMAN: Thank you so much.

12 Chief, thank you so much for  
13 bringing up Field Training Officer Larry Branch.  
14 That's the kind of excellence we should be  
15 highlighting. So thank you for bringing that to  
16 our attention.

17 Then I just want to reiterate that  
18 on ChicagoCOPA.org, we have the ability to  
19 comment on four different policies, sexual  
20 misconduct, conflict of interest, recusal, video  
21 release, and employment screening. So these are  
22 important. This is an opportunity for members of  
23 the public to weigh in on policies that impact  
24 all of us.

1                   So I would highly recommend that we  
2 spread the word and try to make sure that your  
3 feedback is heard.

4                   I will now call upon members of the  
5 public who signed up in advance to speak. To  
6 make sure we have time to hear from all speakers,  
7 there is a two-minute time limit on comments.

8                   Our first speaker, Jacque Stefanic.  
9 If you can press \*6. If you are on the call, \*6.  
10 I can see you. I can see you on -- that you're  
11 on Zoom. I'll come back.

12                   Our second speaker, Nikkita Brown.  
13 Nikkita Brown.

14                   MR. STEFANIC: Mr. Foreman. The host  
15 unmuted me. I was unable to unmute myself. Am I  
16 able to speak or did you want Nikkita?

17                   PRESIDENT FOREMAN: Please.

18                   MR. STEFANIC: Thank you, President Foreman.  
19 And thank you, members of the Chicago Police  
20 Board, for giving me time to speak.

21                   I am actually a member of the  
22 Chicago Youth Council for Police Accountability.  
23 We are a group of 12 youth members across the  
24 City of Chicago. We range from high school

1 students, college students, college graduates.  
2 Basically people from the age of 16 to 24. And  
3 we represent youth who are concerned about police  
4 issues, specifically in the City of Chicago. And  
5 we actually did a formal introduction back in the  
6 summer. And we will be now more present in the  
7 Police Board meetings, kind of giving everyone  
8 updates on what we've been doing and what we plan  
9 to do.

10                   So I would like to give a quick  
11 refresher of our mission. The mission of the  
12 Chicago Youth Council for Police Accountability  
13 is to spark dialogue about police issues in  
14 Chicago, empowering young people across the City  
15 to engage in the work of the Police Board, and to  
16 amplify young people's voices that have been  
17 historically unrepresented and underutilized.

18                   So in terms of updates, the Council  
19 members, we actually visited the Chicago Police  
20 Department headquarters a few weeks ago -- more  
21 like two weeks ago from this day. And,  
22 unfortunately, the building was closed. One of  
23 the officers actually said that it's closed on  
24 certain days. So we actually instead walked over

1 to District 1. And we wanted to actually speak  
2 to some police officers and supervisors about how  
3 we can be more involved. And we ended up kind of  
4 running into more roadblocks that certain police  
5 officers aren't able to speak on certain things  
6 when it comes to media relations because of  
7 policies that exist.

8 So we are kind of finding our ways  
9 that -- how we can be more involved in the police  
10 network in Chicago and how we can respect the  
11 policies that exist.

12 But we do plan to have more  
13 appearances at other district stations across the  
14 City to kind of question or -- not more questions  
15 but kind of be more involved in the police  
16 community and try to see how we can build that  
17 bridge between the youth of Chicago and the  
18 Chicago Police Department and members of the  
19 Chicago Police Board and public safety of the  
20 City.

21 In terms of policies -- I'm sorry.  
22 In terms of any plans that we have, we're  
23 actually going to be conducting community  
24 outreach in preparation for our panel series

1 event, which is ironically a month from this day  
2 on January 16th. And the panel series event will  
3 be including members of the youth, youth leaders,  
4 community leaders, police officers, police  
5 leaders, and other leaders across the City. And  
6 the goal of this panel is to create a -- to  
7 create a panel where we can all come together.  
8 We can all talk to each other and where we can  
9 have a better bridge of connection between the  
10 Chicago Police Department, members of the  
11 community, and more importantly to us, the  
12 members of the youth community, that have -- feel  
13 like we have been impacted and underrepresented  
14 in these conversations.

15           So we would love for members of the  
16 Chicago Police Board to be more involved in our  
17 activities.

18           And in terms of next steps, we  
19 would love for you all to continue to reach out  
20 to us and to see how we can build this bridge  
21 between our two communities, between youth  
22 communities and between the Chicago Police  
23 Department and police members of the City.

