Mr. George Lyman

Department of Aviation – Airfield Operations
Chicago O'Hare Airport
P.O. Box 66142
Chicago, IL 60666

Dear George,

Meteorlogix is the world's largest commercial weather services provider. Meteorlogix has been working with the airline industry for more than 25 years, providing specialized aviation weather information and custom forecasting services. Currently we support Flight Operations and SOC department at over 50 major and regional airlines, including USAirways. Based in Minneapolis, Mn Meteorlogix provides weather information to over 22,000 commercial customers, including leading organizations such as the PGA, AOPA, Union Pacific and Reuters. In addition to these leading organizations, Meteorlogix is providing weather information to several large airports. Today, Dallas, Minneapolis, Philadelphia, Reagan National and Dulles airports all exclusively use Meteorlogix weather for their operational needs.

Sincerely,

Dale Raymakers Aviation Executive Sales Meteorologist
