## **CHICAGO CENTRAL AREA PLAN, 2003**

- Department of Planning and Development
- Guide for continued growth and success of Chicago's Downtown
- Create a dynamic Central Area with vibrant and diverse mixed-use districts
- Strengthen connections to keep the Central Area easy to reach by making transit the first choice for people coming to the area

## **CENTRAL AREA ACTION PLAN, 2009**

- Department of Planning and Development
- Maintenance of Central Area's majority share of regional residential growth
- Maximize densities in high-use corridors and around transit lines to create a walkable environment

# Project Timeline + Community Outreach

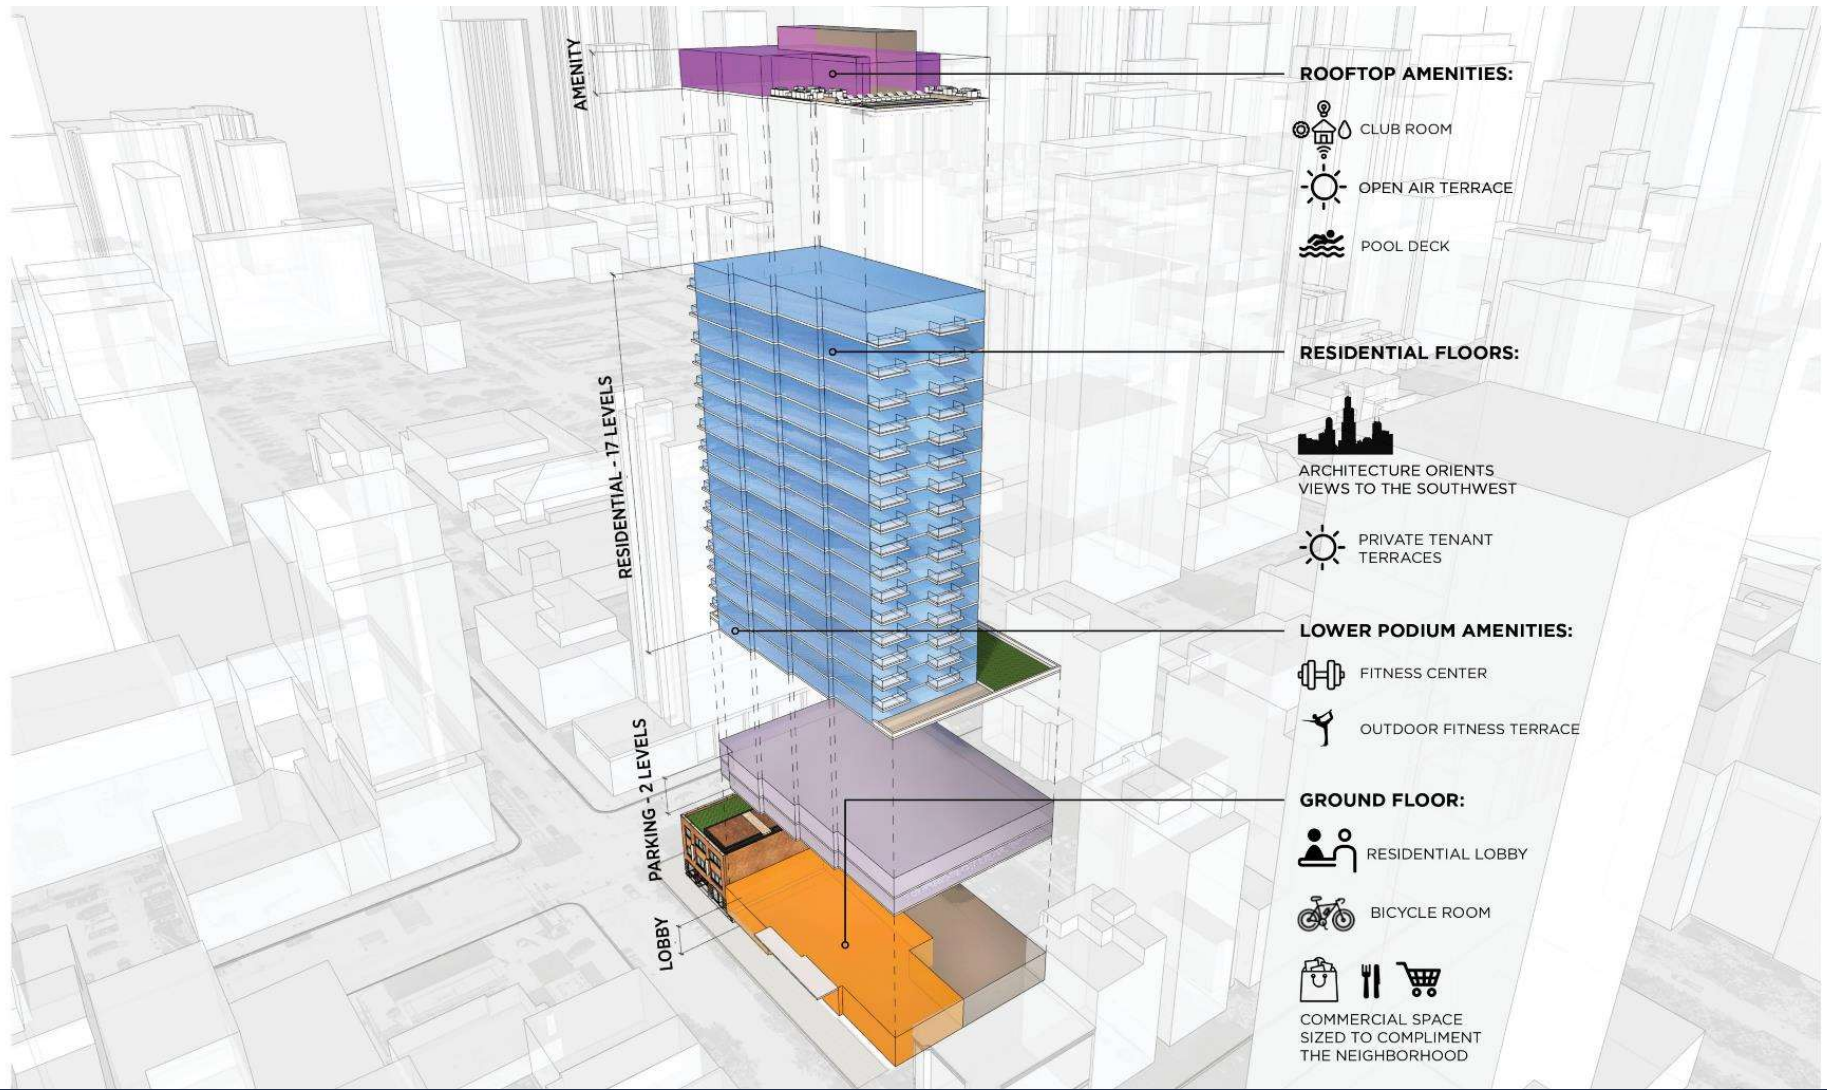

**INTRODUCTION DATE: MAY 26, 2021**

**DATES OF PROJECT MEETINGS:**

- Alderman Presentation: April 7, 2021
- Intake Meeting: April 29, 2021
- RNRA Presentation: May 4, 2021 & May 24, 2021
- Public Presentation: July 8, 2021

**PROJECT CHANGES BASED ON FEEDBACK:**

- Revised Vehicular Entry at Public Alley
- Revised Loading Dock at Public Alley
- Revised Residential Drop-Off at Residential Entry on Wells Street
- Revised Architecture to Incorporate More Dramatic West Façade

## Transportation, Traffic, and Parking Guidelines From Zoning Code Section 17-8-0904:

- Promotes the safe and efficient circulation of pedestrians, cyclists and motor vehicles by limiting vehicle access to the public alley.
- Promotes transit, pedestrian and bicycle use.
- Ensures accessibility for persons with disabilities.
- Minimizes conflicts with existing traffic patterns by providing standing and loading zones.

