An independent agent or architect (other than the Developer's architect but which may be the same as Lender uses) approved by DPD shall be selected to act as the inspecting agent or architect, at the Developer's expense, provided its reasonable and customary for the Project. The inspecting agent or architect shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to DPD, prior to requests for disbursement for costs related to the Project. At the Developer's option, the inspecting architect may be the inspecting architect engaged by any lender providing Lender Financing for the Project, provided that said architect is an independent architect licensed by the State of Illinois.

3.09 Barricades. Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

3.10 Signs and Public Relations. The Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications.

3.11 Utility Connections. The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter

of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 Permit Fees. In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City and are of general applicability to other property within the City.

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be \$18,385,283, to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Equity (subject to <u>Sections 4.05 and 4.06</u>)	\$ 3,640,833
Lender Financing	<u>14,744,450</u>
ESTIMATED TOTAL	\$18,385,283

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. **Exhibit B** sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(c)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. The costs listed on Exhibit B are Redevelopment Project Costs. City Funds shall not be paid to the Developer hereunder prior to the issuance of the applicable Certificate.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to reimburse the Developer for TIF-eligible expenses up to a maximum of Three Million Dollars (\$3,000,000) (the "**City Funds**"). The City's financial commitment will be as follows:

(i) City Note. The City will issue the City Note to the Developer on the Closing Date in an initial principal amount not to exceed the lesser of: (i) Three Million Dollars (\$3,000,000) or (ii) an amount equal to the costs of the TIF-eligible expenses which have been incurred by the Developer by the Closing Date

and are to be reimbursed by the City through payments of principal and interest on the City Note, subject to the provisions hereof; and provided, however, that payments under the City Note are subject to the amount of Available Incremental Taxes deposited into the Western Avenue North Redevelopment Project Area TIF Fund being sufficient for such payments. TIF-eligible costs, the Developer's request for reimbursement and City's outstanding balance on the Note will be certified to the City Note on the Closing Date and on an annual basis thereafter pursuant to Section 4.04. Interest on the City Note will accrue at the City Note Interest Rate upon the issuance of the Certificate and will compound annually. Payments of principal of and interest on the City Note shall be made as set forth below, provided that no payments shall be made prior to the issuance of the Certificate.

(ii) Payments on the City Note. The City Note attached hereto as **Exhibit L** will have a maximum term of twenty years. The first payment with respect to the City Note shall be made on the later to occur of February 1, 2007 (from Available Incremental Taxes received by the City in the prior year) or two months after the City's receipt of a Requisition Form in accordance with Section 4.04. Thereafter, annual payments shall be made on the later to occur of February 1st of each subsequent calendar year or two months after the City's receipt of a Requisition Form. If, in any year, the City does not make such scheduled annual payment, then, in the next year (and if required, any subsequent years), Available Incremental Taxes shall first be applied to repay any shortfall amounts, and then applied to make such year's scheduled annual payment. In the event Available Incremental Taxes are more than sufficient to pay the scheduled annual payment (and no shortfall amounts remain unpaid), the City, in its sole discretion, may elect to use such excess Available Incremental Taxes to prepay the City Note or for any other legal use that the City may deem necessary or appropriate. The City Note may be prepaid in whole or in part, without premium or penalty, at any time.

If the Developer defaults pursuant to Section 15.01, interest shall immediately cease to accrue on the City Note effective as of the date on which the Event of Default is deemed to have occurred pursuant to Section 15.03, and no payments shall be made with respect to the City Note during any cure period applicable to such default. Any Available Incremental Taxes that would have been used to make payments during such time period shall, however, be reserved by the City pending the possible cure of such default. If such default is cured, interest shall again begin to accrue on the City Note effective as of the actual date on which the default is cured and any reserved payments of Available Incremental Taxes shall be released by the City and used to pay the City Note. If such default is not cured or is not subject to a cure period, the City shall have the remedies set forth in Section 15.03.

(iii) Transfer of City Note. After its issuance, the City Note may be pledged to a lender providing Lender Financing, but may not be sold without the consent of the Commissioner of DPD, which consent shall be in the Commissioner's reasonable discretion. Notwithstanding any such permitted pledge, the City shall have no obligation to make any payments with respect to the City Note except to the Developer, and then subject to the conditions set forth in this Agreement, including but not limited to Section 18.15, and in the City Note.

(iv) Cessation of City Note Payments. If an Event of Default occurs (but subject to Section 15.03), the City shall have no further obligations to make any payments with respect to the City Note and the City shall have the remedies set forth in Section 15

(v) Other Incremental Taxes. Any Incremental Taxes that either (a) are not Available Incremental Taxes or (b) are not required to make payments under this Agreement (whether because all currently due payments have been made, because of the failure of the City Note to issue, because of an Event of Default entitling the City to terminate further payments with respect to the City Note, because of the full repayment of the City Note, or otherwise) shall belong to the City and may be pledged or used for such purposes as the City deems necessary or appropriate.

(c) Excess Profit Provision. (i) Prior to the issuance of the Certificate, the Developer shall submit to DPD an updated pro forma, including an updated Project Sources and Uses, using the final Project data.. If the Developer realizes an Excess Profit, the for every \$1.00 of Excess profit, the principal amount of the City Note will be decreased by \$.50. The amount that the City Note shall be decreased shall be determined prior to the issuance of a Certificate, and the principal amount of the City Note shall be adjusted accordingly.

