Re: Fullerton/Milwaukee
Redevelopment Project Area (the "Redevelopment Project Area")

Dear Addressees:

I am the Corporation Counsel of the City of Chicago, Illinois (the "City") and, in such capacity, I am the head of the City's Law Department. In such capacity, I am providing the opinion required by Section 11-74.4-5(d)(4) of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (the "Act"), in connection with the submission of the report (the "Report") in accordance with, and containing the information required by, Section 11-74.4-5(d) of the Act for the Redevelopment Project Area.

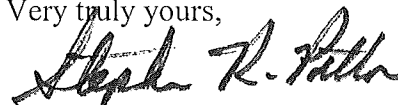

Attorneys, past and present, in the Law Department of the City and familiar with the requirements of the Act, have had general involvement in the proceedings affecting the Redevelopment Project Area, including the preparation of ordinances adopted by the City Council of the City with respect to the following matters: approval of the redevelopment plan and project for the Redevelopment Project Area, designation of the Redevelopment Project Area as a redevelopment project area, and adoption of tax increment allocation financing for the Redevelopment Project Area, all in accordance with the then applicable provisions of the Act. Various departments of the City, including, if applicable, the Law Department, Department of Planning and Development, Department of Finance and Office of Budget and Management (collectively, the "City Departments"), have personnel responsible for and familiar with the activities in the Redevelopment Project Area affecting such Department(s) and with the requirements of the Act in connection therewith. Such personnel are encouraged to seek and obtain, and do seek and obtain, the legal guidance of the Law Department with respect to issues that may arise from time to time regarding the requirements of, and compliance with, the Act.

In my capacity as Corporation Counsel, I have relied on the general knowledge and actions of the appropriately designated and trained staff of the Law Department and other applicable City Departments involved with the activities affecting the Redevelopment Project Area. In addition, I have caused to be examined or reviewed by members of the Law Department of the City the certified audit report, to the extent required to be obtained by Section 11-74.4-5(d)(9) of the Act and submitted as part of the Report, which is required to review compliance with the Act in certain respects, to determine if such audit report contains information that might affect my opinion. I have also caused to be examined or reviewed such other documents and records as were deemed necessary to enable me to render this opinion. Nothing has come to my attention that would result in my need to qualify the opinion hereinafter expressed, subject to the limitations hereinafter set forth, unless and except to the extent set forth in an Exception Schedule attached hereto as Schedule 1.

Based on the foregoing, I am of the opinion that, in all material respects, the City is in compliance with the provisions and requirements of the Act in effect and then applicable at the time actions were taken from time to time with respect to the Redevelopment Project Area.

This opinion is given in an official capacity and not personally and no personal liability shall derive herefrom. Furthermore, the only opinion that is expressed is the opinion specifically set forth herein, and no opinion is implied or should be inferred as to any other matter. Further, this opinion may be relied upon only by the addressees hereof and the Mayor of the City in providing his required certification in connection with the Report, and not by any other party.

Very truly yours,

Stephen R. Patton
Corporation Counsel

An inspecting agent or architect which may be the lender's (providing Lender Financing) architect or agent shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to DPD, prior to requests for disbursement for costs related to the Project hereunder.

3.09 Barricades. Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

3.10 Signs and Public Relations. The Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer Parties, the Property and the Project in the City's promotional literature and communications.

3.11 Utility Connections. The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 Permit Fees. In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be \$9,716,258, to be applied in the manner stated in the Project Budget and funded from Equity and the Lender Financing sources identified in Exhibit H.

4.02 Developer Funds. Equity, the City Funds and Lender Financing will be used to pay all Project costs, including but not limited to costs of TIF-Funded Improvements.

4.03 City Funds.

(a) Uses of City Funds.

