**Re: Swedish Hospital
2826-36 West Foster Avenue
Amendment to PD #92**

Dear Anna,

Please find five (5) sets of Swedish Health's Planned Development application for the property located at 2826-36 West Foster Avenue.

Initially the PC zoning review fee (due at time of filing) was calculated as \$17,181.25. However, the FAR of the project was revised and the correct PC zoning review due is \$13,788.18. Therefore, there is an overpayment of \$3,393.07. Due to such, we are including the \$1,500 application fee towards this overpayment, with a remaining \$1,893.07 which will be credited towards the PC zoning review fee (50%) due at time of Part II review.

If you have any questions, please do not hesitate to contact Graham or me.

Thank you.

Sincerely,

Sylvia C. Michas

**SWEDISH HOSPITAL
AMENDMENT TO PD #92
NARRATIVE**

Swedish Covenant Health d/b/a Swedish Hospital (“Swedish Hospital”) has future plans to build a medical outpatient center on vacant property it owns at 2826-2836 W. Foster Avenue (“Subject Property”). The Subject Property is located within a RS3 District and the Foster and California Tax Increment Financing (TIF) District. In order to move forward with its plans, Swedish Hospital is seeking to amend the existing boundaries of Institutional Planned Development No. 92, as amended (PD No. 92), in which Swedish Hospital’s medical campus is located. Swedish Hospital’s proposed Amendment to PD No. 92, will include two subareas. Subarea A will include Swedish Hospital’s existing medical campus and Subarea B will include the Subject Property, which will be improved with an eight-story building which will operate as a medical outpatient center. Swedish Hospital’s proposed medical outpatient center conforms to PD No. 92, as follows:

1. Permits projects for hospital and related uses, health and fitness facilities, medical and administrative offices, parking and accessory uses.
2. Plans for economic growth and jobs creation.

By expanding current facility space and hiring medical specialists, Swedish Hospital will be able to enhance prevention, treatment and diagnosis of various cardiovascular conditions, including atherosclerosis, cardiomyopathy and neurology.

The concept of the proposed medical outpatient center is to provide additional facilities in order to bring additional expertise to the Swedish Hospital campus and to mirror the ‘institute model’ where specialists are provided in:

- Neurosurgery and Neurology
- Orthopedics and Spine
- Cardiac surgery, Cardiology and Vascular Surgery
- Oncology and Oncologic surgery

Swedish is committed to advancing and improving patient care as it relates to the prevention, diagnosis, screening and treatment of diseases and hiring leading specialists who are recognized as national innovators in advanced treatments and non-invasive procedures.

The building proposed for the Subject Property will be eight stories with an approximate height of 124 feet, will contain approximately 52,000 sq. ft. of medical outpatient facilities on floors five through eight, approximately 2,500 sq. ft. of retail space at grade, 70 interior parking spaces on floors two through four, with an approximately 9,250 sq. ft. green roof. The exterior of the building is designed to complement the recently constructed Foster Medical Pavilion located ¼ block to the east on the northeast corner of Foster and California.

The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to C1-2 Neighborhood Commercial District.