24           Thank you, President Foreman, for

1 giving this opportunity to speak. And if you  
2 have any questions, feel free to reach out to Mr.  
3 Max, he's been helping us lot, and we will be in  
4 contact.

5 PRESIDENT FOREMAN: I really appreciate the  
6 efforts that you guys are putting forth in  
7 getting young people involved. But when you do  
8 that, let's be efficient with it. Right? Let's  
9 not have another situation where you go to a  
10 building on the day that it's closed. Energy to  
11 be used in a positive way, not to just be wasted.  
12 Right? So this is a place where you guys can  
13 reach out to us. Perhaps we can help coordinate.  
14 This is a time where you can reach out to COPA.  
15 Reach out and coordinate these things in a little  
16 bit of different kind of way. Right?

17 So this is some of the things we  
18 don't expect you to know right away. Allow us to  
19 be somebody to kind of help guide you through  
20 some of those kinds of things.

21 MR. STEFANIC: Much appreciated, President  
22 Foreman. I really appreciate that. We'll use  
23 that to our advantage.

24 PRESIDENT FOREMAN: Wonderful. Thank you.

1                   Our next speaker, Nikkita Brown.  
2 If you are on the call.

3                   We're trying something new for the  
4 first time today, everyone. Normally speakers  
5 will only call in. This time we're trying Zoom  
6 as well. So bear with us. This is our first  
7 time trying this level of technology. Nikkita  
8 Brown. You have the ability to unmute yourself.  
9 Max -- maybe I have the ability to do it.

10           EXECUTIVE DIRECTOR CAPRONI: This is Max  
11 Caproni. I think it might be Jazmyne who's in  
12 charge of unmuting.

13           MS. BROWN: Hi. Good evening, everybody.  
14 Thank you so much, President Foreman. As  
15 mentioned, my name is Nikkita Brown. Crista Noel  
16 from the Women's All Points Bulletin was kind  
17 enough to give me her time.

18                   As some of you guys may know, I was  
19 involved with -- in an incident with CPD Officer  
20 Dyker end of August. August 28th to be specific.

21                   To give you a little bit of  
22 background. I was pretty much walking my dog.  
23 And as I was actively leaving, and also being  
24 told to leave by the officer, I was attacked.

1 Viciously attacked I might say. Again, while  
2 complying and walking my dog.

3 This is something that has stayed  
4 with me. This is something that has shaken me.  
5 This is something where I am fearful of walking  
6 outside my house.

7 I have been a resident of Lincoln  
8 Park for about seven years. I now see that the  
9 alderman sent a letter saying that they're going  
10 to increase police presence in my neighborhood,  
11 and I now don't want to leave my house for fear  
12 of what might happen or who might say what to  
13 what capacity. Will I be arrested again?

14 Officer Dyker has had several  
15 infractions prior. One of them being out of  
16 state, where he was, I think, charged with  
17 aggravated assault -- three charges of aggravated  
18 assault, as well as resisting arrest.

19 He's also had 24 separate  
20 allegations of misconduct against him.

21 The City has already paid out and  
22 settled a suit that a minority has filed a couple  
23 of years ago for, again, wrongful arrest.

24 So what I'm asking for today is for

1 Officer Dyker to be terminated. Simply put.  
2 Based on the procedures and policies that you  
3 guys have in place, I'm sure that there -- you  
4 know, let me pause. Sorry.

5 Superintendent Brown, I'm aware  
6 that COPA has closed their investigation and  
7 their report and recommendations have been  
8 provided to you.

9 I'm asking that Officer Dyker be  
10 terminated, not only for his attack on me, but  
11 for his decades' worth of misconduct while  
12 wearing the uniform.

13 Allowing Officer Dyker to remain on  
14 the force, despite his history of misconduct and  
15 his videotaped attack on me, will not only be an  
16 insult to the residents of this city, but it  
17 would be an insult to all men and women who  
18 perform their duties with professionalism and  
19 integrity.

20 I also want to take a moment to say  
21 thank you to Sergeant Gibson. He was kind the  
22 night that he came by and took my statement. And  
23 actually made sure that I calmed down enough  
24 before he left.

1 I'm also asking for this to not  
2 happen to anybody else. It shouldn't happen to  
3 any woman. It shouldn't happen regardless of  
4 color, creed, or anything. It should not happen.

