The cost of the Project is estimated to be One Million Three Hundred Seventy-four Thousand Six Hundred Seventy Dollars (\$1,374,670), to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Equity (subject to Section 4.06)	\$ 44,670.00
Cost of Stone Fabrication (paid directly by City)	396,048.00
Lender Financing	<u>933,952.00</u>
ESTIMATED TOTAL:	\$1,374,670.00

4.02 Developer Funds.

Equity and/or Lender Financing may be used to pay any Project Cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) Uses of City Funds. City Funds may be used to pay directly, or reimburse the Developer for, costs of the T.I.F.-Funded Improvements only that constitute Redevelopment Project Costs. (Sub)Exhibit C sets forth, by line item, the T.I.F.-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein, contingent upon receipt by the City of documentation satisfactory in form and substance to D.P.D. evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to reserve City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse the Developer for the costs of the T.I.F.-Funded Improvements:

Source of City Funds	Maximum Amount
Incremental Taxes	\$1,330,000

provided, however, that the One Million Three Hundred Thirty Thousand Dollars (\$1,330,000) to be derived from Incremental Taxes, if any, be available to pay costs related to T.I.F.-Funded Improvements and allocated by the City for that purpose only so long as:

(i) The amount of the Incremental Taxes deposited into the T.I.F.-Fund shall be sufficient to pay for such costs; and

(ii) The City has been reimbursed from Incremental Taxes for the amount previously disbursed by the City for T.I.F.-Funded Improvements.

The Developer acknowledges and agrees that the City's obligation to pay for T.I.F.-Funded Improvements is contingent upon the fulfillment of the conditions set forth in parts (i) and (ii) above. The Developer further acknowledges and agrees that the current unallocated funds in the Near West T.I.F. Fund are insufficient to reimburse Developer for the full costs of the T.I.F.-Funded Improvements. The City hereby agrees to use currently unallocated funds in the Near West T.I.F. Fund to pay Three Hundred Ninety-six Thousand Forty-eight Dollars (\$396,048), the cost of the stone

fabrication, directly to the contractor. The balance of the unallocated funds in the Near West T.I.F. Fund, minus Two Hundred Fifty-four Thousand Dollars (\$254,000) currently reserved by the City for unrelated redevelopment projects, will be paid to Developer on or before November 30, 1996 to reimburse Developer for costs related to the T.I.F.-Funded Improvements. The City will reimburse the Developer for the balance of the costs related to the T.I.F.-Funded Improvements once sufficient funds are deposited into the Near West T.I.F. Fund. The City and the Developer further acknowledge and agree that Developer is securing Lender Financing and that it is intended that the Lender Financing will be repaid by Developer from the reimbursements described in this paragraph. In the event that the available funds in the Near West T.I.F. Fund are insufficient to reimburse Developer such that the accrued interest on the Lender Financing exceeds Fifty Thousand Dollars (\$50,000), the City shall pay all accrued interest on the Lender Financing in excess of Fifty Thousand Dollars (\$50,000) so long as said interest is an eligible Redevelopment Project Cost.

4.04 Requisition Form.

All requests by Developer for reimbursement for costs incurred for T.I.F.-Funded Improvements shall be made on such form and shall contain such information as required by the Commissioner of the Department of Planning and Development. A sample Requisition Form is attached hereto as (Sub)Exhibit H.

4.05 Treatment Of Prior Expenditures And Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to D.P.D. and approved by D.P.D. as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). D.P.D. shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. (Sub)Exhibit I hereto sets forth the prior expenditures approved by D.P.D. as Prior Expenditures. Prior Expenditures made for items other than T.I.F.-Funded Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to T.I.F.-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of D.P.D., being prohibited.

4.06 Cost Overruns.

If the aggregate cost of the T.I.F.-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, the Developer shall be solely responsible for such excess costs, and shall hold the City harmless from any and all costs and expenses of completing the T.I.F.-Funded Improvements in excess of City Funds.

4.07 Developer Funds.

Equity and/or Lender Financing shall be used to pay all Project costs, including but not limited to Redevelopment Project Costs and costs of T.I.F.-Funded Improvements.

