Chicago Labor Management Cooperation Committee (LMCC)

October 2017

Dear Employees:

The City of Chicago and labor representatives, working together in the Labor Management Cooperation Committee (LMCC), have been engaged for the past 11 years to keep your employee benefits package working for you. As a result of these efforts, employee Health Plan contribution rates have remained the same since 2006. We look forward to continuing to partner throughout the upcoming year. Below we have listed a few highlights for 2018:

2018 Is a Wellness Screening Year for Everyone

- 1 For 2018, the **Wellness Plan** will require that **every** participant gets a biometric screening. You must be screened, and those who screen and complete their Well-Being Assessment (WB5) will be eligible for a sweepstakes with cash prizes if they complete their screening and WB5 steps early.

The City will host many on-site and neighborhood screenings. You may also consider using your annual checkup with your personal physician to get your screening done. Instructions on the screening and WB5 steps and the sweepstakes will be mailed to your home in December.

- 2 **Pilot PPO programs** for telemedicine (MDLive) and mandatory second opinions (Best Doctors) started in 2017 and will continue in 2018. Check out the ease of using telemedicine at www.MDLive.com/bcbsil or call 1-888-676-4204 for more information. You must have a credit card to use MDLive.
- 3 **Tiered PPO plan:** In-network PPO hospitals, doctors and other providers are in one of two tiers in the OPT PPO plan. Tier I providers offer the most savings for both the City and members; Tier II providers have higher co-payments and out of pocket expense for members. Members can choose providers from either tier, and they can go back and forth between tiers during the year at each provider visit.
- 4 **Emergency Room Use:** On its website, Blue Cross posts many alternatives to emergency rooms. Members save for themselves and for everyone by using urgent care centers, retail clinics, telemedicine and after-hour physicians.

We ask our members to take advantage of all the programs and information that we continue to offer. Best Doctors offers timely, highly respected second opinions. They also offer counseling for chronic conditions, answers to treatment questions and can help you locate an in-network specialist who is a "Best Doctor". And a quick call to MDLive can save a member time and trouble—the MDLive "doctor is in" 24/7!

The LMCC thanks you for all your help in slowing down the growth of health benefit costs. We look forward to working with you to continue to improve your health in 2018.

Sincerely,

The City of Chicago Labor Management Cooperation Committee

WELCOME TO BENEFITS OPEN ENROLLMENT

October 18, 2017 through November 1, 2017

Open Enrollment Changes are Effective January 1, 2018

Open enrollment is the time of year when you can:

- ✓ Enroll in or cancel your medical, or vision, or dental insurance
- ✓ Switch medical or dental plans
- ✓ Add dependents to your plan (for example a spouse, civil union or same sex domestic partner, or children)
- ✓ Drop dependents from your plan
- ✓ Enroll or re-enroll in a health care and /or dependent care Flexible Spending Account (FSA)
- ✓ Buy optional life insurance or voluntary long term disability insurance

To make changes, go to the City of Chicago Benefits Services Center website:

www.cityofchicagobenefits.org

To enroll online you must use your eight digit employee number. You can find your employee number in the upper left of your pay stub and simply add zeroes to the front to make it eight numbers. Follow the prompts on the website if you forgot your username or password.

Open enrollment changes can also be made over the phone by calling:

Benefits Service Center 1-877-299-5111

Special hours during open enrollment: Monday through Friday 8:00 a.m. until 6:00 p.m.
Special hours Saturday, October 28, 2017 8:00 a.m. until 6:00 p.m.

Enrollment in a Flexible Spending Account (FSA) does not carry over from year to year. You must re-enroll in an FSA if you want this benefit for 2018.

Enroll online at www.cityofchicagobenefits.org or call the Benefits Service Center.

CHECK YOUR BENEFIT COVERAGE SHEET

Your personalized Benefits Coverage Sheet is included with this Guide. The medical, dental and vision enrollment listed on this Coverage Sheet will remain the same for 2018 unless you make changes during the open enrollment period which runs October 18, 2017 through November 1, 2017. You must re-enroll in the Flexible Spending Account(s) to participate in 2018.

Dependent children who reach the age of 26 are automatically terminated from the City's health plan on his/her birthday. However, if you have a disabled child reaching the age of 26, he/she may be eligible to continue dependent coverage. Contact the Benefits Service Center at least three months before your child's 26th birthday to apply for continued coverage for a disabled dependent child.