4.04 Requisition Form. On the Closing Date and prior to each November 1 (or such other date as the parties may agree to) thereafter, beginning in 2005 and continuing throughout the earlier of (i) the Term of the Agreement or (ii) the date that the Developer has been reimbursed in full under this Agreement, the Developer shall provide DPD with a Requisition Form in the form attached hereto as Exhibit L, along with the documentation described therein. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar year (or as otherwise permitted by DPD).

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project that occurred prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditures**"). DPD shall have the right, in its reasonable discretion, to disallow any such

expenditure as a Prior Expenditure. **Exhibit I** hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures not listed on Exhibit I made for items other than TIF-Funded Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to **Section 4.01** hereof.

(b) **Allocation Among Line Items.** Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited, subject to the terms of **Section 3.04**. DPD shall not unreasonably withhold its consent to such transfers so long as the Corporation Counsel has advised DPD that an expenditure qualifies as an eligible cost under the Act.

(c) **Allocation of Costs With Respect To Sources of Funds:**

(i) **Disbursement of Equity.** Each amount paid pursuant to this Agreement, whether for TIF-Funded Improvements or otherwise, shall be charged first to Equity.

(ii) **Disbursement of Lender Financing.** After there is no Equity remaining, each amount paid pursuant to this Agreement, whether for TIF-Funded Improvements or otherwise, shall be charged to Lender Financing.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Execution of Certificate of Expenditure. Prior to each execution of a Certificate of Expenditure by the City if a City Note is issued, the Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for Certificate of Expenditure represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current request for Certificate of Expenditure, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer is in compliance with all covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions of execution of a Certificate of Expenditure, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in **Section 4.03** hereof.

(a) Except as set forth in **Section 6.01(b)** below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, the Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in the City of Chicago, and shall submit all bids received, as requested by DPD, to DPD for its inspection. For the TIF-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer shall submit copies of the Construction Contract to DPD in accordance with **Section 6.02** below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of DPD's request. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, the Developer does not solicit bids pursuant to **Section 6.01(a)** hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10 percent of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of **Section 6.01(a)** shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. The Developer has delivered to DPD and DPD has approved the Construction Contract with the General Contractor selected to handle the Project in accordance with **Section 6.01** above. The Developer shall deliver to DPD any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer shall require that the General Contractor be bonded for its payment related to such work by sureties having an AA rating or better using a bond in the form attached as **Exhibit N** hereto. The City shall be named as obligee or co-obligee on any such bonds.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction. Upon completion of construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer the Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement.

- (a) The Certificate will not be issued until:
 - (i) The Developer has notified the City in writing that the Project has been completed as defined in this Agreement; and
 - (ii) The Developer has received a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements; and
 - (iii) The Developer has complied with its obligations under the terms of the

affordable housing requirements for the Project as set forth in, but not limited to, Section 8.20 of this Agreement; and

- (iv) The City's Monitoring and Compliance Unit has verified that the Developer is in full compliance with City requirements set forth in **Section 10** and **Section 8.09** (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Project; and
- (v) The Excess Profit amount, if any, has been determined.

(b) DPD shall respond to the Developer's written request for the applicable Certificate within thirty (30) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures and the City thereafter shall issue the Certificate within thirty (30) days or send the Developer a written statement which details the way in which the Project does not conform to the Agreement or has not been satisfactorily completed.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at **Sections 8.02 and 8.20** as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of the Certificate, the covenants set forth in **Section 8.02** shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of the Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to **Section 18.15** of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete the TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing such TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek any remedies set forth in **Section 15.02**.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) the Developer is an Illinois limited liability company duly organized, validly existing, qualified to do business in its state of organization and in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its Articles of Organization or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that the Developer is contesting in good faith pursuant to **Section 8.15**

hereof);

(e) the Developer is now and until the earlier to occur of the expiration of the Term of the Agreement and the date, if any, on which the Developer has no further interest in the Project, shall remain solvent and able to pay its debts as they mature;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) prior to the issuance of the Certificate, the Developer shall not do any of the following without the prior written consent of DPD (with the exception of the contemplated sales or leasing of portions of the Property and the conveyance of common area parcels to an owners' association, which shall not in any event require the consent of the City): (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property for a period of five (5) years from issuance of the Certificate (including but not limited to any fixtures or equipment now or hereafter attached thereto), except for the sale of individual condominium units; (3) enter into any transaction outside the ordinary course of the Developer's business that would materially adversely affect the ability of the Developer to complete the Project; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity that would materially adversely affect the ability of the Developer to complete the Project; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition; and

(k) the Developer has not incurred, and, prior to the issuance of the Certificate, shall not, without the prior written consent of the Commissioner, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures

now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget; provided that nothing in this **Section 8.01(k)** shall be construed to prohibit the granting of easements and other similar recordable interests and liens in the Property necessary or desirable for the redevelopment of the Property; and

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget and the Scope Drawings as provided in **Sections 3.02** and **3.03** hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of the Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 TIF Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds payable from Incremental Taxes in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment of, the TIF-Funded Improvements ("**TIF Bonds**"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such TIF Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 [Reserved]