5 We should feel safe and protected  
6 by law enforcement, not violated or fearful that  
7 this can mean death.

8 Nobody should be fearful of walking  
9 outside and seeing officers around.

10 We should be more fearful of the  
11 rise of crime in the City, but not the officers.

12 I ask you, members of the Board, as  
13 an officer, parent, friend, human, is this  
14 someone that deserves the right or honor to call  
15 himself an officer? Is this somebody you are  
16 proud to call your brother, your colleague? And  
17 that's it. Thank you for your time.

18 PRESIDENT FOREMAN: Thank you, Ms. Brown.  
19 Thank you for speaking. Thank you for your  
20 courage coming here today. I know it took a lot.

21 Normally I would ask the  
22 Superintendent to respond, but since it's open,  
23 I'm going to hold off on doing that right now.

24 Thank you very much for showing up

1 here today and speaking out. Hopefully we have  
2 an answer on this relatively soon.

3 Our next speaker, Grace Patino.  
4 We're going to get you all unmuted in one moment,  
5 Ms. Patino.

6 Jazmyne, you have the ability to  
7 unmute Ms. Patino?

8 MS. PATINO: Hi.

9 PRESIDENT FOREMAN: Good evening.

10 MS. PATINO: Good evening. My name is Grace  
11 Patino. I'm here as a member of the Chicago  
12 Alliance Against Racist and Political Repression.

13 I'm also here standing in  
14 solidarity with Women's All Point Bulletin and  
15 with Nikita Brown.

16 I just want to say that you just  
17 did an amazing job. And I want to echo that we  
18 want Bruce Dyker fired. That man should not be  
19 on the force or definitely not allowed to carry a  
20 gun additionally after he attacked Ms. Brown.

21 Also, we would like COPA to --  
22 COPA's report to be released to the public,  
23 because we feel that this is an issue of a lack  
24 of transparency around this matter.

1                   And speaking of transparency, I  
2 also want to thank whoever sent us the FOIA  
3 request information that we requested, that was  
4 FOIA request number P700894-102821. We were  
5 asking for information around sexual assault from  
6 police officers; however, we would like to --  
7 Women's All Point Bulletin and some members of  
8 the Chicago Alliance would like to request a  
9 meeting with the police Superintendent and FOIA  
10 Chief Administrator to review the information  
11 that was provided. The information is pretty  
12 difficult to interpret. I think that it wasn't  
13 -- it's missing some information. And we just  
14 want to talk about how to read what was sent to  
15 us.

16                   We also want to mention that -- I  
17 know this will probably have to be another FOIA  
18 request, but we do still want those narratives of  
19 the survivors whose cases of sexual assault were  
20 -- that we requested.

21                   I believe you all have our contact  
22 information already from us signing up for public  
23 comment, but if you'd like to get my e-mail or my  
24 phone number again, I'm happy to provide it to

1 try and set some type of meeting up. Thank you.

2 PRESIDENT FOREMAN: Thank you, Ms. Patino.

3 I don't know if this is -- I'm directing this  
4 question to the right place.

5 Ms. O'Malley, is this something I  
6 can ask you to try to help us direct to the right  
7 place for them to get some clarity on  
8 understanding the information that they received?

9 GENERAL COUNSEL O'MALLEY: Yeah, absolutely.  
10 We can take a look at it and see if we can  
11 clarify any of the issues.

12 We are, you know, obviously limited  
13 by what the FOIA law allows us to reveal,  
14 especially when we're dealing with victims of  
15 sexual assault and sexual violence. But we can  
16 certainly look at that.

17 PRESIDENT FOREMAN: Okay. I'm going to ask  
18 Max to connect you and Ms. Patino and you can  
19 direct them to the right place to get the  
20 information that they're seeking if it's  
21 available.

22 Next speaker, Hankyeol Song.

23 MS. SONG: Hello. My name is Hankyeol Song  
24 with the Chicago Alliance Against Racist and

1 Political Repression and the Women's All Points  
2 Bulletin.

3 First of all, I'd like to express  
4 my full support for Ms. Nikkita Brown. And I  
5 commend her for her powerful testimony. It is an  
6 outrage that this even happened, and Bruce Dyker  
7 should, indeed, be terminated and even charged  
8 with aggravated battery.