Check the personalized Benefits Coverage Sheet to make sure the information is correct for you and your dependents. Call the Benefits Service Center to update any of this information:

- Name and birthdate.
- Social Security number if marked as "N".

Federal law requires Social Security numbers for everyone enrolled in the City's health plans.

IF YOUR HOME ADDRESS CHANGES

Contact your Department's Human Resources Representative to update your address on file with the City.

ENROLLMENT CHANGES DURING THE YEAR

Benefit enrollment changes are allowed throughout the year only if you have a life change event such as marriage, divorce, birth or adoption of a child or loss of coverage through your spouse. Call the Benefits Service Center within 30 days of the life change event. If you try to make these changes as an open enrollment change, the coverage will not go into effect until January 1, 2018. You must provide documents to prove the life change event within 60 days of the event. Call the Benefits Service Center for more information.

Life change events are effective on the event date and open enrollment changes are effective January 1, 2018. When you call to make a life change event during the open enrollment period, please explain that you are calling about a life change event and ask for the benefits to be effective on the event date.

ADDING A DEPENDENT DURING OPEN ENROLLMENT?

STEP ONE – enroll your spouse, children, civil union partner or same sex domestic partner, during the open enrollment period online or by phone.

STEP TWO – provide original documents to prove they are your legal dependents.

Submit your dependent documents as soon as possible. Your dependents will not be enrolled in the medical, vision or dental plan if you provide documents after February 2, 2018.

Bring certified documents and your dependent's social security card to:

City of Chicago/Department of Finance
Chicago Benefits Office
333 South State Street/Room 400
Chicago, IL 60604-3978

Office hours are Monday through Friday 8:30 a.m. – 4:30 p.m.

Your original certified documents will be copied and returned to you.

Documents required are:

Spouse – certified marriage certificate and spouse's social security card

Child – certified birth certificate and child's social security card

Civil Union – certified certificate and partner's social security card

If you are adding dependents, you must submit the required documents for coverage to begin.

Deadline: If you submit your documents by close of business (COB) **Wednesday, December 13, 2017** coverage will be reflected on January 1, 2018. For example, if your dependents seek medical care on January 1, 2018, your healthcare service provider will be able to verify coverage online. Please submit your documents to the Chicago Benefits Office by this deadline to properly reflect coverage by the January 1st effective date. ***We encourage you to submit your documents right away, to avoid the last minute rush. Don't wait until the last minute!***

Grace Period. If you fail to submit your documents by **Wednesday, December 13, 2017**, you may submit documents through Friday, February 2, 2018.

It should be noted that:

- If healthcare services were received by your dependents during the grace period, and your medical provider submitted claims that were not paid because the required documents deadline of **December 13, 2017** was missed, those claims will be reprocessed retroactive to January 1, 2018 if the required documents are received by the Chicago Benefits Office by COB February 2, 2018.
- Your medical provider may need to resubmit claims.
- Alternatively, if you paid out of pocket for healthcare services during the grace period you may need to submit paper claims.

To avoid inconvenience, and to ensure your dependent's new coverage is reflected at the time of service, submit your documents to the Chicago Benefits Office by **Wednesday, December 13, 2017**.

If you fail to submit documentation by the end of the grace period on February 2, 2018, you will be required to wait until the next open enrollment period to enroll your dependents.

IMPORTANT NOTICE: If an employee or dependent gives false information, or if the dependent is not a legal dependent of the employee, the City will take action to collect any money paid to cover health care expenses related to the fraud and/or report the fraud to the appropriate authority.

SPECIAL REMINDERS

PPO-Mandatory Second Opinion Program for Surgeries

A Second Opinion is needed before obtaining some surgeries. You must call Telligen as soon as your doctor recommends surgery in any of the following areas:

- Knee; shoulder; hip; neck; and back
- Gall bladder
- Uterine, Vagina, Cervix
- Weight loss (Gastric Bypass)

There is no charge for the second opinion, you will not be examined and no travel is required. However, you must give permission for the second opinion provider, Best Doctors, to collect your medical records and test results.

Telligen will first review your proposed surgery for medical necessity and if required, Best Doctors will then arrange for a specialist to review your doctor's diagnosis and recommendations. You will receive a confidential, written report of the second opinion to help you decide how to proceed with treatment. You make the final decision on whether to have surgery; however, if you do not get the second opinion, you will pay for the full cost of the surgical procedure. The second opinion requirement is waived if you are admitted to the hospital for surgery from the emergency room.

