Steve,

Per prior email to you and per below, I participated in the International Wireless Communications Expo in Las Vegas on 11 - 13 March 2013. Hotel and airfare were paid by the conference organizer. There was no cost to the City of Chicago. I did not receive any additional honorarium or other compensation nor did I participate in any other events other than my presentation session and attendance in workshops. My participation was approved by CPD.

Please let me know if anything else is required...

Thanks!

Jonathan