City Funds may only be used to pay directly or reimburse FCC, Inc. for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. FCC, Inc. shall be required to loan or contribute any City Funds paid to FCC, Inc. to the Developer to reimburse the Developer for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds (the "City Funds") from the sources and in the amounts described directly below to pay for or reimburse FCC, Inc. for the costs of the TIF-Funded Improvements

shall be an amount not to exceed One Million Dollars (\$1,000,000); and provided however, that the \$1,000,000 to be derived from Available Incremental Taxes, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs. Notwithstanding the foregoing, if the Available Project Funds (as defined hereinafter in Section 4.07 (g)), excluding the City Funds, are greater than the total costs reflected in the owner's sworn statement at construction completion, the City Funds shall be reduced by such amount.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds upon the issuance of the Certificate.

4.04 Construction Escrow; Requisition Form. (a) DPD must approve disbursements of the City Funds. FCC, Inc. shall submit a Requisition Form prior to each disbursement of City Funds. The Developer Parties shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. If Lender Financing is provided as contemplated by Section 4.01 and Exhibit H to bridge finance the City Funds, then FCC, Inc. may direct the amounts payable pursuant to Section 4.03(a) to be paid by the City in accordance with this Agreement to an account established by the Developer with the Lender providing the Lender Financing until the full repayment of the Lender Financing. Developer Parties and DPD agree that Bank of America, N.A. has provided or is providing loans to the Developer to bridge the City Funds and that accordingly FCC, Inc. hereby directs that City Funds amounts payable pursuant to Section 4.03(a) shall be wired to the account established by the Developer Parties at Bank of America, N.A. The wiring instructions for such account shall be provided to the City by the Developer Parties.

(b) FCC shall provide a copy of the Escrow Agreement to DPD by the Closing Date. The Construction and Monitoring Divisions of DPD must receive from FCC, Inc. (i) advance written notice of all "pre-draw" meetings among the Developer, the Title Company and/or lender(s) providing Lender Financing (and have the opportunity to attend such meetings); and (ii) copies of any draw requests and related documents submitted to the Title Company for all disbursements made pursuant to the Escrow Agreement. In addition, FCC shall obtain DPD's prior approval for each disbursement of funds made pursuant to the Escrow Agreement.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by any of the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the **Prior Expenditures**). Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to FCC Inc. by the City with City Funds but may be eligible for reimbursement through the Lender Financing or Equity identified in Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with

transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, FCC, Inc. shall submit documentation regarding the applicable expenditures to DPD which shall be satisfactory to DPD in its sole discretion. Delivery by one or more of the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the Requisition Form represents the actual cost of the actual amount payable to (or paid to) the contractors who have performed work on the Project, and/or their payees, and/or (ii) the architect for the inspections performed in monitoring the construction of the Project;

(b) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current Requisition Form, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;

(e) none of the Developer Parties have received notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens, and/or liens bonded over by the Developer Parties and/or insured over by the Title Company;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance (**In Balance**) only if the total of the Available Project Funds (as defined hereinafter) equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. **Available Project Funds** as used herein shall mean: (i) the undisbursed City Funds, if any; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by any of the Developer Parties pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will

place the Project In Balance, which deposit shall first be exhausted before any disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances and this Agreement.

Notwithstanding any other provision in this Agreement, the City shall not terminate this Agreement or suspend disbursement of the City Funds upon the occurrence of an Event of Default if foreclosure proceedings have been commenced under any mortgage securing any Lender Financing or a deed in lieu of such foreclosure has been executed and delivered and provided that either the lender providing Lender Financing or the Developer Parties have cured, or have commenced and are in good faith pursuing the cure of, the Event of Default within the curative time period provided under **Section 15.03**.

4.08 Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) the investor limited partner (the "**Investor Limited Partner**") to remove Milwaukee Avenue Apartments GP, LLC, an Illinois limited liability company (the "**General Partner**"), the General Partner of Developer, in accordance with Developer's limited partnership agreement, provided the substitute general partner is acceptable to City in its reasonable discretion and the City provides its written consent (except no consent of the City shall be required under this Agreement if the substitute general partner is an affiliate of the Investor Limited Partner), (ii) the transfer of limited partner interests to an affiliate of the Investor Limited Partner pursuant to the limited partnership agreement, and (iii) the General Partner to pledge to Bank of America, N.A. all of the General Partner's rights, title and interest in and to the Developer and under the Developer's limited partnership agreement as collateral for the Developer's obligations under the loans made or to be made by Bank of America, N.A., to Developer.