Call Telligen at 1-800-373-3727 to begin the second opinion review and out-patient surgery pre-certification process. If you fail to obtain the required pre-certification, or the second opinion, you will pay for the full cost of the surgical procedure.

PPO Ask a Medical Expert - Best Doctors Program

In 2017 we launched a pilot program for PPO members who have questions or concerns about a medical condition or treatment. Call Best Doctors to get written answers from medical specialists, at no charge. Best Doctors also offers an expert second opinion for all surgeries, in addition to the surgeries mandated by the second surgical opinion listed above. They also offer reviews for complex conditions or when treatment does not appear to help resolve a medical condition. Call Best Doctors at 1-866-904-0910 or visit www.bestdoctors.com/members.

PPO Virtual Doctor's Visits

PPO members can have a virtual "face-to-face" medical evaluation by a primary care physician using a phone, tablet or computer with a front facing camera. Claims are submitted directly to Blue Cross and you pay a \$20 copay for the visit. If necessary, prescriptions are sent to a local pharmacy, Value Formulary and prescription drug copays apply. You must have a valid credit card to be able to use this service. Call Blue Cross at 1-800-772-6895 for more information.

PPO Comprehensive Care Physician Model: University of Chicago's Comprehensive Care Physician (CCP)

In 2017 we launched the CCP pilot program to offer PPO members the opportunity to have the same doctor in the hospital and the doctor's office. The CCP Program is motivated by the belief that having a Comprehensive Care Physician who cares for you both in the clinic and the hospital could help you to develop a stronger relationship with your physician and improve your health. You are eligible for the CCP Program if you have been hospitalized at least once in the past year.

If you are interested in joining the CCP Program, you will be asked to switch your current primary care doctor to one of the CCP physicians at the University of Chicago Medicine (UCM). This doctor will see you at UCM in both the clinic and the hospital if you are hospitalized. The CCP program also offers you access to the CCP clinical support staff including nurses, a clinic coordinator, and a clinical social worker. The social worker can help with social needs and also provides one-on-one therapy and wellness groups. As a participant in the CCP Program, you will be asked to complete an intake interview and answer a follow-up interview every 6 months. These interviews are completed either in-person or over the phone by a CCP survey coordinator and should only take about 10 minutes. For more information about the CCP Program please call 1-773-702-0781 option #2.

PPO MONEY SAVINGS

Save by using tax-free money to pay for out-of-pocket costs: Enroll in a Healthcare Flexible Spending Account (FSA) and reduce your income tax.

Save by using doctors and hospitals in the PPO Tier 1 network: The PPO gives you freedom to choose from three different network tiers. You can select doctors and hospitals (providers) from Tier 1 for some of your care, and use Tier 2 or Tier 3 providers for other services. You pay the lowest deductible and coinsurance when you use providers in Tier 1. To find a Tier 1 provider, call 1-800-772-6895 or go to www.bcbsil.com/cityofchicago.

Two ways to save on prescription medications: 1) Choose generic medications and pay the lowest copay. 2) Use mail order for long term "maintenance" medications. You will pay more if you don't use mail order for long term medications after the 3rd fill. Just call 1-866-748-0028 and ask CVS Caremark to contact your doctor for a new prescription to be processed through mail order.

Save on lab tests – use a free-standing lab: Get your lab tests paid in full by using a free-standing lab (such as a Quest lab) which is not affiliated with a hospital. Even if your doctor already has an arrangement with Quest, ask for a lab order for tests to be done at a Quest facility. Take this paperwork to the Quest lab and test results will be sent directly to your doctor. Call 1-866-697-8378 to find the location of a Quest lab near you, or go to www.Questdiagnostics.com.

Save on scans – use a free-standing imaging center: Scans are covered in full if done at a fee-standing imaging center. When your doctor orders an MRI, CT, or PET scan, call Telligen at 1-800-373-3727 to pre-certify the test and locate a free-standing imaging center near you.

Become pregnant? Earn a \$100 incentive: Enroll in a free, confidential maternity management program designed to encourage a healthy baby by providing telephone support for moms-to-be. To qualify for the \$100 incentive, call Telligen (1-800-373-3727) to enroll and complete at least eight doctors' visits during the pregnancy.

Free diabetes medication for diabetes management participants: Two voluntary diabetes management programs are offered to PPO members free of charge.

