Attachment A
Utilizing JOC For City Construction Projects

Fire Academy - South
1338 S. Clinton St.

Project No: PBC-09-020.C

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

Provide emergency exit door and provide simulated brick wall covering at exterior of training lab walls.

Furnish and install door at end of sim lab rooms to facilitate emergency exit.

Furnish and install simulated brick wall covering at exterior side of walls of simulated training rooms. This will provide an authentic building exterior look for the entire simulation lab project.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

This is the 3rd and final phase for the advanced emergency training lab at the Fire Academy. Emergency exit door for lab rooms required for life safety. Simulated brick wall covering requested by Fire Department personnel to provide authenticity to simulated training house.

3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.

Multiple trades.

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.

N/A

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