6.01 Bid Requirement For General Contractor And Subcontractors.

Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, the Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, the City of Chicago, and shall submit all bids received to D.P.D. for its inspection and written approval. For the T.I.F.-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the T.I.F.-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer shall submit copies of the Construction Contract to D.P.D. in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the T.I.F.-Funded Improvements shall be provided to D.P.D. within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by D.P.D. and all requisite permits have been obtained.

6.02 Construction Contract.

Prior to the execution thereof, the Developer shall deliver to D.P.D. a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for D.P.D.'s prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by the Developer, the General Contractor and any other parties thereto, the Developer shall deliver to D.P.D. and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance And Payment Bonds.

Prior to commencement of construction, the Developer shall require that the General Contractor be bonded for its performance and payment by sureties having an AA rating or better using American Institute of

Architect's Form No. A311 or its equivalent. The City shall be named as obligee or co-obligee on such bond.

6.04 Employment Opportunity.

The Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Local Contractors And Vendors.

The Developer shall use its best efforts to ensure that all contracts entered into in connection with the T.I.F.-Funded Improvements for work done, services provided or materials supplied shall be let (by the Developer, the General Contractor or any subcontractor) to persons or entities whose main office and place of business is located within the City of Chicago. The Construction Contract and each contract between the General Contractor and any subcontractor shall contain a provision to this effect.

6.06 Other Provisions.

In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the T.I.F.-Funded Improvements shall be provided to D.P.D. within five (5) business days of the execution thereof.

Section 7.

Completion Of Construction Or Rehabilitation.

7.01 Certificate Of Completion Of Construction Or Rehabilitation.

Upon completion of the construction of the Project in accordance with the terms of this Agreement and after the final disbursement from the Escrow, and upon the Developer's written request, D.P.D. shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. D.P.D. shall respond to the Developer's written request for

a Certificate within thirty (30) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect Of Issuance Of Certificate; Continuing Obligations.

The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

7.03 Failure To Complete.

If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City shall have, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those T.I.F.-Funded Improvements that are public improvements and to pay for the costs of T.I.F.-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the T.I.F.-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such T.I.F.-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer.

7.04 Notice Of Expiration Of Term Of Agreement.

Upon the expiration of the Term of the Agreement, D.P.D. shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

Section 8.

8.07 Prevailing Wage.

The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department") to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.08 Arms-Length Transactions.

Unless D.P.D. shall have given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any T.I.F.-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon D.P.D.'s request, prior to any such disbursement.

8.09 Conflict Of Interest.

Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the

The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.13 Non-Governmental Charges.

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided, however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to D.P.D., within thirty (30) days of D.P.D.'s request, official receipts from the appropriate entity, or other proof satisfactory to D.P.D., evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer shall have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.13); or

(ii) at D.P.D.'s sole option, to furnish a good and sufficient bond or other security satisfactory to D.P.D. in such form and amounts as D.P.D. shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of contest.

8.14 Developer's Liabilities.

The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify D.P.D. of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.15 Compliance With Laws.

To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.16 Recording And Filing.

The Developer shall cause this Agreement, certain (sub)exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in

connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.17 Survival Of Covenants.

All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

Section 9.

Covenants/Representations/Warranties Of City.

9.01 General Covenants.

The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival Of Covenants.

All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

Section 10.

Developer's Employment Obligations.

Section 10.01 Employment Opportunities.

The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property

(collectively with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to the Developer and during the period of any other such party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income, as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010, et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to, the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report

compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement.

The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent (50%) of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (United States Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of D.P.D. in triplicate, which shall identify clearly the actual residence of every

employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Purchasing Agent, the Commissioner of D.P.D., the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of D.P.D., affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Purchasing Agent's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal

Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 2.04 to be included in all construction contracts and subcontracts related to the Project.