8.07 Employment Opportunity; Progress Reports. The Developer covenants

and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in **Section 10** hereof; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and City resident obligations in **Section 10** shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy, or the failure of any one subcontractor to satisfy, such obligations shall not result in a default or a termination of the Agreement or require payment of the City resident hiring shortfall amount so long as such **Section 10** obligations are satisfied on an aggregate basis.. The Developer shall deliver to the City written progress reports detailing (1) compliance with the requirements of **Sections 8.08, 10.02 and 10.03** of this Agreement (based on expenditures to-date); and (2) copies of draw requests to monitor for City requirements, and any other reports. Such reports shall be delivered to the City when the Project is 50 percent completed (to be measured in dollars expended to date, based on 50 percent of the Project Budget in the executed Redevelopment Agreement), and thereafter on a regular quarterly basis; failure to do so will be deemed an Event of Default. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor for all construction trades, to all Project employees employed by the Developer. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Illinois Department of Labor revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this **Section 8.09**.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over

the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. The Developer shall obtain and provide to DPD Financial Statements for the Developer's fiscal year ended 2003 and, until the earlier to occur of the expiration of the Term of the Agreement and the date, if any, on which the Developer has no further interest in the Property, the Developer shall obtain and provide to DPD Financial Statements for each fiscal year thereafter. In addition, until the earlier to occur of the expiration of the Term of the Agreement and the date, if any, on which the Developer has no further interest in the Property, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. The Developer, at its own expense, shall comply with all provisions of **Section 12** hereof.

8.15 Non-Governmental Charges. (a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) **Right to Contest.** The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this **Section 8.15**); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) **Governmental Charges.**

(i) **Payment of Governmental Charges.** Subject to subsection (ii) below, the Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create or may create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the

Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.19(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(A) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(B) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Acknowledgment of Real Estate Taxes. The Developer agrees that (A) for the purpose of this Agreement, the total projected minimum assessed value of the Property ("**Minimum Assessed Value**") is shown on Exhibit P attached hereto and incorporated herein by reference for the years noted on Exhibit P; (B) Exhibit P sets forth the specific improvements which will generate the fair market values, assessments, equalized assessed values and taxes shown thereon; and (C) the real estate taxes anticipated to be generated and derived from the respective portions of the Property and the Project for the years shown are fairly and accurately indicated in Exhibit P.

(ii) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(iii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value as shown in Exhibit P for the applicable year.

(iv) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in Exhibit P.

(v) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this Section 8.19(c).

(d) Not Applicable to Purchasers of Condominium Units or Commercial Space.

The provisions of this Section 8.19 shall not apply to Governmental Charges or Real Estate Taxes payable by, or contestable by, owners of individual condominium units or Commercial Space that has been purchased from the Developer or Affiliate after such time as such owners, under the terms of their purchase contracts and/or the condominium declaration, become responsible for the payment of Governmental Charges or Real Estate Taxes attributable to their respective units.

8.20 Affordable Housing Covenant. The Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of this Affordable Housing Covenant (as set forth in this Section 8.20) shall govern the terms of the Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility, excluding the Commercial Space, shall be operated and maintained solely as a residential development.

(b) At least twenty percent (20%) of the units in the Facility shall be Affordable Condominium Units, i.e., sold to Qualified Households for the applicable Affordable Price, all as set forth on Exhibit O. In connection with the marketing of each Affordable Unit, the Developer shall attach as an exhibit to each purchase contract a copy of the City Recapture Mortgage and shall state in such purchase contract that the purchaser will be obligated to execute such junior mortgage at the time of closing and comply with its terms thereafter. At each closing of the sale of an Affordable Unit, the Developer shall cause such fully executed and acknowledged junior mortgage to be recorded as a junior mortgage lien against the purchaser's Affordable Unit.

8.21 Job Readiness Program. The Developer shall encourage the tenants or purchasers of the Commercial Space to work with the City, through the Mayor's Office of Workforce Development (MOWD), to participate in recruitment, hiring and job training programs to provide job applicants for the jobs created by the Project and the operation of the Developer's business on the Property.

8.22 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of the Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors, any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "**Employers**" and individually an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 *et seq.*, Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present

opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, shall contractually obligate its General Contractor, and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

“**Actual residents of the City**” shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal

establishment.

Each Employer shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project and shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs as the same shall be evidenced by approved contract value for the actual contracts, but excluding tenant improvements that are not undertaken by the Developer), shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the

subcontractors to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03 The Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(a) Consistent with the findings which support the (i) Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 *et seq.*, Municipal Code of Chicago (the "**Procurement Program**"), and (ii) Minority-Owned and Women-Owned Business Enterprise Construction Program, Section 2-92-650 *et seq.*, Municipal Code of Chicago (the "**Construction Program**," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 24 percent by MBEs.
- ii. At least 4 percent by WBEs;

(b) For purposes of this **Section 10.03** only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to

subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this **Section 10.03**. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DPD shall have access to all such records maintained by the Developer, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Section 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this **Section 10.03**. During this meeting, the Developer shall demonstrate to DPD its plan to achieve its obligations under this **Section 10.03**, the sufficiency of which shall be approved by DPD. During the Project, the Developer shall submit the documentation required by this **Section 10.03** to the monitoring staff of DPD, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been

informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, and except to the extent caused by the gross negligence or intentional acts of the City, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from all or any portion of the Property or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

Development, City Hall, Room 1000, 121 North LaSalle Street 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from the Developer shall not be deemed to be a waiver by the City. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve the Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate this Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Developer or the General Contractor pursuant to the requirements of subsections (a) or (b) of this Section 12, as applicable.