9 But that's not the reason I signed  
10 up to speak today. The reason I'm here is to  
11 raise an issue with the Chicago Police  
12 Department's inability to prevent domestic  
13 violence perpetrated by CPD officers.

14 I'm amazed to learn of the murder  
15 of Ms. Andris Wofford. An off-duty Chicago cop,  
16 Pierre Tyler, has been charged with the homicide  
17 of Ms. Wofford who has been found dead with a  
18 fatal gunshot wound to her head following an  
19 argument with Officer Tyler.

20 Ms. Wofford had planned to break up  
21 with him, according to family and police. This  
22 is the most dangerous time in domestic violence  
23 cases where the women try to leave a  
24 relationship.

1 Ms. Wofford had filed a complaint  
2 previously against the officer in the past  
3 alleging domestic violence. And while charges  
4 weren't filed, CPD didn't do anything to prevent  
5 further occurrences of domestic violence by  
6 Officer Tyler. I believe that CPD should have  
7 taken his gun away after his known prior domestic  
8 dispute.

9 The Lautenberg Amendment makes it a  
10 felony for those convicted of domestic violence,  
11 misdemeanors, but police officers seem to be  
12 exempt from this law with a culture of silence  
13 and intimidation, preventing domestic violence  
14 complaints to be properly charged and addressed.

15 Complaints of police domestic abuse  
16 are notoriously underreported,  
17 under-investigated, and undercharged.

18 CPD needs to take accountability to  
19 properly investigate and prevent domestic  
20 violence perpetrated by its officers even if  
21 charges aren't filed.

22 I wish Ms. Wofford's family my  
23 condolences and hope they get justice for her  
24 death. I will be here to demand justice for Ms.

1 Wofford and for CPD to address this  
2 violence-against-women problem.

3 PRESIDENT FOREMAN: Thank you very much.

4 Our next speaker, Jennifer Edwards.

5 I can see that you're here. \*6. If you can  
6 press \*6 to unmute.

7 MS. EDWARDS: Thank you. Good evening,  
8 Superintendent Brown and Police Board. We are  
9 calling in tonight to ask for more police  
10 resources for the 3rd, 6th, and 4th Districts.

11 Within a two-week span of time,  
12 we've experienced ten shootings, five homicides,  
13 three aggravated batteries with a handgun, seven  
14 vehicle hijacking incidents, 17 motor vehicle  
15 thefts and 15 robberies in just one district.

16 We are respectfully asking for the  
17 same complement as other Chicago areas are  
18 receiving who have a lower amount of incidents as  
19 compared to our districts. We hope to get the  
20 full complement of new police recruits finishing  
21 training as stated of 20 new officers per  
22 district, as our districts have been historically  
23 training districts.

24 We would like permanent foot posts

1 in our highest-crime hot spot areas. We have ten  
2 in our area.

3 We are also asking for dedicated  
4 cars at these hot spots as a deterrent and more  
5 cameras and license plate readers.

6 And like other areas of Chicago, we  
7 don't have private police groups to help. SSAs  
8 are not functional as police officers in our  
9 area, and we are not able to afford to pay the  
10 higher off-duty police officers to secure our  
11 areas.

12 Yet we have been on the ground with  
13 CPD patrolling our gas stations, deterring  
14 carjackings with our operation neighborhood  
15 safety group, and walking with CPD and the Cook  
16 County Sheriffs for a year.

17 As stated above, we request more  
18 help for the above serious reasons.

19 We also thank you for the promotion  
20 of Keith Milmine, one of our favorites, to the  
21 commander of the 4th District. But he, too, is  
22 going to need more resources, a community  
23 organizer, and a CAP sergeant would also help.

24 Ms. Tiffany Smith asked for more

1 strategy because of the numerous shootings in the  
2 6th District and increased police presence to  
3 fill the community organizer position.

4           Lastly, we have been attending the  
5 South Shore Academy domestic violence training as  
6 community members and adding our own personal  
7 improv skits to make it a little bit more fun.  
8 We hope our improv skits make the training more  
9 personal, but also we enforce the idea that we  
10 don't hate the police, but support the police and  
11 introduce different types of officers as domestic  
12 violence, CIT, and Affinity Officers. Thank you.

13           PRESIDENT FOREMAN: Thank you. Thank you,  
14 Ms. Edwards. You have a lot of points there.

15           Superintendent, would you like to  
16 -- anything you want to respond? I know there's  
17 a lot of points. She has very specific things  
18 about very specific areas.