10.03 The Developer's M.B.E./W.B.E. Commitment.

The Developer agrees for itself and its successors and assigns to use its best efforts to, and, if necessary to meet the requirements set forth herein, shall use its best efforts to contractually obligate the General Contractor to agree that, during the Project:

a. Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "M.B.E./W.B.E. Program"), Section 2-92-420, et seq., Municipal Code of Chicago, and in reliance upon the provisions of the M.B.E./W.B.E. Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the total Project Budget (less the acquisition price of the Property or any portion thereof, if any) shall be expended for contract participation by M.B.E.s or W.B.E.s:

- i. At least twenty-five percent (25%) by M.B.E.s.
- ii. At least five percent (5%) by W.B.E.s.

b. For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

c. Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's M.B.E./W.B.E. commitment may be achieved in part by the Developer's status as an M.B.E. or W.B.E. (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more M.B.E.s or W.B.E.s (but only to the extent of the lesser of (i) the M.B.E. or W.B.E. participation in such joint venture or (ii) the amount of any actual work performed on the Project by the M.B.E. or W.B.E.), by the Developer utilizing an M.B.E. or a W.B.E. as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the

General Contractor to subcontract a portion of the Project to one or more M.B.E.s or W.B.E.s, or by the purchase of materials used in the Project from one or more M.B.E.s or W.B.E.s, or by any combination of the foregoing. Those entities which constitute both an M.B.E. and a W.B.E. shall not be credited more than once with regard to the Developer's M.B.E./W.B.E. commitment as described in this Section 10.03. The Developer or General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of M.B.E.s or W.B.E.s in its activities and operations other than the Project.

d. The Developer shall report to D.P.D. during the Project about its efforts to achieve compliance with this M.B.E./W.B.E. commitment. Such reports shall include, inter alia, the name and business address of each M.B.E. and W.B.E. solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each M.B.E. or W.B.E. actually involved in the Project, a description of the work performed or products or service supplied, the date and amount of such work, product or service, and such other information as may assist D.P.D. in determining the Developer's compliance with this M.B.E./W.B.E. commitment. D.P.D. shall have access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with Section 14 of this Agreement, on five (5) business days notice, to allow the City to review the Developer's compliance with its commitment to M.B.E./W.B.E. participation and the status of any M.B.E. or W.B.E. performing any portion of the Project.

e. Upon the disqualification of any M.B.E. or W.B.E. General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified M.B.E. or W.B.E. as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

f. Any reduction or waiver of the Developer's M.B.E./W.B.E. commitment as described in this Section 10.03 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

g. Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of D.P.D. with regard to the Developer's compliance with its obligations under this Section 10.03. During this meeting, the Developer shall demonstrate to D.P.D. its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by D.P.D.. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the monitoring staff of D.P.D.. Failure to

submit such documentation on a timely basis, or a determination by D.P.D., upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

Section 11.

Original certificates of insurance evidencing the required coverage, showing the City as a certificate holder and, if applicable, loss payee or additional insured, to be in force on the date of execution of this Agreement, and renewal certificates of insurance or other evidence of renewal, if the coverages have an expiration or renewal date occurring during the Term of the Agreement. Each certificate of insurance shall provide that the City is to be given sixty (60) days prior written notice in the event coverage is substantially changed, cancelled or not renewed; and

Original City of Chicago Insurance Certificates of Coverage Form (blank form to be obtained from D.P.D.).

The receipt of the required certificates by D.P.D. does not constitute an agreement by the City that the insurance requirements of this Agreement have been fully met or that the insurance policies indicated on the certificates are in compliance with all requirements hereunder. The failure of the City to receive such certificates or to receive certificates that fully conform to the requirements of this Agreement shall not be deemed to be a waiver by the City of any of the insurance requirements set forth herein.

(ii) Receipt by the Developer of policies or certificates: The Developer shall advise all insurers of the insurance requirements set forth in this Agreement, and the receipt by the Developer of policies or certificates that do not conform to these requirements shall not relieve the Developer of its obligation to provide the insurance as set forth in this Agreement or required by law. Failure to comply with the insurance provisions of this Agreement constitutes an Event of Default hereunder, and the City is entitled to exercise all remedies with respect thereto. The Developer expressly understands and agrees that any coverages and limits furnished by the Developer shall in no way limit the Developer's liability and responsibilities specified within this Agreement or as required by law.

