Development, triggers the requirements of Section 2-45-110 of the Municipal Code (the “Affordable Housing Ordinance”). Any developer of a “residential housing project” within the meaning of the Affordable Housing Ordinance (“Residential Project”) must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit A, the Applicant has agreed to provide 10% of the total number of dwelling units constructed in any building within the Planned Development containing 10 or more units as affordable housing units for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the “Affordable Units”), or make a cash payment to the Affordable Housing Opportunity Fund per unit (“Cash Payment”) in accordance with the Affordable Housing Ordinance. At the time of each Part II review for any building containing 10 or more dwelling units, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development (“DPD”) for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Planned Development, DPD may adjust the requirements of this Statement 12 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for a building containing 10 or more dwelling units, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against only that parcel for which the Part II review is being sought and will constitute a lien against each for sale Affordable Unit or the residential portion of the building, if rental, as the case may be, within that parcel. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit within that parcel to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The City shall execute a release of the Affordable Housing Agreement for a rental building upon compliance with the terms of such Agreement. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

13. Upon review and determination, “Part II Review”, pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
16. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. As a project which involves a City funding, the Applicant is required to achieve the following standards, at a minimum: 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). Furthermore, to assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at two points in the city approval process. First, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) the Applicant's outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof (c) responses to the Applicant's outreach efforts, and (d) the applicant's M/WBE and city resident participation goals. Second, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

The Phase 1 10-story building is located immediately adjacent to the 43rd Street CTA Green Line Station. A nearby Divvy bikeshare station is located on the north side of 43rd Street, and P3 Markets is negotiating an agreement with ComEd to provide complimentary electric vehicle charging stations. Additionally, we are working with Alderwoman Dowell and the Chicago Transit Authority to develop a plan for significant 43rd Street Green Line station improvements.

