Subject: Ethics Notification of Educational Expenses Reimbursement in May 2022

[Warning: External email]

Mr. Superfine,

This email is to notify the Board of Ethics that in May 2022 I received reimbursement for lodging expenses from the Association of Local Government Auditors (ALGA) to attend their Spring board meeting in Dallas, TX.

I attended as a Chair of one of the Association's committees to provide updates to the Board on my committee's work. The trip was related to my City position but did not involve City-specific information, and there was no honorarium or other payment or compensation.

Apologies for the late notification. I recently met with our Ethics Officer Chris Norborg and he clarified for me that this was a reportable reimbursement. If you have any questions or need clarification you may contact him via email at cnorborg@igchicago.org, or phone at (773) 478-8409.

Thank you,

Claire Kruschke (she/her)