The Developer agrees that insurers shall waive rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The Developer expressly understands and agrees that any coverages and limits furnished by the Developer shall in no way limit the Developer's or the General Contractor's liabilities and responsibilities specified within the Agreement documents or by law.

The Developer expressly understands and agrees that the Developer's or the General Contractor's insurance is primary and any insurance or self insurance programs maintained by the City of Chicago shall not contribute with insurance provided by the Developer or the General Contractor under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The Developer shall require the General Contractor, and all subcontractors to provide the insurance required herein or Developer may provide the coverages for the General Contractor, or subcontractors. All General Contractors and subcontractors shall be subject to the same requirements (Section (d)) of Developer unless otherwise specified herein.

If the Developer, General Contractor or any subcontractor desires additional

coverages, the Developer, General Contractor and any subcontractor shall be responsible for the acquisition and cost of such additional protection.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, so long as any such change does not increase these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an “Indemnatee,” and collectively the “Indemnitees”) harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer’s failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer’s or any contractor’s failure to pay the General Contractor, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(iv) the Developer’s failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnatee arising from the gross negligence, wanton or willful misconduct of that Indemnatee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or under any agreement that would materially, adversely effect the ability of Developer to fulfill its obligations under this Agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property,

including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer that prevents the fulfillment of any obligation of this Agreement which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer; or

(j) Developer's failure to complete the tasks required under this Agreement to obtain a Certificate on or prior to December 31, 2006, subject to force majeure, or such revised date as is approved in writing by the Commissioner of DPD; or

(k) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor); or

(l) any prohibited sale, lease or transfer of the ownership interests in the Property in violation of Section 8.01 hereof without the prior written consent of the City, except for the sale of individual condominium units.

For purposes of **Section 15.01(k)** hereof, a person with a material interest in the Developer shall be one owning in excess of twenty percent (20%) of the Developer's membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, may suspend payments due on the City Note or terminate the City Note. In the event that the City chooses to suspend payments due on the City Note, no interest shall accrue on the City Note during the curative period described in **Section 15.03**, unless the Developer complies within the applicable curative period. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured, provided, further, that there shall be no cure period under this **Section 15.03** with respect to the Developer's failure to obtain a Certificate by December 31, 2006.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on **Exhibit G** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages**." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "**New Mortgage**." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City (which consent shall not be unreasonably withheld or delayed), is referred to herein as a "**Permitted Mortgage**." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land, those provisions being **Sections 8.02 and 8.20**.

(b) In the event that any mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure (and the exercise of any such remedy and the transfer of title to the Property or to a mortgagee or any other party in connection with such exercise shall not be subject to the consent of the City or DPD), and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder as to the Property; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land, those provisions being **Sections 8.02 and 8.20**.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to **Section 7** hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD, which consent shall not be unreasonably withheld or delayed.

(d) If a default by the Developer under this Agreement occurs and the Developer does not cure it within the applicable cure period, the City shall use reasonable efforts to give to the mortgagee under an Existing Mortgage copies of any notices of default which it may give to the Developer with respect to the Project pursuant to the Agreement. With respect to the preceding sentence, under no circumstances shall the Developer or any third party be entitled to rely upon the agreement provided for herein. The failure of the City to deliver such notice shall in no instance alter its rights or remedies under this Agreement.

(e) By virtue of Developer's agreement hereby, the City agrees that it shall accept cure by the mortgagee of an Existing Mortgage in fulfillment of the Developer's obligations, for the account of the Developer and with the same force and effect as if performed by the Developer. No cure or attempted cure by or on behalf of such mortgagee shall cause it to be deemed to have accepted an assignment of this Agreement.

(f) The provisions of this **Section 16** shall not apply to mortgages recorded in connection with the purchase of individual condominium units.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit C hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the TIF Bond Ordinance, if any, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City. In furtherance of the foregoing, the terms of this Agreement may be modified administratively by the Commissioner without the same being deemed an amendment to this Agreement provided that the Commissioner, in consultation with the Corporation Counsel of the City, has determined that such modification is minor, appropriate and consistent with the terms and conditions of this Agreement and the purposes underlying the provisions hereof.

18.15 Assignment. Prior to the date which is five (5) years after the issuance of the Certificate, the Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City, subject to the provisions set forth in **Section 8.01(j)** hereof; provided that the Developer may assign, on a collateral basis, the right to receive City Funds under the City Note to a lender providing Lender Financing, if any, prior to the issuance of the Certificate. Any successor in interest to the Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited **Section 8.22** (Survival of Covenants) hereof, for the Term of the Agreement. The Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.16 Binding Effect. This Agreement shall be binding upon the Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.18 Exhibits. All of the exhibits attached hereto are incorporated herein by reference.

