In re: 1043 North Rush Street, Chicago, Illinois

Dear Property Owner:

In accordance with the requirements for an approval under the Lake Michigan and Chicago Lakefront Protection Ordinance, please be informed that on or about June 28, 2022, I, the undersigned attorney, will file an Application for approval under the Chicago Lakefront Protection Ordinance on behalf of the Applicant 1043 N Rush Street LLC, for the property known as 1043 N. Rush St, Chicago, Illinois.

The purpose of the proposed Chicago Lakefront Protection Ordinance approval is to allow the construction of a two-story multi-tenant building consisting of retail on the ground floor and new restaurant space on the second floor. The site is currently occupied by Carmine's. Carmine's plans to relocate to the second floor of the new building which will also include a private outdoor terrace overlooking the Rush Street corridor. The terrace will be used for white tablecloth dining to replace Carmine's current ground floor patio seating, not to be utilized as bar space. The ground floor retail will be well curated to complement the existing surrounding tenancy, specifically targeting tenants in the luxury, athleisure, and direct-to-consumer categories. The new two-story building will be built within all other current zoning code requirements.

The Applicant and Owner of the property is 1043 N Rush Street LLC whose business address is 301 E. Market St., Suite 301, Louisville, KY 40202.

I am the attorney for the Applicant. My address is 71 South Wacker Drive, Suite 4700, Chicago, Illinois. Please note that the Applicant is not seeking to purchase or rezone your property. The Applicant is required by law to send you this notice because you own property located within 250 feet of the subject property.

GUIDELINES FOR COMPLETING PART TWO OF THE APPLICATION

All graphic materials must be submitted in an 8.5" x 11" format and must be suitable for clear and sharp, black and white reproduction. Each map or diagram should have a scale and a north arrow. Each sheet of graphic material must be labeled with the appropriate figure number. If there are multiple sheets comprising one figure - for example figure 4 - those sheets should be labeled consecutively, for example Figure 4-1, Figure 4-2, etc., and each sheet should contain the address of the site of the proposal in the lower left corner.

For Figure 1, the Applicant should consider the "vicinity of the site" to be at least as extensive as the area for which he is required to give notice plus any intervening streets or other public rights-of-way.

For Figures 3 and 4, the Applicant should consider that "recreation areas" and "recreation space and facilities" include game courts, swimming pools and pool areas, game rooms, exercise rooms, party rooms, community rooms, observation decks and sun decks.

The required narrative statement should describe the features of the proposed development, including size and mix of dwelling units, mix of uses on the site, etc. It should present a basic rationale for the development.

For Figure 6, the Applicant is urged to provide any materials at 8.5" x 11" which will facilitate the review of his Application.

PART TWO: CHARACTER OF THE PROPOSAL

This portion of the Application must be completed by attaching the following items, correctly sized and labeled, to the Application:

- I. Figure 1: A Map of the Vicinity of the Site, showing Lake Michigan, lakefront parks, preferential streets, schools, parks, major institutions. All streets on this map should be named, and the outline and height on all structures on properties immediately adjacent to the site of the proposal must be shown.
- II. Figure 2: A Map of the Existing Site, showing locations and dimensions of lot lines; contour intervals (5-foot) ; existing structures, walkways, driveways, special features.
- III. Figure 3: The Proposed Site Plan, showing locations and dimensions of proposed structures, driveways and walkways; proposed exterior parking areas; proposed exterior open space and recreation areas.
- IV. Figure 4: Proposed Floor Plans, including the ground floor, a typical floor, any floor with recreation space or facilities.
- V. Figure 5: An Elevation or Cross-section, showing the height and number of stories for all proposed structures.
- VI. Narrative: A Statement Describing the Proposed Development.

In addition, the Applicant is encouraged to provide additional graphic materials, visual aids; e.g., photographs, renderings, data tables, among others. Any such exhibits shall be labeled Figure 6.

Narrative

The project site is located at 1043 North Rush Street. The site is currently occupied by Carmine's restaurant and it is zoned DX-7. The property lies within the Private Use Zone of the Lake Michigan and Chicago Lakefront Protection Ordinance. The site contains a total land area of 12,163 square feet.

Applicant, 1043 N Rush Street LLC, is seeking to redevelop the property with a two-story multi-tenant building consisting of retail on the ground floor and new restaurant space on the second floor. Upon expiration of their current lease, Carmine's plans to relocate to the second floor of the new building which will also include a private outdoor terrace overlooking the Rush Street corridor. The terrace will be used for white tablecloth dining to replace its current ground floor patio seating and will not be used as bar space. The ground floor retail will be well curated to complement the existing surrounding tenancy, specifically targeting tenants in the luxury, athleisure, and direct-to-consumer categories. One loading space in the rear of the building is proposed and all loading access will occur from the alley.

The building's exterior façade will be constructed primarily of masonry, transparent glazing and painted metal panels. The maximum height of the building will be 45 feet.

The proposed building is consistent and compatible with existing uses and adjoining properties as well as compatible with the area. The height of the structure will complement adjoining properties. The development of this property adheres to the goals in the Lake Michigan and Chicago Lakefront Protection Ordinance.

PART FOUR: POTENTIAL IMPACT OF THE PROPOSAL