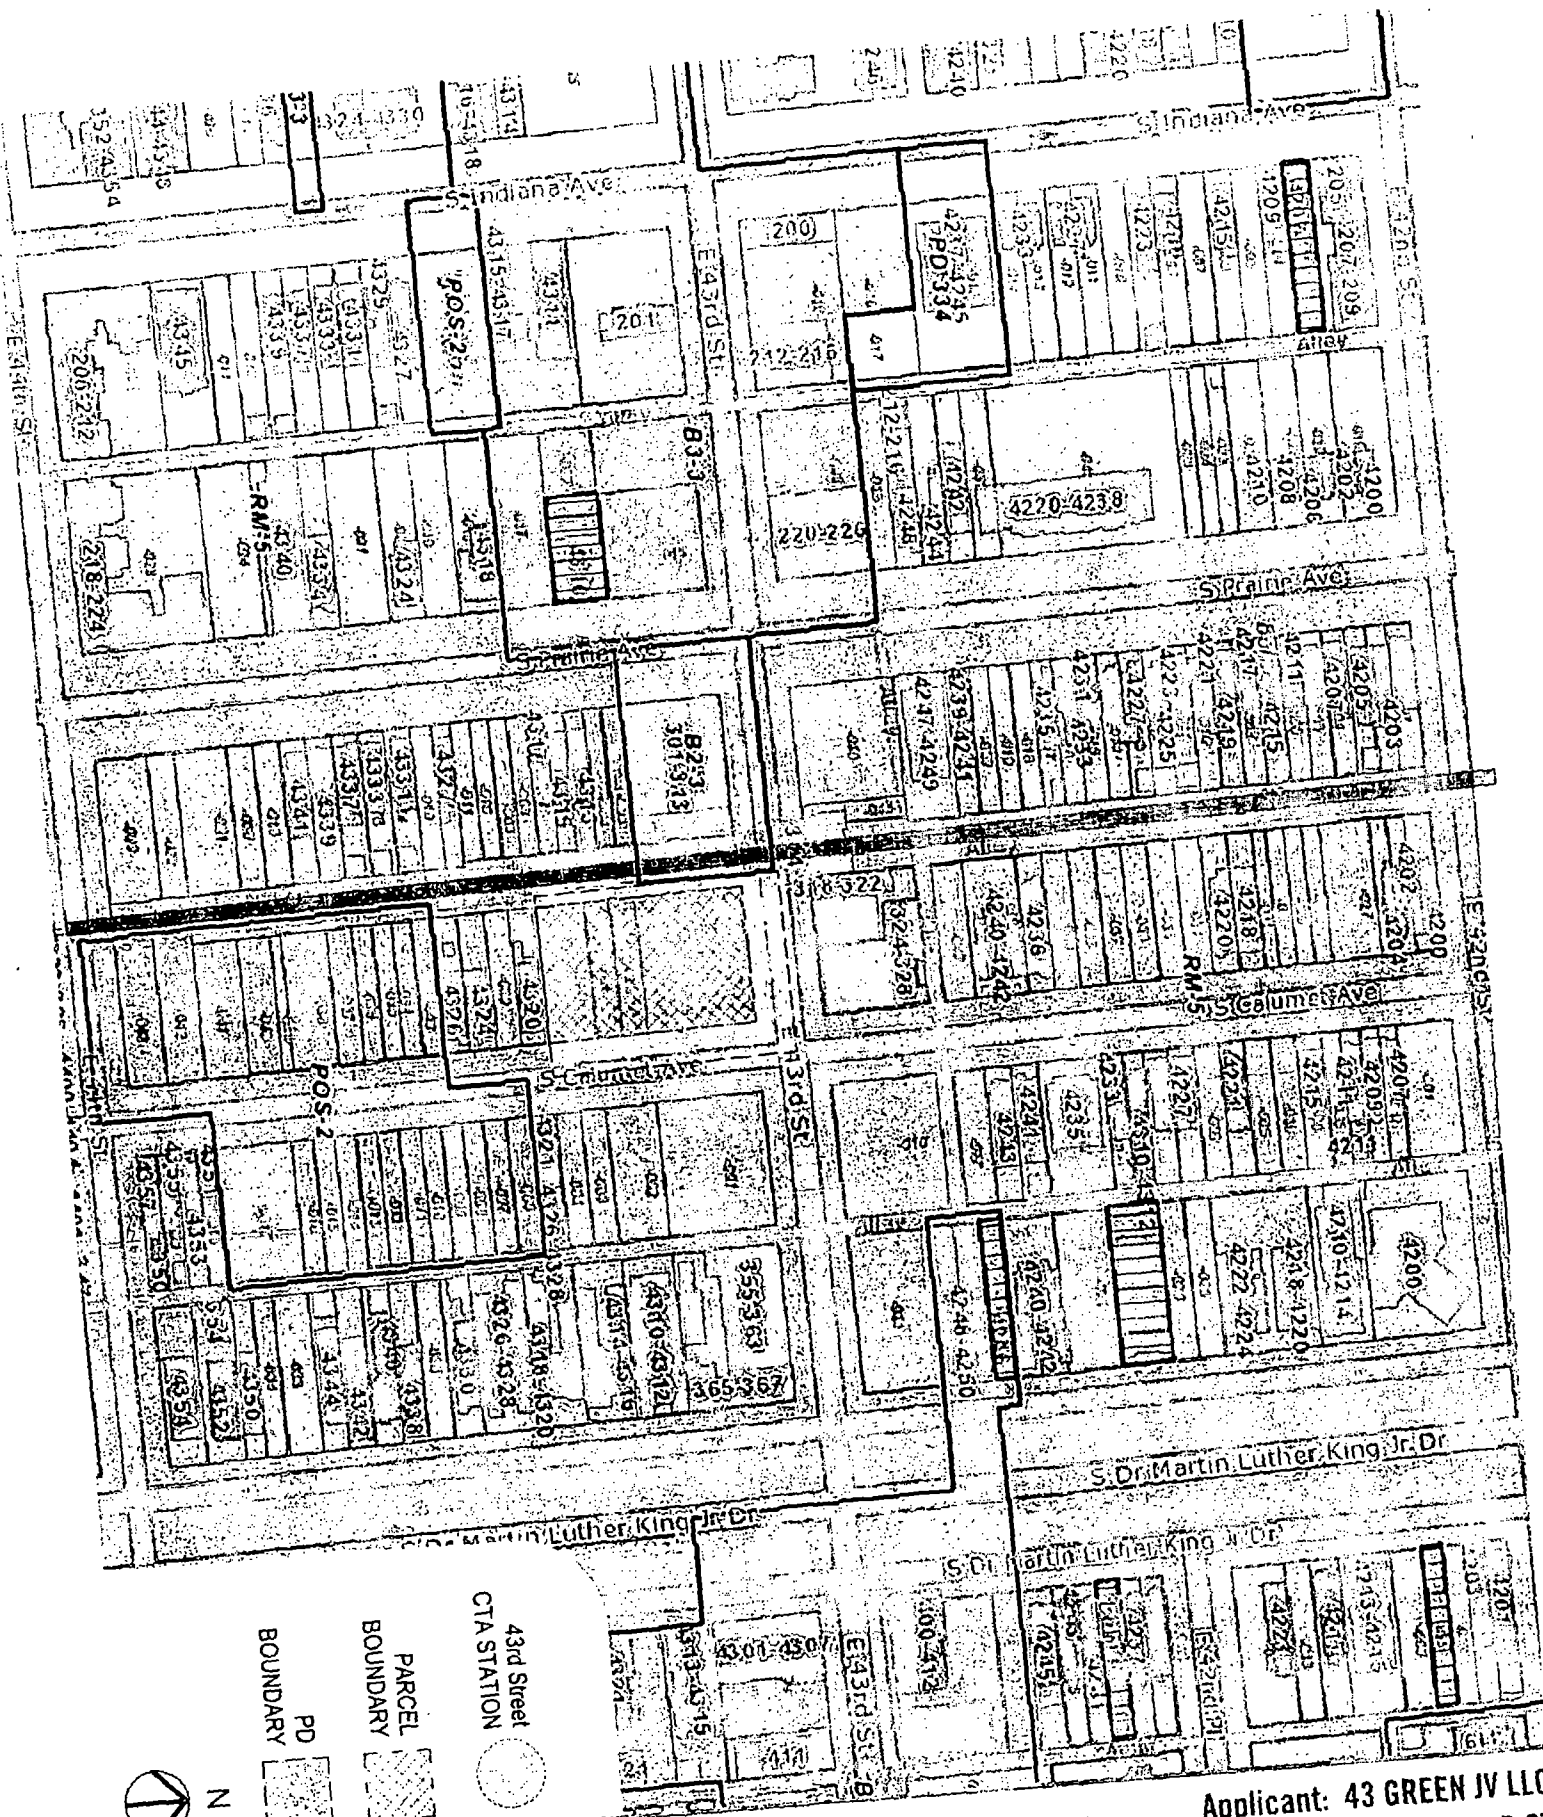

With this in mind, the building consists of ground floor retail facing both the 43rd Street and Calumet corridors as well as the primary residential entry off of Calumet. The building will feature residential amenities such as a 7th floor roof deck connected to a large co-working and recreational community space with views to the Loop including a kitchen for resident use; a 3rd floor green roof; 40 secure indoor tenant storage lockers; private balconies at the 2-bedroom units; expansive secure indoor and outdoor bicycle storage; modern lobby; package lockers for deliveries; permeable paver parking; and a fitness room overlooking a native landscaped patio at grade.

The design concept of the building occupies the primary street corner and steps down along 43rd to buffer the residential apartments from the noisy CTA. Preliminary construction concepts include precast concrete panels and planks supported by a deep foundation and grade beam system with a low-slope TPO roof. Earth retention such as sheet piling will be used adjacent to the CTA. Roof drains are intended to feed into an underground on-site stormwater detention system.

Residential unit interiors will be outfitted with warm and attractive yet durable finishes regardless of income designation, including wood cabinets, vinyl strip flooring throughout with tile floor in bathrooms, stainless steel appliances, double bowl sinks, programmable thermostats, LED lighting, data/cable jacks, and electric cooktop ranges. The 2-bedroom/2-bath unit tier (9 units total) includes in-unit laundry. The apartments will be individually heated and cooled with separate VRF or furnaces and corridors will be supplied with makeup air.

The generous residential elevator lobbies, corridors, and laundry room will be naturally daylight. Garbage and recycling will be collected in a small chute room on each floor, with compactors at the ground floor and easy access to the alley for pick up. Designed by be energy efficient, the project will comply with the City of Chicago Sustainable Development Policy and will seek certification through Enterprise Green Communities.

