The Applicant shall seek LEED certification and provide a 50 percent net green roof equivalent to an actual total of 8,774 square feet.
15. The Applicant acknowledges and agrees that the rezoning of the Property from the DX-7 Downtown Mixed-Use District to Residential Business Planned Development for this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii).

The Applicant further acknowledges and agrees that this Planned Development is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and

DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-11 O and 17-4-1004-D), the developer may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit L] ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide either a minimum of at least 9,846 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of \$913,703 ("Cash Payment"), or \$100,000 per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-03, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. Pursuant to the Adopt-a-Landmark Bonus provisions of Section 17-4-1022 of the Zoning Ordinance, the Applicant has requested an increase in the floor area of the Property based on the proposed restoration of the Mid-City Trust and Savings Bank located at 2 South Halsted Street/801 West Madison Street, Chicago, Illinois (the "Landmark Project"). Pursuant to Section 17-4-1022 of the Zoning Ordinance, the Commissioner of DPD (the "Commissioner"), acting on behalf of the City and the Commission on Chicago Landmarks, is authorized and directed to enter into an agreement with the Applicant and,

if different from the Applicant, the owner(s) of the Landmark Building, regarding the manner in which funds for renovation work in the Landmark Building relating to the Adopt-a-Landmark Bonus, as approved by the Commission on Chicago Landmarks, will be used. On August 7, 2014, the Commission on Chicago Landmarks approved a Scope of Work and Budget for the Landmark Project, providing for the expenditure of \$735,000 in project costs, of which \$730,963 corresponds to a floor area bonus of 1.40. The agreement shall be in a form approved by the Corporation Counsel and shall be executed and submitted to DPD prior to the issuance of any approvals pursuant to Section 17-13-0610 of the Chicago Municipal Code ("Part II"). The terms and conditions of the Landmark Project Scope of Work and Budget may be modified administratively by the Commissioner in accordance with the provisions of Statement 12 of this Planned Development and as described in the Landmark Project Scope of Work and Budget. Upon completion of the work related to the Landmark Project, the Applicant shall apply to the Commission on Chicago Landmarks for the issuance of a Certificate of Completion of the Landmark Project. The Applicant shall provide written notice of said application to the Commission on Chicago Landmarks, the Office of the Zoning Administrator, the Department of Law, and DPD. The work described on the Landmark Project Scope of Work and Budget must be completed and a Certificate of Completion of the Landmark Project must be obtained from the Commission on Chicago Landmarks prior to the issuance of any certificate of occupancy for the Property.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the property to (underlying zoning that formed the basis of this Planned Development)

Dear Property Owner:

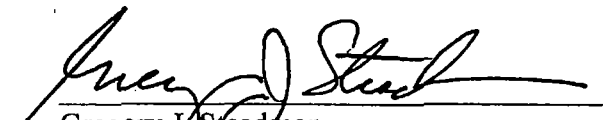

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about May 1st, 2020, the undersigned will file an application for a change in zoning from Planned Development No. 1252 to Planned Development No. 1252 *AS AMENDED* on behalf of 733 W. Lake Street, Inc., for the property located at 171-185 North Halsted Street; 729-741 West Lake Street and 728-740 West Couch Place.

The applicant intends to use the subject property to operate a packaged goods liquor store at a grade level commercial space located at 737 W. Lake Street.

733 W. Lake St, Inc., is located at 737 W. Lake Street. The contact person for this application is Narendra Patel, 10832 Cook Avenue Oak Lawn, Illinois 60453, 773-865-4246. The owner of this property is Parker Owner, LLC, 3500 Lenox Road, Suite 1250 Atlanta, Georgia 30326, 847-514-0694.

Chicago, IL 60601-1293

Re: Administrative Relief request for Residential Business Planned Development No. 1252, 171 North Halsted Street parking reduction

Dear Mr. Klawiter:

Please be advised that your request for a minor change to Residential Business Planned Development No. 1252 ("PD 1252"), has been considered by the Department of Planning and Development pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance and Statement No. 12 of PD 1252.

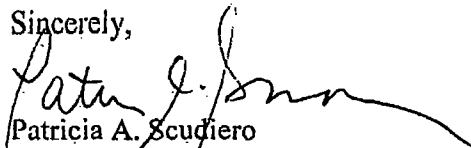

Your client and the owner of all of the property within PD 1252, 171 Partners LLC, is seeking administrative relief to allow a parking reduction from 159 spaces to 137 spaces for the proposed 227 dwelling unit building. During final design of the building, it was discovered that due to the sizing and placement of structural columns, 19 of the required 159 spaces were less than the required 18 feet in depth and three of the spaces became tandem spaces. As a result, you are seeking to reduce the parking by 22 spaces. The attached, revised Second, Third, and Fourth Floor Parking Plans, dated November 7, 2014, shall be inserted into the main file.

With regard to your request, the Department of Planning and Development has determined that allowing the proposed parking reduction will not create an adverse impact on the Planned Development or surrounding neighborhood, will not result in an increase in the bulk or density, and will not change the character of the development, and therefore, would constitute a minor change. Additionally, the building will be located within several blocks of the Clinton and Morgan CTA train stations.

Accordingly, pursuant to the authority granted by the Chicago Zoning Ordinance and Residential Business Planned Development No. 1252, I hereby approve the foregoing minor change, but no other changes to this Planned Development. This minor change is valid for twelve (12) months from the date of this letter unless action to implement the minor change is commenced within such time period and thereafter diligently pursued to completion, including, if applicable, construction consistent with the minor change as authorized by a building permit. If action to

implement the minor change, including construction, does not begin within the time set forth, or does not proceed with reasonable diligence, then the approval will lapse and become null and void.

Sincerely,

Patricia A. Scudiero
Zoning Administrator