4.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds disbursed are subject to being reimbursed upon the Developer Parties' noncompliance with the provisions of this Agreement.

(ii) For Project work other than the TIF-Funded Improvements, if the Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. The Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. DPD shall respond to the Developer Parties' written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer Parties in order to obtain the Certificate. The Developer Parties may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer Parties' obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.18 and 8.19 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer Parties or a permitted assignee of the Developer Parties who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer Parties' rights under this Agreement and assume the Developer Parties' liabilities hereunder.

Notwithstanding the foregoing, until the issuance of a Certificate and disbursement of the City Funds, the covenants specifically described at Sections 8.02, 8.06, 8.18 and 8.19 as covenants that run with the land shall not bind any successor by foreclosure or deed in lieu of foreclosure of any mortgage securing Lender Financing unless such transferee accepts an assignment of the Developer's interest hereunder in accordance with Section 16(b) of this Agreement.

7.03 Failure to Complete. If the Developer Parties fail to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer Parties at the Developer Parties' written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

The Developer Parties shall submit, and contractually obligate and cause the General Contractor (and the General Contractor shall, in turn, use reasonable efforts to cause its subcontractors) to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer Parties may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer Parties shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer Parties and reimbursement to the Developer Parties for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.10 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer Parties represent, warrant and covenant that, to the best of their knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer Parties with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest,

direct or indirect, in the Developer Parties' business, the Property or any other property in the Redevelopment Area.

8.11 Disclosure of Interest. The Developer Parties' counsel has no direct or indirect financial ownership interest in the Developer Parties, the Property or any other aspect of the Project.

The Developer Parties shall obtain and provide to DPD Financial Statements for the fiscal year ended December 31, 2014 and each December 31st thereafter for the Term of the Agreement. In addition, the Developer Parties shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.13 Insurance. The Developer, at its own expense, shall comply with all provisions of **Section 12** hereof.

8.14 Non-Governmental Charges.

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) **Right to Contest.** The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this **Section 8.14**); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.15 Developer Parties' Liabilities. The Developer Parties shall not enter into any transaction that would materially and adversely affect their ability to perform their obligations

hereunder or to repay any material liabilities or perform any material obligations of the Developer Parties to any other person or entity. The Developer Parties shall immediately notify DPD of any and all events or actions which may materially affect the Developer Parties' ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.16 Compliance with Laws. To the best of the Developer Parties' knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer Parties shall provide evidence satisfactory to the City of such compliance.

8.17 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of Cook County, Illinois. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes; provided, however, the Developer is permitted to apply for a Class 9 designation, or a comparable abatement or exemption under any program that may replace or supplement the Class 9 program, from Cook County.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.18(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice

to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, except any exemption for which DPD has provided its prior written consent.

(ii) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.18(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer Parties and their agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.18(c) to the

contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer Parties, their successors or assigns, may waive and terminate the Developer Parties' covenants and agreements set forth in this **Section 8.18(c)**.

8.19 Affordable Housing Covenant. The Developer Parties agree and covenant to the City that, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing;

(b) Thirty-Two (32) of the residential units in the Facility shall be available for occupancy to and be occupied solely by one or more qualifying as Low Income Families (as defined below) upon initial occupancy; and

(c) Thirty-Two (32) of the residential units in the Facility has monthly rents paid by the tenants not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this **Section 8.19**, the following terms has the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this **Section 8.19** shall run with the land and be binding upon any transferee.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer Parties contained in this **Section 8** and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in **Section 7** hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer Parties on behalf of themselves and their successors and assigns, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer Parties operating on the Property (collectively, with the Developer Parties, the **Employers**" and individually an **Employer**") to agree, that for the Term of this Agreement with respect to Developer Parties during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the **Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer Parties agree for themselves and their successors and assigns, and shall contractually obligate their contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer Parties, their contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer Parties, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer Parties, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer Parties, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer Parties, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer Parties shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by,

the provisions of this **Section 10.03**, during the course of construction of the Project, at least the following percentages of hard construction costs as set forth in the Project Budget (as set forth in **Exhibit H** hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs") as follows:

- a. at least 24 percent by MBEs;
- b. at least 4 percent by WBEs.

Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer Parties' MBE/WBE commitment may be achieved in part by the Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer Parties utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer Parties' MBE/WBE commitment as described in this **Section 10.03**.

The Developer Parties shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer Parties or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer Parties' compliance with this MBE/WBE commitment. The Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DPD shall have access to all such records maintained by the Developer Parties, on five Business Days' notice, to allow the City to review the Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer Parties shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this **Section 10.03**, the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

Any reduction or waiver of the Developer Parties' MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

Prior to the commencement of the Project, the Developer Parties shall be required to meet with the monitoring staff of DPD with regard to the Developer Parties' compliance with its obligations under this **Section 10.03**. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer Parties

shall demonstrate to DPD their plan to achieve their obligations under this **Section 10.03**, the sufficiency of which shall be approved by DPD. During the Project, the Developer Parties shall submit the documentation required by this **Section 10.03** to the monitoring staff of DPD. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer Parties are not complying with their obligations under this **Section 10.03**, shall, upon the delivery of written notice to the Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Developer Parties to halt the Project, (2) withhold any further payments to, or on behalf of, the Developer Parties, or (3) seek any other remedies against the Developer Parties available at law or in equity.

The Developer Parties will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties hereby represent and warrant to the City that the Developer Parties have conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer Parties or any person directly or indirectly controlling, controlled by or under common control with the Developer Parties, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer Parties), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer Parties or any of its Affiliates under any Environmental Laws relating to the Property.

The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The insurance must provide for 30 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Developer and Contractors.

The Developer hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Developer in no way limit the Developer's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Developer under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Developer must require all contractors and subcontractors to provide the insurance required herein, or Developer may provide the coverages for contractors and

subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

If Developer, any contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer Parties agree to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and Affiliates (individually an **Indemnitee**," and collectively the **Indemnitees**") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer Parties' or any contractor's failure to pay contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer Parties or any Affiliate Developer Parties or any agents, employees, contractors or persons acting under the control or at the request of the Developer Parties or any Affiliate of Developer Parties; or

(iv) the Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it violates any law or public policy, Developer Parties shall contribute the maximum portion that they are permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer Parties' loan statements, if any, General Contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer Parties' offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer Parties' expense. The Developer Parties shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer Parties with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an Event of Default" by the Developer Parties hereunder:

(a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer Parties or for the liquidation or reorganization of the Developer Parties, or alleging that the Developer Parties are insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer Parties' debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings

involving the Developer Parties; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer Parties, for any substantial part of the Developer Parties' assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer Parties; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within ninety (90) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer Parties which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Developer Parties without the prior written consent of the City except as permitted under Section 4.08 hereof.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten percent (10%) of the Developer's partnership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to Section 8.19, the Developer Parties or Affiliates shall reimburse the City all of the City Funds disbursed to any one of the Developer Parties to date. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to reimbursement of all or part of the City Funds, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period.

(a) In the event the Developer Parties shall fail to perform a monetary covenant which Developer Parties are required to perform under this Agreement, notwithstanding any other

provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer Parties shall fail to perform a non-monetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer Party shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

(b) Right to Cure by Lenders and Investors. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in **Section 17** and to any Lender providing Lender Financing or the Investor Limited Partner of the Developer shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

(i) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (b) receipt by the Lenders or the Investor Limited Partner, as applicable, of such notice from the City; and