- **Taking Control of Your Health (TCOYH)** program, where specially trained pharmacists counsel people with diabetes in face to face meetings. Call 1-888-944-9090 or email starlin-tcoyh@ipha.org
- **Telligen Diabetes Management**, coordination of care for those with diabetes. Call Telligen for more information at 1-800-373-3727.

PROTECT YOUR FUTURE INCOME FOR YOU AND YOUR LOVED ONES

The City gives you basic term life insurance and the chance to buy more coverage through its group insurance policy. Visit a benefit fair during open enrollment to speak with experts who represent the companies underwriting these programs, or contact their customer services anytime to learn more.

BASIC TERM LIFE INSURANCE: (Prudential www.prudential.com or 1-800-778-3827)

As a City employee, you automatically receive \$25,000 of free basic life insurance which pays in the event of your death and/or for certain accidental losses. (This amount is \$75,000 for uniformed Firefighters and Paramedics.) When your employment with the City ends, you can continue this basic life insurance by paying premiums directly to Prudential.

OPTIONAL TERM LIFE INSURANCE: (Prudential www.prudential.com or 1-800-778-3827)

During open enrollment you may increase the amount of basic life insurance for yourself or buy coverage for your eligible dependents. You will pay the cost through payroll deductions. Proof of good health is required (satisfactory to Prudential) if you wish to:

- Increase the amount of insurance (1 to 10x your annual earnings, up to \$1.5 million)
- Buy insurance for a spouse or civil union/same sex domestic partner for \$10,000 or \$25,000 or \$50,000 of coverage (limits apply)
- Enroll children from live birth to age 25 for \$5,000 to \$10,000 in coverage (one rate covers all your children and no proof of good health is required)

VOLUNTARY PERMANENT LIFE INSURANCE: (Texas Life (formerly MetLife) www.empben.com/CityofChicagoUL/ or 1-800-638-6855)

Permanent life insurance also provides a death benefit. Sign up during the open enrollment period and/or apply for coverage for your dependents. (Proof of good health is required satisfactory to Texas Life.)

LONG TERM DISABILITY: (Prudential www.prudential.com 1-800-778-3827)

Long term disability insurance (LTD) is designed to give you a monthly cash payment in the event you cannot work because of an illness or injury. Proof of good health is required when you sign up or LTD during open enrollment.

DEFERRED COMPENSATION: (Nationwide www.chicagodeferrredcomp.com 1-855-457-2489 or 1-877-677-3678).

The City offers a tax deferred compensation plan that allows employees to put aside money from each paycheck toward retirement. A deferred compensation plan can supplement your pension and help increase your retirement income. You can enroll in the Deferred Compensation program at any time. Call Nationwide or visit a benefit fair to speak with a Nationwide representative.

ENROLL OR RE-ENROLL IN A FLEXIBLE SPENDING ACCOUNT (FSA)

Flexible Spending Accounts may save you money by reducing your income taxes. An FSA allows you to have money deducted from your paycheck before your federal and Social Security taxes are calculated. Your FSA contributions are automatically tracked in a special FSA account administered by PayFlex. You can choose to have FSA reimbursement checks mailed to you or deposited directly into your bank account. (Please note: the FSA program does not issue you a debit card, you must submit claims.)

FSA contributions are spread over the year and taken out each paycheck. After you decide how much you want to put aside in an FSA, call the Benefits Service Center to enroll (1-877-299-5111) or enroll at www.cityofchicagobenefits.org.

HEALTH CARE FSA

A Healthcare FSA allows you to set aside pre-tax dollars for qualified health expenses that are not covered by medical, dental or vision insurance. Qualified expenses include deductibles, co-pays for medical care and prescription medications, vision services and dental care. The maximum FSA contribution in 2018 is \$2,550.

Estimate how much you will likely spend in 2018. Consider what medical, vision and dental expenses you are fairly certain you will have next year including deductibles, co-pays and co-insurance amounts, as well as any out-of-pocket expenses for services not covered by the plan (eye laser surgery, dental implants etc). A complete list of health care expenses for FSA reimbursement can be found at www.irs.gov/pub/irs-pdf/p502.pdf.

DEPENDENT CARE FSA

Use pre-tax dollars to pay for care for a dependent child, disabled spouse, elderly parent or other tax dependents. Qualified expenses include a babysitter, day care, preschool tuition, before and after school care and day camps for dependents under age 13. Care for other tax dependents who are mentally or physically incapable of caring for themselves also qualifies for FSA reimbursement. The maximum contribution in a dependent care FSA in 2018 is \$5,000.