## Traffic Study:

- Census data for the area indicates that approximately 50 to 60 percent of residents take public transportation, walk or bike to work.
- CTA Transit Information Kiosk will be incorporated within the residential lobby to encourage public transit use.
- Electric vehicle charging stations will be incorporated within the parking garage.

## Pedestrian-Oriented and Urban Design Guidelines From Zoning Code Sections 17-8-0905 and -0906:

- Creates safe and attractive walkways and pedestrian routes.
- Avoids blank walls along the sidewalks.
- Emphasizes building entries.
- Active sidewalk level uses.
- Appropriately-scaled pedestrian level building facade.

## Landscaping Guidelines From Zoning Code Sections 17-8-0905 and -0906:

- Landscaping Meets Landscape Ordinance
- Planned Development Complies with Open Space Guidelines

**SUSTAINABLE DEVELOPMENT POLICY**

## Project Complies with the Stormwater Management Ordinance:

- A stormwater detention system regulates the rate of stormwater discharge and provides volume control for stormwater runoff.
- Green roof systems are utilized to increase the amount of pervious surfaces, reduce the rate and volume of stormwater runoff and reduce urban heat island effect.
- Sedimentation and erosion control measures will be implemented during construction to minimize discharge of sediment and other pollutants in stormwater runoff from the development.

**STORMWATER MANAGEMENT ORDINANCE COMPLIANCE**

## Project Complies with Minimum Affordable Housing Ordinance Requirements:

- 178 total units
- 18-unit requirement
  - 5 units provided on-site @ 60% AMI
  - \$2,443,207 fee in lieu of remaining 13 units

**Additional City Property Tax Revenue:**

- Current Annual Taxes: \$250,000
- Estimated Future Annual Taxes: \$850,000 - \$1,050,000

**Neighborhood Opportunity Fund: 3.1 Bonus FAR at a cost of \$2,400,466**

- “Neighborhoods Opportunity Fund” / “Citywide Adopt-a-Landmark Fund” / “Local Impact Fund” 80/10/10 split

**Enhanced Public Safety:**

- Activation of Chicago Avenue and Wells Street
- The building facades are highly articulated and designed with the pedestrian scale in mind.
- Agreement to provide for improvements and restoration of adjacent public way, including streets, alleys, curb/gutter, etc.
- All work to be in accordance with CDOT standards and any changes in scope must be approved by CDOT

**Minority and Women-Owned Businesses:**

- Vista Property Group is committed to working to achieve 26% MBE / 6% WBE Involvement, 50% City Residency, and Local Hiring Goals.

**Additional jobs in the area:**

**Construction:**

400 jobs through duration of construction

**Retail:**

Cafe - 5-7 part time and 1 full time  
 Restaurant - 15-20 part time and 4-5 full time

**Residential:**

3 full time and 1 part-time office associates  
 3 maintenance full time under Chicago Union  
 24/7 concierge - Contract  
 Housekeeping at 40 hours a week - Contract

## DPD Recommendations

- The Proposed Planned Development encourages unified planning and development. (17-8-0102)
- Promotes economically beneficial development patterns that are compatible with the character of existing neighborhoods. (17-8-0103)
- Promotes transit, pedestrian and bicycle use; ensures accessibility for persons with disabilities and minimizes conflicts with existing traffic patterns. (17-8-0904-A-1 – A-4)
- The building orientation and massing creates an active building wall adjacent to the public right of way, the project also uses creative design to implement a base podium compatible with the adjacent lower scale buildings, and contains active uses at the base of each building, providing for safe and active pedestrian realm (17-8-0905 and 17-8-0906)
- All sides and areas of the buildings that are visible to the public are to be treated with materials, finishes, and architectural details that are of high-quality and appropriate for use on primary public-right-of-way-facing façade (17-8-0907-B-3)