18.19 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if the Developer is required to provide notice under the WARN Act, the Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where the Developer has locations in the State. Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agree to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgement collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.22 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. IN WITNESS WHEREOF, the parties hereto have caused this Redevelopment Agreement to be executed on or as of the day and year first above written.

Opinion Of Developer's Counsel.

[To Be Retyped On The Developer's Counsel's Letterhead]

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");
- [(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]
- (c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and
- (d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) articles of incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [articles of incorporation or bylaws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or

the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois. [Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____

[(Sub)Exhibit "A" referred to in this Opinion of Developer's Counsel unavailable at time of printing.]

1. Except as described in the attached certificate, the representations and warranties contained in the Redevelopment Agreement are true and correct and the Developer is in compliance with all applicable covenants contained herein.
2. No event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default, exists or has occurred.

All capitalized terms which are not defined herein have the meanings given such terms in the Agreement.

Whereas, The Affordability Requirements require that, among other things, with respect to the initial sale of the Home, with respect to which this Mortgage is being granted, and (unless Mortgagor is permitted and elects to repay to the City the City Subsidy Recapture Amount) with respect to each subsequent resale of the Home thereafter during the Recapture Period, such Home may be sold only to a Qualified Household at an Affordable Price; and

Whereas, But for the City's T.I.F. contribution, and the City's imposition of the Affordability Requirements, Mortgagor would have been unable to purchase the Home for an Affordable Price; and

Whereas, The City has required Mortgagor to execute this Mortgage in order to both (a) impose the Affordability Requirements upon the Mortgaged Property and give notice of the Affordability Requirements to Mortgagor, to any subsequent purchaser of the Home, and to any lender having a mortgage secured by the Home, and (b) to secure the recapture payment described in Article III and Mortgagor's other obligations under this Mortgage; and

Whereas, In consideration of the City's T.I.F. contribution, the benefits accruing to Mortgagor as a result of its purchase of the Home for an Affordable Price, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Mortgagor has executed and delivered to the City this Mortgage;

Now, Therefore, To secure the performance and observance by Mortgagor of all the terms, covenants and conditions described in this Mortgage, and in order to charge the properties, interests and rights hereinafter described with such consideration, Mortgagor has executed and delivered this Mortgage and does hereby grant, convey, assign, mortgage, grant a security interest in, and confirm unto Mortgagee and its successors and assigns forever, all of the following described property (which is hereinafter sometimes referred to as "Mortgaged Property"):

(A) the Home, and all easements, rights, interests and appurtenances thereto, including, without limitation, any deeded, reserved or assigned parking area or storage space and any interest in common elements and limited common elements;

(B) all structures and improvements of every nature whatsoever now or hereafter situated within or comprising a part of the Home, including, without limitation, all fixtures of every kind and nature whatsoever which are or shall be attached to said buildings, structures or improvements, and now or hereafter owned by Mortgagor, including all extensions, additions, improvements, betterments, renewals and replacements of any of the foregoing ("Improvements");

(C) all rents and issues of the Home and Improvements from time to time and all of the estate, right, title, interest, property, possession, claim and demand at law, as well as in equity of Mortgagor, in and to the same;

To Have And To Hold the Mortgaged Property and all parts thereof unto Mortgagee, its successors and assigns, to its own proper use, benefit and advantage forever, subject, however, to the terms, covenants and conditions herein;

Without limitation of the foregoing, Mortgagor hereby further grants unto Mortgagee, pursuant to the provisions of the Uniform Commercial Code of the State of Illinois, a security interest in all of the above-described property, which are or are to become fixtures.

This mortgage is given to secure: (a) amounts which may become due and payable pursuant to this Mortgage, and (b) performance of each and every one of the other covenants, conditions and agreements contained in this Mortgage, and in any other

agreement, document or instrument to which reference is expressly made in the Mortgage.

Article I.

Incorporation Of Recitals.

The recitals set forth above constitute an integral part of the Mortgage and are hereby incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

Article II.

Covenants, Representations And Warranties.

Mortgagor covenants and agrees with Mortgagee that at all times during the Recapture Period:

2.01 Taxes And Assessments.

(a) Mortgagor will pay when due all general taxes and assessments (including, without limitation, any condominium or homeowner's association assessments, if applicable), special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's, or statutory lien to remain outstanding upon any of the Mortgaged Property. Mortgagor may contest such lien, provided that Mortgagor shall first post a bond in the amount of the contested lien, or provide title insurance over such contested lien, and further provided that Mortgagor shall diligently prosecute the contested lien and cause the removal of the same.

2.02 Insurance.

Mortgagor shall keep the Mortgaged Property continuously insured (or shall use reasonable efforts to cause the condominium or homeowner's association, as applicable, to keep insured such parts of the Mortgaged Property as may be required to be insured by such association under the applicable declaration) in such amounts and against such risks as required of Mortgagor by the Senior Lender, paying the premiums for said insurance as they become due. Policies of insurance shall name Mortgagee as an additional insured. All policies of insurance shall provide that the same shall not be canceled, except upon thirty (30) days prior written notice to Mortgagee.

2.03 Maintenance Of The Property.

(a) Mortgagor shall preserve and maintain the Mortgaged Property in good condition and repair, will not commit or suffer any waste thereof, and will keep the same in a clean, orderly and attractive condition. Mortgagor shall not do or suffer to be done anything which will increase the risk of fire or other hazard to the Mortgaged Property or any part thereof.

