LAND MANAGEMENT

- Calumet Prairie Unit
- Other Unit
- Landfill - Waste Treatment

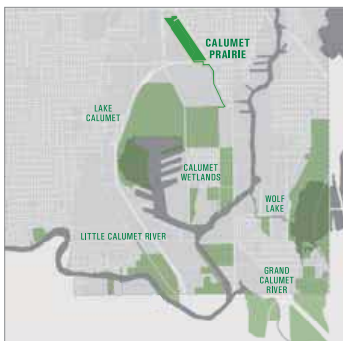

RECOMMENDED BIKE TRAILS

- Recommended Bike Route
- Existing Bike Lane
- Proposed Bike Lane
- Existing Multi-Purpose Trail
- Potential Multi-Purpose Trail (conceptual)

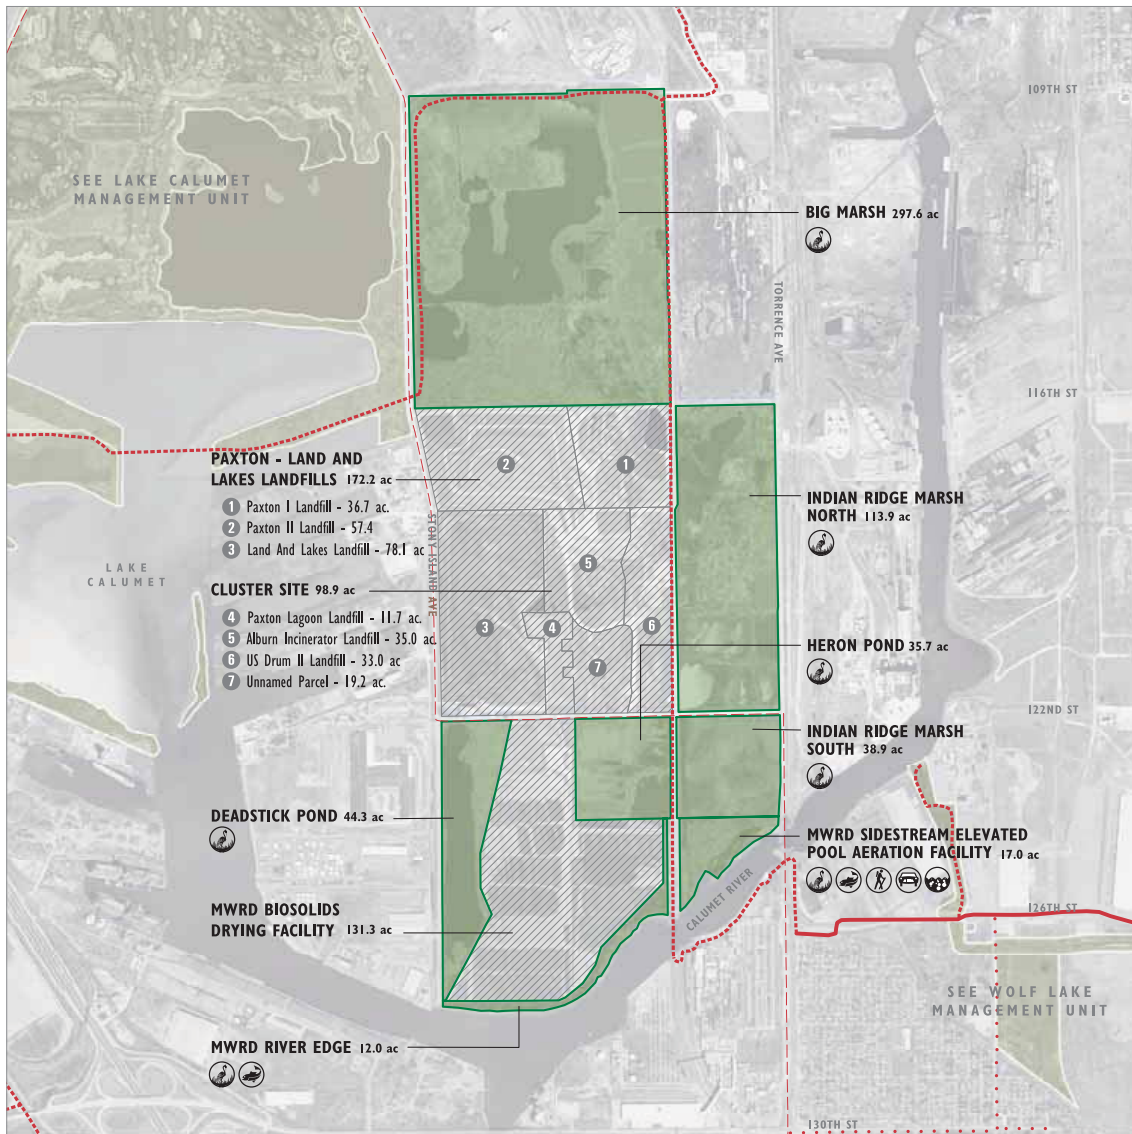

SITE FEATURES

- 🐦 Habitat Site

0 500 1,000 Feet

Acreage and ownership information are for planning purposes only. This information is not based on platted survey.

LAND MANAGEMENT

- Calumet Wetlands Unit
- Other Unit
- Landfill - Waste Treatment

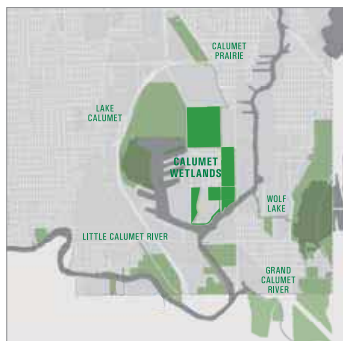

RECOMMENDED BIKE TRAILS

- Recommended Bike Route
- Existing Bike Lane
- Proposed Bike Lane
- Existing Multi-Purpose Trail
- Potential Multi-Purpose Trail (conceptual)