USE IT OR LOSE IT

The IRS requires that any money left in your account at the end of the year will be forfeited. If you enroll in an FSA for 2018, qualified expenses have to be incurred before March 15, 2019. You will have until March 31, 2019 to submit your 2018 expenses.

If your employment with the City ends before you have used all the money in your FSA, you have until the end of the annual grace period to submit expenses for FSA reimbursement (for example, March 31, 2019 for expenses incurred in 2018). If you plan to incur expenses after your employment with the City ends, you must elect to continue FSA contributions under PHSA/COBRA.

DON'T FORGET TO RE-ENROLL!

You must re-enroll in the FSA each year during Open Enrollment

BE HONEST!

A REMINDER ABOUT FRAUD

Any kind of fraud on the City of Chicago's benefit plans may result in adverse consequences to an employee and dependent, for example:

- Failure to notify the City Benefits Service Center and Chicago Benefits Office of an event that would cause coverage to end, e.g. divorce (see procedure below)
- Misrepresentation by the employee or dependent regarding the initial eligibility, for example, the dependent's age, or that the dependent is not a legal dependent of the employee
- Any attempt to assign or transfer coverage to someone else (e.g. letting another person use your Plan ID card)

The employee will be required to pay for any claims and all administrative costs that were incurred fraudulently. This may result in coverage being terminated for the employee and action by the City to collect any money paid. The City may also discipline the employee, up to and including termination.

DIVORCED SPOUSE'S HEALTH COVERAGE:

If an employee becomes divorced, he/she must follow the procedure outlined at www.cityofchicagobenefits.org:

Notify the Benefits Service Center within 30 days of the date of the divorce and bring a certified copy of the divorce decree to the Chicago Benefits Office within 60 days.

Failure to comply with the procedure will result in the employee being held liable for any healthcare claims and related expenses incurred by the participant and the ex-spouse.

You must call the Benefits Service Center to notify the City of the divorce at 1-877-299-5111 and take the divorce decree to:

LEGAL NOTICES

CITY OF CHICAGO MEDICAL PPO PLANS (“MEDICAL PLANS”)

NOTICE TO ENROLLEES OF MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT EXEMPTION FOR 2018

Generally, group health plans sponsored by state and local governmental employers, such as the City of Chicago (the “City” or “plan sponsor”) must comply with federal law requirements in title XXVII of the Public Health Service Act, and the amendments thereto set forth in the Mental Health Parity and Addiction Equity Act. However, these governmental employers are permitted to elect to exempt a plan from all of the requirements listed below for any part of the plan that is self-funded by the employer rather than provided through a health insurance policy. The purpose of this Notice is to inform you that the City of Chicago has elected to exempt the City of Chicago Medical PPO Plans as follows:

1. *Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan (sometimes referred to as “mental health parity requirements”).* The plan sponsor has elected to maintain the existing terms and conditions of the Medical Plans by exempting the Medical Plans from this requirement. Therefore, the City will continue in place the current requirement that Plan Participants who receive outpatient mental health and substance abuse treatment by a behavioral health specialist must obtain pre-certification by a Medical Advisor, under the Plans’ Medical Advisor Review Program, after the first seven sessions each year with one or more such providers. This requirement will continue in effect for the 2018 plan year (beginning January 1, 2018, and ending December 31, 2018), and may be renewed for subsequent plan years pursuant to a subsequent exemption election, unless modified through the collective bargaining process.
2. *Protection against limiting hospital stays in connection with the birth of a child to less than 48 hours for a vaginal delivery, and 96 hours for a cesarean section.* The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.
3. *Certain requirements to provide benefits for breast reconstruction after a mastectomy.* The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.
4. *Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution.* The Medical Plans no longer use student status and provides an opportunity to elect coverage to age 26 and thus this requirement currently applies under the terms of the Medical Plans without exception.

ANNUAL HEALTH CARE REMINDER

As required by the Women’s Health and Cancer Rights Act of 1998, each medical plan offered by the City of Chicago provides benefits for mastectomy related services including reconstruction and surgery to achieve symmetry between breasts, as well as prostheses and complications resulting from a mastectomy (including lymphedema). Contact your PPO or HMO administrator for more information.