(ii) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not reasonably capable of being cured by the Lenders or the Investor Limited Partner within such 30-day period, such period shall be extended for such reasonable period of time as may be necessary to cure such default, provided that the party seeking such cure must continue diligently to pursue such cure and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession, in addition, upon such party obtaining possession of the Project, in the City's sole discretion, the City shall waive any Event of Default that cannot reasonably be cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the **Existing Mortgages**." Any mortgage or deed of trust that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a **New Mortgage**." Any New Mortgage that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a **Permitted Mortgage**." It is hereby agreed by and between the City and the Developer Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of the Developer Parties" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer Parties which accrued prior to the time such party succeeded to the interest of the Developer Parties under this Agreement, in which case the Developer Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer Parties of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement **Exhibit D** hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer Parties (including those set forth in **Sections 10.02 and 10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer Parties by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this

Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.16 Binding Effect. This Agreement shall be binding upon the Developer Parties, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer Parties, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City, the Developer Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. Failure by the Developer Parties to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees

for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer Parties also will pay any court costs, in addition to all other sums provided by law.

18.22 Business Relationships. The Developer Parties acknowledge (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer Parties have read such provision and understand that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "**Business Relationship**" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer Parties hereby represent and warrant that, to the best of their knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

18.23 Debarment Certification. Failure by the Developer Parties or any controlling person of either, as defined in Section 1-23-010 of the Municipal Code, thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated thereby.

18.24 Inspector General and Legislative Inspector General. It is the duty of the Developer Parties, any subgrantee, bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. OPINION OF DEVELOPER PARTIES' COUNSEL

[To be retyped on the Developer Parties' Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

I have acted as counsel to Milwaukee Avenue Apartments Limited Partnership, an Illinois limited partnership (the "Developer") and its general partner, Milwaukee Avenue Apartments GP, LLC, an Illinois limited liability company (the "General Partner"), in connection with the construction of certain facilities on land located in the Fullerton/Milwaukee Redevelopment Project Area (the "Project"). In that capacity, I have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Milwaukee Avenue Apartments Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer, Full Circle Communities, Inc., an Illinois not-for-profit corporation and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

(a) the original or certified, conformed or photostatic copies of (1) the Developer's (i) Certificate of Existence, (ii) partnership agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all partners' proceedings relating to the Project; and (2) the General Partner's (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and

(b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Developer and the General Partner), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is my opinion that:

1. The Developer is a limited partnership, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a limited liability company under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. The General Partner is a limited liability company, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer and the General Partner have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's limited partnership agreement or the General Partner's articles of organization, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer or the General Partner is a party or by which the Developer or the General Partner or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer or the General Partner is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer and the General Partner.

4. Each of the Documents to which the Developer or the General Partner is a party has been duly executed and delivered by a duly authorized officer of the Developer or the General Partner, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Developer or the General Partner enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against the Developer or the General Partner nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or the General Partner or affecting the Developer or the General Partner or its property, or seeking to restrain or enjoin the performance by the Developer or the General

Partner of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of my knowledge after diligent inquiry, the Developer or the General Partner is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or, the General Partner or its business.

6. To the best of my knowledge after diligent inquiry, there is no default by the Developer or the General Partner or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer or the General Partner is a party or by which the company or its properties is bound.

7. To the best of my knowledge after diligent inquiry, all of the assets of the Developer or the General Partner are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

8. The execution, delivery and performance of the Documents by the Developer or the General Partner have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

9. To the best of my knowledge after diligent inquiry, the Developer or the General Partner own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's and the General Partner's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

INDEPENDENT AUDITOR'S REPORT

The Honorable Rahm Emanuel, Mayor
Members of the City Council
City of Chicago, Illinois

We have audited the accompanying financial statements of the Fullerton/Milwaukee Redevelopment Project of the City of Chicago, Illinois, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Project's basic financial statements as listed in the table of contents.

