DOB Application Number: 100870084

Dear Commissioner Cox:

The Chicago Riverwalk is a popular 1.25 mile path in the heart of downtown and destination for Chicagoans and tourists. The facility is managed by the Department of Assets, Information and Services (AIS). Revenues from the concessions program are used to repay the \$98.6 million loan used to finance the design and construction of the river trail.

Urban Kayaks is a concession east of Columbus Drive at 425 East Riverwalk South. As part of the ten year license agreement to operate the concession on the Chicago Riverwalk approved by City Council in 2018, Urban Kayaks proposed to design and construct a new facility, including public restrooms and expansion to include a restaurant and recreation area. After extensive coordination with the Urban Kayaks and review the design, AIS approves the plans and authorized the Urban Kayaks to apply for all applicable permits to proceed with the construction.

Urban Kayaks building permit application number is **100870084**.

AIS is the governing body with jurisdiction over the Chicago Riverwalk via section 10-36-145 of the Municipal Code of Chicago and has approved the design plans included in application 100870084 and respectfully requests your assistance in fulfilling the requirements of the Plan Commission and approval of the Lake Front Protection ordinance as the Urban Kayaks locations is within the public way in the boundaries of the Lake Front Protection area.

If you have any questions or require additional information, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "David J. Reynolds".

GUIDELINES FOR COMPLETING PART ONE OF THE APPLICATION

Part One of this Application provides general information to the Plan Commission for use in preparing its public notices of the proposal set forth in the Application and in preparing its review of that proposal.

1. The date entered in I. should be the date on which the Application is filed.
2. The location of the site of the proposal should be given by street address; if there is no address, the location must be described in relation to existing streets, rights-of-way or other fixed points of reference.
3. The Applicant must state his own name, address and telephone number and the name, address and telephone number of the owner of the subject property. The Applicant must be either the owner of the subject property or his duly authorized agent or representative, and, if the Applicant is an agent or representative, the Applicant must submit proof to the Commission that he is authorized to represent the owner of the subject property.

Whenever the ownership of the subject property is complex - a partnership, corporation, land trust or association - the Applicant shall so indicate. Further, the Commission may require disclosure of all real parties of interest in the subject property.

4. The description of a proposal should include, at a minimum, types of land uses and space uses, floor area, number of dwelling units and height of proposed structures in feet or stories. Additional concise information may also be included.
5. Under the provisions of Section 194B-6.1(c) of the Lake Michigan and Chicago Lakefront Protection Ordinance, the Applicant must submit to the Commission at the time of filing an Application a list of the names and last known addresses of the owners of all property on which notice must be served, the method of service employed, the names and addresses of persons so served, and a statement certifying that the Applicant has complied with the noticing provisions of Section 194B-6.1(c) of the Lake Michigan and Chicago Lakefront Protection Ordinance. The Commission will not accept an application unless and until the Applicant furnishes the required list and certificate.
6. If there are any other approvals required from other public agencies before the Applicant can proceed with his proposal, they should be listed; except that other City of Chicago licenses and permits may be omitted as items requiring listing herein. If no other approvals are required, enter "NONE" under VI A. Examples of items which should be listed include approval of FHA financing, a U.S. Corps of Engineers permit, Federal Aviation Authority Approval, among others.

Each sheet of graphic material must be labeled with the appropriate figure number. If there are multiple sheets comprising one figure - for example figure 4 - those sheets should be labeled consecutively, for example Figure 4-1, Figure 4-2, etc., and each sheet should contain the address of the site of the proposal in the lower left corner.

For Figure 1, the Applicant should consider the "vicinity of the site" to be at least as extensive as the area for which he is required to give notice plus any intervening streets or other public rights-of-way.

The proposed facilities will be approximately 10' in height. The proposed building will comply with applicable bulk and density requirements. The Applicant intends to comply with the City's sustainable development policies.

Address: 425,457,473 E. Chicago Riverwalk Chicago IL 60611

This page for calculations.

Calcs/ Logic for FAR questions below:

Assuming 0 setback requirements and that the parcel/ lot size in the space we were allowed by AIS to build upon (south of the pathway and north of the impound lot fence):

Parcel/ Lot Size= 13,184 sf

Gross Floor Area of UK buildings= 4,440 sf

FAR= 4,440 sf / 13,184 sf = .33

fitness area = 1,140 sf

restaurant and patio areas = 7,938 sf

kayak rental and storage = 1,696 sf

kayak dock and storage areas = 2,410 sf

total all areas = 13,184 sf

PART FOUR: POTENTIAL IMPACT OF THE PROPOSAL

Part Four: Potential Impact of the Proposal

Thirteen Purposes

- 1) To promote and protect the health, safety, comfort, convenience, and the general welfare of the people, and to conserve our natural resources;

We will promote the general health and conserve our natural resources by promoting safe boating on the Chicago River. This development will promote and protect the health, safety and welfare of the citizens in that it promotes safe boating on the Chicago River and highlights the Chicago Riverwalk.

- 2) To identify and establish the Lake Michigan and Chicago Lakefront Protection District and to divide that District into several zones wherein any and all development or construction, as specified in Article V hereinafter, shall be specifically restricted and regulated;

This development is on City Property: The Chicago Riverwalk is appropriately restricted and regulated by the City's zoning code.

- 3) To maintain and improve the purity and quality of the waters of Lake Michigan;

This development will improve the quality of water on Lake Michigan by promoting a healthy, human powered activity on the Chicago River and showcasing the Riverwalk.