(b) If the Mortgaged Property or any part thereof is damaged by fire or any other cause, Mortgagor will immediately give written notice of the same to Mortgagee.

(c) Mortgagee or its representatives shall have the right to inspect the Mortgaged Property to assure compliance with the terms of this Mortgage.

(d) Mortgagor shall promptly comply, and cause the Mortgaged Property to comply, with all present and future laws, ordinances, orders, rules and regulations and other requirements of any governmental authority affecting the Mortgaged Property or any part thereof and with all instruments and documents of record or otherwise affecting the Mortgaged Property or any part thereof.

(e) If all or any part of the Mortgaged Property shall be damaged by fire or other casualty, Mortgagor (subject to the rights of the Board of Managers of the condominium or homeowner's association, if applicable, with respect to any proceeds applicable to common elements or limited common elements), will promptly restore the Mortgaged Property to the equivalent of its condition prior to the casualty, to the extent of any insurance proceeds made available to Mortgagor for that purpose.

2.04 Subordination.

This Mortgage shall be subject and subordinate in all respects to the Senior Mortgage, if any, provided, however, that the maximum amount of indebtedness

(including indebtedness attributable to protective advances made by the Senior Lender or other amounts secured under the terms of the Senior Mortgage) that shall be superior to the lien of this Mortgage shall in no instance and at no time exceed one hundred percent (100%) of the Purchase Price plus the City Subsidy Amount. Any refinancing of the Senior Mortgage permitted under this Section 2.04, however, will also be deemed a Senior Mortgage for purposes of the subordination set forth in this Section 2.04.

2.05 Income Eligibility.

Mortgagor represents and warrants to Mortgagee that Mortgagor's household income, as of the time of Mortgagor's execution of its purchase contract for the Mortgaged Property, met the income eligibility requirements established by the City applicable to a purchaser of the Home, as set forth in the definition of Qualified Household on (Sub)Exhibit B hereto.

Article III.

Recapture Of City Subsidy Provisions.

3.01 Acknowledgment Of City Subsidy.

Mortgagor acknowledges and agrees that the City has subsidized a portion of the costs of construction of the Home in the amount of the City Subsidy Amount, resulting in Mortgagor's purchase of the Home at an Affordable Price.

3.02 Primary Residence; No Leasing.

Mortgagor covenants to the City that during the Recapture Period, it shall own and use the Mortgaged Property as its primary residence (and the primary residence of Mortgagor's Qualified Household) as long as Mortgagor owns the Mortgaged Property. Mortgagor covenants that during the Recapture Period, it will not lease the Mortgaged Property to any person or let any other person to occupy or use the property without the prior written consent of the City, which shall be in the City's reasonable discretion, and which, if granted, will require that the total amount payable by any tenant household not exceed the amount set forth to qualify such housing as "affordable housing" as defined in the Illinois Affordable Housing Act, 310 ILCS 65/1, et seq.

3.03 Permitted Transfers.

Mortgagor covenants that during the Recapture Period, it shall not sell or otherwise directly or indirectly transfer ownership of the Mortgaged Property, except (a) to a Qualified Household, (b) for an Affordable Price, and provided that (c) the Qualified Household executes a mortgage, security and recapture agreement in similar form to this Mortgage, if such resale Affordable Price is below the market price, as reasonably determined by the City's Department of Housing. Any transfer of ownership (x) resulting from Mortgagor's death and occurring pursuant to (i) the terms of a written land trust, personal trust or will, or (ii) state intestacy law, (y) to a spouse or member of Mortgagor's Qualified Household, or (z) that simply consists of Mortgagor's transfer of the Home into a land trust or personal trust of which Mortgagor is the sole beneficiary and holder of power of direction, as applicable, shall be subject to the foregoing transfer restriction, provided, however, that the transferee in any such transfer shall be bound by all of the affordable housing covenants contained in this Mortgage. If Mortgagor attempts or purports to transfer the Mortgaged Property to a transferee in violation of any one (1) or more of the conditions in clauses (a), (b) and (c), such attempted or purported transfer shall be a violation of the Affordability Requirements, and shall constitute an immediate Event of Default under Section 4.01(a).

3.04 Right To Request Waiver Or Modification.

The Affordability Requirements in this Article III may be waived or modified in writing by the City, upon a showing of undue hardship or changed circumstances that would make the enforcement of such covenants inequitable or impractical, as determined by the City in its sole discretion.

3.05 Approval Of Transfer And Release Of Mortgage.

Upon either (a) a permitted transfer described in Section 3.03, or (b) a transfer accompanied by a repayment of the City Subsidy Recapture Amount in accordance with the terms of this Mortgage, the City will, upon ten (10) business days prior written notice, execute and deliver a "Certificate of Transfer" confirming that such transfer is a permitted transfer hereunder and effective to deliver legal title to the transferee. In addition, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage in recordable form.