19           SUPERINTENDENT BROWN: We agree on all the  
20 points made. More resources for each of the  
21 districts she identified. We've already  
22 identified those districts as getting the new  
23 recruits that's coming off training.

24           We've also identified areas that

1 need more pod video cameras in those districts  
2 and license plate readers in those districts as  
3 well.

4                   And so, again, we know those  
5 districts need more resources. We're working to  
6 get them as quickly as we can.

7                   And a shameless plug. We are  
8 hiring. It's an \$80,000-a-year job to be a  
9 Chicago police officer once you complete your  
10 training after 18 months and a 100 percent  
11 reimbursement for your college education. 100  
12 percent. Shameless plug there. We need more  
13 recruits and we are hiring. Thank you.

14           PRESIDENT FOREMAN: Superintendent --

15           MS. EDWARDS: Thank you.

16           PRESIDENT FOREMAN: I'm sorry. I just have  
17 a question now. So the whole City -- violent  
18 crimes is up right now, so the whole City feels  
19 like they need more resources and you have  
20 limited resources. So what is that process? How  
21 do you figure out where to put those different  
22 sets of resources?

23           SUPERINTENDENT BROWN: So we have district  
24 patrols, officers who are assigned to the

1 districts, and then we have area officers, and  
2 then we have citywide officers. So we have three  
3 buckets of officers. One bucket is in the  
4 district. And when we have emerging crime, like  
5 the caller identified. We move area officers to  
6 supplement those district officers.

7 If for whatever reason we need more  
8 than the area officers, we have citywide officers  
9 that we can send to those areas to be additional  
10 resources until we get the crime under control.

11 Yes, you are right. Every area of  
12 town is asking for more cops, more officers.

13 And so we're being very nimble and  
14 flexible in putting out all of the emerging crime  
15 issues that we're seeing. It is the holiday  
16 shopping season, so we're seeing more and more  
17 thefts, smash and grabs.

18 So we are deploying our resources  
19 and we are listening to the community to make  
20 those determinations.

21 PRESIDENT FOREMAN: Next speaker, Dod  
22 McColgan.

23 Our next speaker, Anthony Crawford.  
24 Anthony Crawford. I can see you're here, Mr.

1 Crawford, but I cannot -- if you can press \*6.  
2 I'll come back to you.

3 Next speaker, Ms. Flora Suttle. If  
4 you can press \*6, Ms. Suttle. \*6. Wait. You're  
5 on Zoom. Jazmyne, I need you to do the unmute  
6 situation. Bear with us. Bear with us all.  
7 You're unmuted Ms. Suttle.

8 MS. FLORA SUTTLE: Good evening. My name is  
9 Flora Suttle. I'm still advocating for justice  
10 for my son Derrick Suttle who was fatally shot by  
11 an off-duty male black Chicago police officer on  
12 February 11th, 2012.

13 As many of you know, I've been  
14 speaking before this Board before the Consent  
15 Decree went into effect in 2019.

16 I've been trying to find out what  
17 is the process of reopening a closed  
18 investigation.

19 And I read an article online, ABC 7  
20 Eyewitness News, and it said in 2004, a young man  
21 by the name of David Koschman died after being  
22 punched by the former Mayor Daley's nephew. And  
23 I'll quote what this article said. "The police  
24 responded immediately with a wholesale cover-up.

1 Homicide files went missing. Witnesses were not  
2 interviewed and police reports were changed to  
3 blame David Koschman. David's mother, Nancy  
4 Koschman, fought for justice for her son for  
5 almost ten years. Ten years will be February for  
6 me.

7 In 2012, the mayor's nephew, R.J.  
8 Vanecko, was indicted and charged with  
9 involuntary manslaughter, which he pleaded guilty  
10 to in 2014, and he was sentenced to 60 days in  
11 jail.

12 That was a closed investigation  
13 that was reopened. So there is something to  
14 reopen a case.

15 Now, my question again is for the  
16 Superintendent. What is the process or procedure  
17 for me -- I'm a citizen. I'm a mother. And I'm  
18 a working member of this community, to request  
19 that you reopen this closed case, this closed  
20 investigation, RD numbers Henry Victor 154525 and  
21 Henry Victor 153745? This case needs to be  
22 reviewed with the State Attorney's Office for  
23 appropriate criminal charges against that  
24 officer.