The financial statements present only the Fullerton/Milwaukee Redevelopment Project and do not purport to, and do not present fairly the financial position of the City of Chicago, Illinois, as of December 31, 2014, and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Fullerton/Milwaukee Redevelopment Project of the City of Chicago, Illinois, as of December 31, 2014, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the basic financial statements. The Schedule of Expenditures by Statutory Code is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS
(UNAUDITED)

As management of the Fullerton/Milwaukee Tax Increment Redevelopment Project Area (Project), we offer the readers of the Project's financial statements this narrative overview and analysis of the Project's financial performance for the year ended December 31, 2014. Please read it in conjunction with the Project's financial statements, which follow this section.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Project's basic financial statements. The Project's basic financial statements include three components: 1) government-wide financial statements, 2) governmental fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information concerning the Project's expenditures by statutory code.

Basic Financial Statements

The basic financial statements include two kinds of financial statements that present different views of the Project – the *Government-Wide Financial Statements* and the *Governmental Fund Financial Statements*. These financial statements also include the notes to the financial statements that explain some of the information in the financial statements and provide more detail.

Government-Wide Financial Statements

The government-wide financial statements provide both long-term and short-term information about the Project's financial status and use accounting methods similar to those used by private-sector companies. The statement of net position includes all of the project's assets and liabilities. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid. The two government-wide statements report the Project's net position and how they have changed. Net position – the difference between the Project's assets and liabilities – is one way to measure the Project's financial health, or position.

Governmental Fund Financial Statements

The governmental fund financial statements provide more detailed information about the Project's significant funds – not the Project as a whole. Governmental funds focus on: 1) how cash and other financial assets can readily be converted to cash flows and 2) the year-end balances that are available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps determine whether there are more financial resources that can be spent in the near future to finance the Project. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information at the bottom of the statements to explain the relationship (or differences) between them.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and governmental fund financial statements. The notes to the financial statements follow the basic financial statements.

Other Supplementary Information

In addition to the basic financial statements and accompanying notes, this report also presents a schedule of expenditures by statutory code. This supplementary information follows the notes to the financial statements.

Condensed Comparative Financial Statements

The condensed comparative financial statements are presented on the following page.

Analysis of Overall Financial Position and Results of Operations

Property tax revenue for the Project was \$5,523,141 for the year. This was an increase of 22 percent over the prior year. The change in net position produced a decrease in net position of \$6,402,136. The Project's net position deficiency increased by 271 percent from the prior year making it necessary for \$(8,765,429) to be funded in future years. Expenses increased this year due to the Project's formulation of a redevelopment plan or necessary funding was substantially complete and available.

Debt Administration

General Obligation Bonds (Modern Schools Across Chicago Program) outstanding at December 31, 2014 amounted to \$27,640,000. More detailed information about the Project's long-term liabilities is presented in Note 2 of the financial statements.

CITY OF CHICAGO, ILLINOIS

NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of Significant Accounting Policies

(a) *Reporting Entity*

In February 2000, the City of Chicago (City) established the Fullerton/Milwaukee Tax Increment Redevelopment Project Area (Project). The area has been established to finance improvements, leverage private investment and create and retain jobs. The Project is accounted for within the capital project, debt service and special revenue funds of the City.

(b) *Government-Wide and Fund Financial Statements*

The accompanying financial statements of the Project have been prepared in conformity with generally accepted accounting principles as prescribed by the Government Accounting Standards Board (GASB). Effective January 2013, GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, standardized the presentation of deferred outflows and inflows of resources and their effect on the Project's net position. The financial impact resulting from the implementation of GASB Statement No. 63 is primarily the change in terminology from Net Assets to Net Position. In addition, GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, was implemented to establish accounting and financial reporting standards that reclassify as deferred inflows of resources, certain items that were previously reported as liabilities and recognizes, as inflows of resources, certain items that were previously reported as liabilities.

Previously, GASB Statement No. 34 (as amended) was implemented and included the following presentation:

- A Management Discussion and Analysis (MD&A) section providing an analysis of the Project's overall financial position and results of operations.
- Government-wide financial statements prepared using the economic resources measurement focus and the *accrual basis of accounting* for all the Project's activities.
- Fund financial statements, which focus on the Project's governmental funds *current financial resources measurement focus*.