3.06 Reasonable Restraint On Alienation.

Mortgagor Acknowledges And Agrees That To The Extent The Affordability Requirements, Anything In This Article III, Or Any Other Provision In This Mortgage

Could Be Deemed A Restraint On Alienation, That Any Such Restraint (a) Is Reasonable, (b) Is, As Explained In The Recitals, Supported By Adequate Consideration, (c) Is Necessary To Implement The City's Public Policy Objective Of Developing And Maintaining Low-Income And Very Low-Income Housing, (d) Should Be Enforced As Written, And (e) Was A Material Inducement To The City's Initial Decision To Provide The T.I.F. Contribution, Which Has Enabled Mortgagor To Buy The Home For The Purchase Price, Which Is Materially Below The Fair Market Value Price. Mortgagor, Therefore, Knowingly And Voluntarily, To The Fullest Extent Permitted By Law, Waives The Right To Raise Any Defense To The Enforcement Of The Affordability Requirements, Whether At Law Or In Equity.

Article IV.

Default.

4.01 Events Of Default.

The terms "Event of Default" or "Events of Default" wherever used in the Mortgage, shall mean any one (1) or more of the following events:

- (a) a failure by Mortgagor to comply with any of the Affordability Requirements set forth in under Section 3.02 or 3.03;
- (b) failure by Mortgagor to duly observe or perform any other material term, covenant, condition, or agreement in the Mortgage after the expiration of the applicable cure periods provided in Section 4.02; or
- (c) a default continuing beyond all applicable cure periods under the Senior Mortgage and permitting foreclosure thereunder.

4.02 City Remedies.

The City shall have the following remedies depending on the nature and timing of the Event of Default. (a) Recapture Payment Event. If an Event of Default occurs under Section 4.01(a) prior to the Recapture Period expiration, any purported lease, direct or indirect sale or transfer of ownership, or mortgaging of the Mortgaged Property shall make the City entitled to the specific enforcement of the Affordability Requirements and any other remedies available under this Mortgage. The City, in its sole discretion, and in lieu of its specific enforcement of the Affordability Requirements, may elect to require payment of the City Subsidy Recapture Amount

(as defined below) in the event that the City determines that specific enforcement of the Affordability Requirements is impractical or inappropriate. If Mortgagor pays to the City the City Subsidy Recapture Amount, then the City shall have no other remedy with respect to such Event of Default and shall be obligated to execute and deliver a release of this Mortgage in recordable form and the transferee shall not be bound by any Affordability Requirements or otherwise required to execute and deliver any mortgage in favor of the City.

The "City Subsidy Recapture Amount" shall be an amount equal to the City Subsidy Amount plus simple, non-compounding interest on such amount at the rate of one percent (1.0%) per annum (assuming twelve (12) thirty (30) day months) calculated from the date of this Mortgage to the date of the Recapture Payment Event.

For example, if (a) this Mortgage was dated January 1, 2005, (b) the date of the Recapture Payment Event was July 1, 2011, and (c) the City Subsidy Amount was Twenty Thousand Dollars (\$20,000), then (i) the interest on the City Subsidy Amount would be One Thousand Three Hundred Dollars (\$1,300) (Two Hundred Dollars (\$200)/year for six (6) years, plus One Hundred Dollars (\$100) for one half (½) year), and (ii) the City Subsidy Recapture Amount would be Twenty-one Thousand Three Hundred Dollars (\$21,300) (Twenty Thousand Dollars (\$20,000) plus One Thousand Three Hundred Dollars (\$1,300)).

(b) If an Event of Default occurs under Section 4.02 or Section 4.03 and such default involves a failure to make timely payment of any amount due and secured by this Mortgage or the Senior Mortgage and such failure is not cured within ten (10) days of the Mortgagee's delivery of written notice of such failure to Mortgagor (a "Monetary Event of Default"), then Mortgagee shall be entitled to immediately: (i) declare the City Subsidy Recapture Amount immediately due and payable (with such Monetary Event of Default date being also being deemed a Recapture Payment Event for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Requirements any time prior to the end of the Recapture Period of this Mortgage), in either instance without further notice or demand.

(c) If Mortgagor fails to perform any other obligation required under this Mortgage not described in Section 4.02 and such failure is not cured within sixty (60) days of the Mortgagee's delivery of written notice of such failure to Mortgagor, Mortgagee shall be entitled to immediately: (i) declare the City Subsidy Recapture Amount immediately due and payable (with such non-monetary Event of Default date being also being deemed a Recapture Payment Event for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Requirements any time prior to the end of the Recapture Period of this Mortgage), in either

instance without further notice or demand. In the event such default cannot reasonably be cured within such sixty (60) day period, however, and if Mortgagor has commenced efforts to cure such default, then the time to cure shall be extended so long as said party diligently continues to cure such default.

(d) If an event of default occurs under the Senior Lender's security documents (after the giving of any applicable notice and lapse of any applicable cure period, if any) and the Senior Lender commences efforts to foreclose its mortgage (or obtain a deed-in-lieu-of-foreclosure), obtain appointment of a receiver for the Mortgaged Property, or obtain possession of the Mortgaged Property, such event of default shall (notwithstanding anything in this Section 4.02 to the contrary) constitute an immediate Event of Default under this Mortgage and the Mortgagee shall be entitled to immediately: (i) declare the City Subsidy Recapture Amount immediately due and payable (with such commencement date being also deemed a Recapture Payment Event for purposes of computing the City Subsidy Recapture Amount); and (ii) exercise any other remedies available under this Mortgage, in either instance without further notice or demand.