- 4) To insure that construction in the Lake or modification of the existing shoreline shall not be permitted if such construction or modification would cause environmental or ecological damage to the Lake or would diminish water quality; and to insure that the life patterns of fish, migratory birds and other fauna are recognized and supported;

There will be no modification to the existing shoreline and no environmental or ecological damage will occur.

- 5) To ensure that the Lakefront Parks and the Lake itself are devoted only to public purposes and to ensure the integrity of and expand the quantity and quality of the Lakefront Parks;

This development is providing public restrooms and is open to the public.

- 6) To promote and provide for continuous pedestrian movement along the shoreline;

There will be continuous pedestrian movement along the shoreline

- 7) To promote and provide for pedestrian access to the Lake and Lakefront Parks from and through areas adjacent thereto at regular intervals of one-fourth mile and additional places wherever possible, and to protect and enhance vistas at these locations and wherever else possible;

We will promote and provide pedestrian access to lakefront path as well as improving vistas from both our on water activities and on land development.

- 8) To promote and provide for improved public transportation access to the Lakefront;

Public transportation is not hampered by this development.

- 9) To ensure that no roadway of expressway standards, as hereinafter defined, shall be permitted in the Lakefront Parks;

There will be no expressway standards adopted within the lakefront/ riverwalk parks.

- 10) To insure that development of properties adjacent to the Lake or the Lakefront Parks is so defined as to implement the above-stated purposes, provided, however, that with respect to property located within the Private Use Zone as established by Article V, VI, and IX of this Ordinance, the permitted use, special use, lot area per dwelling unit, and floor area ratio provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, shall govern except where such provisions are in substantial conflict with the purposes of this Ordinance or the Fourteen Basic Policies of the Lakefront Plan of Chicago;

This development will be totally compliant with Chicago Zoning Ordinance.

- 11) To achieve the above-stated purposes, the appropriate public agency should acquire such properties or rights as may be necessary and desirable;

- 12) To define and limit the powers and duties of the administrative body and officers as provided herein;

This development does not impact City administrative officers' powers and duties.

- 13) Nothing contained in the Lake Michigan and Chicago Lakefront Protection Ordinance shall be deemed to be a waiver or consent, license or permit to use any property or to locate, construct or maintain any building, structure or facility or to carry on any trade, industry, occupation or activity which may be otherwise required by law.

PART FOUR: POTENTIAL IMPACT OF THE PROPOSAL

I. Fourteen Basic Policies

- 1) Complete the publicly owned and locally controlled park system along the entire Chicago lakefront.

We are completing the last area of riverwalk development that would otherwise be vacant and unoccupied.

- 2) Maintain and enhance the predominantly landscaped, spacious and continuous character of the lake shore parks.

By increasing usage of the Chicago River through a healthy human powered activity, and adding a lively eating venue we will improve the character of the Riverwalk.

- 3) Continue to improve the water quality and ecological balance of Lake Michigan.

We will continue to improve the water quality of Lake Michigan by promoting kayaking: an human powered, healthy usage of the Chicago River.

- 4) Preserve the cultural, historical, and recreational heritage of the lakeshore parks.

Kayaking on the Chicago River promotes recreational usage and our Historic Chicago Tour promotes the cities historical heritage. Our cantina space will add to the culture of the park.

- 5) Maintain and improve the formal character and open water vista of Grant Park with no new above-ground structures permitted.

N/A – the property use does not impede the open water vista of Grant Park with no new above ground structures.

- 6) Increase the diversity of recreational opportunities while emphasizing lake-oriented leisure time activities.

We will promote kayaking, a human powered healthy activity which will increase water usage and promote recreational on the Chicago River. Our cantina space will promote leisure time dining on the Riverwalk.

- 7) Protect and develop natural lakeshore park and water areas for wildlife habitation.

We will showcase non-motorized boating on the Chicago river, which hopefully will promote wildlife habitation.

- 8) Increase personal safety

We will promote kayaks tours and rentals on the Chicago River and continue to provide this activity in a safe and responsible manner. Our cantina space will provide a safe/clean dining experience for patrons. New sanitizing procedures are currently being implemented within Urban Kayaks. Social distancing procedures will be implemented in the cantina space.

- 9) Design all lake edge and lake construction to prevent detrimental shoreline erosion.

All facilities will be constructed to code and no structures are to be built at lake edge.

- 10) Ensure a harmonious relationship between the lakeshore parks and the community edge, but in no instance will further private development be permitted East of Lake Shore Drive.

By promoting boating on the Chicago River we will continue to promote a harmonious relationship between the lakeshore parks and community edge. There will be no private development east of Lake Shore drive.

- 11) Improve access to the lakeshore parks and reduce through vehicular traffic on secondary park roads.

N/A- access is defined by City of Chicago and vehicular traffic not permitted.

- 12) Strengthen the parkway characteristics of Lake Shore Drive and prohibit and roadway of expressway standards.

Our facility will strengthen the parkway by promoting an outdoor, healthy, recreational activity in our kayaking space. We will also promote leisure time activities through our cantina space.

- 13) Ensure that all port, water supply, and public facilities are designed to enhance lakefront character.

To enhance the lakefront character, we are adding safe public access to the waterway with non motorized vessels as well as building public restrooms.

- 14) Coordinate all public and private development within the water, park, and community zones.

This development is being coordinated with the City of Chicago and surrounding communities.