(c) *Measurement Focus, Basis of Accounting and Financial Statements Presentation*

The government-wide financial statements are reported using the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied.

The governmental fund financial statements are prepared on the *modified accrual basis of accounting* with only current assets and liabilities included on the balance sheet. Under the *modified accrual basis of accounting*, revenues are recorded when susceptible to accrual, i.e., both measurable and available to finance expenditures of the current period. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes are susceptible to accrual and recognized as a receivable in the year levied. Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in government-wide financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. The City has elected not to follow subsequent private-sector guidance.

CITY OF CHICAGO, ILLINOIS
FULLERTON/MILWAUKEE REDEVELOPMENT PROJECT

NOTES TO FINANCIAL STATEMENTS
(Continued)

Note 1 – Summary of Significant Accounting Policies (Concluded)

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from these estimates.

(d) *Assets, Liabilities and Net Position*

Cash and Investments

Cash belonging to the City is generally deposited with the City Treasurer as required by the Municipal Code of Chicago. The City Comptroller issues warrants for authorized City expenditures which represent a claim for payment when presented to the City Treasurer. Payment for all City warrants clearing is made by checks drawn on the City's various operating bank accounts.

The City Treasurer and City Comptroller share responsibility for investing in authorized investments. Interest earned on pooled investments is allocated to participating funds based upon their average combined cash and investment balances.

The City values its investments at fair value or amortized cost. U.S. Government securities purchased at a price other than par with a maturity of less than one year are reported at amortized cost.

Deferred Inflows

Deferred inflows represent deferred property tax revenue amounts to be recognized as revenue in future years in the governmental fund financial statements.

Capital Assets

Capital assets are not capitalized in the governmental funds but, instead, are charged as current expenditures when purchased. The Government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) of the City includes the capital assets and related depreciation, if any, of the Project in which ownership of the capital asset will remain with the City (i.e. infrastructure, or municipal building). All other construction will be expensed in both the government-wide financial statements and the governmental funds as the City nor Project will retain the right of ownership.

(e) *Stewardship, Compliance and Accountability*

Illinois Tax Increment Redevelopment Allocation Act Compliance

The Project's expenditures include reimbursements for various eligible costs as described in subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act and the Redevelopment Agreement relating specifically to the Project. Eligible costs include but are not limited to survey, property assembly, rehabilitation, public infrastructure, financing and relocation costs.

Reimbursements

Reimbursements, if any, are made to the developer for project costs, as public improvements are completed and pass City inspection. The semi-annual principal and interest payments are made solely from incremental real property taxes, which are paid in the redevelopment district.

Note 2 – Bonds Payable

In January 2007, the City issued \$8,735,000 of General Obligation Bonds (Modern Schools Across Chicago Program), Series 2007E at a premium. The bonds have interest rates ranging from 3.60 to 5.00 percent and maturity dates ranging from December 1, 2008 to December 1, 2024. INDEPENDENT AUDITOR'S REPORT

The Honorable Rahm Emanuel, Mayor
Members of the City Council
City of Chicago, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of Fullerton/Milwaukee Redevelopment Project of the City of Chicago, Illinois, which comprise the statement of net position and governmental funds balance sheet as of December 31, 2014, and the related statement of activities and governmental funds revenues, expenditures and changes in fund balance for the year then ended, and the related notes to the financial statements, and we have issued our report thereon dated June 26, 2015.

In connection with our audit, nothing came to our attention that caused us to believe that the Project failed to comply with the regulatory provisions in Subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Allocation Redevelopment Act and Subsection (o) of Section 11-74.6-10 of the Illinois Industrial Jobs Recovery Law as they relate to the eligibility for costs incurred incidental to the implementation of the Fullerton/Milwaukee Redevelopment Project of the City of Chicago, Illinois.

However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Project's noncompliance with the above referenced regulatory provisions, insofar as they relate to accounting matters.

This report is intended for the information of the City of Chicago's management. However, this report is a matter of public record, and its distribution is not limited.