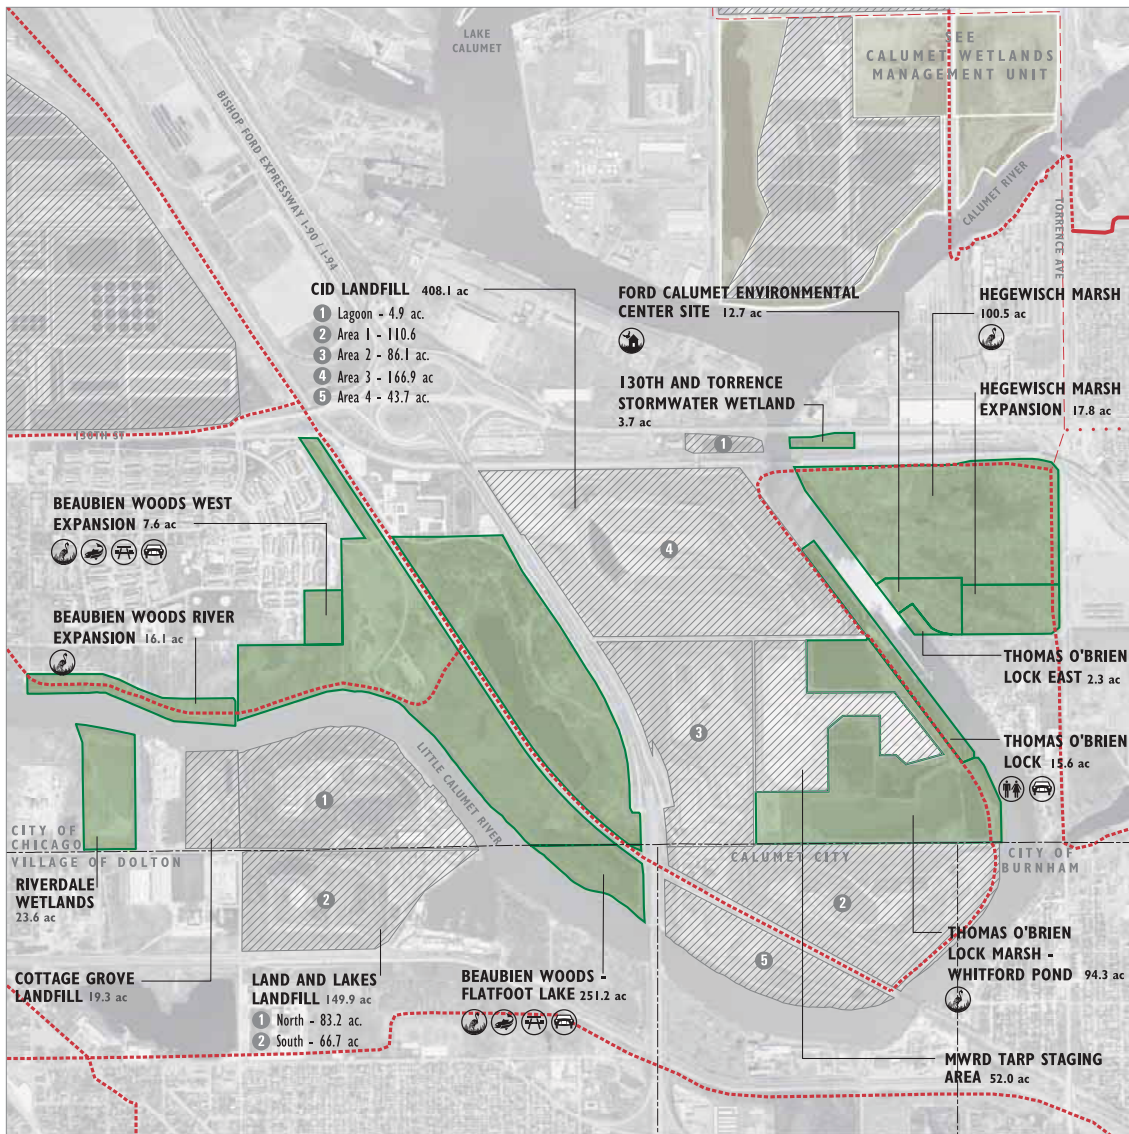

SITE FEATURES

- Habitat Site
- Fishing
- Hiking/Nature Trail
- Parking
- Sidestream Elevated Pool Aeration Station

0 500 1,000 Feet

Acreege and ownership information are for planning purposes only. This information is not based on platted survey.

LAND MANAGEMENT

- Little Calumet River Unit
- Other Unit
- Landfill - Waste Treatment

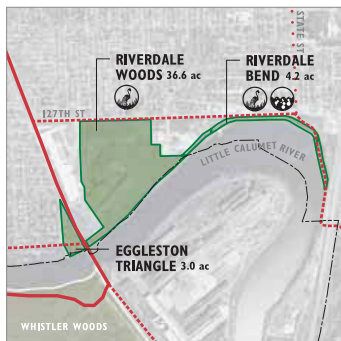

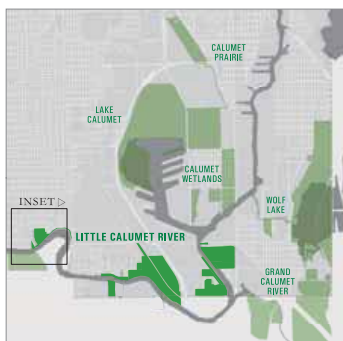

RECOMMENDED BIKE TRAILS

- Recommended Bike Route
- Existing Bike Lane
- Proposed Bike Lane
- Existing Multi-Purpose Trail
- Potential Multi-Purpose Trail (conceptual)