4.03 Other Remedies.

(a) If any amounts due under and secured by this Mortgage shall become due, whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien hereof for such indebtedness or part thereof. This Mortgage and the right of foreclosure hereunder shall not be impaired or exhausted by any foreclosure of the Senior Mortgage, and may be foreclosed successively and in parts, until all of the Mortgaged Property has been foreclosed against. In any such foreclosure, or upon the enforcement of any other remedy of Mortgagee, there shall be allowed and included as additional indebtedness all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs involved in title insurance and title examinations. All expenditures and expenses of the nature in this Section 4.03 mentioned, and such expenses and fees as may be incurred in the protection of the Mortgaged Property and the maintenance of the lien of this Mortgage, including the reasonable fees of any attorney employed by Mortgagee in any litigation or proceeding affecting this Mortgage, or the Mortgaged Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Mortgagor, with interest thereon at the lesser of the highest rate permitted by law or fifteen percent (15%) per annum, and shall be secured by this Mortgage. The proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incidental to the foreclosure proceedings, including all such items as

are mentioned in this section; (ii) repayment of the indebtedness owed to the Senior Lender, subject to the limitation in Section 2.04 (iii) repayment of any other amounts due under this Mortgage; and (iv) payment of any remaining amounts due to Mortgagor, its successors or assigns, as their rights may appear.

(b) Mortgagor shall not and will not apply for or avail itself of any appraisalment, valuation, stay, extension or exemption laws, or any so-called "Moratorium Laws", now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, but hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshaled upon any foreclosure of the lien hereof, and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on such Mortgagor's behalf and on behalf of each and every person, except decree or judgment creditors of Mortgagor, acquiring any interest in or title to the Mortgaged Property subsequent to the date of this Mortgage.

(c) Upon any other entering upon or taking of possession of the Mortgaged Property after the occurrence of an Event of Default and the expiration of the applicable cure period and other than by means of a foreclosure, Mortgagee, subject to the rights of the Senior Lender, may hold, use, manage and control the Mortgaged Property and, from time to time (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property required in connection therewith; (ii) insure or keep the Mortgaged Property insured; (iii) manage the Mortgaged Property and exercise all the rights and powers of Mortgagor to the same extent as Mortgagor could in its own name or otherwise with respect to the same; and (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted to Mortgagee, all as Mortgagee from time to time may reasonably determine to be to its best advantage. Mortgagee may collect and receive all the rents, issues, profits and revenues of the same, including those past due as well as those accruing thereafter, and, after deducting to the extent reasonable: (aa) expenses of taking, holding and managing the Mortgaged Property (including compensation for the services of all persons employed for such purposes); (bb) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements and purchases and acquisitions; (cc) the cost of such insurance; (dd) such taxes, assessments and other similar charges as Mortgagee may determine to pay; (ee) other proper charges upon the Mortgaged Property or any part thereof; and (ff) the reasonable compensation, expenses and disbursements of the attorneys and agents of Mortgagee, shall apply the remainder to the payment of amounts due under this Mortgage. The balance

of such funds, if any, after payment in full, of all of the aforesaid amounts shall be paid to Mortgagor.

(d) Mortgagee may also seek specific performance or injunctive relief in order to enforce the provisions of this Mortgage.

4.04 Receiver.

Subject to the rights of the Senior Lender, if an Event of Default shall have occurred and be continuing after an applicable cure period has expired, Mortgagee, upon application to a court of competent jurisdiction, shall be entitled to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect and apply the rents, issues, profits and revenues thereof. The receiver shall otherwise have all of the rights and powers to the fullest extent permitted by law.

4.05 Purchase By Mortgagee.

Upon any foreclosure sale, Mortgagee may bid for and purchase the Mortgaged Property and shall be entitled to apply all or any part the City Subsidy Recapture Amount and other amounts due under and secured by this Mortgage as a credit to the purchase price.

4.06 Remedies Cumulative.

No right, power or remedy conferred upon or reserved to Mortgagee by this Mortgage is intended to be exclusive of any other right, power or remedy, but each and every right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law, in equity or by statute.

4.07 Waiver.

No delay or omission of Mortgagee to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Mortgage to Mortgagee may be exercised from time to time as often as may be deemed expedient by Mortgagee. No consent or waiver, expressed or implied, by Mortgagee to or of any breach or Event of Default by Mortgagor in the performance of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or Event

of Default in the performance of the same or any other obligations of Mortgagor hereunder. Failure on the part of Mortgagee to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Mortgagee of its rights hereunder or impair any rights, powers or remedies on account of any breach or default by Mortgagor.

5.05 Modification.

Mortgagor shall have no right to convey the Home into a land trust without obtaining the prior written consent of the City.

5.06 No Merger.

It being the desire and intention of the parties that this Mortgage and the lien hereof do not merge in fee simple title to the Mortgaged Property, it is hereby understood and agreed that should Mortgagee acquire any additional or other interests in or to said property or the ownership thereof, then, unless a contrary interest is manifested by Mortgagee as evidenced by an appropriate document duly recorded, this Mortgage and the lien hereof shall not merge in the fee simple title, toward the end that this Mortgage may be foreclosed as if owned by a stranger to the fee simple title.