1 Now, Superintendent Brown, I'm --

2 PRESIDENT FOREMAN: I'm sorry, Ms. Suttle,  
3 we're at time.

4 Superintendent, would you like to  
5 respond?

6 SUPERINTENDENT BROWN: Sure. I'm just going  
7 to talk generically, not about this specific  
8 case. Her ask of me was what steps do we take to  
9 reopen an investigation, a criminal  
10 investigation. And I know I have Dana O'Malley  
11 on to help me out. I believe this case has gone  
12 through a process, but it was an investigation  
13 that was done and completed. The State's  
14 Attorney, I believe, has a role in looking at all  
15 cases for review. And then I think COPA can look  
16 at cases for review of police-involved shootings.

17 Dana, do you have anything to add?  
18 That's the whole process, is the Police  
19 Department looking at it. Every case we refer to  
20 the State's Attorney. State's Attorney reviews.  
21 If it's a police-involved shooting, COPA's  
22 actually in charge of conducting that  
23 investigation. But, ultimately, all those steps  
24 were taken. There are no additional outside

1 steps that can be taken that I'm aware of.

2 Dana, you can chime in if you see  
3 any additional things I didn't cover.

4 BOARD MEMBER O'MALLEY: In this case also  
5 the Inspector General may have looked at it, as  
6 well, as Deborah Witzburg has commented on this  
7 at prior Police Board meetings.

8 But everything else you said is  
9 correct.

10 SUPERINTENDENT BROWN: The only thing I  
11 missed saying was the Inspector General could  
12 review as well. And, Dana, just remind me, do  
13 you know if this specific case was reviewed by  
14 the Inspector General or not?

15 GENERAL COUNSEL O'MALLEY: I believe Deborah  
16 Witzburg has spoken on this case. But I can  
17 certainly confirm and get back to Max and confirm  
18 that for him.

19 PRESIDENT FOREMAN: Thank you very much. I  
20 would appreciate that. Thank you, Ms. Suttle.

21 Next speaker, Anthony Crawford. If  
22 you can try \*6. We figured out \*6 even if you  
23 are on Zoom is the answer. Mr. Crawford, \*6.

24 MR. CRAWFORD: Hello. Can you hear me now?

1           PRESIDENT FOREMAN: Yes.

2           MR. CRAWFORD: Sorry. Yeah, it was saying I  
3 still was muted. I'll be brief. I want to thank  
4 everybody for letting us be here. Thank you,  
5 Superintendent.

6                         I can tell a story of how I was  
7 falsely arrested by one of your sergeants, and  
8 she instructed her officers to make up evidence  
9 against me. I won't go into details.

10                        But I can also tell a story about  
11 how I was walking down 83rd and King Drive, found  
12 \$5 on the ground, and my brother and I at the age  
13 of 45 found ourselves surrounded by five youths  
14 who began to kick us and beat us and stomp us in  
15 our skulls. And we did manage to get away.

16                        So with both those stories, I still  
17 want to say that I'm a person that says we need  
18 more officers. I understand that there are  
19 training issues and there are some bad players.  
20 But even with that, those of us at least in the  
21 3rd District over here, and as Jennifer Edwards  
22 said, we need more officers. We fully support  
23 you all. I don't know what we need to do to get  
24 more officers. And we also need to make a bigger

1 push to make sure that after you make good  
2 arrests, that when it gets to the next stage,  
3 that there's good prosecution going on.

4 And that's what I want to present.  
5 Thank you for your time.

6 PRESIDENT FOREMAN: Thank you very much.  
7 Our next speaker, Cynthia Scruggs. Cynthia  
8 Scruggs. Press \*6. Cynthia Scruggs, \*6.

9 Our final speaker, Mr. Robert More.  
10 Mr. More, you can press \*6 on one of your phones.  
11 I see that you are logged in on two different  
12 devices. So if you can press \*6 on one of them.  
13 \*6. Mr. More.

14 MR. MORE: Hello. I just unmuted.

15 PRESIDENT FOREMAN: You have to turn the  
16 volume down.

17 MR. MORE: I'm hanging up the other one.

18 PRESIDENT FOREMAN: Yes.

19 MR. MORE: Here's the situation.

20 PRESIDENT FOREMAN: Hold on, Mr. More.  
21 Jazmyne, can you please restart the clock. Mr.  
22 More, please proceed.

23 MR. MORE: Complainant More about the double  
24 standards, one-way streets, and sacred cows,

1 which is the ordinary and customary activity of  
2 this entity.