(iii) The Developer shall require the General Contractor and all subcontractors to carry the insurance required herein, or alternatively, the Developer may provide the coverage on behalf of the General Contractor or any subcontractor, and if so, the evidence of insurance submitted shall so stipulate.

(iv) The Developer agrees, and shall cause its insurers and the insurers of its General Contractor and each subcontractor engaged after the date hereof in connection with the Project to agree, that all such insurers shall waive their rights of subrogation against the City.

(v) The limitations set forth in the indemnification provisions in Section 13 hereof, or any limitations on indemnities that may apply as a matter of law, shall in no way limit, reduce or otherwise affect the amounts or types of insurance required under this Agreement.

(vi) The Developer and not the City is responsible for meeting all of the insurance requirements under this Agreement and for the Project. Any insurance or self-insurance programs maintained by the City shall apply in excess of and not contribute with insurance required to be provided by the Developer, General Contractor or any subcontractor under this Agreement.

Any and all deductibles or self-insured retentions on the required insurance coverages shall be borne by the Developer, General Contractor or subcontractor who is the insured under such policy, and shall not be borne by the City.

If the Developer, the General Contractor or any subcontractor desires additional coverage, higher limits of liability or other modifications for its own protection, such person or entity shall be responsible for the acquisition and cost of such additional protection.

(vii) The City of Chicago Risk Management Department maintains the right to modify or delete the insurance requirements set forth in this Agreement so long as such action does not, without the Developer's prior written consent, increase such requirements beyond that which is reasonably customary at such time.

Section 12.

Indemnification.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or (ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the T.I.F.-Funded Improvements or any other Project improvement; or (iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or its agents, employees, contractors or persons acting under the control or at the request of the Developer; or (iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto.

Section 13.

Maintaining Records/Right To Inspect.

13.01 Books And Records.

The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

13.02 Inspection Rights.

Upon three (3) business days notice, any authorized representative of the City shall have access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

Section 14.

Default And Remedies.

14.01 Events Of Default.

The occurrence of any one or more of the following events, subject to the provisions of Section 14.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action

shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

For purposes of Sections 15.01 (i) and 15.01 (j) hereof, a person with a material interest in the Developer shall be one owning in excess of thirty-three percent (33%) of the Developer's issued and outstanding shares of stock.

14.02 Remedies.

Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

14.03 Curative Period.

In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer shall have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have

occurred unless the Developer shall have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Opinion Of Developer's Counsel.

[To Be Retyped On The Developer's Counsel's Letterhead]

_____, 1996.

City of Chicago
 121 North LaSalle Street
 Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an Illinois corporation (the "Developer"), in connection with the purchase of certain land and the

construction of certain facilities therein located in the _____
Redevelopment Project Area (the "Project"). In that capacity, we have
examined, among other things, the following agreements, instruments and
documents of even date herewith, hereinafter referred to as the
"Documents":

(a) _____ Redevelopment Agreement (the "Agreement")
of even date herewith, executed by the Developer and the City of
Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the
Developer and the City;]

(c) [insert other documents and financing of the Property including but
not limited to documents related to purchase and financing of the
Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in
connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the
Developer's (i) Articles of Incorporation, as amended to date, (ii)
qualifications to do business and certificates of good standing in all
states in which the Developer is qualified to do business, (iii) Bylaws, as
amended to date, and (iv) records of all corporate proceedings relating to
the Project; and

(b) such other documents, records and legal matters as we have deemed
necessary or relevant for purposes of issuing the opinions hereinafter
expressed.

In all such examinations, we have assumed the genuineness of all
signatures (other than those of the Developer), the authenticity of
documents submitted to us as originals and conformity to the originals of all
documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in
good standing under the laws of its state of incorporation, has full power
and authority to own and lease its properties and to carry on its business
as presently conducted, and is in good standing and duly qualified to do
business as a foreign corporation under the laws of every state in which
the conduct of its affairs or the ownership of its assets requires such
qualification, except for those states in which its failure to qualify to do
business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's Articles of Incorporation or Bylaws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of [Lender].

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ,