The commercial tenants on the ground floor include a bank branch, laundry service/dry-cleaner, and a locally-owned restaurant. The spaces will be outfitted with drywall, electrical distribution, and stub-outs for gas and water.

NOTICE LETTER

November 16, 2020

Dear Property Owner:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about November 16, 2020, the undersigned will file an application on behalf of 43 Green JV LLC to change the zoning for the property located at 319 - 331 E. 43rd Street and 4300-4318 S. Calumet Avenue, Chicago, Illinois (the "Property") from its current RM-5 Residential Multi-Unit District to a B2-3 Neighborhood Mixed Use District and then to a Residential-Business Planned Development.

The Applicant is proposing to transform this currently vacant parcel into a mixed-use transit oriented development with 99 residential units (50% affordable) in a ten story structure, approximately 5,300 square feet of ground floor retail space and approximately 25 parking spaces and one loading berth. Because of the project's proximity to the Green Line station and the reduced parking requirements for such developments, the site will also include significant streetscape and landscape improvements which will promote the pedestrian nature of the area. The project will help provide needed housing and retail space to the community, thereby enhancing the fabric and aesthetics of the neighborhood.

The Applicant, 43 Green JV LLC, is located at 350 West Hubbard Avenue, Chicago, Illinois 60654. The owners of the Property is the City of Chicago, 121 N. LaSalle Street, Rm. 1000, Chicago, IL 60602. The contact person for this application is Scott R. Borstein, Esq., Neal & Leroy, LLC, 20 South Clark Street, Suite 2050, Chicago, Illinois 60602, 312-641-7144.

Sincerely,