3           The first three persons today got  
4 to speak for 14 minutes. Okay? I get cut off at  
5 120 seconds. That causes me to have to wait at  
6 the end of this. Now this place is closing. I  
7 barely got to speak at all.

8           So I'm asking now to be called  
9 first. Okay? Rather than last.

10           This document is being posted at  
11 JN21-15PROTCTR.tripod.com,

14 hands of the living god who defends the  
15 (inaudible). For those of us who show mercy and  
16 have a fear of judgment (inaudible) evil overcome  
17 with good. The documents RJM was reading into  
18 the public record have just been posted at the  
19 URL here.

20           RJM, Robert J. More, is committed  
21 on behalf of posterity and regeneracy and  
22 innocence. No one's abandoning you, to little  
23 children in Chicago. Yeah, I'm not abandoning  
24 you. City of Chicago charter revocation within

1 the revocation of the charter of the State of  
2 Illinois, the anatomization of the anomalies of  
3 United States by and all relations current is not

9 Licenses, certificates, prerogatives of  
10 individuals revoked. Removal of various  
11 malefactors from circulation amongst general  
12 population via requirements of the fourth  
13 commandment, the Fourth Amendment, satisfying

22 Lightfoot, now Foreman, several deputies,  
23 superintendents, presidents, Superintendent D.  
24 Brown.

1           RJM has never and does not now  
2 disavow -- some share responsibility for the  
3 various malefactions perpetrated by the  
4 individuals listed herein and several others  
5 whose names RJM would need memory recollection to  
6 recall at this juncture.

7           The matter in the foreseeable  
8 future, RJM understands and RJM remains obliged  
9 to keep the pursuit of the monitoring and  
10 identification of the Committee of 300 and their  
11 highest level slave master, activity and whatever  
12 obstruction that RJM can provide to the attempted  
13 consummation of the genocide of the goyim  
14 presently still in progress and in code red as it  
15 really has been for 30 years now, since seven  
16 years after Readiness Exercise 81 -- 84 has been  
17 implemented. And that's a temporary period of  
18 time -- hello?

19       PRESIDENT FOREMAN: I need you to wrap up.  
20 I didn't want to just mute you. If you would  
21 like to conclude. I need you to conclude.

22       MR. MORE: Okay. I'll just finish with this  
23 paragraph and the rest is posted online, because  
24 RJM is convinced it will be shown at the judgment

1 day Apocalypse 1:7. City of Chicago is in  
2 Ephesians 5:8, work of darkness. It is a  
3 crocodile pit covered with a placid surface, and  
4 it is dangerous. And children must understand  
5 that they must distrust nominal government  
6 entities because it --

7 PRESIDENT FOREMAN: All right. Thank you,  
8 Mr. More.

9 At this time, all members of the  
10 public who signed up to speak have been called.  
11 Is there a motion to adjourn?

12 VICE PRESIDENT WOLFF: I move to adjourn.  
13 And wish everybody a happy and healthy holiday  
14 and happy new year. Paula Wolff.

15 BOARD MEMBER FLORES: Board Member Flores.  
16 I second that motion.

17 PRESIDENT FOREMAN: President Foreman, I  
18 would like to confirm that motion before I call  
19 for the vote, again wishing everyone safety and  
20 peace this holiday.

21 And also just a cautionary tale. I  
22 let my guard down and I contracted COVID. So I  
23 want to remind everyone, this is a good time to  
24 go back to a level of vigilance we had when we

1 first learned of what COVID-19 was. Go back to  
2 wearing your mask all the time, washing your  
3 hands. You know, this is about protecting  
4 yourself and your loved ones, your neighbors.

5           So I think it's very important  
6 that -- you know, you can use me as a good  
7 example. I slipped up. Went to a holiday party,  
8 and I'm suffering the consequences right now. I  
9 don't want that to happen to you guys. So I'm  
10 just wishing everyone safety and peace for this  
11 holiday season.

12           All in favor --

13           VICE PRESIDENT WOLFF: You take care of  
14 yourself and get rest, Mr. President.

15           PRESIDENT FOREMAN: I shall. All in favor  
16 of the motion on the floor, please say aye.

17           (CHORUS OF AYES.)