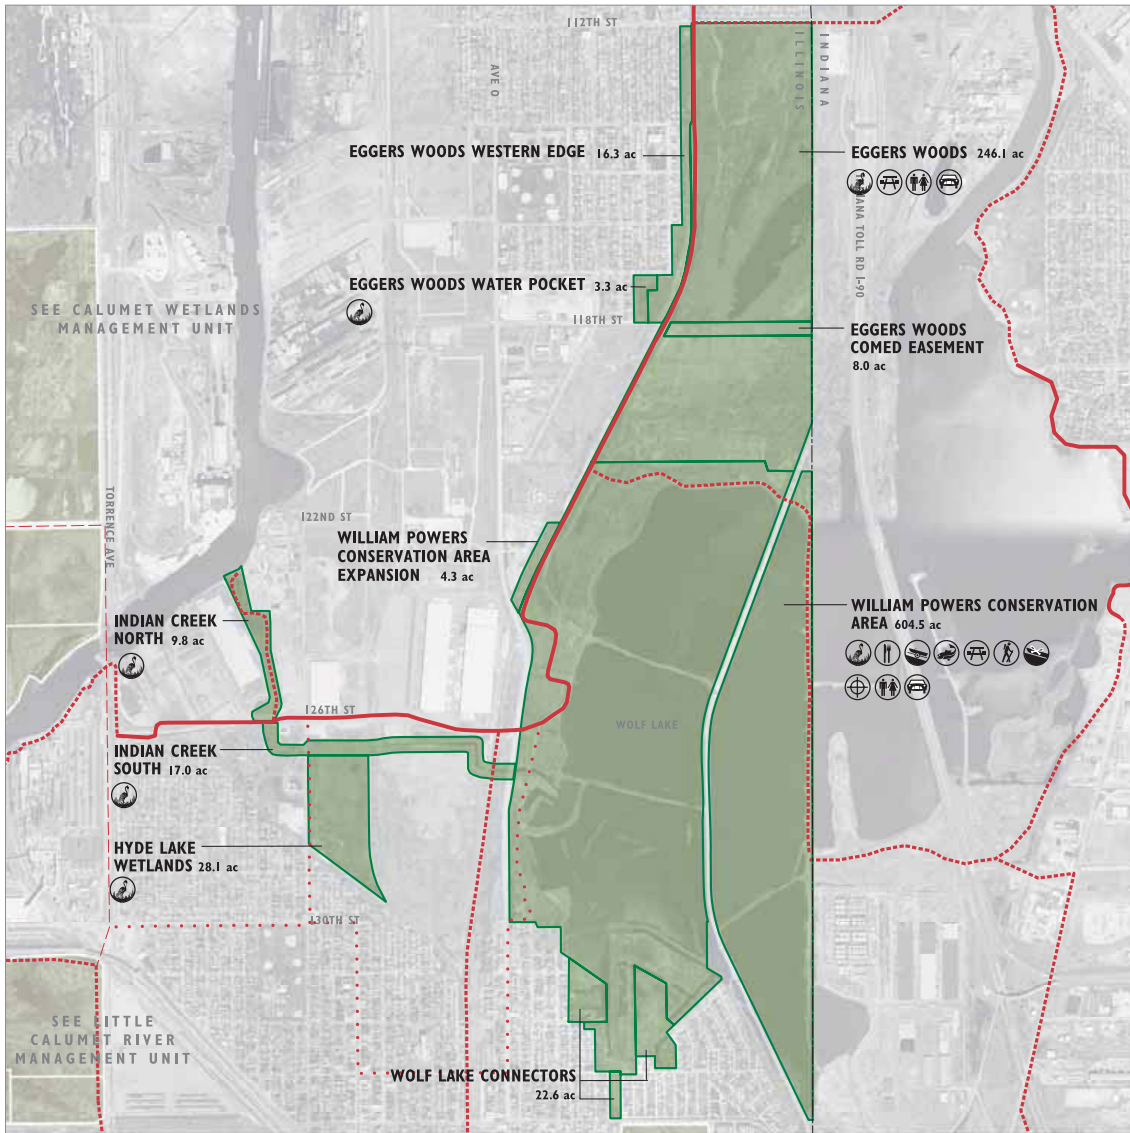

SITE FEATURES

- Habitat Site
- Fishing
- Parking
- Picnic Area
- Proposed Environmental Center
- Restrooms
- Sidestream Elevated Pool Aeration Station

0 500 1,000 Feet

Acres and ownership information are for planning purposes only. This information is not based on platted survey.

