Dear Executive Director Berlin:

On behalf of the Chicago Police Department and the Citizens of the City of Chicago, I am honored to accept a gift from Retired Police Inspector Steven Saymon. Steven is a World Trade Center First Responder who has generously donated a full-sized block from the collapsed portion of the Pentagon, two pieces of plate steel that were cut from a section of the World Trade Center, and a bucket of soil & stone from Flight 93.

These artifacts will proudly be displayed at Public Safety Headquarters for all to see and appreciate.

Sincerely,

A handwritten signature in black ink, appearing to read "Garry F. McCarthy". The signature is fluid and cursive, with a large loop at the end.

Garry F. McCarthy  
Superintendent  
Chicago Police Department