LAND MANAGEMENT

- Wolf Lake Unit
- Other Unit
- Landfill - Waste Treatment

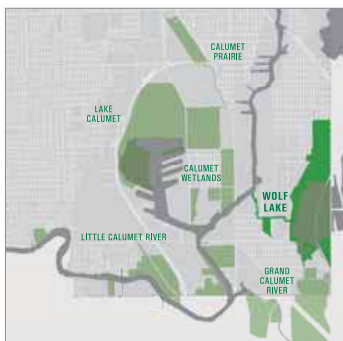

RECOMMENDED BIKE TRAILS

- Recommended Bike Route
- Existing Bike Lane
- Proposed Bike Lane
- Existing Multi-Purpose Trail
- Potential Multi-Purpose Trail (conceptual)

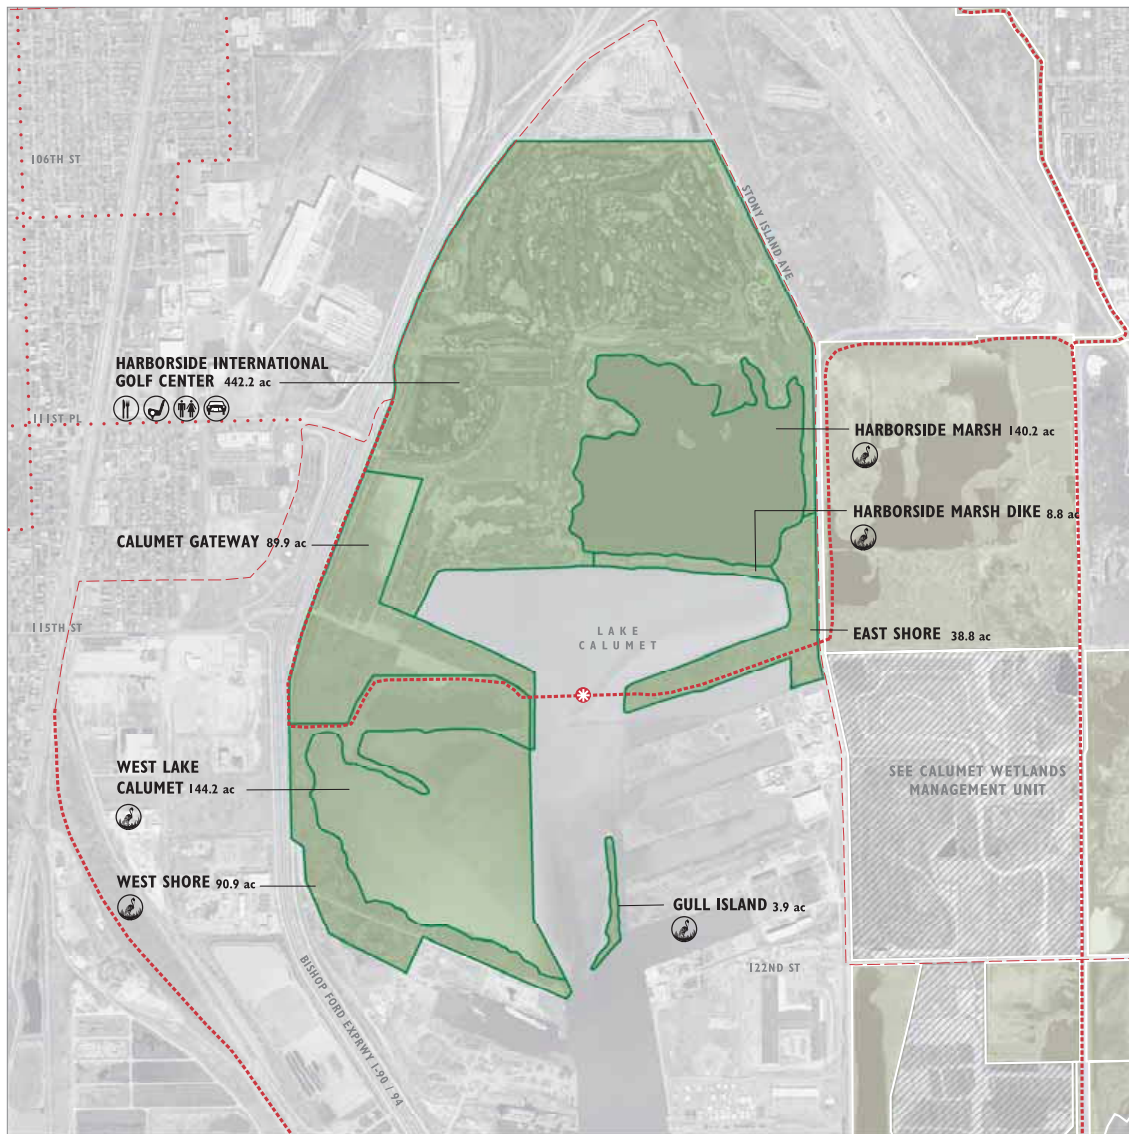

SITE FEATURES

- Habitat Site
- Boat Launch
- Canoe Launch
- Concessions
- Fishing
- Hiking/Nature Trail
- Hunting
- Parking
- Picnic Area
- Restrooms

0 500 1,000 Feet

Acreage and ownership information are for planning purposes only. This information is not based on platted survey.

LAND MANAGEMENT

- Lake Calumet Unit
- Other Unit
- Landfill - Waste Treatment

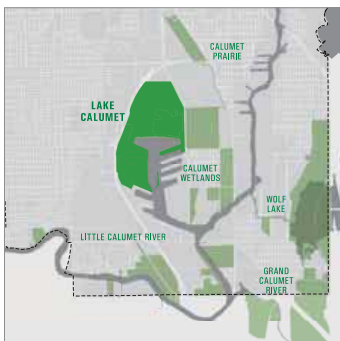

RECOMMENDED BIKE TRAILS

- Recommended Bike Route
- Existing Bike Lane
- Proposed Bike Lane
- Existing Multi-Purpose Trail
- Potential Multi-Purpose Trail (conceptual)
Pending necessary approval per Navigable Waters and Homeland Security Acts: ⚠️

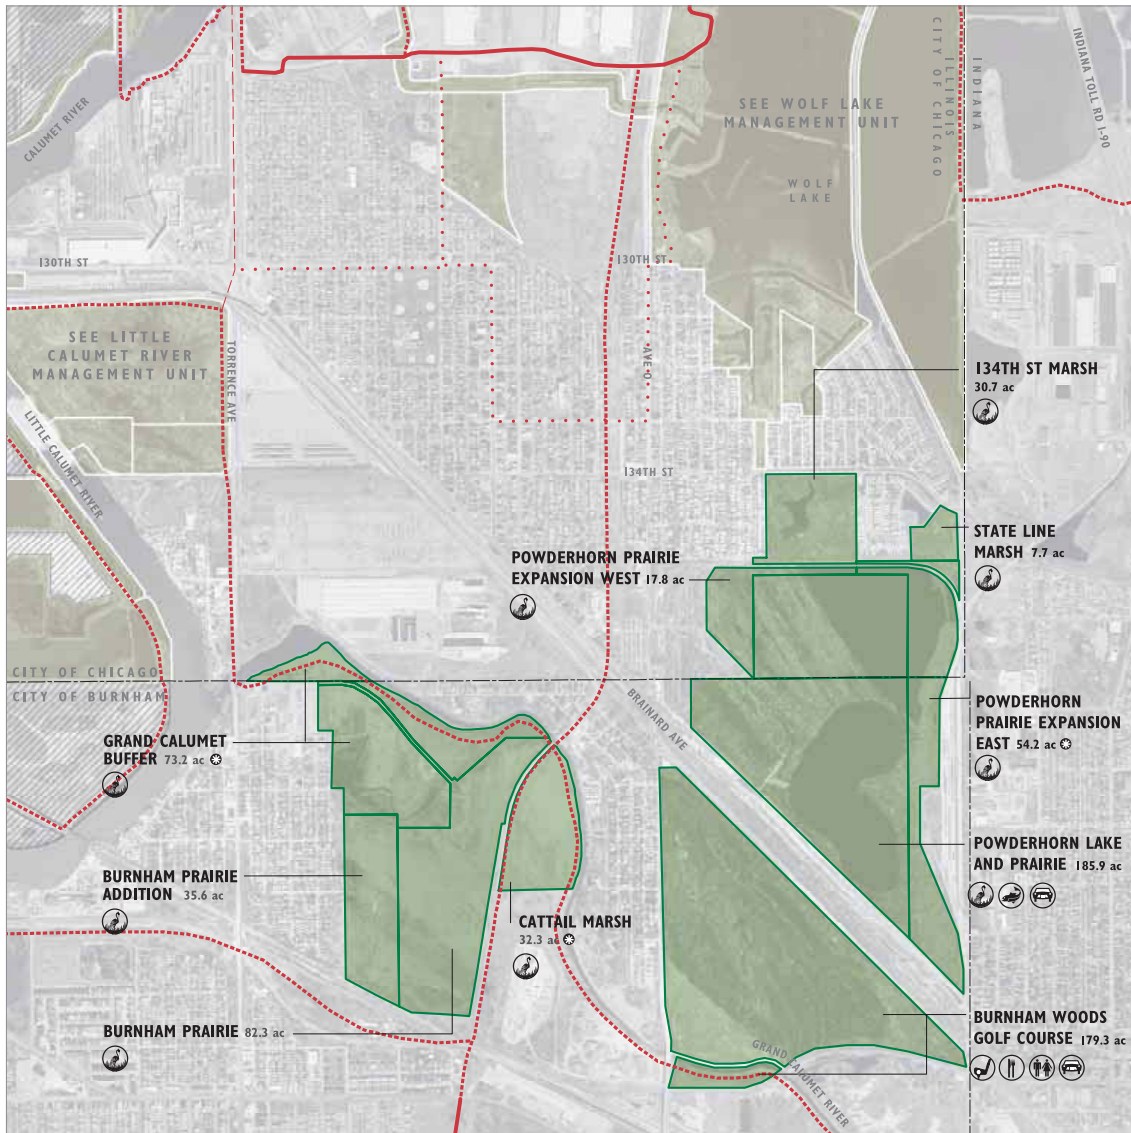

SITE FEATURES

- Habitat Site
- Concessions
- Golf Course
- Parking
- Restrooms

0 500 1,000 Feet

Acreege and ownership information are for planning purposes only. This information is not based on platted survey.

LAND MANAGEMENT

- Grand Calumet River Unit
Final boundaries to be coordinated with the City of Burnham: ☉
- Other Unit
- Landfill - Waste Treatment

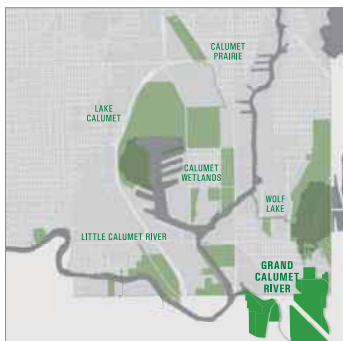

RECOMMENDED BIKE TRAILS

- Recommended Bike Route
- Existing Bike Lane
- Proposed Bike Lane
- Existing Multi-Purpose Trail
- Potential Multi-Purpose Trail (conceptual)

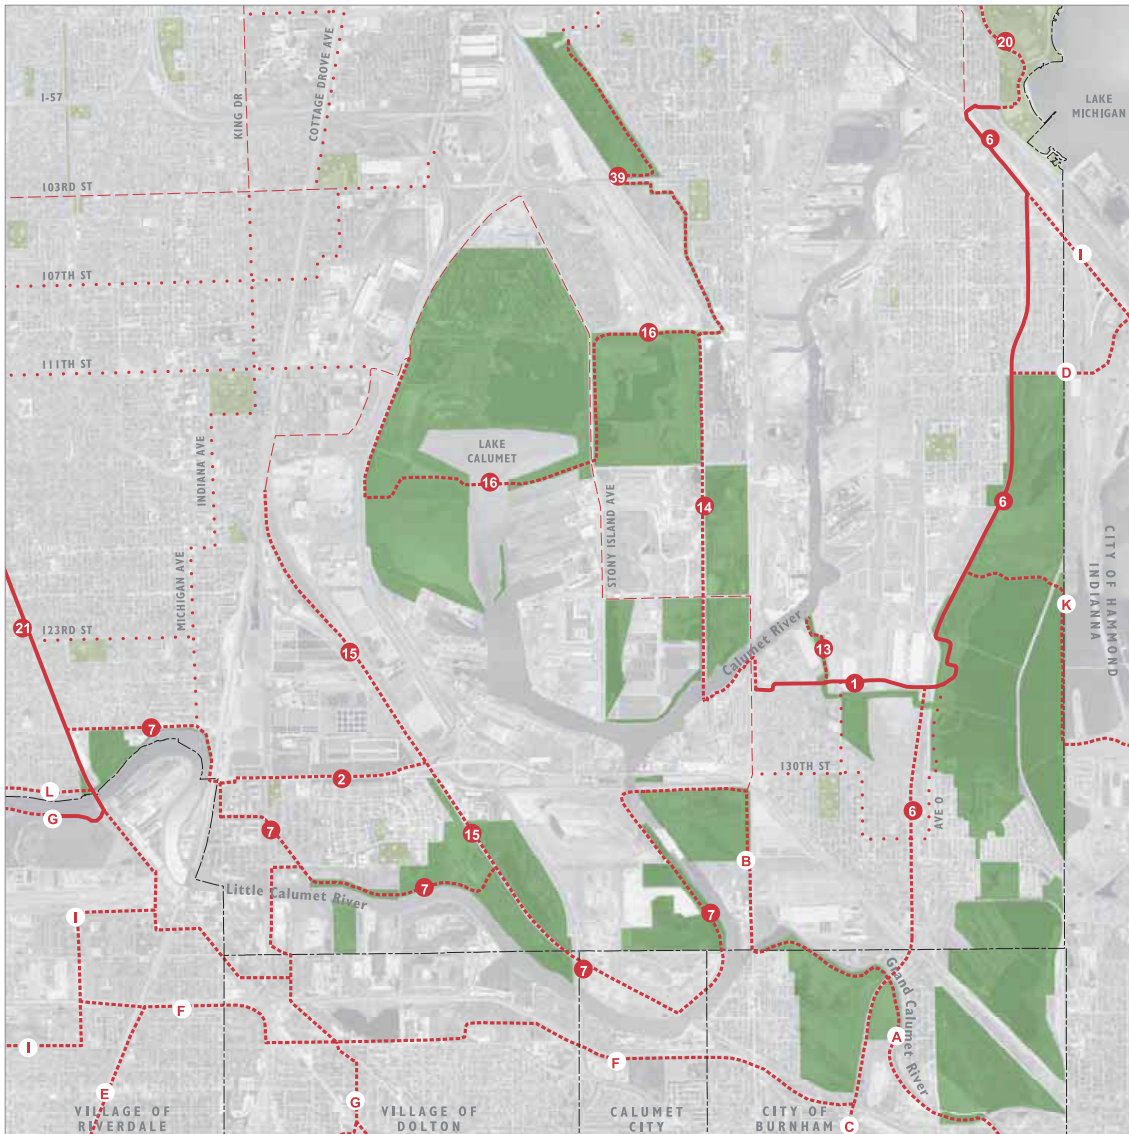

SITE FEATURES

- Habitat Site
- Restrooms
- Concessions
- Fishing
- Golf Course
- Parking

0 500 1,000 Feet

Acreege and ownership information are for planning purposes only. This information is not based on platted survey.

BIKE CONNECTIONS:

- ⋯⋯⋯ Recommended Bike Route
- Existing Bike Lane
- - - Proposed Bike Lane
- = Existing Multi-Purpose Trail
- ⋯⋯⋯ Potential Multi-Purpose Trail (conceptual)
Trail alignment to be determined based upon security and habitat buffer requirements.
